

The Wife I Picked Up Is Too Chapter Chapter 894

Chapter 894: Exposed

“Look, in just two to three frames, Young Master is actually playing games while punching three times?!” Suddenly, someone in the stands broke the silence. That person had a shaved head and a firm figure, but his height was very ordinary. As this person exclaimed, he pointed at the LED screen.

Upon hearing this, everyone looked over. As the bald man had said, ‘Xie Shihao’ was really attacking Xie Ba while playing games. This was because the scene was very clear. When Xie Shihao was punching, his left thumb was crazily pressing the phone screen.

After discovering this situation, the entire boxing hall wasn’t as quiet as before. Instead, there were gasps one after another. Then, when everyone looked at ‘Xie Shihao’ on the stage, their gazes changed completely!

In the eyes of everyone, Xie Shihao was simply an elephant, and they were just small ants. As for people like Xie Ba and Xie Long, they were just relatively larger ants. However, no matter how strong they were, ants were still ants. In front of an elephant, they could only be crushed.

What did it mean to be arrogant? What did it mean to be presumptuous? What did it mean to be slapped in the face again? The scene of Xie Shihao abusing Xie Ba just now was when Xie Shihao was beating Xie Ba up and continuing to play games. Moreover, according to the video, Xie Shihao had also won the game. This was true absolute strength!

The chief referee stepped onto the stage and went forward to check Xie Shihao's phone. After confirming that there was nothing wrong with Xie Shihao's phone, the chief referee grabbed Xie Shihao's hand and raised it. Then, he said loudly, "I announce that the final winner of Xie Shihao and Xie Ba's combat competition is..."

"Wait!" At this moment, a confident woman's voice sounded, interrupting the chief referee. Everyone looked over and saw Xie Yuhuan slowly stand up from her chair.

The chief referee's expression froze. Then, he asked unhappily, "Old Madam, what's the problem?"

Xie Yuhuan looked around and took a deep breath. "Chief referee, I don't mean to interfere with your announcement of the results of the competition. I just want you to introduce someone to everyone before you announce the results."

Upon hearing this, the chief referee frowned and said, "Old Madam, who are you talking about?"

Xie Yuhuan sneered. "It's someone all of you know. Everyone, please take a look!"

Xie Yuhuan hurriedly turned around. Then, four bodyguards walked in from the door behind her with a stretcher. Although it was a little far, everyone could still see very clearly that there was a person tied to the stretcher. However, that person was lying on the stretcher, so everyone could not see his appearance clearly.

Just because they couldn't see didn't mean that everyone couldn't hear. They only heard the person on the stretcher roar, "You trash, let go of me quickly! How dare you treat me like this? Just wait to die. I'll chop you into pieces and throw you into the sea to feed the fish..."

However, the four bodyguards seemed to not have heard anything. They carried the stretcher to the empty space in front of the audience and cooperated very well to erect the stretcher so that everyone could see who was tied to it.

"Hiss..." Another gasp was heard. Everyone could see very clearly that the person cursing on the stretcher was none other than Xie Shihao!

"D*mn! D*mn! What the heck? Why are there two Xie Shihaos?!"

"Oh my god, am I possessed? I actually saw two identical people at the same place at the same time. It's too scary!"

"Impossible. How can there be an identical person in this world? Even twins can't be 100% similar. One of these two Xie Shihao must be fake."

Seeing this scene and everyone's reaction, the corners of Xie Yuhuan's mouth curled up. She looked at Xie Jiuhan smugly. She wanted to see how this cold and heartless man, who was high and

mighty, would react at this moment. However, what surprised her was that Xie Jiuhan was only sitting at the head of the table. His handsome face, which was so handsome that it made people forget to breathe, was expressionless. He only looked at everything in the field quietly, as if nothing in the world could move him.

“Last night, Xie Shihao accidentally injured his ankle and lumbar spine during training, so he has been recuperating in the villa. According to his injuries, he will only be able to walk for at least half a month, let alone participate in the examination,” Xie Yuhuan said to everyone.
