

## Winner Takes All Chapter 381-390

### Chapter 381

The river breeze is slightly cool.

On the water, the lights are dim.

The person, in a long black thin windbreaker, stood quietly in front of the parapet, her fair and upright side face, under the few wisps of green silk that flew, was a little more poignant.

“Young master, young lady, what’s wrong?”

Kunlun noticed the abnormality and quickly stepped forward to ask.

“Go home.”

Chen Dong suddenly said, his originally pleasant expression now turning sullen and even revealing a bit of disgust.

Go home?

This had only just arrived.

Kunlun was surprised and hurriedly followed Chen Dong’s gaze.

At this glance, realization dawned on him.

Without a word, he turned around with Chen Dong to leave.

However, a jade hand gently grabbed Chen Dong’s arm.

“After all these years, don’t you want to say hello?” Gu Qingying said.

“How can I have the heart to say hello to her.” Chen Dong’s disgust was undisguised.

Three years of marriage and all the pain in the world.

When his mother was seriously ill in bed, he was able to take life-saving money to his mother’s family, just to buy a house for his brother to get married.

Even, after the divorce, but also time and again to make strange secret trips.

If you don’t love, please let go.

But when it came to her, it became if you don't love, please feel free to hurt.

Even, at the beginning, if it was not for Gu Qingying he had full trust, he and Gu Qingying would have been torn apart and would not have made it to today.

Seeing Gu Qingying hesitate.

Chen Dong gritted his teeth and said, "Do you still think that Wang Nan Nan has harmed us both and not harmed us enough?"

Gu Qingying hesitated, stopped arguing and left with Chen Dong.

By the time the three got off and left in the car.

The silhouette that stood in front of the guardrail finally moved.

Her fair jade hand flicked, stroking the green silk in front of her forehead behind her ear, and smiled sadly: "The past is finally over, it's time for me to let go, it's time to welcome the future."

Wang Nan Nan slowly turned her head and prepared to leave.

She was still as beautiful as before, only that nowadays, apart from her beauty, her temperament was a little more mature and serene.

It is as if she is the kind of water that returns to a waveless surface after a monstrous wave.

There is no longer the arrogance and pettiness of the past.

Only, when Wang Nan Nan looked up, she happened to see the Rolls Royce driving away.

She couldn't help but look stunned.

That car, something was familiar.

Looking at Jiang An in front and behind her, Wang Nan Nan's calm expression lifted a few ripples and her eyes flashed: "Just now, did it come?"

With a bitter smile, she wrapped the black trench coat around her body and walked straight in the other direction.

As she walked down the riverbank, there was a Range Rover waiting by the roadside.

When she got into the car, the driver who was driving turned around and said respectfully, "Miss Wang, Brother Lingdong just called, saying that there was a change in his schedule and tonight's dinner party has been cancelled."

"Well, let's go to his house." Wang Nan Nan said calmly.

"What?" The driver was stunned.

"Go to his house." Wang Nan Nan said.

The driver's face changed drastically, and he had the feeling that it was like a dream.

His voice trembled a little in excitement, "Wang, Miss Wang, you, you promised our Brother Lingdong?"

"Mm." Wang Nan Nan nodded her head.

"Brother Lingdong will be overjoyed when he finds out, I'll call him right now to report the good news!"

The driver started the car as he dialed Lin Lingdong's number.

Wang Nan Nan sat lazily in the back seat, looking out of the window at the rapidly receding night scene and smiled gently, "After leaving this city, one has to find a harbour to belong to, he is indeed quite good, at least he knows to respect me."

After all that she had gone through, she was now washed up.

The so-called dream of a rich family is nothing but a delusion.

In the end, she was not respected, she was just a plaything, and when she was done, she threw it away.

After leaving the city, she spent a lot of effort to finally "reborn" herself.

When she met Lin Lingdong, she was able to see a different life.

Although she was not rich and powerful, she had money, and most importantly, she was treated with the utmost respect.

She was aware of Lin Lingdong's status and background, so she knew even more about this respect, how rare and valuable it was.

An existence like that, a woman who took a fancy to a woman, could be in bed that night.

Lin Lingdong, on the other hand, had shown great tolerance towards her, making her even feel that Lin Lingdong was not the existence he was rumoured to be.

Tonight, she came back here to say goodbye to the past and to welcome the future.

One has to look ahead, right?

Lin Lingdong was frustrated, more frustrated than ever.

Lying in his own bed in his villa at Lingdong Villa, he was tossing and turning, unable to sleep.

He wanted to make friends with Chen Dong. If he could make friends with a man like that, he would be of great use.

He had thought that the land concession was an excellent brick in the wall, which is why he had invited Chen Dong to a banquet shortly afterwards.

As for the scandal and ridicule he suffered in Lingdong because of the land concession, he did not care at all.

When a lord acted, he never cared about the gains and losses of a single cent.

It was his duty to make a full plate of calculations, and those who ridiculed him were nothing more than mediocre people.

However, Lin Lingdong never expected that.

His own invitation had sunk into the sea, but there was no news.

There was a real dragon coiled up in the city next door.

He had even met this true dragon.

Now he could not get closer, which made Lin Lingdong, who had always done nothing wrong, feel frustrated, and his mind was not at peace.

His mobile phone rang.

Lin Lingdong picked up the phone in an irritable manner.

When the voice on the other end of the line spoke for a few seconds.

Lin Lingdong sat up with a pang, his face full of joy, "Really?"

There was another second of pause.

Lin Lingdong's breathing became a little shortness, and he couldn't stop a big smile from appearing on his face.

"Quick, give the phone to Nan, I want to hear it from her myself!" Lin Lingdong said excitedly.

Soon, on the phone, Wang Nan Nan's voice rang out.

"You don't want to?"

"Willingly! I am willing! I've been waiting for this day for a long time!"

Lin Lingdong's voice was trembling a little as he said with excitement and ecstasy, "Go home, from now on, this is your home, you are my Lin Lingdong's most beloved person, I will give you everything I have, as long as you are happy!"

"Thank you."

Over the phone, Wang Nan Nan faintly cried.

Lin Lingdong was frozen: "Nan Nan, what's wrong with you? Why are you crying all of a sudden?"

"Nothing, thank you Lingdong."

With a crying voice, Wang Nan Nan hung up the phone.

Lin Lingdong was stagnant for a moment.

Could it be that Nan Nan was also overjoyed?

Yes, it must be!

After Lin Lingdong figured it out, he hurriedly ordered the villa maids to clean the room and to replace all the mattresses in his bedroom with new ones.

But after hesitating for a while, Lin Lingdong eventually asked the maids to clean up another bedroom.

This was a sign of respect for Wang Nan Nan, and he would not impose on others, especially on his beloved, unless the other party volunteered.

However, Lin Lingdong did not know that Wang Nan Nan's last words, "Thank you", had a deeper meaning.

It was the gratitude of a man who, after a complete breakdown and the destruction of his three views, had redeemed himself and found a harbor again .....

## Chapter 382

Chen Dong had never expected that Wang Nan Nan, who had left, would actually return.

This also made him sulk all the time when he returned to the Four Seals Clubhouse, with a strong flicker of depression in his eyes.

Seeing Chen Dong's appearance, Gu Qingying was a little distressed.

She couldn't help but gently console him, "It's all in the past, isn't it? Now I'm with you, and there's still our baby in my belly."

"It can't pass."

Chen Dong shook his head, "All I can do is just not to target them for revenge, but for me to let go, I can't do it."

The way Wang Nan Nan's family had eaten was still fresh in their minds.

Chen Dong was not a vindictive person, but neither was he an honest gentleman who could shout "Hallelujah" and let go of everything.

The desperation of his mother as she lay in bed, the arrogance and brutality of the Wang family.

His mother's life, in the eyes of the Wang family, was no match for Wang Hao's wedding.

Even when times had changed and he and Gu Qingying were on the verge of consummating their marriage, the Wang family not only asked for a large sum of money, but ended up with a backstabbing.

If it wasn't for Gu Qingying's trust, if Wang Nan Nan hadn't shown up in the end to explain, then he and Gu Qingying would really have been completely ruined.

How can one let go of a word of hatred?

"Alright, wife hug."

Gu Qingying hugged Chen Dong and patted his back while saying, "Maybe it was just an accident and she just came back to have a look and then left?"

“That would be best.” Chen Dong said.

Gu Qingying had a complicated look on her face and stopped talking.

How could she ever want to see Wang Nan Nan?

After waiting for three years, she had finally gotten together with Chen Dong and was pregnant with a baby.

Anyone else would never want to see Wang Nan Nan at this time.

But considering Chen Dong, she finally pushed this resentment down.

However, now Chen Dong’s reaction had put her mind at ease.

This was not called selfishness, but every woman’s defence of her own happiness.

Back at the Four Seals Clubhouse.

Chen Dong then went into his room with Gu Qingying to rest.

When Elder Long saw the two of them looking ugly, he pulled Kunlun into the courtyard to ask questions.

Kun Lun stammered and finally told the truth.

At these words, Elder Long’s face changed.

In the end, he said in a deep voice, “Go and investigate, and if Wang Nan Nan wants to settle down, just shoo him away.”

“Will this be too much?” Kunlun was a little taken aback.

“Too much? Karma, how can you say it’s too much?”

Elder Long smiled coldly, “The young madam has just become pregnant, and if such a loose end as Wang Nan Nan is born at this time, then it will be a thorn in the middle of the young master and young madam, and I, as a servant, have to help the young master and young madam remove this thorn.”

“Understood, Elder Long.” Kunlun answered.

The latter days.

It was as if Chen Dong had returned to normal and devoted himself to his work every day.

After work, he returned to the small bamboo forest courtyard early to accompany Gu Qingying.

Just like he had promised Gu Qingying, he took as much time as possible to be with her.

This was the responsibility of being a husband, to his wife, and also to his children.

The results of Kunlun's investigation put Elder Long's mind at ease.

Wang Nan Nan had not stayed in the city and had left.

In other words, the encounter on the river bank that night might really have been just a coincidence, a thorn that came and went as quickly as it came.

That morning, Chen Dong was sorting out the development plan for the property that Xiao Ma had sent up.

Knock, knock.

A knock sounded at the door.

Lone Wolf walked in and placed an invitation letter in front of Chen Dong.

"Mr. Chen, Lin Lingdong has sent another invitation."

"Throw it away."

Chen Dong did not even raise his head.

Lone Wolf was stunned, "This, this is a bit bad, isn't it?"

Chen Dong smiled, "Meeting with Lin Lingdong is only because Zhou Yanqiu has encountered obstacles in getting land in his hands, now that the land has been obtained and Zhou Yanqiu and our Dingtai cooperative development is already moving forward, there is no point in dealing with Lin Lingdong again, besides ....."

After a pause, Chen Dong said meaningfully, "Lin Lingdong is not as clean as Zhou Yanqiu and Zhou Zunlong."

Seeing no light?

Lone Wolf instantly woke up.

Once upon a time, when he had fought in Zhou Yanqiu's underground boxing ring, he had been unable to see the light of day.

He knew better than anyone the importance of being able to see the light of day.

In this city, whether it was Zhou Yanqiu or Zhou Zunlong.

But they were smart enough to know how to hide behind the scenes and keep themselves clean while they were tainted.

But what about Lin Lingdong?

He is known as the king of the underground in Lingdong.

If something happens to such a person, not just one or two people will be involved, and the impact will be a tsunami of collapse.

The word "Underground King" alone would not be seen in the light of day.

"Understood." Lone Wolf casually threw the invitation into the trash.

Night was falling.

Chen Dong had returned to the Four Seals Clubhouse early.

But on the other side.

Inside the Ling Dong Villa.

In the large banquet hall, Lin Lingdong was sitting alone.

His hands were propped up on the table with his elbows, his palms crossed and folded against his lips, his gaze flickering with some anxiety.

"Boss."

Wu Junhao walked in and said somewhat helplessly, "It's getting late, he shouldn't be coming."

"Keep sending out invitations tomorrow." Lin Lingdong said.

"Boss, what's your situation here?"

Wu Junhao was Lin Lingdong's favoured henchman, and his words were naturally less fearful and more intimate: "That Chen Dong is brutal and overbearing, in order to grab the land, and that night he even made you lose face in front of so many people, this kind of person, why do you keep trying to befriend him?"

“That guy is indeed a big shot, but you’re inviting yourself again and again, this is lowering your status, the whole of Lingdong is laughing at you these days.”

“Laughing at me for what?” Lin Lingdong asked with a raised eyebrow.

Feeling Lin Lingdong’s gaze, Wu Junhao’s back went cold.

After hesitating for a while, he still gritted his teeth and said, “They all said how you were such a wimp when you faced Chen Dong that night, saying that your underground king’s ability was only to bully Lingdong people, and that in front of Chen Dong, you were an underground dog.”

This ridicule could not be described as poisonous.

Even after Wu Junhao had said these words, he was still heartily watching the change in Lin Lingdong’s expression.

When he saw the corners of Lin Lingdong’s eyes twitching and narrowing, Wu Junhao’s scalp instantly tingled and his sweat hair stood on end.

Brother Lingdong, was he really about to get furious?

However.

“Heh!”

Lin Lingdong, however, suddenly snorted, let go of his hands and got up and shrugged, “Let that group of people talk, they can say anything about me, but Chen Sheng, must please.”

What?!

Wu Junhao was completely confused, looking at Lin Lingdong in front of him, he suddenly felt a little strange.

“Big brother, this is not your style, you .....

Bang!

Lin Lingdong slapped his palm on the table, scaring Wu Junhao into stopping his words.

Lin Lingdong’s handsome and gentle face was abruptly covered with a layer of cold frost.

This moment was as stern as a sword.

He said coldly, "Since when do I let you dictate what I should do? If I can't invite Chen Dong once, I will invite him twice, if I can't invite him twice, I will invite him three times, if I can't invite him three times, I will invite him again and again, ten times and a hundred times, I will always be able to invite him!"

He said.

He snapped his palm, overturned several plates of dishes in front of him to the ground, turned around and left.

"Wu Junhao, you are the same as those rat-eyed people in Lingdong, you are all fools with eyes that don't know the mountains!"

## Winner Takes All Chapter 383-384

### Chapter 383

Wu Junhao was chilled to the bone.

But he didn't understand what Lin Lingdong was so determined to get together with Chen Dong for.

He had already investigated Chen Dong's details.

Indeed, he was a big shot!

But so what?

If other people don't give a face, does the subterranean king of Lingdong have to throw his face to the ground and let people step on it again and again?

Isn't it enough to dominate Lingdong and be the King of the Underground?

However, he did not dare to ask, because he knew Lin Lingdong's character.

Asking questions at this point would be like pouring oil on the fire.

It would be him who would burn.

Lin Lingdong returned to the villa in annoyance.

Wang Nan Nan was sitting in the living room on the ground floor, watching TV, in a black lace robe, sitting cross-legged on the sofa, her long wet hair draped, and holding a fruit plate in her hand.

This scene was something else.

It made even Lin Lingdong, who was full of irritation, go ape when he saw it.

“Back?”

When Wang Nan Nan saw Lin Ling Dong, she smiled sweetly and held up the fruit plate, “Auntie has peeled a lot of fruits, have some.”

Lin Lingdong only felt a little dry-mouthed, shook his head and sat down next to Wang Nan Nan.

The refreshing aroma of hair made flames tumble in Lin Lingdong’s eyes.

He couldn’t help but speak, “Nan Nan, can we share a room together at night?”

Yes, after Wang Nan Nan stayed in his villa that night, the two of them slept separately after all.

This was Wang Nan Nan’s wish, and Lin Lingdong had no choice but to respect it.

However, at this moment, he was still a little impatient.

“Lingdong .....

Wang Nan Nan was a little torn, put down the fruit plate, tightly mouthed her lips, and slowly said, “I, we are not ready yet.”

“Nan Nan .....

Lin Lingdong still wanted to say something.

But Wang Nan Nan had already stood up and leaned down to block Lin Lingdong’s lips with a kiss.

Once touched and parted, Wang Nan Nan said seriously, “Lingdong, believe me, I will be yours sooner or later, but not now, I am not ready yet, rest early, I am going to bed.”

Looking at Wang Nan Nan’s graceful back, Lin Ling Dong was in a bit of a trance.

Subconsciously, he raised his hand and touched the remaining warmth of his lips, the previous irritation, at this moment, became calm, the corners of his mouth could not even suppress an upward smile.

“Good, I respect you, you are destined to be my Lin Lingdong’s woman.”

.....

Lin Lingdong's determination to invite completely exceeded Chen Dong's expectations.

The first time the invitation was delivered to him, Chen Dong did not even look at it and threw it into the trash.

I thought it would only last three times, and even after that, it wouldn't last long.

However, the invitations were delivered to Chen Dong's desk by Lone Wolf every day, as usual.

This time, it was half a month!

"Here again?"

When he saw Lone Wolf enter, Chen Dong asked almost instinctively.

Lone Wolf nodded awkwardly, "Mr. Chen, he is so persistent, why don't we just agree once? It's quite annoying to deal with it every day."

"No go." Chen Dong picked up the invitation and casually threw it into the trash.

Lone Wolf was helpless and turned around to leave.

Under the main building of Din Tai Company.

Wu Junhao rubbed his hands together and waited apprehensively.

He had been responsible for delivering the invitations for a week.

After persevering in delivering the invitations, the only change he got was that Lone Wolf could directly tell him whether Chen Dong would go to the banquet.

This made Wu Junhao very embarrassed.

Because before, he had even beaten up Lone Wolf because of the land acquisition.

Now, it was to grovel and fawn over Lone Wolf in order to seek Lone Wolf's revelation of Chen Dong's wishes.

Because of Lin Lingdong's relationship, he did not dare to show half a bit of dissatisfaction and cross colour yet.

Suddenly, Wu Junhao's eyes lit up.

He hurriedly greeted him, "Brother Lone Wolf, how is Mr. Chen?"

Lone Wolf shook his head, "Go back, don't go."

"This ....." Wu Junhao was in a hurry and said, "Brother Lone Wolf can you help to say a favor, after the matter is completed, I will definitely thank you heavily."

The words were flattering and groveling.

It made Lone Wolf feel as if Wu Junhao was a different person now.

Lone Wolf helplessly stretched out his hand, "I'm just the security chief of Mr. Chen's company, it's already the limit if I can get from Mr. Chen whether to go to the banquet or not, how am I qualified to help to intercede, you can go back."

After saying that, he stopped paying attention to Wu Junhao and turned around to go back to the company.

Wu Junhao froze in place, a trace of resentment flashed in his eyes.

This fucking ..... face is too big, right?

In Lingdong, no one has ever been able to make my boss invite someone like this!

Resentment is resentment, but Wu Junhao eventually sighed, got into his car and left.

The Lingdong Mountain Resort.

Inside the large study, the fragrance of sandalwood lingered.

Lin Lingdong was pouring ink and waving his brush, looking focused.

At the side, Wang Nan Nan, elegantly dressed in a long black dress, crossed her orchid fingers and carefully studied Lin Ling Dong's ink.

But that did not stop her from standing in front of Lin Lingdong with an expression of awe and appreciation.

Wu Junhao walked in with a sad face.

Lin Lingdong did not notice and continued to concentrate on his painting.

It was Wang Nan Nan who made a silent gesture to Wu Junhao.

Wu Junhao nodded helplessly and waited quietly.

Half an hour later.

Lin Lingdong let out a long breath, put away his brush, took the seal from Wang Nan Nan's hand, and dropped his mark with satisfaction.

"This painting, it already has some meaning."

"Then frame it." Wang Nan Nan said.

Lin Lingdong smiled and was about to respond when he saw Wu Junhao, who had been waiting for a long time.

"Junhao, how is it going?"

Wu Junhao smiled bitterly, "Boss, he still doesn't agree."

The words just fell out.

The smile on Lin Lingdong's face was all but gone, frustrated to the extreme.

The brush in his hand, too, fell smoothly onto the work he had just painted.

"Aiya, Lingdong, what are you doing? You've worked so hard to paint such a good picture, and you've just ruined it!"

Wang Nan Nan looked distressed and hurriedly took away the brush, busy cleaning up the painting.

But Lin Lingdong paid no attention to it, sitting down on a chair in despair and scratching his hair, "Why does he just not agree to it, am I so unappealing to Lin Lingdong?"

"Boss ....."

Wu Junhao wanted to console, but was stopped by a look from Wang Nan Nan.

With that, Wang Nan Nan put down the painting in her hand.

Turning to walk behind Lin Lingdong, she gently rubbed Lin Lingdong's temples and gently asked.

"What's wrong with you these days? The whole person is all agitated, completely different from the Lin Lingdong I used to know, what's the matter, can't you talk to me about it? I can help you!"

"You can't help." Lin Lingdong waved his hand, facing Wang Nan Nan he didn't want to have the slightest bad mood.

But Wu Junhao couldn't help but speak up, "Sister-in-law, it's not just that Dingtai company boss Chen Dong from the next city, the boss thinks highly of him and wants to invite him to a banquet, this invitation has been sent over a dozen times, that Chen Dong has no one in sight, he has refused the boss time and time again, the boss is bothered because of this."

"Chen Dong ....."

Wang Nan Nan's delicate body trembled, and the hands pressing on Lin Ling Dong's temple stopped.

At this moment, melancholy filled her heart, and her expression became extremely unnatural.

This scene was noticed by Lin Lingdong.

He waved his hand in despair: "You can't help with this, come on, don't ask, men's business is done by men, don't worry about it."

Wang Nan Nan's eyes flashed.

Looking at the troubled Lin Lingdong, she suddenly said.

"Maybe ..... I can really help you!"

## **Chapter 384**

"You can really help me?"

Lin Lingdong looked at Wang Nan Nan in surprise.

"Maybe, maybe it's possible." Wang Nan Nan tried hard to conceal her emotions.

But Lin Lingdong's brother was observant and had already caught it clearly.

"Nan Nan, do you have something on your mind?"

"No."

Wang Nan Nan said dryly, looking firmly at Lin Lingdong, "Just tell me, do you want to see Chen Dong?"

In fact, when she said these words, her heart was a little panicked.

Even Wang Nan Nan herself did not understand why she had blurted out the words that would help Lin Ling Dong.

The image of Chen Dong floated in her mind.

“I am now Lin Lingdong’s woman since I have decided to spend my life with him, as his woman, I should help him.”

Wang Nan Nan’s mind was certain of a thought.

“Think!”

Lin Lingdong’s eyes shone brightly as he nodded his head in agreement without hesitation.

“Good.” Wang Nan Nan answered.

Looking at the departing Wang Nan Nan, Lin Ling Dong revealed a puzzled look.

Nan Nan ..... can really help me?

“Boss, do you really believe that your sister-in-law can help you see Chen Dong?” Wu Junhao asked in dismay.

Lin Lingdong returned to his senses and shrugged helplessly, “You and I have asked a dozen times, all to no avail, so I can only hope that Nan Nan can do it now.”

Wu Junhao looked a little complicated and felt a little absurd.

For someone who could not even be invited by the underground king of Lingdong, why would his sister-in-law invite him?

After hesitating for a moment, Wu Junhao asked, “Boss, why are you so determined to invite Chen Dong?”

Lin Lingdong smiled meaningfully.

Scratching his hair, he said, “Junhao, those who achieve great things should have a long term vision, a rat’s eye will not last long after all, I will tell you about this matter later.”

Wu Junhao said in a thoughtful and complicated manner, “But can sister-in-law really be invited?”

“Whether she can or not, it’s good that she has this heart.”

Lin Lingdong smiled contentedly, “My Lin Lingdong’s women are never any kind of vase, the fact that Nan Nan wants to help me share my worries proves that I was right to like her in the first place.”

Wang Nan Nan left the villa.

Her expression was complicated and her gaze drifted.

At this moment, her heart was in a tangled mess.

Looking back at the villa, she was once again certain of her thoughts.

Wang Nan Nan bit her red lips before she left.

Dingtai Company.

Chen Dong did not care how many times he refused Lin Lingdong.

A dozen invitations in half a month were nothing more than an extremely minor hiccup for him.

Lin Lingdong had the patience to invite, and he also had the patience to let Lone Wolf throw the invitations into the trash.

He had more to do, with the Din Tai land acquisition and property development, and every day was a heavy workload.

It was just towards the end of the day.

Lone Wolf walked in again.

“Mr. Chen, here we go again.”

The voice was full of helplessness.

For almost half a month, Chen Dong had already gotten used to this tone of voice from Lone Wolf.

Who else but Lin Lingdong could make Lone Wolf use such a tone?

Chen Dong leaned back in his chair and pinched the bridge of his swollen nose, “Today is a rare day, two invitations in a row?”

Counting the drive to Lingdong, this invitation was probably from Wu Junhao who hadn't been in Lingdong long and had come over again without stopping.

“It's not an invitation this time.”

Lone Wolf hesitated for a moment and said, “It's a person.”

“A person?!”

Chen Dong was surprised for a split second, then smiled and said, “Lin Lingdong thought he could invite me by coming over by himself?”

“It’s a woman.”

Lone Wolf looked at Chen Dong with complicated eyes.

Although he was not Chen Dong’s closest escort, he knew a few things.

Such as ..... Wang Nan Nan!

“A woman?” Chen Dong’s smile disappeared and he was vaguely sulking.

What did it mean to send a woman?

There was silence for a few seconds.

Lone Wolf finally spoke, “It’s your ex-wife, Wang Nan Nan.”

Had she, after all, come back?

Chen Dong’s face instantly turned gloomy, full of depression.

No, it wasn’t that she had come back to this city.

Instead, she had gone to the next city and followed Lin Lingdong?

Chen Dong reacted and snorted, “This is really a bullshit fate!”

“See?” Lone Wolf asked tentatively.

Chen Dong shook his head, “Let her go, besides, from now on, all invitations from Lin Lingdong, don’t give them to me, just throw them away in front of them and tell them that they don’t need to be invited anymore.”

“Understood.”

Lone Wolf nodded his head and left.

Chen Dong sat in his chair with a sullen expression and a depressed heart.

He thought that the departure of the Wang family was already considered the end of this sinful relationship.

But what was this about Wang Nan Nan's return and arriving at Lin Ling Dong's side, even helping him invite him?

This gave Chen Dong the sickening feeling of having eaten a dead fly!

"Invite me? Wang Nan Nan, you also think too highly of yourself."

Chen Dong snorted and looked at the time, it was already the end of the day, but he did not leave, instead he waited quietly for half an hour before he went downstairs and left by car.

He did not want to see Lin Lingdong, let alone Wang Nan Nan.

Chen Dong was not an indecisive person, he would make a decision when he had to, not to mention the way the Wang family had eaten, the stupidity of Wang Nan Nan's favouritism, all this hatred was on the books.

Seeing Wang Nan Nan would only remind him of the humility and despair of those three years.

The bottom line was that he had to consider his wife's feelings!

The chance encounter by the river bank was indeed just a coincidence, and Gu Qingying had shown enough generosity at that time.

But as a husband, he could not treat this matter as an ordinary matter just because his wife was generous.

Chen Dong had promised to make Gu Qingying the happiest woman, while Wang Nan Nan would only become a flaw!

Only, what Chen Dong did not expect was this.

While he was driving away, there was a pair of eyes on the street corner not far from the company building that clearly witnessed the scene of him getting into his car and leaving.

The deep, dark eyes were filled with complexity.

The breeze lightly ruffled a few strands of Wang Nan Nan's green silk, revealing her poignant expression.

A long time later.

Wang Nan Nan smiled bitterly: "Not even willing to see one another? I'm sorry, I hurt you in the first place!"

Murmured.

Wang Nan Nan, however, took out her mobile phone.

The number was new, and the phone was also new.

And in the address book, there was only one person's phone number.

Not even the contact information of her parents and brother.

It was a number that she wanted to keep forever.

She tapped the dial button with her jade finger.

Soon, the call was connected.

"Long time no see ....."

Wang Nan Nan thought of many words in her head, but in the end, she just spat out four simple words.

However.

Chen Dong on the other side of the phone simply and plainly stated his thoughts.

"Get lost!"

Pop!

The phone hung up.

Wang Nan Nan's delicate body trembled as she put down the phone with a despondent expression.

It was as desperate as ever.

But she knew clearly that she was to blame for this.

At one time, he was able to use this word, roll, on any woman who approached him.

It was only her lack of appreciation, her lack of understanding, that had allowed this word roll, to fall on her own shoulders.

"I can definitely help Lingdong."

Wang Nan Nan's gaze suddenly became firm, she had been reborn from the fire and was no longer the spoiled and domineering Wang Nan Nan.

She knew that a woman who wanted to have respect was not to become a subordinate to a man, but should stand up for a man when he needed it.

So.

Wang Nan Nan sent a text message to Chen Dong.

"My boyfriend Lin Lingdong would love to meet you, can you treat me to a dinner party regardless of the past? Count me in your debt, please."

The last few words were almost a plea.

Dingdong!

The text message returned in almost seconds.

Wang Nan Nan picked it up and took a look, and instantly desperation overwhelmed her.

"You can't afford it, get as far away as you can!"

## **Winner Takes All Chapter 385-386**

### **Chapter 385**

Chen Dong did not feel that there was anything wrong with him for doing so.

When Wang Nan Nan and the Wang family did those at the beginning, did they feel there was something wrong?

Now that he had a new life, he was reborn and would never allow any flaws between him and Gu Qingying.

The Four Seals Clubhouse, the small bamboo courtyard.

Fan Lu was already cooking.

Gu Qingying was in the living room, watching the television intently.

Long Lao and Kun Lun were watching from the side, somewhat helplessly.

The programmes on the television really made the two of them big men's heads spin.

“Young Madam, what are you doing watching this video teaching clothes knitting?” Elder Long asked.

“Learning.”

Gu Qingying looked focused as she responded, “I want to knit little clothes for the baby.”

“Knitting clothes?”

Elder Long and Kunlun were stunned at the same time.

Kun Lun blurted out, “Young lady, you are the young lady of the Chen family and the first lady of the Gu family, you don’t need to knit the baby’s clothes yourself.”

In fact, he wanted to say that they were all not bad masters of money, not to mention unusual baby clothes, even gold wool and jade clothes could be easily bought.

It was just that there was something wrong with that statement, so he changed his words.

Gu Qingying shook her head, “I know I can buy it, but I think it would be meaningful if I could knit a little dress for the baby.”

She turned to Kunlun and said, “Brother Kunlun, can you please go out and buy some silk thread for me? Silk, I think, it’s light and soft and should be good for the baby’s skin.”

Kunlun froze.

Only after seeing Elder Long’s gesturing look did he get up and head out.

Just as he walked to the courtyard, Kunlun encountered Chen Dong who had returned.

“Kunlun, in such a hurry, why are you going?” Chen Dong asked curiously.

Kunlun shrugged, “Young Madam is learning to knit clothes, trying to knit little clothes for the baby in her belly.”

“Little clothes?”

Chen Dong was surprised for a moment, and then smiled, “Then go quickly, buy more materials and the best ones.”

“Young master, you want the young lady to knit clothes too?”

Kunlun faced Chen Dong with little concern and said bluntly, "The young lady is a rich girl, how could she ever do that kind of tiring work, and now that she is pregnant, you don't know how to persuade her."

"Of course I have to support what Xiaoying is willing to do."

Chen Dong smiled spontaneously and said, "Brother Kunlun, you're not married yet, you don't understand this kind of happiness of having someone change for you."

Kunlun looked choked.

He shook his head helplessly and turned to leave.

As he neared the door, Chen Dong shouted again, "Remember to buy the best!"

Chen Dong walked into the living room and saw Gu Qingying watching the study video on the television with a concentrated expression, and he could not help but feel warmth welling up in his heart.

This silly girl had indeed changed too much.

In a trance, he thought of what had happened to Wang Nan Nan and could not help but feel even more guilty towards Gu Qingying.

"Young master."

Elder Long got up and said.

Chen Dong nodded and sat down next to Gu Qingying: "How's the learning going?"

"Almost done, I can try my hand with you first in the evening." Gu Qingying said.

"Good, what do you want to eat in the evening, I will make it for you." Chen Dong asked.

Gu Qingying said casually, "I want to eat crayfish."

"Good."

Chen Dong got up and walked towards the kitchen.

Gu Qingying instantly turned back to her senses and looked into Chen Dong's kitchen, muttering in confusion, "What's wrong with the big fool today?"

On the other hand, Long Lao, who was at the side, was stunned and busy calling out, "Young master, pregnant women cannot eat crayfish."

Chen Dong, who had just crossed into the kitchen, was instantly stunned.

He then turned back and scratched his head with a naive smile and said, "Haha, I neglected, Little Shadow change the dish you want to eat."

"I want to eat tomato omelette noodles." Gu Qingying suppressed the doubts in her mind and responded.

"Good."

Chen Dong nodded with a smile and dug into the kitchen to get busy.

The living room.

Gu Qingying and Elder Long looked at each other.

"Elder Long, do you feel that Chen Dong is strange today?"

Gu Qingying said suspiciously, "He hasn't cooked for me for a long time, and he was in a trance just now."

Elder Long also nodded, promising to cook crayfish for a pregnant woman was ridiculous.

"Perhaps the young master was too stressed and distracted."

Elder Long thought of a possibility, "And now the young master's whereabouts are unknown again."

Gu Qingying nodded, propping her hands on her chin and saying dejectedly, "Unfortunately I can't help him at all."

It was only when Kunlun bought back a large pile of fine, soft silk threads that the crowd started dinner.

Gu Qingying ate a big bowl full of tomato and egg noodles and even drank all the soup, praising Chen Dong's good cooking.

Chen Dong felt guilty and did not care to eat, staring at Gu Qingying the whole time.

And this scene was clearly caught in the eyes of the people present.

They all revealed their puzzlement and incomprehension.

After dinner, Chen Dong and Gu Qingying took a short walk, before Gu Qingying yelled that she wanted to go back to her bedroom and start knitting clothes.

Chen Dong had to agree.

In the bedroom, the light was bright.

Chen Dong sat by the side, quietly watching Gu Qingying fiddle with her needle and thread.

To an ordinary person, such things as putting on a needle and thread are really simple.

But Gu Qingying had been treated like a pearl in the palm of her hand since she was a child, and her ten fingers did not touch the water of spring, not to mention the fine work of threading a needle and thread.

The more he looked at Gu Qingying's serious and focused appearance, the more Chen Dong felt guilty about Wang Nan Nan's appearance.

Just for threading the needle, Gu Qingying had worked backwards for nearly five minutes.

When everything was ready.

Gu Qingying waved her hand at Chen Dong, "Husband come here."

"What for?" Chen Dong asked, puzzled as he looked back.

"Knitting clothes, for the sake of the baby, you have to give in and let me practise."

Gu Qingying straightened her robe, got up and pulled Chen Dong to the edge of the bed to sit down.

"Sit down, I'm going to start knitting."

Chen Dong frowned, always feeling that something was wrong.

Until, he felt a rustling touch on his back.

Immediately afterwards, a tingling pain hit him.

He finally realised what was wrong!

"Honey, you're using me to practice knitting clothes, are you knitting directly on your body?"

Chen Dong grimaced and sucked in cool air backwards as he turned back to Gu Qingying.

Gu Qingying blinked her big eyes with a puzzled look, “Is this wrong?”

“Shouldn’t I take a leather ruler to measure my size and then just weave it with silk thread?”

Chen Dong’s head was pounding, this was the first time he had ever seen such “tailoring”.

Gu Qingying reacted and slapped her forehead twice: “Oh yes, why didn’t I think of that?”

Chen Dong: “.....”

Soon, Gu Qingying rearranged her needle and thread, and then sat cross-legged on the bed with a concentrated look and knitted.

Chen Dong secretly breathed a sigh of relief and sat aside to watch quietly.

The wife now finally has some appearance of knitting clothes.

“Honey, I think you’re acting strange tonight.” Gu Qingying suddenly asked without raising her head.

Chen Dong froze for a moment, his eyes slightly flustered.

“No, which is weird?”

Gu Qingying still didn’t raise her head, concentrating on hooking a stitch while saying, “It just feels like you’re in a trance, you don’t even know about the fact that pregnant women can’t eat crayfish, and also, you haven’t cooked for me for a long time, so you suddenly cooked for me today, I always feel like you’re hiding something from me.”

The last sentence was like a needle stabbing Chen Dong in the heart.

Instantly, Chen Dong’s heart was in turmoil and his eyes fluttered.

Did he even notice this?

## **Chapter 386**

It was also when Chen Dong was in a state of panic.

Gu Qingying, who had been bowing her head, raised her head and her eyes looked straight at Chen Dong.

Chen Dong’s heart twitched fiercely and he said, “No, no, I’m probably too tired.”

Gu Qing Ying smiled wryly, "Something is really wrong, the way you lie, your eyes are full of cracks."

Chen Dong: "....."

How should this be explained?

To say, or not to say?

Immediately following, Gu Qingying smiled and lowered her head to continue knitting: "If you don't want to say, don't say, it's not like I have to break the sand pot and ask questions to the end."

Chen Dong's expression was complicated, and the guilt and entanglement in his heart was instantly thickened to the extreme.

His lips mumbled.

He felt the urge to spit it out.

But after subconsciously glancing at Gu Qingying's stomach, he held back again.

This, perhaps, was considered exciting?

"Thank you, wife." Chen Dong said from the bottom of his heart.

While being grateful, Chen Dong also decided that he would deal with this matter of Lin Lingdong as soon as possible.

With Wang Nan Nan around, the more it was delayed, it would only make things more complicated.

To cut the mess quickly was the way to go.

Inside the villa of Lingdong Villa.

Lin Lingdong was sipping whisky and was filled with melancholy.

When he saw Wang Nan Nan return, he instantly sobered up a bit.

"Nan Nan, how was it?"

Wang Nan Nan looked a little gloomy, but after looking up and seeing Lin Ling Dong's expectant eyes, she still squeezed out a smile.

"I'm trying to think of a solution, don't rush."

The light in Lin Lingdong's eyes dimmed down.

He took a sip of whisky and said with a gentle smile, "It's enough that you have this heart to help me, in fact, it doesn't matter if you can invite or not, he Chen Dong is not willing to meet with me, I can't force it either, right?"

"Actually, it's right, I'm just the underground king of Lingdong, prominent in front of people, but compared to those who are really prominent in front of people, I'm not really on the stage, I'm just an underground rat."

Wang Nan Nan's expression changed.

She quickly stepped forward and said angrily, "Lin Lingdong, I forbid you to talk about yourself like that."

"What I said is the truth." Lin Lingdong raised his eyebrows.

"But you are my Wang Nan Nan's man, so I won't allow you to belittle yourself like that."

Wang Nan Nan's unexplained anger caused Lin Ling Dong's expression to be stunned.

The next second.

Lin Lingdong got up and swept Wang Nan Nan into his arms, "Thank you."

Wang Nan Nan's delicate body trembled, a word of thanks, but it caused emotions to inexplicably surge up in her heart.

Smelling Lin Lingdong's body full of alcohol.

She softly comforted, "Drink so much wine, go take a shower and sleep, I will help you invite Chen Dong."

"Together?"

Lin Lingdong said through his drunkenness.

Wang Nan Nan's pretty face was scarlet and she lowered her head, but shook it gently.

"Good."

Lin Lingdong nodded his head and turned to come up.

The next day early morning.

Wang Nan Nan, however, called on Wu Junhao early in the morning and drove to Ding Tai.

Dingtai Company.

Chen Dong was busy when Lone Wolf walked in.

“Mr. Chen, another invitation has come in.”

Lone Wolf said helplessly, “It’s from Wu Junhao, he said that even if you don’t accept the invitation, please go down and say it clearly in person.”

Chen Dong put down the paper in his hand, he had already decided last night to make this matter quick.

He got up and took the invitation from Lone Wolf and threw it into the trash.

With that, Chen Dong walked towards the stairs.

From a distance, Chen Dong saw a black BMW X5 parked in the car park, and Wu Junhao was standing by the car with a frown and smoking a cigarette.

Chen Dong walked straight over to the car.

Seeing Chen Dong, Wu Junhao hurriedly stomped out his cigarette and greeted him with a smile, “Mr. Chen, I .....

His right hand was just halfway out.

Chen Dong then said decisively, “Go back and tell your boss Lin that I have no desire to have a chat with him, and also ask your boss Lin to respect himself and not to lead everything rubbish to my side.”

Wu Junhao froze on the spot.

Chen Dong’s words were so decisive that they caught him off guard.

Rubbish?

Is that about me?

Wu Junhao’s heart was helpless to the extreme.

Seeing Chen Dong about to leave.

Wu Junhao hurriedly called out, “Mr. Chen, listen to my explanation.”

But Chen Dong did not even turn his head back, his footsteps did not stop.

At that moment, the door of the BMW X5 opened.

A beautiful figure slowly fell into the car.

“Chen Dong, long time no see!”

Chen Dong stopped in his tracks, and his expression instantly flushed with a thick, depressed air.

The lone wolf at the side clearly saw Chen Dong’s face change and his eyebrows tightened up at once.

“Long time no see? Sister-in-law, you know Mr. Chen?”

Wu Junhao was filled with dismay and looked at Wang Nan Nan incredulously.

Wang Nan Nan gave a light smile as a response.

Then she walked quickly behind Chen Dong: “Can we have a chat? Just once!”

The last three words were bitten extraordinarily hard.

The corners of Chen Dong’s mouth curled up in a disdainful smile, really shameless enough!

But when he thought of Gu Qingying’s appearance last night, he was not only guilty but also heartbroken.

Gathering up his smile, with a cold face, Chen Dong turned to look at Wang Nan Nan: “Fine.”

“Junhao, wait for me here, I’ll find a place to have a cup of tea with Mr. Chen.”

Wang Nan Nan casually instructed.

“Okay sister-in-law.” Wu Junhao respectfully answered, but his eyes were full of doubts.

Wang Nan Nan did not let Wu Junhao follow.

Instead, Chen Dong had Lone Wolf follow to his left and right.

Wang Nan Nan found a cafe close by.

After settling down, she took the order from the waiter's hand and handed it to Chen Dong.

"American style."

"Same."

Chen Dong ordered his coffee, and Lone Wolf casually echoed.

Wang Nan Nan ordered another coffee for herself and inquired, "Do you want sugar and milk? Americano is very bitter."

"I'm used to drinking it."

Chen Dong responded calmly.

In his vision, Wang Nan Nan had changed a lot.

She was no longer as arrogant and domineering as she had been back then, and had a bit more of a mature demeanour that had been washed away by the years.

However, this still could not stop him from being disgusted with her.

"You've changed a lot." Wang Nan Nan looked at Chen Dong and said, "I've broken off my relationship with my parents' brother."

"Hmm." Chen Dong calmly responded.

Wang Nan Nan did not show surprise at Chen Dong.

Perhaps the more ordinary the relationship was, the more calm it could remain.

She continued, "I was the one who wronged you at first, almost affecting you and Xiaoying because of my parents."

"Mm."

Chen Dong once again answered calmly.

"Is there nothing you want to say?" Wang Nan Nan raised her eyebrows and asked.

"There is."

Chen Dong picked up the Americano at the table and drank it down in one go as he opened his voice coldly, "You are now Lin Lingdong's man and have become the sister-in-law his men speak of, I don't care about any of that, but you shouldn't come and

affect my life and Xiaoying's, I ask you to take Lin Lingdong and get out of my sight and Xiaoying's."

"My wife is pregnant now, if her mood is affected because of your presence, I will make Lingdong no more underground king!"

The voice was cold, and stern killing pervaded.

Wang Nan Nan's pretty face turned a little white, and she could clearly feel that chilling intent emanating from Chen Dong's body.

By the time she came back to her senses, Chen Dong and Lone Wolf had already walked to the door.

Wang Nan Nan's eyes flashed as she suddenly got up and shouted.

"Chen Dong! Is it so hard for you to see Ling Dong just once? I'll get down on my knees and beg you, will you?"

There was a poof.

Wang Nan Nan knelt heavily on the ground.

## Winner Takes All Chapter 387-388

### Chapter 387

A sudden kneeling.

It caused the crowd in the cafe to gasp.

Daoist gazes were directed at them.

At the same time, Chen Dong and Lone Wolf, who were walking to the door, also stopped in their tracks.

"Chen Dong, I'm kneeling down for you, please, meet Ling Dong!"

Wang Nan Nan shouted pleadingly, her voice trembling a little.

"Ridiculous!"

Chen Dong shook his head disdainfully, his expression indifferent as he continued to walk forward.

Really, so desperate?

Tears welled up in Wang Nan Nan's eyes, thinking of everything that had once happened, back then, Chen Dong had done everything he had asked of her.

The time had changed, but it had become like this now.

It was hard for her to feel this way.

"I promised Lingdong."

Wang Nan Nan murmured in a low voice, her eyes suddenly resolute, "If you don't promise me, I'll go and talk to Xiao Ying!"

Snapping!

Chen Dong's feet fell to the ground and no longer lifted.

In an instant, his face was as cold as frost and his anger surged.

Lone Wolf stood beside Chen Dong and instantly, his cold hair exploded and he could not help but tremble a little.

The next second.

Like a furious beast, Chen Dong turned around brazenly and rushed in front of Wang Nan Nan amidst the cafe crowd's cries of shock.

With a snap!

Chen Dong grabbed Wang Nan Nan's neck with his large hand and directly yanked her up.

Because it was too hard, it instantly caused Wang Nan Nan's face to turn red and choke up.

The strong choking sensation caused Wang Nan Nan to instinctively raise her hand and desperately slap Chen Dong's right hand.

The crowd in the cafe, too, came back to their senses, furious.

"Bastard! Let go of that girl!"

"In broad daylight, a big man hitting a woman, how dare you have shame?"

"What kind of man is a man who bullies a woman?"

.....

The sound of angry rebuke.

It made Chen Dong feel a little funny.

These people only saw these on the surface, but had they ever thought about this woman in front of them, how bad she really was?

“Mr. Chen .....

Lone Wolf rushed over and gave Wang Nan Nan a look, “If you don’t let go, she will soon die.”

Chen Dong let go of his right hand.

With a thud, Wang Nan Nan fell to the ground.

With her neck out of restraints, a large amount of air immediately rushed into her lungs, causing Wang Nan Nan to breathe in large, almost greedy gulps of air.

After a few breaths, Wang Nan Nan smiled decisively and slowly raised her head to meet Chen Dong’s man-eating gaze.

At this moment, Wang Nan Nan’s smile and expression were rare and frantic and fierce.

“Why don’t you simply kill me?”

“You think I wouldn’t dare?” Chen Dong’s voice was a little hoarse.

Wang Nan Nan laughed and slowly got up, “I, Wang Nan Nan, put my words here, putting aside our relationship, if you don’t see Lin Ling Dong, I will go find Xiao Ying!”

“You’re threatening me?” Chen Dong gave a cold laugh.

It was not just Wang Nan Nan’s relationship that he did not see Lin Lingdong.

He did not know that Wang Nan Nan was following Lin Lingdong before, he did not see him as usual, only now, in Wang Nan Nan’s mouth, it was brainstormed that it was because of her that he did not want to see Lin Lingdong.

Wang Nan Nan did not answer.

She just stared decisively at Chen Dong.

A few seconds passed.

Chen Dong gritted his teeth and took a step back: "Good, you've succeeded in your threat!"

"Tonight at eight o'clock, Ling Dong Villa will be waiting for you."

Wang Nan Nan smiled, picked up her bag and headed out.

Chen Dong stopped where he was, his face as cold as frost, his eyes fierce, and silently, his hands clenched into fists.

The crowd in the café was still pointing at Chen Dong.

The whispers distracted Chen Dong.

Bang!

Chen Dong smashed his fist against the glass table and angrily rebuked, "Are all of them fucking idle? Groovy!"

After saying that, he turned around and left.

Lone Wolf, on the other hand, dropped a pile of money and left close behind.

All along the way, Chen Dong's footsteps were quick and a seeping chill emanated from his body.

Wang Nan Nan had succeeded!

The threat had been successful!

It was as if he had hit the snake by the seventh inch and had instantly pinpointed his vital point.

He didn't want to disturb Gu Qingying about this matter, so he wanted to cut the Gordian knot quickly, but Wang Nan Nan's threat forced him to accept to see Lin Lingdong once.

Such a threat, such a Wang Nan Nan.

It made him sick and disgusted to the core!

On the other hand.

When Wang Nan Nan returned to the downstairs of Dingtai Company.

Wu Junhao, who had long been waiting and scratching his ears, hurriedly greeted him.

“Sister-in-law, how did it go?”

“He’s agreed.”

Wang Nan Nan smiled and said, “Get in the car and go home.”

“Really?! Sister-in-law you’re too good!”

Wu Junhao rose up in excitement and ecstasy and hurriedly opened the car door for Wang Nan Nan.

It had been half a month, Lin Lingdong had invited Chen Dong for a whole half a month!

Rather, he had also helped run errands to deliver the invitations for a week.

Without exception, Chen Dong had refused extraordinarily dryly every time.

This time, it had worked!

Excited and ecstatic, Wu Junhao was in awe of Wang Nan Nan for the first time.

Only, when Wang Nan Nan got into the car.

The overjoyed Wu Junhao suddenly froze: “Sister-in-law, why is your neck bruised?”

Wang Nan Nan’s delicate body trembled and she instantly reacted that it must have been caused by Chen Dong’s strong force just now.

She shook her head, “It’s nothing, go home.”

“Did Chen Dong hit you?”

Wu Junhao did not relent, his expression steeped in fierceness, “Damn it, hitting my sister-in-law, do you really think we Lingdong people are easy to bully? Sister-in-law, I’m going to help you take revenge!”

Wang Nan Nan was startled and hurriedly called out to Wu Junhao.

“Wu Junhao, Lingdong dreams of wanting to see Chen Dong, I just got him to agree to this, are you going to let this go down the drain again?”

“I .....” Wu Junhao was speechless, stomped his foot indignantly, got into his car and left.

Back at the Lingdong Mountain Resort.

Wang Nan Nan then went straight back to her bedroom.

For this feast, she had put down almost all her dignity.

She had even gone so far as to make threats, which made her feel blocked up inside.

Back in her room, Wang Nan Nan locked the door behind her and flung herself onto the bed, her eyes hazy with tears, quietly shedding tears.

Thinking that Lin Lingdong would be able to meet Chen Dong in the evening, she kept reassuring herself, "It's okay, it's all for Lingdong, what's it worth if I give up some?"

Inside the study.

Wu Junhao told Lin Lingdong everything that had just happened.

Among them, it also included the matter that Wang Nan Nan was suspected to have been beaten up by Chen Dong.

After hearing this, Lin Lingdong was not the least bit happy.

Instead, he revealed his guilt and intolerance as he viciously smashed the brush in his hand on the work he had just painted.

"When did I, Lin Lingdong, ever let my woman suffer like this? Nan Nan, it's me who has wronged you."

At this moment, Lin Lingdong was completely unhappy.

He even felt that the idea of befriending Chen Dong that he had been trying to do before had become tedious and bland at this moment.

The moment he thought of the image of Wang Nan Nan being aggrieved in order to help him invite Chen Dong, Lin Ling Dong had a feeling of his heart cutting like a knife.

He swept past Wu Junhao, took quick steps upstairs and knocked on Wang Nan Nan's door.

"Nan Nan, come out, I have something to say to you."

At this moment, Lin Lingdong knew that as a man, the most important thing he should do at this time was to comfort Wang Nan Nan, even if it was just a hug.

In the room.

Wang Nan Nan said, "Lin Ling Dong, what are you doing seeing me now? What you should do is to go and prepare for the evening dinner, this is my heart and soul, you are a big man, can't you tell the difference between importance and importance?"

Although he tried his best to suppress it.

But Lin Lingdong could still hear the sobbing between Wang Nan Nan's words.

He clenched his fist, and at this moment, deep inside, there was only a clinging shadow left, and nothing else.

## **Chapter 388**

Six o'clock in the evening.

Chen Dong did not go home after work, but sent a WeChat to

Then, he drove to Lingdong.

This matter had to come to an end after all.

Whether it was to Wang Nan Nan or Lin Ling Dong.

If Wang Nan Nan could threaten once, she could threaten a second time.

In the car, Lone Wolf sat on the passenger side and gave Chen Dong a sidelong glance every now and then.

He could clearly feel Chen Dong's anger.

Even the speed of the car could clearly react to it.

"Mr. Chen, is it really not necessary to call Brother Kunlun and the others?" Lone Wolf felt that the atmosphere was a little off.

"No need."

Chen Dong shook his head.

If he called Kunlun, he would inevitably let Gu Qingying know why he was coming home late tonight.

He did not want to make Gu Qingying too upset about this.

Lone Wolf wanted to say something but stopped.

Inside the Lingdong Villa.

Tonight was exceptionally quiet.

In order to invite Chen Dong to a banquet, Lin Lingdong had specially ordered that the entire Lingdong Villa would not accept guests tonight.

It was enough to show his solemnity by welcoming Chen Dong alone with the strength of the entire mountain villa.

Wang Nan Nan did not participate in this banquet.

Even after Lin Lingdong's repeated requests, she continued to lock herself in her room, behind closed doors.

For this reason, Lin Lingdong also felt helpless.

The only one who accompanied her was Wu Junhao.

Early in the morning, the two were waiting in the banquet hall.

"Boss, it's almost eight o'clock." Wu Junhao looked at the time and said.

Lin Lingdong nodded, his expression gradually becoming tense and grave.

This was something that Nan had suffered a lot of aggravation to beg for.

We must not let down Nan Nan's hard work!

Wu Junhao suddenly said, "If he still doesn't come this time, shall we forget about it?"

Lin Lingdong was stunned.

He gave Wu Junhao a deep look.

Thinking of Wang Nan Nan's reaction when he returned home, his heart seized hard.

Nodding his head, Lin Lingdong said solemnly, "If it doesn't work this time, forget it, my woman has suffered for me, if I still persist, wouldn't I be a wolf and a dog?"

Wu Junhao secretly breathed a sigh of relief.

He was just worried that Lin Lingdong was still obsessed with inviting Chen Dong.

As the Underground King of Lingdong, he had never seen Lin Lingdong stoop so low only since he had followed him.

During this period of time, the underground king's popularity in Lingdong had been gradually shifting.

If it continued, the name of the Underground King of Lingdong would have to disappear.

At this moment, a middle-aged man outside quickly ran in.

“Boss, Mr. Chen has arrived!”

This word was like heavenly music to Lin Lingdong.

Here he is!

Finally, he had come!

This day had been waited for a full half month!

Lin Lingdong was so excited that he walked quickly towards the outside.

Wu Junhao secretly praised his “sister-in-law” and quickly followed.

Inside the car park.

Chen Dong parked his car and as soon as he stepped out of the car, he was greeted by someone.

“Hello Mr. Chen, please follow me.”

Chen Dong swept a glance at the cold mountain villa and said in a cold voice while walking, “What, no one is at Lingdong Mountain Villa tonight?”

“To be honest, in order to welcome Mr. Chen, Boss Lin has specially ordered that no outside guests will be accepted at Lingdong Mountain Villa tonight, only Mr. Chen alone.”

What was the meaning of receiving him with such high specifications when he had no skin and no face to threaten to come?

Chen Dong disdained in his heart and his footsteps flew.

Soon.

He saw Lin Lingdong and Wu Junhao, who were walking quickly in the opposite direction.

“Mr. Chen, welcome, it is indeed an honour for Lingdong to have you here.”

Lin Lingdong took three steps forward and two steps back, greeting Chen Dong with both hands.

In his words and actions, it was as if he was holding Chen Dong up to an extremely high position.

However.

“Don’t be polite, let’s go.”

Chen Dong did not extend his hand, and with a cold response, he swept past Lin Lingdong.

Lin Lingdong instantly froze in place, and his outstretched hands stalled in mid-air.

“Slot! Boss, this Chen Dong is too unaware of his manners?”

Wu Junhao could not help but curse in a low voice.

He was Lin Lingdong’s most trusted henchman, and at this moment, when he saw Lin Lingdong’s lowly gesture and still received no response, he could not help but be angry.

“Shut up and follow!”

Lin Lingdong spoke coldly, not being annoyed, and quickly followed Chen Dong.

After entering the banquet hall.

Without waiting for Lin Lingdong to speak, Chen Dong swaggered and sat down on the main seat.

This scene made Lin Lingdong look stunned.

Wu Junhao was even more furious, his eyes flashing with a fierce light, this fucking .....

Even Lone Wolf, was stunned for a moment.

“Have a seat.”

Chen Dong sat down on the main seat with a large horse and waved his hand indifferently.

Lin Lingdong and Wu Junhao glanced at each other and sat down on Chen Dong’s left and right hands respectively.

Lone Wolf, on the other hand, found a seat at random.

The atmosphere in the banquet hall was somewhat frozen.

Chen Dong's reaction was like a pot of cold water that doused the last trace of enthusiasm in Lin Lingdong, leaving him somewhat unsure of how to react at this moment.

"What is the reason for Boss Lin's perseverance in inviting me for a chat?"

Chen Dong broke the dead silence in the banquet hall.

Morbidly cold eyes looked askance at Lin Lingdong.

Lin Lingdong's heart suddenly palpitated a little as he was being watched.

This feeling had not occurred to him for many years.

On the contrary, for many years, he had been the one to make others feel this way.

With a sarcastic smile, Lin Lingdong clasped his fist and said, "It was really that incident from before that I had offended, so I have been wanting to set up a separate banquet to apologise to Mr. Chen, and I know that Mr. Chen is busy with many things, that is why I have done it again and again, so please forgive me."

"Forgive me?"

Chen Dong sneered, "I'm sorry, I really can't forgive you for this."

Between his words, there was a cold intent.

Lin Lingdong and Wu Junhao both froze.

Was he here to have a meal and catch up?

Or was he here to pick a fight?

"Mr. Chen, there is no need to be like this, is there?"

Wu Junhao could not stand it any longer and said, "There has never been anyone up and down Lingdong who has been treated so courteously by my boss, this is not a repeated invitation, a dozen invitations in half a month, you refused and that's it, now my sister-in-law has invited you over, why are you making everyone so embarrassed?"

"Junhao shut up!"

Lin Lingdong's expression was solemn and he looked at Wu Junhao angrily.

Wu Junhao, however, looked at Chen Dong angrily as if he was oblivious, "I know that Mr. Chen's family is big and powerful, and that he is a true dragon who has descended to this remote place, but you don't have to trample and insult my boss like that, do you?"

The voice was cold and harsh, and dripping with indignation.

Chen Dong suddenly felt a little amused.

Seeing Chen Dong's smile, Lin Lingdong's forehead instantly moistened a little.

Wu Junhao also looked stunned.

"Courtesy treatment? Your courteous treatment is really the first time I have seen and heard of it!"

"Trampling and insulting? There's a saying about taking your own humiliation, haven't you heard of it?"

Chen Dong smiled and looked at Wu Junhao with disdain.

Immediately following, he swept his gaze around, "By the way, isn't Wang Nan Nan your sister-in-law? Why isn't she present, could it be, that she is afraid that I ..... will kill her?"

With a single word, a chill stirred in the banquet hall.

Lin Lingdong changed greatly.

Even if he was stupid, he could hear that something was not right.

But Chen Dong pointed so directly at Wang Nan Nan, how could he bear it?

Lin Lingdong's expression was cold as he said in a deep voice, "Nan Nan is my woman, Mr. Chen's words are excessive!"

"Excessive?"

Chen Dong snorted, "Then using my wife and son to threaten me is considered excessive?"

### **Chapter 389**

Boom!

Lin Lingdong and Wu Junhao were struck by lightning.

Both of them instantly revealed a look of shock and horror.

This banquet was a threat from Wang Nan Nan?

In a trance, Wu Junhao suddenly thought of the bruise on Wang Nan Nan's neck and was instantly enlightened.

Yes, if his sister-in-law hadn't threatened, how could he have been beaten?

"Impossible!"

Lin Lingdong suddenly got up and said with a shocked face, "Mr. Chen is joking about that, right? With Mr. Chen's position, how could Nan Nan threaten you?"

In his opinion, before Wang Nan Nan met him, she was just an ordinary woman.

Chen Dong, on the other hand, was an existence that had befriended even the titanic Zheng Guodou.

The two were simply one heaven and one earth.

What kind of threat is there?

Can a mole threaten a fierce tiger?

"Boss Lin, when talking about lifelong matters, don't you even know to investigate the person?"

Chen Dong looked askance at Lin Lingdong, his coldness surging, his eyes as stern as a sword.

Investigation?

Lin Lingdong froze.

How could he possibly investigate Wang Nan Nan?

When he had first met Wang Nan Nan, he had fallen in love with her at first sight.

He had always maintained an unprecedented level of respect for Wang Nan Nan.

Because he was moved, he, Lin Lingdong, should respect the woman he fell in love with.

Wang Nan Nan's past was her own privacy, and not to probe into her past was also a part of respect.

"Mr. Chen, there must be some misunderstanding, Nan Nan could not have threatened you, and I have never explored her past, because I love her present, not her past."

Lin Lingdong scrambled to explain.

Chen Dong was in such a state that even Lin Lingdong's heart was chilled.

He knew that if he did not explain this "threat" clearly.

If he did not explain this "threat" clearly, this banquet of friendship would be the end of his nightmare.

The man in front of him could do it!

And in the blink of an eye!

Even if he was the underground king of Lingdong, he could not resist.

"Heh!"

Chen Dong snorted, a stern and domineering aura between his brows.

In his narrowed eyes, however, coldness surged.

He slowly opened his mouth, his voice like a shocking thunderbolt.

On the spot, it made Lin Lingdong and Wu Junhao freeze like a wooden chicken.

"What if I say that she is my ex-wife who once took half of my life?"

Lin Lingdong's entire body froze, and his face even turned a little white.

Ex-wife?

Chen Dong's ex-wife?

Lin Lingdong's whole body was dazed, in a trance, but his heart was in a huge wave.

At the same time, Lin Lingdong was shocked and quickly cleared his mind.

Wang Nan Nan was Chen Dong's ex-wife, so he was now with Wang Nan Nan, and he had asked Wang Nan Nan to invite Chen Dong, and Wang Nan Nan was even threatening Chen Dong's current wife and children.

What was this?

Lin Lingdong's scalp tingled and he tried to explain with his lips, but he did not know what to say.

Even if he himself were to ask himself, if he were to swap places with Chen Dong, his anger would only be greater than Chen Dong's!

On the other side, Wu Junhao had also been stunned long ago.

Chen Dong's words were like a bang on the head, directly smashing his brain to buzzing.

No wonder he was so furious, no wonder he was so brutal and unreasonable.

This matter would never be reasonable if it were anyone else!

Chen Dong sneered and gently picked up the silver spoon on the table: "You and I have no friendship, so why should we force it? If there is another time, there will no longer be an underground king in Lingdong."

The last sentence was uttered at the same time.

Chen Dong's right thumb suddenly gave out force.

The silver spoon made a slight sound and was quietly bent.

This scene made Lin Lingdong and Wu Junhao tremble with fear.

The threatening implication of it made the two men terrified and afraid.

Dang Jang Jang .....

Chen Dong dropped the spoon in his hand and got up to walk towards the outside.

"Tell Wang Nan Nan on my behalf that if she dares to disturb my life again, I will ask her to be buried in the ground."

The words were powerful and murderous.

It caused Lin Lingdong and Wu Junhao's bodies to tremble.

By the time the two of them came back to their senses, Chen Dong and Lone Wolf had already disappeared.

"Boss .....", Wu Junhao spoke with trepidation.

Lin Lingdong, however, raised his hand to interrupt and said with an ironic expression on his face, "This time we have hit the gun, to my death, I would never have thought things would take such a twist."

"So now sister-in-law's side ....."

Wu Junhao asked tentatively.

With this twist, he really didn't dare to take Lin Lingdong's mind.

Sister-in-law was a woman from Chen Dong's past, but now she had arrived at the boss's side, such an entanglement, if it was in the past, Wu Junhao was clear that Lin Lingdong would have settled it simply and quickly.

Because back then, Lin Lingdong was the kingpin.

But now, he could see that Wang Nan Nan had gone to the edge of Lin Ling Dong's heart.

Sure enough!

Lin Lingdong smiled bitterly: "One side is the future, the other is a woman, before I would choose the future without hesitation, this time, I choose Nan Nan."

Wu Junhao nodded, "How about I go and investigate my sister-in-law's past?"

Lin Lingdong frowned and pondered for a few seconds.

Eventually, nodding her head in agreement.

Before, she had respected Wang Nan Nan, but now, what should be known, must be probed clearly.

Taking a deep breath, Lin Lingdong got up and walked towards the villa.

Wang Nan Nan still shut herself in the house.

Lin Lingdong knocked on the door, "Nan Nan, can you open the door?"

After a few seconds.

Wang Nan Nan opened the door.

The room was a bit dim and the sightline was not good.

Lin Lingdong didn't see Wang Nan Nan's somewhat red and swollen eyes, and walked straight into the bedroom.

"Finished meeting with Chen Dong so soon?"

Wang Nan Nan forced a smile and walked behind Lin Ling Dong, gently squeezing her shoulders, "Why do I see that you are not happy at all?"

"Not happy."

Lin Lingdong smiled bitterly, Chen Dong's words just now were like a stone stuffed in his chest.

After a pause, Lin Lingdong forced down the thick bitterness and said softly, "Nan Nan, promise me that you can't do anything silly after following me."

"Stupid things?"

Wang Nan Nan was a little unsure.

"You are Chen Dong's ex-wife, you should have told me earlier." Lin Lingdong smiled helplessly.

Wang Nan Nan's body trembled and her mind exploded with a loud bang.

She asked with an unnatural expression, "You, you knew all about it?"

"Chen Dong told me!"

Lin Lingdong exhaled a foul breath, "I don't mind your past, but I do mind you using your former identity to threaten Chen Dong's wife and children to meet me."

"I ....." Wang Nan Nan looked flustered.

"No need to explain." Lin Lingdong raised his hand to interrupt and said with a smile, "From now on, I'm not thinking of climbing any higher than Chen Dong either, we'll both just stay here in Lingdong, honestly."

For a moment.

Wang Nan Nan was lost in thought, and her already red and swollen beautiful eyes once again filled with tears.

She thought that Lin Lingdong would categorically let her leave after knowing about this matter.

But now Lin Lingdong's decision was like a heavy punch that hit her heart hard.

Once she had been through too much.

She was close to leaving this world, but she finally came through.

It was also because of this experience that she knew exactly how determined Lin Lingdong was to make this decision at this time.

"Lingdong ....."

Wang Nan Nan's voice trembled.

"Hmm?"

Lin Lingdong looked up.

In an instant, Wang Nan Nan lowered her head and leaned down, and her red lips were printed on Lin Lingdong's lips .....

## **Chapter 390**

On the way back to the Four Seals Clubhouse.

Chen Dong's mood had been depressed and his face was as cold as frost.

The lone wolf on the side looked askance at Chen Dong from time to time, but kept silent.

As a man, he understood Chen Dong's mood at this moment the most.

"Let's stay at the Four Seals Club tonight."

Chen Dong said to Lone Wolf, breaking the dead silence in the car.

"Okay." Lone Wolf responded.

Chen Dong added, "This matter, help me keep it a secret, I don't want this matter to affect Little Shadow."

Nowadays, Gu Qingying was everything to her.

Plus, Gu Qingying was now pregnant with her sixth child, which was why he had wanted to keep it a secret from the beginning to the end.

The past was as easy as smoke to say, but to whomever it fell on, the memory of it was a thorn in the heart.

It was getting late at night.

After parking his car, Chen Dong returned to the small bamboo courtyard.

He had planned to stay up all night on a chair in the hall, but when he thought of Gu Qingying's words that day, he tiptoed into the bedroom.

In the room, there was a dim light on the bed.

It was the lamp Gu Qingying had left on for him.

And Gu Qingying, like a kitten, was curled up in a corner of the bed, wrapped tightly in the blanket.

Chen Dong cautiously walked to the bed and did not take off his clothes, and lay down with his clothes on the bed, occupying a small corner.

He was about to close his eyes and rest.

There was a sudden movement beside him.

Chen Dong opened his eyes and saw that Gu Qingying was already facing his way, and his eyes were open.

"Back?"

Gu Qingying smiled sweetly and yawned as her sleepy eyes thinned.

"Mm." Chen Dong responded, smoothly sweeping Gu Qingying into his arms, "I said I didn't want you to wait for me, right, such a light movement still woke you up."

"But I'm willing to lie in your arms and fall asleep."

Gu Qingying tilted her head and looked at Chen Dong, blinking, "You have something on your mind? You don't look too good."

"Nothing, business matters."

Chen Dong replied back, tonight was an end to the matter.

But facing Gu Qingying, he felt guilty after all.

Especially, if Gu Qingying had left the light on for him and wanted to lie in his arms to fall asleep.

Chen Dong scratched the bridge of Gu Qingying's nose: "I'll try to come back earlier and sleep with you in my arms in the future."

"Love you husband." Gu Qingying closed her eyes, she was too sleepy.

Chen Dong smiled gently and cuddled with Gu Qingying to sleep.

The week after, everything was calm and quiet.

Under Chen Dong's control, the Dingtai Company had acquired land one after another and had started to push forward with its projects.

The Qin family's financial company is like a giant in the financial sector. Based on this, Qin Ye and Qin Xiao Qian have no disadvantages in the financial industry.

The two of them are not weak, Qin Ye has single-handedly rolled up tens of billions of dollars to establish the financial company as the pillar of the Qin family's industry, and Qin Xiao Qian has even made a great achievement at a young age by virtue of her own ability.

The reason why both of them have not been famous in the Qin family is that they were suppressed by the Qin family who ate human blood.

Now that they have separated from the Qin family and control half of the family's assets, they are just like birds flying high in the sky and fish leaping across the sea.

Good news has also come from the Zhang and Chu families in Kyoto.

The entertainment company has moved ahead with the project and is making a lot of money.

The succession of good news has boosted Chen Dong's confidence.

Once the snowball rolled up, in a year's time, when it was time to decide who would succeed the family head, he believed that his achievements would put everyone to shame.

What was more crucial was this.

During this week, Chen Dong had established one thing.

That was the Chen family's attitude towards him!

His father's disappearance had always made him apprehensive, and while he was worried about his father, he was also worried that without his father to suppress him, those people who saw him as a thorn in their side would target him at every turn.

Facing the Chen family, it is still too difficult for him to resist.

If Old Madam Chen really let the Chen family target him, it would undoubtedly be a titanic mountain for him.

In a year's time, it could almost crush him to within an inch of his life.

Luckily, the Chen family didn't do that!

Several families were happy and several were sad.

At a time when Chen Dong was full of joy and riveted to develop.

In Lingdong City, however, there was a change of heart.

"Lin Lingdong's girlfriend is second-hand, the titular Lingdong underground king is actually the receiver!"

This piece of local news was like a heavy bomb that bombarded the entire Lingdong.

As soon as the news came out, it instantly pushed Lin Lingdong into the limelight.

The once underground king of Lingdong also became the talk of the town after dinner, with snickers and ridicule in his words.

Inside the villa of Lingdong Villa.

Lin Lingdong's face was gloomy to the core.

For a while now, he had been confused by the rumours in the community.

With his character, he didn't care much about fame.

Otherwise, he would not have persisted in inviting Chen Dong after giving him the land despite the pressure of the rumours.

However, this was something he really couldn't bear!

Whether it was the rumour of insulting Wang Nan Nan as a second-hand goods, or humiliating him as a receiver.

Wang Nan Nan sat on the sidelines, her face equally ugly to the extreme.

The rumours that had suddenly sprung up in the community were like sharp knives that had ruthlessly stabbed at her scars, uncovered them mercilessly, and then stabbed them into the wounds again.

Only, at this moment, Wang Nan Nan was bowing her head in thought, with a complicated expression.

Knock, knock!

A knock sounded at the door.

Without waiting for Lin Lingdong to speak, Wu Junhao pushed the door and walked in.

“Boss, it’s been checked out.”

Wu Junhao said in a deep voice, but his gaze swept towards Wang Nan Nan as if he was not there.

Wang Nan Nan raised her head, her eyes slightly flustered.

Lin Lingdong clenched his teeth, his eyes glowing fiercely, “Who did this?”

The voice was cold and stern, as cold as frost.

It made Wang Nan Nan’s face turn a little white.

Wu Junhao also had a frozen expression.

He had followed Lin Lingdong for many years and knew that Lin Lingdong was furious this time!

With a complicated glance at Wang Nan Nan, Wu Junhao said, “It’s sister-in-law’s parents and younger brother.”

The moment the words left his mouth.

Lin Lingdong instantly froze.

Wang Nan Nan’s beautiful eyes abruptly flooded with tears, and her eyes swished red.

“Nan Nan, what’s going on? You’ve never mentioned anything about your parents or younger brother.”

When Lin Lingdong saw Wang Nan Nan’s reaction, he was instantly sure of Wu Junhao’s statement in his heart.

“... | .....”

Wang Nan Nan’s heart was like a knife, and in her distraction, she was a little speechless for a moment.

Lin Lingdong’s expression snapped.

He rose indignantly and grabbed Wang Nan Nan’s shoulders: “I respect you and don’t go to probe into your past, why would your past throw such dirty water at me?”

He was the underground king of Lingdong, he had an arrogance that belonged to him alone.

For some things, he could endure and put aside his pride.

But if he could no longer endure, there was no need to endure anymore!

If it was someone else, he wouldn’t have treated Wang Nan Nan with such thunderous fury.

But this time, it was Wang Nan Nan’s real parents and brother who were pouring out the dirty water!

How bloody should this be?

“Lingdong, take it easy.”

Wang Nan Nan looked flustered and hurriedly got up to rub Lin Ling Dong’s chest while crying with pearly tears, “I’ve already cut off my relationship with them, I’ve already cut off my relationship with them long ago, but I didn’t expect ..... that they would be so .....”

“Brazen?”

Lin Lingdong spat out four words coldly.
