### Chapter 581: Brother Love (1)

After entering the game page, Lin Jiage immediately saw the unread message notification on Shi Yao's friend list.

Just as he had expected, [ desolate year ] really replied to Shi Yao's message.

[ desolate year ] : "Yaoxi, didn't I tell you yesterday that I'm busy today and can't go to eat? Didn't you see it?"

[ desolate year ] : "Yaoxi, didn't you reply to my message yesterday? What's going on?"

[ desolate year ] : "Yaoxi, are you angry? Why are you ignoring me?"

Lin Jiage held his phone between his neck and pretended to read out a string of parameters that Shi Yao didn't quite understand. His fingers swiftly tapped on Shi Yao's phone, seemingly recording those parameters, in truth, he was replying to [ desolate year ]'s message: "Oh, I asked around. After I fell asleep last night, i..."

Lin Jiage pondered for a moment before using two words to replace himself: "... Big Brother was playing games on my phone. He saw your message and sent it back to you, but he forgot to tell me about it today."

[ desolate year ] was online, and he immediately replied: "You have a Big Brother?"

That's right, a love older brother..

While Lin Jiage was deep in thought, he was reading through a complicated formula while replying to [ desolate year ]'s message: [ un... Right, did you meet your fans today? ]

[ desolate year ] : [ what do you mean, you don't understand? ? ? ]

Hehe, still putting on an Act?

Lin Jiage lowered his eyelids. It wasn't surprising for the Little Cutie to know a lot of desolate year's fans in the group chat.

On the other hand, even if the streamer didn't stream, the fans in the streaming room could still chat.

So..

At this thought, Lin Jiage swiftly tapped on his screen and replied, "I went to your streaming room today and saw that someone said that you went to see Little Cutie."

[ desolate year ]'s reply was no longer an act of ignorance, but an explanation, "Little cutie came to Beijing. She doesn't know the way, so she asked me to pick her up."

[ desolate year ] : [ she begged me for a long time before I went. ]

What do you mean by 'begged you for a long time'? Are you kidding me? Does he look like the type of person who would beg for help?

He clearly heard that she was going to invite him to a hotel, so he rushed over..

However, having achieved his goal, Lin Jiage couldn't be bothered with [ desolate year ] anymore. "I see... It's getting late, I need to rest. We'll talk later."

[ desolate year ] : "Alright."

Lin Jiage wasn't in a hurry to reply to [ desolate year ]'s message. Instead, he deleted the records of their conversation, all that was left was [ desolate year ]'s reply: [ Little Cutie is in Beijing. She doesn't know the way, so she asked me to pick her up. ].

After he finished deleting the message, he replied with a 'smiling' emoji and swiftly deleted the smiling emoji as well as exited the chat window with [ desolate year ] .

Soon, a new message notification appeared in the chat. It was a reply from [ desolate year ] . There was no need to click on it, so it was directly displayed in the message pane, lin jiage could see that [ desolate year ] had also replied with a 'Smile' emoji.

This way, when soft bun logged into the game later, she would also be able to see a message notification, so she wouldn't know that he had hijacked the message that desolate year had sent her..

After settling everything, Lin Jiage pretended that he had finally finished his call. He stopped muttering the formula in his mouth, put down Shi Yao's phone, and took out his own, he took a picture of Shi Yao's screen, as if he had taken away all of the things he had just recorded. Then, he locked Shi Yao's phone screen, "I've used up my phone, so I'll leave it here for you."

## **Chapter 582: Brother Love (2)**

"Alright." Shi Yao, who had already finished washing the dishes, didn't rush to grab her phone. Instead, she headed straight to Lin Jiage's bedroom.

It didn't take long before she returned to the dining room with the medicine that Lin Jiage was about to take.

Shi Yao poured a cup of water and watched as Lin Jiage swallowed every single one of the medicine into his stomach. After which, she picked up her phone and left the dining room with Lin Jiage.

Just like two days ago, Shi Yao helped Lin Jiage take off his clothes before showering.

After Lin Jiage entered the bathroom, Shi Yao was bored by herself, so she logged into the game. Following which, she saw two unread messages from [ year of desolation ] .

The first message was: -LittleCutieutie cameBeijingjing, but she doesn't know the wShe she asked me to pick her up. ]

The second message was a "Smiling" emoji.

So... desolate year stood her up without saying a word. was he going to meet that good B \* Tch, the White Lotus?

He could go meet her, but before he went to meet that White Lotus, could he tell her not to wait there like a Fool?

This was not the most outrageous. The most outrageous thing was that she had sent him so many messages, but he had not apologized at all. He had only given her this one sentence?

Alright, I'll Take That as an explanation. Then what did he mean by that smiling emoji?

Shi Yao stared at that smiling emoji, and the more she looked at it, the more she felt as if she had been mocked by desolate year.

An indescribable grievance instantly filled her heart.

Was desolate year playing a prank on her on purpose? She... she... she was so angry!

The more Shi Yao thought about it, the angrier she got. In the end, she was so angry that she couldn't help but stomp her feet on the carpet.

After taking a shower, Lin Jiage opened the door to see Shi Yao stomping her feet furiously. He was taken aback for a moment before asking, "What's wrong?"

Hearing Lin Jiage's question, Shi Yao, who didn't know where to vent her anger, immediately rushed over to Lin Jiage, as if she was complaining, feeling wronged, she began explaining the entire situation, "Let me tell you, I'm about to die from anger. I met someone in the game, and he was really too much. He met a classmate of mine, and he asked me out for a meal. I thought for a moment and realized that there was someone I knew, so I decided to eat. In the end, he stood me up!"

After saying those words, Shi Yao tapped into the game and sent the chat history of [ barren year ] to herself, she unfolded it in front of Lin Jiage and said, "Look, I sent him so many messages, but in the end, he replied to me with a smiley face. Don't you think that smiley face is mocking me? I'm really going to die from anger... i. . . I. . . I'm cursing him for eating instant noodles without any condiments!"

"I, I, I..." Shi Yao, who rarely scolded others, stuttered for a long time, but she was unable to utter a single harsh word.

"This kind of person is really too much of a scumbag!" Lin Jiage didn't hesitate to continue Shi Yao's words as he began ridiculing [ desolate year ], "If it were me, I would have directly blacklisted this kind of person. Don't tell me that I would have to keep him for the New Year?"

"Right, right, right..." after hearing Lin Jiage's words, Shi Yao didn't hesitate to call out [ desolate year ]'s name and blacklist him, "... I don't want to have any contact with him anymore!"

Taking in the entire scene before him, Lin Jiage's heart was bursting with joy.

This 36.1 W wild man had caused him to wear female clothes and act like a F \* cking woman. After going through so much trouble, he finally received his lunch box..

### **Chapter 583: Eggplant Cooked In An Iron Pot (1)**

However, there wasn't a hint of joy on Lin Jiage's face. "Alright, it's not worth it to get angry over such a person..."

As he consoled Shi Yao, he told her about the method he had thought of in the afternoon, he used it:"... right, when I was showering just now, I suddenly thought of something. After you left in the evening, I

called someone to send over some soda water, and I also sent over some haagen-dazs ice cream. Every flavor is in the fridge..."

Hearing the words 'Ice Cream', Shi Yao's eyes lit up, and she completely forgot about the desolate year. "Do you have any strawberry-flavored ice cream?"

"I do. It seems like strawberry-flavored ice cream is the most popular..."

"Strawberry-flavored ice cream is my favorite. Right, do you want some? We can eat ice cream together later."

We... Those two words successfully pleased Lin Jiage: "Sure."

After which, Shi Yao began helping Lin Jiage remove the plastic wrap and put on his clothes.

Lin Jiage thought that the barren year incident would be settled just like that, but who would have thought that after Shi Yao finished showering, changed into her pajamas, and sat down with him in the living room to eat ice cream, she would actually bring up the barren year incident once more.

"I was so engrossed in the barren year incident that I forgot about that B \* tch, that B \* tch, that White Lotus... back then, when she was playing games, I was rendered completely speechless by her. She was so coquettish that she kept calling me 'Big Brother Nian'... and now, she's here in Beijing, saying that she doesn't know the way. hehehe... Such an excuse should only be used to deceive the barren year, right? But speaking of which, do you know the name of that B \* Tch White Lotus? Her name is Huang Nian's little cutie, little cutie... it's a little like the name of a pug, right?"

"..."

"Right?"

"... right."

..

A month's time was neither too long nor too short.

Other than her lessons, Shi Yao spent most of her time at Lin Jiage's house.

Lin Jiage was much busier than she was, with endless calls and incessant typing.

When Lin Jiage was busy, Shi Yao would either huddle by the side to review her lessons, do an English paper, or play video games by herself.

During this month, Lin Jiage did quite a few things that moved Shi Yao.

For example, when she was on her period, Lin Jiage didn't have any sanitary pads at home. Due to her carelessness, she forgot to prepare beforehand. It was Lin Jiage who heard the commotion in the middle of the night and came out to ask her what was wrong, he ran out to buy them for her.

For example, during those days when she wasn't feeling well, she would always see hot milk, hot brown sugar water, and hot ginger tea..

For example, she would casually say that she really wanted to eat some sesame balls. Not too long later, the doorbell rang, and the first thing she saw when she opened the door was the sesame balls that she really wanted to eat.

For example, when Lin Jiage was busy, she would fall asleep while reading a book, and when she woke up, she would always have an extra blanket on her..

All in all, time passed by little by little.

In the blink of an eye, it was time for Lin Jiage's checkup at the hospital.

In truth, Shi Yao felt that her month at Lin Jiage's house had been quite enjoyable. She thought that this happiness would last until Lin Jiage recovered and she returned to her dormitory room.

But sometimes, things would just turn out to be unexpected.

Lin Jiage's appointment was to go to the hospital for a follow-up checkup on October 1st.

And that unexpected event happened on September 30th.

?

#### **Chapter 584: Eggplant Cooked In An Iron Pot (2)**

That day was a weekend, and due to the lack of classes, Shi Yao stayed up late the night before to browse through Legend's forum.

After waking up the next day, the first thing she did after washing up was to rush over to Lin Jiage's room to ask him what he wanted for lunch.

As the two of them had lived under the same roof for a very long time, Shi Yao's unfamiliarity with Lin Jiage had already dissipated without her realizing it. Thus, she didn't even knock on the door, as though she was walking through her own bedroom with ease, she pushed the door open and dashed into the room, "Lin Jiage, Lin Jiage, let's meet at noon..."

Before Shi Yao could finish her words, she saw Lin Jiage leaning against the headboard of the bed with a laptop in his hands. There was something wrong with his expression.

She instinctively shut her mouth, and even her footsteps slowed down," ... What's Wrong?"

Hearing those words, Lin Jiage first raised his head to look at Shi Yao. Following which, the gloomy expression on his face softened significantly, but his tone still sounded a little stiff, "It's nothing..."

His face was as dark as an eggplant cooked in a wok. If he told her that it was nothing, who would believe him

But judging from Lin Jiage's expression, it seemed like he didn't want to talk about it... since he didn't want to talk about it, she should respect his privacy. No matter how curious she was, she shouldn't get to the bottom of it..

With this thought in mind, Shi Yao replied with an 'Oh' before continuing on her way to Lin Jiage's side.

Without waiting for her to get close, Lin Jiage abruptly raised his hand and closed his laptop, as though he was afraid that she would see what was on his laptop.

After Lin Jiage was done with his actions, he realized that he had overreacted, so he hurriedly asked, "What do you want to eat for lunch?"

As he spoke, he took out his phone and prepared to place an order.

Shi Yao stared at Lin Jiage's computer for a moment before reciting the names of the dishes she wanted to eat.

As she spoke, Lin Jiage's fingers swiftly tapped on his phone screen. By the time Shi Yao finished reciting the names of the dishes, Lin Jiage had already placed his order.

"I'll squeeze some toothpaste for you..." Shi Yao took another glance at Lin Jiage's computer and said, "...Hurry up and come over here and Brush Your Teeth."

Lin Jiage replied with an "Un" before pulling the covers off the bed and following behind Shi Yao into the bathroom.

After washing up, Lin Jiage turned on his laptop once more.

Shi Yao knew that he didn't want her to see the content on his laptop. Even though she was curious, she still obediently left Lin Jiage's bedroom.

Half an hour later, lunch arrived.

Shi Yao took the takeout and went to call Lin Jiage for lunch. When she saw him typing on the keyboard with one hand and staring at his laptop with a grave expression, it was as if he was trying to kill someone through his laptop.

Did He... have some sort of disagreement at work? was he arguing with someone?

Shi Yao was perplexed for a moment, but when she saw Lin Jiage's gaze upon her, she hurriedly said, "Lunch is here. Come and have your meal."

"UN, Alright," Lin Jiage replied with his usual calm voice. However, as soon as he said those words, a cold glint flashed across his eyes as he stared at the computer screen once more.

However, he didn't continue typing as if he was typing on a keyboard. Instead, he closed his computer and walked over to Shi Yao.

While they were eating..., for some reason, Lin Jiage said to Shi Yao, "I can feel that my hand is almost healed. Didn't you say that you wanted to visit Chengdu a while back? "The current season is just right for me to visit Chengdu. I'm going to Chengdu next week to meet with a business partner. Do you want to go? I'll take you with me..."

#### **Chapter 585: The Storms Of The School (1)**

"I can't, I have to go to class..."

“I’m taking a leave of absence...” Lin Jiage paused for a moment, then, he added, “... There’s a lot of delicious food in Chengdu. Don’t you like spicy food the most? I’ve already memorized all of the famous restaurants in Chengdu. Let’s go there and eat them one by one...”

Shi Yao hesitated for a moment.

“Spicy rabbit head, Hotpot, bowl chicken, braised quail eggs, taro chicken, kebabs...”

Shi Yao hesitated for a few seconds before saying, “I’ll give the counselor a call then. If she agrees, I’ll go.”

“UN, Alright,” Lin Jiage replied warmly. Then, he picked up a piece of sweet and sour pork ribs with his chopsticks, he placed it into Shi Yao’s bowl and said, “You can think about where you want to go for fun in the next few days and let me know so that I can arrange accommodations and a private car...”

With something in her mouth, Shi Yao nodded her head and replied with an ‘un’.

“Also, tell me your ID number so that I can book a plane ticket.”

Shi Yao didn’t say a word as she chewed on her food. She simply nodded her head like a chick pecking at rice.

..

Lin Jiage placed his chopsticks down earlier than Shi Yao, but he didn’t leave. Instead, he sat across the dining table and continued accompanying Shi Yao.

On the way, Lin Jiage picked up his phone to play with it, but it wasn’t clear what he saw. Just like how he had looked at his computer back then, his complexion turned awful once more.

Even though Shi Yao didn’t ask what was wrong with Lin Jiage, she could tell from the taut corners of his lips that he was in an extremely bad mood.

She didn’t pursue the matter too much as to why she did what she did. All she knew was that she was purely trying to cheer Lin Jiage up, so after she finished her meal, she pondered for a moment, after which, she suggested to Lin Jiage that they watch a recently released movie that was said to be particularly hilarious on the internet.

Lin Jiage didn’t reject her offer. He took out his phone and passed it to Shi Yao to book the tickets. After she had chosen her seat, he picked up his phone to pay for the tickets.

Shi Yao had chosen the movie theater in Lin Jiage’s neighborhood.

Due to the short distance between them, the two of them walked there.

The first thing Shi Yao did when they arrived at the movie theater was to run over to the counter and buy some popcorn and coke.

Shi Yao had bought the movie tickets at the right time, so it was about time for her to enter the theater after she was done buying her food.

After entering the movie theater, Shi Yao held onto the popcorn that was twice as big as her face. She took the tickets, checked her seat, and ran over to find her and Lin Jiage's seats.

After taking their seats, Shi Yao ate a few mouthfuls of popcorn before the movie began.

At the start, Shi Yao was still watching the movie very seriously. However, twenty minutes later, she realized that Lin Jiage, who was sitting beside her, had been playing with his phone the entire time. From time to time, he would crazily type for a while.

She had originally proposed to watch the movie to make him happy, but in the end, he didn't have the heart to watch it.

In an instant, Shi Yao also felt that the originally funny movie had become boring.

Even though she was staring at the big screen in front of her, she was still paying attention to Lin Jiage from the corner of her eye.

Shi Yao wasn't sure how much time had passed, but just as the movie was about to end, the phone in Shi Yao's pocket suddenly vibrated.

She took out her phone and took a look. It was he tiantian calling.

As she was watching a movie, Shi Yao didn't pick up the call. Instead, she hung up and replied, "I'll call you back later."

After watching the movie, Shi Yao and Lin Jiage returned home before she called he tiantian.

.

## **Chapter 586: The Storms Of The School (2)**

Shi Yao had always thought that he tiantian wouldn't be looking for her, but no matter how much she thought about it, she never thought that something big would really happen.

Her call to he tiantian only rang for half a second before it was picked up swiftly. "Yaoyao, something big has happened, something big has happened..."

He Tiantian had always been a loud and noisy person. Even if she couldn't find her phone, she would still scream for a long time. Shi Yao was already used to it, so she replied to her, she was exceptionally calm as she asked, "What happened? Did you lose your meal card, or did you eat all the money in Your Meal Card?"

"Shi Dongyao!" He Tiantian's furious roar sounded from the other end of the phone.

"Alright, I won't say anymore. I'll listen to you..."

Seeing that Shi Yao had obediently shut her mouth, he tiantian went straight to the point. "Yaoyao, you're on the school forum again."

"Besides, the situation this time is much more serious than the last time... that's not the point. The point is that this time, the Forum is a real-name exposé..."

He Tiantian fell silent for a moment before saying, "... you know the person who leaked the news, it's Qin Yiran."

"I don't know how she got her hands on the evidence of you entering and leaving the high-end residential area. I also don't know who told her that you haven't been home for the past month. Our dormitory's security measures are very good, but we don't know how this matter was leaked. In addition to the video evidence of you entering and leaving the high-end residential area more than once, it's now causing a storm in the school. At noon, we went to the cafeteria, and the people around us were talking about you being kept as a mistress..."

"If you don't have anything to do recently, it's best that you don't return to school... However, that's not the most serious matter. What's more serious is that this matter itself can be very serious. There are plenty of female students who have moved out of university, but if this matter of yours is magnified to create a bad atmosphere, the school might even punish you for it..."

In just an instant, Shi Yao was able to make the connection between Lin Jiage's abnormal reaction and her waking up.

Frowning slightly, she subconsciously asked, "Then... did Lin Jiage speak on the school forum?"

He tiantian: "He did. Senior Lin stood up for you a long time ago. Senior Lin even said that you were staying at his place, but Qin Yiran insisted that she saw you with her own eyes in that high-end residential area with a fat, old, and middle-aged man. Furthermore, she even took a photo of you. As a result, no one believes senior Lin's words anymore. On the contrary, the words of others have become even more unpleasant. In fact, even senior Lin has been ridiculed by others..."

It was no wonder why Lin Jiage had closed his laptop so quickly. It turned out that he didn't want her to see those disgusting things.

It was no wonder why he wanted to bring her to Chengdu. He wanted to wait for the storm to calm down before letting her return to school..

A warm feeling surfaced in Shi Yao's heart. She gripped her phone lightly with her fingers and replied softly to he tiantian, "Alright, I understand. I'll head to the school forum to take a look later..."

"UN, you may take a look, but Yaoyao, don't get angry... un..." on the other end of the line, he tiantian stammered, as though he had something else to say.

"What's wrong? Tiantian, if you have something to say, just say it..."

"Nuannuan didn't want me to say it, but I thought about it and decided to tell you... that Qin Yiran, she's targeting you, and she even brought up nuannuan. It was when we went to the KTV that she told me about Nuannuan getting beaten up..."

### **Chapter 587: Love Is A Ray Of Light, Green To The Point That You Panic (1)**

"After all, getting beaten up is a very embarrassing matter. If that's the case, Nuannuan won't be able to raise her head anymore..."

Hearing this, a sharp glint flashed across Shi Yao's eyes, and the soft and adorable look she had earlier was completely gone.

She replied to he tiantian with a slightly cold voice, “Got it.” After which, she hung up the call.

Without any hesitation, Shi Yao swiftly opened the school forum.

Just as he tiantian had said, gossip about her had already dominated the first page of the school forum.

This time, Qin Yiran didn’t use her usual aliases. Instead, she registered a new one, and her name was: Qin Yiran.

Among the many discussion threads, Shi Yao was the first to click on Qin Yiran’s post.

“Hello, everyone. I’m Qin Yiran. There’s a reason why I’m standing here today to expose the following matters. There’s no doubt that I want to exact my revenge, but more than that, I want everyone to see the truth —”

There were several videos below, and they were all of her entering and leaving Lin Jiage’s high-end residential area.

In the videos, she was wearing different clothes, which meant that she was at a different time.

In the final video, she was talking to a middle-aged man as they entered the elevator together.

Shi Yao didn’t know that middle-aged man at all, but she did have some impression of him.

That day, when she returned home from school and entered the elevator with him, he said that he didn’t really know how to use a smartphone, so he politely asked her a few questions. Naturally, she didn’t think too much of it, so she helped him.

From the looks of it now, this middle-aged man was probably Qin Yiran’s masterpiece. Asking questions was fake, but taking photos was the real deal..

Shi Yao silently pursed her lips and continued reading.

——“The heck, this is so exciting! This girl who could match up to Campus Belle Lin at last year’s sports meet is actually being kept by someone else?”

——“As expected, you can’t judge a book by its cover. The more beautiful a girl is, the more flirtatious she is!”

——‘even though Qin Yiran’s actions last year were truly shameless, I believe her when she reported this matter under her real name. However, I won’t stand on either side of these two girls. I’ll just quietly watch them hurt each other.’

..

Amidst the rows and rows of criticism, Shi Yao saw Lin Jiage’s reply: [ my fiancée is staying at my house. Is there a problem with that? ]

Qin Yiran’s revelation of her real name had already increased everyone’s credibility. Now that her evidence was laid out in such a neat and orderly manner, Lin Jiage’s words seemed a little weak in comparison.

It wasn't that there weren't many people who were curious about the fact that she and Lin Jiage were fiancés, but most people felt that Lin Jiage was just protecting them brainless.

—"Then how do you explain it? You were clearly joking when you saw the video. Don't say that you were just asking for directions, I don't believe you either!"

—"Senior Lin, we all know that you're outstanding, but the price of that high-end residential area is extraordinary. I doubt that you have a home there."

—"Last year, school bully Lin said that Shi Yao was the person he kissed, which means that they're related. Could it be that school bully Lin feels humiliated by being cheated on? He's not helping Shi Yao, but he's trying to save his face?"

—"Haha, Love is a ray of light, so Green that you'll Panic!"

Shi Yao wasn't that angry when everyone was scolding her earlier, but now that everyone was saying that Lin Jiage had been cheated on, she couldn't help but feel furious.

### **Chapter 588: Love Is A Ray Of Light, Green To The Point That You Panic (2)**

When did Lin Jiage turn green?

The person who said those words was the one who turned green, his entire family!

Shi Yao stared furiously at the large "Green Grass" emoji on the screen for a moment before she began scrolling through the comments on the screen.

She flipped through several pages before she finally found what he Tiantian had said about Leng Nuan.

Qin yiran continued, "There's one more thing that a friend of mine told me, and it's absolutely true. It's Shi Yao's roommate, Leng Nuan. Last year, when she first entered the first year of university, the girl who was named the prettiest student in the department got drunk at a KTV and used the alcohol to provoke a few rich young masters in the capital. She wanted to pick them up and climb up the social ladder, but in the end, she was despised by others. Not only that, she wasn't willing to leave, and she didn't have any sense of shame at all. On top of that, she was even slapped a few times by others!"

At the very end of the post, Shi Yao's eyes turned cold.

There were still many replies to the post.

—"Wow, is this for real? Is it that wild?"

—"It really does match those two sentences. The first sentence is 'birds of a feather flock together', and the second sentence is 'those who get close to the Vermilion Bird will be red and those who get close to the ink will be black!'"

—"Could it be that all the girls in their dormitory are such trash? Either they're kept by someone who can be their father, or they're sent to their doorstep to be slept with... How Shameless..."

The girls in their dormitory, trash..

As those words fell into Shi Yao's eyes one by one, her lips pursed into a straight line.

If Qin Yiran didn't like her, she could have targeted her, but how could she implicate her friends and her..

The last three words, 'fiancé', didn't appear in Shi Yao's mind, but she forcefully suppressed them and turned them into Lin Jiage.

They were innocent..

Since Qin Yiran was unkind, then don't blame her for being unrighteous!

The netizens on the forum were just there to watch the show. Even if their mouths were so vile that they wanted to slap them twice, it was impossible for her to bring all of them to justice. However, Qin Yiran was different..

With this thought in mind, Shi Yao immediately took out her phone and sent a message to HE Tiantian: [ can you think of a way to invite Qin Yiran to a secluded grove behind the school dormitory? ]

He Tiantian quickly replied: [ I know Han Jing's roommate. One of them has a pretty good relationship with Qin Yiran. I'll give it a try... ]

Shi Yao didn't reply to He Tiantian's message.

After waiting for about five minutes, he tiantian sent her two more messages: [ yaoyao, Qin Yiran has agreed to meet me in the woods in about half an hour. ]

[ but Yaoyao, what are you going to do after tricking Qin yiran out of the forest? ]

[ I'm going to have a good chat with her about life... ] Shi Yao replied to He Tiantian's message while sneaking out of Lin Jiage's house.

After Shi Yao arrived at the entrance of the residential area, she got into a taxi and drove back to school. Only then did she take out her phone and send Lin Jiage a message: [ I have something to attend to, so I'll head back to school first. ]

After sending the message successfully, Shi Yao knew that Lin Jiage would definitely call her later on. Thus, she swiftly sent a message to he tiantian before turning her phone off.

There were still about ten minutes left before the appointment with Qin Yiran, so Shi Yao wasn't in a hurry to head to the small forest. Instead, she made a detour to the School Infirmary.

After leaving the school infirmary, Shi Yao made another trip to the washroom before heading to the forest.

### **Chapter 589: When A Baby Doesn't Show Its Might, Do You Take Me For A Little Bear Biscuit (1)**

By the time Shi Yao arrived, half an hour had already passed, but Qin Yiran was still nowhere to be seen.

Shi Yao casually found a tree and leaned against it, waiting quietly.

About seven to eight minutes later, Shi Yao saw Qin Yiran walking over from afar, dressed in a gorgeous outfit.

Did she really think that the boys in her class would ask her out to confess their love? She even put on makeup in the middle of the night, and it was already autumn, yet she was wearing such a short skirt?

Shi Yao studied Qin Yiran from afar for a moment before calmly withdrawing her gaze.

Soon, Qin Yiran walked into a small forest.

The light in the forest was rather dim, so Qin yiran took a few steps forward. Seeing that there was no one in sight, she began calling out the names of her classmates, "Song Lin? Song Lin?"

"Song Lin, are you here?"

Shi Yao didn't reply immediately. It was only after Qin yiran called out a few more times, and her patience was running out, that Shi Yao stood up straight and walked out from the darkness.

Hearing the footsteps, Qin Yiran turned around to look at Shi Yao.

Due to Shi Yao's backlighting, she wasn't able to see Shi Yao's face clearly. It was only when Shi Yao walked up to her that she asked in disbelief, "How Could It Be You?"

"Wasn't Song Lin the one who asked me out?"

As Qin Yiran spoke, she took a look around.

As the wind blew past, a series of rustling sounds could be heard coming from the small forest, and leaves began falling from the trees.

It was only then that Qin Yiran realized that there was no one else in the small forest other than her and Shi Yao.

She wasn't stupid, and it didn't take her long to react. In the next second, she met Shi Yao's eyes once more and asked, "It was you who tricked me into coming here, wasn't it?"

Qin yiran had always hated Shi Yao, so how could she not? It was she who had exposed her true colors to everyone in G University, snatched away Lin Jiage's heart, and won her the title of Campus Belle, it was also her who had caused her to be in such a sorry state in G University. It was no longer the same as before, where all the girls envied her, and all the boys chased after her..

So, when Qin yiran finally understood what was going on, her gaze on Shi Yao suddenly turned a little sharp, and even her voice suddenly became.., became much more domineering as she asked, "Shi Yao, why did you invite me to the Little Forest Tonight?"

Shi Yao didn't say a word, but her eyes were fixated on Qin yiran.

Qin yiran felt that the reason Shi Yao had invited her here was definitely because of the discussion on the forum, so she immediately put on an unnegotiable expression, then, she continued, "If you're here because of the discussion on the Forum, let me tell you, I won't accept a private settlement..."

Before Qin Yiran could finish her sentence, Shi Yao, who hadn't said a single word since her appearance, suddenly raised her hand and gave her a tight slap across her face.

This slap came without any warning.

It left Qin Yiran completely stunned on the spot.

There was a short period of silence in the small forest.

Only then did Qin Yiran raise her hand to cover her aching cheeks. Staring at Shi Yao, she said, "Are you crazy?!"

As soon as she finished speaking, Shi Yao raised her hand again and slapped her face.

This time, Qin Yiran's reaction was a little faster than before. However, she still covered her face and stared at Shi Yao as she asked, "Shi Yao, are you crazy? You actually hit someone..."

### **Chapter 590: When A Baby Doesn't Show Its Might, Do You Take Me For A Little Bear Biscuit (2)**

This was the first time Shi Yao had ever had such a disagreement with someone since she was a child.

Not to mention hitting someone, even scolding people rarely happened to her.

However, she was smart enough to witness sister Jiayi beating someone up, and she had also witnessed the scene where Qin Yiran was so frightened by sister Jiayi that she squatted on the ground, not daring to move at all.

As such, she knew very well that her presence was very important at this moment. However, she also knew very well that Qin Yiran was just caught off guard by her beating. When she came back to her senses, she would definitely start fighting with her.

Both of them were girls, so their strength wasn't too different. However, if they really started fighting, she might not be able to escape unscathed..

Thus, after Qin Yiran finished speaking, Shi Yao gave her a few more slaps on her face.

After slapping her, Shi Yao didn't give Qin Yiran any chance to react. She grabbed her hair and dragged her down to the ground, kicking her in the face.

Shi Yao's subsequent actions were executed in a single breath. Before Qin Yiran could even react, she was already pinned under Shi Yao's body, pummeling her viciously. As such, there was no need to even think about retaliating.., the only thing she could do was to protect the spot where she was being pummeled while screaming, "Stop! Do you know that you're violating the school's Rules? If I were to report you to the administrative office, you'll be punished..."

Shi Yao didn't pay any heed to Qin Yiran's words at all. It was only after she had vented her anger and felt that it was about time that she finally stopped.

However, she still had her guard up. She was afraid that Qin Yiran would pounce on her after she let go of Qin Yiran, and she would be at a disadvantage. Thus, she firmly pressed down on Qin Yiran and glared fiercely into her eyes, after which, she asked, "Did you just say that I came to trick you out to talk about the Forum?"

"Qin Yiran, I'm telling you that you're wrong. I tricked you out, and I didn't mean anything by it. I just wanted to beat you up!"

“That’s because I feel that it’s impossible to reason with someone like you who spouts nonsense and turns black and white upside down. Since it doesn’t make sense, why should I waste my breath on you? What’s the saying? “If you can fight, try not to make any noise...”

“I’ve met many people who have no bottom line, but you’re the first person who has no bottom line to be so brazen!”

If your baby doesn’t show its might, do you take me for a Little Bear Biscuit..

Shi Yao stared fixedly at Qin yiran, and her tone was even harsher than before. “The reason why I’m doing this today is so that you’ll remember that you can provoke me, but you’d better be able to withstand the consequences of provoking me!”

As Shi Yao’s voice fell, she heard heavy footsteps coming from outside the small forest.

Without any hesitation, Shi Yao released Qin Yiran.

Qin yiran, who had been pinned to the ground by Shi Yao for so long, was currently filled with rage. A moment ago, Shi Yao had released her, but the next moment, she was like a hysterical lunatic, she charged at Shi Yao with bared fangs and brandished claws, “I’m not done with you...”

“Teacher, listen, there’s a voice over there, right there...”

Before Qin Yiran could finish her words, a female voice sounded from outside the small forest.

Following which, those heavy footsteps followed the source of the sound and entered the small forest.

Someone brought a flashlight and shone it around the small forest. When the light shone on Qin Yiran and herself, Shi Yao immediately crouched down and pretended to be terrified. Trembling, she covered her head with her hands, flustered, she said, “Don’t hit me, don’t hit me...”
