

The Wife I Picked Up Is Too Chapter Chapter 991

Xie Jiuhan smiled and said, "Why are you envious of this? Am I not good enough for you?"

Feng Qing pouted and said, "You're my husband, not my father. What you gave me was love, not fatherly love. How can you compare them?"

The man was unconvinced. "Why not?"

Feng Qing : "..."

Feng Qing puffed up her cheeks and said, "You don't even let me have a baby. How can you show your fatherly love?"

The man pinched Feng Qing's face and said, "Come, call me Daddy!"

Feng Qing: "???"

Feng Qing was shocked by this sentence. She looked at the arrogant expression on the man's abnormally handsome face and the smile on his lips that revealed a hint of recklessness. Then, she punched the man's chest angrily.

Feng Qing pouted and said, "Little Jiu Jiu, you've learned bad things. You actually took advantage of me."

The man was amused by her cute look. He felt that it was quite fun to tease his wife, and the more he teased, the more addicted he became. The man said, "My love is boundless. I can be your husband or your father. As long as you want, I can give it to you."

Feng Qing said unhappily, "Hmph, then I still lack maternal love. Do you want to be my mother?"

The next second, the man pulled off his white shirt, revealing a muscular body. The perfect outline of his body made the woman blush and her heart beat faster. Xie Jiuhan moved his chest to the woman's face and said, "Come, drink the milk."

Feng Qing: "!!!"

Ridiculous, it was simply off the charts. The man's words made Feng Qing have a layer of goosebumps, and her heart was extremely mushy. Feng Qing was extremely angry when she saw the man teasing her like this. She hugged the man's waist and bit him. The man instantly felt the pain, so he grabbed the back of Feng Qing's head. Then, Feng Qing was drowned in male hormones.

The man pressed Feng Qing's head to his chest and said with a devilish expression, "Don't you want maternal love? Come on, suck as much as you want. If you don't know how, I'll teach you."

Feng Qing : “ ...”

Feng Qing wanted to scold the man for being a pervert, but it was too late to say anything. He pressed Feng Qing’s head against his chest, and Feng Qing could only make a sound like a kitten drinking milk under the man’s arm.

Feng Qing felt a little dizzy after being pressed by Xie Jiuhan. When the man released her, there was a hint of sweetness in her mouth. Feng Qing was covered in sweat from the man’s torture. Her messy hair was scattered everywhere, making her face red. Her heart was beating rapidly, as if it was about to explode on the spot.

Feng Qing struggled, wanting to escape from under Xie Jiuhan. Hence, she said, “Get up quickly. Today is the day the interns report. I’ll be late if I don’t go now.”

Upon hearing this, the man instantly revealed a dissatisfied expression. “You’re not accompanying me anymore?”

Xie Jiuhan’s voice was low and hoarse. Feng Qing felt that her ears were about to melt. She shook her head and said, “When I took the VIP elevator up, I think my classmates saw me.”

The man said indifferently, “So what if they see you? If they dare to cause trouble for you, say”

Feng Qing said sweetly, "Just say that I'm here to look for my husband."

Xie Jiuhan chuckled and lowered his head to lick the woman's pink lips. He revealed a look of enjoyment and said, "After you work for a few days, I'll transfer you to the president's office."

Feng Qing raised her eyebrows and asked curiously, "Didn't you say that after our internship ends, the corporation will choose the person with the best performance from the group of people outside to enter the president's office?"

The corners of Xie Jiuhan's mouth curled up. "I can't wait anymore."

Feng Qing left the president's office. She took the VIP elevator straight to the seventh floor. When she pushed open the office door, it was already filled with people, including the interns. Everyone turned to look at her. Feng Qing stood at the door and glanced at it. Looking at the situation in front of her, she remembered that she was going to have a meeting with their interns this afternoon. However, she did not say anything and walked to an empty seat expressionlessly.

However, before her butt could touch the chair, she heard Lu Yingying speak first. She questioned in public, "Feng Qing, we thought we saw you use the VIP elevator just now and enter the area above the tenth floor, right?"

Feng Qing said frankly, "You can be more confident and remove the word 'thought'. I did go above the tenth floor just now and took the VIP elevator."

Seeing that Feng Qing had admitted it, Lu Yingying said, "You know the company's rules, but you still violated them. Aren't you afraid that your internship qualifications will be revoked?"
