

WITH YOU 431

Chapter 431: Something very, very, very important (1)

He first point into wechat, in addition to students and project partners sent news, and Lin Jiayi asked him if summer vacation when to go home, and when Yao asked him to play the game of news.

He glanced at the messages, but didn't answer any of them. He cut to text messages.

The first was a bill from 10086 for the previous month.

The second is when Yao sent: "We break off the engagement, when you want to say it?"

"haven't you decided on a Time Yet?"

Ever since he and she split up that day in Changming Mountain, but two days and three nights later, she's already sent him two messages?

Was she that desperate to break off her engagement?

She stared at the screen for a moment, then td the lock screen into her trouser pocket.

He had almost reached the front door, which was open, and there was a servant in the yard cleaning Carrie Lam's car.

The servant saw Lin Jia song come in, stopped the action on the hand, shouted: "Young Master."

Without a single reaction, she walked in a straight line and entered the room.

Porch department, just squat a servant, is open express delivery, see Lin Jiagge come in, immediately get up, helped him take a slipper: "Young Master, you came back?"

Lin Jiagge did not speak, silent bow to change shoes.

The servant continued to open the package and asked, "young master, this is fresh fruit from the air. Would you like to eat it? I'll wash it for you later."

Updates by . com

Lin Jiagge, who had not eaten since morning, was really a little hungry. Facing the servant's qion, she finally opened her golden mouth and said, "what fruits are there?"

The servant took one look at the fruit he was taking out and replied, "Passion Fruit."

Passion Fruit... isn't that one of Dumpling's favorite fruits?

The corners of her lips closed and her voice died.

The servant, believing that her silence was tacit, continued: "Young Master, how do you want to eat your passion fruit? Do you want to drink lemon tea with passion fruit or mix it in Edible bird's Nest?"

"Did I say I wanted Passion Fruit?" She said in a hushed voice, before the servant had finished

The servant was silent for a moment as she choked on her Linjia song.

You Didn't say eat, but you didn't say don't eat..

After a few seconds, the servant continued to speak: "that, in addition to passion fruit, there are loquat, watermelon, pineapple..."

What's the matter? Why are they all soft b

Again, she interrupted the servant. "do you have any normal fruit?"

[passion fruit, loquat, watermelon, pineapple: ? ? ? ? What's wrong with me?].

Lin Jiage left the school at three o'clock in the afternoon. As he approached the gate of the community, he received a phone call.

He casually pulls his phone out of his pocket, glances at the caller ID before taking the call, and is transfixed.

He stared at the screen for a long time, then suddenly remembered, because soft dumplings, he put a very very important thing, to forget..

Because of his stupefaction, the telephone hung up automatically because no one answered.

He was just about to go back when the caller ID came back.

He answers, the facial expression is calm to listen to the voice that comes from inside to cover a face anxiously, walk toward a community.

It wasn't until she stopped breathing that she finally said, "I know, it's my fault... I'll be there tomorrow..."

After hanging up the phone, Lin Jiage saw his wechat and text messages have a lot of unread messages.

Chapter 432: Something very, very, very important (2)

The servant stared in bewilderment at the fruits he had just mentioned, and thought to himself, how is it not normal that the fresh fruits from the air are many times better than those from the supermarket?

However, the servant only dared to complain secretly in the bottom of his heart, but the face was still gentle answer: "in addition to those fruits, there are pomegranates..."

Garnet?

All five of Fudge's favorite fruits?

This time, Lin Jiage didn't even have the opportunity to give the servant the opportunity to continue reporting the names of the fruits, "what kind of fruit is this? Is it for people to eat? Who Let you buy it? The donkey kicked you in the head, didn't it?"

The servant was Linjiage suddenly angry, scared back half a step, and then weak whisper back: "Young Master, you let buy."

He... ?

Linjiage subconsciously want to spray the servant nonsense, naked slander, the result of words are not even close to the mouth, he was quiet down.

It was really his idea... because they were all soft dumplings, and he wasn't sure when she would come to his house, but he thought that as long as he kept the servants stocked with these, as long as she came, she would get them.

No matter how good his original idea was, it seems so superfluous now..

He had hated her so much that he wished that there was no such person as Shi Yao.

How Now, he and she from realize now, but only a short semester, is barely four months time, his life, everywhere can catch her shadow?

After the servant blurted out the fruit that linjiage had bought, she regretted it. She saw linjiage with a cold face and didn't speak for half a day. She thought that she was finished. She was probably going to be fired and was about to start apologizing, the result stands in front of her Lin Jiage, as if she does not exist in general, stepping on slippers, wiped her body, stepping up the stairs.

Lin jiage just to go to his bedroom door, did not have time to open the door, the door next door was pulled open, Lin Jiayi walked out.

Updates by . com

"Yo, ATM, still know how to Go Home?"

Ignoring Lin, she pushed open the bedroom door.

Lin Jiayi see Lin jiage cold facial expression, the smile on the face more brilliant: "Ah? This is the rhythm of bad mood? How? who provoked you? Lovelorn, or uncle come?"

The face of Lin Jiage, who had been wounded by the stab wound, sank lower. As he entered the bedroom, he instinctively wanted to close the door.

Lin Jiayi did not care about Lin jiage, who ignored her throughout the whole journey. Instead, she walked to the top of the stairs, "I sent over some H?agen-Dazs yesterday. Do you want some? I'll get one for you..

Lin Jiage was about to close the door, the sudden pause.

Carrie Lam know, Carrie Lam this is to eat meaning, and asked: "you want to eat strawberry ice cream, or strawberry vanilla ice cream double ball..."

Strawberries, ice cream... isn't that what soft blike to eat again?

And it's my favorite!

Just look at the name of her game. Yao loves ice cream

Lin Jia song silent tight corners of the lips.

Lin Jiayi, who did not look at his expression at all, did not know what he was thinking, and did not care what he was thinking, went downstairs, "My Lovely Yao Yao likes strawberry ice cream best, so I'll have strawberry ice cream too..."

Chapter 433: Never Been In Love Before, How Could There Be A Breakup (1)

Lin Jiayi was still rambling on happily when a loud 'peng' suddenly sounded from behind her, causing her to tremble in fear. Turning her head around, she saw that Lin Jiage's door had already been slammed shut.

"Are you crazy? Why did you bang the door? If you're so awesome, why did you bang your head against the wall? There's an 80% chance that it's a breakup. Oh, no, I've never been in love before, so how could there be a breakup? This is just like a man on his period, and it's even more intense than a woman's reaction..." Lin Jiayi yelled at the top of her lungs, she spat on Lin Jiage's tightly shut door before turning around with a bright smile on her face. She continued walking down the stairs, at the same time, she continued, "... even though I prefer the vanilla flavor, I've thought of a way to get the best of both worlds, and that is to mix the vanilla flavor with the strawberry flavor. That way, I'll be able to eat whatever I like and whatever Yaoyao likes..."

Lin Jiage collapsed into his room until the evening. The Maid went upstairs to call for dinner, and he, who hadn't changed a single bit, finally reacted.

Lin Jiayi was on a diet, and she only ate vegetable leaves for dinner. As such, Lin Jiage was the only one eating in the huge dining hall.

After he took his seat, the maid handed him a bowl and chopsticks before asking, "Young master, do you mainly eat steamed buns or wontons?"

Lin Jiage was wiping his hands with a hot towel when he heard the words 'steamed bun' and 'Wonton', and his movements suddenly froze.

The maid, who didn't notice anything amiss, continued speaking, "Steamed buns filled with crab roe, and Wontons are filled with three fresh fillings..."

Soft Bun had said that she liked steamed buns filled with crab roe, and the first meal he had with her was the breakfast restaurant near the school, so she wanted the three fresh fillings..

This time, Lin Jiage didn't even have the intention to vent his anger.

That was because he was the one who had asked the servants to prepare these dishes.

Seeing that Lin Jiage hadn't spoken for a long time, the servant asked, "Young master, what kind of food do you want to eat?"

Lin Jiage came back to his senses, and his voice was unbelievably calm, "I don't eat staple food anymore."

The servant: "Then I'll bring the dishes to you directly..."

Lin Jiage didn't say a word as he nodded slightly.

Updates by . com

The maid entered the kitchen, and every once in a while, she would place a dish on the table. "This roast was specially sent over from the restaurant according to your instructions..."

"This spicy hot pot was specially taught to us by our family's chef at the Spicy Hot Pot chain restaurant that you mentioned. We've tried it before, and it's not any worse than the ones in the restaurant..."

"Also, this fish is also a dish that your previous chefs learned from you. This crayfish is spicy today, and it's a secret ingredient from the crayfish restaurant that you mentioned. We spent money to buy it..

"This milk tea is just a little bit. The taste that you asked for is milk green with a milk lid..."

"This dessert cake was made by the chef on the old Sir's birthday. This is mango tapioca, this is post-meal fruit, small tomatoes, and blueberries..."

The servant placed all of the dishes on the table, and seeing that Lin Jiage hadn't touched his chopsticks yet, she couldn't help but say, "Young master, you would eat it while it's still hot. It won't taste good once it gets cold."

Lin Jiage stared at the dishes on the table, but he didn't react.

The servant continued, "Young Master?"

Lin Jiage snapped back to his senses, and his reaction seemed to have slowed down for half a beat. After three seconds, his gaze finally fell on the servant, and a few seconds later.., it was only then that he spoke up, "Take these away. You can eat them later. Just finish cooking the instant noodles for me..."

[servant: Oh My God, I've strit rich!].

Chapter 434: Never Been In Love Before, How Could There Be A Breakup (2)

The maid thought that she had misheard him, and she stared at Lin Jiage blankly for a long time before asking with a hint of uncertainty, "Instant noodles?"

Lin Jiage replied with an "Un".

He paused for two seconds, wanting to say 'add a ham sage', but just as the words were about to reach his mouth, he recalled how Shi Yao often ate ham sages when she was playing games with him..

In that instant, the words 'add a ham sage' were stin his throat, and he couldn't say it anymore.

Is the heavens really going to kill me... who can tell me if I'll have anything edible in the future?

Lin Jiage sighed deeply in his heart before waving his hand at the maid, "Go ahead."

Seeing that he didn't seem like he was joking, the maid could only remove all the delicious dishes on the table and head to the kitchen to cook instant noodles.

By the time the maid came out of the kitchen with the instant noodles, Lin Jiage was still seated at the dining table.

He tilted his head and looked out through the bright floor-to-ceiling windows of the dining room.

In the maid's impression, Lin Jiage had never spoken much, but this was the first time she had seen such a quiet person like him. She couldn't help but take a few more glances at him, and it was only then that she realized that Lin Jiage wasn't looking at the night view outside the window, he was in a daze... more accurately speaking, he seemed to be in a daze.

In a Daze?

The maid was taken aback by this realization, so much so that when she placed the instant noodles on the table, she used too much strength to make a resounding sound.

Lin Jiage snapped back to his senses. Without saying a word, he picked up his chopsticks and began eating the instant noodles silently.

Updates by . com

Walking out of the dining room, Lin Jiage received a call from Liang Jiusi.

It's a call from a vicious relative who ruined one's marriage?

Lin Jiage sneered coldly in his heart, and in the next second, he blacklisted Liang Jiusi.

Putting away his phone, Lin Jiage was just about to head upstairs when he suddenly caught sight of the television in the living room. Two servants who had nothing better to do were currently watching the television.

The television was playing a Korean drama, and they were also speaking Korean.

On his way up, he happened to be facing the television, so he took a few more glances at it. However, he soon realized that the plot was about the male lead confessing his love for the female lead..

The male lead's lines were especially moving. "Do you feel that today is especially sweet? In the future, such days will be your daily routine." The female lead: "What do you mean?"

The male lead: "I want to date you."

The female lead was stunned. After about three seconds, the female lead said, "I'm sorry, you're not my type..."

Seeing this, one of the maids couldn't help but exclaim, "Wow, the confession actually failed..."

The confession... failed..

These few words caused Lin Jiage to freeze on the spot.

About three seconds later, he raised his leg. However, this time, he didn't head upstairs. Instead, he walked up to the television and unplugged the television.

Before the two servants could say anything, he suddenly heard a cold voice, "Are you done with your work? Just stay here and watch TV! Did I pay you to come here just to watch TV? If you really have nothing better to do, then go for a jog in the courtyard!"

After saying those words, Lin Jiage left the two servants, who had been stunned by his roar, and headed
airs.

After returning to his bedroom, he collapsed onto his bed once more. He had no idea how long he had
been lying there for, but perhaps it had been a long time, or perhaps it had been a short while, before
someone knocked on his bedroom door.

He pretended not to hear it.

However, the knocking never stopped.

Unable to take it any longer, Lin Jiage got off his bed and walked over to the door. Just as he was about
to furiously knock on the door, the servant suddenly spoke up, "Young master, Miss Shi is here. She
asked me to call you down."

Chapter 435: Lin Jiage Is Homeless (1)

"Young master, Miss Shi is here. She asked me to call you down."

Lin Jiage replied with an indifferent "Un", indicating that he understood.

After which, he was just about to walk out of his bedroom and head downstairs when the words of the
maid suddenly flashed across his mind.

Miss Shi... Shi... Shi Yao... Soft Bun... big white chubby... the one who has been sending me messages
saying that she wants to break off the engagement recently? !

As the series of nicknames flashed across Lin Jiage's mind one by one, he immediately retreated back to
his room and slammed the door on the maid's face.

The maid standing at the door stared at the door that had suddenly been shut tightly. She was stunned
for a moment before raising her head and knocking on the door with a perplexed expression, "Young
master? Little Young Master?"

The servant called out several times, but there was no response. Helpless, she could only turn around
and head downstairs to consult the young mistress.

In the bedroom, Lin Jiage had locked the door one second ago, and the next second, he was pacing
around the room.

Why did she come to his house... what was she doing here? Could it be that he hadn't replied to her
messages for a long time, so he came to ask him personally when he was going to break off the
engagement with her?

There was no need to be in such a hurry. As the saying goes, a hundred days of grace from a husband
and wife. Even though they weren't really husband and wife, they were still half-husband and half-wife,
furthermore, it was six and a half years... she didn't even know how many Hundred Days of grace she
had left, so why should she force him?

No, no, no, he can't see her..

Just as this thought surfaced in Lin Jiage's mind, a knock sounded on his bedroom door once more.

This time, it wasn't the voice of a maid anymore, but Lin Jiayi's elegant voice, "Jiage? Lin Jiage?"

Updates by . com

She had only called him twice before she grew impatient, "Lin Jiage, I'm warning you, don't Test My Patience. I'm only doing this on account that you're on your period. If you don't get out of here on the count of three, I'll have to resort to some unconventional means..."

"Three..."

Didn't they say that elder sisters loved their younger brothers, and elder brothers loved their younger sisters... why didn't he feel any love from Lin Jiayi?

Lin Jiage heard Lin Jiayi already counting ode. He looked around for two seconds before entering the changing room. It didn't take long for him to change into a new set of clothes.

"Two..."

What do you mean by two? From what I can see, you're just a two with bold caps... Lin Jiage thought as he stuffed his phone and wallet into his pocket.

"One..." following which, Lin Jiayi spoke up, "Yaoyao, come up for a moment. Lin Jiage said that he has something to tell you..

Due to the distance between them, the bedroom door was tightly shut, so Lin Jiage couldn't hear Shi Yao's voice. But right after that, he heard Lin Jiayi lowering her voice, she leaned in front of the door and said proudly, "If you're so capable, don't open the door even if Yaoyao is here."

Does he look like someone who doesn't have the ability? Which of Lin Jiayi's eyes saw that he didn't have the ability?

Lin jiage scoffed in his heart before walking toward the changing room.

Along the way, he swiftly calculated in his mind that the height of his window to the ground was around four meters. If he were to jump down from the balcony, that would be equivalent to 2.2 meters, in terms of free fall... acceleration... impact force on the ground... These seemed to be within the tolerable range..

Chapter 436: Lin Jiage Is Homeless (2)

With this thought in mind, Lin Jiage specially picked out a few extra-thick blankets and pillows and walked out of the changing room.

As soon as he stepped onto the balcony, there was a knock on the door behind him. Following which, Shi Yao's voice sounded, "Lin Jiage..."

Lin Jiage's body froze for a moment before he tossed the items in his arms down the stairs. When Shi Yao called out 'Lin Jiage' for the second time, he flipped over without any hesitation and jumped down from the balcony window.

Since he wasn't in his room anymore, there shouldn't be any direct connection between him and whether he could open the door or not, right?

After landing, Lin Jiage tidied up his clothes, picked up the bedding and pillows on the floor, and headed straight to the underground garage. After stuffing the items into his car, he headed straight for the back door, in order to avoid being discovered, he slipped out of his house through the back door along the dark path.

On his way out of the neighborhood, Lin Jiage took out his phone and let Liang Jiusi out of the small dark room. After which, he casually dialed a number.

The call was quickly picked up. Through the phone, he could hear the chaotic commotion on the other end.

Without waiting for Liang Jiusi to speak, Lin Jiage replied, "Where?"

Liang Jiusi yelled out the address.

Lin Jiage didn't say anything else as he pressed the hang-up button. He paused for a moment, thinking that if Lin Jiayi couldn't find him later, she would definitely give him a call, after which, he transferred the call to a phone number that he had left at home all year round.

If he remembered correctly, he had locked the phone in his closet, so Lin Jiayi should be able to find it after hearing the ringtone..

Standing by the roadside, Lin Jiage couldn't help but sigh deeply in his heart as he hailed a taxi.

He had never been so pitiful since he was young... because of soft bun, he had no home to go back to..

Updates by . com

After Shi Yao called out Lin Jiage's name for the third time and received no response, Lin Jiayi's patience finally ran out.

She first knocked on the door twice, but seeing that there was still no response from inside, she immediately raised her foot and kicked the door. However, the door didn't budge at all, thus, she turned to Shi Yao and said softly, "Yaoyao, take two steps back..."

Seeing the gentle expression on Lin Jiayi's face, Shi Yao didn't think too much into it. She obediently replied with a 'un' before taking two steps back.

However, before she could even steady herself after those two steps, Lin Jiayi suddenly raised her leg and kicked heavily at the door.

Following which, with a 'Kacha Kacha' sound, the door shook violently for a moment before opening –

Shi Yao's eyes widened in shock.

SIS... Sis Jiayi... actually kicked the door open?

Looking at the open door, Lin Jiayi clapped her hands and led the way to Lin Jiage's bedroom. "Yaoyao, come in."

She took two steps forward, but seeing that there was no movement behind her, she turned around and saw Shi Yao staring at her in a daze. She was stunned for a moment before she blinked her eyes. Following which, she lowered her head to take a look at the wood chips that had fallen from the broken door lock, she blinked her eyes once more before raising her head to look at Shi Yao with a warm smile, "Yaoyao, let me tell you, the door to Lin Jiage's bedroom is just as faulty as the others..."

Isn't this reason a little too overbearing?

Lin Jiayi pondered for a moment before saying, "His door is locked from time to time for no good reason. In order to prevent trouble, this door was actually broken a long time ago. It didn't take much effort to kick it open..."

Chapter 437: Love Begins From An Accident (1)

At this point, Lin Jiayi couldn't continue making up any more nonsense.

Such serious nonsense... not just yaoyao, even she herself felt that it was nonsense..

Just as Lin Jiayi was thinking about what she should do, Shi Yao suddenly heard the words 'locked from the inside out' and recalled the first time she had entered his bedroom together with Lin Jiage back then, the scene of the two of them being locked from the outside into his bedroom immediately resonated with her, and she nodded her head in agreement, "Oh, I know. There's something wrong with his door."

Eh? Did he believe her? No Way? Even a lie with his eyes wide open could be taken as true?

Lin Jiayi stared at Shi Yao in disbelief for a long while before she finally caught on to the main point, "Yaoyao, how did you know that there's something wrong with his door?"

This... she had only been thinking about replying to sister Jiayi's words earlier, so it was easy for her to make more connections if she forgot about her words..

Just as Shi Yao was thinking about how to respond to Lin Jiayi's words, Lin Jiayi suddenly seemed to have guessed something, she spoke up once more, "Oh, I see. Yaoyao, were you locked inside this door before? When? Were you locked inside together with Lin Jiage? Hurry up and tell me, what did the two of you do after you were locked inside? Was it during the day or at night?"

Lin Jiayi's question caused Shi Yao's face to redden slightly, "Sister Jiayi, that was an accident."

Lin Jiayi replied with a knowing look, "Un un un un, I understand. Love always starts from an accident..."

Lin Jiayi's tone was originally very relaxed, but after saying those words, her eyes suddenly darkened.

That's right... Love always starts from an accident... just like how Qin Ting and I also started from an accident... but in the end, their love was really just an accident.

Shi Yao, who was feeling a little embarrassed by Lin Jiayi's words, blushed even further. She lowered her head and said, "Sister Jiayi..."

Hearing Shi Yao's voice, Lin Jiayi snapped back to her senses for a brief moment, the expression on her face reverted back to the fluttering eyebrows she had a moment ago. "Alright, Alright, I'll stop fooling around... Lin Jiage? Where are you? Come out right now! ATM, can you hear me? If you have the guts, come out right now... eh? Why isn't there anything in the cupboard, under the bed, or even in the toilet? Why did a perfectly fine person suddenly disappear into thin air?"

Updates by . com

If the heavens were to give Liang Jiusi another chance to relive today, he would choose not to tell Lin Jiage his location.

As the saying goes, it's easier to please the gods than to appease them.

In the short five minutes after Lin Jiage arrived, Liang Jiusi already felt as if he had nothing left to live for. His life was filled with gloom, as if he was already in the final stages of depression, a depression that couldn't be cured.

The moment Lin Jiage stepped into the room, Liang Jiusi stood up happily and said, "Brother Jia..."

Before he could finish his sentence, Lin Jiage shot him a cold glare, "Do I know you well? Why Do You Keep Calling Me 'brother'?"

The thirty-seventh second after Lin Jiage stepped into the room, Liang Jiusi chose a song, and just as he reached the climax of his song, he said, "Love is like the blue sky and White Clouds, the clear sky is like a thousand miles, and a sudden storm..."

Following which, Lin Jiage cut the song into, "A flock of ducks have passed by under the bridge in front of the door. Quick, come and count them, two four six seven eight..

The first minute and twenty-seven seconds after Lin Jiage stepped into the room, there was a couple among the friends who had come to play tonight. The man hugged the woman, and just as he was about to kiss her on the lips, Lin Jiage's face suddenly turned cold, with a cold voice, he asked, "Aren't you two being a little too indecent in broad daylight?"

Chapter 438: Love Begins From An Accident (2)

In the second minute and forty-eight seconds after Lin Jiage stepped into the private room, there was a male couple among the group of friends who had arrived that night. The two of them were a little too close to each other, and they would occasionally clink their wine bottles together for a drink, lin Jiage spoke up once more, "Can the two of yot a little further away?"

"..."

Five minutes later, only Lin Jiage and Liang Jiusi were left in the previously bustling room.

Liang Jiushi glanced at Lin Jiage, who was leaning back on the sofa with a gloomy expression on his face. Shaking his head, he sighed deeply before saying, "Don't tell me that you're heartbroken..."

Before he could finish his sentence, Lin Jiage shot Liang Jiushi a piercing glare.

Liang Jiushi immediately covered his mouth in fright. This is bad! He actually got it correctly!

However, he had never fallen in love before, so it couldn't be considered as a breakup. So, was this a scene of a man having a lover and a concubine having no intentions?

Oh My Grandma... I'm afraid that my life is going to be a living hell these days..

Just as Liang Jiushi was secretly lamenting, Lin Jiage reached out and grabbed a bottle of water from the table.

Liang Jiushi rolled his eyes and hurriedly tried to stop him, "You're in a bad mood, drink some wine..."

He was simply too quick-witted. His entire family's intelligence must have been passed down to him. As long as he could get brother Jia drunk wouldn't he be able to live a life of trepidation like he was treading on thin ice?

As Liang Jiushi pondered over this matter, he suddenly spoke up, "... wine is a good thing. It relieves a Thousand Sorrows, and it can make one forget all unpleasant things. Brother, I'll accompany you until you're DrTonight!"

As he spoke, Liang Jiushi picked up two unopened bottles of beer from the table and passed one of them to Lin Jiage. After which, he raised his own bottle to Lin Jiage and poured it into his mouth.

Updates by . com

After Liang Jiushi had drunk about a fifth of the beer, Lin Jiage also brought the bottle to his mouth.

Five minutes later, the beer on the table was completely emptied. Liang Jiushi called for the waiter and brought in another pitcher of beer.

Ten minutes later, Liang Jiushi called for the waiter again, but this time, his words were a little unclear..

Half an hour later, Liang Jiushi was already staggering on his way back to call for the waiter..

Fifty minutes later, Liang Jiushi collapsed to the ground and fell asleep with the beer bottle in his arms..

On the other hand, Lin Jiage maintained his original posture as he sat elegantly on the sofa. He slowly raised the beer bottle and drank the last mouthful before calling for the waiter to continue serving the beer.

As more and more empty wine bottles piled up on the table, Lin Jiage, who had been extremely sober all this while, finally felt a little tipsy.

But not only did he fail to resolve his worries with a single drink like Liang Jiushi had said, his mind actually cleared up even more.

He realized that he was thinking about her..

Or perhaps, he had been thinking about her for the past few days, but he didn't want to face it.

He rejected everything that had to do with her because he was afraid of waking up the tr thoughts in his heart.

He thought that as long as he suppressed the tr thoughts in his heart, over time, it would be as if she had never appeared in his world.

But no matter how hard he tried to escape or how hard he tried to hide, she was everywhere in his world.

Admit it, she's far more important than you think.

Admit it, you like her far more than you think.

Lin Jiage gulped down another bottle of wine, took out his phone, and searched for Shi Yao's phone number.

Chapter 439: I Like You (1)

Lin Jiage gulped down another bottle of wine before taking out his phone to look for Shi Yao's phone number.

He stared at the screen for a moment before making a huge decision. His fingers swiftly tapped on the screen a few times before sending a message over: [I like you, Shi Yao.]

She was the first girl that he had ever fallen in love with, and she was also the first girl that he had fallen in love with.

He admitted that his open confession had been strangled in his throat by her words about breaking off the engagement. He had thought that he should just let it go..

But:

The next day, he was thinking, should he really let it go?

The third day, he was thinking, if he really let it go, what would he do in the future?

..

Up until this moment, he thought, I can't let it go. I Can't let it go. I like her the way I want to marry her. If I let it go, what will I do with my life?

He didn't have the mood to find out whether it was the alcohol that made him brave or the alcohol that made him see his innermost and most true thoughts. He only knew that those words had been kept in his heart for too long. He wanted to tell her, even if he knew.., if she didn't like him, all he would get was a rejection, but he still had to say it.

With this thought in mind, Lin Jiage began moving his fingers once more, "I want to climb the highest mountain with you and drink the strongest alcohol...

“I want to go to the furthest territory with you and take the longest train...”

“I want to go with you...”

Updates by . com

Leng Nuan didn't return home during the summer vacation, so she stayed in Beijing to work. It happened to be her birthday today, so of the four of them in the dormitory room, only Shi Yao was from Beijing. As such, she had specially come to the city from the suburbs to celebrate Leng Nuan's birthday with her.

However, on her way here, her mother had asked her to bring some local eggs to the Lin family.

By the time she finished her dinner with Leng Nuan, it was already eight o'clock in the evening. Fortunately, the place where she and Leng Nuan were at was relatively close to the Lin family, so there wasn't much traffic. Thus, she hailed a taxi and arrived shortly after.

Over the past few days, she had sent Lin Jiage two messages, but she hadn't received any reply from him. Thus, after she arrived at the Lin family residence, she greeted sister Jiayi and asked Lin Jiage if he was at home, while she was at it, she also asked him about the annulment of the engagement.

But who knew that even after making a for half a day, she still couldn't find Lin Jiage..

If she couldn't find him, she wouldn't be able to find him. Shi Yao didn't think too much of it, but Lin Jiayi didn't seem to have any intention of giving up. Not only did she look for Lin Jiage in the toilet bowl, she even rummaged through the trash can..

Seeing that the places Lin Jiayi was looking for were getting more and more bizarre, Shi Yao couldn't help but remind her, “Sister Jiayi, those places can't hide people...”

“Is that so?” Lin Jiayi asked as she removed the lid from the toilet bowl, taking a look inside, she said, “Yaoyao, you're right. Those places can't hide people... But... Lin Jiage isn't human!”

“Yaoyao, let me tell you, I'll dig three feet into the ground to find him. Do youow that he's insulting me?”

“Ever since we were young, the two of us have been playing hide-and-seek. I've never beaten him once. He's definitely provoking me... I don't believe that I won't be able to win even once...”

“Yaoyao, wait a moment. I'll call the people in the company. I want everyone to work overtime overnight to find Lin Jiage for me. I don't believe that I won't be able to find him even after I've turned Beijing de down...”

Chapter 440: I Like You (2)

There was something that she wanted to talk to Lin Jiage about, but she wasn't in such a hurry that she had to see him today... After all, the matter of the annulment had already been delayed for a semester, so she didn't care about it for a day or two..

However, it didn't seem like sister Jiayi's actions were purely because she wanted to talk to Lin Jiage... But the reason was because of her..

Seeing that Lin Jiayi was really starting to make a call, Shi Yao hurriedly rushed forward, she stopped Lin Jiayi and said, "Sister Jiayi, it's possible that he had something urgent to attend to and left without telling you... besides, there's nothing much for me to talk to him about... compared to him, I'd rather chat with you, so forget it..."

Compared to him, I'd rather chat with you..

Those words successfully coaxed Lin Jiayi. Without the slightest hesitation, she put away her phone and said, "For the sake of my little darling yaoyao, I won't argue with that ATM anymore..."

"But Yaoyao, let me tell you this. Lin Jiage is definitely a cheater in hide-and-seek. Do you know how much he loses?"

"When we were young, there was a time when our entire family searched for him for an hour, but we couldn't find him. At that time, Grandpa was so anxious that he nearly called the police. But where he ended up? He was hiding in the deepest part of the swimming pool... if it wasn't for the servants cleaning the pool and draining the water, who would have thought that there was a person hiding there... tell me, why didn't he drown that ATM..."

"This ATM of his is just a passable one, and it's not even an ATM. It's really useless..."

Just like that, Shi Yao ate the fruits prepared by the Lin family's servants, sipped on the coconut water and sipped on the tapioca, and listened to Lin Jiayi's grumbling without even taking a breather. She stayed until ten o'clock in the morning and asked to leave.

As it was too late, Lin Jiayi was really worried about Shi Yao going home alone, so she had the servants call the chauffeur at home.

Unfortunately, Jiang Wangui had arranged for the chauffeur to pick up an important client at the airport.

Hearing the news, Shi Yao immediately replied, "It's alright, I'll just call a private car."

The maid: "Miss Shi, that won't do. A few days ago, a girl's accident in a private car was on the news..."

Compared to the maid's nervousness, Lin Jiayi was much calmer. "There's no need to rush. Just let the chauffeur do his thing. I still have someone I can enslave..."

As she spoke, Lin Jiayi whipped out her phone and dialed the number marked 'Peeping Tom'.

Xia Shangzhou had been buying ice cream for Lin Jiayi and ordering takeout for Lin Jiayi. It wasn't until everyone had gotten off work in the afternoon that he finally had some free time to work.

After working overtime until 9:30 pm, he finally managed to grab a steaming hot bowl of chicken and rice noodles and returned to his boss's room. After taking a good shower, he was just about to enjoy the delicious food when his phone rang.

"Honestly speaking, could it be that I've been possessed by a demon..."

As the song rang out, Xia Shangzhou glanced at his screen. When he saw the words 'female demon', he was so agitated that he choked on the rice noodles.

He immediately began coughing violently. While cng 'female demon, Inhumane'in his heart, he picked up the phone and said in an obsequious tone, "Director Lin, what can I do for You?" Lin Jiayi's tone was cold and haughty, "Come to my door in twenty minutes."

Xia Shangzhou glanced at the rice noodles he had just taken a bite of, "Director Lin, can I..."

Lin Jiayi: "No!"

Xia Shangzhou: "Alright, I'll be right there!".
