

The Wife I Picked Up Is Too Chapter Chapter 902

Chapter 902: The Smell of Love

Most importantly, she had personally witnessed the scene of the disguise mask being removed. It turned out that the 'Xie Shihao' who made her heart beat faster was actually Feng Qing in disguise. As expected, only Feng Qing could make her heart beat faster.

Feng Qing fluttered her long eyelashes and did not wait for Little Wu's response. She reached out and wanted to touch Little Wu's red nose. Little Wu's eyes heated up and she immediately covered her flushed face, subconsciously avoiding Feng Qing's hand.

"Young, Young Madam, I'm fine. The doctor said that at my hot-blooded age, more nosebleeds can adjust my blood pressure. I'll send Young Master Shihao back now." In front of Feng Qing, Little Wu became very soft. Her body exuded a 'spring' aura, and she was flustered and at a loss.

Xie Jiuhan looked at Little Wu coldly. Little Wu's face was hot, and her entire body was hot. She didn't notice that his cold gaze was on her. Xie Qi took this opportunity to put Xie Shihao down from the stretcher.

Xie Shihao laid on the stretcher. Before he could relax, Little Wu walked over and picked him up, ignoring the strange looks from the surrounding people.

Xie Shihao : "..."

Little Wu pressed Xie Shihao's face against her chest, which was as flat as an airport runway. She closed her eyes and felt her heartbeat. She could hear Xie Shihao's heartbeat and feel the other party's body temperature. And her heartbeat was also abnormally steady. Little Wu opened her eyes. The real Xie Shihao made her heart as calm as water.

Xie Shihao clenched his fists and held them in front of him. Like a little wife, he raised his head nervously and looked at the woman who was carrying him.

"Miss, Miss Little Wu, do you have any thoughts about me?" Little Wu ignored the person in her arms and only walked out calmly. Xie Shihao realized that this was the first time Little Wu, who was usually serious, had smiled. Moreover, for someone like her, who usually didn't smile and suddenly smiled, the kind of smile was indescribable. It was so natural and happy, as if she had won the first prize.

Xie Shihao : "???"

Looking at the smiling Little Wu, Xie Shihao secretly felt that Little Wu was really interested in him. Otherwise, she wouldn't have smiled like this. Moreover, she didn't care about the occasion and just carried him away.

Little Wu smiled and replied, "Young Master, I feel calm and joy from you."

Xie Shihao : "!!!"

Upon hearing this, Xie Shihao instantly confirmed his thoughts. As expected, Little Wu really had feelings for him. However, this sudden love made him feel a little uncomfortable.

Seeing that Xie Shihao was looking at her without blinking, Little Wu said, "Young Master Shihao, please don't move. Be good and I'll send you back. Madam Qingqing asked me to be responsible for your safety, but I failed in my duty again today and got someone to kidnap you here. It's all my fault."

Xie Shihao said, "Little Wu, have you participated in the combat competition?"

Little Wu shook her head. "It's not my turn yet."

Xie Shihao asked, "Then send me back. Are you not participating in the combat competition?"

Little Wu replied, "Compared to protecting Young Master, my assessment is nothing."

She wasn't trying to sound pleasant, but in her heart, nothing was more important than the mission Feng Qing had given her. Feng Qing had asked her to be responsible for Xie Shihao's safety, and this was something above everything!

Upon hearing this, Xie Shihao's pupils trembled violently. He never dreamed that Little Wu would say this. Little Wu could actually give up such an important assessment competition for him. It touched him too much. Moreover, he was even more certain that Little Wu had really taken a fancy to him!

"Little Wu." Suddenly, Feng Qing's voice sounded. The next second, Little Wu hugged Xie Shihao and spun on the spot. She said respectfully, "Madam Qingqing, what can I do for you?"

Feng Qing smiled and said, "If I remember correctly, it's not your turn yet, right? Why don't you put Xiao Hao aside and watch the battle first? You can send him back after you finish the competition."

Little Wu immediately replied, "Yes!"

Xie Shihao : "..."

Seeing that Little Wu had placed him on a chair without any hesitation, Xie Shihao was completely dumbfounded. He shouted crazily in his heart, "That's not right, Little Wu. Didn't you say that you wanted to send me back first? You even said that compared to protecting me, the assessment is nothing. Why did you change your mind?"

Looking at Little Wu's gaze on Feng Qing, Xie Shihao couldn't help but frown. For some reason, he could smell love.
