

Rebirth of Wild Fire - Chapter 18

Chapter 18 - Send only

“Oh.”

Lan Yu’s small face was suddenly full of disappointment, and she wanted to say something to Lu Yang but didn’t know how to speak.

Lu Yang looked at Lan Yu’s small appearance and couldn’t help it. A radian was drawn at the corner of his mouth, and he said two words that surprised the audience.

“Just send.”

“What?” The players around were instantly quiet, including the male tyrant and the late twilight. They both looked at Lu Yang in surprise.

Lan Yu froze, and asked tentatively, “Master, what did you just say?”

Lu Yang stood up in a hurry, put the staff in front of Lan Fei, and said, “I said this silver-level concentrator staff was sent to you.”

“It’s so good.”

There was a commotion among the players around, this is not ordinary equipment, but the silver-level focus on this staff, the priest’s top weapon within level 10.

“Ah?” Lan Yu’s face was a little confused, and she didn’t reach out to pick it up.

“Ah, what, remember what I said to you last time, I will give you a gift when I meet again, and this is it, pick it up.” Lu Yang threw the concentrator wand in his hand and threw it Blue feather in hands.

Lan Yu looked at the concentrator’s staff in his hands a little blankly, this weapon is too significant for the players on the scene.

The silver-level concentration of this wand is the best healing weapon in the novice village given on the Raiders. When you get this weapon, it can often play a role in saving the team in the next copy.

“This gift is too expensive, I can’t ask for it,” Lan Yu said.

Xia Yuwei came to Lan Yu’s side and looked at Lu Yang with alert eyes, and said, “We at the Ice Studio thank you for your kindness, but this weapon is too expensive, we cannot accept it, you still tell us your account number, We’ll give you the money, 5,000 credit points. “

Lan Yu looked at Xia Yuwei in surprise. Generally speaking, such a formal conversation is only when Xia Yuwei hates someone.

“Sister Yu Wei, what are you doing?” Lan Yu sent a message to Xia Yuwei.

“Xiao Yu, there is no free lunch in the world, this person has a problem.” Xia Yuwei returned one.

Lan Yu retorted intentionally, she felt that Lu Yang was not that kind of person, but did not know how to speak.

Seeing this situation, Lu Yang also reacted somewhat. It seemed that he had done too much and was too anxious, but he didn’t care about these things, and his mouth was slightly curved. Lu Yang said to Lan Yu.

“Little girl, if you feel valuable, keep keeping it secret for me, don’t tell the secret, you know.”

“Oh.” Lan Yu’s small expression was still a little confused.

Lu Yang has the intention to rub Lan Yu’s small head like his last life. This girl is so cute, but unfortunately she can’t do it now, otherwise she must be misunderstood by Lan Yu.

Furthermore, there are regulations in the game that intimacy requires permission, otherwise actions in this area will be severely punished by the system.

“Okay, everyone is here. I do n’t have any equipment to sell.” Lu Yang said to players who have n’t responded yet. After playing an afternoon and an evening game, Lu Yang is now sleepy and he wants to go down. The line has a good rest.

“It’s a pity that I didn’t buy any equipment.”

“Well, let’s go.”

The surrounding players gradually dispersed, and some players stayed, but when they saw that the twilight and the hero who had stood aside did not leave, they had to sigh and turned away.

“Brother, brother, don’t leave now.” Xiongba said to Lu Yang first.

“Is there anything else?” Lu Yang asked.

Xiongba said: “Brother, is there any interest in coming to our union to develop, you know that I am Xiongba as a person and never treat my brothers badly, and you will join the main team when you come.”

The old man also arrived in front of Lu Yang and said, “I am willing to sign a three-year union contract with you. What about it, the benefits I give are very generous.”

Lu Yang knew that the two would say so, but he never thought that it would be Lu Yang's way of life to join other people's unions, and to send others under his life.

"Sorry, I'm not interested." Lu Yang turned and walked into the hotel not far away, and spent 10 copper coins to rest.

"He just left?"

"The presidents of the two major unions personally invited others to be surprised and didn't know which union to join, but he turned away."

"Still not interested?"

The players behind Old Man and the Domineer Fengyun both showed unpleasant expressions. However, both Old Man and the Domineer Fengyun did not speak, only glanced at each other, and then left with their teams.

Xia Yuwei and Lan Yu also stayed. They originally wanted to give Lu Yang money, but when they saw the recruitment of Xiongba and Late Twilight, Xia Yuwei stopped talking.

Originally, Lan Yu and Xia Yuwei also guessed which grand guild Luyang would join, but did not expect that Lu Yang would say that they were not interested in the two.

"I really don't know if this person is a real master or a gimmick. When did Chi Mu and Xiong Ba recruit people in person?" Zhang Zibo said.

"That's a lack of mind, and offending the two with such a good opportunity, look at it, that kid will be chased by the two major unions." Zheng Yuan said angrily.

"Okay, you can say a few more words. If it weren't for you, we would have gotten this staff long ago. Did it take so much effort to make Lan Yu owe him a favor?" Xia Yuwei said with a frown ~ www

.mtlnovel.com ~ When mentioning this, Zheng Yuan 's vinegar jar broke again, and he said with jealousy: "That kid is the oldest, and he uses blue feathers to bear his affection. Blue feather, you tell me his name, and open the exchange function. I'll help you pay it back right away. "

"No," Lan Yu said.

"Why not, let the kind of people get caught up in your words, and you'll bear it. He definitely has no intention." Zheng Yuan said.

Zhang Zibo also looked at Zheng Yuan at the same time. It was you who didn't like it, but the thought that he would be entangled with a stranger in the future, or someone who is better than them, Zhang Zibo was also a little uneasy.

"I agree with Zheng Yuan. This person is too mysterious. We don't know what his name is or where these equipment comes from. It is good to be cautious."

"Look at Xiaoyu, they all agree with me, and you tell me the name of the person, I'm not bad for this money." Zheng Yuan said.

Lan Yu still shook her head and said, "Let's go offline too, that person won't entangle me."

"How are you sure?" Xia Yuwei responded immediately after asking, "he said he wanted to keep you secret, what secret does that person have?"

Lan Yu's big eyes showed a tense expression, and said, "Ah, no, there is no secret. Let's go offline, I'm stuck."

Xia Yuwei looked suspiciously at the blue feather that entered the hotel, and said to Zhang Zibo next to him, "There must be something wrong."

Zhang Zibo nodded.
