

The Wife I Picked Up Is Too Chapter Chapter 986

Xie Cheng and Xie San sat opposite Feng Qing. From their angle, they could see what seemed to have happened in the back car because Xie Si and Xie Ba had both scrambled out of the car. Even though jumping out of the car at this moment would cause a huge safety risk to the traffic, the two of them still rushed out of the car. Their eyes were filled with panic and fear as they looked into the car. This situation instantly caused all the surrounding cars to honk their horns in warning.

However, Xie Si and Xie Ba fled. They rushed over and hurriedly patted the car door. Xie San rolled down the car window and shouted at them with a black face, "Did you two see a ghost? Are you playing the 'jump off the car on the street' game?"

Xie Ba gasped and said, "There's indeed a ghost. Xie Ruoyun is a ghost."

Xie San: "???"

After hearing Xie Ba's words, his face darkened even more. Xie Ba actually insulted Xie Ruoyun in front of him. Wasn't he a little too disrespectful to her? Compared to Xie Ba, Xie Si was more calm. He reported to Xie San truthfully in an emotionless voice, "Third Brother, you don't know. Ruoyun had only sat in our car for a few minutes when she started to flirt. When we asked her what was wrong, she said that she was hot and started to take off her clothes. Xie Ba went to stop her, but Ruoyun started to take off Xie Ba's pants. Fortunately, Xie Ba tied his belt. Otherwise..."

As he spoke, Xie Si even looked at Xie Ba's belt. Xie Cheng and Xie San also looked over. They all saw that the area around Xie Ba's belt was indeed a little messy, as if someone had pulled it forcefully. In order to prove Xie Si's words, Xie Ba specially tightened his belt. Xie Ba said anxiously, "Uncle Cheng, you have to believe the two of us. No matter how much of a bastard we are, we don't dare to joke about Ruoyun's

innocence. Just now in the car, Ruoyun really wanted to pull off my pants, but I can guarantee you that I definitely controlled it. I didn't take the opportunity to do anything indecent to Ruoyun. By the way, there are surveillance cameras in the car. If you don't believe me, you can check."

With that, Xie Ba pointed at the car behind him. From his position, he could see Xie Ruoyun in the car through the car window. At this moment, Xie Ruoyun was wrapped around the driver's body in a disheveled manner, looking like a vine spirit. In order to avoid Xie Ruoyun from chasing after them, the two of them had closed the door when they escaped from the car.

However, the driver did not know what had just happened. Just as he was wondering why Xie Ba and Xie Si jumped out of the car and escaped, he realized that two hot arms had wrapped around his neck from behind. Before the driver could react, he saw Xie Ruoyun starting to take off his clothes with a lustful expression. The driver had never seen such a scene before and could only resist Xie Ruoyun's arms with all his might. Fortunately, Xie Ruoyun did not have any combat strength at this moment. Otherwise, the driver would not be her match at all.

Looking at Xie Ruoyun's actions in the car, Xie Ba was so shocked that he was stunned on the spot. He only opened his mouth and let out a few "Ahs". When Xie Cheng heard that something had happened to his daughter, he couldn't care less about obeying the traffic rules. He pushed open the car door and got out to look for Xie Ruoyun. Xie Ba and Xie Si saw that Xie Cheng was stunned when he opened the car door. Then, he got into the car and pulled Xie Ruoyun, who was wrapped around the driver like an octopus, down.

At this moment, the green light lit up. Xie San shouted at Xie Si and Xie Ba, "Don't be stunned. Get in this car first. Let's leave this place first. Leave the rest to Uncle Cheng."

If not for the fact that Feng Qing was still here, Xie San might have planned to bring Xie Si and Xie Ba to deal with Xie Ruoyun's sudden hooligan act. However, they still had to escort Feng Qing back to the Xie Manor. Everything was not as important as Feng Qing's safety. If anything happened to Feng Qing on the way, they would all suffer. Moreover, they could not let Feng Qing see Xie Ruoyun's lewd scene, in case it polluted Feng Qing's eyes. If Xie Jiuhan found out, they would be punished.

Xie Ba and Xie Si hurriedly got into the car. He subconsciously tightened his belt. The matter of his pants being taken off had traumatized him. Although Xie Ruoyun was considered a beauty, he was not a reckless person. He couldn't help but sigh. "Ruoyun seemed to have changed into a different person just now. It was too scary. Do you think she was possessed by something unclean? Otherwise, why would she suddenly become like that?"

Xie San said with a cold face, "Shut up. Don't say such dirty words in front of Young Madam. We'll investigate Xie Ruoyun's matter after we send Young Madam back. I believe the truth will be revealed."
