

# Rebirth of Wild Fire - Chapter 6

## Chapter 6 - Ice Studio

Looking back on my first death in my life, I also died because I forgot the time when searching for electric eel in the river water. I smiled helplessly and spit out the developer of the game. Lu Yang continued to swim towards the bottom of the river water.

Just less than five meters downstream, Lu Yang saw a group of small fish swimming over, and an electric eel was among them.

Lu Yang took out his harpoon to aim, and threw it out, and inserted it into the electric eel accurately.

The system prompts: You have captured an electric eel.

Putting the electric eel in his backpack, Lu Yang continued to look for it at the bottom of the river.

...

On the river bank, everyone saw Lu Yang jump into the water, and a soldier player asked curiously:

“Is there a monster in the water that can fight, I will go and see.”

A thief from the same team sneered and said, “Don’t be silly, so many people here have searched the bottom of the river long ago, except for some level 0 inexperienced fish, nothing else.”

The soldier player said “Oh” and looked at the place where Lu Yang jumped into the water with a mocking look, and said with a laugh: “The fool, I thought that he had found a new leveling place, it was really stupid. “

Everyone around them showed a laughing expression.

Two minutes later, Lu Yang poked his head out of the river, and after the gray reading bar was restored, he dived into the river.

During a recent dive, Lu Yang caught a total of 22 electric eels. Although the number of electric eels has exceeded the mandate, in order to obtain crispy electric eel meat immediately after obtaining the cooking recipe, Lu Yang decided to know now Fewer people on this task, catch more electric eels.

In this way, Lu Yang continued to dive, outcrop, dive, and outcrop in the curious eyes of everyone on the river bank, and they alternated more than thirty times in a row. When the people on the river bank couldn't help but go to the river to see what Lu Yang was doing Only then did Lu Yang embark on the river bank.

The soldier who was laughing at Lu Yang just asked curiously, "Is there anything under the river?"

Lu Yang pretended to be annoyed: "Damn, so much time was wasted, and there is no monster under the river."

The crowd laughed loudly.

Lu Yang looked at the crowd, and said sneerly in his heart: Just because you look at people who are unhappy and happy, Lao Tzu does not tell you this task.

Don't bother to care about these people, Lu Yang ran back to Bradman's side, handed ten pieces of electric eel meat to each other, and asked, "Is this the electric eel meat you need."

Bradman took over the electric eel meat from Lu Yang with overjoyed and said excitedly: "Yes, this is it, oh, my dear friend, you have helped me a lot, I want to thank you, this is the crispy electricity

Please prepare the eel meat recipe. "

System beep: You get crispy electric eel recipe (Gold)

Finally got the formula Lu Yang rushed to use up the formula.

System prompt: you learned basic cooking

System prompt: you learned how to cook crispy electric eel meat

Due to the extremely high degree of simulation of the second world game, even if you have learned the recipe, you need to do it yourself if you want to cook, so cooking will fail.

Fortunately, Lu Yang's recipe for making crispy electric eel meat in his last life was disgusting, so he mastered the cooking method of this electric eel meat very accurately.

A fire was lit at the gate of the city, and Lu Yang took out the electric eel and started cooking.

In a short while, Lu Yang cooked more than 600 portions of crispy electric eel, almost packed the entire back, and took out one to taste.

"I haven't eaten it for more than three years, it's the one that makes me smell sick."

The simulation degree of "Second World" has reached 99.9%, and even the taste can be imitated. Although every cooking simulates the deliciousness in the real world, but even the most delicious things eat and spit. Yang has eaten tens of thousands, and now he smells good.

After eating for 8 seconds, Lu Yang got a buff on his head and stood up.

Crispy Electric Eel: Increases Intellect by 5 and 8 Magic / 5 seconds

"Oh my god, level 0 cooking comes with 2 buffs."

"There are 7 lives and 12 magic points per second, which is three times more than the low-quality dark bread we bought from the system."

"This recipe is at least silver, and maybe even gold!"

When Lu Yang was cooking, players gradually gathered around him. So many people accepted the task and only he could complete it. Everyone was curious how he did it, especially when he saw the effect of electric eel meat. Wonderful.

In the middle of discussion, a beautiful player wearing a dark blue robe crossed the crowd and came to Lu Yang in front of more than a dozen players.

"Hello, this is Xia Yuwei from the Ice Studio." The beauty player said.

Lu Yang was cooking for a while, did not expect such a coincidence, actually met the people of the Hanbing Studio again in this life.

In the last life, Hanbing Studio opened a lot, but it was only a small team at the beginning ~  
www.mtlnovel.com ~ Half a month later, the reality and game currency exchange was opened, and Hanbing Studio really grew. Lu Yang was also in At that time, he became the first group of goldsmiths in the Hanbing Studio, and also had a little friendship with the Xia Yuwei in front of him.

Lu Yang looked up at Xia Yuwei and found that this beauty is still as beautiful as her last life. Although her expression is a bit cold, it is undeniable that this is a top-level beauty. However, Lu Yang prefers to stand beside Xia Yuwei. With the color of Xia Yuwei's face, the blue feather on the upper and lower face is with a pure breath.

In the last life, Lu Yang had a lot of intersections with Lan Yu when he was in the Frozen Studio. Later, after Lu Yang became a master, he helped Lan Yu many times. The relationship between the two was very close, but the relationship between the two was also close. Only so far, Lu Yang has someone he likes in real life, but just treats Lan Yu as his little sister.

Although he knew why the other party came, Lu Yang was still cooking the crispy electric eel in his hand, and then stood up and looked at Xia Yuwei and asked, "Is there anything wrong?"

Xia Yuwei's calm attitude made Xia Yuwei a little dazed. None of the men who have seen her so far can remain so indifferent, which makes Xia Yuwei look at Lu Yang with some surprises.

"How did you accomplish this task, can you tell me?" Xia Yuwei asked.

Lu Yang smiled, and to be honest, he never really thought about telling others how to complete this crispy electric eel recipe task. If his opponents got it, their upgrade speed would be improved by a notch.
