

## The Wife I Picked Up Is Too Chapter Chapter 881

Chapter 881: You're Not That Good Either!

At the same time, Little Wu suddenly moved and rushed towards the finish line. She didn't let 'Xie Shihao' run first as agreed. Little Wu's idea was very simple. She had to go first to give 'Xie Shihao' more time to recover his strength. Only then could she ensure that the final runner would be perfect.

When Little Wu made a move, she would definitely go all out. She finished the fourth run as the first place. The entire time only took 1 minute and 27 seconds. Before she could stop, she saw 'Xie Shihao' at the starting point fly out as if he had hit a spring on his butt. His speed was so fast that it was shocking.

However, Xie Ba was also rushing out of the starting point with 'Xie Shihao'. Little Wu was originally the last one to fight Xie Ba, but now, his opponent was Xie Shihao. Moreover, to Xie Ba's surprise, Xie Shihao's speed was actually on par with his. He even seemed to be suppressing him. Looking at the serious 'Xie Shihao' who was running crazily, the viewing area instantly exploded. Everyone was discussing.

"D\*mn! What the heck? Is this person really Xie Shihao?"

"Oh my god, one trip is 1,000 meters. Xie Shihao has already run 4,000 meters. And after this trip, he will run 5,000 meters. Although we usually run 5,000 meters, he's competing now and running at full speed. Could it be that this person has taken stimulants?"

“Most importantly, Young Master’s speed is actually about the same as Xie Ba. Moreover, the pressure that is about to surpass Xie Ba at any moment makes even them feel a little suffocated.”

Listening to the messy discussions below, the man sitting high up couldn’t help but lean back in his chair. He placed one hand on the armrest and tapped his slender fingers on it rhythmically. Xie Jiuhan’s eyes were deep and emotionless, making it impossible to tell what he was thinking at that moment.

Compared to the man, Xie Yuhuan couldn’t be calm anymore. She stood up and looked at the running figure on the field with her eyes wide open. At that moment, the Xie Shihao in her eyes couldn’t be described as ‘strong’. It was simply like a maxed-level character coming to the newbie village to torture noobs. This was because Xie Shihao had already surpassed Xie Ba after crossing a deep pit at a distance of 500 meters. Moreover, the two of them were pulling apart at a visible speed.

Seeing that he had been surpassed, Xie Ba’s face couldn’t help but turn red. He wasn’t embarrassed, but angry. He never dreamed that he would lose to someone, no, a trash, he had always looked down on!

He could lose to anyone, even to that fatty and the dwarf, but Xie Ba couldn’t accept losing to Xie Shihao. How could he lose to Xie Shihao? How could he allow himself to lose to Xie Shihao? Moreover, he lost to Xie Shihao in front of so many people. At the thought of this, Xie Ba felt that he was about to go crazy. His eyes started to turn red, and his body instantly erupted with an even faster speed.

However, what made Xie Ba vomit blood was that no matter how fast he ran, how well he adjusted his breathing, or how superb his skills were in crossing all sorts of obstacles, he actually couldn’t catch up to Xie Shihao, not to mention taking over him. Not only did he not reduce the distance between the two of them, but the distance between them also increased.

When he saw Xie Shihao with one foot on the finish line, Xie Ba's mind went blank. He stopped in his tracks and looked at Xie Shihao with a silly expression. Xie Shihao specially turned around to look at him after crossing the finish line. He curled his finger at him and shouted, "Hey, Xie Ba, are you thinking about life? Aren't you very powerful? You're giving up just like that?"

Upon hearing this, Xie Ba instantly woke up. He looked at the other members who were about to catch up and immediately started running again. Ten meters, eight meters, three meters. Very quickly, Xie Ba crossed the finish line. Before he could catch his breath, he saw 'Xie Shihao' smile and walk up to him. He raised his hand and gave Xie Ba a thumbs up. Then, his thumb slowly turned down.

"Ha, Xie Ba, you're not that good either!" Xie Shihao said casually, but his words were filled with arrogance in everyone's ears.

...

"Yeah! Awesome!" Xie Shihao, who was recuperating on the bed, cheered. He accidentally pulled his lower back and gritted his teeth in pain. However, he still endured the pain and said to Xu Mingqian, who was far away in the Capital, "Mingqian, did you see that? The other me actually defeated Xie Ba and was so arrogant. He simply f\*cking suits my taste. This feeling is too awesome. I feel like I'm about to fall in love with myself. Tell me, why am I so outstanding?"
