

Chapter 621: Can He Be Compared To My Son? (1)

Seeing this, Shi Yao was afraid that Lin Jiayi would punch Lin Jiage in the next moment, so she hurriedly said, "That's not it. You've misunderstood Lin Jiage. He's not who you think he is. What did he do that he doesn't want to take responsibility for..."

Ptui! What did she mean by that? What do you mean by what did he do that he doesn't want to take responsibility for... he clearly didn't do anything at all... is she sure that she's trying to defend herself and not to stir up trouble?

Shi Yao cursed herself in her heart for a moment before she hurriedly said, "... No, that's not right. We didn't do anything at all..."

Lin Jiage was well aware that there were some things that no one would be angry or suspicious of if Shi Yao said them out loud, but there were some things that no one would think the same way if he said them out loud..

Thus, when Shi Yao said those words.., he immediately added on, "That's right. It's just as Yaoyao said. Nothing happened between us. Back then, I was the one who was injured. Yaoyao was worried about me, so she stayed at my place for a month to take care of me. That's all..."

Lin Jiage was just about to say those words, but at that moment, a thought suddenly flashed through his mind. He turned to Shi Yao and added, "Right? Yaoyao?"

He intentionally lowered his voice so that everyone could hear it. It was as if he was making up a story and threatening Shi Yao to accompany him in his confession.

Knowing the truth, Shi Yao naturally didn't notice anything strange about Lin Jiage's words. Thus, when she heard Lin Jiage's question, she immediately nodded her head furiously, "Yes, yes, that's right. Back then, Lin Jiage was the one who was injured, so I went to take care of him. It's as simple as that... you guys are really overthinking things... you guys are really overthinking things!"

Shi Yao was just trying to emphasize that everyone was overthinking things, but little did she know that her resolute and resolute reaction was like a threat to everyone.

Before Shi Yao could finish her words, Lin Jiage had already seen his grandfather walking on the verge of exploding in rage. In order to make his grandfather lose his temper completely, after Shi Yao's words were spoken.., he added fuel to the fire, "Look, I'm not the only one who said that Yaoyao won't get pregnant. Even Yaoyao said that you guys are overthinking things..."

"Do you think that I'm Blind? Didn't you see anything? Don't think that I don't know what you just said, right? Yaoyao is threatening yaoyao!" Old Mister Lin's chest heaved up and down in anger, he pointed at Lin Jiage a few times as if he wanted to scold him, but in the end, he couldn't think of anything to say. Instead, he was so angry that his face turned red.

Seeing this sight, Shi Yao hurriedly spoke up, "Grandpa Lin, calm down. Don't be so angry that your body will go bad..."

“Yaoyao, I know that you’ve suffered a grievance. Don’t worry, Grandpa will definitely avenge you today. Just you wait...”as he spoke, old Mister Lin looked around, then, he pointed at his walking stick and said, “Auntie Sun, give me your walking stick. I’ll beat him to death today!”

“You’ve grown up, Huh? You actually dare to threaten yaoyao? Heh...”old Mister Lin was so angry that he didn’t know how to scold Lin Gubei anymore. Finally, he glared at Lin Gubei and said, “Look at the good son you’ve raised. Can he even compare to my son?”

As he spoke, old Mister Lin raised his walking stick and swung it at Lin Jiage.

“Dad, dad, calm down, calm down...”

“Grandpa, I’ll deal with him. Don’t be angry...”

Chapter 622: Can He Be Compared To My Son? (2)

“Uncle Lin, this matter might have happened too suddenly, but I don’t think that’s what the two of them meant...”

“That’s right, old sir. Look at how long they’ve been married as children. Sooner or later, they’re going to get married, so there’s no need to rush things...”

“This isn’t a matter of whether I’m in a rush or not. This is a problem with that Brat Lin Jiage!”! You All saw how he frightened Yaoyao by threatening her just now. She didn’t even dare to breathe, so she just went along with his words. Yes, yes, what is it! “He’s been refusing to lay his hands on the roof for three days now. Today, I’m going to teach him a lesson, and he’s even telling me that he’s injured. where is he injured? “Let’s see if I’ll really get injured if I don’t beat him up today!”

“Dad, Dad, I’ll punish him when I get home. No, I’ll make him kneel in front of the wall. No, no, no, go to the cobblestone in the courtyard and kneel there for a day and a night. No one is allowed to give him food!”

“You should educate your son, and I should educate my grandson! “If I don’t beat him up today, I won’t be his grandfather!”! “Besides, even if he and Yaoyao are really innocent and nothing happened, a good girl like Yaoyao who lived in the same house with him for a month has long lost her reputation. He has to take responsibility, right?”

“...”

In an instant, the room that was originally filled with joy and happiness suddenly turned into a mess.

The words of persuasion and curses entered Shi Yao’s ears, causing her to feel dizzy. In the end, when she saw Grandpa Lin hurling his walking stick at Lin Jiage, she didn’t even think twice about it, thus, she stood in front of Lin jiage and said, “Grandpa Lin, don’t hit him...”

Old Mister Lin hurriedly retracted his fist and glared furiously at Lin jiage, “Come over here if you dare! What kind of man are you hiding behind a little girl? !”

As Old Mister Lin spoke, he changed his direction and prepared to beat Lin Jiage up.

Shi Yao hurriedly followed Old Mister Lin and said, "Grandpa Lin, it's not that Lin Jiage doesn't want to marry me, it's that I don't want to marry him..."

It would have been better if Shi Yao hadn't said those words, but upon hearing those words, Old Mister Lin became even angrier. "Alright, Lin Jiage, you've really grown wings. Just what kind of threat did you use to make Yaoyao take the blame for herself?!"

Heavens, why isn't it clear to me? I was the one who didn't want to marry Lin Jiage..

Shi Yao could only speak up once more, she patiently explained, "That's not it, Grandpa Lin. You really can't blame Lin Jiage for the whole thing. I wasn't threatened by him, and he was very kind to me. Furthermore, he only told you guys not to get married now because I asked him to. You really misunderstood him..."

The more Shi Yao Protected Lin Jiage, the more certain old Mister Lin was that she was being threatened by Lin Jiage.

This time, Old Mister Lin was so furious that he couldn't even speak a word. He immediately grabbed his walking stick and smashed it into Lin Jiage's right arm.

This won't do... Lin Jiage's right arm was just fine, and the doctor had specially instructed him this morning to take care of it. If he were to smash his walking stick into it, wouldn't Lin Jiage be injured once more? What if he were to be crippled after being injured so frequently?

But no matter how she tried to explain herself, Grandpa Lin wouldn't listen to her..

In a moment of desperation, Shi Yao had no choice but to resort to delaying the inevitable, "Grandpa Lin, I'll leave the wedding to you two..."

Seeing that her words were unable to appease Grandpa Lin's anger, Shi Yao hurriedly turned to Lin Jiage and said, "Hurry up and apologize to Grandpa. Just say that you don't have any objections and let them continue discussing their matters..."

?

Chapter 623: I'll Listen To Yaoyao (1)

Lin Jiage shot a glance at Old Mister Lin, and as though he was in a fit of pique, his lips twitched a little, but he didn't make a sound.

Old Mister Lin became even angrier.

Shi Yao became even more anxious, "Lin Jiage, hurry up and say it..."

"Lin Jiage!"

After Shi Yao urged him several times, Lin Jiage, who had been eager to say 'I have no objections, I'll listen to your arrangements' from the very start, finally raised his head reluctantly, with an unconvinced look on his face, he turned to elder Lin and said, "I never said that you shouldn't get married. From the very beginning, I've always wanted to make a point that you should respect Yaoyao's choice and the truth of the matter..."

His words sounded extremely unreasonable to elder Lin.

Elder Lin's face reddened in anger, "That B * stard, I, I, I..."

"Dad, dad, please calm down..."

"Jiange, it's not that I want to scold you, but you're really too insensible!"

"ATM, are you really tired of living?!"

"Grandpa Lin, please don't be angry, I'll talk to him..." Shi Yao consoled old Mister Lin as she turned around and tugged at Lin Jiange's clothes before leaning closer to his ear, she began to mutter softly, "... Hurry up and give in to Grandpa Lin, Alright? We'll discuss the rest later. There's no way we can talk today. No matter what you say, they won't believe you. If we continue fighting head-on, Grandpa Lin might really be angered to the point of losing everything..."

Seeing that Lin Jiange wasn't about to speak, Shi Yao tugged at his sleeve and urged him, "... Lin jiange, hurry up..."

Perhaps it was because she was feeling anxious, but a thin layer of sweat began to form on the tip of Shi Yao's nose.

Lin jiange listened to her soft voice and stared at her for a moment. It seemed like there was really nothing he could do about her, so he could only give a helpless "Okay" before raising his eyelids to look at Old Mister Lin, "Alright, I was in the wrong just now. I'll listen to Yaoyao and do as she says..."

A moment ago, old Mister Lin was still trembling in anger, but upon hearing Lin Jiange's words, his face immediately lit up in delight, as if nothing had happened at all, he chuckled at the others and said, "Why are you all standing there? Sit Down..."

With Auntie Sun's help, Old Mister Lin took his seat, and the others followed suit.

"You should eat the food while it's hot..." Old Mister Lin said as he moved his chopsticks. After he took a bite of the food, he spoke again, "... where were we just now?"

Nanny sun replied, "Old mister, we were talking about the child's name."

Old Mister Lin nodded. "Yes, yes, yes, continue..."

"The name depends on the birth date. It's better to give it after birth, right?"

"But it's not bad to think of a few words beforehand. You might be able to use them when the time comes."

"There are still a lot of troublesome things to deal with when you have a child. Things like diapers, milk, milk bottles, cribs..."

"..."

After that earth-shattering incident, even if Shi Yao had any doubts, she didn't dare to voice her opinions at this moment. All she could do was complain in her heart that she didn't have a child at all. These were

all things that weren't even close to a birth date., your imagination is too much. While holding her chopsticks, you're venting your frustrations on your food.

In contrast to Shi Yao's stifled mood, Lin Jiage, who was sitting by the side and had nearly been beaten up, was overjoyed.

Chapter 624: I'll Listen To Yaoyao (2)

Even though this forced marriage came without any warning.

Even though she hadn't thought of marrying him yet.

But as long as she wasn't allowed to reject this forced marriage at this moment, it meant that there was still hope for him..

To be honest, he did like her more than he had imagined, but he hadn't thought of marrying her so soon.

However, when his grandfather used the fact that they had been living together for a month as an excuse to force them into a marriage, he realized that he had no intention of opposing it at all. In fact, he even thought that... if he were to be forced into a marriage just like that., it wouldn't be too bad either..

Lin Jiage was truly elated, but he didn't dare to reveal any flaws. Thus, he tried his best to control the emotions on his face, trying his best to act as calm as possible as he picked up Shi Yao's favorite dish, he placed it into her bowl.

..

The meal lasted for four hours, and by the time it ended, it was already 3:30 pm.

Shi Yao, who hadn't returned home for a long time, had a long holiday the next day, so when her parents and aunt left with Gu Nanqiang, she left with them as well.

Initially, the Lin family's chauffeur was supposed to drive Shi Yao and her family, but for some unknown reason, old Mister Lin decided to use the chauffeur to drive Shi Yao and her family.

After Lin Jiage drove Shi Yao and her family out of Beijing Grand Hotel, Old Mister Lin didn't stay any longer. He immediately got into his car and left.

Auntie Sun accompanied Old Mister Lin as they left. Sitting in the car, Auntie Sun thought that Lin Jiage and Shi Yao's marriage was already set in stone, with great joy, she said to old Mister Lin, "Old Mister, Congratulations! Miss Shi is finally going to become your true granddaughter-in-law."

Hearing this, Old Mister Lin didn't smile. Instead, his face turned cold, "Ha, that brat is really useless!"

Nanny Sun looked at Old Mister Lin, who had suddenly changed his expression, with a puzzled expression, "Old mister... What do you mean by this? Shouldn't You Be Happy?"

"Ha, Nanny Sun, you're really stupid to say that you've been stupid all these years. I was happy when I was eating, but that was all an Act!" Old Mister Lin said, at the same time, he snorted coldly. "You people

are still too young. Fortunately, I reacted quickly. Otherwise, Yaoyao would have left our Lin family completely!”

Auntie Sun was even more confused. “No... Old Mister, I’m completely confused now... it was clearly Miss Shi who persuaded the young master to compromise with you. Why did you say that it was Miss Shi who wanted to leave the Lin Family?”

Old Mister Lin Shot Auntie Sun a look that said, “It’s really difficult to talk to you.” After a while, he finally spoke up, “Can’t you tell? It’s not that that Brat isn’t willing to marry yaoyao, it’s that Yaoyao doesn’t want to marry that Brat... you said that he should do it, didn’t you? Now, you have your retribution, right? Your fiancée is about to fly away, right?”

At this point, old Mister Lin heaved a heavy sigh, “I was the one who reacted quickly. If it wasn’t for my sudden outburst and wanting to beat that fellow up, Yaoyao would probably have told the whole table that she didn’t want to marry Lin Jiage...”

Old Mister Lin heaved another heavy sigh, “... tell me, why doesn’t that B * Stard Lin Jiage follow me around at all? He and Yaoyao have been together for a month, and nothing has happened to them? Sigh... even if I wanted to cook them, I still couldn’t...”

Old Mister Lin Sighed for the third time, but before he could finish his words, a thought suddenly struck him, he turned to look at auntie sun and said, “Tell me, if I were to do something to them and make them... do you think that I would be able to cook them like cooked rice?”

?

Chapter 625: Chance Encounter At The Airport (1)

For a moment, Nanny Sun didn’t quite understand the hint in old Mr. Lin’s words. “What’s That?”

“It’s...” Old Mr. Lin only said two words before he stopped. “... forget it, forget it, I didn’t ask you...”

As he said that, he turned his head and looked out of the car window with a look of disgust on his face.

Auntie Sun: “...” he even said that the young master didn’t follow the old mister, but from what she could see, the young master was the one who followed the old mister the most..

The only use Lin Jiage had for him was to marry Yaoyao... if he couldn’t even do that, then..

Old Mister Lin stared at the scenery outside the car window as it gradually receded into the distance. At this thought, he couldn’t help but sigh deeply in his heart.

He could not think about it. The more he thought about it, the more he despised this grandson. However, what could he do? He could not stuff it back into his mother’s stomach after giving birth... since it could not be stuffed back into his mother’s stomach, he could not continue to despise him like this, it seemed that as a grandfather, he had to lend him a helping hand..

As he thought about it, old master Lin furrowed his brows and fell into deep thought.

After about five minutes, he walked up to Auntie Sun and instructed her in a low voice.

After Auntie Sun heard what he said, she looked at Old Master Lin with uncertainty. “Is this okay?”

“Yes, it’s definitely okay... just do as I say. First, go and see when Yaoyao’s period is. Then, calculate the date when she ovulates. As long as she has a child by then, I will have no regrets in my life...” Old Master Lin said, it was as if the matter had already come true, and the frosty expression on his face immediately turned into a smile.

..

It was already six in the evening when they returned to Shi Yao’s house.

Shi Yao’s mother warmly invited Lin Jiage to stay for dinner, but Lin Jiage agreed to it with a look of reluctance on his face.

While Shi Yao’s father was helping Shi Yao’s mother cook dinner, Shi Yao was instructed by her mother to accompany Lin Jiage the entire time.

By the time Shi Yao finished her meal, it was already nine in the evening.

Even though it wasn’t too late, it was still an hour’s journey for Lin Jiage to return to the city. Thus, before nine-thirty, he tactfully suggested that he leave.

Shi Yao walked Lin Jiage down the stairs.

Before Lin Jiage got into the car, Shi Yao naturally didn’t forget to mention the matter of everyone forcing him to get married in the afternoon, “That... What about the marriage?”

Ever since Lin Jiage apologized to Shi Yao that night, he could feel that Shi Yao’s opinion of him had changed a lot. There were some things that he couldn’t wait for, but he could only secretly wait for them to happen. He was afraid that if he pushed her too hard, it would backfire on him, thus, after hearing Shi Yao’s words, he pondered for a moment before replying, “I haven’t thought of a good solution yet, but don’t be too anxious. You’ll think of something eventually.”

Shi Yao felt that Lin Jiage’s words were quite reasonable, so she nodded her head lightly. A moment later, she seemed to have thought of something, she then added, “Right, didn’t we agree to go to Chengdu Together? Did you book the tickets? Can you send me the details?”

Lin Jiage replied with an “Un”, but he didn’t think that there was anything wrong with Shi Yao’s question. Thus, he tapped on his phone and sent a message to Shi Yao, “The tickets are for tomorrow afternoon at three o’clock. I’ll Wake Up Tomorrow afternoon to pick you up...”

“Un...” Shi Yao didn’t reject Lin Jiage’s request. After replying to his message, she felt her phone vibrate. She lowered her head to take a look at the screen and saw that it was a message from Lin Jiage. She didn’t take a look at the content of the message before raising her head, she smiled at Lin Jiage and said, “Then drive slowly on your way home.”

Chapter 626: Chance Encounter At The Airport (2)

“UN. See You Tomorrow.” Lin Jiage didn’t linger around for too long. After bidding Shi Yao farewell, he got into his car and left.

It was only after Lin Jiage’s car had disappeared that Shi Yao turned around and headed upstairs.

After showering, Shi Yao was just about to head straight to bed. However, when she walked over to her bed and saw her phone, she suddenly thought of something. She picked up her phone and glanced at the text Lin Jiage had sent her before he left.

After seeing the flight number, she immediately went online to search for the price. After which, she walked over to her desk, took out a small notebook from her bag, and made a note on it.

..

It wasn't even midnight the next day when Lin Jiage arrived at Shi Yao's apartment.

As Shi Yao lived in the suburbs and wasn't too far from the airport, it took her less than half an hour to arrive at the airport.

After checking in and passing through security, she arrived at the first-class lounge. It was only 12:30 am.

Shi Yao and Lin Jiage had their lunch in the first-class lounge.

Halfway through their lunch, Lin Jiage received a call. From the content of his conversation, Shi Yao could vaguely tell that he was a partner of one of his projects.

After the meal, Shi Yao decided to head to the washroom. However, seeing that Lin Jiage was still on the phone, she decided not to disturb him.

After exiting the washroom, Shi Yao walked over to the sink. Just as she turned on the tap, the door of another cubicle not too far behind her was pushed open, and a girl dressed in black walked out from it.

Shi Yao only took a quick glance at the girl, and she felt that she looked a little familiar. However, she didn't pay much attention to it, so she quickly washed her hands and prepared to leave.

However, the instant she turned around, the black-clothed girl happened to pass by her.

As if they had a telepathic connection, both of them stopped in their tracks and turned to look at each other.

The instant their gazes met, a hint of astonishment flashed across Shi Yao's eyes.

In just a few short seconds, Shi Yao retracted all of her emotions and prepared to leave as if she hadn't seen her at all.

However, before she could even lift her leg, Liang Mumu reached out to stop her, "Shi Yao, long time no see."

Shi Yao glanced at Liang Mumu's hand that was blocking her way, but she didn't say a word.

Liang Mumu quickly followed up with another question, "Shi Yao, do you have time right now?"

Without even thinking twice, Shi Yao instinctively wanted to Toss Liang Mumu the two words 'not free'.

As if she knew what Shi Yao was going to say, before she could say a word.., liang Mumu spoke up first, "I think you have a lot to say to me, right? It just so happens that I have a lot to say to you as well. My flight is at 3:30 AM. What about you? What time is it? But it's fine if you don't want to tell me. If you're not in a hurry to fly, can we have a chat?"

The words that Shi Yao wanted to say froze on her lips.

She pondered for a few seconds before nodding at Liang Mumu and saying, "Sure."

"Then wait for me for a moment..." after saying those words, Liang Mumu swiftly turned on the tap and washed her hands. After which, she took out a tissue from her bag and wiped off the water stains on her hands, she threw the tissue into the trash can and glanced at Shi Yao. "Let's go out and find a place to chat."

Shi Yao didn't say anything as she followed Liang Mumu out of the bathroom.

There were many areas in the VIP lounge, and the massage chair area was empty. Liang Mumu casually pointed at it and asked, "Is that alright?"

Shi Yao didn't have any objections.

After taking their seats, neither of them spoke first. About half a minute later, Liang Mumu spoke up, "I'm sorry..."

Chapter 627: He Can Go Back, But You Can't Go Back (1)

Shi Yao's face was calm, and she didn't seem to be affected by Liang Mumu's sudden apology at all.

"I'm sorry... I'm really sorry... I'm sorry..." Liang Mumu apologized profusely, after which, she continued, "... I know that you must be blaming me right now, and I'm also blaming myself. It was just a moment of confusion that caused me to make so many mistakes. After my uncle sent me back to my hometown, I did blame you, but I realized that behind your back, I was still thinking about our past..."

"Yaoyao..." Liang Mumu uttered a single word before stopping. As though uncertain, she asked weakly, "... can I still call you yaoyao?"

Shi Yao pursed her lips slightly, but she didn't reply.

Liang Mumu looked as though she was in deep sorrow. She lowered her eyelids, and after a moment.., a little disappointed, she asked, "Are you unwilling to forgive me even if I apologize? "I know... I've done so many wrong things. It's very difficult for you to believe me... But Yaoyao, do you know? "I was obsessed before. I really know that I was wrong. I shouldn't have, shouldn't have..."

Before she could finish her sentence.., Liang Mumu's eyes started to tear up." ... I shouldn't have treated you like that. I really regret it. Yaoyao, as long as you're willing to forgive me, I'm willing to do anything. Or if you have hatred in your heart now, you can hit me and scold me. I'll take it. I just want us to go back to the past..."

"... I know that my words don't have much credibility. Back in the countryside, I fell seriously ill and nearly died. It was aunt who found out about it and brought me back. When I was on the verge of death, I realized that what I wanted in the past wasn't what I really wanted. What I had was what I cared about... I thought that I would go out for a walk this time around and calm down before coming back to apologize to you and beg for your forgiveness. But today, when I met you, I wanted to..."

Liang Mumu's words were spoken with the utmost sincerity.

But Shi Yao's mind drifted far away.

It was the same apology as well. Lin Jiage's apology that night had touched her deeply, made her feel at ease, and made her feel at ease... but Liang Mumu's apology at this moment caused an indescribable disgust and disgust to surface in her heart.

She didn't want to hear it anymore, but just as she was about to interrupt her, she suddenly recalled something that had happened in the first half of the semester.

That day was Mother's Day. Liang Mumu had 'drunk' her the night before, and when she woke up the next day, Liang Mumu had brought Jiang Wangui and Lin Jiayi with her.

She knew that Liang Mumu was there to catch them cheating, but she had asked Jiang Yue to make preparations beforehand, and Liang Mumu had failed. Afterward, Sister Jiayi had told Lin Jiage about it..

But at that time, she didn't know that Lin Jiage knew about it. That night, Lin Jiage had used the excuse that she owed him a meal to invite her over for a meal. After which, he brought her to a KTV, his two roommates tried everything they could to cheer her up. On the way back to his dormitory room, he bought a bottle of water, but without saying a word, he fell to the ground and tore his clothes.

Actually, this matter had happened a long time ago, so she didn't really remember it.

But at this moment, for some reason, the words that Lin Jiage had said to her after the series of events that night suddenly flashed through her mind.

Chapter 628: He Can Go Back, But You Can't Go Back (2)

"Shi Yao, some things are just like the bottle of mineral water on the floor. Once you break it and spill the water, you'll never be able to go back to the way you were before. Some things are just like the coat in my hand. Even though it's torn, the place isn't eye-catching, and it can still be mended."

It was only after she returned to her dormitory room that she understood the meaning behind his words.

She replied to his message, and when she realized that she had guessed correctly that he was indeed trying to find a way to cheer her up, she felt touched and warm at the same time.

Back then, she had even mocked him. If she remembered correctly, she had sent him a very long message. She said that his way of coaxing people was a little too coquettish, and she even said that he had said those words after he broke the glass bottle.., he had said that once he had broken it and the water had spilled, he would never be able to return to his original appearance. In the end, she had even gloated and said to him that it was fortunate that she was smart. If it had been an ordinary person, they would not have known what he was doing.

At that time, she truly felt that she understood the meaning of what he had said. Later, when he had pressed her and there was nothing else he wanted to say, her heart ached for the water and she had even spouted some nonsense, he said that 24 Yuan of water could buy a lot of delicious food... then, he replied to her that it was getting late. She should go to bed and end the conversation that night.

It was only until today that she realized that the reason why he asked her those questions that night was actually because she only understood the first half of his words and did not understand the second half of his words.

The first half of his sentence, 'throwing the mineral water', was referring to Liang Mumu, and the second half of his sentence, 'the so-called clothes are broken, but they can still be mended and worn', was referring to himself... so, from that moment on..., Lin Jiage was already regretting, feeling guilty, and vexed over those vicious words he had said?

An indescribably warm emotion instantly crept into Shi Yao's heart.

Completely oblivious to what Liang Mumu was saying, she suddenly spoke up softly, "That's right... there are some people who will never be able to return to the past, but there are some people who can start from the beginning..."

Shi Yao's voice was a little low, so Liang Mumu couldn't hear her clearly. She stopped what she was about to say and asked, "Yaoyao, what did you say?"

Immersed in her own thoughts, Shi Yao ignored her.

Liang Mumu continued, "Yaoyao?"

Shi Yao came back to her senses. Even though she didn't know what Liang Mumu had just said to her, she could roughly guess what he meant. She stared into her eyes and replied calmly, "I said, he can go back, but you can't go back..."

Liang Mumu frowned. "What do you mean?"

"Yaoyao, do you mean that you still won't forgive me?"

"It's fine, I'm willing to wait..."

"If you're willing to wait, then so be it. It has nothing to do with me anyway," Shi Yao interrupted Liang Mumu this time around.

Shi Yao's calmness and decisiveness seemed to have surprised Liang Mumu.

She was stunned for a moment before tears welled up in her eyes. "Yaoyao, do you really not care about me anymore? Yaoyao, we used to be so good together..."

"Used to be?" A mocking smile surfaced on Shi Yao's lips. "You know, that was once..."

"Liang Mumu, do you know why I agreed to talk to you? That's because I want to put an end to this matter today."

"A month ago, you were the one who arranged those gangsters at the KTV, right?"

Chapter 629: Burning Bridges After Crossing The River (1)

Liang Mumu hurriedly explained, "No, Yaoyao, listen to me. That incident was a misunderstanding. They were too rash. I didn't mean to hurt you on purpose..."

As if she hadn't heard Liang Mumu's words, Shi Yao continued, "Third year of G University... Oh, NO, it's my fourth year now. Do you know Qin Yiran from the Art Department?"

Liang Mumu: "I don't..."

This time, Shi Yao didn't wait for Liang Mumu to finish her sentence before continuing, "Liang Mumu, there's something I haven't told you. The Day I bought Yantai, I saw you and Qin Yiran browsing through the antique market together..."

Liang Mumu was stunned. After about ten seconds, she finally changed the words that she had wanted to say: "I don't know her." "I... I know her, but she was the one who came to me, not me. I don't know what happened between you and her, and I don't know what she did to you..."

"Liang Mumu, I don't know if you've heard of these four words... burn the bridge after crossing it?"

As Shi Yao said those words, she turned to Liang Mumu and curled her lips. Before Liang Mumu could say a word., "As for you, are you trying to burn the bridge after crossing the river with Qin Yiran? "I actually understand a lot of things. You were the mastermind behind the incident on the forum a few days ago, right? "If not for you, how would she know about the beating at the KTV nuannuan? "In the first half of the semester, you were the one who exposed the fact that Qin Yiran was my mistress on the School Forum, right? Did you know that? From that moment on, I was already certain that you were the one who was targeting me..."

"You're certain?" Liang Mumu immediately caught the main point in Shi Yao's words.

"Yes, I'm certain." Shi Yao stared intently into Liang Mumu's eyes. "Qin Yiran is just an idiot. Do you really think that she's capable of stirring up a storm? "From the very beginning, I knew that you were the one behind all of this. Not only did I know that you were the mastermind behind the two incidents on the forum, I also knew that you were the one who had led Qin Yiran to block Lin Jiage and me on the night of my birthday... that was because I saw you at the mall that afternoon. You were shopping with two girls, and those two girls happened to be the two girls who had badmouthed me back then in the magnificent bathroom... that day, I remember very clearly that you sent me a message asking me why I didn't call you when Lin Jiage and I went out to play together. As soon as I came out of the bathroom, I heard people talking about me as Lin Jiage's fiancée. Not many people knew about it, so how could they possibly know so much about it? I would definitely have suspected it, so I returned to the private room. You said that you wanted to play a game, but in the end, the game ended with me kissing Lin Jiage. You wanted to see me as a joke that day, didn't you? Yet, who would have thought that Lin Jiage would really kiss me..."

At this moment, Liang Mumu stared at Shi Yao, unable to utter a single word.

In contrast to her shock., Shi Yao was as calm as water. "Liang Mumu, in your eyes, do you think that I only know how to eat? You Don't know anything at all? "Actually, I know everything. I know that you didn't accidentally spill the beans and let Grandpa Lin know that Lin Jiage was going to break off the engagement with me. I also know that you intentionally brought up Han Jing in Grandpa Lin's ward so that Grandpa Lin would misunderstand me. I also know that you were the one who arranged for me to bump into Lin Jiage in the elevator when you asked me out for a meal back at SKP..."

Chapter 630: Burning Bridges After Crossing The River (2)

As Shi Yao's voice fell, Liang Mumu's face, which was covered in tears, began to waver.

Shi Yao knew that Liang Mumu had already been shocked by what she had said, and she was unable to say anything for the time being. Thus, she continued to maintain her unhurried tone, she continued, "... I also know that you haven't treated me as a friend since six years ago."

So, from her passionate apology just now, she must have thought that she was a fool again?

Six years ago, she had pretended to be her friend, but in truth, she had been hiding by her side, waiting for an opportunity to strike so that she could kill Shi Yao with a single blow. Now that she had failed, she could only cry to her in the name of reconciliation, she must have felt that Lin Jiage was treating her differently now, and she wanted to use her to get close to him, right?

It was a pity that Liang Mumu still looked down on her, Shi Yao.

She might have been foolish once, but that was a mistake that everyone made, but that didn't mean that she would continue being foolish..

"So, you really don't have to apologize to me. We both know what you're thinking behind your apology..." Shi Yao lowered her eyelids. "... It's not that I didn't give you a chance. On Mother's Day, I intentionally pretended to be drunk to give you a chance... but you didn't want it. You insisted on doing that. That day, when you brought Auntie Lin and sister Jiayi to the hotel room, I knew that you and I..."

Shi Yao suddenly raised her head and spoke in a much harsher tone than before, "... the next time we meet, we'll be mortal enemies."

Liang Mumu's face turned pale in an instant.

She really didn't expect that her humble apology would fail to win Shi Yao's forgiveness.

She was clearly a very foolish existence... why did she suddenly become so unfamiliar with her? It was so unfamiliar that she felt as if she had never really understood Shi Yao.

After saying all that she needed to say, Shi Yao stared at Liang Mumu's face, which was slowly disintegrating. Instead, she felt that the current Liang Mumu was no longer as repulsive as before.

However, this had nothing to do with her anymore. It was about time for her to leave..

With this thought in mind, Shi Yao said, "I've said all that I need to say. If there's nothing else, I'll take my leave first..."

Without waiting for Liang Mumu's response, Shi Yao stood up.

Her casual and casual actions seemed to be filled with mockery in Liang Mumu's eyes.

Liang Mumu, who had failed in her scheme, was already filled with resentment, but now that she saw Shi Yao in such a state., she became even angrier, "Shi Yao, just now, you kept accusing me of having ulterior motives for staying by your side, but what about you? Aren't you the same as me? Both of you have ulterior motives!"

"You kept telling me that you didn't like Lin Jiage, but in reality? You were having dinner with him, and you were even living in his house!"

“You even told me that you were going to break off your engagement with Lin Jiage, but what about now? Did you break off your engagement with him? Don’t think that I don’t know that the Lin family is already preparing for your wedding!”

“You’ve been lying to me the entire time. You said that I’ve never been true to you, but what about you? Haven’t you been true to me as well? We’re the same –”

Hearing those words, Shi Yao suddenly stopped in her tracks. “Whether you believe it or not, I’ve never lied to you before.”
