

# My Wife is a Hacker by Summer

Chapter 774

□ □ □

Chapter 774

She let out an ambiguous smile, and Nicole shot a glare at her. “Stop being gossipy. I’m not interested in him.”

Lulu grinned. “Of course, you are only interested in Jared.”

Nicole blushed and stared back at Lulu. “How dare you ridicule me?”

“How dare I?” Lulu ran.

Nicole gave chase and laughed with Lulu.

In the distance, Stanley saw Nicole so happy and smiled. ‘She finally looks like a schoolgirl, unlike her over-levelheadedness

and apathy. Her personality is getting warmer and warmer recently.’

Since the Norah incident, Nicole had been busy with class affairs.

Two days flew by, and it was the day of the party. At nightfall, the Johnston Mansion was brightly illuminated. Expensive cars

pulled into the mansion, one after another. VIPs and celebrities emerged and entered the mansion.

As San Joto’s first family and business, the Johnston family’s party was extraordinarily grand. Even Sebastian’s son was present.

The Holder family, the McCarthy family, and others came to congratulate them.

Mr. Johnston Sr. was full of vim and vigor, shuttling among the crowd, toasting and greeting guests.

Henry followed behind his father as if he were the heir to be announced by the Johnston family today. So

many people were

pretty impressed and came over to say hello...

Henry was flattered, and even Castor and Murphy felt proud. Celebrities and ladies came to chat up Murphy,

who became

ecstatic.

Castor saw this and could not help reminding him.

“Enough, Murphy. Mind your manners.”

‘The way Murphy looked is so humiliating.’

“Okay, okay. I’ll stop looking.” Murphy nodded and quickly pulled back his gaze. Castor glanced around the

scene and said, “Why

didn’t Jared côme?”

“As we all know, Grandpa may announce the heir to the Johnston Group tonight. No way Jared would be

absent.” Murphy was

also puzzled.

Just then, there was a commotion in the doorway. The siblings looked back, and their eyes were attracted by a beautiful figure.

Next to Jared was a beautiful woman in a white dress and high heels. Her hair cascaded down as if a waterfall, her eyes right

like galaxies. Every glance of her eyes and lift of her hands charmed all the men at the venue.

Many female guests at the scene were awestruck. “Isn’t that Jared? Who is that woman next to him?”

“She is so beautiful. Where is she from?”

Many people questioned, but no one knew who Nicole really was.

Seeing Nicole and Jared walk in, Mr. Johnston Sr. greeted them with a smile. “Here you are.”

Nicole returned a smile. “Hello, Grandpa.”

It surprised everyone that she used such an affectionate address on Mr. Johnston Sr. ‘Who the hell is she?’

Mr. Johnston Sr. smiled gently. “Hello, Nicole. Didn’t your family come with you?”

“Yeah, in the back.” Nicole smiled gently. “My grandpa said he would surely attend Mr. Johnston Sr’s party”

The scales fell from everyone’s eyes, and they knew who Nicole was.
