

The Wife I Picked Up Is Too Chapter Chapter 938

Upon hearing this, killing intent appeared in Xing Wudi's silver eyes for the first time. His fair face was suffused with a cold expression. He sneered and said, "I know. After all, Qingqing is already married, so my feelings for her are disgusting in the eyes of anyone. However, it doesn't matter to me. So what if she's married? Can't I like her after she's married? Can't I care about her after she's married? Who set the rules?"

Han Jinlu narrowed his eyes and asked slowly, "Xing Wudi, have you heard of a story? In the past, two women were fighting over a child. They both said that they were the child's biological mother, but in the fight, the one who released the child first was the biological mother. Do you understand what this means?"

Speaking up to this point, Han Jinlu raised his chin and looked at Xing Wudi in disdain. "I forgot. How can a person like you understand this logic? This story tells us that if you really love someone, you would know to stop in time at the critical moment, you will definitely not bear to let the other party suffer any harm or grievance. If it was between you and Feng Qing, even if you don't cancel the suppression of the Xie Corporation, Feng Qing will always suffer all sorts of grievances and might even be injured because of it. Of course, if you insist on refusing this, the three of us have a hundred ways to make the Seven Stars Continent's Parliament revoke this decision."

With that, seeing that Xing Wudi was silent, Han Jinlu said, "To tell you the truth, I also hope that Qingqing can go to the Seven Stars Continent, but that has to be based on her willingness, so I won't do anything to wrong Qingqing or force her, much less let her fall into pain because of my will."

With that, Han Jinlu controlled the wheelchair and walked away. He didn't want to say anything else to Xing Wudi because a selfish man wasn't worthy of talking to him.

Han Jintian turned around and his gaze landed on Xing Wudi's holographic image. He snorted coldly and gestured at Xing Wudi in disdain.

Han Jinlu and Han Jintian's figures disappeared in front of Xing Wudi. Xing Yue had one hand in his pocket and still had a bright expression on his face. However, his eyes were filled with seriousness as he looked at Xing Wudi. The corners of his mouth curled up as he said, "Xing Wudi, is that called love? That's called selfishness. Everyone is selfish, but don't think that others can't guess what you're thinking. You forced Feng Qing to come to the Seven Stars Continent because you had improper thoughts in the name of treating her. Without thinking, you will definitely forcefully keep Feng Qing by your side when she's cured."

Hearing Xing Yue's words, Xing Wudi sat on the chair and held the armrest tightly. Xing Yue had analyzed his heart clearly and at the same time, he had expressed disdain and mockery to him. This feeling made him very unhappy.

Xing Yue walked straight to Xing Wudi. The distance between the two of them was only a punch. Xing Yue lowered his eyes and looked at Xing Wudi, who was on the chair, disdainfully. "Tell me, at that time, what method will you use to keep Qingqing? Don't tell me you plan to lock her in a cage and then possess her shamelessly. Xing Wudi, let me tell you, as long as you have any similar thoughts, you're not worthy to say that you love Qingqing."

Crack! The lighter shattered with a crisp sound. Xing Wudi crushed the lighter in his hand with his hand. Xing Yue's voice was very gentle and calm, but every word he said was like a knife slicing him on the chopping board bit by bit. Not only was it heartbreaking, but it also dug out all the evil and darkness in his heart.

Han Jintian and Han Jinlu also looked at Xing Wudi in disdain after hearing Xing Yue's words. Although they didn't face each other or communicate much, the three of them had already seen Xing Wudi's thoughts through a few words. Therefore, they never expected Xing Wudi to really listen to them. However, they still wanted to look for Xing Wudi and pull him out of the parliament to teach him an unforgettable lesson as a warning.

Xing Wudi couldn't figure it out. He didn't understand. These three young masters had never participated in the matters of the Seven Stars Continent, much less interfere with any decisions of the Seven Stars Continent's parliament. Today, in order to protect Feng Qing, they could do this. It really exceeded his expectations.

After Xing Yue finished speaking, he directly hung up the holographic call, not giving Xing Wudi any chance to speak. As the surroundings darkened, Xing Wudi sat alone in the room and fell into deep thought. He wanted to think about what Xing Yue and Han Jinlu had said to him just now. Although it made him very unhappy, it seemed to make sense.
