

# My Wife is a Hacker by Summer

Chapter 785

□ □ □

Chapter 785

“I...” Nicole was so nervous that she did not know what to say. Her mind went blank for the first time in her life.

“Marry him, Nicole.” Lulu cheered Nicole on in the crowd.

“Marry him.” June echoed.

Samuel was also excited. “What are you waiting for, Nicole? Marry him.”

Even Spencer was anxious, hoping his sister would give her nod to marry Jared. The same was true for Stanley and Steve. They

were also waiting for Nicole’s answer.

Mr. Riddle Sr saw Nicole’s hesitation and sighed.

“What are you still hesitating about, Nicole?”

His words sobered Nicole up a little. She remembered his grandfather used to express his hope for them to get engaged

soonest, and now his dream was coming true. She could not help but glance at Daniel and Gloria

Her mother’s eyes were filled with anticipation, and she gave Nicole a nod of encouragement, waiting for Nicole to make the

decision

At this moment, Nicole found the answer in her heart and looked back at Jared, ‘I do.’

“Wow. It’s awesome.”

“It is so romantic.” Lulu and June cheered, and June was so excited that she pulled on Samuel’s arm.

Samuel blushed instantly. When June realized her gaffe, she quickly pulled back her hands. “I-I’m sorry.”

Samuel looked away awkwardly, “No, it’s alright.” He did not know why his heart just thumped uncontrollably.

On stage, upon hearing her answer, Jared opened the velvet box, took out a diamond, and put it on Nicole’s finger at once.

The dazzling diamond was making all the women at the scene envious and jealous.

Jared took her hand, got to his feet, and drew her into his arms with a smile. His genuine embrace gave Nicole a sense of

assurance. She had never thought that someone would someday propose to her on such an occasion. Less so, an excellent man

like Jared. She hugged him back, albeit shyly, to express her joy.

Jared could feel Nicole’s excitement, and he could not help but smile. “Let’s go.” He let go of her. All he wanted now was to bring

Nicole away and be alone with her.

“Okay. Nicole smiled, her face blushing  
The two walked out of the venue in full view of  
everyone

Gloria was shedding tears of happiness as Daniel drew  
her in his arms. Nicole’s five brothers were all smiles,  
giving the two of

them their blessing. With his dream coming true, Mr.  
Riddle Sr looked at Mr Johnston Sr with great relish

As his grandson had left, Mr Johnston Sr. came back  
onstage, “Thank you all for coming to the party today  
I’m a bit tired today I’d

like to excuse myself and go to rest first. Please enjoy  
yourselves”

He then did not forget to look at Henry “Take Castor  
and Murphy with you to entertain the guests and clean  
up the main

Only then did Henry come to his senses and nod. “I  
will.” But deep down inside, he felt as if he had been  
completely crushed.

The party was not held for him, but he was asked to  
clean up the mess. He gritted his teeth, wishing he  
could smash everything

up. But he knew he could only put up with it. Now, Mr  
Johnston Sr. had Jared as his backer; there was nothing  
he could do now.

Had he known this would happen, he would have sent the old man to meet Jared's parents in the afterlife last time.
