

The Wife I Picked Up Is Too Chapter Chapter 880

Chapter 880: Hacking the Sacred Island Network

Xie Shihao said in a sobbing tone, "I want to eat the fried pork in scoop that you cook yourself before I die."

Upon hearing this, Gu Qingye's good temper was completely used up. He said coldly, "Xie Shihao, I suggest you quickly return to the Capital and go to the hospital to get a brain checkup. I seriously suspect that you're crazy. What other you? What do you mean by carrying a 200-pound fatty for the assessment? You're an idiot!"

However, Xie Shihao still said, "It's true. I'm not lying to you. I'm not crazy. I really saw my other self in the broadcast. Moreover, my other self is super amazing!"

Gu Qingye snorted. "If that person looks like you and is super strong, then he's definitely not you. I heard that Xu Mingqian knows a little bit of hacker technology. Why don't you ask him for help and see if he can hack into the Sacred Island? Then, share the broadcast you mentioned with me. I want to see what's going on with the other you."

Upon hearing this, Xie Shihao instantly reacted. He hung up the phone and found Xu Mingqian's number. Xu Mingqian was not Gu Qingye who could help him unconditionally. Xu Mingqian asked for ten million. Although it hurt a lot, Xie Shihao finally agreed to it. However, he only transferred four million to Xu Mingqian and asked him to ask Gu Qingye for the other six million. Anyway, Gu Qingye asked him to do this. Moreover, Gu Qingye wanted to watch the broadcast, so he naturally had to ask Gu Qingye for money.

Through the link to Xie Shihao's laptop, Xu Mingqian hacked into the entire Sacred Island's intranet without much effort. In minutes, he shared the live broadcast of the assessment on the Sacred Island to Gu Qingye.

In the Xu residence in the Capital, Xu Mingqian was hiding in another place in the Capital. At this moment, Xu Mingqian was sitting in front of his computer, watching the broadcast on the Sacred Island's intranet with meticulous eyes. He saw Xie Shihao running crazily on the training ground with the fat man on his shoulder. Through his careful observation, he finally confirmed that the man participating in the competition was definitely not Xie Shihao.

...

At the Sacred Island competition venue.

"Xie Shihao's" legs seemed to have a motor installed. He carried a person who weighed more than 250 pounds and rushed all the way to the finish line. However, just as he stepped into the finish line, "Xie Shihao" grabbed one of the fatty's elephant legs and threw him across the finish line.

At the same time, the first runner's relay was completed. Fatty was actually not the last. Immediately after, the second runner started. It was the dwarf man from the internal affairs department's turn. Although he was short, he was not slow. At least, he was a little faster than Fatty. However, he encountered a difficult problem on the second obstacle because it was a pit that was 1.7 meters deep. This was simply a nightmare for the dwarf man, who was less than 1.5 meters tall. He tried his best to jump out of the pit a few times, but he could not even touch the edge of the pit. He could only watch helplessly as the other groups' second runners left him behind.

At the critical moment, “Xie Shihao” appeared in the dwarf’s eyes. Xie Shihao didn’t say anything else and jumped into the pit to carry the dwarf on his shoulder. Then, he kicked his legs hard and jumped out with the dwarf on his shoulder. Then, he ran towards the finish line like a rocket. Compared to when he was running with the fatty, the dwarf this time was so light that it seemed like he didn’t weigh anything. This made “Xie Shihao” run faster.

This time, “Xie Shihao” carried the dwarf and reached the finish line in just two minutes and thirty seconds. Before the dwarf could thank him, he saw “Xie Shihao” turn around and run back to the starting point. He was so fast that it was like a wind blowing past.

According to the rules before the competition, the third runner was the bespectacled man, the fourth runner was Xie Shihao, and the last runner was Little Wu. Now that Xie Shihao had successfully helped his two teammates complete the competition, the bespectacled man in the third runner rushed towards the finish line. To everyone’s surprise, this bespectacled man looked weak and scholarly, but he ran very quickly. Although he wasn’t as fast as “Xie Shihao” and Xie Ruoyun, he was definitely not much worse. This also made “Xie Shihao” hesitate for a moment before deciding not to help the bespectacled man complete the competition. After all, every bit of stamina he had was worth it.

As expected, “Xie Shihao” had made the right choice to believe in his teammate. The bespectacled man didn’t disappoint her. He completed his competition with the result of being the third to reach the finish line.
