

## Winner Takes All Chapter 421-430

### Chapter 421

“Hee hee, didn’t expect that, did you?”

Looking at Ye Linglong who was walking playfully, Chen Dong’s entire body was not well.

The joy of turning defeat into victory was now gone.

Around him, a crowd had apparently started to gather, looking at him and Ye Linglong enviously.

Chen Dong hated this feeling of being watched.

He ignored Ye Linglong and walked straight towards the car.

Ye Linglong’s smiling face stiffened as she stepped up her long legs and quickly walked in front of Chen Dong, stopping him.

“You people, why don’t you have any manners at all? I’ve even come to greet you yeah, for the sake of Hong Hui helping you so much, you respond to die ah?”

“A favour?”

Chen Dong raised his eyebrows, “Having dragged me into the Hong Society, this is considered an exchange, besides, the Hong Society didn’t make much money this time, right?”

Ye Linglong was speechless at the comment.

Her beautiful eyes flickered twice and her red lips opened lightly, “But you can’t be so rude, right? I’m such a big pretty girl, smiling and walking towards you to greet you, and there are so many people watching, and you’re just ignoring me?”

“You really want me to say hello to you?”

Chen Dong’s eyes twinkled as he looked at Ye Linglong.

“Yeah, what’s wrong with that?” Ye Linglong was a little unsure.

The next second.

Chen Dong pulled out the Yuan Zi generation token, “Then kneel down and call Ancestor!”

Ye Linglong: "0? 0"

In an instant, she had the urge to explode in place.

What kind of greeting was this?

It was clear that he was bullying people with his power!

"Still not kneeling down? Do you want to break the rules of the Hong Society?" Chen Dong's expression was cold and his voice was low.

"You're threatening me?" Ye Linglong's chest rose and fell in anger.

Chen Dong smiled coldly, "You guessed it right, it is a threat to you! Kneel or not?"

In full view of everyone, Ye Linglong was torn.

After all, she was a girl, so if she kneeled to Chen Dong in public, she would lose face!

But the rules of the Hong Society were very strict, and there was a great deal of emphasis on seniority.

What's more, Chen Dong was holding a token of the Yuan generation, the same generation as her grandfather.

If he didn't kneel, he would be breaking the rules of the Hong Society.

Ye Linglong felt like a volcano had built up in her chest, and her silver teeth were about to shatter.

Damn it!

Why did this girl have to come to see him?

"Kneel, or not?"

Chen Dong's voice was cold.

The words had just fallen.

An angry rebuke burst out from the crowd, "You're a big man, asking a woman to kneel down to you in public, do you still want to have shame?"

The conversation between Chen Dong and Ye Linglong just now was not deliberately suppressed.

The crowd of onlookers could hear it clearly, and at this moment, when someone rebuked angrily, it immediately led to a mass ruckus.

“Yes, it’s broad daylight, you’re a big man doing this, you’re a beast!”

“Damn, such a beautiful girl, why don’t you have any pity for her?”

However.

There was a poof!

Ye Linglong knelt down on the ground under the gaze of a terrified gaze.

“Linglong has met Ancestor.”

Boom!

This kneeling caused the crowd of excited onlookers to be instantly struck by lightning.

Everyone was dumbfounded.

True ..... had really knelt?

Goodness!

How blind was this stunning girl’s eyes?

Was she so humbled by this man’s conditioning?

Feeling the horrified gazes of the crowd.

Ye Linglong, who was kneeling on the ground, had a feeling like a mane on her back.

But she didn’t dare not kneel, this was the rule of the Hong Society!

A strong sense of shame swept over her heart, and in a flash, Ye Linglong’s beautiful eyes misted up as she clenched her silver teeth: “Are you satisfied now?”

“Good boy! Ancestor will leave first, don’t come and disturb Ancestor next time.”

Chen Dong smiled blandly, raised his hand to pat the top of Ye Linglong’s head blandly and turned around to get into the car.

That was all it took to leave?

He just left so dryly?

Ye Linglong was dumbfounded, her shame and anger grew stronger and stronger, and her delicate body could not help but tremble.

This cheap man, how could he do this to me?

Those two slaps he gave, were they teaching a puppy a lesson?

Tianmen Mountain Villa.

When Chen Dong walked into the house, he did not see Gu Qingying.

Elder Long was sitting with Kunlun and Fan Lu, and all three of them looked a little ugly.

“What’s wrong?”

Chen Dong was about to tell everyone the happy news of Qin Ye’s comeback victory, but when he saw the faces of the three, he could not help but suppress the thought from his mind for the time being.

“Young master, you’ve finally returned.”

Long Lao visibly sighed in relief and pointed upstairs, “Young Madam is upstairs.”

“I’ll go up to look for her.”

Chen Dong smiled, he clearly felt that something was on Gu Qingying’s mind these two days.

He naturally understood Long Lao’s words.

“Mr. Chen wait.”

Just as he was about to turn around, Fan Lu called out to him and turned around and hurriedly ran into the kitchen.

Immediately afterwards, under Chen Dong’s astonished gaze, Fan Lu carried a durian out and stuffed it into his hand without a word.

Chen Dong was instantly confused, “What’s this?”

“It’s useful, go ahead.”

Fan Lu sighed meaningfully.

Chen Dong hugged the durian and went upstairs.

In the bedroom, the thick curtains were tightly drawn, blocking out the setting sun outside.

Gu Qingying leaned back in the recliner, hands holding the phone, looking gloomy, but her beautiful eyes were haunted by a thick fog.

Knock, knock, knock.

A knock sounded at the door.

“Wife, I’m back.”

Gu Qingying was busy wiping the corners of her eyes, squeezing out a smile and said, “What’s the knock on the door when you go into your own bedroom?”

Chen Dong pushed the door and walked in, placing the durian he was holding on the table.

Then he walked towards Gu Qingying with a smile.

Only, as the distance drew closer.

The forced smile on Gu Qingying’s face also disappeared.

“It’s this scent again.”

Gu Qingying’s nose twitched, her heart fluttered, and her expression became more and more gloomy.

Her right hand was quietly clenching her phone.

“What’s wrong?”

Chen Dong saw the change in Gu Qingying’s expression and asked in confusion.

The next second.

Gu Qingying finally couldn’t help it.

Raising her right hand, she handed the phone to Chen Dong.

“Is it this girl?”

The clear, cold voice was thick with aggression.

Chen Dong instantly froze in place, his gaze aghast.

The phone was playing a video.

The video, however, was the scene that had happened between Ye Linglong and him when he had come to pick up the car from Dingtai last time.

It was only because of the angle of filming that the whole video had become somewhat ambiguous.

Plus the eye-catching title: Dingtai boss Chen Dong, red flags at home, colourful flags flying outside.

In an instant.

Chen Dong's jealousy was splitting and a wave of depressed anger thumped up.

He was busy explaining, "Xiaoying, it's not what the video said, I ....."

But Gu Qingying didn't even give him a chance to explain.

He took back his phone on his own and looked at the phone video forlornly.

In a soft voice, she murmured, "This girl is beautiful, I admit it, she's so beautiful that I envy her."

Damn!

Chen Dong's heart instantly rose to his throat, and his face went a little pale.

Immediately after, Gu Qingying sniffled a little.

Her beautiful eyes were misted and she raised her eyes to gaze at Chen Dong: "The scent on you, is it hers?"

"I ....." Chen Dong wanted to explain, but in the face of Gu Qingying at this moment, all the words, apart from heartache and guilt, seemed to be blocked in his throat.

"She has good taste, she should have been born in a very privileged family, right?"

Gu Qingying forced her nostrils to sour, but her voice still couldn't help but tremble: "But why didn't you wipe off her perfume smell when you came home."

## **Chapter 422**

"Little Shadow, listen to my explanation."

Chen Dong was a little flustered.

Gu Qingying, however, shook her head, “No, I shouldn’t blame you, I should blame my own nose.”

As she spoke, the mist that lingered in Gu Qingying’s eyes turned into drops of tears that flowed down the corners of her eyes.

At this moment, Gu Qingying finally couldn’t hold back.

She had been holding back for the past few days.

From the day she became suspicious, she had been cautioning herself ..... that it might just be a misunderstanding.

Because she knew of Chen Dong’s current situation, she did not want to distract Chen Dong.

But the distinctive scent that Chen Dong carried with him when he came home every day was like a heavy hammer that blasted her heart over and over again.

Until, when she saw the online video today, she finally couldn’t help herself.

Looking at Gu Qingying’s pearly appearance.

Chen Dong was completely panicked, he hurriedly went forward and hugged Gu Qingying, “Xiaoying, don’t get excited, you’re carrying a baby now, I’ll explain, I’ll explain to you.”

“Why can’t I get excited?”

Gu Qingying screamed and struggled out of Chen Dong’s arms.

Her eyes were red and tears lingered.

Her delicate body trembled, some of her breath coming out unevenly, and she said hoarsely, “Isn’t the smell of perfume on you, and this video, enough to tell the story?”

“Chen Dong, I’m the one who’s your wife!”

“Don’t you think it’s dirty for you to do something cheating while I’m pregnant?”

The words came out in a near hiss.

Gu Qingying was just on the verge of collapse.

To Gu Qingying, cheating on her husband when she was pregnant was more than just betrayal!

Cheating?

Chen Dong was completely dumbfounded.

Chen Dong was completely confused. His heart was full of anger, as if his chest was full of stones, blocked to the brim.

Looking at Gu Qingying's sad face with pearly blossoms.

It was as if Gu Qingying's hissing just now was still echoing in his ears.

Slap!

Chen Dong fiercely slapped his face.

The sudden scene caused Gu Qingying's eyes to flicker for a moment.

Immediately following.

Chen Dong said in a deep voice, "From the moment I got together with you, I said that I would never let you lose if you bet your whole life on it, and even if I am wolfish and lunatic, I would never hurt my own wife!"

"You came to my side when I had nothing, you came to me without any hesitation, if I still go and cheat on another woman when you are pregnant after I have repaired with you, then what kind of man am I Chen Dong?"

"Xiaoying, do you even have that much trust in me?"

"Trust?"

Gu Qingying smiled sadly and shook her phone, "I trust you, but I also trust my eyes, ears and nose!"

Shit!

Chen Dong was completely anxious and had the urge to freak out.

Which son of a bitch had made up such a video fake news?

Looking at the teary-eyed Gu Qingying, Chen Dong had a feeling of scratching his ears and going crazy.

Pregnant women were most afraid of great joy and grief, and now that Gu Qingying was like this, she would definitely hurt her body!

He once again stepped forward and knelt down on one knee in front of Gu Qingying.

“I really didn’t cheat, but when you cry, I’m just wrong, don’t cry, okay?”

Lifting his hand, he wanted to wipe the tears at the corner of Gu Qingying’s eyes.

But the hand had just reached close to the front.

Pop!

Gu Qingying opened Chen Dong’s hand with a slap.

A clear, cold voice suddenly sounded.

“You go out, let’s sleep in separate rooms from tonight.”

Chen Dong froze.

“Get out!” Gu Qingying whistled shrilly.

Seeing Gu Qingying getting more and more agitated.

Chen Dong did not dare to stay much longer, now that Gu Qingying was in a state, any more explanation would only make her more upset.

“I’ll go and ask Sister Xiao Lu to accompany you.”

Chen Dong turned around, and as he passed by the durian on the table, he suddenly understood why Fan Lu had asked him to carry it up just now.

Just this kind of thing, could kneeling durian solve it?

His heart was full of helplessness.

Chen Dong went downstairs.

The three Long Lao people all looked at him nervously.

The commotion just now, Gu Qingying’s cries, the three of them could hear it all.

“Young master.”

Elder Long got up.

Chen Dong shook his head and said to Fan Lu, “Sister Xiao Lu, please go up and help me comfort Xiao Ying, it hurts her body to cry like this.”

Fan Lu nodded and hurriedly headed upstairs.

In the living room, Long Lao and Kun Lun looked at each other.

The conflict between the two couples had left both of them a bit at a loss.

Chen Dong sat down on the sofa in dismay, scratching his hair fiercely a few times in annoyance.

The thought of Gu Qingying's sad and desperate appearance made his heart ache terribly.

And this, just because of his one meeting with Ye Linglong.

Snap!

Chen Dong guiltily slapped himself.

Elder Long and Kunlun were startled.

Elder Long was busy advising, "Young master, this kind of thing, explain it properly to young madam, it will definitely make sense."

"Right, Young Madam knows her books and is not a brutal and unreasonable person."

Kunlun agreed and added, "But I've heard people say that when a pregnant woman is pregnant, her mood swings can be very strong, so it will take a little more effort for young master to explain this matter."

"As long as I can appease Little Shadow, I am willing to put in even more effort."

Chen Dong stretched his hands helplessly, "But the key is that now Little Shadow is not giving me the chance to explain at all, all explanations feel as if they are a cover-up."

"We all believe that Young Master would not do anything wrong to Young Madam, but Young Madam should be in a state of confusion right now, and with the mood swings of a pregnant woman, it is difficult to calm down for a while."

Elder Long suggested, "Why don't ..... call Ye Linglong here and explain it properly to young madam?"

The three of them confronting each other was obviously the fastest way to resolve the conflict.

But Chen Dong was smiling bitterly, his face full of helplessness.

He had had very little contact with Ye Linglong, but he could also tell that Ye Linglong's character carried a bit of the meaning of a small pepper.

Only a woman who was so strong would ignore her stunning looks to fight for the status of a Hong Society Red Stick.

If it was before, when Elder Long proposed so, he would have agreed in one breath.

But just now, when he was off duty, he was so annoyed by Ye Linglong's harassment that he was so cruel that he "humiliated" Ye Linglong in public.

Now he asks Ye Linglong to come over to help him confront him and explain, is it possible?

Given Ye Linglong's character, Chen Dong felt that it was more likely to add fuel to the fire and make things even darker.

"Young master?"

When Elder Long saw Chen Dong's silence, his heart instantly sank.

Had the young master really done something wrong to the young lady?

The video on the internet, they had all seen it before Chen Dong returned home.

Although it was not spread too widely, because of Chen Dong's identity and Ye Linglong's stunning looks, it made the video hot.

The Ye Linglong in the video, Long Lao asked himself, should be something that few men could refuse.

Even if he knew Chen Dong's nature well, at this moment, seeing Chen Dong's appearance, Long Lao's heart was drumming.

"I don't have one!"

Guessing Long Lao's mind, Chen Dong gritted his teeth and explained, "It's just that when I left work just now, I cleaned up Ye Linglong, and she was so annoyed that she was not able to look good, now that I called her over, I'm not sure if she will help."

"How did you clean up?" Elder Long asked.

Chen Dong rubbed his nose, "Using the Yuan Zi generation token, he made her kneel down and call me Ancestor in public."

Elder Long was instantly confused, followed by a long sigh.

The Kun Lun at the side was also full of helplessness as he murmured, "Young Master, you're packing yourself in too."

Chen Dong gave Kun Lun a sidelong glance, unable to say anything.

What the hell did he know that retribution would come so quickly?

At this moment.

The mobile phone suddenly rang.

When Chen Dong picked it up, his heart thudded.

The caller ID was ..... father-in-law!

## **Winner Takes All Chapter 423-424**

### **Chapter 423**

Elder Long and Kunlun also saw the mobile phone caller ID.

The two men's faces turned pale.

Father-in-law rushed to call at this time, could it be that he already knew about it and had come to ask for punishment?

"Hello, Dad."

Chen Dong picked up the phone and forced a smile.

"Dong'er, why can't Xiao Ying's phone number be reached?"

On the phone, Gu Guohua was a little puzzled, "I've called her several times, but it's all switched off."

"It must have been switched off when the battery ran out, what do you want to do dad? I'll pass it on to her later."

Chen Dong's heart was slightly certain that Gu Qingying had not told Gu Guohua and his wife about the incident.

But the guilt he felt for Gu Qingying grew stronger and stronger.

This silly girl, always fighting alone!

“Hahahaha ..... that’s fine, first of all, congratulations on that bumper crop of ten feet today.” Gu Guohua said with a smile.

Chen Dong said, “And thanks to Dad’s great help.”

“I that just casually made a force, Qin Ye that boy is very capable, and Hong will help, I say help, rather say is to dip into the light of the son-in-law to make money.”

Gu Guohua smiled back, and his tone suddenly became complaining, “But you and Xiao Ying are also hiding it from us, so you didn’t even tell us right away when you were pregnant.

Come over tomorrow?

Chen Dong’s gaze stared.

Right now, he and Gu Qingying had not yet resolved their misunderstanding.

If Gu Guohua and his wife flew over tomorrow, wouldn’t ..... that be a big deal?

But without waiting for Chen Dong to manoeuvre, Gu Guohua on the phone said: “That’s it for now, your mother and I will come over tomorrow, you and Xiaoying don’t come to pick us up, we’ll go to your house ourselves, now back to Tianmen Mountain Villa, right? I heard Xiaoying mention it last time.”

Pop!

The phone hung up.

Chen Dong’s entire body was not well.

Putting down the phone, he leaned back on the sofa and rubbed his face in annoyance.

The call just now had been heard clearly by Elder Long and Kunlun.

“Young master, it’s not good for Gu Guohua and his wife to come over now.”

Elder Long reminded in a deep voice.

It was originally a misunderstanding.

It was between Chen Dong and his wife.

If they took the time to unravel it, the couple would be able to make up.

But if Gu Guohua and his wife knew about it, it would become a matter between the two families.

It would definitely be a big deal!

Once they get involved, it will only affect the relationship between Chen Dong and Gu Qingying.

After all, it was impossible for anyone to remain calm about something like “cheating”.

“But the decision has already been made, so there’s nothing I can do.”

Chen Dong was filled with helplessness and subconsciously glanced upstairs, “I don’t know if Xiaoying has calmed down yet.”

Long Lao became a little anxious: “Perhaps make up a reason for Gu Guohua and his wife to come over later?”

“Shouldn’t it be too late?” Kunlun said.

In the living room, there was an abrupt silence.

The three men looked at each other, all at a loss.

It was difficult for a clear official to determine family matters, even if Elder Long was experienced in a hundred battles and had been through the shopping malls, and even if Kunlun was full of glory from his conquests in the sands, he was still anxious in the face of the current dilemma.

“Let’s wait for the people to come tomorrow, father-in-law and mother-in-law are also reasonable people, they won’t mess around.” Chen Dong stretched his back and said tiredly, “All rest.”

.....

Inside the suburban villa.

Ye Linglong sat on the sofa with a huff, her towering chest heaving violently.

Beside her, Ye Yuanqiu snickered, “Silly girl, still angry? You’ve been angry for a few hours now?”

“Grandpa, can I not be angry? That guy Chen Dong, he’s so angry!”

Ye Linglong immediately retorted, “He actually made me kneel down in public, for goodness sake, I, Ye Linglong, have never been so aggravated in my life.”

“Yo yo yo yo, that’s called a big aggravation, huh?” Ye Yuanqiu was full of disinterest.

Ye Linglong was stunned, “Are you still my own grandfather? You gave Chen Dong his Yuan character generation token, and it was also you and the Dragon Head who decided to invite him into the Hong Society, I was humiliated by him like this, and I blame you for this!”

“If he hadn’t had the Yuan Dynasty token, I wouldn’t have even bothered with him!”

Ye Linglong gnashed her teeth in anger.

Even though she was burning with anger, she was still looking good, and her anger was tinged with a different style.

“Blame grandfather, it’s all grandfather’s fault.”

Ye Yuanqiu laughed strangely, “You don’t bring to hitch him, then why do you still go to hitch him every day?”

“Grandpa, I .....

The first time our Ye family fairy has moved her mortal heart, you little girl’s fancy is written on your face, grandpa can see that.”

In the Hong Society, because of him, Ye Linglong could be considered the jewel in the palm of everyone’s hand in the Hong Society, collecting thousands of favours in one place.

Coupled with her strong personality, her heart was naturally high and powerful.

There is no shortage of admirers among the young handsome men of the Hong Society.

But Ye Yuanqiu knew very well that Ye Linglong had always disdained them.

Ye Linglong had never bothered to take care of the dragons among the gentry families.

Only this Chen Dong made Ye Linglong look like a new person.

Seeing Ye Linglong’s face was almost oozing blood.

Ye Yuanqiu stroked his white beard and laughed, “Linglong, fate is like this, when it arrives, it arrives, when it doesn’t arrive, it doesn’t arrive, a second earlier or later, it doesn’t work, only just right.”

“Grandpa.”

Ye Linglong's eyes flickered and she looked at Ye Yuanqiu with some reluctance.

Ye Yuanqiu patted her head dotingly, "Well, the matter is done, Chen Dong has joined the Hong Society, so tomorrow we should also go back and report to the leader."

"Leaving so soon?" Ye Linglong was a little stunned, her anger disappeared and she was inexplicably a little lost.

Ye Yuanqiu smiled faintly, "Before you leave, you should follow me to Chen Dong's residence, prepare a generous gift, and then find a place to host a banquet to say goodbye to Chen Dong, and also consider it an apology for the nuisance we have caused him."

"Yes, Grandpa." Ye Linglong nodded with a smile as her eyes shone brightly.

Ye Yuanqiu shook his head helplessly, "You."

.....

The next day.

Chen Dong, who had not slept all night, was always disturbed.

Even at Din Tai, he was still worried and could not concentrate on his work.

On one side was the misunderstanding with his wife.

On the other side was the in-laws who would be coming soon.

He really dared not imagine how horrible things would happen if things really came to the ears of his in-laws.

Even though he had already been married once, his three years of marital experience at that time did not allow him to guess what might happen tonight.

Eyes off work.

Chen Dong tried to call Gu Qingying, but the phone was switched off.

He frowned, full of helplessness.

Looking at the time, he estimated that Gu Guohua and his wife should still have a while before they landed at the airport.

So, he drove his car and went straight to the airport.

Although Gu Guohua said there was no need to pick them up, but as a son-in-law, how could he not go to greet his father-in-law and mother-in-law when they arrived?

By the time he arrived at the airport.

It was already eight o'clock in the evening.

Chen Dong found Kunlun and the two of them waited outside the airport together.

"Young master, come out!" Kunlun suddenly said.

Chen Dong hurriedly looked and saw Gu Guohua and his wife walking out from inside the airport.

He was about to go forward to greet them.

Instead, Elder Long's phone call came through.

"Young master, the house is going to explode tonight!"

Long Lao's words caused Chen Dong to be a little stunned, and Chen Dong was busy asking, "What do you mean?"

"Ye Yuanqiu has brought Ye Linglong to the house." Elder Long said in a deep voice.

Chen Dong's body shook and instantly his brain exploded as he blurted out, "Slot!"

## **Chapter 424**

Heavenly thunder hitting earthly fire, was it going to be the end?

Chen Dong felt a little weak and his brain was buzzing.

Was this a coincidence?

Or was it deliberate?

A wave of depressed anger surged up.

The fact that Ye Yuanqiu and Ye Linglong had forced him to join the Hong Society had already made him angry.

It was because of Ye Linglong that he and Gu Qingying were now at loggerheads.

Now the two grandparents had even come to his door.

Even if Chen Dong was able to restrain his emotions, he could not do so at this moment!

“Young master, if you don’t go over, they will get on the car.” Kun Lun reminded.

Chen Dong took a deep breath and suppressed the raging anger in his heart, “Drive them away.”

Snap!

Hang up the phone.

Chen Dong forced himself to act as if nothing was wrong, and quickly walked with Kun Lun to meet Gu Guohua and his wife.

“You kid, didn’t I tell you not to come and pick them up?”

Gu Guohua was a little surprised to see Chen Dong.

“You guys are here, how can I not come to pick up?” Chen Dong smiled as he took the traveling gift and handed it to Kunlun.

Gu Guohua laughed, “Fine, fine, go home, go home.”

On the way Chen Dong and Gu Guohua were talking and laughing, and the atmosphere was happy and harmonious.

But deep down in his heart, Chen Dong knew that this was just the appearance before the storm.

It was just as Chen Dong and his wife were returning to the Tianmen Mountain villa.

In the courtyard of the villa, there was already a lot of noise.

“What makes you think you can kick us out?”

Ye Linglong was filled with anger, pointing at Elder Long and scolding, “We came to the house with gifts, specially to make amends to Chen Dong, where is your way of treating guests like this?”

Elder Long’s face was gloomy and the corners of his eyes were throbbing with veins.

Hospitality?

Just because of the misunderstanding between you and the young master, the family will soon be in turmoil, how can you talk about hospitality?

However, for the sake of Ye Linglong being a junior, Elder Long did not bother with her.

Instead, he looked at Ye Yuanqiu with a deep gaze, "Elder Ye, please also leave, there is a family banquet at home tonight and no outside guests will be entertained."

The words were resounding and could not be refuted.

Ye Yuanqiu's face was as normal.

But Ye Linglong could not help but be patient.

If she hadn't seen it with her own eyes, she would have found it hard to believe what was happening before her eyes.

Grandfather was the only ancestral elder of the Hong Society, and his status was superb.

The international gentry and families were all held as guests of honour.

Even when it came to the Chen family, when it came to the Rothschild family, there were still seats for guests.

But now, when it comes to Chen Dong, a family banquet, and they want to kick him out?

The first floor of the villa.

Fan Lu assisted Gu Qingying and stood in front of the window, just in time to witness the scene downstairs.

She hadn't slept all night, and her face was full of fatigue and sorrow.

Her eyes were red and even a little puffy, caused by a night of crying.

At this moment, staring at the scene in the courtyard, Gu Qingying's silver teeth clenched her red lips, her nostrils bursting with sourness.

The feeling of aggravation was instantly strong to the extreme.

That familiar blue BMW i8, that tilted pose that was exactly the same as in the video.

Was this an attempt to come to the door and declare her sovereignty?

Where the hell did she get the nerve to do that?

Looking at the overbearing Ye Linglong in the courtyard, Gu Qingying felt dizzy for a moment.

Grief exploded.

“Young Madam, pay attention to your health, maybe it’s not what we think?”

Fan Lu paid constant attention to Gu Qingying’s reaction, as a woman, no one understood better than her how much pain Gu Qingying was really in at this moment regarding such a matter.

What’s more, now the “mistress” had even arrived at her door.

Even if she had learned the truth from Chen Dong last night.

But for Gu Qingying now, it was really the “mistress” who had come to her door to provoke her.

“If not this, what else?”

Two lines of tears flowed from the corners of Gu Qingying’s eyes as she cried, “Sister Lu, I suddenly feel like I’m nothing, that girl must be very good, right?”

Fan Lu’s gaze froze.

Looking at Gu Qingying’s grief-stricken and desperate appearance, she suddenly became angry.

“Young Madam, sit down and rest first, you are also pregnant now.”

Fan Lu forced down her anger and helped Gu Qingying sit on a chair.

Gu Qingying took a look at her stomach, and in a flash, her grief increased and her heart felt like a knife.

Fan Lu, however, walked straight to the window, pushed it open and drank at the downstairs.

“Elder Long, what’s the waste of words? If you want to make a move, I’ll come down here!”

The stalemate below had been going on for nearly ten minutes, and the damage done to Gu Qingying in that time was simply unimaginable.

Moreover, Kunlun had secretly told Fan Lu before he left that he was going to pick up Gu Qingying’s parents.

If they didn’t settle this soon, the sky would be stabbed in the back later on!

If softness didn't work, then we had to do it the hard way!

As the 20th assassin on the Death Ranking of the Hidden Killers, Fan Lu was never afraid to give a hard time!

The sudden outburst made the courtyard fall abruptly silent.

Elder Long, Ye Yuanqiu and Ye Linglong tilted their heads to look at Fan Lu at the same time.

Ye Yuanqiu's pupils tightened and his face was covered in a layer of frost.

Ye Linglong had no place to vent her evil anger. It was bad enough that she had been kicked out of her home after sending a proper apology, but now she wanted to take action?

She was a strong personality, and as a Hong Society Red Stick, she could not be oppressed by anyone.

Immediately, Ye Linglong took a step forward, her gaze sternly looking directly at Fan Lu.

In a flash, it was like a needle point facing a wheat man.

Even without speaking, the smell of gunpowder had already permeated the villa and beyond.

It was at this moment.

Long Lao suddenly gritted his teeth, his aura swooshing up, his expression ruthlessly glaring at Ye Yuanqiu.

"Ye Yuanqiu, don't you think that I really don't dare to beat you, the ancestral elder of the Hong Society?"

Ye Yuanqiu's expression remained unchanged, but a ripple lifted up in the depths of his eyes.

With that.

Ye Yuanqiu smiled faintly, "Then I will take my granddaughter away."

After saying that, he gave a fist bump to Elder Long and said, "Linglong, let's go!"

Ye Linglong was horrified and startled.

The anger that had been building up and was about to burst out seemed to have its exit blocked in a flash.

A frightened look surfaced on her absolutely beautiful face as she looked at Ye Yuanqiu incredulously.

Grandpa, when did his temper become so cowardly?

Being ridden into the face and still not getting angry, saying that he would just leave?

“Don’t ask! Go away!”

Ye Yuanqiu said in a deep voice to Ye Linglong, and then said to Elder Long, “Then we will come back another day.”

“Go!”

Elder Long said in a stern voice as he was overbearing.

Looking at Ye Yuanqiu and Ye Linglong leaving.

Fan Lu secretly breathed a sigh of relief, closed the window, turned to Gu Qingying and said, “Young Madam, the people have already left.”

Gu Qingying, however, had long since burst into tears and was crying uncontrollably.

At this moment, Fan Lu was even more powerless to respond, just biting her red lips tightly, faintly cracking a bit and oozing out crimson blood.

This scene, looking at Fan Lu’s heart aches.

And downstairs.

Long Lao stared at the door with a fierce expression, his tightly clenched, sinewy fists under his sleeve robe, slowly unclenching.

He stopped for a long time.

Long Lao murmured a sentence full of helplessness, “It is the old slave who is incompetent.”

He was about to turn around and go back to the house.

Behind him, there was the sound of a car roaring.

When Old Man Long turned around and looked, his pupils immediately tightened.

Two cars!

Chen Dong's car, and the Rolls Royce that Kunlun had driven out!

"Not good!"

Elder Long shouted in his heart and hurriedly turned around to run into the villa.

The car had just entered the villa, and Gu Guohua, who was sitting inside the car, happened to see this scene and was instantly a little puzzled.

"Huh? Dong'er, what's wrong with Elder Long, why did he see us and run back instead?"

Chen Dong's heart sank fiercely.

The situation was not good!

## **Winner Takes All Chapter 425-426**

### **Chapter 425**

When Long Lao saw Gu Qingying crying uncontrollably, he was immediately distressed.

In his eyes.

There was indeed a gap between Chen Dong and Gu Qingying's status and background.

In terms of status and background, the Chen and Gu families were not on the same line.

But Long Lao knew very well.

Chen Dong and Gu Qingying got married, not because Gu Qingying had "married into a rich family", but because Chen Dong was lucky enough to be born.

Even though he was a slave of the Chen family, he had never wavered from this idea in his heart.

All along the way, Gu Qingying had helped Chen Dong with everything she had.

Now, by chance, he had met with something like this.

"Elder Long, is something wrong?"

Gu Qingying raised her hands to wipe her tears while forcing back her sobs and asked.

Elder Long returned to his senses, “Young Madam, your parents have arrived.”

“My parents?”

Gu Qingying was startled for a moment, and then lowered her head with teary eyes as she pondered.

Elder Long and Fan Lu’s expressions changed at the same time.

At this time, what became of the family was all up to Gu Qingying’s mind.

The next second.

Gu Qingying raised her head, but on her tired pretty face, she squeezed out a sad smile.

“Elder Long and Sister Xiao Lu please go down and greet my parents for me first, I’ll wash up and come down.”

Elder Long and Fan Lu left the bedroom.

Gu Qingying wiped the tears from the corners of her eyes as she murmured.

“Gu Qingying, you have to fight na, you can’t let mum and dad find out, it’s you who wanted to choose him.”

“It’s okay, it’s okay, Gu Qingying, you’re strong, right? I’m sure you’ll be able to get through this on your own.”

“Mum and dad are so far away to see the baby, they can’t get angry.”

Taking a deep breath, Gu Qingying stretched hard and struggled to smile before walking into the bathroom.

Downstairs in the living room.

Chen Dong was greeting Gu Guohua and Li Wanqing.

Seeing Elder Long and Fan Lu coming downstairs.

Gu Guohua got up and joked, “Elder Long, what happened to you just now, why did you see us and run away instead?”

“There was some urgent business to get done, and I got confused for a while.”

Elder Long explained and smiled apologetically, “Please forgive me.”

Gu Guohua waved his hand with disinterest, his character was not so stubborn as to stick to this little matter.

Li Wanqing asked, "Dong'er, where is Xiao Ying?"

Chen Dong's hand poured the tea with a slight lurch.

Gu Guohua hurriedly urged, "Yes, let Xiaoying come down quickly, we old couple want to see our little grandson."

Fan Lu hurriedly said, "Madam, Young Madam has just woken up and is washing up."

"This girl, she has no proper behaviour when she's pregnant, she's sleeping from morning to night." Gu Guohua frowned, "How can she be so lazy, I'll have to talk to her later."

Li Wanqing frowned slightly and gave Gu Guohua a sidelong glance.

Chen Dong smiled faintly and explained, "Dad, pregnancy is already hard, so if Xiaoying wants to rest a bit more, just rest a bit more."

At those words.

Gu Guohua smiled.

Li Wanqing's eyebrows were also stretched, revealing a light smile.

As a parent, how could you say your daughter with your mouth, but how could you let go of her in your heart?

Everyone knew how tiring pregnancy was for a woman.

Chen Dong's timely explanation did let the couple see how much Chen Dong loved Gu Qingying.

At this time.

Gu Qingying slowly walked down from upstairs.

Fan Lu was the first to notice and hurriedly went up to help.

"Little Ying!"

Gu Guohua and Li Wanqing also hurriedly gathered around them.

Chen Dong's heart set off huge waves and he looked at Gu Qingying guiltily, with anxiety in his heart.

Gu Qingying had obviously put on make-up, concealing the tiredness and puffy circles under her eyes.

"Mom and Dad, why didn't you tell me in advance that you were coming."

Gu Qingying said with a smile and a soft gaze, as if nothing had happened.

Gu Guohua said helplessly, "We thought of informing you yesterday, but you couldn't get through on the phone, so we told Chen Dong."

Yesterday?

Gu Qingying's eyes flickered for a moment, yesterday was a day she would never forget in her life.

She looked towards Chen Dong with her beautiful eyes and smiled sweetly, "It should be because I fell asleep yesterday and this big fool didn't know to wake me up and then forgot about it."

Chen Dong was stunned.

Panic flashed across his eyes.

Looking at Gu Qingying's forced smile.

At this moment, he felt like countless sharp knives were stabbing hard at his heart, trying to tear it apart.

Guilt raged, and Chen Dong even felt a little dizzy.

He knew how much it really hurt for Gu Qingying to say this sentence now that she was suffering so much pain.

Kunlun visibly sighed in relief.

Fan Lu, on the other hand, glanced at Gu Qingying heartily.

Long Lao smiled bitterly and cast a sidelong glance at Chen Dong, having a wife like this, if the young master could still cheat on his wife, then was he also worthy of the Chen family's headship?

With his experience, he had long since browsed through the 300 feet of the floating world and red dust, so he knew even better how much deeper love Gu Qingying's demeanor contained for Chen Dong.

"Dong'er, have you really forgotten?" Gu Guohua glanced back at Chen Dong.

Chen Dong jerked awake.

After a deep glance at Gu Qingying, he was busy smiling awkwardly and scratching his head, "Yes dad, I really forgot."

"You ah, you can't be too busy with work."

Gu Guohua laughed helplessly, he knew about Chen Dong's recent affairs, so he was right to assume that he had forgotten because he was too stressed and too busy with work.

Because of Gu Qingying's restraint, the atmosphere did seem to be happy and harmonious.

Gu Guohua and Li Wanqing didn't notice the end either, chatting happily with everyone.

The night was getting late.

"With Mom and Dad around, Xiaoying shouldn't sleep in a separate room from me, so I'll just take this opportunity to explain to her properly."

This was the thought in Chen Dong's mind.

Only, what he did not expect was this.

Gu Qingying yawned and took Li Wanqing's arm, "Mom, I haven't seen you for a long time, I miss you, can you sleep with my daughter at night?"

Chen Dong froze, looking at Gu Qingying with a complicated expression, not even giving me a chance to explain.

Elder Long, Kunlun and Fan Lu were also stunned for a moment.

Li Wanqing glanced profoundly at Gu Qingying, smiled slightly and turned to say, "It's not up to mum to decide this, we still have to ask your dad and Dong'er if they agree to it?"

"It's fine, it's fine, I'm happy to be free anyway." Gu Guohua blurted out, prompting Li Wanqing to frown and glare.

Chen Dong squeezed out a smile, "Mum, I promise too, Xiao Ying really hasn't seen you guys for a long time."

"Good then, mum will stay with Xiaoying tonight." Li Wanqing smiled warmly and dotingly stroked Gu Qingying's head.

The night was late and quiet.

Chen Dong slept right next door to the master bedroom.

And inside the master bedroom, Gu Qingying was nestled in Li Wanqing's arms as Li Wanqing gently stroked Gu Qingying's hair.

Mother and daughter had maintained this action for a long time, and had not spoken half a word.

Li Wanqing spoke softly, finally breaking the silence.

"Little Ying, still awake?"

"Mm." Gu Qingying answered softly.

"If you have something on your mind, say it to mommy, and if you want to cry, mommy will hug you." Li Wanqing smiled, revealing a heartfelt look.

Gu Qingying's delicate body trembled.

She looked up at Li Wanqing in shock.

Li Wanqing smiled gently and slowly said.

"It has been a long, long time since you needed mama to sleep with you, and you want mama to stay with you tonight, don't you have something very heavy on your mind?"

## **Chapter 426**

Gu Qingying's torso trembled.

Even though she was pretending to be strong, her eyes were still misting up at this moment.

"You were born in my mother's womb in October, so I can understand your every smile and knit."

Li Wanqing looked gentle, her right hand gently stroked a few strands of green silk in front of Gu Qingying's forehead to behind her ear: "Your heart is in your heart, mommy

can see it, if you don't want to talk about it, mommy won't force you, but if you want to cry, mommy will hold you."

The gentle voice was so soft that Gu Qingying could no longer contain it.

She flung herself into Li Wanqing's arms and wept.

Li Wanqing gently hugged Gu Qingying, her face full of tenderness as she painfully caressed Gu Qingying's back.

In the room, only the sound of Gu Qingying's sobs echoed.

At that very moment.

Li Wanqing's mobile phone lit up and it was Gu Guohua sending a weibo message.

"What's wrong with my daughter?"

"You can see it too?" Li Wanqing soothed while sending back a message.

"Nonsense! Our daughter is the apple of our eye, what kind of reaction does she have, can't I, as a father, see it? Why else would I have casually agreed just now."

Li Wanqing smiled faintly and sent back a message.

"She has already made a family with Dong'er, she doesn't want to talk about it, so we can't ask more."

"What if my daughter holds it in so much and suffocates herself?"

"If we interfere too much, it will only make this little family of the two of them, even more tiring."

Li Wanqing replied with a message, then put down her phone and stopped paying attention to Gu Guohua.

She knew that Gu Guohua was most distressed by Gu Qingying, but she was also clear that it was not the right time to interfere too much.

Between husband and wife, friction and frustration were inevitable.

What one family can work out well, two families can get involved together, and when the time comes, it is not something that the couple can influence.

In the end, Gu Qingying still did not tell Li Wanqing.

The two of them were so tired of crying that Gu Qingying fell asleep in Li Wanqing's arms.

There was no talk all night.

Early the next morning.

Chen Dong opened the door.

He had not slept all night, making him a little tired, and his eyes were a little dark.

When he arrived downstairs, Gu Qingying was already eating breakfast with Gu Guohua and Li Wanqing.

"Honey, today I want to accompany mum and dad for a stroll around." Gu Qingying suddenly smiled and said to Chen Dong.

Chen Dong froze for a moment, he hadn't seen Gu Qingying smile for a few days.

A few short days, but it gave him the feeling of several long years.

"Good, let Brother Kunlun and Sister Xiao Lu accompany you later." Chen Dong nodded his head.

"Okay."

After breakfast, Gu Qingying and the others were the first to leave the villa.

Chen Dong looked at the car driving out of the villa with a complicated expression.

Long Lao walked to Chen Dong's side and said softly, "Young master, grab the time to explain to young madam, old slave's heart hurts when he sees young madam like this."

"Why am I not heartbroken?" Chen Dong smiled bitterly.

Rubbing his tired face, Chen Dong headed to Din Tai Co.

Mount Suribachi.

It was a natural scenic area in the suburbs of the city.

The mountain had fresh air and pleasant scenery.

Many people came to climb the mountain on weekdays to enjoy the scenery, and it was even more popular on weekends.

The Rolls-Royce pulled up at the roadside.

After getting out of the car, Gu Qingying smiled and held Gu Guohua and Li Wanqing's hands: "Mom and Dad, I don't think you've come to climb Mount Sishui for a long time, right?"

"It's been years."

Gu Guohua lamented, subconsciously looking at his own blossoming figure and hesitantly said, "Little Ying, are you really sure you want to take Dad to climb the mountain?"

"Yeah." Gu Qingying smiled sweetly.

Li Wanqing pinched Gu Guohua's arm, "You father, when your daughter wants to climb a mountain, can you still refuse with your big belly? It's not like Mount Suribachi is steep, it's the right thing to do for you to lose weight."

"Fine, fine."

Gu Guohua sucked in cool air backwards while grimacing and agreeing.

Kunlun and Fan Lu fell at the end, looking at the three Gu Qingying who were happily walking towards Mount Suribachi.

Kunlun shook his head helplessly, "It's so uncomfortable to watch the young lady like this."

"I really don't know how on earth she can resist with this thin body." Fan Lu was also heartbroken.

A misunderstanding.

Everyone knew it was a misunderstanding.

But what Gu Qingying had endured as a result of the authorities was far beyond anyone's imagination.

But to be able to pretend that nothing was wrong in front of their parents, Kunlun and Fan Lu both had a hard time in their hearts.

It was also just as the five of them were heading towards the top of Mount Suribachi.

Halfway up the mountain.

“Grandpa, Chen Dong and his family are like that, why do we need to wait? It’s better to go straight away, you’re lucky, all the anger you’ve suffered, and you still have the heart to come climbing the mountain today, you even postponed your trip back to the Hong Society.”

Ye Linglong complained as she walked.

Mount Si Shui was not steep and suitable for exercise, and this amount of exercise for climbing was easy for her.

But when she thought of what happened to her at the Chen family yesterday, Ye Linglong was furious.

How great an honour was it for the Hong Society Ancestor, the Hong Society Red Stick, to personally apologise and make amends at the door?

On the contrary, she was actually driven away by Chen Dong’s servants and even threatened with words!

This was the first time she had ever been angry since she was a child!

“Linglong, there are some things you don’t understand.”

Ye Yuanqiu laughed and looked at Ye Linglong’s angry look and said, “Your straightforward character needs to be changed, otherwise you will suffer in the future.”

“I will beat up whoever makes me suffer!”

Ye Linglong waved her fist fiercely as if she was a little tiger.

Ye Yuanqiu I shook my head helplessly, this was from childhood, spoiled by him and the Hong Society’s group of people.

But yesterday I didn’t see Chen Dong, which made Ye Yuanqiu a bit lost.

Chen Dong has just joined the Hong Society, the most urgent thing is to draw closer relations.

If he left like that, what was the point of inviting Chen Dong into the Hong Kong Association or not?

That was why Ye Yuanqiu had postponed his trip, intending to stay for a few more days to meet Chen Dong properly before returning to the Hong Society.

To pass the time, he had only asked Ye Linglong to look for nearby attractions, intending to take a tour.

“Grandpa, I heard that Mount Suribachi is full of chrysanthemums, it’s the time when they are in full bloom, it should be very beautiful.”

Ye Linglong suddenly said.

“Chrysanthemums?”

Ye Yuanqiu smashed his lips for a moment, “It’s this season, the time is just right.”

The two grandparents walked quickly towards the mountain.

The mountains.

Gu Qingying looked happy, her face like a flower, always showing a smile.

Gu Guohua and Li Wanqing were also happy, but every now and then they looked at each other, but they could see the sadness in each other’s eyes.

Gu Qingying was pretending to be happy, and the couple was pretending to be happy too.

But no one poked through this layer of goodwill.

Kunlun and Fan Lu followed close behind, witnessing the scene, their hearts always hard to speak.

“Mom and Dad, we’re almost at the top of the mountain, it’s full of chrysanthemums these days, it’s going to be beautiful.”

Gu Qingying pulled Gu Guohua and Li Wanqing along and couldn’t help but quicken her pace.

Gu Guohua was startled: “Oh my baby girl, slow down, you’re pregnant with a baby.”

But instead of slowing down, Gu Qingying went faster.

Soon, the group of five arrived at the top of the mountain.

As far as the eye could see, the sea of flowers was lush and fragrant.

Even in the morning, there were many people in the sea of flowers, enjoying the flowers and taking photos.

The three members of Gu Qingying’s family were so amazed by the sea of flowers in front of them that they let out a “wow”.

But at that moment.

An old voice suddenly rang out.

“When autumn comes on the eighth day of the ninth month, a hundred flowers will be killed after my flowers bloom.”

The low chant carried a domineering meaning.

But this voice rang out at the same time.

The smile on Gu Qingying’s face disappeared abruptly.

Fan Lu’s face changed drastically and subconsciously grabbed Kunlun’s arm.

In a low voice, she said, “Brother Kunlun, something is going to happen!”

## **Winner Takes All Chapter 427-428**

### **Chapter 427**

Kunlun looked stunned.

Not waiting to react.

“Yes! It really fits the scene!”

Gu Guohua did not notice Gu Qingying’s change and praised offhandedly.

It was also this praise that caused Ye Yuanqiu and Ye Linglong, who were stationed in front of the flowers, to turn around at the same time.

This moment.

Time seemed to freeze.

Gu Qingying looked at Ye Yuanqiu and the stunning looking Ye Linglong, her heart instantly tangled with a thousand sorrows and pains.

Subconsciously, she took the hands of Gu Guohua and Li Wanqing and gripped their clothes.

Gu Guohua and Li Wanqing felt the strength coming from their arms, and the couple were startled at the same time, looking at Gu Qingying in confusion.

At this time, Ye Yuanqiu's expression was as usual, watching Gu Qingying and the others.

The heart was thick with helplessness, this was ..... too much of a coincidence, right?

Almost at the same time, Ye Linglong then locked on Fan Lu: "It's really a narrow path of injustice, yesterday did not let you beat me, today also chased here?"

"You ....." Fan Lu's expression was stern.

Kunlun, however, gave a secret tug to stop Fan Lu.

He knew that things were big!

Hong Hui Yuan Zi existence, he still knew.

He knew what this chance encounter meant.

Still, Kunlun took a step forward and cupped his fist, "Kunlun has met Elder Ye."

After Ye Yuanqiu nodded in response, Kun Lun then looked at Ye Linglong, his eyes filled with disgust.

"Miss Ye, please also keep your goodwill, this chance encounter, no one wants it to happen."

Ye Linglong's eyebrows immediately knitted together, and an evil fire grew across her heart.

Kunlun's words had a meaning, how could she not hear it?

Recalling the events of yesterday in her mind, the evil fire in Ye Linglong's heart formed a prairie fire.

"You guys know each other?"

Gu Guohua said in dismay.

The words had just fallen.

Gu Qingying, however, lightly tugged Gu Guohua's arm, "Dad, let's go home, suddenly I don't want to enjoy the flowers."

"Stand still!"

Ye Linglong suddenly gave a rebuke.

Gu Qingying's delicate body shook, and her beautiful eyes abruptly flooded with anger. She had desperately tried to hide it, and now she couldn't hide it anymore?

"Little girl, there's no need to be like this, is there?"

Gu Guohua's face sank, he had no reason to be afraid of a little girl he had met by chance.

What's more, now the little girl was berating his daughter!

"What do you mean it doesn't have to be like this?"

Ye Linglong stepped forward and was furious: "My grandfather and I came to the door yesterday with gifts to make amends and apologise, but when you threatened to beat people up and kick us out, did you ever think that it didn't have to be like this?"

"Linglong!"

Ye Yuanqiu's face turned pale and he hurriedly scolded.

But Gu Guohua's face grew gloomier and gloomier: "Making amends and apologizing? Little girl, I don't know who you are, but I believe in my daughter's upbringing and would never do such a rude and brutal thing."

"What? Not yet?"

Ye Linglong instantly burned with anger, raising her hand and pointing at Fan Lu: "She is the one who chided to hit me, the person is right here, don't you know to ask?"

Fan Lu's pupils tightened to the extreme.

Instinctively, her hands clenched into fists.

Faced with Ye Linglong's aggressiveness, she was suddenly a little at a loss for words.

And Kun Lun's face sank at this moment.

He looked askance at Ye Yuanqiu: "Elder Ye, is this how you raise your granddaughter?"

Ye Yuanqiu smiled awkwardly and was about to speak.

"Raising? Do you think I'm not cultured?"

Ye Linglong puffed out her chest and said to Kunlun with an indignant expression, "What kind of person are you Chen Dong? Even Chen Dong he didn't say I was uncultured!"

Boom!

These words fell on Gu Guohua and Li Wanqing's ears and instantly exploded like loud thunder.

The couple could see that something was going on between Chen Dong and Gu Qingying, but since Gu Qingying did not say anything, the two of them could not ask more questions.

But now Ye Linglong's words just made the couple associate a very horrible thing.

"That's enough from you!"

Gu Qingying suddenly turned around and hissed and cried, "What the hell do you want? It was just a chance encounter like this, do you still want to run roughshod over me?"

Faced with Gu Qingying's sudden tears like rain.

The arrogant Ye Linglong was a bit bewildered for a moment.

I just shouted a few words, why do I have to do this?

"What are you yelling at me for?"

Ye Linglong said uncertainly, "My grandfather and I were the victims yesterday!"

"Victims?"

Gu Qingying's eyes were hazy with tears and her red lips trembled, "Who is the victim anyway? Do the perpetrators have to turn black and white upside down now?"

"I ....." Ye Linglong was even more confused, "When did I hurt you?"

"That's enough!"

Gu Guohua was furious, and with a wave of his hand, he pointed at Ye Linglong and said angrily, "You don't learn at a young age, my daughter, Gu Guohua, has never been aggrieved like this, you, a little girl, have a foxy face, but this heart is too poisonous!"

Ye Linglong was even more confused.

Kunlun and Fan Lu had long been frozen.

Who would have thought that last night's thunder hadn't exploded, but in the middle of this excursion today, it suddenly exploded!

Hearing Gu Guohua's scolding, Ye Yuanqiu's brows knitted together.

He stepped forward and stood beside Ye Linglong, his voice cold and stern as he said, "My granddaughter, too, has never been insulted like this before, and what she said is the truth.

"The truth?"

Gu Guohua laughed in anger, and even gnashed his teeth a little: "It's true that the upper beam is not right and the lower beam is crooked, a raccoon of a hill."

The facts from Ye Yuanqiu's mouth sounded to him as if they were confirming the conjecture in his mind!

Nonsense!

What a nonsense!

Li Wanqing, at this moment, also turned blue and subconsciously hugged Gu Qingying.

As a woman, the most intolerable thing was this!

This is the last line of every wife!

"Dad, stop it, let's go, let's go!"

Gu Qingying was completely out of control, facing Ye Linglong's shouting, she had just broken down to the extreme.

All the calmness and forced smiles were just a layer of camouflage, and when this layer of camouflage was pierced, it was a torrent of grief.

"Come on, let's go home, go home!"

Li Wanqing revealed a rare fierce hostility, hugging Gu Qingying and turning around to descend the mountain.

Gu Guohua angrily pointed at Kunlun and Fan Lu: "You go back and tell that beast Chen Dong that my daughter who came to him when he had nothing was someone who loved him, not someone for him to spoil! My Gu family is all about treating him well, my daughter loves him with all her heart, and for him to do such a thing is no different from a beast or an animal!"

Hearing Gu Guohua's angry voice.

Fan Lu lost her blossom, and Kunlun's face was gloomy to the extreme.

It was over!

It was completely finished!

Ye Linglong and Ye Yuanqiu, on the other hand, were dumbfounded, overwhelmed by Gu Guohua's angry scolding.

They waited for Gu Qingying's trio to disappear from sight.

Only then did Ye Linglong come back to her senses: "Grandpa, why can't I understand this matter a bit?"

"What can't you see?"

Fan Lu suddenly gave a cold laugh, "Because of your appearance, it has caused a misunderstanding between Mr. Chen and Xiao Ying, she thinks you are a junior, your shouting and arrogance, in Xiao Ying's eyes, that is junior behaviour, tell me, what else don't you understand?"

"Do you know how much the young madam has suffered because of this incident? If it wasn't for Young Madam crying and swelling her eyes yesterday because of your arrogant appearance, do you think I would be willing to say one more word to you?"

Ye Linglong's torso shook and her mind exploded.

Ye Yuanqiu's face also changed dramatically.

Not waiting for the two grandchildren to say anything.

A cold and majestic killing intent enveloped the two grandchildren's bodies.

Kunlun narrowed his eyes and gazed at Ye Yuanqiu and Ye Linglong.

Eventually, it landed on Ye Linglong.

"If anything goes wrong between my young master and young madam, I, Kun Lun, will not let you go even if you are a descendant of the Hong Society's Yuan Zi generation of ancestors!"

## **Chapter 428**

Feeling Ling Ling's majestic killing intent.

Even Ye Yuanqiu and Ye Linglong had a sense of trepidation like falling into an ice cave.

Looking at Kunlun and Fan Lu who left.

The grandparents and grandsons could not return to their senses for half a day.

Fan Lu's last words were like a great bell, echoing in the ears of the grandchildren.

Meanwhile.

Chen Dong, who was working at Din Tai, suddenly received a call from Kunlun.

After listening to Kunlun's account.

Chen Dong's right hand loosened up.

Dang Teeny .....

The phone slipped off and fell to the ground.

His entire body was dumbfounded and his mind went blank.

Why ..... would this be the case?

After a few seconds passed, Chen Dong's eyes regained focus.

In just a blink of an eye, they were covered in blood.

At this moment, Chen Dong seemed like a bloodthirsty red-eyed beast.

"Why? Why? Damn it, damn it!"

He gritted his teeth as his fists clenched and clicked.

The anger and hatred towards Ye Linglong climbed to the extreme.

A misunderstanding had actually hardened into this because of a chance encounter!

In his anger, Chen Dong found his phone in fear and disorientation.

His breath caught, and his hands even trembled a little.

He found Gu Qingying's mobile phone and dialed it.

On the phone, the desperate sound of a reminder to turn off the phone rang out.

Chen Dong did not stop.

Once, twice, three times .....

Time and time again, reminder after reminder, call after call.

Even Gu Guohua and Li Wanqing's phone tried again and again.

But the result, all of them were turned off!

A strong panic and loss swept through Chen Dong as if it was a flood.

It made Chen Dong fearful and at the same time, like a person drowning, intensely suffocated.

He was clear that if such a misunderstanding was not explained as soon as possible.

Then he ..... would lose .....

Even if Gu Qingying never gave him the chance to explain, he couldn't wait!

"Lone Wolf, prepare a car to go to the airport!"

Chen Dong growled loudly.

Just now on the phone, Kunlun had said that he and Fan Lu had already lost sight of the three Gu Qingying when they got off Mount Suribachi.

And just now, Li Wanqing's words had obviously indicated where they were going.

Chen Dong knew that the three of them would definitely go back to the villa to pack their things.

But it was already too late to rush back.

He also thought of asking Elder Long to stop the trio, but he still suppressed the urge.

The only one who could leave Gu Qingying behind was himself!

All the way.

The car roared and roared, almost to the limit of speed.

Lone Wolf looked grave and alarmed.

From time to time, he looked askance at Chen Dong.

At this moment, Chen Dong made him feel majestic fear.

As for Chen Dong, his red eyes stared ahead, his mouth always urging Lone Wolf:  
“Faster, faster, faster!”

The almost roaring urging was completely devoid of Chen Dong’s usual calmness.

At this moment, a phone rang.

Chen Dong did not even look at it and directly picked up the phone.

“Chen Dong .....

On the phone, Ye Yuanqiu’s voice rang out.

“Fuck you! What face do you still have to find me? If my wife leaves me, I will fight to the end with your Hong Society even if I have to fight for my life! What kind of bullshit Yuanzi ancestors, all of you get the fuck out of here!”

Bang!

The furious Chen Dong shattered his mobile phone onto the counter in front of him.

The pieces flew about.

Lone Wolf shivered in fear and instinctively stepped on the accelerator with his right foot.

The airport on the outskirts of the city.

Planes took off and landed with a roar.

The airport lobby was swarming with people.

Before Lone Wolf’s car had even stopped, Chen Dong had already opened the car door and jumped out.

He rushed into the airport hall in a mad dash.

This scene frightened the people around him and made their faces change.

There was even airport security gathered around.

Chen Dong rushed to the front desk and glared at the staff with a fierce glare, “I want all planes grounded immediately!”

The staff's faces changed drastically, and when they saw Chen Dong's fierce face, they were instantly scared.

And at that moment.

The security personnel also all gathered around Chen Dong.

"Sir, this is a public place, if you do anything to endanger public safety, it's a crime!"

"Bullshit! I want the plane grounded, all of them immediately!"

Chen Dong ignored the security personnel and instead roared at the staff at the counter.

The voice roared like thunder.

It caused countless people to gather around and point.

"This man is crazy, right? Grounding all the planes, who does he think he is?"

"Must just be a madman, this kind of person needs to stay away, don't get hurt by mistake."

"These security guards are polite enough, why don't they just arrest him? He came up here and went crazy, he really thinks the airport is his family's home, huh?"

.....

"Sir, please calm down, there's no way the airport will listen to you."

The staff member settled down a little inside when he saw the presence of security personnel, but Chen Dong's request also left him speechless, even thinking, like the people around him, that the man in front of him was a fool.

"I want my wife, I want all planes grounded immediately!"

Chen Dong, as if he was possessed, clenched his hands into fists and slammed his fist heavily on the counter with a "thud".

"Get him!"

The security personnel made an immediate decision.

At that very moment.

"Stop it! Who dares to touch him!"

Lone Wolf hurried in with a roar.

The security personnel stopped at the same time.

Chen Dong did not pay attention, gritting his teeth and staring angrily at the staff, pointing his backhand at the crowd around him, "Is it just like they said, I run the airport before all planes are grounded?"

The staff laughed disdainfully.

How could they ground the planes?

How can you own the airport?

What a lunatic!

Snap!

The Bauhinia Black Card was thrown at the staff member by Chen Dong.

"Airport, I'll buy it! Ground the flight immediately!"

The staff member was instantly dumbfounded.

And after a second of silence, everyone around also burst out in laughter at the same time.

Such a fuss soon caught the attention of the airport's senior management.

When the airport executives saw Chen Dong and the Bauhinia bank card, they were shocked.

And in the airport lobby.

There was a tide of laughter, accompanied by bursts of curses.

"It was worthwhile for me to catch this flight today, I actually met such a good show."

"Who does this guy think he is? He still wants to buy the airport, throwing out a card and buying it? I'm laughing my ass off!"

"Really a crazy person, who could do such a stupid thing without being crazy?"

.....

A tirade of snickers and laughter.

The airport announcement suddenly blared.

“Due to an emergency, all flights in the airport, are suspended for ten minutes.”

Boom!

An announcement was made, like a big thunderclap.

The hall, which had been deafening with laughter, suddenly became dead silent.

Everyone was dumbfounded and full of disbelief.

Even the security personnel and staff standing beside Chen Dong showed expressions as if they had seen a ghost.

“Check out a passenger called Gu Qingying for me!”

Chen Dong hissed to the staff, “I need to know if she took off or not.”

The staff member woke up with a start and did not dare to slow down, checking in a panic.

Inside the large airport hall.

It was quiet enough to listen to a needle.

The sound of the staff tapping their keyboards rapidly fell clearly on everyone’s ears.

A few seconds later.

The staff member said to Chen Dong with trepidation.

“Sir, ten minutes ago, there was indeed a lady from Gu Qingying who left on the plane.”

“Return to flight, return to flight for me!” Chen Dong was almost on the verge of a rampage and was on the verge of losing his mind.

The staff looked embarrassed.

“Sorry, they left on a private jet and cannot return to the flight.”

## **Winner Takes All Chapter 429-430**

### **Chapter 429**

Inside the Tianmen Mountain Villa.

Chen Dong looked at Gu Qingying's clothes in the wardrobe.

He gave a dishevelled smile, "Determined to leave without even packing his traveling gifts?"

When he received the call from Kunlun, he rushed to the airport at the first opportunity.

Gu Qingying was still able to take off before he arrived at the airport, and could only be that she hadn't gone home from Mount Suribachi at all, but had gone straight to the airport.

Everything at home, and even the line of gifts that Gu Guohua and his wife had brought with them, was proof of that.

Knock, knock.

There was a knock on the door.

"Young master ....."

Elder Long's voice came from outside the door.

Chen Dong rubbed his face and said in a dishevelled manner, "Elder Long, can you leave me alone for a moment?"

"Good."

Elder Long left.

Chen Dong looked at the wedding photo of him and Gu Qingying on the bedside, lost in a daze, his eyes red.

A misunderstanding that he had never thought would turn out like this from the beginning to the end.

Ye Linglong's appearance had become the trigger for the whole incident.

But when he thought of his own indecision before, when he faced Gu Qingying, he could never find a chance to explain, Chen Dong hated to slap himself hard.

If ..... I had been tougher at that time, perhaps there would not have been what happened now.

"Xiaoying ....." Chen Dong lost his soul, Gu Qingying's departure made him feel like something was suddenly missing in his heart, it was so empty.

Inside the suburban villa.

In the living room, there was silence.

The tea on the coffee table billowed up with a curl of smoke.

Ye Yuanqiu and Ye Linglong were both sitting on the sofa with complicated expressions.

Ye Linglong's beautiful face was filled with darkness, her hands tangled together.

Ye Yuanqiu, on the other hand, had a sullen face and deep, thoughtful eyes.

The chance encounter at Mount Suribachi had left the two grandchildren somewhat bewildered until now.

The first time, Ye Yuanqiu wanted to find Chen Dong to explain the situation, but Chen Dong's reaction had invariably told him the outcome.

This was what gave Ye Yuanqiu a headache.

He had deliberately pulled Chen Dong into the Hong Society, and if it really affected Chen Dong because of this matter, he had no doubt that Chen Dong would definitely break with the Hong Society.

Even if ..... Chen Dong was already an ancestor of the Hong Society's Yuanzi generation and enjoyed supreme esteem.

"Grandpa, let's go to Tianmen Mountain."

Ye Linglong's eyes glowed with a slight glow, looking at Ye Yuanqiu expectantly, "This matter started because of me, no matter what, I should also go and apologize."

"That's fine, since I can't contact Chen Dong, it's time to go this way too."

Ye Yuanqiu smiled bitterly, leaning on his crutches, and slowly got up.

Knock knock knock .....

A knock sounded at the door.

Ye Yuanqiu frowned, this villa house from the last century, has long been a mark of the times.

The people who knew about it were few and far between.

“Is it Chen Dong?”

Ye Linglong raised her eyebrows, and as soon as the words left her mouth, she felt that her idea was too ridiculous.

Chen Dong should be as anxious as an ant on a hot pot by now, right?

How could he find his way here?

“Linglong, open the door.”

Listening to the increasingly urgent and rough knock on the door, Ye Yuanqiu said in a deep voice.

Ye Linglong lightly swayed her waist, stepped on her long legs and walked behind the door.

Feeling the force of the knocking on the door, her willow brows frowned slightly and subconsciously, she grabbed a small vase of flowers behind the door.

The Hong Society had a large family, but it had been running rampant for more than 200 years, so it had a lot of enemies, both explicit and implicit.

The rough knock on the door clearly smacked of a bad comer.

The door opened.

When Ye Linglong saw the person outside the door, her whole body froze.

The person outside the door, however, directly ignored Ye Linglong.

He walked into the room with large strides.

Ye Yuanqiu was also stunned for a moment.

The person who came had a sullen face and a dragon’s stride as he walked straight up to Ye Yuanqiu.

“Satisfied?”

Ye Yuanqiu smiled and shrugged his shoulders helplessly, “This was not our intention, it was all a misunderstanding.”

“But this misunderstanding, it’s big!”

The visitor’s voice was hoarse and contained a raging anger in its low tone.

“Senior, grandpa and I have decided to go to Tianmen Mountain Villa and apologise on our doorstep.” Ye Linglong was busy speaking.

“Heh!”

The visitor pulled the corners of his mouth and gave a sardonic laugh, “What a big face, going to him to apologize even after all this?”

Clang!

Before the words left his mouth, there was a flash of cold light in the air.

With a bang, a mountain-opening sword slashed at the coffee table, its body shaking with a buzzing sound.

“How dare you!”

Ye Linglong’s face was pale and she was about to step forward.

Ye Yuanqiu’s face sank, “Linglong, stop!”

After stopping Ye Linglong, Ye Yuanqiu’s face was as deep as water as he looked profoundly at the visitor: “Because of this, you want to kill me with a single slash? You don’t fear the 3,600 gates of the Hong Society?”

“Pretending to be confused, you know, I have always been unafraid of the three thousand and six hundred sects of the Hong Society!”

A cold laugh rang out.

With that, the visitor took a step forward and waved his hand in a staggering shadow.

Slap!

A slap, landing heavily on Ye Yuanqiu’s face.

It was so powerful that it caused Ye Yuanqiu, whose body was weak, to instantly lose his balance and fall onto the sofa, half of his face instantly swelling up.

“You hit my grandfather, damn you!”

Ye Linglong was bursting with rage, as a Hong Society Red Stick, she was not yet afraid of the person in front of her.

She could listen when her grandfather drank, but now that he was being beaten, she could no longer contain it!

In a flash of lightning.

Ye Linglong rushed towards the incoming person and was about to strike with a swing of her fist.

Clang!

There was a flash of cold light.

The mountain-opening knife that was originally chopping on the coffee table was in the air, and the tip of the knife was straight at Ye Linglong's throat.

In an instant.

In the room, the killing intent was overwhelming.

Good, so fast!

Ye Linglong was completely dumbfounded, her whole body froze in place.

Quietly, cold sweat seeped out from the side of her forehead and slid down her cheeks.

Her throat tightened for a moment, and subconsciously she wanted to swallow a mouthful of saliva, but forced herself to hold it back in fear.

Because she was afraid that the slightest wriggle of her throat would touch the tip of the knife.

"Have you had enough? I am an ancestral elder of the Hong Society's Yuan Zi generation, and I let you slap me with this, she is at least an old man's granddaughter, what are you doing with a junior?"

Ye Yuanqiu sat up trembling, even though half of his face was swollen, he still maintained a cloudy, calm and relaxed look.

The Hong Society's Yuanzi generation was above and beyond the world, high above the world, and enjoyed the worship of three thousand six hundred sects.

And this slap, if it were to get out.

If this slap were to go out, it would not only shake the 3,600 Hong Society sects.

Rather, it would be ..... the whole world!

"Ancestral Elder of the Yuan Dynasty, what's that?"

The visitor snorted, and the mountain-opening blade that was resting against Ye Linglong's throat was quietly lowered.

The words were domineering and full of disdain.

Ye Linglong's entire body was dumbfounded.

Her eyes were filled with shock as she looked at the visitor, her heart and soul trembling.

She had never, ever denigrated her grandfather in such a way!

However, Ye Yuanqiu looked as normal, unchanged.

"You have the capital!"

The visitor put away his mountain-opening sword and calmly settled down on the sofa.

Completely ignoring Ye Yuanqiu and Ye Linglong in his eyes, he took care of himself and drained the tea that had been made and not yet consumed.

With that, he got up and left.

A cold word, like a thunderstorm, echoed through the villa for a long time.

"Get lost!"

Until the visitor left.

Ye Linglong was still in a trance and lost in thought.

The scene just now had completely overturned the perception of her grandfather's superiority that she had formed in the Hong Society over the past twenty years.

Half a day.

"Linglong, pack up and go home." Ye Yuanqiu said.

Ye Linglong's delicate body trembled as she looked at Ye Yuanqiu in horror, "Grandpa, that man just now, who the hell was that?"

Ye Yuanqiu smiled with a complicated expression, "Him? Just a myth of immortality in Jianghu."

**Chapter 430**

For a whole day and night.

Chen Dong tried to call Gu Qingying's phone countless times.

But it was all switched off.

The most affectionate companionship, but because of a misunderstanding, Gu Qingying was like suffering death by a thousand cuts.

Chen Dong felt so guilty that it was as if he had fallen into an abyss of darkness and despair.

It was dawn.

Chen Dong, who had not slept all night, finally put down his mobile phone in despair.

The phone was still on the call screen, while the clear system broadcast reminded the other party that the phone was switched off.

Rubbing his face hard, Chen Dong silently got up and went into the bathroom to wash up.

In the dining room.

The aroma was subtle.

But Elder Long, Kunlun and Fan Lu had no appetite.

The matter of Chen Dong and Gu Qingying was tugging at their hearts, making the three of them worried and apprehensive.

"Mr. Chen is coming down." Fan Lu suddenly said.

Elder Long and Kunlun hurriedly got up and greeted Chen Dong.

"Let's eat breakfast."

Chen Dong spoke calmly.

Elder Long and Kunlun looked at each other.

Was this calmness too much?

The expected emotions of grief and pain did not appear, and even the words of comfort prepared by Elder Long and Kunlun had no place to be used.

However, Chen Dong's calmness made both of their hearts hang in their throats.

After taking his seat.

Kun Lun said, "Young master, Ye Yuanqiu and Ye Linglong's grandfather and grandson have already left."

During the chance encounter at Mount Suribachi, he had said that once Chen Dong and Gu Qingying had anything wrong, they would definitely go to Ye Yuanqiu and Ye Linglong.

Last night, he then investigated the residence of the two grandfathers and grandsons and rushed over there in the night.

Only by the time they got there, it was already empty.

"Hmm." Chen Dong sipped on his thin porridge.

Hmm?!

Elder Long, Kunlun and Fan Lu were shocked at the same time.

Chen Dong's calm reaction was simply too abnormal in their eyes.

So abnormal that it made all three of them fearful and scared.

"Young Master ....."

Elder Long slowly spoke, but Chen Dong raised his hand to interrupt.

Chen Dong wiped the corner of his mouth and calmly said, "Elder Long, make arrangements to go to the Desert North King's Landing Group today."

What?!

Elder Long's three people were startled at the same time.

Fan Lu's lips were noisy as she asked, "Not looking for Little Shadow?"

"Light priority."

Chen Dong shook his head, "Little Shadow is following Mom and Dad away and won't be in danger, but my dad can't guarantee that he's safe at all times yet."

Over the course of the night, he was trying to contact Gu Qingying.

He was also thinking about what to do afterwards.

Gu Qingying had left with her father-in-law and mother-in-law, and her safety was guaranteed. What's more, both Gu Qingying and his parents-in-law were still angry, so even if he chased them across the ocean, he would definitely not be able to see them.

On the contrary, father was the most urgent priority.

The fact that his father was in the Desert North King's Landing Group was still just a guess on Chen Dong's part, and he had to verify this guess as soon as possible.

More critically, he had to ensure that his father was now in a safe state.

Even though his father had informed him that he was safe, the head of the titular Chen family had been hiding his whereabouts, he must be scrupulous about something.

And what his father was scrupulous about might just instantly take him from safety into the danger of life and death.

"Old slave will go and make the arrangements." Elder Long nodded his head.

Chen Dong said calmly, "Kun Lun, you and Elder Long will accompany me on this journey together."

Kun Lun nodded and went upstairs to pack.

And Chen Dong looked at Fan Lu again, "Sister Xiao Lu, during the time we are not here, please help me contact Xiao Ying."

"Don't worry, Mr. Chen." Fan Lu nodded her head.

Ten minutes later.

The Rolls-Royce then drove towards the airport on the outskirts of the city.

Along the way, Chen Dong did not stop, but instead, his mobile phone video conference arranged some work processes for Xiao Ma and Lone Wolf to follow up on Din Tai Company.

There were still a lot of things to do!

The love of his children could only be put aside for the time being.

Chen Dong still remembered what his mother had said when she left, and that was ..... her mother's last wish.

When they arrived at the airport on the outskirts of the city, the three of them went straight through the fast VIP lane and boarded the private plane.

Looking out of the window at the sea of clouds, Chen Dong asked in a low voice, "Elder Long, is there a Chen family office where the Desert North King's Landing Group is located?"

"No."

Elder Long shook his head, "The area of Desert North is too vast, coupled with the lack of economy, so the Chen Family office has only been set up in one of the heavy cities, and the location where the King's Landing Group is located is just a small city, which is not up to the necessity of setting it up."

"How small is it?"

Chen Dong suddenly revealed an odd smile.

Elder Long pondered for a moment and said, "The entire city, inside and outside, has less than a million long term residents."

"Small enough indeed."

The smile on Chen Dong's face intensified.

Elder Long was talking about the entire city and beyond, which meant that the population of less than a million was inclusive of the city within, and all the suburbs under the city's jurisdiction!

It was indeed small enough!

"Young Master, is there any problem?" Elder Long was a little peculiar.

Chen Dong rubbed his nose, "The mountains are high and the emperor is far away, and even though the sparrow is small it has all the guts, for the Jun Lin Group to stand in such a small city, wouldn't it become a local giant?"

Long Lao's eyes shot up with a brilliant aura, and he was suddenly enlightened.

Without the Chen family office, didn't that mean there were no more eyes of the Chen family?

This was the real key!

After reacting, Elder Long's emotions rose abruptly and he slapped his palm on his head, "Aiya, why didn't my old slave think of such a crucial place at first."

“Is it really there?”

Kun Lun inquired softly, he was not as thoughtful as Chen Dong and Elder Long.

But to achieve the status of a soldier king, relying on physical strength and fighting skills alone would definitely not do, brain intelligence was also of paramount importance.

“We’ll know when we see it.” Elder Long smiled casually.

Although there was no direct confirmation, the bright eyes and the violently heaving chest from excitement seemed to have said it all.

When the plane landed at the airport, it was already around four o’clock in the afternoon.

Because the city where the Jun Lin Group was located was too small and did not have an airport, Chen Dong and the three of them chose to land in one of the nearest big cities.

After spending half an hour and renting a Mercedes-Benz G, the three of them drove towards the city where the King’s Landing Group was located.

The road was filled with yellow sand, with the desert next door as far as the eye could see.

Occasionally one or two speeding off-roaders could be encountered, but compared to the wide road, it still seemed incomparably cold.

Luckily, sunset in the north of the desert is very late.

So even though it was already 9pm when Chen Dong arrived in the small town, the setting sun was still high in the sky.

“Let’s find a place to stay first.”

Chen Dong was not in a hurry, since he had already arrived at the place, going to the Jun Lin Group became much easier.

It was just as well to take this opportunity to find out from the general population, what the Jun Lin Group was really like!

A group that exists in a small remote town with less than a million people, but has the power to take a share of the pie when the stock market is fighting with the gods.

Then this King’s Landing Group must be something more than just a local group!

The sunset, finally, gradually sank.

After the three of them found a hotel to place their luggage, Chen Dong reentered the car.

Kun Lun, who was driving, asked, “Young Master, where to?”

Chen Dong hesitated for a moment and said, “There should be a bar in this small town, right?”

“A bar?” Elder Long was stunned for a moment.

Then a smile of enlightenment suddenly appeared on his pale face.

And Kun Lun, who was driving, also smiled as he started the car.

Chen Dong smiled and looked out of the car, “What other place is better for poking around than a bar?”
