

Chapter 2582: help each other

Blue Feather is pregnant.

This matter is an absolute secret of the Jagged Brotherhood, because everyone knows that Lu Yang values his family. If the news of Lan Yu's pregnancy spreads, there will be endless assassinations.

Originally Lan Yu and Lu Yang thought about giving birth in such a secret way, but they didn't expect Tang Lin's sudden appearance to expose Lan Yu's secret.

"I'm pregnant, so what are you going to beat me with?" Tang Lin showed a mocking smile at the corner of her mouth. With a move with her right hand, the afterimage of the Flower God flew out of her body, rushed straight to the Moon God, and followed Tang Lin. His hands turned into sharp wooden thorns, and he jumped up and attacked Lan Yu fiercely.

"Damn, get out of my way." Luna wanted to help out in anger, but was entangled by the Flower God, so he could only watch Lan Yu keep dodging, but Lan Yu didn't dare to hide too far. , once he gave up his position, Lu Yang's parents would be behind him.

"Let's capture it." Tang Lin became more and more excited. This kind of battle where the opponent could only be beaten and not fight back was the best. Finally, after more than 30 consecutive attacks, she found a flaw in Lan Yu. The wooden thorn in her right hand was straight. Ben Lanyu's belly.

"buzz"

A golden light bloomed from Lan Yu's body. This was the holy light jade pendant made by Malthus, which could block the full blow of the quasi-god peak.

Tang Lin's wooden thorn seemed to hit the big brass bell, knocking her out and crashing into the wall heavily. At the same time, the loud noise also caused her brief loss of consciousness.

"Damn it." Seeing this scene, Hua Shen didn't dare to fight with Moon God anymore, and flew back into Tang Lin's body in an instant, releasing her divine power to help her wake up.

"It's interesting." Tang Lin pushed aside the gravel on her body and stood up, and said, "How many times can your jade pendant withstand attacks? Will you be able to stop it next time? Also, do other people have jade pendants?"

"They don't have it, but you don't have a chance." An indifferent voice suddenly appeared, and the next second, a huge flaming fist appeared out of nowhere. Lu Yang appeared and punched Tang Lin's shoulder heavily with his right hand. superior.

"boom"

Half of Tang Lin's body was blown up, and the remaining half of her body splattered with blood. The whole person fell into a dazed state. Looking at Lu Yang, she said, "How is it possible for you? So fast?"

"Chaos Demon Flame Chain"

The purple-black chains flew out of Lu Yang's hands, trapping Tang Lin and the flower **** in her body at the same time. The next second, Bandarsburg opened, and Tang Lin was thrown in, but before she entered, she saw When she arrived at Fu Yun, it made her understand the reason.

Fu Yun waved at her and said with a smile, "Lu Yang is indeed not so fast, but I can be so fast."

Lu Yang breathed a sigh of relief, came to Lan Yu and his parents and asked, "Are you all right?"

Lan Yu shook his head and said, "Everything is fine here."

"Go to the Demon Temple, I'll find someone else," Lu Yang said.

Lan Yu also knew that now was not the time to chat, and brought Lu Yang's parents, Han Zhong and the dozen or so children around them into the Demon Temple.

Lu Yang turned his head to look at Fu Yun and said, "Let's go, let's continue."

"Leave it to me." Fu Yun grabbed Lu Yang's arm and launched continuous teleportation. It didn't take five minutes for the parents of Zhuojiu, Bai Shi, Xia Yuwei, Zhou Tianming and Liu Ruohuai to be taken to the Demon Temple by Lu Yang. Inside, at the same time, they also took maoshu and the others back to the East China Sea on the way.

Near the Lingquan in the back mountain of the Donghai Underground City.

Lu Yang took Fu Yun, Zhuojiu, Bai Shi, Xia Yuwei and others to sit together, and they were roasting the whole sheep on the fire. He explained the incident in detail and said, "Originally, I was thinking of telling it through the phone. You guys, and then ask Fu Yun to come over for help, I didn't expect this Tang Lin to be hiding in the communication room, and only heard the first half of the sentence, but didn't hear the second half of the sentence, so dangerous."

Zhuojiu, Bai Shi and the others nodded. If their family members were arrested, now they really don't know what to do with themselves. Faced with difficult choices, everyone knows what to choose in the end, but it's really up to them to face it. At that time, that choice will make the mind collapse!

"Let's toast Fu Yun." Lu Yang suggested.

Zhuojiu and the others raised their glasses and toasted Fu Yun together. Fu Yun drank the glass and said with a smile, "I just did what I needed to do. I wanted to fight side by side with everyone, but I didn't have the chance before. achieved."

After so many years of invasion from another world, the Jagged Brotherhood has been taking on the foreign races in the entire Northeast region for the Emperor. After so many deadly battles and how many soldiers died in battle, Fu Yun is clear. Outsiders think that Fu Yun and Lu Yang are theirs. The relationship is not good, but in fact the mutual protection and trust between Lu Yang and Fu Yun is indestructible.

Lu Yang looked at Fu Yun and said, "You have to inform the people in other cities and let them protect their family members. I just searched Tang Lin's soul. There are sixteen of them, nine of them have nine element gods. The Soul Fragment of the other seven possessed the Soul Fragment of the beast, and they failed to attack me, and it is very likely that they will attack you and the relatives of those people."

Fu Yun nodded and said, "I'll tell them when I go back. We should be targeted less here. You are the big problem here. Have you thought about what to do next?"

Lu Yang smiled and said, "Maybe I'll let you take the blame."

"What are you doing?" Fu Yun asked with a smile.

Lu Yang said: "I am going to send all the families of the main soldiers of the Jagged Brothers Alliance to live in the Demon Temple, but this number is a bit large, and sending them away rashly will definitely cause panic, I want you to submit the next document. , UU reading www.uukanshu.com said to let them all live in the imperial capital."

"Fuck~!" Fu Yun was speechless, and said, "You are drawing hatred for me. The people of the East China Sea must think that I deliberately coerce the families of the East China Sea soldiers as hostages for the sake of power."

Lu Yang said: "Let them want to go, it's better than panic."

Fu Yun was too lazy to pay attention to Lu Yang, and said with a smile, "Okay, I'll take the blame, and I'll give an order when I go back."

"Interesting enough." Lu Yang said with his arms around Fu Yun's shoulder.

“Come on, do me a favor.” Fu Yun took out a huge piece of purple-black ore from the space, put it in front of Lu Yang and said, “Help me forge a weapon, I don’t have the strength, I can only I found you.”

“Nebulas Iron~!” Lu Yang recognized this ore as the best ore for making lower-level god-level weapons, and said, “No problem, what do you want to forge?”

“Double swords.” Fu Yun said.

Lu Yang nodded, threw it into the Demon Temple and handed it over to the Flame Tiger for him to forge, and said, “It will be done in a while.”

The Flame Tiger has a full set of forging equipment for the god-king rank. It is difficult for others to create a lower-level **** weapon, but it is too simple for the Flame Tiger, who has been hammering iron for millions of years.

It didn’t take half an hour for the two long swords to be thrown out of the Demon Temple. Lu Yang handed it over to Fu Yun and said, “Complete!”

“As expected of the Blazing Demon God, he is tyrannical.” Fu Yun took the two swords in admiration and said, “I’m going back, and I’ll contact you if I have anything.”

“Take care.” Lu Yang said with his fists folded.

The light flickered, and Fu Yun left.

Lu Yang looked at Zhuojiu and the others and said, “Call the brothers’ families and try to send all their relatives to the Demon Temple within one day.”

Everyone nodded and returned to the dungeon with Lu Yang to gather the relatives of the soldiers.
