

Winner Takes All Chapter 1511-1520

Chapter 1511

There's someone else?!

Master Jiang was horrified, and a coldness suddenly grew in his back.

He knew that Big Brother was at the meeting, but when he had just entered the parlour, he had clearly sensed only Big Brother alone!

He was a qi powerhouse!

The difference between his senses and those of ordinary martial artists is a world of difference.

The man in the room had actually evaded his senses!

How terrifying must this strength be?

“Heh

In the darkness, a light laugh suddenly rang out.

The Sixth Master Jiang's eyebrows were morose as he turned his head abruptly and looked to the side of the seat.

It was pitch-black there, but the sound was coming from exactly where the seat was.

From the moment I entered the door, he had been sitting there calmly?

Master Jiang's mind was shaken and his scalp tingled.

Immediately afterwards, a slightly familiar voice suddenly echoed in his ears.

“How are you, Sixth Master? It's been some time since we parted at the Dao Lin birthday banquet.”

Boom!

The Sixth Master Jiang's body shook violently as he awoke in horror: “Chen, Daoist Chen?”

“Jiang Da, hold the lamp!”

In the darkness, Chen Daogun, who was sitting on a chair, spoke calmly.

These four simple words alone caused a huge wave to rise in Master Jiang's heart.

Jiang Da?

How many years had it been since he had heard this playful title?

As far as I could remember, it was still the name that the elders of the clan had used for them when their generation was young and ignorant.

The Jiang family head of a family clan was addressed in such a manner by someone who was still one foot away from being a family clan head?

Even if it was only one foot away, it was still the difference between a family clan and a family clan!

On the contrary, the Jiang family head was not the least bit displeased.

While the Sixth Master Jiang was in shock, bright lights then filled the entire parlour.

The Sixth Master Jiang eyed the seat, the indifferent as usual Chen Daojun, the out-of-this-world aura between his brows still pounced on his face, even in such a still state.

Whirling, his gaze moved back to his elder brother.

The Jiang family head, long past a hundred years old, had a head full of silver hair that fell like silk, white eyebrows and starry eyes, and was clad in a green robe, giving him a sense of immortality.

The weird thing is, obviously over a hundred years old, but the Jiang family head's face has very few signs of age, it's not too much to say that it's a crane-haired child's face!

"Big brother"

The sixth master of the Jiang family was dazed and lost in a bit of a trance.

He clearly felt that tonight's big brother was extraordinarily different than usual!

Less majestic and unattainable, more mortal and mundane, and instead becoming more intimate in feeling.

"Old Six, I have already promised Dao Jun on this matter, not helping is not helping."

Grand Master Jiang slowly sat down on the chair, his face also could not see sadness and happiness, calmly said: "I know it is the qilin entrusted the Jiang family, if it is other matters, even if Chen Dong asked the qilin to entrust the Jiang family to destroy the

Chen family overnight, the Jiang family is not unable to do, but this matter, all listen to the Daoguang!”

“What is it about the Gu family that makes us so afraid?”

Jiang Sixth Master was a little incredulous and couldn't help but clench his fist.

It was true that the Gu Family was an ancient martial sect, but compared to the Jiang Family and the Chen Family, they were not even on the same level, not to mention the fact that back then, the Chen Family hammered the Gu Family into hiding and did not dare to show their heads anymore.

It is true that a thin camel is bigger than a horse.

But the Jiang family and the Chen family are not horses, but giant elephants and dragons!

Grand Master Jiang smiled oddly: “Who said that I was afraid of the Gu family? I am afraid of this great master in front of me!”

Chen Daojun?

The Sixth Master Jiang looked at Chen Daojun in dismay.

Chen Daojun also raised his eyes to meet his gaze.

The four eyes met.

Chen Daogun laughed gently, “If your Jiang family does not agree, I will hang up your brothers and beat them one by one in front of all the juniors of your Jiang family.

The words were full of a few teasing words.

When it fell on the ears of the Sixth Master Jiang, it was particularly harsh.

How could the dignity and face of a noble family be teased in such a way?

At Chen Daoling's birthday, although Chen Daogun was still domineering and unruly, his words were not so sarcastic!

“Chen Daogun, this is in the Jiang family!”

The Sixth Master Jiang's face sank, and as he spoke, his qi energy drummed through his robes as his entire aura boomed.

“Hmph! I don't care which house it is!”

Chen Daojun let out a cold snort, "If I say I'm not allowed to care, then I'm not allowed to care!"

In an instant.

Boom!

A majestic Qi energy burst out from within Chen Daogun's body, like a waterfall rolling backwards and sweeping upwards, while constantly thickening and raging in all directions.

Ka ka ka ka

Under the raging Qi, the ground cracked inch by inch with Chen Daojun's chair as the centre, radiating out like a spider web.

The entire living room instantly roared and trembled.

Master Jiang's pupils tightened as he stared at Chen Daogun's chair in horror, his heart beating wildly.

Chen Daogun had already controlled his Qi to such an extent?

Where was the limit of his strength?

The mountains around him were already roaring, but only Chen Daojun's chair did not move at all, which was enough for Master Jiang to take a peek at Chen Daojun's strength.

But Master Jiang, on the other hand, was watching the scene in front of him with cold eyes and a meaningful smile at the corner of his mouth.

Boom!

Just as the Sixth Master Jiang was horrified.

The Qi surrounding Chen Daojun's body once again made a loud bang.

In an instant, the majestic qi was wrapped in a fearful, jail-like pressure and pushed directly and dominantly towards Master Jiang.

How could this happen?

Master Jiang's body shook and his features tensed to an alarming degree out of shock.

The two sides were still two metres away from each other, but Master Jiang clearly felt that the Qi he had spread out was actually converging back into his body uncontrollably and quickly!

It was like the bloodline suppression between animals in the natural world, when a lamb meets a fierce beast, it instinctively tends to avoid the evil, avoiding the sharp edges!

On the one hand, Master Jiang was desperately trying to release his qi, and on the other hand, his qi was “instinctively” retracting into his body, and this in and out was so uncomfortable that his internal organs were reeling!

The next second.

“Poof!”

Master Jiang threw back his head and sputtered out a mouthful of blood, his Qi suddenly dissipated and he stumbled backwards.

Almost simultaneously.

As if he had expected it, Chen Daojun also gathered back the Qi he had pushed out in time.

In the meeting room, there was an abrupt silence.

Chen Daojun sat in silence.

It was Grand Master Jiang who smiled teasingly, “Old Six, do you know if Daogun can beat you? The mere competition of qi energy is a biased way to judge battle power, but it is enough, right?”

The sixth master Jiang looked at Chen Daogun with eyes full of fear, his heartbeat banging.

For a while, there was a bit of a trance.

There was a time when he thought that the difference in strength between the two sides wasn't too far, but the one fight he had just had caused a strong feeling of powerlessness to arise when he faced Chen Daojun!

“Hm?”

Noticing Master Jiang Liu's gaze, the corners of Chen Daojun's mouth curled up into a cold smile as he raised his eyebrows and hummed softly.

“Hmph!”

Jiang Sixth Master raised his hand to wipe a handful of blood from the corner of his mouth and said with a strained neck, "Chen Daogun, I really underestimated you, but this is in the Jiang Family, you can't be allowed to be reckless, I advise you not to be insensitive, Qilin is my own son, the future Jiang Family Qilin!"

With a whirl, he took out his mobile phone directly from his heart and dialed Jiang Qilin's number.

"Kirin, the Jiang family won't help in this matter!"

Chapter 1512

Pah!

Master Jiang Liu hung up the phone and gritted his teeth as he glared at Chen Daojun.

Immediately after, it was a muffled snort from his nostrils, and he turned his head away.

In the meeting room, the atmosphere was somewhat awkward.

After Sixth Master Jiang left.

Only then did Grand Master Jiang smile helplessly, "I hope Daogun doesn't mind, Old Six always carries a bit of childishness in front of old me."

"How could I mind, at this age, Grand Master Six, it is enviable that brothers can still have such feelings for each other."

Chen Daojun smiled, and then got up and gave a fist to Grand Master Jiang: "This time out of prison, there are quite a lot of things to do, so I would like to thank Grand Master for not helping Dong'er."

Grand Master Jiang waved his hand and smiled warmly like the wind, "Daogun is joking, but young master Chen's side"

"Don't worry, Grand Master, Daogun will speak with Dong'er to make things clear!"

When Daogun Chen said this, although he was smiling, his eyes gradually narrowed and burst out with a harsh and precise aura.

Grand Master Jiang could not help but be stunned for a moment.

By the time he came back to his senses, Chen Daojun had already excused himself and left.

In the parlour, silence returned.

Grand Master Jiang looked out the door, his eyes as brilliant as the starry sky, bright and indefinite.

For a long time.

He smiled gently and said meaningfully, "The Jiang family has been rooted in the domain for a thousand years, and the heritage of the clan is incomparably strong, and all the scriptures, histories and collections of the dynasties have survived. "

.....

The lights are out.

Inside the Tianmen Mountain villa.

After Chen Dong and the others had arranged for Chen Daoye, his uncles and family members, they finally dragged their tired bodies back home.

It was nearing dawn and the night was at its darkest.

As soon as he stepped out of the car, Chen Dong saw Jiang Qilin walking over with a strange look on his face.

"What's wrong?"

Chen Dong enquired.

With his phone still pinched in his hand, Jiang Qilin said with some embarrassment, "Mr. Chen sorry, the Gu family mountain gate is located, the Jiang family is not helping."

"Not helping?"

Chen Dong was instantly astonished.

Even Elder Long next to him looked incredulous.

Jiang Qilin scratched his head and said somewhat aggrievedly, "I don't know what happened, grandfather refused with a single phone call, and without saying the reason, his tone was even very impulsive, and he hung up the phone right after he finished."

Chen Dong's brow furrowed as he pondered.

"Could it be that he is afraid of the Gu family?"

Elder Long said speculatively.

But as soon as the words left his mouth, he laughed to himself and shook his head to discard the thought.

How could the Jiang family of the world's clans be jealous of a weakened clan that had been defeated?

But apart from that, what other reason was there?

“Shall I inquire further?”

Seeing that Chen Dong and Elder Long were puzzled, Jiang Qilin was a little embarrassed himself and could not help but say.

“No need. ,”

Chen Dong raised his eyes and shook his head dryly, “If the Jiang Clan does not help with the investigation, then there is a reason not to help with the investigation, it does not matter, there are other means to be able to detect the location of the Ancient Clan's mountain gate, let's wait for the news from the Hong Society.”

After saying that, he turned around and walked towards the villa.

Seeing that Chen Dong looked a little off, Jiang Qilin asked Elder Long beside him in a low voice, “Elder Long, Mr. Chen has been particularly obsessed with the Gu Clan recently, he is more desperate than even before when he encountered the Gu Clan's assassination.”

“Well, that is indeed true, but now that the dust has settled in the southwest, it is reasonable for the young master to want to settle the total score,”

Elder Long smiled, “Mr Jiang don't think too much about it, let's put the matter aside for now and wait for news from other parties.”

Looking at Chen Dong and Elder Long's back, Jiang Qilin's eyebrows lowered and his eyes were deep.

After a few seconds of silence.

Jiang Qilin shook his head and let out a bitter smile as he took a step towards the villa, “The four words of human affairs do take a long time to cultivate, it may take a lifetime na.”

In the bedroom, it was silent.

Chen Dong walked into the bedroom and did not turn on the light either, but carefully went into the bathroom and washed up briefly.

Then he carefully leaned towards the bed again, afraid of waking up Gu Qingying in her sleep.

Gu Qingying was pregnant, and pregnancy was the most difficult, so she had to rest more.

But as soon as he got under the covers, Gu Qingying's wailing voice sounded beside him, "Honey, have you taken care of everything?"

"I woke you up."

Chen Dong said helplessly, he had already tiptoed around enough.

"No, I've been waiting for you, I just couldn't hold on and squinted for a while."

Gu Qingying was like a kitten and burrowed into Chen Dong's arms, "Hugs."

Warmth flowed in Chen Dong's heart, as Gu Qingying's voice and movements seemed to relax him instantly.

But after the relaxation, his mind could not help but think of the tragedy of his father-in-law and mother-in-law!

His father-in-law had gone mad and his mother-in-law had died!

That scene was like a purgatory on earth.

How on earth could he get Gu Qingying to accept this terrible news?

While Chen Dong was pretending to be calm and patting Gu Qingying's back, he was staring at the ceiling with his eyes raised, not feeling sleepy.

In his mind, he kept rehearsing and thinking of countless ways.

But none of them could make Gu Qingying accept it openly!

As a child, who could accept a drastic family change and a tragic parental accident?

It's not as if he had a heart of stone!

When his mother died, he couldn't even do it himself, so how could he dare to expect Gu Qingying to accept it easily now?

But now Gu Qingying is pregnant, once she knows, with violent mood swings, it's not just the child that's in danger, it's even Gu Qingying!

“How in the end should this game be broken?”

Chen Dong lamented in his heart, a thick sense of powerlessness sweeping through his entire body.

.....

Gu Family.

Inside Old Lady Gu’s house, the sound of crying rang out from time to time.

Heartbreaking, the cries were hoarse.

“Sister, sister yo

Old Mrs. Gu’s body was trembling, her eyes were red, tears were rolling down her face, and her whole body was in a kind of broken and mournful pain.

And behind her.

Gu Cang Yue had a guilty look on her face, her head lowered, her teeth clenched, her fists clenched, the bruises on the back of her hands protruding.

Thinking back to the scene at the Chen family, he was inconsolable with shame!

Originally, he was sure of saving Old Lady Chen, but Chen Dong’s sudden demonization had caused him to feel an unprecedented sense of crisis in Chen Dong!

After bringing the news of Old Mrs. Chen’s death back home, Old Mrs. Gu was unable to eat or drink and was immersed in grief.

Sisterly love is a strong bond.

Old Madam Gu’s cries made Gu Cang Yue’s guilt and self-blame grow stronger.

And Gu Dragonfly, who was standing beside him, was also anxious and worried at the moment.

Looking at the grieving Old Madam Gu, she gritted her teeth and finally stepped forward to comfort her, “Grandma, you have to take care of your health, such a big family is still waiting for you to take the helm, if something happens to you, what should the Gu family do?”

“That’s my sister!”

Old Mrs. Gu gripped Gu Dragonfly's hand, gritting her teeth and saying, "Revenge, this revenge, I must take revenge!"

Her hatred was so strong that it seemed to turn into substance.

The ancient dragonfly froze for a moment, eyes suddenly turned, said in a deep voice: "Grandma, revenge is very good, for example Chen Dong's wife does not seem to know that her parents have been in trouble, right?"

Winner Takes All Chapter 1513-1514

Chapter 1513

The following morning.

As the first rays of sunrise shed their light on the ground, a piece of news exploded like a nuclear bomb.

[The Chen family has changed its head, Chen Daocheng is the new head of the Chen family!

As soon as the news came out, it rained down on the world's giants and giants like a storm.

The Chen family is a powerful family that holds all the wealth in the world.

For ordinary people, it was extremely difficult to get hold of the news about the Chen family.

But the world's giants and powers were all focused on the Chen family, treating them like gods and goddesses.

The moment the news came out, it was like a thunderstorm, causing the heads of the world's powerful families and giants to freeze in their tracks.

Shock, fear, disbelief

All kinds of emotions were spread among all the powerful family heads and giants, making it difficult for these bigwigs, who are used to seeing a lot of things in the market, to calm down.

Early in the morning.

A sharp, heavy knock sounded at Chen Dong and Gu Qingying's bedroom door.

Chen Dong had not slept all night, and when he saw that Gu Qingying, who was sleeping in his arms, had been woken up, he could not help but frown.

Gu Qingying slowly opened her hazy sleepy eyes, seeing Chen Dong's ugly face, she smiled gently, "It's alright, go and take a look, there must be something big to be in such a hurry."

"You rest a little longer."

Chen Dong doted on Gu Qingying's high nose and got up to open the door of the room.

To Chen Dong's surprise, there was more than one person at the door!

Elder Long, Jiang Qilin, Chu Reed and Zhuge Qing were all present.

And all had extremely grave faces.

"Young Master"

Elder Long was about to speak.

Chen Dong then raised his hand to make a silent gesture and said in a low voice, "It's disturbing my wife's sleep."

Elder Long's expression was choked.

Immediately, Chen Dong gestured for the four of them to go to the study.

After entering the study, Zhuge Qing fell at the end and closed the study door with his hand.

Chen Dong rubbed his face and sat behind the desk, silently lighting a cigarette, as he slowly exhaled the smoke, before asking.

"So impatient so early in the morning, what's going on?"

"Young master, the Chen family has announced the news to the public."

Long Lao's face was sullen, his eyes somewhat resentful as he squeezed out a sentence from between his teeth.

In his opinion, even if Chen Daolin disappeared from the Chen family, the position of family head should still be Chen Dong's.

All along the way, Chen Dong's ability, tact, and even force were enough to top all of the Chen Family's younger generation, and he had worn the family head crown through hard work and effort.

The Chen family, by preference, had simply ignored the results of the successor.

Even though Elder Long knew the situation in front of him, that he was powerless to return to heaven, but as Chen Dong's slave, he still voiced his injustice for Chen Dong.

However.

Chen Dong calmly smashed a puff of his cigarette and calmly: "Oh."

Oh?!

In a flash, Elder Long was stunned.

Chu Reed, Zhuge Qing and Jiang Qilin were all stunned.

This reaction was too calm, right?

Sensing the astonished gazes of the four, Chen Dong raised the corners of his mouth and smiled playfully, "Is my reaction not normal?"

The four people looked at each other, speechless for a moment.

Following closely.

Chen Dong flicked the ashes of his cigarette and said in a ripple-free tone, "The Chen family is a big tree that attracts the wind, it is proud of the world's gentry, it is the only one in the clouds, it is always under the attention of countless eyes. as low as possible."

There was a pause.

Chen Dong raised his eyebrows and swept a glance at the four Long Lao: "After all,..... the Chen family's one-day and one-night bloodbath, a lot of people died, if this matter is picked up by the outside world layer by layer, with the Chen family's energy, that is the world in turmoil!"

Long Lao's four people looked aghast.

Jiang Qilin said in a deep voice, "But announcing it on your own won't reduce the impact much, it's no different from being skinned out layer by layer, right?"

"No, it's not the same."

Elder Long shook his head, and then swirled to give Chu Reed a meaningful glance.

Chu Reed looked confused: "What's wrong?"

"You teach Jiang more."

Long Lao smiled teasingly, and then, without caring about the blushing Chu Reed, he explained to Jiang Qilin, "They knew that they could not hide it for too long, so they announced it directly to the public after the dust of the Chen Family had settled, in order to still buy a time for the world's giants and powers to be shocked, using this time gap to hide as much as possible what had happened within the Chen Family, while also spreading the impact spread to the magnates and powers of the world, giving the magnate family heads and power giants more time to think calmly and weigh in."

"If Chen Daocheng and his family keep hiding it, during this time of hiding, the outside world will definitely have stronger and stronger suspicions about the internal situation of the Chen family, slowly building up momentum and fermenting, when someone really tears out the internal situation of the Chen family, then the impact will skyrocket to the peak in a short period of time, even Chen Daocheng and his family can't bear such an impact. "

Jiang Qilin froze for a moment, pondered for a moment, and then it dawned on him.

"Understood."

Whirlwind.

Elder Long's sullen gaze fell on Chen Dong again, "Young Master is not at all annoyed by this?"

"Annoyed at what?"

Chen Dong knew what Elder Long and the others were thinking, and he shrugged his shoulders indifferently and smiled, "You think that I am not reacting normally, but because of the family infighting, the magnificent Chen family has now fallen into the hands of Chen Daocheng, but the current Chen family is no longer the Chen family that my father once controlled. ."

Speaking of this, Chen Dong's entire aura suddenly snapped up, with a look of out-of-this-world confidence between his eyebrows.

"The Chen family now, is with me!"

The words were resounding and firm!

For a moment.

Silence fell within the study.

All four of Elder Long's men were frozen in place.

After a few seconds, the four of them reacted and all looked at each other with a smile.

Long Lao is even more happy and smiling: "Old slave negligence, old slave negligence southwest set the tripod, the young master successfully pry trillions of assets, whale the world, and the Chen family now family change, time lapse, all the industries under the command will be affected, not to say too much, but this is a long time, half a year only need half a year, the new Chen is already up!"

Chu Reed, Zhuge Qing and Jiang Qilin, also have smiled.

The situation today, Chen Dong set the southwest, the momentum has been established, no one can stop!

On the contrary, the Chen family's family change was announced to the public by Chen Daocheng, which just seemed to be aiding and abetting Chen Dong, pushing the wave!

After the bloodbath of the Chen family, it would be a lie to say that there would be no effect after the news had gradually spread!

It was only a matter of time, as time went on, the world's giants and giants of power would slowly set out their attitude towards the Chen family!

"Not only that, it's just as well to take advantage of this family change in the Chen family, so that Chen Daocheng and the others can help us to suppress the impact of setting the Southwest, after all, I don't really like to have too much of a buzz, it's not good to be too visible."

Chen Dong rubbed his nose and laughed lightly, his gaze was deep, "Don't worry, this is a good thing for us, that decaying Chen family, let Chen Daocheng and the others do whatever they want, in half a year's time, all of you wait to witness the new Chen family soar to the sky!"

"Good!"

The four Long Lao answered in one breath.

Immediately, the four of them were ready to leave, but Chen Dong called for Elder Long alone.

Waiting for Zhuge Qing and the three to leave.

Only then did Chen Dong say to Elder Long in a deep voice, "Elder Long, help me prepare to go to the other side of the ocean, I want to go and see Dad."

Chapter 1514

"Go over there?"

Long Lao looked complicated at once, his lips mumbling, "Young master, there's Hong Hui and the others looking after it over there, it's safe now."

"I'm the son-in-law, after such a big incident, considering that Xiao Ying is pregnant and can't know, but if I don't even go over there, then what's the difference between me and an animal?"

Chen Dong's expression was solemn, his gaze cold and stern, "The southwest setting, the Chen family change, a series of things too tricky, now that they are all settled, I must go over there!"

Elder Long hesitated for a moment and nodded helplessly.

"Old slave will go and make the arrangements."

"If they ask, just excuse me to meet with Rothschild to negotiate the cooperation for the relocation of Ding Sheng's headquarters."

As Elder Long turned around, Chen Dong threw out another sentence.

"Good."

Elder Long's expression was obscure, his eyes guiltily blaming himself.

From his perspective, he was reluctant for Chen Dong to go over at this moment, Southwest had just been settled, although Chen Daocheng had jumped out with the Chen family as a shield to attract the attention of the world's giants and powers, there were still many, many things laid out in the Southwest region that needed to be handled and arranged by Chen Dong.

And Gu Guohua's couple's tragic encounter, he was not sure how painful it would be for Chen Dong to go over there.

Half an hour later.

Chen Dong then changed his clothes, said goodbye to Gu Qingying, and then headed to the airport with Elder Long.

All along the way, the atmosphere in the car was extraordinarily dull.

Elder Long could clearly detect the low air pressure emanating from Chen Dong's body.

However, there was nothing he could do about it.

After arriving at the airport on the outskirts of the city, the car drove straight into the airport runway.

Before Chen Dong boarded the plane, he said to Elder Long in a deep voice again, "I will be back as soon as possible, make sure to protect Little Shadow, you can do whatever it takes!"

"Young Master, don't worry."

Elder Long nodded his head.

After Chen Dong boarded the plane, he waited for about ten minutes before the plane took off.

Looking at Elder Long who waved his hand to see him off below, the depression in Chen Dong's eyes gradually filled up.

On one hand, he was doing his filial duty, and on the other, he wanted to go there to find out what was going on.

He wanted to find out what was really going on so that he could evaluate whether to hide or not on Gu Qingying's side.

After all, paper cannot cover fire!

All he could do was to find a way to minimise the impact and grief on Gu Qingying as much as possible.

If it could not be reduced, then it could only be concealed until the day it could no longer be concealed!

.....

Night falls.

Even in summer, but the geography of the north of the desert, the temperature plunges dramatically at night, and there is a bitter cold wind that cuts the face.

The night wind wails.

It rolls up the tiny gravel on the ground.

Inside the ruins of the ancient city of Feng Bo.

In the darkness, it was the sound of footsteps that rang out.

Rustle rustle

A figure slowly walked into the broken wall, making a sound with every step that landed on the sand.

Suddenly.

The figure came to a halt.

“Dao Lin!”

A low, magnetic voice rang out.

Behind a broken wall, another figure stepped out.

“Big brother.”

Chen Daoling and Chen Daogun stared at each other in the darkness, five metres apart.

It was clearly so dark around them that they couldn't see their fingers, but the brothers' strength had long since reached night vision and did not hinder them in the slightest.

“The Chen family has changed.”

Chen Daojun said calmly.

“Well, it makes sense.”

Chen Daolin's tone was also extraordinarily calm: “Dong'er has already prepared everything, the future Chen family will be even more magnificent, isn't that what big brother wants to see?”

“Well, there are too many factions in the Chen family and too much attrition from infighting with each other, which is really not conducive to the great plans of you and I. Dong'er is the one who shoulders the new Chen family, so the great plans of the future can be expected!”

Chen Daojun's voice was suddenly full of expectation and trembled a little.

“It's good that big brother is happy.” Chen Daolin said.

There was a pause.

Chen Daogun suddenly added: "Your in-laws suffered a horizontal disaster and were affected by Dong'er setting the southwest, one died and the other went crazy, Dong'er went crazy and used all his power to search for the location of the ancient family's mountain gate, he had even asked to the Jiang family, but I stopped him, this matter, I hope you won't blame me."

"Haha"

Chen Daolin suddenly laughed, "Good boy, more courageous than me, more courageous than me! Big brother, do you want to bet that you can't stop Dong'er this time?"

"Hmph! You're still laughing out loud!"

Chen Daojun said with some displeasure.

"I should be sad that my in-laws have met an untimely end, and I should be happy that my son dares to cross his sword, that he has more guts than me and has done what his father didn't dare to do!"

Chen Daolin was shaking with laughter, leaning forward and back: "Men should repay kindness for kindness and revenge for revenge. Dong'er is braver and more courageous than you and I!"

The sound of laughter echoed.

In the darkness, Chen Daojun fell into silence, allowing Chen Daoling to laugh uncontrollably and wildly.

He waited for a long time.

Only gradually did Chen Daolin's laughter calm down.

Chen Daogun took over at the right time: "I will go to Dong'er on this trip out, and I hope that no other changes will occur sideways during this time, otherwise with Dong'er's character, I am afraid that even if I suppress it by force, he will not give up his revenge on the Gu family!"

"There is something, please ask big brother to bring it to Dong'er and instruct him to inject it!"

In the darkness, Chen Daolin stepped forward and handed something to Chen Daogun.

Immediately, Chen Daogun's surprised voice rang out in the darkness, "There's a new development?"

“Thanks to the blessings of Heaven, it went well!”

Chen Daoling said with a smile.

“Well, well.”

Chen Daogun’s emotions fluctuated in a rare way, saying three good words in a row, “There’s hope, there’s finally hope this time!”

“But shouldn’t big brother be worried about the extra-terrestrial right now?”

Chen Daoling suddenly said.

Chen Daogun was silent for a moment, and then lamented, “The world’s great power cannot be stopped, even the Jiang family is waiting for us this time, you and I cannot intervene with the hundred tribes outside the domain, when the purple qi fills the sky and the wolves in the sky roar, there is destined to be a blood hell catastrophe, and those barbarian species outside the domain, aren’t they also waiting for this opportunity?”

“I just don’t know when exactly they will move, and whether Zhen Xiao will be able to block it then!”

Chen Daolin echoed with a lament.

.....

Meanwhile.

At the airport on the outskirts of the city late at night, although it was not as busy as daytime, there were still aircraft flights taking off and landing.

Inside the airport hall, the crowds of people coming in and out of the airport all had a trace of fatigue on their faces.

This also made the two refreshed faces in the crowd stand out.

“Li Dangxin, I really don’t know what you were thinking, you had to follow me here.”

Ancient Dragonfly deflated with a helpless expression, “It’s not like we know each other very well.”

“Your father saved my life once, so this time you’re here, I have to be a bodyguard or something to return the favour, right?”

Li Dangxin was dressed in a suit and always had an evil look on his face, "My Li family's family motto doesn't allow us to owe favors to others."

"Che you're no match for Chen Dong either!"

Gu Dragonfly rolled his eyes, "If there is really danger, it's not certain who will protect who!"

The smile on Li Dangxin's face disappeared as he thought of a scene at the Qin family in a trance and was somewhat indignant.

After a pause, he said, "Actually, according to your plan, isn't it just a matter of a letter?"

"You don't understand, it's true that letters are easy, but we won't get the benefits, and who would want to make this trip without benefits?" The ancient dragonfly rolled his eyes, meaning something.

Winner Takes All Chapter 1515-1516

Chapter 1515

Across the ocean.

When the plane landed at the airport, it was already early the next morning.

Chen Dong stepped off the plane and saw Ye Yuanqiu and Yuan Yigang stationed by a Rolls Royce by the airport runway from afar.

Seeing Chen Dong.

Ye Yuanqiu and Yuan Yigang greeted them, both of them with guilt on their faces, not daring to meet Chen Dong's eyes.

"I have already asked Elder Long to convey my attitude to you, I will not hold the Hong Society responsible for this matter, but you must be responsible for finding out where the ancient family's mountain gate is!"

Chen Dong's heart understood, a sentence released the guilt apprehension in Ye Yuanqiu and Yuan Yigang's hearts.

"Mr. Chen, I'm really sorry about your father-in-law and mother-in-law."

Ye Yuanqiu looked gloomy as he bowed his head in guilt and apologised.

"Get in."

Chen Dong looked indifferent and ignored it, directly getting into the car.

If he had a choice, he would rather not set the Southwest and protect his father-in-law and mother-in-law safely.

It was a mistake

This matter Hong will have a fault, but the crime is not to death.

In the end, it was also Ye Yuanqiu who took the risk of gambling on the premise of mastering the high probability of winning at that time.

The only thing is that despite having a high probability of winning, the Gu family still “hit hard” with this one.

Ye Yuanqiu and Yuan Yigang looked at each other with complicated eyes.

Immediately, Ye Yuanqiu let out a sigh and gestured for Yuan Yigang to get into the car.

This time, Chen Dong had come in secret, and before his departure, Elder Long had specially instructed Ye Yuanqiu and Yuan Yigang not to make a show, so only Ye Yuanqiu and Yuan Yigang were present at the pick-up.

On the way, Yuan Yigang drove the car.

Chen Dong and Elder Long sat side by side in the back row, the car was quiet and the atmosphere was somewhat frozen.

From the moment he got into the car, Chen Dong closed his eyes and looked sad and unhappy.

It was precisely this reaction that made Elder Long and Yuan Yigang feel as if they were on pins and needles, like mangles on their backs.

Every now and then, Ye Yuanqiu and Yuan Yigang would sweep their afterglow onto Chen Dong, trying to break the silence inside the car.

But when they saw Chen Dong's appearance, the two of them forced themselves to hold back.

This time Hong would have caused too much trouble!

Whether it was Ye Yuanqiu or Yuan Yigang, both knew what Chen Dong was like, not to mention that on the eve of setting the Southwest, Chen Dong had made his attitude very clear.

It was Chen Dong's mother-in-law who died!

It was Chen Dong's father-in-law who had gone mad!

Anyone else would have had a monstrous hatred in their heart!

"Has my mother been buried yet?"

Chen Dong's eyes were closed, and suddenly his lips and teeth opened lightly, breaking the quietness in the car.

At these words.

Ye Yuanqiu and Yuan Yigang let out a sigh of relief like a weight.

They were not afraid of Chen Dong's accountability, what they feared was the torment in silence.

Ye Yuanqiu hurriedly said, "It has been properly buried, but Mr. Gu"

"Hm?"

Chen Dong raised an eyebrow, his gaze looked askance at Ye Yuanqiu, and in a flash it was overpowering.

Even Ye Yuanqiu's heart instantly jumped when he was locked by Chen Dong's gaze.

He hurriedly lowered his head, avoiding Chen Dong's gaze, and said sadly, "Mr Chen should have seen the video, right? Mr. Gu took too big a blow and was delirious, after burying Madam Li, Mr. Gu has been guarding the tomb and refused to leave, Hong will always send someone to watch over it."

"Let's go straight to the cemetery."

Chen Dong's brow tightened into a "Chuan", and his heart stung for a while.

The relationship between his father-in-law and mother-in-law was as strong as glue.

From Gu Qingying's character, one could see the harmony and happiness of the family.

Family, it is never the initial place where one's original character is nurtured!

To personally watch his wife die and decay in front of him This is a heaven-collapsing blow to his father-in-law!

Half an hour later.

The Rolls Royce slowly drove into a cemetery.

Surrounded by lush greenery, it was quiet and serene, with birdsong and flowers.

But when Chen Dong looked out through the car window, all he could see was a towering tombstone, stretching out in a forest.

Crunch!

The Rolls Royce came to a halt.

Yuan Yigang was the first to get out of the car, and without waiting for him to open the door, Chen Dong opened the door himself and stepped down.

Yuan Yigang's right hand froze in mid-air and was put down somewhat awkwardly.

"Dragon Head Chen, it's just ahead."

Yuan Yigang pointed in a direction.

"Lead the way."

Chen Dong said with a sad face.

Yuan Yigang immediately went ahead, with Chen Dong and Ye Yuanqiu following close behind.

From a distance, Chen Dong saw a group of men in suits gathered in a circle.

As they drew closer, a raspy, sobbing voice came from them.

"Wanqing, hungry, let's eat"

"Wanqing, I'm talking to you, why are you ignoring me? Hahahaha did I make you angry again?"

"Ooooooooooooo wife, I'm wrong, hit me, don't be angry with me, don't ignore me, okay?"

.....

Chen Dong's eyebrows lowered, the grief in his eyes was thick as if it was going to turn into substance, his heart was even more as if it was stuffed with stones and blocked.

The father-in-law's insane words were like red-hot knives, lingering on his body.

The guilt was like a monstrous tsunami.

As for Ye Yuanqiu and Yuan Yigang, they were also forlorn and gloomy at the moment, their expressions moving.

Seeing Ye Yuanqiu and Yuan Yigang, the people of the Hong Society parted a way.

At Yuan Yigang's gesture, no one greeted them.

As the people parted, Chen Dong also got a good look at his father-in-law, only now his father-in-law made his eyes swish red, and tears could not stop welling up in his eyes.

In sight.

Gu Guohua kneeling in front of the tombstone, his body leaning forward, the upper half of his body almost pressed against the tombstone, unkempt, full of haggard face, lips are also dry and cracked out a crack, full of bloodshot eyes flooded with tears, naive smile at the corner of the mouth is even flowing down a crystal line of saliva.

Crazy, down and out

Where there was once the glowing, ware!

"Hey wife, you are not too cold ah? Yes, yes, yes, you just keep telling me you're cold and that the rotten meat on your stomach hurts, yada yada yada"

Gu Guohua suddenly cried out, struggling to straighten his upper body, about to take off his jacket, "Cover it, cover it and you won't be cold, not afraid husband is here, husband is here"

"Dad!"

Chen Dong could no longer hold back, cried out a howl and rushed towards Gu Guohua with big strides.

"Mr. Chen!"

"Chen leader!"

Ye Yuanqiu and Yuan Yigang's faces changed drastically and they hurriedly let out a cry of alarm, but it was too late.

Gu Guohua's body shook violently as he raised his head and gazed at Chen Dong fearfully.

"Don't come over, don't come over! Don't hurt my wife, I, I'll fight you!"

With a hiss, the fear in Gu Guohua's scarlet eyes suddenly dissipated, replaced by madness and ruthlessness, and his features were even hideously twisted.

Almost simultaneously.

He lunged directly in front of Chen Dong and threw a fist that smashed into Chen Dong's face.

Chen Dong let out a muffled grunt and fell to the ground.

"I'll fight with you, fight! Don't hurt my wife, aaaahhh"

Gu Guohua, as if he was a wild beast, directly pounced on Chen Dong, swinging his fist and landing hard on Chen Dong's body, while biting on Chen Dong's shoulder with a bite, a beast-like grunting sound came out of his mouth.

"Dad"

Chen Dong lay on the ground and did not resist in the slightest, even with his strength, if he had the intention to resist, Gu Guohua would not even be able to get close to him.

But the tide of shame and self-blame made him face Gu Guohua without even the thought of resisting!

If it wasn't for him, if it wasn't for Southwest Dingding, how could his father-in-law and mother-in-law be in such a situation?

Chapter 1516

In the quiet of the cemetery.

The hisses and cries of Gu Guohua, who was as mad as a wild beast, echoed, accompanied by the ringing sound of fists to flesh.

Chen Dong lay on the ground, motionless, tears streaming down from his scarlet eyes.

Compared to his father-in-law's fist to flesh, his heart was like a knife twist, painful to the bone!

A sudden scene.

It caused Ye Yuanqiu, Yuan Yigang and a group of Hong Society members to freeze for a moment.

After regaining his senses, Yuan Yigang sternly ordered the men to pull Gu Guohua away.

“Stop right there!”

Chen Dong let out a roar and drank the crowd to a halt.

Ye Yuanqiu persuaded sadly, “Chen Dong, Mr. Gu has lost his mind, he doesn’t recognise you anymore, he will treat anyone who dares to come near this way, otherwise how would my Hong Society be able to do nothing to him?”

“Even if he’s crazy, that’s still my father-in-law, who dares to touch?”

Blood dripped from the corners of Chen Dong’s mouth as he wailed harshly.

Bang!

Gu Guohua threw another heavy punch that viciously smashed into the corner of Chen Dong’s mouth.

“Poof!”

Chen Dong’s head tilted and a mouthful of blood spat out directly.

But he still did not resist.

As far as he was concerned, this was as it should be!

Even if his mad father-in-law chopped him with a knife now, that was still the right thing to do!

To be a child and not do your filial duty, but to involve your parents because of your own affairs, you are simply an animal!

“No touching my wife, I’ll fight you, fight for your life, hahaha wife don’t be afraid, with husband around, they don’t dare to do anything to you!”

Gu Guohua raised his head, crying and howling at Li Wanqing’s tombstone, but his hands were clenching his fists and falling towards Chen Dong without pause.

Seeing Chen Dong being beaten up and spurting blood from his mouth, both Ye Yuanqiu and Yuan Yigang were as anxious as ants on a hot pot.

Both of them knew clearly that with Chen Dong’s strength, an ordinary person like Gu Guohua wouldn’t even have a chance to get close if not willingly!

“Mr. Chen

Ye Yuanqiu burst out again.

But this time.

Not waiting for Chen Dong to speak.

Gu Guohua fiercely turned his head, as if he was a frenzied ferocious beast, glaring deadly at Ye Yuanqiu, baring his teeth and grinning while waving his hands.

“Get lost! Get lost, all of you! Stay away from my wife, no harming her, no harming her!”

Ye Yuanqiu’s expression choked.

Almost simultaneously.

Chen Dong had blood in his mouth and said in a stern voice, “My father-in-law told you to back off, why don’t you do so?”

His words were like thunder, carrying a raging anger.

Ye Yuanqiu’s old face changed, and after hesitating for two seconds, he fiercely gritted his teeth and waved his hand, “Everyone, retreat!”

Looking at the crowd retreating, Gu Guohua’s face overflowed with a bright smile, “Hahaha wife not afraid, not afraid, they are driven away by me, driven away by me!”

While laughing, he was trembling all over, and no longer continued to attack Chen Dong.

Chen Dong lay flat on the ground, looking at Gu Guohua in front of him, crying with blurred teary eyes.

“Dad

His lips trembled as he cried out a howl.

“Bad man, bad man!”

Gu Guohua’s eyes instantly widened in anger as he brazenly lifted his right hand and slapped Chen Dong’s face fiercely.

A slap!

The force was strong.

Chen Dong once again spurted out a mouthful of fresh blood, most of which was sprayed on Gu Guohua’s right hand.

“I’ll kill you!”

Immediately afterwards, Gu Guohua once again let out a roar, like a wild beast, and bit down fiercely on Chen Dong’s shoulder.

Far away.

Ye Yuanqiu and Yuan Yigang led the Hong Society members to retreat twenty metres away.

This distance was so that they would not anger Gu Guohua, and at the same time, they could also provide quick support in case there was any change.

“Ancestor, should we just stand by and watch Ancestor Chen?”

Yuan Yigang was a little anxious and was busy asking Ye Yuanqiu’s opinion.

Ye Yuanqiu sighed with a feeble lament, “Chen Dong has such a mind, what else can he do? If he doesn’t let go of the knot in his heart, we are offending him and Gu Guohua by going up to free him!”

“But

Yuan Yigang still wanted to argue, but as soon as the words left his mouth, he hung his head and sighed heavily, swallowing the words back into his stomach.

The crowd was in sight.

Gu Guohua pounced on Chen Dong and tore at him, while Chen Dong kept screaming for his dad at the top of his lungs.

The scene was bloody and horrific.

If I had to describe it, it was as close to a zombie movie as you can get!

However

“Dad

Chen Dong cried and howled, grief-stricken.

But the scarlet tearful eyes then revealed a look of shock.

His body tensed and stiffened all at once.

Along with the sharp pain on his shoulder, he clearly felt that Gu Guohua's finger, was scratching the palm of his left hand!

Almost simultaneously.

“Dong'er

A whimpering low cry suddenly sounded in his ears.

Boom!

The sound was soft, even a little whimpered because Gu Guohua was biting his shoulder.

But to Chen Dong, it was still no less than a thunderbolt from the ninth heaven!

In an instant, Chen Dong's heart felt as if it was about to jump out of his chest, and his whole body was ecstatic!

The tears in Chen Dong's eyes rushed out like a river breaking its banks.

Dad remembered me!

He still remembers me!

He's not crazy!

So now he is

In the snap of his fingers, Chen Dong thought of many, many things, but his complexion became more and more grave!

Dad was pretending to be crazy on purpose!

He did so for the purpose, what is it?

Finally, in the heart of his left hand, Gu Guohua's finger strokes came to a halt.

At the same time, Chen Dong also felt Gu Guohua's chest position arch up, just enough to clear some space for him.

Only Gu Guohua was still viciously tearing at his shoulder, while his hands kept pounding him!

Since he knew that his father-in-law was faking madness, there must be a reason for it!

Now this, perhaps, was hiding something!

Chen Dong struggled to move his left hand, bending it, following the gap deliberately left open by Gu Guohua, and slowly reaching out in front of him.

In the process, he tried hard to conceal his movements from being seen by Ye Yuanqiu and the others in the distance!

As he placed his left hand in front of his eyes, two bloody words, like a heavy hammer, blasted into his eyeballs.

“Divorce!”

This

Chen Dong froze, his eyes widened and his mind went blank.

Why were these two words?

In his vision, the word “divorce” was scarlet and blinding, and every stroke was like lightning, tearing at Chen Dong’s eyeballs.

He never thought that his father-in-law would pretend to be crazy and leave these two words in his hands!

He had gone to all the trouble to not want to repeat his father’s mistake, but now

Time, at this moment for Chen Dong, seemed to be slowed down without limit, tending to stop.

Everything around him seemed to have ceased to exist.

Even the pain that Gu Guohua had torn into his shoulder was not so painful at this moment, no, it was not painful at all!

The next second.

Gu Guohua suddenly let go of Chen Dong, and then his whole body popped up as if he had been electrocuted.

“Ahhhhhhh

Gu Guohua looked terrified, his mouth screaming, staggering back a few steps, retreating to Li Wanqing’s tombstone, and without warning, he directly knelt down on the ground with a “poof”.

Immediately, he smashed his head against the ground desperately, crying and begging.
“Let her go, please let her go!”

Winner Takes All Chapter 1517-1518

Chapter 1517

Bang bang bang

“Let her go, please let her go oooooooooo please!”

Gu Guohua kowtowed heavily again and again.

The sound of miserable pleading resounded in this quiet cemetery.

This scene, in the eyes of Ye Yuanqiu and Yuan Yigang in the distance, was nothing more than the now mad Gu Guohua still remaining in the scene when Li Wanqing was killed, treating Chen Dong as the bad guy and bitterly begging for protection of Li Wanqing on the tombstone!

But in Chen Dong's eyes, it was very different!

He knew that his father-in-law was pretending to be crazy!

This kowtowing and begging was a cry for him to divorce Gu Qingying!

For a moment, Chen Dong's eyes were hazy with tears, his features were trembling and twisted, his heart was like a knife twisting, and his body was in indescribable pain.

A father kneeling to his son, the heavens will strike him down!

With such a gesture, his father-in-law's determination was like a million swords, lashing out at Chen Dong.

Chen Dong's mind was blank, slowly propped up and sat up, looking at the insane state kowtowing and crying Gu Guohua, speechless and choked.

Did it really have to go that far?

The tears came out like a broken river.

The guilt and self-blame, the monstrous waves of the sea engulfed Chen Dong.

The sound of his father-in-law's cries and kowtowing kept echoing in his ears.

“After all is unable to fight this heaven? Must I repeat my father’s mistake even though I am unwilling to do so? Is father-in-law pretending to be crazy just to take a humble enough stance to be able to save his life and preserve Little Shadow and the child?”

These were the thoughts in Chen Dong’s mind.

A tidal wave of questions surfaced in his mind as he drifted in and out of a trance.

“Please please

Gu Guohua kowtowed his head and begged more and more violently.

Even the rupture of his scalp from kowtowing, blood flowing, did not stop, his gaunt and mottled old face was equally old and tearful.

Time and again, he raised his head, and his tearful eyes swept over Chen Dong’s body with determination and severity.

Say yes, Dong’er!

Only then will you be able to go forward without any worries!

Otherwise

Gu Guohua ruthlessly clenched his teeth and suddenly pounced on Chen Dong like a wild animal, pouncing on him once again and swinging his fist down on Chen Dong’s body.

Bang Bang Bang

“Ahhhhh and you fight, I fight with you, she can’t live, I won’t live either ah!”

The fist to flesh crazy action, let the distant Ye Yuanqiu and Yuan Yigang all face changed greatly, but hesitated.

It was Chen Dong who had already torn his heart and lungs out in grief.

His father-in-law’s frantic hissing was clearly something else.

The next second.

“Ah!”

Chen Dong suddenly opened his mouth, tearing his heart out with a roaring yell that shot straight to the clouds.

“Let her go, I’ll let her go!”

With each word, it was as if Chen Dong had used all his strength.

When the last word came out, Chen Dong’s entire body collapsed to the ground, like a puddle of mud, his gaze fluttering and empty, except for the tears flowing down from the corners of his eyes.

“Hahahahaha is saved, saved!”

Tears also flowed from Gu Guohua’s eyes as he got up and staggered back to Li Wanqing’s tombstone, hugging it and saying soothingly, “Honey, saved, he let it go, he let it go, hey hey hey home, we’re home.”

Seeing the situation calmed down.

Ye Yuanqiu and Yuan Yigang also defied Chen Dong’s orders and brought the Hong Society members to welcome them.

Seeing Chen Dong’s face full of bruises, Ye Yuanqiu and Yuan Yigang looked complicated, and the shame and self-blame in their eyes were so strong that they seemed to turn into substance.

If there was no decision to gamble, why would Chen Dong be facing his father-in-law like this today?

“Mr. Chen”

Ye Yuanqiu squatted beside Chen Dong and said with pathos in his tone, “It was the old man who was wrong, it was the old man who did wrong ah!”

“Haha hahahahaha”

Chen Dong lay on the ground and laughed uncontrollably, his body kept trembling.

But in the eyes of Ye Yuanqiu and Yuan Yigang, it was a heart like a knife.

Parental affection, this had always been something more important than life to Chen Dong.

This was true of Li Lan at the beginning, and it was equally true of Gu Guohua and his wife today!

The sound of laughter echoed through the cemetery, sad and determined and desolate.

Everyone's attention was on Chen Dong, and no one noticed that Gu Guohua, who was leaning on the tombstone, was also looking despondent and gloomy to the extreme, looking at Chen Dong with tears in his eyes, the corners of his mouth trembling incessantly.

This process lasted for a few seconds.

Chen Dong sat up and wiped off the blood from the corner of his mouth, and then walked up to Gu Guohua with the pretense of caution.

And Gu Guohua duly cooperated by revealing a frightened and alert look.

"Dad, Dong'er carry you home."

Chen Dong turned around and squatted in front of Gu Guohua.

He did not rush to break down Gu Guohua's pretence of madness, either to simply protect Gu Qingying, or perhaps for another reason.

The scene in front of him, Chen Dong did not even think it was a good opportunity to break it down immediately.

It was obviously vital that his father-in-law, after so many years in the mall and after witnessing his mother-in-law's life and death, still had the calculations of pretending to be crazy in his mind this time!

This time, Gu Guohua seemed very "calm" although alert, but the previous intense exercise, so that his strong days of sleepless body, but also reached the limit.

He hesitated for a moment.

Gu Guohua then leaned on Chen Dong's back and whispered, "What about my wife?"

These words were obviously spoken to Ye Yuanqiu, Yuan Yigang and the members of the Hong Society.

However, it still left Chen Dong with mixed feelings in his heart.

"It's alright, go home first, eat well and sleep well, Mum's here."

Chen Dong smiled sadly and said comfortingly.

Gu Guohua let out a "mmm" from her mouth and nose, and only then did she stop showing the slightest resistance.

All of them walked out of the cemetery in a great hurry.

After getting into the car, Gu Guohua leaned on Chen Dong's shoulder for a short while before falling asleep.

His breathing was steady and his chest rose and fell regularly.

Chen Dong is clear that in order to pretend to be crazy, his father-in-law may have really pushed his physical fitness to the limit in the past few days, and only now, with himself by his side, can he sleep at ease.

Just was there another reason for father-in-law to pretend to be crazy or not?

Chen Dong slowly turned his head to look out the window, his eyes were deep, as if they were two black holes.

Mountain River Club.

Ye Linglong's eyebrows were furrowed and she sat sullenly in the courtyard, her hands clenched together and circling.

Initially she did not know what had happened when Hong would mobilise three thousand six hundred gates.

But as Gu Guohua and his wife were found and Chen Dong successfully settled in the southwest of the domain, the news blockade on her within the Hong Society was much looser.

When she learned of the situation, Ye Linglong was so frightened that she lost her face and was depressed and apprehensive day and night for the past two days.

"If you knew about it, you would be very sad, right?"

Ye Linglong propped her chin up with her right hand and murmured in a lost voice.

At that exact moment.

A man came running in.

"Ye Hong stick, Ancestor and Dragon Head and the others are back, and Ancestor Chen is here too!"

"Really?"

Ye Linglong's eyes erupted with a brilliant smile in a flash, and he stood up with a start.

"Ye Hong stick, you"

The visitor looked at Ye Linglong in dismay.

Ye Linglong playfully spat out her tongue and reacted: if he saw me like this, he would definitely misunderstand, right?

Thinking of this, Ye Linglong looked as normal and waved her hand, "Got it, you go out first, I'll go see them later."

Chapter 1518

The caravan drove into the Shanhe Guild.

Chen Dong declined the banquet invitation from Ye Yuanqiu and Yuan Yigang and others, and directly carried the insane Gu Guohua on his back and entered the room in the mansion arranged by the Hong Society.

With the courtyard door closed.

In the large courtyard, only Chen Dong and Gu Guohua remained.

But Gu Guohua, who was lying on his back, never "calmed down", so Chen Dong did not rush to ask him.

It was not too much to say that the walls had ears.

After carrying Gu Guohua into the bedroom, Chen Dong slowly put Gu Guohua down.

"Dad, you take a good rest."

Gu Guohua's face was full of exhaustion and haggardness, sitting on the chair like a statue, but the eyes he looked at Chen Dong were incomparably complicated, with tears welling up.

The two men looked at each other without words.

It was as if the interplay of their gazes was telling something, or as if they were simply staring at each other.

A few seconds later.

Chen Dong turned around and made a pot of tea and handed it to Gu Guohua.

Gu Guohua's eyes lit up and he grabbed the teapot and poured it into his mouth with a "gulp" at the spout.

Even though he did this, in Chen Dong's eyes, he still looked a little bit crazy.

It made his heart clench.

My father-in-law and I were alone together, but he was still trying his best to act crazy, what was he worried about?

Chen Dong's mind was complicated to the extreme.

The grief over the loss of his mother-in-law remained.

But it was clear to him that the first order of business was to turn in with Gu Guohua.

The matter of pretending to be crazy could be simply for self-preservation and to protect Gu Qingying, but what he feared most was that there was something else hidden!

With a pot of tea down, Gu Guohua let out a long, full burp, then with a heated smile, got up and collapsed on the bed, soon snoring.

Chen Dong carefully adjusted Gu Guohua's sleeping position, covered him with the quilt and set the air-conditioning temperature to the most suitable one before turning around and walking out of the bedroom.

After closing the door.

He didn't go anywhere, he was in the living room and moved the table and chairs before entering his workout.

Meanwhile.

In the courtyard of Ye Linglong's residence.

After learning the news, Ye Linglong washed up, changed her clothes and was about to go out.

However, Ye Yuanqiu and Yuan Yigang joined hands and walked into the courtyard.

"Stand still!"

Ye Yuanqiu scolded in a stern voice.

At the sight of them, Ye Linglong became a little flustered, and at the rebuke, she stomped her feet in place in anger.

"Grandpa, Brother Yigang, I was just going to look for you guys!"

Ye Yuanqiu rolled his eyes, "Linglong, do you take me and your brother Yigang as fools?"

With her mind torn apart, Ye Linglong panicked for a moment, then spat out her tongue to hide her panic and settled back into the courtyard.

On the contrary, Yuan Yigang calmly pushed the glasses on the bridge of his nose and gave Ye Yuanqiu a sidelong glance.

“Elder Zu, next time when you scold yourself, can you not take me with you?”

Ye Yuanqiu lightly stroked a handful of beard: “We are all from the Hong Society, we share the same difficulties!”

With a whirlwind.

Ye Yuanqiu walked up to Ye Linglong with a serious expression, looking down on the seated Ye Linglong from a high position, his eyes deep and powerful.

Feeling the light of Ye Yuanqiu’s eyes, Ye Linglong was a little uncomfortable, sitting on pins and needles.

She waited for two seconds.

Ye Yuanqiu suddenly said in a deep voice, “Linglong, until Chen Dong returns to the domain, you are not allowed to leave the residence!”

Ye Linglong’s expression froze as she stared at Ye Yuanqiu in surprise, “Grandpa, on what grounds?”

“Humph!”

Ye Yuanqiu let out a cold snort, “Grandpa knows what you have in mind, so does your brother Yigang, Chen Dong has arrived at the Shanhe Club, don’t you just want to go and see him? Girl, a daughter should respect herself, he is already a family man!”

“But I’m just meeting him, it’s not like I’m doing anything else!”

Ye Linglong immediately felt aggrieved and said with pursed lips, “Grandpa, are you so determined and tough?”

“Tough?”

Ye Yuanqiu smiled, the tragic scene of Gu Guohua and Li Wanqing came to his mind in a trance, and he smiled sadly, “Be tough, be tough, Chen Zuoren is a true dragon in the old man, indeed attractive enough, but anyone who comes near him will not end up well, grandpa will really be tough with you this time!”

“Grandpa

Ye Linglong beauty eyes with tears in the light, some anxious panic.

Just about to get up.

Ye Yuanqiu, however, pressed his big hand directly on her shoulder, forcing her down on the stone bench.

“The better a person is, the further they go, the lonelier the road becomes. Ye Linglong, grandfather has only one single child like you, do you want to gasp grandfather to death?”

The words were sharp, straight to Ye Linglong.

Ye Linglong’s lips were mumbling on the spot and she was speechless.

“Stay well at home, and when Ancestor Chen leaves, grandfather will return your freedom.”

Ye Yuanqiu’s eyebrows lowered, showing all his disillusionment as he slowly turned around and walked towards the outside.

Yuan Yigang looked at the aggrieved and unwilling Ye Linglong and sighed a little heartily.

In the end, he did not say much and followed Ye Yuanqiu out of the mansion.

In the courtyard, it was quiet, with a gentle breeze.

Ye Linglong’s beautiful eyes were red and shimmering with tears, waiting for a long time before mouthing her lips and murmuring in aggravation, “But I just miss him

Night falls.

Yuan Yigang asked someone to deliver the meal to the Chen Dong mansion.

Since entering the mansion during the day, Chen Dong had been guarding Gu Guohua and had not left the mansion half a step.

When Gu Guohua woke up, he looked at the sumptuous meal in front of him, but he was silent and lost in thought.

“Dad, let’s eat.”

Chen Dong called out softly and whispered again, “I checked every little thing in this mansion during the day when you were resting, and there is nothing unusual.”

Gu Guohua glanced at Chen Dong before he picked up his rice bowl and took a big bite of rice into his mouth.

He was really hungry and physically and mentally exhausted.

Chen Dong admonished him to slow down while he kept putting vegetables into his bowl.

But Gu Guohua paid no attention to it, and kept on gobbling up the rice.

As he did so, his body trembled and tears fell into his bowl of rice.

This scene, looking at Chen Dong's nasal cavity sore and his vision blurred up.

"I'm sorry I'm sorry"

Gu Guohua was full of rice, whimpering and crying, "Dong'er, this is the only way Dad can think of, your mother and I have reached this point, if I don't take Xiaoying away from you, in the future her mother will be a lesson for her, Dad only has such a daughter and such a grandson"

"Dad I, I understand."

Chen Dong's eyes blurred with tears, his voice trembled, but the eyes beneath his tears were resentful and fierce.

The Gu family!

The damned Gu family!

"You don't understand, the future road, only you can walk alone, we are beside you that is a burden!"

Gu Guohua cried like a child: "Dad won't blame you, because your path was already destined to be like this, Dad also begged you not to blame Dad for taking Xiao Ying and the child away, it was for the sake of their mother and child."

"No, dad, I won't."

Chen Dong cried so hard that his features twisted up, that pain was even more unbearable than death by a thousand cuts.

But then suddenly.

His heart gave a vicious twitch, reacting over the taste of Gu Guohua's words.

A trace of surprise flashed across Chen Dong's eyes as he said, "Dad, did you know something and that's why you deliberately pretended to be crazy, that it wasn't just to protect Xiaoying, but that there was something else going on?"

Winner Takes All Chapter 1519-1520

Chapter 1519

Inside the bedroom, silence could listen to a needle.

Chen Dong and Gu Guohua looked at each other, their expressions both becoming complicated.

Chen Dong was certain that Gu Guohua must have meant something beyond his words!

There were many other things about his genetic modification that his father-in-law had always been unaware of, and even if he knew some, it was only skin deep.

Before this, he had always been a son-in-law in his father-in-law's eyes, even when he had gone through the Heaven Killing Game before, when he faced the Chen and Gu families, and so on, in the realm of great danger of life and death, his father-in-law had never wavered in his thoughts about his marriage to Gu Qingying!

With what his father-in-law knew, there was no way he could have said, "Your fate is already predestined"!

Gu Guohua's eyes flashed with panic and he hurriedly avoided Chen Dong's gaze.

He slowly put down his dishes, got up and walked to the window, gently pulling the tight curtain open a crack, and a ray of moonlight fell on his face.

Gu Guohua looked up at the starry white moon on the night sky, his expression was incomparably grave, but his eyes gradually became fearful.

"This world will never be the one we see, Dong'er divorce Xiaoying for the sake of Xiaoying and the child, then you go unattached to walk that road that belongs to you, and only then can you have nothing to worry about, the sword pointing forward!"

A heavy murmur, but with an unspeakable determination.

Gu Guohua pulled the corner of his mouth and smiled sadly: "In the past, I didn't believe in fate, I always felt that my fate was up to me, and I was not afraid that you would laugh at me when I told you this, after all, everyone is young and frivolous, but now dad believes it. You will find that there is really nothing you can do!"

The first thing you need to do is to make sure that you have a good idea of what you are doing.

Inside his chest, the anger was so great that it was as if it was filled with stones, making it difficult to breathe!

Gu Guohua's words had a meaning beyond every word!

The thing that worried him the most had happened!

Deliberately pretending to be crazy, not just for Gu Qingying's sake, but for other reasons as well!

On the contrary, now Gu Guohua meant every word, but was unwilling to speak directly.

What exactly is he afraid of?

Doubts are thick and redundant.

A thought of this.

Suddenly, Gu Guohua sighed in a low voice with fear.

“White jade capital in the sky, twelve floors and five cities, immortals caressing my top, tying hair and granting long life, huh

Boom!

Chen Dong, who was indignant, was suddenly struck by lightning.

In an instant, Chen Dong's body shook violently, as if he had been electrified, and jerked his head up to stare at Gu Guohua's back in horror.

It was this poem again!

Why had his father-in-law suddenly recited this poem too?

At the same time, Chen Dong's scalp exploded in shock, and a bad chill swept through his body.

Chen Daojun, Jiang Qilin, and now even his father-in-law was reciting this poem.

Was it a coincidence?

Bullshit!

Chen Dong clenched his teeth, holding back his panic and fear.

Looking at Gu Guohua's back, he squeezed out a sentence from between his teeth, "Dad, what exactly did you know in the dark prison that you also suddenly became interested in the poem of the poet immortal Li Taibai?"

This question was somewhat prefatory.

But now this was the question that Chen Dong was most concerned about!

This poem by the poet immortal Li Taibai had come out of his mouth time and time again, to say that it was a coincidence, Chen Dong simply did not believe it!

Chen Daojun, Jiang Qilin and his father-in-law.

These three people, all with different backgrounds and insights, were all fixated on this one poem!

When the coincidence repeated itself over and over again, it was inevitable!

Gu Guohua's body trembled and he slowly turned around, his haggard old face streaked with tears, but he smiled sadly at Chen Dong.

"No, it's nothing, Dong'er, you don't have to worry about divorcing Xiaoying, the blow to Xiaoying, with me as a father, Xiaoying there I will be a little bit of guidance, in addition to the news of your mother-in-law's death, you don't have to think about how to tell Xiaoying, everything has me, Dad will find a way to deal with it all, Xiaoying and the child, will be fine!"

The words were comforting to Chen Dong, yet he was looking over his shoulder.

Chen Dong's frown deepened and he said in a deep voice, "Dad, I believe you, but that's not what I'm asking!"

Gu Guohua and Chen Dong stared at each other, but this time, no more words were spoken, indifferently remaining silent.

Time, slowly passed.

Gu Guohua did not move, as if he were a statue, no more words were spoken.

And Chen Dong was even more anxious and annoyed to the extreme during this second by second passage of time.

It was a five-minute standstill.

Only then did Chen Dong let out a long breath, his eyebrows lowered, just like a deflated ball.

“It’s just that dad, you don’t want to talk about it, so I won’t ask too much, don’t worry, I promise to divorce you and Xiaoying, after I return to the domain, I will do as I am told, from now on, please bother dad, Xiaoying and the baby, they are entrusted to dad!”

At the end of his sentence, Chen Dong’s heart felt like a knife, his head was lowered, but his eyes were filled with tears.

He didn’t want to live like his father!

That was why he had gone through all the trouble and done everything he could, but in the end, he had still come to this point!

Just as Gu Guohua had said, the feeling of trying until the end only to find that there was nothing you could do was too unbearable!

So much so that it made Chen Dong bow his head with tears at this moment, his entire aura was shriveled and disheveled to the extreme.

“Hehe has turned into the person he hates the most after all!”

Snap!

Chen Dong snickered, raised his hand and viciously smacked himself on the face, resolutely got up and walked towards the outside of the house.

Gu Guohua stopped where he was and watched Chen Dong leave, his eyes blurred with tears, gradually his expression but sorrowful, his features twisted and trembled.

“Dong’er, forgive dad, your path is not something that Xiaoying can accompany you all the way forward, for the sake of Xiaoying and the child, you must do this, and you must also cloak up the scaly armour and go on that road to the sky that belongs to you!”

Throughout the night.

Chen Dong tossed and turned, unable to sleep.

Gu Guohua’s every word seemed like a magic sound, constantly replaying in his mind.

Divorce!

This word, which he had previously been reluctant to mention even in death, was now said decisively by his own father-in-law!

Wife, children!

There were also the verses recited by Gu Guohua from the poet immortal Li Taibai, all of which kept cycling through Chen Dong's mind.

Grief, resignation, doubts

All kinds of negative emotions, in the night, engulfed Chen Dong like a tidal wave.

He came across the ocean to visit his father-in-law, but never thought that he would be able to spy out traces of what was going on inside the black prison from his father-in-law's mouth!

Chen Dong was certain that the reason why his father-in-law was so determined was not because of his mother-in-law's death.

Rather, it was because of what he had experienced in the black prison, and perhaps it had something to do with the verses of the poet immortal Li Taibai!

That was why father-in-law was so determined to beg him to divorce Gu Qingying!

His father-in-law was helping him, making him more unattached and carefree as he moved forward on this path of his own.

But even Chen Dong himself was not sure where this road was leading to!

Chapter 1520

The domain and the other side of the ocean.

The time difference is roughly twenty-four hours.

When Chen Dong on the other side of the ocean witnessed the rising sun.

Inside the domain, nightfall was also being ushered in.

Inside the Tianmen Mountain Villa.

In the dimly lit room, the sound of wailing and whimpering echoed, and the heavy, rapid panting sounded as if it were a torn bellows.

The bedside lamp is on, and the dim light falls on Zhao Breru's face.

At the moment, Zhao Brou's brow was furrowed and he was sweating profusely, in agony.

“Ah!”

Suddenly, Zhao Broke-Ru let out a scream and violently opened his eyes.

At this moment, his chest rose and fell violently, gasping for breath, his eyes widened in fear as he stared at the ceiling, his head full of sweat like rain.

Almost simultaneously.

Thud!

The door to the room was kicked open.

Impermanence rushed in and said sternly, “What’s wrong?”

“No, nothing is wrong.”

Zhao Broke-Ru shook his head heartily, but didn’t dare to meet Changeless’ eyes.

“Nothing?”

Impermanence looked pensive and stared thoughtfully at Zhao Breru, “Then why are you shouting? I heard you shouting just as I reached the door, and thought something had happened!”

“I had a dream!”

Zhao Baolu raised his hand to wipe a bead of sweat from his forehead and smiled lecherously, “It’s good to be young, dreams are all tasty.”

“You

Changeless looked choked, and indignantly dropped the words, “Get up and eat!”

With a whirl, she turned around and left.

Zhao Breru watched Impermanence leave and secretly breathed a sigh of relief as he murmured, “Good thing it passed perfunctorily, when is this nightmare going to end anyway? Old man Xu, old master Xu, you’ve made me cry!”

As he said this, Zhao Brou didn’t notice any movement outside the door.

The door to the room was open, and the murmurings reached outside.

In the corridor outside the room, Changeless was leaning against the wall, and when she heard Zhao Brezhong's murmur, the corners of her mouth curled up in a strange, cold smile.

She walked out of the room and did not leave straight away, but hid her breath on the spot and leaned against the wall, just hoping to hear some "clues".

Now had got her wish!

"The first thing you need to do is to get a good idea of what's going on. What kind of nightmare is it? You don't have to do this after just one year with Xu Qingfeng!"

This was the thought in Changeless' mind.

Immediately, Wu Chang was tiptoeing around to hide the movement and went downstairs.

It was dinner time.

The atmosphere was still as lively and relaxed as usual.

Long Lao told the crowd the reason for going to the other side of the ocean, as Chen Dong had requested.

And the crowd was convinced of this.

After all, Chen Dong and Rothschild had developed the Southwest region together, and now that the Southwest had been successfully established, Rothschild, as a partner, should have gone there personally to make contact.

Everyone was talking and laughing.

The only one who did so was Changeless, who from time to time cast a strange glance at Zhao Baolu.

At first, he didn't notice, but gradually he was made to sit up and take notice of Changeless' gaze.

"Changeless, what are you looking at me for?"

Zhao Breru couldn't hold back any longer and glared directly back in anger.

This query caused the atmosphere at the table to freeze for a moment.

The gazes of Gu Qingying and the others all fell on Zhao Broke-Ru and Impermanence.

However.

In the face of Zhao Broke-Ru's query, Impermanence gently pulled the corners of his mouth and snorted, before lowering his head and continuing to eat.

"Mocking me? Just me?"

Zhao Broke-Ru was dumbfounded.

"If you want people to know, you have to do it yourself!"

Impermanence raised his eyes and stared at Zhao Breru, "Want to tell us about the Thief Saint Xu Qingfeng?"

????

A trace of panic flashed in Zhao Baolu's eyes, this old woman, why was she stalking about this again?

Sensing the gazes of Gu Qingying and the others, Zhao Baolu rolled his eyes, "I've said it a hundred times, you love to believe it or not."

After dropping his words, Zhao Broshi got up and prepared to leave.

"Let's all eat."

Gu Qingying noticed that the atmosphere was a little odd and smiled.

Long Lao, Fan Lu, Jiang Qilin, Chu Reed and Zhuge Qing were all aware of the entanglement between Changeless and Zhao Broke-Ru, and at this moment, they also echoed Gu Qingying's words.

The atmosphere eased down at once.

Long Lao changed the subject, "Young Madam, for safety's sake it would be better to let Xiao Lu sleep with you at night."

Chen Dong had specifically instructed when he left.

The same thing would never be allowed to happen a second time, not only to Chen Dong, but also to Long Lao.

Even though now that Southwest was set, it was possible to live in peace for a while on the surface, but Elder Long still did not dare to be careless.

The level of security inside and outside the villa had long since reached the top level, and in addition to that, there were also the Snowy Lions in front and the Eight Divine Ghost Formation Diagram at the back, which seemed to be as solid as gold.

But in the middle of the night, keeping a capable fighter by Gu Qingying's side, Elder Long still felt it was necessary!

"Mm, okay."

Gu Qingying did not object.

Her stomach was getting bigger day by day, and with Chen Dong away, she couldn't help but have random thoughts when she was alone at night, and having Fan Lu with her made her heart a little more secure.

After dinner.

Everyone went about their own business.

As the night grew darker, the villa became quiet and the lights became sporadic.

The night breeze was gentle.

The trees and leaves around the villa rustled.

Everything was calm and quiet.

"I don't dare to sleep, I don't dare to sleep, this nightmare is becoming more and more frequent, damn it!"

The dream was as real as if everything in the dream was real, and the impact on him was not ordinary.

Suddenly.

Zhao Breru looked aghast and sat up with a start.

"A guest at the door?"

He hurriedly got up, opened the window and looked down into the backyard below.

Under the dim light, the lush, dense forest of formations covered everything.

"It shouldn't be wrong!"

Not daring to be careless, Zhao Baolu turned around and hurriedly walked out of the room, heading downstairs.

Just as he reached the ground floor, a figure imprinted itself into Zhao Broshi's eyes.

It was Jiang Qilin!

Just as Zhao Brou arrived at the ground floor, Jiang Qilin had already reached the entrance of the villa.

Noticing the movement behind him, Jiang Qilin looked back at Zhao Breru and smiled faintly.

"It seems that the Eight Formation Diagram of Gods and Ghosts is not just as simple as you know how to set it up!"

Zhao Baolu smiled sarcastically, but did not respond, instead he walked briskly in front of Jiang Qilin, before he whispered.

"Mr. Jiang is like a god and goddess, I have to rely on the formations, and you, sir, rely on your strength, but please keep your voice down, sir, so that the crazy woman doesn't hear you!"

"Good!"

Jiang Qilin nodded his head.

Immediately, the two of them walked out of the villa together and headed towards the backyard.

Just as the two walked out of the villa.

Inside the front yard of the villa.

In the huge beast cage, the Snowy Lion slowly opened its lion eyes, and its eyes suddenly became fierce and berserk.

"Ow-roar!"

In an instant, the Snowy Lion let out a roar that exploded into the night sky, breaking the dead silence of the late night.

And in the backyard.

In the dense forest of formations.

Li Danggui's face changed dramatically, and he suddenly turned to the sinister figure not far away and bellowed, "Dragonfly, it's exposed, move quickly, I can't delay for long, this formation is too arcane and obscure!"

"Just don't die, the rest is up to me!"

The ancient dragonfly's voice came.

Li Danggui's face suddenly sank as he sulked and sulked, "Little bitch actually looks down on me!"
