Chapter 946

“Okay, I’ll ask Max to buy it right away.”

“Max.”

Max walked in from the outside. “Yes, Mr. Johnston?”

“Buy something that Miss Riddle likes to eat right away. Be quick.”

“Aye.”

Not long after, Max came back with a few things that Nicole liked.

“Try it.” Jared fed the thing to her mouth.

Nicole suddenly felt embarrassed. It was the first time she had been fed, especially by someone she liked.

“What are you waiting for? Open your mouth.” Jared gently put the food into her mouth.

“It tastes so good. This is the best meal I’ve ever had.” Happiness glowed inside her.

“Really?” Jared looked at her and was delighted.

“Yeah.” Nicole looked into his eyes and answered earnestly.

While two people were in their lovey-dovey world of their own, Nicole’s phone rang. She took it out and looked at it;

it was Zane calling. She glanced at Jared.

“I have got to take this call.”

“Okay.”

Nicole took the phone, walked to a corner, and pressed the answer button. “Hey, Zane.”

“How are you, Nicole?” Zane’s tone of concern came through the microphone.

“I’m alright. You? Did Carl get Brave?” She did not know about their situation after separating from Zane.

“We’re alright. Carl got

Brave. Did you get the medical instrument?” Zane heard Jared had rescued Nicole but was concerned that she had not gotten

the medical instrument.

“The instrument is with me. I will be back at the base right away.” Nicole knew Zane cared a lot about the medical instrument.

“No hurry. We will see after you have fully recovered.”

Zane learned from Carl that Nicole had not yet recovered from her injury

when going on the mission with him. He felt guilty.

“So it was Carl who told you, wasn’t it? I will fix him good and proper.” Nicole said nonchalantly.

“Take good care of yourself. You can fix him however you want it after you have recovered.”

“I have to hang up now. But before I go, there’s one thing I want to remind you; The Raven has seen your face. Be careful.” Zane

sounded a bit more serious now, revealing his concern and worries.

Nicole knew what he meant. “Don’t worry. I will be careful.”

“Okay. Looking forward to your return.” Zane hung up.

Nicole was relieved that she could stay with Jared for a few more days. Back in the living room, Jared was still waiting for her.

“I’m back.”

“Continue to have your meal then.” Jared held up the spoon and waited for Nicole to open his mouth.

“Don’t you want to know who called?” Nicole teased him.

“Finish your meal, and then I will drive you there.”

Jared’s face looked reluctant to let her go, but he knew he could not stop her, as that was her job.

“There? Where?” Nicole was confused.

“The place where you are going. “Jared was obviously not as happy now as he was when he was feeding her. Nicole understood what it was about now and looked at him amusedly.

“Apparently, someone is reluctant to let me leave. If he can beg me, I will consider not leaving.”

Jared had a light bulb moment when he heard what she said.

“So you don’t have to go?”

“Hmm.” Nicole looked at him, nodding and smiling.
