Chapter 784

Jared walked up to the mezzanine in full view of everyone. He then turned to face the crowd.

“I have nothing to say. After all, I have just returned from abroad. I just want to say I hope to have the opportunity to cooperate with everyone in the future.”

It was a very typical official speech, but in the eyes of all the young girls, he was a handsome and wealthy bachelor. Now they

were even more envious of Nicole

Chloe, on the other hand, knew Jared’s identity abroad, which was why she wanted Jared so much.

Unfortunately, Nicole was standing between her and Jared

“But Jared will be mine today

Chloe checked her watch with a triumphant look on her face. When the time came, she would go over and take Jared away. He

would have no way of shaking her off when it was a done thing

No one knew what Chloe was thinking. The Riddle family members were stunned by this unexpected news, not expecting that

Jared was not only dating Nicole but also the CEO of JJ Johnston Group

Meanwhile, Mr. Riddle Sr felt thankful for it, as Jared was no longer what he used to be: he was more successful than ever

before His thinking was that had Nicole not been Zane's foster daughter, she would not have deserved Jared.

While Mr. Riddle Sr. and his family were still in shock, Jared ended his speech and looked at Nicole,

Today, I also have something else to announce

His voice was magnetic Everyone fell silent, waiting for him to speak

They all were curious about what else Jared wanted to say after becoming heir to Johnston Group

“It is about Nicole and me Both our families have agreed on marriage So Nicole and I are going to hold an engagement

ceremony next month, Jared surprised everyone.

There was an instant uproar. People were more shocked than when they learned Jared was the CEO of JJ Johnston Group

“Oh my God.. Betrothal? Is he really going to get engaged to the girl from the Riddle family?*

“But he is the CEO of JJ Johnston Group. The girl from the Riddle family is unworthy of him.”

Many people looked at Nicole with disdain, thinking that Nicole was not worthy of Jared

Jared came down and brought her onto the stage, not caring at all about how people looked at him. He then kneeled down to

Nicole in front of everyone's eyes

Nicole had never expected that Jared would suddenly do such a thing, and she suddenly did not know how to react

“Wh What are you doing? As dexterous as she was, she had never been so panicked Her face reddened. and her heart pounded

when she saw Jared kneeling on one knee in front of her. This feeling made her want to run away Jared took a red velvet box out

of his suit pocket the next second

Everyone ereidimed.

“I wish I were Nicole.”

People expressed their amazement and envy.

Chloe was eating her heart out upon seeing this. She did not expect that Jared would propose to Nicole in public before her plan

succeeded. ‘Damn it, Nicole. You stole my everything. Damn it.’

Snow and Raine hated Nicole as well.

Nicole had stolen the man they both liked, and she and Jared were acting lovey-dovey, and Jared was proposing to her in front

of everyone's eyes. They were fit to be tied, wondering what was so good about Nicole that made Jared so obsessed with her.

On stage, Jared ignored everything else and looked at Nicole affectionately. He said slowly in a magnetic voice, "Will you marry me, Nicole?"
