

Chapter 591: Shi Yao's Masterpiece (1)

Qin yiran, who had long been blinded by her rage, wasn't in the mood to pay attention to the situation around her. Seeing Shi Yao Crouch down, she pounced on Shi Yao without any hesitation.

Just as her hand was about to touch Shi Yao's body, someone spoke up with a heavy and dignified tone, "Stop!"

As that voice sounded, he tiantian immediately ran over when she saw Shi Yao curled up on the ground.

"Qin Yiran, what are you doing? !" He Tiantian hurriedly pushed Qin yiran away from Shi Yao, who was about to hit her, before crouching down to approach Shi Yao. "Yaoyao, Yaoyao, are you alright?"

Shi Yao didn't say a word. She simply hugged her head and moved to a darker spot.

Seeing Shi Yao's reaction, he tiantian immediately turned to Qin yiran furiously, "Qin Yiran, what did you do to Yaoyao? Why did you scare her into such a state? !"

Hearing those words, Qin yiran sneered coldly, "What did I do to her? is your brain filled with SH * t? Which Eye of yours saw what I did to her? She was the one who did something to me, Alright?"

Qin yiran, who had said this in a huff, only then noticed that there were some people standing beside her.

Most of them were unfamiliar faces. She did not know them, but she knew that they were all students of G University.

However, there was a middle-aged man holding a flashlight among them. Qin yiran knew him. He was the dean of the Academic Affairs Office of G University.

Qin Yiran's originally arrogant and overbearing aura instantly faded by half. Immediately after, her eyes were filled with tears. As if she had suffered a great grievance, she looked at the Dean of the academic affairs office, she turned to the head of the education bureau and said, "Director, you came at just the right time. Director, do you know that I was planning to look for you in the first place? Director, look..."

As she spoke, Qin yiran lifted her long hair and pointed at her own face, "... look at my face. This is her, Shi Yao's masterpiece!"

"It's her! She was the one who tricked me into coming to the small forest and beat me up without a second thought..."

After she said that, tears started to roll down Qin Yiran's cheeks. "... director, the school has rules. Fighting is punishable... director, you have to handle this matter..."

He Tiantian: "Director, you can't just listen to Qin Yiran's words. You have to listen to Yaoyao's words. Besides, I saw Yaoyao being asked out by her. I thought of the recent uproar in the school forum and followed her here. Then, I heard the sounds of fighting inside and ran to look for you. When we came in just now, you saw it too. She was the one who beat Yaoyao up. Also, look at how scared Yaoyao is now."

Seeing Yaoyao being asked out by her..

These few times, he Tiantian's words suddenly struck at Qin Yiran's sore spot. "Nonsense! She was the one who tricked me into coming out!"

The head of the Education Bureau didn't say a word. Instead, he coughed heavily.

It was only then that Qin Yiran realized that she had overreacted. She quickly suppressed the rage in her heart, and with an aggrieved look on her face, she said, "Director, that's not what happened. She was lying. Shi Yao was the one who tricked me into coming out..."

"Since you claim that Shi Yao was the one who tricked you into coming out, why don't you come up with some evidence!" He Tiantian retorted. "Are you trying to say that you came here because a boy asked you out, but in the end, it was Yaoyao who was waiting for you here?"

Chapter 592: Shi Yao's Masterpiece (2)

"That's right..." Qin Yiran didn't even think twice before continuing he Tiantian's words.

She wanted to say 'that's right', but before she could finish her sentence, he tiantian seemed to have recalled something., before she could finish her sentence, she was interrupted by he tiantian, "Oh, that's not right. That shouldn't be the case. After all, our school has a strict rule against dating in the middle of the night. I don't think Senior Qin would do such a thing. After all, it's such a cold day, and you're wearing such a short skirt to meet a guy. It's really too... easy to misunderstand..."

Before she could finish her sentence, he tiantian realized that she had gone too far, she quickly scratched her head in embarrassment. "Director, I'm sorry, I was spouting nonsense... also, Senior Qin, I'm sorry, I apologize to you here... I shouldn't have spouted nonsense about you going out with a guy in the middle of the night, it really affected your reputation... I'm sorry, I'm really sorry..."

Qin yiran, who had been poked in by He Tiantian, didn't dare to continue talking about the truth.

That's right. Even if he tiantian didn't mention it, she had already forgotten that there were indeed such rules in the school for the good of the masses.

However... the truth was that she had been tricked by Shi Yao in the first place. But now, she couldn't say that it was song Lin who had asked her to testify on her behalf... so, all of this was arranged by Shi Yao in advance?

Could it be that she was going to suffer this loss in silence? But... if she didn't eat it, what else could she do? Shi Yao had a witness who said that she was the one who had called her away, but she didn't..

Seeing that Qin Yiran remained silent, he tiantian couldn't help but ask curiously, "Right, Senior Qin, before I interrupted you earlier, what were you going to say? It seemed like it was, wasn't it?"

"Senior Qin, why aren't you saying anything?"

"Senior Qin..."

After being interrogated by He Tiantian several times, Qin Yiran chose to ignore he tiantian, she turned to the head of the academic affairs office and asked, "Director, regardless of how Shi Yao and I got to the small forest, I was beaten up by Shi Yao. This is the truth, so you can't just ignore it, right?"

The head of the academic affairs office turned to Shi Yao and asked, "Student Shi Yao, say something. Did you really beat up Qin Yiran?"

Shi Yao looked as if she was afraid of something as she shrank back. Shaking her head, she said in a very timid voice, "No..."

"Director, she's lying!" She had suffered a loss in this place, but it was a fact that Shi Yao had beaten her up. There was no way she could escape from this, so she couldn't let go of this matter.

In the school, beating someone up was punishable by punishment. At that time, it would affect her chances of securing a master's degree and getting an excellent evaluation... of course, she would also be notified, at that time, the entire school would know that she, Shi Yao, had beaten her up... all she had to do was to pitifully reveal that she, Shi Yao, was the one who had beaten her up due to the incident on the forum..

Qin yiran, who had everything planned out, immediately spoke up after accusing shi yao of lying, "Director, Shi Yao is lying. She's the one who beat me up. There's only the two of us here, so it can't be that I beat myself up, right?!"

"I didn't..." compared to Qin Yiran's arrogant attitude, Shi Yao was a lot weaker."... director, I didn't hit her. She hit me... I didn't even touch her..."

Chapter 593: The Bitter-meat Ploy (1)

Qin Yiran was so furious that her chest was heaving up and down. "You're spouting nonsense! You're spouting nonsense! You..."

In contrast to Qin Yiran's furious look, Shi Yao was still as weak as ever, "I'm not spouting nonsense. Director, it's really as I said. I didn't hit her. The one who hit her was herself..."

Qin yiran bellowed in exasperation, "Shi Yao, you B * Tch!"

Shi Yao was so frightened by her words that she backed away from he tiantian.

He Tiantian protected Shi Yao and glared at Qin yiran with displeasure, "Teacher, look at her! She even dares to curse in front of you!"

The head of the Academic Affairs Bureau also spoke up in displeasure, "Student Qin yiran, Please Watch Your Words!"

"I, I..." Qin Yiran spoke up furiously. But before she could finish her words, the head of the academic affairs office spoke up once more, he cut her off, "Student Qin Yiran, don't speak for now. I have a rough understanding of the situation on your side. I need to understand the situation on student Shi Yao's side."

After saying those words, the head of the academic affairs office turned to look at Shi Yao, who was trembling on the ground. Perhaps it was due to Shi Yao's pitiful appearance, but not only did the head of the academic affairs office's voice lose its dignity from before., on the contrary, the voice of the head of the Education Bureau lowered a little as well. "Student Shi Yao, feel free to tell me everything. As the head of the Education Bureau, I won't malign any of my classmates, and of course, I won't tolerate any of them either."

“Alright, director,” Shi Yao replied politely to the head of the education bureau before speaking up, “I was on my way to the supermarket with Tian Tian Tonight when I bumped into Senior Qin. She was the one who forcefully brought me here. She used the matter regarding the forum to force me to delete those posts as long as I gave her 10,000 yuan. She even said that those posts were all made up by her, but I didn’t agree to it because those posts weren’t true in the first place. Thus, I refuted her with a few words, saying that she was too despicable, and then she started hitting me...”

“F * ck! When did I say those words? When did I ask for money from you? When did I threaten you? Shi Yao, you B * Tch! You’re slandering me! You...” Qin Yiran had completely lost her mind, she had completely lost her rationality.

The head of the Education Bureau glared at Qin Yiran in displeasure, and his tone was exceptionally frightening. “Student Qin Yiran!”

Qin Yiran was so furious that she shut her mouth, but due to her anger, her chest heaved up and down non-stop.

The head of the Education Bureau turned to Shi Yao.

Only then did Shi Yao continue with her earlier words, she continued, “Director, I’m not lying. I’m telling the truth, including what I said about Senior Qin beating herself up. I said that I wanted to tell teacher about it, and then she slapped herself twice. She told me proudly that if I had the ability, I would report it to teacher. She even said that there were marks on both of our bodies, which meant that we were fighting each other. When the time comes, I’ll tell teacher that we’ll be punished together...”

Hearing those words, Qin Yiran was so furious that she couldn’t even utter a single word. She immediately rushed up to Shi Yao and grabbed her arm, she dragged her to the head of the academic affairs bureau and said, “Alright, you... Shi Yao, you’re really something. You’re lying through your teeth? If you’re so capable, why don’t you show everyone what you really are...”

Chapter 594: The Bitter-meat Ploy (2)

What Qin Yiran wanted to say next was: where exactly did I hit you?

But before she could finish her sentence, he Tiantian, who had been silent for a moment, suddenly leaped up to Shi Yao and asked, “Yaoyao, what’s wrong with your face?”

“Yaoyao, why is your face so swollen?”

As he Tiantian spoke, he seemed to have understood something as he glared at Qin Yiran with a vicious gaze. “Qin Yiran, aren’t you being a little too vicious? How could you do this? You...”

Qin Yiran frowned in bewilderment at the accusation before turning her head to look at Shi Yao.

While she was turning her head around, she had wanted to finish her sentence, but the moment her gaze touched Shi Yao’s face, it was as if she had seen an unbelievable scene, her eyes widened in shock.

Shi Yao’s face was horribly swollen, as if someone had hit it hard.

There were also two swollen spots on her neck, as if someone had pinched it with their fingertips.

Not only that... two of her clothes had been torn at some point in time, and there was a gash on the side of her leg that was dripping with blood..

When Qin Yiran saw the scene clearly, he tiantian also noticed it. "And her neck. Qin yiran, did you strangle Yaoyao's neck?"

"And her leg? Why is there so much blood? No Wonder Yaoyao has been protecting her head all this time. No Wonder Yaoyao was so frightened... director..."

When the head of the academic affairs bureau saw Shi Yao's bleeding leg, his expression immediately turned extremely stern. "Qin Yiran, do you have anything else to say? !"

Hearing the head of the academic affairs office's words, Qin yiran blinked her eyes, and she finally recovered from Shi Yao's sudden state.

She still couldn't quite believe what she was seeing. She stared at Shi Yao for a moment before asking, "How did this happen? How did this happen?"

That's right! What in the world happened?

She didn't even touch Shi Yao's finger, so how did she end up in such a state?

"What do you mean, how did she end up in such a state? Her words are a mess!" Her face was so swollen that it was difficult for anyone to look straight at her. No matter who it was, they would think that Qin Yiran was lying. After all, no one would be able to hurt themselves to such an extent. On top of that, when everyone first arrived.., all they saw was Qin yiran threatening to beat Shi Yao up..

Thus, if he were to put all of these together, anyone would think that Qin Yiran was lying.

The head of the Education Bureau was certain that Shi Yao was telling the truth as well. "Qin Yiran, your actions are simply too despicable. It's one thing for you to fight in the school, but you even threatened your classmates' money. I'll tell the school's higher-ups the truth and have them execute you!"

After saying those words, the head of the Education Bureau turned to Shi Yao and said, "Student Shi Yao, don't worry. We'll take this matter seriously."

"Also, this is the fellow student. You and student Shi Yao are in the same dormitory room, right? Thank you for bringing Shi Yao along to bandage her wounds..."

He tiantian immediately replied obediently, "That's right, director. I'll be taking Yaoyao with me now. Look at the crowd here, Yaoyao's appearance..."

The head of the academic affairs bureau seemed to understand the situation very well. He waved his hand, gesturing for them to hurry up and leave.

He tiantian sweetly said, "Goodbye, Director." After which, she helped the limping Shi Yao out of the forest.

Chapter 595: Skittles (1)

As she walked past the head of the academic affairs office, a cold glint surfaced in Shi Yao's timid eyes.

Didn't Qin Yiran really like slandering others regardless of the truth?

Alright then... I'll let her have a taste of being slandered.

At this moment, she must be feeling very excited, right?

It's one thing for me to be unable to vent my anger after being beaten up, but instead, I'm being blamed instead..

It's a pity that I can't become a worm in my stomach to see how my heart is breaking down. However, just thinking about it alone is truly satisfying and satisfying!

She, Shi Yao, has never been a soft bun. Ever since she was young, she had never bullied anyone, and she had never been bullied either. However, that doesn't mean that she didn't know how to retaliate and retaliate after being bullied!

In fact, she didn't want to do so absolutely, so ruthless, because this way of doing, is what she least likes. She likes to live a simple and beautiful life, but some people, she just wants to destroy your simple and beautiful life desperately, in that case... Don't blame her for being unkind.

As she said, she qin still has the ability to provoke her, we must be ready to bear the consequences.

Of course, she wasn't just here to vent her anger.

Tonight's incident would soon spread throughout g university. When the time came, everyone would know that Qin Yiran had used the incident on the forum to force her to give money. After a disagreement with her, she had even hit her, she had also slapped herself twice to try to cover up her actions... as a result, the credibility of the things she had revealed on the forum would definitely be greatly reduced.

After all, how could someone with such a vile character be trusted so easily?

Even if some people might not believe it, as the video was already there, the scandal regarding her being a mistress would still be covered up by Qin Yiran's incident tonight.

Just like in the entertainment industry, the best way to cover up a scandal was to expose another scandal... it could be said that Qin Yiran had brought this upon herself. After all, she was the one who had started the scandal first, naturally, it would be up to her to cover up her scandal.

At this thought, Shi Yao's lips couldn't help but curl up slightly.

Even if she were to bully her, she wouldn't let her off!

To think that she would even dare to implicate her friend and Lin Jiage!

If she, Qin Yiran, was smart, she would learn her lesson this time and behave herself. If she were to be stubborn, she would have to make things difficult for her in the future... Heh..

Shi Yao sneered coldly in her heart, but before she could say anything, a huge car suddenly drove over from afar. The headlights of the car shone directly on her and he tiantian, blinding them so much that they couldn't open their eyes.

“What’s going on? Why is there such a huge car driving into the school in the middle of the night?”

Following he Tiantian’s ridicule, the car stopped beside her and he tiantian.

The car door opened, and several people jumped out of it.

They were all unfamiliar faces, so Shi Yao and he tiantian didn’t recognize them. However, out of curiosity, the two of them couldn’t help but take a closer look at them.

After those people got out of the car, they circled around to the back of the car, opened the back door, and began unloading the items from the inside.

“What on Earth are they doing? Yaoyao?” He Tiantian couldn’t help but ask curiously in Shi Yao’s ear.

Shi Yao shook her head in confusion. Just as she was about to reply that he tiantian didn’t know anything, another person jumped out of the car door of several people..

..

Chapter 596: Skittles (2)

With just a single glance, Shi Yao suddenly blurted out a question, “Lin Jiage?”

Why is he here?

Following which, he Tiantian, who was supporting Shi Yao with his arm, seemed to have a guilty conscience as he nudged the finger that was holding her arm behind her back, putting on a calm face, he said, “Yaoyao, perhaps senior Lin has a telepathic connection with you, and knowing that you’re here, he rushed over...”

Before he tiantian could finish her words, Shi Yao had already turned to look at her, and he tiantian immediately broke into a smile, she changed the topic, “... Alright then, it was senior Lin who called the dormitory room. As you know, he’s my idol. I, I, I used to have a lot of backbone, but the moment he opened his mouth, My, my backbone betrayed me completely...”

Out of curiosity, Shi Yao asked casually, “What did he say to make you spill the beans just like that?”

He Tiantian scratched his head. “Hehe, he said, ‘Hello, I’m Lin Jiage. May I ask if Shi Yao has returned to the dormitory room?’”

Shi Yao: “...”

She felt as though a layer of chocolate had been pasted over her face, turning it black.

So what if he’s lecherous? What backbone betrayed me..

Shi Yao harrumphed in her heart, Tian Tian, you’re the Rainbow Candy

He Tiantian: “What do you mean?”

Shi Yao: “I’m Lecherous Enough!”

He Tiantian, who was being ridiculed, couldn’t stop smiling at Shi Yao. She wanted to act coquettishly, but before she could finish her words, she saw another person jump out from the car door behind Lin

Jiage, and she hurriedly tugged at Shi Yao's arm, changing the topic, she said, "Yaoyao, Yaoyao, look! There's also senior Lu! He's here too..."

Shi Yao looked in the direction he tiantian was pointing at, and sure enough, she saw Lu Benlai in a pink hoodie standing behind Lin Jiage in a white shirt.

This cold and warm-loving boy was always dressed like a soft drink, and he was dressed in all kinds of young girls' and young boys' colors. He really was quite a flirtatious fellow..

As Shi Yao lampooned silently in her heart, the head of the academic affairs office, he Tiantian, and the other girls whom Shi Yao had just called over, as well as Qin yiran, walked out from the small forest.

Lu Benlai was the first to speak up, "Hello, Director."

Upon seeing Lin Jiage and Lu Benlai, the head of the academic affairs office stopped in his tracks and asked, "Jiage, why are you here?"

Lin jiage politely nodded at the head of the academic affairs bureau and said, "I'm here to settle some matters."

Lu benlai quickly interjected, "That's right, director. We're here to settle some matters. Please wait for a moment, those things will be ready soon..."

The head of the academic affairs bureau asked, "What are those things?"

Lu benlai replied, "Director, you'll know in a moment..."

While Lu Benlai and the head of the academic affairs bureau were speaking, Lin Jiage turned his head to look at Shi Yao, who was standing a distance away.

Under the dim light of the street lamps, he stared at her from afar for a moment before striding over to her.

He Tiantian couldn't help but grab Shi Yao's arm tightly, "Yaoyao, senior Lin is here. Even though I know that he belongs to you, I'm still going to faint from his handsomeness. Why..."

Before he tiantian could finish his words, Lin Jiage had already walked up to them.

He Tiantian hurriedly shut his mouth, "Hello, senior Lin."

As Shi Yao's roommate, Lin Jiage didn't dare to be negligent either. Thus, he greeted he tiantian with a "Hello" before turning to Shi Yao.

PS: Tiantian, this is a treatment only given to family members

Chapter 597: Turning Your Elbow Outward (1)

Due to the distance between them and the lack of light from the street lamps, Lin Jiage wasn't able to see Shi Yao's condition clearly. It was only when he stood before her that he realized that her face was severely swollen.

Lin Jiage's face immediately darkened, "She hit you?"

Not only did Lin Jiage's voice not contain the slightest hint of the calm and leisurely tone he had when he was talking to he tiantian, there was even a hint of sharpness and coldness in it. He Tiantian was so frightened that he immediately let go of Shi Yao's hand, pointing at his classmate beside him, he slipped away.

"Did she hit you?" Lin Jiage asked as he scanned Shi Yao's entire body. When he caught a glimpse of the wound on her leg and the hole in her clothes, a myriad of emotions surged in his eyes. Before Shi Yao could say anything, he turned around and glanced at the crowd, after catching sight of Qin Yiran's figure, he strode over to her without hesitation.

But before she could take two steps forward, Shi Yao grabbed her hand and said, "Lin jiage, calm down, calm down. Don't be rash..."

At this moment, she was in a disadvantageous position, so she had the upper hand. If Lin jiage were to do anything to Qin Yiran in a fit of rage, the situation would be reversed..

Besides, it wouldn't be good if news of a boy beating up a girl got out.

Afraid that she wouldn't be able to hold on to Lin Jiage, Shi Yao reached out with her other hand and wrapped her arms around Lin Jiage's left arm like she was hugging a bear, she placed all of her weight on him, "... Lin Jiage, don't go over there, you..."

Her voice was soft, and there was a hint of a request in it.

Hearing those words, Lin Jiage couldn't even take a single step forward. Suppressing the rage in his heart, he turned his head to look at her scoundrel-like actions, and for a moment, he didn't know whether to laugh or cry.

In the end, Lin Jiage still went along with Shi Yao's words and said, "Alright, I'm not going over. Let Me Go First."

Shi Yao raised her head and stared at Lin Jiage's expression for a moment. After confirming that he wasn't lying, she released his arm.

Lin Jiage turned around and faced Shi Yao, "Other than these injuries, are there any other injuries?"

Shi Yao hurriedly shook her head. "N-no!"

Lin Jiage looked at Shi Yao from head to toe, and after making sure that there were no other injuries, he took out a clean handkerchief from his pocket and squatted down to bandage the wound on Shi Yao's leg.

He couldn't just casually touch this wound! It would expose itself!

Just whose family is he from? Why is his elbow turning outward?

Shi Yao abruptly moved her leg away from Lin Jiage's hand.

Lin Jiage thought that Shi Yao was afraid of pain, so he said, "I'll be gentler. If we don't treat this wound now, we'll be in big trouble if it gets infected..."

An ice cream ball! There's no way it'll get infected!

But there were people around them, and they weren't too far away from each other. If she were to tell him the truth and others were to hear it, wouldn't that be a huge problem?

Yet, he was so insistent on treating her wounds... Lin Jiage was definitely here to cause trouble!

With this thought in mind, Shi Yao rolled her eyes before reaching out to Lin Jiage, who was squatting in front of her, and saying, "Give me a hug..."

Lin Jiage was stunned by Shi Yao's actions, and he froze on the spot.

Er... she seemed to have used a really bad move in a moment of desperation!

With so many people watching her from the side, if Lin Jiage didn't hug her, wouldn't she be making a fool out of herself?

But since she had already used it, there was no way she could turn back time. Gritting her teeth, Shi Yao could only brace herself and continue speaking to Lin Jiage, "Hug, hug..."

Chapter 598: Turning Your Elbow Outward (2)

Shi Yao's voice jolted Lin Jiage out of his daze.

Even though he didn't know why she would suddenly do such a thing, her 'hug' had melted his heart, causing him to lose all resistance in that instant.

He thought that even if she told him to charge into a mountain of blades and a sea of flames, he would still do it without any hesitation..

Without any hesitation, or rather, his mind was completely blank. Without a single thought, he simply stared at the pair of white hands that she had extended toward him. Slowly, he stood up and pulled her into his embrace.

As the two of them got closer, Shi Yao stood on her tiptoes and whispered into Lin Jiage's ear, "I'm telling you, don't touch the wounds on my body..."

"There are too many people here, and there are too many eyes on me. It's not convenient for me to tell you this... But you have to remember that we are one family. You Can't ruin my plans and hold me back..."

Having finished what she wanted to say, Shi Yao turned to Lin Jiage and asked, "Did you hear that?"

Her soft body was in his embrace. She stood on her tiptoes and whispered softly into his ear, and her breath continued to seep into his neck..

Wasn't she overestimating his self-control? He could hear everything she said, but there was no way he could figure out what she was trying to say.

Seeing that Lin Jiage wasn't responding to her, Shi Yao asked, "Did you hear what I Said?"

Lin Jiage still didn't move at all.

Shi Yao couldn't help but pinch his waist.

A slight pain, along with a tingling sensation, spread throughout Lin Jiage's entire body. Instinctively, he grabbed Shi Yao's hands and slowly turned his head to look into her eyes. In just a few short seconds., his gaze fell on her lips.

He could clearly see the urge to kiss her in his heart. He tried his best to suppress it, and after exerting a lot of strength, he nodded lightly at her and replied with an "En", then, he swiftly averted his gaze from her lips.

Seeing that Lin Jiage had finally responded to her, Shi Yao's heart finally settled down. She took a step back, wanting to leave Lin Jiage's embrace.

The boy suddenly exerted more strength in his fingertips, tightening the grip she had placed on his waist.

Shi Yao subconsciously exerted more strength in an attempt to break free, but Lin Jiage showed no signs of letting go at all.

Just as the two of them were in a deadlock, Lu Benlai suddenly spoke up, "Boss, everything is ready. Come over and take a look..."

Lin Jiage replied with an "OH" before continuing to hold Shi Yao's hand. He stared into her eyes for a moment before turning around to leave.

He walked over to a piece of equipment that had been assembled from the cartons. After taking a look at it, he seemed to have confirmed that there was nothing wrong with it before nodding at Lu Benlai.

Lu Benlai, who had received his hint, turned to look at the Dean of the Academic Affairs department in the next moment. "Dean, it's like this. This set of instruments is the latest version of the lie detector. Its accuracy is as high as 100% ..."

"The purpose of getting this lie detector is actually for the rumors on the forum. Now, I would like to invite Qin Yiran over to test it in front of so many students. If Qin Yiran has a clear conscience, I don't think she has anything to be afraid of, so there's no harm in testing it, right?"

Chapter 599: Shi Yao Is My Fiancée (1)

As he spoke., Lu Benlai turned to Qin Yiran and said, "Student Qin, come on. It Won't take up too much of your time. At most, it'll take ten seconds. All you need to do is say one thing to the polygraph, and that is: every single word of the information I've leaked on the Forum is true..."

Qin Yiran stood rooted to the spot.

Lu Benlai waited patiently for a moment, but when he saw that Qin Yiran wasn't moving at all., he spoke up once more, "Student Qin, what's Going On? The fact that you dared to reveal the truth on the forum means that you're confident! Since you're confident, what are you waiting for? Hurry up and come over..."

Qin Yiran still didn't move at all.

Standing beside her, Shi Yao's eyes widened in shock as she stared at the set of equipment.

Isn't Lin Jiage a little too good at playing games? He actually brought in such an advanced lie detector equipment... but she had also lied. If he were to ask her to take a lie detector test later on, wouldn't he be playing Qin Yiran to death as well as her?

As expected, men are all pigs' hoofs. Words can't be trusted..

Just as Shi Yao was lamenting in her heart, Lu Benlai, who was standing not too far away, suddenly spoke up to urge Qin yiran, "Student Qin, are you feeling guilty?"

She didn't know if Qin Yiran was feeling guilty, but she felt so guilty... Shi Yao could feel her heart trembling in fear.

After being urged several times, Qin yiran spoke up indignantly, "Why do I have to take the polygraph test? Why Don't you let Shi Yao take the polygraph test? Ask her, did I really hit her just now?"

Oh My God... There really is nothing to be afraid of! As expected, Lin Jiage and I aren't from the same family!

Shi Yao suddenly felt like she was the female lead in a fantasy novel. She could use an escape art to escape.

Lu benlai burst into laughter, "Student Qin, you're really interesting. At this point in time, you still want to make a false accusation?"

"Alright, I'll believe you for now. You Didn't hit little junior, and little junior slandered you. However, there's a cause and effect for everything. You're the first one to stir up trouble, so even if you want to discern the truth, you should be the one to do it first. Is that Alright?"

"As long as you test the forum first, you can test whatever you want. On behalf of Little Junior, I'll fully cooperate with you!" Lu Benlai turned to Shi Yao and asked, "Little Junior, do you have any objections?"

Go eat stinky tofu! I don't want you to represent me!

Shi Yao gritted her teeth as she greeted Lu Benlai from head to toe. However, she still pretended to be calm and replied, "No, I don't have any objections!"

Yes, she does have a huge objection..

Lu Benlai turned to Qin yiran and said, "Look, little junior has already said that she doesn't have any objections. So, Student Qin, please..."

Qin yiran stood rooted to the spot, staring at the instrument in hesitation.

Lu Benlai pretended not to know what was going on and asked, "Student Qin, what do you mean by that reaction? Do you not know how to use this instrument? It's fine, I'll get someone to give you a demonstration first..."

"But who's going to give the demonstration?" Lu Benlai glanced at the crowd before turning his gaze to Lin jiage, "Boss... why don't you do it?"

Lin jiage, who hadn't said a word all this while, didn't reject his offer. He walked up to the polygraph and said, "Shi Yao is my fiancée."

The polygraph fell silent.

Lu Benlai continued with his explanation, "This means that it's true."

Lu Benlai thought that Lin Jiage had already finished his explanation, and he was just about to Rush Qin yiran when Lin Jiage suddenly said to the polygraph, "Shi Yao is staying at my house."

Chapter 600: Shi Yao Is My Fiancee (2)

Lu Benlai:"..."

The Heck, is boss sure that this polygraph is a surprise specially prepared for joke Qin and not a gift for me?

Also, is boss sure that he's here for revenge and to lend a helping hand to little junior, not to torture a dog?

What should I do? No matter how I look at it, it seems like boss has spent so much effort to obtain this polygraph in order to swear his sovereignty?

Of course, Lu Benlai only dared to curse silently in his heart. He didn't dare to say it out loud, nor did he dare to forget his mission, so, he quickly turned to look at Qin Yiran. "Student Qin, look, the demonstration has also been demonstrated to you. So, if you are confident in your truth and have a clear conscience, why don't you take a Test?"

This time, Lu Benlai didn't give Qin yiran another chance to Dawdle and opened his mouth to speak, his words were much more aggressive. "Student Qin, there are so many students here, as well as the Dean of the academic affairs office. If you are really not in the wrong, this polygraph is a god-like aid to you to prove yourself. I think that anyone would be eager to prove themselves after being wronged, right? "However, your dilly-dallying really makes people wonder if those words on your forum are just slander

"It's getting late. Wasting Everyone's time is not the same thing. So, Student Qin, I'll give you three minutes to think. If you really decide not to take the polygraph test, then it means that the things on your forum are made up to slander people?"

"One minute has passed. Student Qin, haven't You Made Up Your Mind Yet?"

"It's been two minutes..."

"Two minutes and thirty seconds... actually, everyone isn't stupid. They can see the truth. Boss has already said that the little junior sister is staying at his house. Those comments on the forum that the little junior sister is being kept by some middle-aged uncle are self-destructing... Oh, Oh, Oh, I'm sorry, I've said too much nonsense. It's already been three minutes..."

"Student Qin, Can I take it that you're giving up on your own accord now? Or should I ask these people to carry the polygraph in front of you?"

With that, Lu Benlai waved his hand, and the people who had assembled the polygraph lifted it up and walked toward Qin Yiran.

Qin Yiran's face turned pale and green as she looked at the polygraph approaching her.

She was afraid, and she felt guilty... she was the one who had slandered those things on the forum... if she were to open her mouth, she would be exposed... even if she really didn't beat Shi Yao up today, she wouldn't even be able to pass the first test.., how could she expose Shi Yao?

First, Shi Yao had set her up, and now, Lin Jiage had come up with a lie detector in such a grand fashion... did they have an agreement? To deal a blow to her one after another?

Seeing that the lie detector was already right in front of her, Qin Yiran began retreating in panic. Just as she was about to retreat, a tree blocked her path. She stopped in her tracks and was stunned for less than two seconds, unable to think of anything else to do, she decided to run away.

As if he had predicted that she would run away, Lu Benlai took a step forward and blocked her path, "Classmate Qin, what do you mean by this?"

"You want to leave after seeing that the lie has been exposed?"

Lu Benlai's voice suddenly became a little sharp. "It's not impossible, but it's only right and proper to apologize for doing something wrong. Therefore, Student Qin, please apologize to the person who should apologize before you leave!"
