### Chapter 541: Helping To Undress (1)

What I'm willing to do..

Since when did Lin Jiage become such a smooth talker?

Without thinking too much into it, Shi Yao blurted out the words in her heart, "It's a little different..."

"What?" Lin Jiage was perplexed.

Hearing Lin Jiage's question, Shi Yao realized that she had let the cat out of the bag. She smiled sheepishly, but since she had already said it out loud.., thus, she decided to just say it out loud, "What I mean is that you're a little different from the way I understand you..."

"How is it different?" Perhaps it was because he had been squatting for too long that he felt a little uncomfortable, but Lin Jiage stood up and casually sat down on the sofa beside him.

His casual actions caught Shi Yao's attention.

Was she bewitched today? Why does it feel like every single move Lin Jiage makes is so seductive?

Shi Yao hurriedly averted her gaze from Lin Jiage, then, she tried her best to compose herself and replied, "That's right. From what I know, you're very arrogant, vicious, and arrogant. On top of that, you're also a little disrespectful and difficult to get in touch with..."

As Shi Yao spoke, she realized that she wasn't being reserved enough, so she hurriedly swallowed the rest of her words, she began to come to a conclusion, "... all in all, the feeling I get from you is that you're from a different world from me, and the distance between us is very, very far..

"But now that we've gotten to know each other, I realize that you seem to be a little different from the one I know. There's a huge difference..."

He had always known that his standing in Soft Bun's heart wasn't high, but he had never thought that his impression of her would be so bad..

Lin Jiage was truly perplexed. Thus, after hearing her explanation, he half-jokingly asked, "It seems like your impression of me in the past wasn't very good. Could it be that I've offended you before?"

Due to Lin Jiage's relaxed tone, Shi Yao didn't think too much of it. She simply went along with his words and continued, "Of course! You broke four pieces of my cake in the small forest at school!"

Lin Jiage:"..."this... is fine?

"Not only that, you even called me a shameless person. You even called me an ugly, dirty, and shabby lass. You even dragged me to the corner of your backyard and warned me not to speak to you outside. You even made me pretend that I didn't know you, and you also told me not to let anyone know of our relationship. Oh, right, what else did you say? If you were to marry me, that name of yours would..."

Before she could finish the last two words, Shi Yao stopped.

She... seems to have gone a little overboard..

Shi Yao glanced at Lin Jiage and saw that his expression wasn't too bad, but she still felt a little uneasy. In order to ease the tension, her eyes darted around for a moment, then, her gaze fell on the two eggs that Lin Jiage had just placed down on the table.

Even though Shi Yao didn't finish her sentence, Lin Jiage knew what she was going to say.

He had once sworn that if he didn't break off the engagement with her, his name would be written in reverse.

He had always been curious as to why she didn't like him. So... so that was the problem..

Back then, he had never thought of liking her, and his words had been unbridled.

But it is his unscrupulousness, hurt her.

## **Chapter 542: Helping To Undress (2)**

Just a moment ago, Lin Jiage was still at a loss whether to laugh or cry when she said that she had destroyed four pieces of cake. But at this moment, the guilt and frustration in his heart had reached its peak.

He could tell that after Shi Yao said those words, she felt a little uncomfortable.

In truth, he had never paid much attention to the feelings of others ever since he was young. In other words, he was born with a silver spoon in his mouth, and he had an innate advantage over others. As such, he didn't need to spend too much effort to care about the feelings of others, this was because most of the time, others were afraid that he would be unhappy, so they put his feelings first.

But for some reason, he began to pay extra attention to her feelings.

She was happy, and he was satisfied.

She was sad, and he was anxious.

She was unhappy, and he was anxious.

Thus, at this moment, he didn't want to see her uneasiness, so he acted as if nothing had happened. Following her line of sight, he looked at the two eggs that she was staring at, thus, he changed the topic, "What are you looking at?"

Hearing Lin Jiage's question, Shi Yao didn't think too much about it. Following her train of thought, she said, "I'm trying to figure out if these two eggs are still edible..."

Lin Jiage:"..."

The next second, Lin jiage: "I can't."

The next second, Lin jiage: "If you want to eat them, I'll boil two eggs for you right now."

Shi Yao hurriedly waved her hands and said, "There's no need, there's no need. I know I can't eat it anymore. I just feel that it's such a shame to waste food. It's so painful to watch..."

Lin Jiage was amused by Shi Yao's cute reaction, and he chuckled softly. After which, he stood up and said, "It's really getting late this time. It's time to rest."

Updates by

"Un un." Shi Yao nodded furiously before standing up together with Lin Jiage.

She had intended to escort Lin Jiage out of the bedroom, but after taking two steps with him, Lin Jiage suddenly stopped.

Just as she was about to ask him what was wrong, Lin Jiage swiftly returned to the table, grabbed the two round white eggs in his hands, and walked toward the bedroom door once more.

Taking in Lin Jiage's actions, Shi Yao couldn't help but have a misconception.

Why did she feel that Lin Jiage took the two eggs because he was afraid that she would eat them?

I'm not that stupid..

Walking out of the bedroom, Lin Jiage said "Goodnight". Just as he was about to close the door for Shi Yao, she suddenly remembered that she had forgotten something important, so she hurriedly asked, "Um... Do you need to change your clothes?"

As she spoke, Shi Yao pointed at Lin Jiage's bloodstained clothes. Before she could finish her sentence, her face reddened, "... um, your arm is injured. Can you take it off? Do you need my help to take off your clothes?"

It was only after hearing Shi Yao's reminder that Lin Jiage realized that he hadn't changed his clothes yet, and he couldn't wait to ask her about it, however, his tone was calm and gentle as he replied, "If you hadn't told me, I would have forgotten about it. I really did come here to ask you for this favor..."

Shi Yao didn't say anything else. With a reddened face, she followed Lin Jiage into his bedroom.

He didn't look for his pajamas first. Instead, he took off his T-shirt right in front of Shi Yao.

As his right arm couldn't be moved, he needed Shi Yao's help to carefully take it off without touching his right arm.

It was a good thing that his shirt was rather loose, so it wasn't too difficult for him to take it off.

After taking it off, Shi Yao said, "I'll help you wash this shirt tomorrow." As she turned to look at Lin Jiage, she saw his bare chest before her..

### **Chapter 543: Slim When Dressed, Strong When Undressed (1)**

He had a slender figure, and he usually looked very thin. However, after he took off his clothes, his chest looked very sturdy and broad.

His fair skin was smooth and smooth, and there wasn't a single blemish to be seen at a glance.

Usually, the majority of Lin Jiage that Shi Yao saw was wearing a t-shirt or a hoodie. Even his shirt was buttoned up tightly, making him look like a clean young man. It was only at this moment that Shi Yao realized that he wasn't wearing any clothes, his collarbone was indescribably exquisite and delicate.

His arms weren't thick, but they were very strong. There was a slightly protruding bone in his wrist, giving off a bone-like beauty.

The current him was completely different from his usual self.

Both of them were beautiful, but he was usually a beautiful sight to behold. Yet, at this moment, his beauty was alluring, stunning, and soul-stirring... it was so beautiful that Shi Yao forgot all about her indecent behavior and shyness, she stared blankly at Lin Jiage's naked upper body.

Sensing Shi Yao's gaze, Lin Jiage didn't seem to have any intention of avoiding her gaze. He just stood there, allowing Shi Yao to stare at him.

In any case, it was going to be hers sooner or later. If she wanted to look at him, he didn't mind letting her look at him as much as she wanted. Even if she wanted to touch him, he wouldn't put up any resistance. He would allow her to do whatever she wanted to him!

Furthermore, the look in Soft Bun's eyes was clearly one of amazement.

Since his character, background, and wealth couldn't tempt her, and the only way to keep her eyes on him was to sell his looks, he was willing to act like a lady in a brothel..

Pui... Who's a lady in a brothel? He's clearly a man, but at most, he's a cow... cow, what cow... he's not that kind of person. Even if he were to sell his looks, he would only sell them to soft bun alone!

With this thought in mind, Lin Jiage, who had been standing in the same position for far too long, suddenly moved his body slightly.

His movement was very light, but it startled Shi Yao, who was staring at him in a daze.

The girl's eyelashes fluttered twice before she quickly lowered her eyelids and averted her gaze from him.

Updates by

Under the bright lights in the bedroom, Lin Jiage could clearly see the redness spreading all the way to Shi Yao's neck and ears.

Is soft bun feeling shy from looking at me?

Suppressing the joy in his heart, Lin Jiage pretended as if he didn't know anything at all. With a calm tone, he said, "I want to take a shower. Can you help me get some plastic wrap from the dining room and wrap this arm up?"

"Oh, okay." Hearing Lin Jiage's voice, Shi Yao glanced at him once more. When she touched his muscular abdomen, she hurriedly lowered her head and stood rooted to the spot for a moment, it was only then that she realized what Lin Jiage meant by his words, so she replied with another "Okay" before running out of his bedroom.

Shi Yao rushed into the dining room and circled around the room. It was only then that she vaguely remembered that she was here to look for Saran wrap. It was only then that she began rummaging around absent-mindedly, finally, she returned to Lin Jiage's bedroom with a saran wrap in her hand.

Lin Jiage looked at the plastic wrap that Shi Yao had handed over and asked politely, "Can you help me?"

Shi Yao nodded furiously and replied with a single word, "Sure." From the corner of her eye, she caught sight of Lin Jiage's chest, and the rest of her words were stuck in her throat.

She lowered her head forcefully before walking up to Lin Jiage and helping him wrap up his injured arm.

#### **Chapter 544: Slim When Dressed, Strong When Undressed (2)**

Even though Shi Yao tried her best to focus all of her attention on Lin Jiage's arm, when she wrapped the saran wrap around his arm, it was inevitable that her fingertips would touch his skin, and her gaze would sweep across his chest.

At first, Shi Yao was still barely able to stabilize her mind, but as time went on, her hands began to tremble more and more. In the end, Shi Yao held her breath and used all of her strength to wrap the Saran wrap around Lin Jiage's injured arm.

A second later, Shi Yao was forced back several steps as if she was running for her life. After putting some distance between her and Lin Jiage, she finally spoke up, "Alright... Alright..."

Compared to Shi Yao's flustered and uneasy state, Lin Jiage seemed much more relaxed. Even the tone of his voice., as calm as ever, he replied calmly, "Thank you, but I'll have to trouble you to wait for me for a while. I still need your help to remove the plastic wrap later."

Lin Jiage paused for a moment before asking, "I won't trouble you, right?"

Shi Yao didn't dare to look at Lin Jiage, so she simply shook her head and said, "No, it's no trouble at all."

Lin Jiage didn't say anything else and headed straight into the bathroom.

After the door closed, Shi Yao finally heaved a long sigh of relief as though she had collapsed.

However, not too long after she heaved a sigh of relief, the sound of running water could be heard from the bathroom.

As the sound of running water drifted into Shi Yao's ears, the image of Lin Jiage's naked upper body that she had just seen suddenly surfaced in her mind..

His figure was really good. Just like his face, it was impeccable.

He had muscles, but they weren't as frightening as those bulky muscles.

His curves were perfect, and his hips and waist were tight. No matter how she looked at it, he had the perfect figure.

Paired with his appearance, he looked just like the soul-stirring young man from a manga. To use a popular phrase on the internet to describe him, he looked skinny when he was dressed, but he looked fleshy when he was naked..

Updates by

Un... am I thinking too much?

As a girl, how could I possibly think about a guy's figure like that? Not to mention, his figure was naked..

Shi Yao shook her head and tossed out the images of Lin Jiage's upper body. Then, in order to prevent her imagination from running wild, she started thinking about the delicacies she loved to eat.

Spicy hot soup, boiled fish, crayfish, bullfrog, ice cream, chocolate, mango pudding, milk..

Just as Shi Yao was lost in her counting, the sound of water in the bathroom finally stopped.

After waiting for about five to six minutes, the bathroom door opened, and Lin Jiage, who had a towel wrapped around his waist, walked out of the bathroom.

Perhaps it was due to his injury, but he didn't wipe his body. Instead, water flowed down his hair, down the contours of his cheeks, onto his shoulders, and down his muscular chest, it went into the towel in his lower abdomen..

Shi Yao only took a glance at it before she averted her gaze in fear.

It wasn't easy for her red and hot cheeks to fade away, but it was as if they were on fire once more.

Fortunately, Lin Jiage didn't stay in Shi Yao's sight for too long before he entered the changing room.

Soon, the sound of a hairdryer came from inside.

His hair was short, so it was very convenient for him to blow it on. After about a minute or two, the changing room quieted down.

A short moment later, Lin Jiage's voice sounded from the changing room, "Yaoyao..."

### **Chapter 545: Between Him And The Wardrobe, There Was Her (1)**

"Here..." Shi Yao replied before hurriedly making her way to the changing room.

The towel on Lin Jiage's body had already been changed into casual pants, but his upper body was still naked. However, the water droplets on his skin had already been wiped dry.

Seeing Shi Yao walk in, Lin Jiage immediately pointed to his right arm which was wrapped in plastic wrap and said, "I'll have to trouble you to help me take this off..."

Shi Yao nodded her head in agreement before swiftly walking over to Lin Jiage. Placing all of her attention on his arm, she stared fixedly at her fingertips while carefully removing the plastic wrap for him.

Just like how she had helped him remove the plastic wrap earlier, even though Shi Yao had tried her best not to look around or touch anything with her fingertips, the corner of her eyes and her fingertips would still touch his skin from time to time.

At the very end, there was no need for her to stare at the plastic wrap like before. In order to relax a little, Shi Yao averted her gaze, and her gaze fell on the mirror behind Lin Jiage.

Through the large and bright floor-to-ceiling mirror, Shi Yao could see Lin Jiage's perfectly smooth back..

Shi Yao reflexively shifted her gaze from her face to the left, and through the makeup mirror, she could see Lin Jiage's half-naked upper body... she had no choice but to shift her gaze to the right, and through the decorative mirror on the right.., what she saw was his half-naked upper body..

Is it poisonous? Why are there so many mirrors in his dressing room? No matter where she looked, she could see his half-naked upper body..

Shi Yao, who had her eyes darting around in all directions, could only lower her head once more to look at Lin Jiage's arm.

So, it turned out that the place she had looked at in the beginning was the most reserved.

Calming herself down, Shi Yao removed the plastic wrap from Lin Jiage's arm and heaved a sigh of relief. Just as she was about to leave, Lin Jiage's arm suddenly appeared before her.

Shi Yao subconsciously retracted her intention to leave, and she saw Lin Jiage's arm reaching into the closet behind her, rummaging through it for clothes.

There was a space between him and the closet, and there was a space between them.

Updates by

Due to the distance between them, it was inevitable that his body would lean forward when he reached out his hand, causing his upper body to move closer to Shi Yao's face.

Even though his chest and her face didn't touch, they were still very close to each other, so close that Shi Yao could feel the heat emanating from his skin.

The unique fragrance of his body and the faint fragrance of his body lotion mixed together, and they continued to seep into Shi Yao's nose.

It was as if Shi Yao's acupoints had been struck, and she froze on the spot, not daring to move at all.

Even her breathing and heartbeat were clearly a few beats too late.

After an unknown period of time, perhaps it was a very long time, or perhaps it was a very short time, Lin Jiage finally picked out his clothes and stood up straight.

Only then did Shi Yao dare to take a deep breath of air. She took the clothes from Lin Jiage's fingertips and helped him put them on.

The T-shirt he was holding wasn't as loose as the one he had worn previously. Shi Yao tried it a few times, but it was stuck on her injured right arm.

In the end, Lin Jiage could only give up on the shirt and choose a new one.

Just like before, when he reached out his hand to brush past Shi Yao's ear, his entire body was still leaning forward.

This time, he was holding a shirt. It was on the top of the wardrobe. When he reached out to grab it, his chest pressed forward even harder. Even though Shi Yao was trying her best to dodge backward, her face still managed to touch his chest.

### **Chapter 546: Between Him And The Wardrobe, There Was Her (2)**

The warm sensation caused Shi Yao's entire body to shudder. Following which, she felt a scorching heat spread from her face to her ears, all the way down to her neck.

This time, putting aside the fact that she didn't even dare to move, Shi Yao felt as if she had been petrified. Her mind was completely blank, and even her ears seemed to have gone deaf. She couldn't hear a single sound.

When he touched Shi Yao's cheek, Lin Jiage's body also tensed up for a moment.

However, compared to Shi Yao, who had already lost her mind, his rationality was still intact. He silently lowered his head and glanced at Shi Yao, who was sandwiched between his body and the cabinet. Seeing that the girl's face was flushed red, he didn't even dare to take a deep breath, a smile immediately crept up his face.

Even though Lin Jiage had done it on purpose, he didn't dare to be too presumptuous, afraid that Shi Yao would notice something amiss. Thus, after he took the shirt, he quickly left Shi Yao's face and stood up straight.

Then, he pretended that he didn't notice what was going on and passed the shirt to Shi Yao, "Wear this. It's easier to wear."

Shi Yao maintained her previous appearance, but there was no reaction from her.

The smile in Lin Jiage's eyes grew even more pronounced, and even his face revealed a hint of satisfaction.

But after about ten seconds, his expression returned to its usual calm, as if the emotions he had just displayed were just an illusion, "Yaoyao?"

"Yaoyao?"

After calling out to Shi Yao twice, Shi Yao finally snapped back to her senses.

She raised her head and looked at the shirt that Lin Jiage had handed over to her, then at Lin Jiage's face. With a blank expression, she asked, "Ah?" A moment later, she finally understood what Lin Jiage meant, only then did she hurriedly reply with an 'oh'twice. She took the shirt and hurriedly helped Lin Jiage put it on.

There were a lot of buttons on the shirt, and Shi Yao held her breath as she helped Lin Jiage fasten them one by one.

Due to her nervousness, her fingertips were trembling so badly that she wasn't able to fit the buttons in several times.

Updates by

When she finally managed to fasten the last button, it was as if she had just escaped death. Raising her eyelids, she swiftly took a glance at Lin Jiage's perfectly sculpted lower jaw, she hurriedly left a message, "Alright, you should rest early then. I'll be taking my leave first." After which, she retracted her fingers and prepared to leave without waiting for Lin Jiage's reaction.

While she was helping Lin Jiage put on his clothes, the position of the two of them had undergone a slight change.

Lin Jiage had stopped her from entering the changing room, so she was in a hurry to leave. Instead of allowing him to make way for her, she chose to bypass his body in a hurry.

The marble floor was smooth to begin with, so there was water on the floor that she chose to leave on. It was the water that dripped onto the floor when Lin Jiage came out of the bathroom.

Shi Yao was walking very quickly, and her only thought was to escape, so she didn't pay attention to the situation on the floor at all. Thus, when she stepped on the water, her feet slipped, and her entire body fell to the ground without any warning.

Lin Jiage, who had intentionally wrung a lot of water onto the floor after coming out of the bathroom, had been waiting for this moment. The moment Shi Yao's body lost its balance, he swiftly stretched out his intact left arm and pulled her up.

She was much shorter than him, and due to the immense strength he exerted on her, she was pulled right into his embrace. Following which, their bodies were pressed tightly against each other.

### **Chapter 547: Begins To React (1)**

The air in the room suddenly froze, as if the entire space had been frozen in place.

Leaning against Lin Jiage's chest, Shi Yao stood there in a daze for quite some time before she realized that she was in a warm embrace.

The shirt under her face was of a soft and high-end quality. Through the shirt, she could feel the scorching heat of her body and the powerful beating of her heart.

This embrace was truly comfortable. It was so comfortable that she felt like leaning against it, closing her eyes, and staying there quietly.

Shi Yao was immersed in this scene, and it didn't take long for her to realize that she was in Lin Jiage's changing room. She had wanted to leave..

As this thought flashed across Shi Yao's mind, she suddenly woke up.

She suddenly opened her eyes, and when she saw the familiar white shirt before her, she immediately recalled what had just happened.

When she was leaving, she accidentally slipped and fell. It was Lin Jiage who saved her in time to prevent her from falling to the ground..

So... After falling into his embrace, she didn't thank him immediately and left in a reserved manner. Instead, she stayed there the entire time. Just how long had she stayed there? She was really too indecent!

Thinking up to this point, Shi Yao's face immediately burned up. Without any hesitation, she tried to break free from Lin Jiage's embrace, but the strength he exerted on her waist was too great, so she was unable to move, she could only remind Lin Jiage, "That... Thank you for earlier..."

Just as the word "You" fell from Shi Yao's lips, she felt something pressing down on her abdomen.

She didn't think too much into it before she spoke up once more, "... You, your belt..."

She was just about to say, "Your belt is pressing down on me." But halfway through her words, Shi Yao suddenly recalled that Lin Jiage was wearing casual pants, so he wasn't wearing a belt at all.

So, so, that thing is... is..

Updates by

Before Shi Yao could process the rest of her thoughts, her entire body felt as if it was being boiled in boiling water, and her face turned even redder and hotter.

Then, she could clearly feel the 'belt' twitching slightly.

So, it really is... It really is what I think it is... Ahhhhh... Lin, Lin Jiage's body is reacting... then, then what should I do?

Shi Yao's heart was filled with both embarrassment and panic. She was at a loss as to what to do in Lin Jiage's embrace for a moment before she exerted her strength once more, trying to break free from Lin Jiage's embrace.

Not only did the young man's strength around her waist not show any signs of loosening, it even grew stronger.

Shi Yao was even more flustered and at a loss for what to do. In a moment of desperation, she didn't even think twice before raising her foot and stomping it forcefully on Lin Jiage's foot.

The pain caused Lin Jiage to take a deep breath, and he instinctively loosened his grip.

Taking advantage of this gap, Shi Yao unhesitatingly broke free from Lin Jiage's embrace. She raised her hand and forcefully pushed Lin Jiage's chest away, not even sparing him a second glance, with her head lowered, she dashed out of the changing room like a headless chicken.

PS: [ Goodbye in July. Hello in August. May time and you be beautiful! ]

**Chapter 548: Begins To React (2)**

Shi Yao, who hadn't been paying attention to her surroundings, nearly crashed into the wall. Seeing this scene, Lin Jiage didn't even have the time to say 'be careful' before she bypassed the wall in front of him like an arrow released from a bow, she had already escaped from his sight.

Looking at her fleeing figure, Lin Jiage couldn't help but burst into laughter. With a smile, he lowered his head to take a look at his own body, closed his eyes, and took a deep breath. This repeated several times in a row., in the end, he returned to the bathroom.

..

Returning to the bedroom she was staying in, it was as if there was a wild beast chasing after her. With a 'peng', she slammed the door shut, leaped onto the bed, and wrapped herself in the blanket.

After lying on the bed for less than half a minute, she jumped off the bed and ran to the door barefooted. After locking the door, she returned to the bed and wrapped herself in the blanket once more.

Shi Yao closed her eyes and lay motionless on the bed for a moment. She thought that she would be able to calm down and become more familiar with lying down, but she suddenly recalled that night in Shenzhen many days ago, when Lin Jiage thought that she had fallen asleep, there was also that time when he kissed her on top of her body..

That night, just like before, she also thought that it was a belt..

But now that she thought about it, the situation that night was exactly the same as tonight... so, so... that day, he also had a reaction?

This time, it wasn't that Shi Yao's face was burning up, but that her entire body was burning up as well.

She forced her mind to blank out, trying to push those messy thoughts out of her mind. However, even after trying several times, her mind was still filled with the memories of Lin Jiage's reaction, the feeling of his body pressing against her abdomen... in the end, the image of his upper body still surfaced in her mind..

He's really going crazy!

Shi Yao buried her head under the blanket, desperately grabbing at her hair, trying to pull those images out of her mind. However, after rolling around on the bed for a long time, the images in her mind didn't dissipate at all, instead, it was as if a spell had been cast on her, becoming clearer and clearer... in the end, Shi Yao felt as if her face was really on fire, and she could even feel a slight pain..

In the end, she couldn't take it anymore, so she lifted the blanket and jumped off the bed. Rushing into the bathroom, she leaned over the sink, turned on the tap, grabbed some cold water, and began washing her face.

Shi Yao didn't know how much water she had splashed on her face, but her lively heart finally calmed down, and her breathing gradually calmed down as well.

Updates by

Only then did Shi Yao turn off the tap. After taking two deep breaths to make sure that she wasn't going to do the same thing as before, she pulled out a towel, wiped the water off her face, and lay back on the bed.

It was already late at night, and Shi Yao was truly exhausted. It didn't take long for her to fall asleep..

At this very moment, in the room next door...

Lin Jiage came out of the bathroom for the third time, and he immediately switched on the television.

The television was playing a movie, and just as Lin Jiage was about to lie down on the bed, he saw a man and a woman kissing each other. He frowned slightly, he could clearly feel the fire in his body that he had spent so much effort to extinguish burning once more.

He hurriedly changed the channel. Perhaps it was the heavens who were making things difficult for him, but the TV series on the new channel was playing a couple chatting on the bed with their upper bodies bare..

..

#### **Chapter 549: She Prefers The Naked Me (1)**

He had no choice but to change the channel once more. What greeted his eyes was an elegant and beautiful female lead from an American drama sitting on top of the male lead. The two of them were passionately kissing each other..

Lin Jiage didn't change the channel once more. Instead, he turned off the television, got out of bed, and headed to the bathroom.

Ten minutes later, Lin Jiage came out of the bathroom. Due to the excessive amount of cold water he had taken, he couldn't help but sneeze when the cold air in the room blew on him.

Fearing that he might catch a cold, Lin Jiage hurriedly hid under the blanket. At that moment, a hint of sadness surfaced in his heart.

He was clearly trying to seduce soft bun... But why did he end up falling for it instead?

Does this count as... asking for trouble?

Forget it, I should just forget about it. I might have to go play with cold water again later..

With this thought in mind, Lin Jiage forced himself to close his eyes. However, the silence didn't last for more than three to four minutes before Lin Jiage's phone suddenly rang.

He opened his eyes and used his left hand to feel around the bed for a moment. After which, he found his phone and raised it before his eyes.

It was a wechat video call from Lu Benlai.

It was only then that Lin Jiage suddenly recalled that back when he was in the hospital, he had hung up on Lu Benlai because he was filming, but he didn't reply to his wechat message either.

He must have waited for a long time, but when he didn't receive a reply, he felt worried and called back..

Lin Jiage pressed the answer button.

He glanced at Lu Benlai in the video, but he didn't have much desire to continue looking at the screen. Thus, he simply tossed his phone aside.

Updates by

Lu benlai: "Boss, Are You Alright?"

Losing an arm, being stepped on by soft bun, taking four cold showers in exchange for living with soft bun..

Lin Jiage pondered for two seconds before replying, "Not bad."

Xia Shangzhou's face suddenly appeared in the video: "I told you, Boss is invincible. How could anything happen to him? Did you worry for Nothing?"

Lu benlai: "Grandson, I'm not worried. I'm concerned!"

Xia Shangzhou: "Grandson? Who are you calling grandson? Besides, isn't there a big difference between being concerned and being worried? Aren't they both thoughtful?"

Lu benlai: "It's Grandpa's fault. It's grandpa who didn't teach you how to read and write properly..."

"..."

Calling him in the middle of the night just to bicker with him? Are you crazy..

With this thought in mind, Lin Jiage abruptly interrupted the two of them, "Is there anything else? If there's nothing else, I'll hang up now..."

Xia Shangzhou: "Yes, yes, yes!"

Xia Shangzhou: "Boss, I have something to ask you."

Lin Jiage couldn't be bothered to say anything else. He raised his phone and scanned the room, gesturing for Xia Shangzhou to speak quickly.

Xia Shangzhou immediately spoke up, "Boss, the demoness..."

Halfway through his words, Xia Shangzhou suddenly stopped. Chuckling, he reorganized his words, "... boss, Sister Lin... is your sister, that beautiful queen. Does she have a boyfriend?"

"No..." Lin Jiage replied lazily. Soon after, he realized that Xia Shangzhou was asking a question, with a cold glare, he turned his gaze to Xia Shangzhou on the screen, "... What are you doing? I'm telling you, Old Xia, don't you dare lay your hands on her!"

Xia Shangzhou: "How is that possible? Sister Lin isn't my type, but my type is Yao..."

Before he could finish his sentence, Xia Shangzhou hurriedly changed the topic, "... I, I, I want her to be gentle, considerate, and Sensible!"

## Chapter 550: She Prefers The Naked Me (2)

Lu benlai: "Since you don't want to pursue sister Lin, why don't you ask her if she has a boyfriend?"

Xia Shangzhou: "Today, when sister Lin arranged for me to stand in line to buy ice cream at a high temperature of 39 degrees, I suddenly thought of this question. Then, I ran over to ask boss to verify that my conclusion was correct."

Lu benlai: "In that case, please state your conclusion."

Xia Shangzhou: "The conclusion is that the heavens are fair! So what if you come from a good family? So what if you have a good appearance? So what if you have a good figure? So what if you have money? Look at boss and his sister. Aren't they still single just like us?"

Lin Jiage, who was completely uninterested in the conversation between the two of them, slowly frowned upon hearing Xia Shangzhou's final words.

Is old Xia trying to find a balance with me?

Lin Jiage lowered his eyelids slightly, and as if recalling something, he said nonchalantly, "Right, there's something that I forgot to tell the two of you..."

Lu benlai: "Boss, are you planning to bring us to Golden Resplendence Wave?"

Xia Shangzhou: "Or are you planning to invite us to Beijing Grand Hotel to enjoy life?"

"I'm sorry to disappoint you all..." Lin Jiage apologized profusely, however, there wasn't the slightest hint of apology in his tone, "... because only those related to Yaoyao can be taken seriously by me. As for those related to you..."

Lu Benlai had managed to intercept Lin Jiage's words in time because he knew that.., it wasn't something good to say, "Boss, you don't have to say anything else. We're very self-aware. We know that our matters aren't important to you."

Lin Jiage replied, "It's not that they're not important. They're just insignificant. They're not worth mentioning."

In the video, Lu Benlai was dumbstruck. "...so, even though he tried his best to reduce the damage, he was still hurt?"

Xia Shangzhou glared at Lu Benlai with displeasure, blaming him for his blabbering just now, then, he turned to Lin Jiage and asked, "Boss, why don't you tell me what your so-called matter with Little Junior is about? Are you going to confess to little junior again, or did little junior accompany you for a midnight snack tonight because of your heroic rescue? Or..."

"Neither..." Xia Shangzhou had made many guesses, but none of them were correct.

After rejecting the question, Lin Jiage lazily leaned against the headboard of the bed before continuing unhurriedly, "... What I want to say is... Yaoyao is staying at my place."

Xia Shangzhou: "What? Boss, what do you mean by that? Are you saying that Little Junior is moving in with you?"

Moving in together? This term seemed to be quite suitable for him and soft bun... even though he was the one who lured her into this trap step by step, they were still moving in together..

Lin Jiage nodded his head subtly, "I guess so..."

Lu Benlai: "The heck, isn't this development a little too fast? If that's the case, doesn't that mean that boss is no longer a single person? Then, Old Xia, your Bullsh \* t conclusion is ruined!"

Xia Shangzhou: "Isn't the heavens a little too unfair? I can't accept this..."

Can't accept this? Hehe... hold it in..

With this thought in mind, Lin Jiage leisurely spoke up once more, "And I realized that... Yaoyao seems to like me more when I'm naked."

Xia Shangzhou: "No, no, no. Boss Who's naked? F \* ck, how is that speed? That's like a rocket!"
