

The Wife I Picked Up Is Too Chapter Chapter 950

After the little girl in the video finished speaking, she pulled off her dirty braid and revealed her tidy and short hair. At this moment, what appeared on the screen was a face that was difficult to distinguish between male or female. The little girl in the video had an oval-shaped face, but her cheeks were very full. Coupled with her pink lips, she gave off a very cute feeling. Her black and beautiful eyes, her thin and thick eyelashes, and her snow-white skin gave off a feeling that it could be broken. She was like a steamed bun that had just come out of the pot, making people want to take a bite.

After removing the wig, the child took off the large earrings as he spoke. In the end, he threw the necklace he was wearing aside. Through the phone, one could see that the room the child was in was obviously a child's room. However, as far as the eye could see, it was pink. One could feel the rich female aura through the phone.

Han Jintian couldn't be bothered with this brat's complaints, but when he heard that his younger brother was going to do it himself, he leaned back. "Oh? Di Minghao, what are you planning to do personally? Find Little Six in the small pond in the Di Palace? If you can find Little Six, I'll change my surname to yours."

Upon hearing this, the child on the phone was instantly furious. He gestured his fist at Han Jintian on the phone. "I-I'm not trash like you with an IQ of only 210. With my 260 IQ, I can definitely find Sixth Sister, so don't underestimate me."

The corners of Han Jintian's mouth curled up as he said disdainfully, "Alright, alright, alright. You're the best. You have the highest IQ. Who dares to look down on you? However, I suggest that you leave the Di Palace first before saying that you want to look for Little Six."

Upon hearing this, the child in the video instantly pouted. He grabbed his pink princess dress and pulled it up with all his might. It looked like he wanted to take off the dress. Unfortunately, his arms were a little short, so in the process of taking the dress off, it was stuck on his head. At the same time, Han Jintian saw the child's fair belly on the phone screen.

However, in the next second, the child used too much strength and fell to the ground. The child fell to the ground and was still fighting with the pink dress on his body. His two calves kept flapping. Han Jintian and Han Jinlu saw that the child was wearing a pair of princess shoes that could "blind" people.

Han Jintian mocked mercilessly, "Di Minghao, I've decided to take back what I said just now. You can't even take care of yourself, and you still want to walk out of the Di Palace to look for Little Six. I think you should learn to take off your clothes first. I've already sent this screenshot to Big Brother. Let him admire your magnificent feat of not being able to take off your clothes. Haha!"

Hearing his mocking laughter, the child on the phone became even angrier. He tried his best to take off his dress. Perhaps because he had used all his strength, Di Minghao's underwear was exposed. Therefore, Han Jintian saw a small pink underwear with a cartoon pig pattern.

Han Jintian was laughing so hard that tears were about to come out of his eyes. He held his phone and laughed until he swayed back and forth. Han Jinlu, who was at the side, smiled relatively more refinedly. He covered his mouth with one hand, and his shoulders trembled violently. However, when he met Han Jintian's eyes, the smile on their faces instantly froze and quickly disappeared. Then, the two of them turned their heads to the side with expressions that said, "I don't know him."

On the other end of the phone, Di Minghao finally took off his pink dress. Then, he opened the pink wardrobe behind him and took out a cool male outfit. This was the clothes he and other boys his age had exchanged for toys at the banquet. It wasn't that he liked to wear other people's clothes, but his

huge wardrobe was filled with female clothes. From the moment he could remember, his father had asked him to wear all sorts of female clothes. This situation lasted until he had the awareness of gender differentiation. Only then did he secretly cut off his long hair at night. His perverted father was very angry when he found out. If Fourth Brother hadn't saved him at the critical moment, he would have been beaten to death by that perverted father.

As Di Minghao wore a male outfit, he said, "Let me tell you, I've had enough of life here. I'm obviously a boy, but that perverted old man forced me to wear female clothes every day. Since the perverted old man likes his daughter so much, I'll help him find Sixth Sister. When the time comes, I'll let Sixth Sister wear a princess outfit and live in a princess room. I want to be like Big Brother and be a strong man!"
