

The Wife I Picked Up Is Too Chapter Chapter 979

At this moment, Du Yu was kneeling on the ground, his head touching the ground intimately. Among so many people present, only Xie Ruoyun could see Du Yu kneel from her angle. She was obviously confused, and her expression was incomparably stiff. She was the same as Xie Ba and the others. She thought that Feng Qing was only joking with Du Yu when she changed into a man's voice just now. The Old Du that Feng Qing mentioned might not even be Du Yu. But is this weapon god of the Seven Stars Continent crazy? Why did he suddenly kneel and kowtow to Feng Qing?

However, Du Yu, who was kneeling on the ground, was covered in cold sweat. His back was cold. Feng Qing's words just now had awakened his memory of being with Master Yin, the chairman of the Blue Stocks Capital. Moreover, he could be certain that Feng Qing's words just now were not said by chance, nor was it a coincidence that she could change her voice to the voice of the boss of the Blue Stocks Capital. Even if her voice was similar to the boss of the Blue Stocks Capital, if not for the fact that she had long recognized him and knew his position in the Blue Stocks Capital, Feng Qing would not have been able to say those words. "Old Du, go and dump the trash. Also, buy some breakfast!"

Du Yu remembered very clearly that this was what the boss of the Blue Stocks Capital often said to him when he came to the headquarters. Beads of cold sweat appeared on Du Yu's head and flowed down his temples. He wanted to raise his head and look at Feng Qing again because he was too curious. Wasn't the chairman of the Blue Stocks Capital a man? How did he become a delicate woman?

Du Yu clearly remembered that when he was interacting with the boss of the Blue Stocks Capital back then, the other party had displayed a domineering and wild man's spirit. Regardless of whether it was his words or actions, he had always been straightforward and did not reveal a hint of 'feminine' aura. Now, in the blink of an eye, the boss of the Blue Stocks Capital had become a woman. She was even a cute and charming girl like Feng Qing. The contrast was too great!

The more he thought about it, the more incredulous he felt. The more he thought about it, the more curious he became. Hence, Du Yu mustered his courage and prepared to raise his head to look at Feng

Qing again. However, at this moment, a foot descended from the sky and stepped on the back of his neck. The person who stepped on him was Feng Qing. Du Yu was caught off guard and his nose touched the ground intimately. Instantly, a hint of red flowed out of his nose. Although it was extremely painful, Du Yu did not dare to act rashly. Instead, he knelt on the ground obediently.

Only at this moment did Xie Ba and the rest see what had happened. It turned out that Master Du Yu had not disappeared into thin air, but was kneeling and kowtowing to Feng Qing. Moreover, Feng Qing was stepping on him with one foot.

Everyone : "..."

The next second, Xie Cheng, Xie San, and the rest stood up with a whoosh. Even Xie Ba jumped up. Although they had seen Feng Qing's skills, this was not the Sacred Island after all. How could their Young Madam attack just like that? Moreover, weren't they here to ask Du Yu for help? How could she use such a method? Everyone didn't understand what was going on and looked at each other, not knowing what to do.

Xie Ruoyun came back to her senses and shouted in shock, "Oh my god, Young Madam, what are you doing? How can you treat Mr. Du like this?"

If not for the fact that she knew that she was not Feng Qing's match, Xie Ruoyun would have already kicked Feng Qing's leg away. She never expected that Feng Qing would actually dare to attack Du Yu. Not only did she make the other party kneel and kowtow, but she also stepped on him. This was simply a great humiliation to a person!

Most importantly, she was the one who had set up Feng Qing today. She had already arranged everything in advance so that Feng Qing would no longer be the madam of the Xie family. Originally, when Feng Qing smoked just now, she thought that everything was under control and had calculated all the possible situations. She had even expected many excuses and reasons to excuse herself. Even after Du Yu took down Feng Qing, they could not find fault with her.

Moreover, through Long Yuning's description and her own observation, even if Du Yu did something to Feng Qing, Feng Qing would not tell Xie Jiuhuan about it. She would definitely choose to pretend that nothing had happened. However, this matter would definitely be found out by those who had followed her. At that time, what would these people think of Feng Qing? They would definitely treat her as a weak and slutty woman. Feng Qing's reputation would gradually spread in the Xie Corporation, and who knew what would happen in the end.

Of course, at that time, she could also publicize the fact that Feng Qing had been molested by Du Yu. After some fuel, the First Madam of the Xie Corporation would be embroiled in the sex scandal and Feng Qing's position would be lost.
