

The Wife I Picked Up Is Too Chapter Chapter 971

Feng Qing seemed to not believe it. She hurriedly flipped through the information on her phone and finally sent a message to Han Jinlu to confirm. “He’s the master Xie Ruoyun was talking about?”

After a few seconds, Han Jinlu replied, “It’s true. He’s indeed from the Seven Stars Continent. A few years ago, because of the success of some major projects in the Seven Stars Continent’s research institute, he became an important researcher in the Seven Stars Continent’s research institute. Now, he’s even holding an important position in the research institute. This year, he was even chosen as one of the seven generals of the Seven Stars Continent’s research institute.”

Xie Jiuhan looked at Feng Qing’s face and realized that there was a faint smile on the woman’s lips. Her black and beautiful eyes were shining. He knew that this woman was definitely preparing to tease someone again.

...

After the meal, Feng Qing and Xie Jiuhan washed up and laid on the bed to sleep. At this moment, her phone rang. Feng Qing took it and saw that it was a message from Xie Ruoyun. She opened it and realized that Xie Ruoyun had invited her to invite Du Yu out of the mountains tomorrow. The location was Du Yu’s residence in the Capital this time—the Heaven and Earth Hall.

However, to Xie Ruoyun’s surprise, although Feng Qing had agreed to go, she didn’t go alone. Instead, she asked her to invite Du Yu along. Wasn’t she afraid that she would take the credit? Or did Feng Qing think that as a collateral branch of the Xie family, Xie Ruoyun would naturally give the credit to her, the madam of the Xie family?

After thinking for a while, Xie Ruoyun did not take it seriously. She casually replied to Feng Qing and told her that there was no problem. Tomorrow, they would invite that master to help Ninth Master. Actually, she also wanted to see how Feng Qing would perform.

...

The next morning, just as the sun rose over the horizon, Xie Ruoyun arrived at the Xie Manor. According to the agreement last night, they were going to the Heaven and Earth Hall together today, so she wanted to take the same car as Feng Qing. When Xie Ruoyun saw Feng Qing wearing a dress with a slit on the side, she tried her best to suppress the smile that was about to rise on her lips. "Young Madam, I didn't expect you to be so beautiful in a dress."

Last night, the two of them chatted for a while. Xie Ruoyun specially revealed to Feng Qing that Du Yu was a person with a very strange temper. He was usually cold to people and would only be especially polite when he saw the woman in a dress. Xie Ruoyun's meaning was very obvious. She told Feng Qing that if she wanted to settle Du Yu, she had to satisfy him.

Feng Qing asked, "Eh, Ruoyun, why aren't you wearing a dress?"

Xie Ruoyun seemed to have expected Feng Qing to ask this question, so she smiled and replied, "Young Madam, you might not know, but I don't have any dresses in my closet. An exquisite and high-end dress like Young Madam's requires a designer to tailor it. This time, I went to see Master Du Yu at the last minute, so I didn't have time to make a dress to wear."

Before Feng Qing could speak, Little Wu had already walked forward. She held a paper bag in her hand and walked up to Xie Ruoyun. She handed the paper bag to Xie Ruoyun and said, "This is the dress Young Madam specially prepared for you. Hurry up and try it."

Upon hearing this, Xie Ruoyun's expression changed instantly. She hurriedly rejected, "Young Madam, this-this isn't suitable..."

Feng Qing chuckled. "I've already gotten someone to change it according to your size. How can it not be suitable?"

Xie Ruoyun continued to decline, "Young Madam, that's not what I meant. I mean..."

"Ruoyun, if you continue to decline, you'll be despising the custom-made gown I gave you. Besides, we are going to the Heaven and Earth Hall to ask Master Du Yu for help today. This matter is important to the entire Xie Corporation, so we naturally have to dress appropriately. Alright, don't say anything else. You don't have to be polite to me. Hurry up and change into the dress in the guest room." Without waiting for Xie Ruoyun to finish, Feng Qing interrupted.

"Young Madam, you're the host today, so it's enough for you to wear a dress. I'm just a green leaf. It's useless even if I wear it. Perhaps Master Du Yu won't see me at all and will only talk to you alone..." Xie Ruoyun found an excuse again.

Suddenly, the surrounding air froze, and even the temperature dropped a few notches. Feng Qing's large eyes narrowed slightly, and an indescribable terrifying aura erupted from her body. She said in a deep voice, "Do you want to disobey the orders of the madam of the Xie family? Do you still have me in your eyes? I've carefully prepared your dress for you, but you're dawdling here. Is it so difficult for you to change your clothes?"
