Chapter 911

"Okay, what is the test?" Kelly asked Nicole.

"I will ask you a few questions first, and after you answer them all, then we will have a practical test."

Nicole saw Kelly agree and continued to ask for the desired answers.

"Did Chloe have any contact with Henry for the past few days?" Kelly recalled a moment.

"A few days ago, Mr. Johnston had met with Chloe, asking Chloe to help him bring a Dresden something diamond to the old gentleman of the Riddle family."

"Dresden Green Diamond?"

"Yes, that is the name. It is too long. I can't remember it." Kelly scratched her head in embarrassment.

"And did you get a look at the diamond?" Nicole finally heard the answer she had been waiting for.

"I saw it. Mr. Johnston opened the box in front of Chloe, and I was on the side." Kelly told of what she had seen.

Nicole hurriedly took out her phone and found a picture of the diamond to show to Kelly.

"Is this the same diamond as this one?" Kelly shook his head after looking at it carefully.

"It is not the same. This one is a different color than the one Mr. Johnston took."

"Are you sure?" Nicole asked again.

"I'm sure."

It was all clear now that the problem was with Chloe; she was the thief who called another thief.

"You go back and stay with Chloe. If you see a Dresden Green Diamond in her hand, quietly take a picture and send it to me."

Nicole took out her phone and exchanged telephone numbers with Kelly.

"Will this offend Chloe?" Kelly asked worriedly.

"Nah, this is just part of the test. Chloe knows. She will also deliberately watch out for you. If you succeed, you will be promoted,"

Nicole promised.

"Okay, I will complete the test." Kelly was full of confidence.

"Get to work now."

After Kelly left, Max spoke.

"Miss Riddle, are you doing this to investigate something?" Nicole did not want Jared to know about it yet.

"I just want to pick a smart girl to be my assistant."

Max knew in his heart, so he asked no more questions.

"Has Jared finished his meeting?" Max looked at the time.

"The meeting is over now."

"Let's go find him." Nicole got up and went to Jared's office.

Seeing Nicole walk in, Jared said, "I was about to call you, and you came in. What do you think we have here?"

"Sort of psychic connection." Nicole approached him, and Max backed right out.

"If you are not doing anything later, can you go somewhere with me?" Nicole looked at him with lustrous eyes.

"Where?"

"The sea view villa that my grandpa gifted me."

"Yeah, let's go now." Jared held her hands and went downstairs.

The car drove on a wide stretch of road for a short time before coming to a beautiful sea view villa.

Jared stopped the car, and the two of them entered the villa.

Nicole exclaimed, "What a beautiful villa! Grandpa is still the one who loves me the most."

"Don't I love you?" Jared said with jealousy.

"Come on. Are you jealous of Grandpa?" Nicole gave him a look.

"Come on in." Nicole dragged Jared into the villa for a tour, then back up to the rooftop.
