### Chapter 441: Could It Be That The Heavens Are Jealous Of Me (1)

“CEO Lin, again...”

Before Xia Shangzhou could finish his words, Lin Jiayi mercilessly hung up the phone.

“Inhumane, she-devil, capitalist. One day, I will rise up and make the decision to sing...” Xia Shangzhou stuffed two mouthfuls of rice noodles into his mouth and changed his clothes, then, he rushed out of the dormitory room, “... honestly speaking, could it be that the heavens are jealous of me? I’ve been abused too much, and I really want to fight back...”

..

Eighteen minutes later, Xia Shangzhou arrived at the Lin Residence’s entrance on time.

When Lin Jiayi escorted Shi Yao out of the room, she heard some noise coming from the neighboring courtyard through the fence, and she couldn’t help but glance over. Seeing Liang Huiling and Liang Mumu in the courtyard, Liang Mumu couldn’t help but burst into tears, she kept on shouting, “Auntie, I was wrong. I really was wrong, Auntie...”

There were two servants in the Lin family, and they might have heard the commotion earlier and were eavesdropping on the situation in the courtyard.

Lin Jiayi couldn’t help but lower her voice and ask, “What’s going on?”

The servant replied, “It seems like Mrs. Liang is sending the Liang family’s young miss to her hometown. The Liang family’s young miss doesn’t want to go back, and Mrs. Liang’s heart has softened from her crying, but Mr. Liang isn’t willing to stay...”

Hearing those words, Shi Yao couldn’t help but frown, and she asked curiously, “Doesn’t Mrs. Liang love her niece very much? Why would she suddenly want to send her back to her hometown?”

The maid replied, “I’m not too sure either, but I heard old Mr. Lin’s words on his birthday. I can’t figure out what’s going on. is that old Mr. Lin Our old Mr. Lin?”

“Oh, I see...” Lin Jiayi replied, but Shi Yao didn’t say a word.

The two of them had attended old Mister Lin’s birthday banquet before, so they could roughly guess the reason.

Liang Mumu cried even more pitifully.

Liang huiling also burst into tears as well, “Hubby, look at how Mu Mu is acting. She must have realized her mistake. She won’t cause any more trouble in the future. Why don’t we just send her away...”

Liang Mumu said with a sobbing tone, “Yes, uncle, I really know my mistake. I Won’t dare to cause trouble in the future. Please forgive me this time. You have always doted on Mu Mu, uncle...”

Liang Huiling's husband seemed to be a little irritated by the crying of these two women, he directly said to the butler standing beside him, "What are you still standing there for? Hurry up and send Miss Cousin to the car. If it's any later, we'll miss the plane!"

After a brief pause, Liang Huiling's husband turned to look at Liang huiling and said, "Go ahead and spoil her. It's all your fault! If you dare to stop me again, you'll have to leave with her!"

Liang huiling and Liang Mumu were probably frightened by Liang Huiling's husband. The two of them simply cried and didn't dare to say anything else.

After the butler urged Liang Mumu a few times, the Hopeless Liang Mumu followed behind the butler and headed for the door.

"Uncle Liang is indeed a wise man. It's fortunate that his son is willing to follow him. If he were to follow Liang huiling, the Liang family would really suffer for eight lifetimes..." Lin Jiayi muttered softly as she noticed that there was no longer any gossip in the neighboring family, she turned to Shi Yao and said, "... Let's go, Yaoyao."

Shi Yao didn't say anything as she walked toward the door with Lin Jiayi.

Even though Liang Mumu left the house earlier than the two of them, they still arrived at the door at the same time.

Following the sound of the door being pushed open, Liang Mumu turned to look at the Lin residence, and her gaze met Shi Yao's.

#### **Chapter 442: Could It Be That The Heavens Are Jealous Of Me (2)**

Tears were still streaming down Liang Mumu's face, and her eyes were extremely red and swollen.

But the moment she laid eyes on Shi Yao, a dense viciousness and viciousness could be clearly seen in her eyes.

Shi Yao frowned slightly and pretended that she didn't see anything. Just as she was about to walk over to the nearby car, Lin Jiayi suddenly spoke up with a vicious tone, "What are you looking at? Haven't you seen a beauty before?"

Liang Mumu's tears quickly fell from Lin Jiayi's fierce eyes.

Even though she hated Shi Yao, she didn't dare to provoke Lin Jiayi. Even her voice was very careful as she said, "Sister Jiayi, I..."

"I what? I don't want to hear it!" Lin Jiayi didn't give Liang Mumu the chance to continue speaking, she coldly interrupted Liang Mumu's words before turning her head to look at Shi Yao, as if she was born with a mask on her face, her stern expression immediately turned gentle as she said, "Yaoyao, remember to give me a call when you get home. I'll wait for your call before going to bed."

"Yes, yes, I understand, Sister Jiayi," Shi Yao replied softly.

"Take it easy on the road..." Lin Jiayi first spoke to Shi Yao with an amiable expression before raising her head to glare at Xia Shangzhou, "... What are you standing there for? Open the car door!"

As a top student of G University, he had actually fallen into the realm of working for a female devil..

Tears and snot streaked down Xia Shangzhou's face as he ran over to help Shi Yao Open the car door.

"Take it easy on the road. It doesn't matter if you die, but it doesn't matter if the car is destroyed. If anything were to happen to My Yao, I'll skin you and Rip out your tendons. After that, I'll boil your meat and roast it for you to drink!" Lin Jiayi waited for Shi Yao to get into the car, after making sure that Shi Yao couldn't hear her voice, she closed the car door and warned Xia Shangzhou.

Xia Shangzhou's tone was so resolute that he almost swore to the heavens, "CEO Lin, don't worry. I'll definitely bring little junior home safely..."

Lin Jiayi didn't say anything else. To be more precise, she couldn't be bothered with him anymore.

Xia Shangzhou waited for a moment before asking, "May I ask, CEO Lin, can I leave now?"

Lin Jiayi waved her hand, gesturing for Xia Shangzhou to leave as soon as possible.

After Xia Shangzhou got into the car, Shi Yao closed the door and said goodbye to Lin Jiayi with a smile on her face, "Sis Jiayi, Goodbye."

"Yaoyao, Goodbye." Lin Jiayi took a step back and waved her hand amiably. Only after the car drove far away did she stop what she was doing and turn around to head home. However, Liang Mumu was still standing at the door, not getting into the car, she paused for a moment before adding, "Miss Lin, Miss Lin, CEO Lin, Miss Lin Jiayi, you can call me whatever you like, but don't call me sister Jiayi!"

Liang Mumu's eyes were once again filled with tears from Lin Jiayi's words.

Lin Jiayi harrumphed coldly in her heart before storming into the house.

..

Upon reaching home, Shi Yao immediately called Lin Jiayi back.

After hanging up the call, Shi Yao wanted to take a shower, but before she could put down her phone, she received a text notification.

She subconsciously glanced at the screen, and it was a text from Lin Jiage.

She thought that he had finally replied to her about canceling the engagement, so she quickly clicked on it. However, she saw six words that she had never dreamed of: "I like you, Shi Yao."

I like you, Shi Yao..

Shi Yao ran those six words through her mind, and with a shake of her hand, her phone fell to the ground with a 'Pa'sound.

### **Chapter 443: You Are My Only One (1)**

I like you, Shi Yao..

Shi Yao ran those words through her mind, and with a shake of her hand, her phone fell to the ground with a 'Pa'sound.

She stood stiffly on the spot for quite a while before bending down and picking up the phone with trembling fingers.

The screen of her phone was already dark. She swallowed a mouthful of saliva before forcefully swallowing it again. After which, she mustered her courage and unlocked her phone once more before entering the text message page.

The text message from Lin Jiage was still quietly stored in her phone.

"I like you, Shi Yao..."

Compared to the shock she felt when she saw those words, Shi Yao's heart was filled with disbelief.

Am I Dreaming? Shi Yao pinched her thigh. It hurts, it's Not a dream..

Then, are my eyes playing tricks on me? Shi Yao rubbed her eyes forcefully once more. Those six words, "I like you, Shi Yao", were still stuck in her phone like a mountain, showing no signs of disappearing into thin air..

Could it be that my phone has malfunctioned? With this thought in mind, Shi Yao began wiping her phone screen with all her might. In the end, she accidentally magnified the words on the screen. Then, she stared at the words "I like you, Shi Yao" that covered the entire screen, and her entire body trembled in fear, in the next second, she threw her phone away and rushed into the bathroom as if she was running for her life.

Throughout the entire shower, Shi Yao was still in a daze.

Either she had applied the shower gel on her hair, or the foam on her head hadn't rinsed yet, so she turned off the shower water, or she had used the conditioner as toothpaste..

All in all, she could have finished her shower in twenty minutes in the past, but after nearly an hour in the bathroom, she was finally done with everything.

Back in the bedroom, she didn't even dare to look at her phone. After applying the lotion and drying her hair, she laid on the bed and wrapped herself tightly in the blanket.

Updates by . com

Only when she could no longer breathe did her head crawl out from under the blanket. Then, the phone beside her pillow rang with a series of 'Ding Dong Ding Dong' notifications.

She was so frightened that she sat up in shock. Without even looking at her phone, she threw her phone to the ground.

It was unknown who sent her the message, but after ringing for a full minute, the phone finally stopped ringing.

The room finally quieted down. Shi Yao lay back on her bed, preparing to force herself to sleep, but her gaze kept drifting to the phone on the floor from time to time.

In the end, Shi Yao couldn't help but pick up the phone.

Then, she saw a series of unread messages from Lin Jiage.

"Do you still remember when we were in French class, teacher asked me to get up to answer your questions. After that, teacher used French to chat with me for a while. You asked me what I talked about with teacher, and how did I answer you back then

"I'll reply to you. If you really want to know, I'll tell you in the future that this future won't be too long... and today is the future of that day."

At the bottom of the message was a paragraph in French. Under Shi Yao's normal state of French, it was a little difficult for her to translate this paragraph. However, under Shi Yao's abnormal state, she felt as if she was reading a heavenly book.

However, the message at the bottom of the French text allowed Shi Yao to understand the meaning of this piece of French.

"That's what my French teacher asked me that day."

#### **Chapter 444: You Are My Only One (2)**

"Translated into Chinese, it means: If I give you a choice, choose a person in this world, accompany you to climb the highest mountain, Drink the strongest wine, go to the furthest territory, take the longest train, ride the highest Ferris Wheel, watch the most beautiful night scenery, wait for the sunrise and sunset, and challenge all the impossibilities between you and her... then this person, do you know who you choose

"I want to climb the highest mountain with you and get drunk."

"I want to go to the furthest territory with you and take the longest train."

"I want to ride the highest Ferris wheel with you and see the most beautiful night scenery."

"I want to wait for the sunrise and sunset with you and then challenge everything that is impossible between you and me."

"I want to take classes with you and sit side by side."

"I want to go to the library with you, read, write, and talk about love

"I want to be with you... I want to be with you

"I want to write a Thousand Mountains, and you will be the one to write

"As long as it's You, Shi Yao."

At the very end, Shi Yao's fingers trembled slightly, and she instinctively clutched her phone tightly in her palm.

She stared at her phone screen for a long time, and it wasn't until the screen automatically locked that the light in front of her suddenly dimmed down that she blinked her eyes and came back to her senses.

Then, she realized that she had been holding her breath the whole time, and her heart was beating faster than ever.

It was really strange... it was not like she had never been confessed to before. On the contrary, ever since she grew up in the summer of her first year of high school, it had become a common occurrence for her to be confessed to when she received love letters and gifts at the beginning of the school year.

Updates by . com

At first, when she was confessed to for the first time, she would be a little overwhelmed, but as the number of times increased, she felt that she had long been trained to be invulnerable in this aspect, even when senior Han Jing confessed to her in front of the entire school, she was actually quite calm in her heart.

Based on her years of experience being confessed to, a text message confession was the easiest to handle. She didn't need to be embarrassed or at a loss. If she wanted to reply, she could reply with a tactful rejection like 'sorry', if she didn't want to reply, she could just pretend that she didn't see it..

But this time, what was wrong with her? The emotions that surfaced weren't the awkwardness from before, nor was she at a loss for what to do in the past. Instead, they were nervousness and panic... there were also some indescribable emotions mixed within..

But no matter how she thought about it, she felt that this scene wasn't realistic, and it wasn't real at all.

How could Lin Jiage possibly fall in love with her?

Could it be... er, could it be that he sent the wrong message? With her name on it, could it be... a friend playing a prank on her phone?

The more Shi Yao thought about it, the more realistic her thoughts became. Thus, she tapped on her keyboard a few times and replied, "Un. May I know... Who Are You?"

The reply came swiftly: "Lin Jiage."

Shi Yao: "Are... You Sure?"

..

Of course! who was he? If he wasn't sure, who was?

After receiving Shi Yao's message, Lin Jiage didn't reply to Shi Yao's message. Instead, he made a call.

A moment later, the call was picked up. Following which, Shi Yao softly replied with a 'hello', and Lin jiage replied, "It's me..."

Before he could finish his sentence, the call was hung up.

..

It was actually Lin Jiage himself who had sent her these messages..

Before Shi Yao could digest the shock, another call from Lin Jiage appeared on her screen.

Instinctively, she reached out her hand and pressed the 'reject' button.

### **Chapter 445: Truth Or Dare (1)**

Lin Jiage called once more, but Shi Yao continued to reject the call. After repeating the call a few times, Shi Yao suddenly recalled that he had been singing on the other end of Lin Jiage's call, so... he was at a KTV?

As this thought flashed through Shi Yao's mind, a thought suddenly flashed through her mind. Following which, she swiftly replied to Lin Jiage's message: [ you're outside? ]

Perhaps it was because she had replied to his message, but he didn't call her relentlessly. Instead, he replied to her with a very lin jiage-like message: [ en. ]

She had really guessed it right... if she was outside, she would definitely have friends, and if she did, she would..

Shi Yao continued asking, [ you... have been drinking? ]

Lin Jiage: [ a little. ]

Shi Yao heaved a sigh of relief, and her typing became a lot more relaxed. "So, you're drunk, and you're still spouting nonsense to me, aren't you?"

This time, Lin Jiage's reply changed from his usual stingy style to one with more words: "What do you think of what I said just now?"

What I said just now... Shi Yao went back and reread it.

Even though it was the second time, she was still provoked by those words..

She discreetly touched her pounding heart and replied honestly, "That's great. It's artistic, fresh, and logical!"

Lin Jiage: "So... have you ever seen someone who's drunk and spouting nonsense that's so artistic, fresh, and logical?"

Is she... walking right up to Lin Jiage and getting slapped in the face?

Could it be... that Lin Jiage is for real?

Updates by . com

What should I do... why is the credibility so low?

Shi Yao pondered for a moment, and she suddenly thought of another possibility, and it was also the last possibility that she could think of.

"Then... are you playing truth or Dare with your friends? It's just a little too similar to the game we played last time. If you lose, you'll either choose to answer the question honestly or be instructed to do something, and you lose... Your friend randomly tapped on a number and asked you to send those words to that person, and that number just so happens to be me, right?"

After tapping on that long paragraph of text, Shi Yao felt that it was definitely the correct answer!

Perhaps it was because her message was too long, or perhaps it was because of some other reason, but after about two minutes, Shi Yao finally received a reply from Lin Jiage: [1: I'm not playing a game. ]

So... the correct answer that she thought she had was wrong? !

Shi Yao froze once more.

Lin Jiage sent another message: [2: I never lose when playing a game. ]

Er... isn't his style a little off? How can he still be in the mood to brag at a time like this?

Shi Yao couldn't help but feel embarrassed for a moment. At the same time, she also managed to calm down the nervousness she had been feeling from his first message.

Lin jiage: "3: No one can order me to do something I don't want to do."

This message is even more arrogant than the last one... Shi Yao stuck her tongue out.

Lin jiage: "4: I'm Not Truth or Dare. I'm Truth's Dare."

Shi Yao's relaxed state only lasted for two messages before it was shattered by the fourth message.

I'm Not Truth or Dare. I'm Truth's dare... This was to tell her that he wasn't playing a game, that he was seriously confessing his love to her, waiting for her answer..

Shi Yao held her breath once more. She stared at the screen for quite some time, and after confirming that there was no way for her to escape, she could only choose to face it head-on. "You... are serious?"

Lin jiage: "Yes."

A second after Shi Yao finished reading the message, a new message popped up on the screen: [ I'm serious. I really like you. ]

## **Chapter 446: Truth Or Dare (2)**

That's right... I'm serious... I'm serious about liking you.

If not for the fact that he had personally called her just now, she would never have believed that the person on the other end of the phone was Lin Jiage.

But now, even if she were to be beaten to death, revived, and beaten to death... she had no choice but to believe that the message Lin Jiage had sent her was serious, real, and real.

She remembered that before the holidays, Lin Jiage had sent her a box of clothes. At that time, he tiantian had even asked her if senior Lin had fallen for her..

At that time, she had replied with absolute determination. It was impossible! There was no way he would fall for me!

She really did think that way... that was what she had been thinking all along. From what she knew, even if she had thought that she had fallen for Lin Jiage, she would never have thought that Lin Jiage would fall for her..

She still remembered that after she replied to He Tiantian's message, she still thought that it was a zero-probability event that Lin Jiage had fallen in love with her. It was as if the Sun had risen from the west, and a pie had fallen from the sky. It was as if there was money to be spent.

With such thoughts in mind, Shi Yao didn't realize that she had already typed the words in her heart into a message, she sent it to Lin Jiage: [ I really didn't expect that the sun would really rise from the west, that a pie would really fall from the sky, and that there would really be money to be spent while lying down... ]

After receiving her message, Lin Jiage replied with three question marks: "???"

Sensing the vibration of her phone, Shi Yao slowly realized that she had sent something. She subconsciously wanted to withdraw her message, but it took a long while before she realized that it wasn't wechat, lin Jiage had already replied to her message, so it was obvious that he had seen it. What was the point of her withdrawing her message..

I Can't panic, I have to calm down, I can't let my thoughts run wild... Shi Yao quietly tried to calm herself down for quite some time before her mind finally cleared up a little. "That, I just messaged you."

Lin jiage: "Oh."

Shi Yao didn't reply to his message. Instead, she began replying to Lin Jiage's message head-on. After a moment of serious contemplation, she began typing: [ I'm sorry, we're not suitable for each other... ]

..

Updates by . com

Not Suitable?

Was he rejected?

Besides, why were they not suitable for each other? He was clearly a perfect match..

Before sending the message, Lin Jiage had already thought that he would be rejected, but when he saw the message, a hint of gloom still surfaced in his eyes. However, he didn't allow her to leave by herself like he did at the top of Changming Mountain, after which, he ignored her and replied to her instead, "Why?"

..

Shi Yao pondered for a moment, she spoke her mind honestly, "Because I never thought of liking you. And in my heart, I don't think that you'll like me either. It's impossible for you to like me. Even if I'm the only girl left in the world, it's impossible for you to like me even if you like a boy. So, we can't do it."

..

I never thought that I would like you... It's not that I don't like you..

Even though his confession had failed as expected, compared to the blow she had dealt him on Changming mountain, this could be considered a turning point..

But what did she mean by saying that we can't do it? He was clearly very good at it!

With this thought in mind, Lin Jiage didn't give up and asked, "You really can't do it?"

..

I didn't realize he had so much patience..

After a moment of silence, Shi Yao replied, "I'm sorry."

The meaning of her three words should be very clear? I don't think he's gonna ask her anymore?

– (beeping)

### **Chapter 447: My First Time (1)**

Yet, never in her wildest dreams did Shi Yao expect to receive a message from Lin Jiage in the next second: "It's alright. I'll come back to ask you about it later."

I'll come back to ask you about it later... What does he mean by that?

Is He indirectly telling me that he's going to officially start courting me from now on?

Wasn't the development of this story... A little too surreal?

Even though Shi Yao was well aware that all of this was real and not a figment of her imagination, she still found it a little hard to believe. In fact, she found it a little hard to accept. She stared at her phone screen for quite some time, after which, she lightly typed out a line of words and sent it out: [ Lin Jiage, are you... sure that you're not playing a prank on me? ]

Lin jiage: "Do I look like someone who has nothing better to do?"

She's not in his head. How does she know if he's bored?

Shi Yao had just finished muttering these words in her heart, on the screen came a new message: "You can refuse my confession, but you can not question my sincerity, you really hurt, you know this is my first time!"

My first time? Does he even know how to use words?

Shi Yao's face reddened slightly before she continued thinking.

Is He... angry?

Alright then... if he's sincere, it seems like I've gone a little overboard to question him over and over again..

But who would have thought that the person who ruined her cake a few months ago in the forest and said that he was going to marry her would actually like her?

Shi Yao puffed up her cheeks and replied, "I don't mean anything by it. I just feel that the messages are making me dizzy and unreal..."

Updates by . com

After sending the message successfully, she didn't receive any reply from Lin Jiage for quite some time.

Shi Yao thought to herself, this fantastical matter has finally come to an end..

She couldn't help but heave a sigh of relief. Just as she was about to put down her phone, it suddenly rang.

Shi Yao instinctively looked at the caller ID on her phone.

Lin jiage..

The next moment, it was as if Shi Yao had grabbed a hot potato and tossed her phone away.

The phone kept ringing, and Shi Yao stretched out her leg to kick the phone even further away.

The phone finally stopped ringing.

Shi Yao patted her chest lightly. Before her heart could recover, her phone rang once more.

Lin jiage must be poisonous!

What about his cold and aloof personality? May I ask who ate him?

His phone was still ringing..

If I don't pick up, I won't have to work tirelessly for the entire night, right?

Shi Yao struggled for a long time before she weakly reached out to pick up her phone. Shaking her fingers, she pressed the answer button.

Shi Yao didn't say a word. Through the phone, she could faintly hear Lin jiage's melodious voice, "I'll slowly like you, slowly become intimate with you, slowly talk about myself, and slowly walk together with you..."

This word... was so ambiguous that it made Shi Yao even more nervous.

Even though it hadn't been that long, the silence between the two sides was unbearable for her. Just as she was thinking about whether she should first ask Lin jiage, "Is something the matter?" Lin Jiage's voice came through the earpiece, "Are you feeling dizzy from reading the message? Is it too surreal?"

Shi Yao hadn't replied yet, or perhaps, Lin Jiage didn't intend to give her a chance to reply. After asking her a question, he paused for two seconds before asking, "Shi Yao?"

He suddenly called out her name, and she instinctively replied with an 'hmm?'.

### **Chapter 448: My First Time (2)**

As her voice trailed off, he spoke once more, "I like you."

Shi Yao was stunned.

She could clearly feel her breathing and heartbeat coming to a standstill in that instant.

She didn't know how long the entire world had been silent for. Perhaps it was just for a moment, or perhaps it was for a very long time. Then, she heard his voice once more, "Is it real now?"

As his words came to an end, the silence on both sides made his voice clear once more.

“Slowly, I’ll cooperate with you, slowly give me to you, slowly fall in love with you, slowly reminisce, slowly grow old with you...”

It was only then that Shi Yao realized what Lin Jiage had said on the phone.

Her heart suddenly started beating uncontrollably, and it was getting faster and faster.

Perhaps it was because she hadn’t spoken for a long time, Lin Jiage spoke up once more, “You...”

That simple word caused all of the cells in Shi Yao’s body to tense up. She didn’t dare to listen to what he was going to say next, she hurriedly interrupted him, “Well, it’s getting late. I’m going to sleep... Goodbye...”

Shi Yao chuckled dryly, and without giving Lin Jiage any chance to react, she hung up the phone.

Soon, her phone screen lit up. It was a text from Lin Jiage: [ good night. ]

She didn’t reply to him. Instead, she turned her phone to silent mode and placed it on the desk furthest away from her bed.

Turning off the lights, Shi Yao lay down on the bed. Not too long after she closed her eyes, the conversation between her and Lin Jiage from the previous call echoed in her ears.

Updates by . com

— Shi Yao.

— HM?

— I like you.

— is it real now?

It’s like a strawberry ice cream ball..

Not only is it not real, it’s even more disorienting, okay?

At this moment, she felt like she was lying on a cotton candy, floating up and down, swaying in the wind... just like a piece of beef in a hot pot, after boiling, it would roll around and around..

Why did Lin Jiage confess his love to her?

Shi Yao rolled over in frustration.

Why did Lin Jiage fall in love with her?

Shi Yao hugged the carrot-shaped pillow and rolled over again.

Didn’t they say that they were friends? If that was the case, how would she react to him in the future?

Shi Yao tossed the carrot-shaped pillow over, and she reached out to grab a strawberry-shaped pillow before hugging it tightly in her embrace.

Senior Han Jing was also her friend, so why didn't she have so many things bothering her when he confessed to her?

That's right! Why did she have to be so troubled and conflicted?

Besides, she already had a man in her heart..

Ahhhh, but it's still so annoying... Shi Yao frantically buried her head into a pile of candy and stuffed toys.

..

After sending 'Goodnight' successfully, Lin Jiage waited for a moment. Seeing that Shi Yao hadn't replied to his message, he decided not to pester her any further. Instead, he put away his phone and continued drinking.

By the time he had finished all the wine on the table, he was really a little drunk.

He leaned against the sofa and sat there for a while. Then he collapsed on the sofa and closed his eyes.

Compared to Liang Jiusi, who was lying on the floor with a bottle of wine in his arms, he was much quieter.

His breathing was very even and his expression was very calm. He looked like he was asleep, but there was a very soft sigh coming out of his mouth, then, with a hazy and tipsy tone, he said softly, "Soft Bun..."

#### **Chapter 449: Shi Yao, We'll Have Plenty Of Time In The Future (1)**

"Steamed bun?" Liang Jiusi suddenly sat up from the floor and asked incoherently, "What stuffed bun?"

Lin Jiage, who was lying on the sofa, opened his eyes at Liang Jiusi's words.

His gaze was a little hazy.

Liang Jiusi shook his head as he looked east and west, "Where's steamed bun? Where's steamed bun?"

Hearing Liang Jiusi's words, Lin Jiage blinked his eyes lightly, and his gaze cleared up a little.

Where steamed bun is, that's none of your business... with this thought in mind, he raised his hand and touched his chest. Then, his entire expression turned hazy once more, as if he was immersed in his own world, muttering to himself, he muttered, "Where's steamed bun? Is there a need to ask such a stupid question?"

As he spoke, the corners of Lin Jiage's lips curled up into an arc. With a smile as pure as a child's, he muttered softly, "The buns are in my heart..."

Liang Jiusi, who hadn't heard Lin Jiage's words clearly at all, continued shouting for a long time, but there was still no sight of the buns, he began shouting once more, "I love eating buns the most, especially the soup dumpling from old song on South Street. It's Super Delicious! Hurry up and give me the buns! I want to eat buns!"

Before Liang Jiushi could finish his drunken words, Lin Jiage suddenly sobered up, "Liang Jiushi, you're asking for a beating, aren't you?"

"It's one thing for you to yell at me, but you still dare to yell at MY GRANDPA..." Liang Jiushi held onto the wine bottle as he rolled on the floor while crying out loud..

Just as Lin Jiage couldn't take it anymore and was about to beat Liang Jiushi to death, Liang Jiushi, who had rolled to the side of the singing platform, picked up the microphone that he had thrown on the floor, "I picked up some meat bones, but I won't let you eat them. I'll let you scold me so that you won't even spare my grandpa, so I won't let you eat them..."

Saying so, Liang Jiushi placed the microphone into his mouth and began chewing on it.

Unable to look straight at the scene before him, Lin Jiage turned his head away with a complicated expression on his face.

Liang Jiushi played with the microphone by himself for a while, and then with one hand holding the wine bottle and the other holding the microphone, he fell into a daze once more.

With his ears cleared, Lin Jiage closed his eyes once more.

Perhaps it was due to the effects of the alcohol, but his mind began to sink once more. Before his consciousness gradually faded away, his vision of her once more appeared before his eyes.

Heaven and earth are black and yellow, and the universe is in a state of chaos. Cold and summer come and go, autumn harvest and winter harvest. Shi Yao, we have plenty of time in the future..

..

By the time Lin Jiage returned home, it was already four in the morning.

Everyone in the house had already fallen asleep, so the huge house was incomparably quiet.

He quietly returned to his bedroom, washed off the stench of alcohol from his body, and lay down on his bed to catch up on his sleep.

When he opened his eyes again, the sun was shining brightly outside, and it was already close to noon.

Lin Jiage washed up briefly before casually picking out a set of home clothes and heading downstairs.

..

The servants on the first floor were done with their work, and they gathered together to chat.

Hearing the commotion from upstairs, someone immediately lowered his voice and said, "Young master seems to have woken up -"

As soon as the servant's voice fell, the other servants ran out of the room, and those who ran toward the servants' rooms ran toward the servants' rooms. Some of the slower ones even slipped into the bathroom..

In just a few short seconds, the originally lively living room was suddenly empty.

..

Lin Jiage slowly made his way down the stairs. He thought that as usual, there would be a servant running up to him to ask him what he wanted to eat?

### **Chapter 450: Shi Yao, We'll Have Plenty Of Time In The Future (2)**

..

Lin Jiage slowly made his way down the stairs. He thought that as usual, there would be some servants running up to him to ask him what he wanted to eat?

However, after he had walked to the sofa in the living room and sat down to rest for about two minutes, not a single servant appeared beside him. Only then did he turn his head around to take a look around the empty living room, a hint of doubt surfaced in his heart.

This is really strange... where did the servants who usually wander around the living room, afraid that others wouldn't know that they were busy, run off to?

Lin Jiage calmly sat on the sofa for a while longer. However, when he saw that no one had appeared, he stood up and walked to the floor-to-ceiling window. He glanced out the window.

There were two maids watering the flowers..

It was the middle of a summer afternoon, and the sun was scorching the ground. Yet, they were actually watering the flowers while staring at the scorching sun?

Should he say that their maids were hardworking? Or should he say that their maids were mentally retarded?

Seeing that the two maids had no intention of returning to the room with sufficient air conditioning, Lin Jiage could only walk over to the door.

Pushing the door open, he was greeted with a gush of hot air. Lin Jiage subconsciously frowned slightly, and he turned to the two servants nearby and said, "You two, come here."

Hearing his voice, one of the two servants' legs trembled, and he nearly fell to the ground. The other was holding a watering can in his hand, and he fell to the ground.

Lin Jiage frowned once more, "You two... Are You Alright?"

The two maids shook their heads furiously, and their voices were all shaky as they said, "I'm... I'm fine..."

"If you're fine, then come in. It's the middle of the day, why are you watering the flowers? Who's going to be responsible for the heat stroke?"

The expressions on the two maids' faces grew even more fearful.

The young master was definitely not concerned about them. Just like yesterday, he was definitely going to make things difficult for them..

Seeing that the two of them weren't speaking, Lin Jiage couldn't help but feel a little impatient. "Come here."

The two servants were so frightened by his tone that they shivered in fear. After which, they stared at each other for a long while before slowly making their way into the room, as if they were on their way to the execution ground.

As soon as the two servants entered the room, Lin Jiage spoke up, "You..."

He only said one word before the two servants spoke up one after the other, "Young master, we were wrong."

"Young master, I'm sorry."

"..."AH, could it be that the sun had really roasted him into a retard?

Lin jiage glanced at the two servants who kept apologizing to him for a moment, and after thinking for a moment, he realized that they were probably apologizing for watering the plants in the afternoon. Thus, he replied unintentionally, "Oh, it's fine. Take care next time."

So... calm? Could it be the calm before the storm?

The two maids glanced at one another discreetly, and the anxiety in their hearts grew even more intense.

Completely unaware of what the maids were thinking, Lin jiage said calmly, "You, help me prepare lunch. You, go upstairs and help me pack my luggage. I have a flight at 3:30 in the afternoon."

A glint flashed across the eyes of the two servants, and one of them even spoke up, "Young master, are you heading out?"

"UN, that's right." Lin Jiage didn't notice the change in the servants' mood. After a moment of contemplation, he added, "I'll probably be away for two months, so I'll need to take some clothes with me."
