

Chapter 651: Crying Secretly (1)

In the dormitory room, Leng Nuan was the coldest person, but her thoughts were the most meticulous.

From the moment Shi Yao returned, even though she had only said four words, she could still tell that Shi Yao was in a bad mood. Thus, after the sound of running water could be heard from the bathroom.., leng Nuan turned to Jiang Yue and he tiantian, who were excitedly discussing how they could force Shi Yao to tell them the truth about her and Lin jiage, and said, "Yaoyao isn't in a good mood."

Jiang Yue and he tiantian turned to look at Leng Nuan in astonishment.

"Nuan, how did you know?"

"Why is Yaoyao in a bad mood? Could it be that she had a fight with senior Lin?"

Leng Nuan shook her head. "I'm not too sure, but it's true that Yaoyao is unhappy. So, the two of you shouldn't disturb her too much later."

Since Leng Nuan had specially reminded them that Shi Yao would be coming out later, he tiantian and Jiang Yue didn't press her any further.

However, even though the two of them were a little more neurotic than Leng Nuan, they were still girls after all. After being reminded, they paid close attention to Shi Yao, and they could tell that she was unhappy.

He Tiantian and Jiang Yue didn't pursue the matter further, but they still took out some delicious food to ask Shi Yao if she wanted to eat, hoping to make her happy.

Shi Yao was rarely unhappy, even if it was in the past. If there was anything that made her angry, as long as she saw food, she would definitely forget about it.

But this time, he tiantian and Jiang Yue had practically dug out all of the delicious food that they had hidden away. From the start to the end, Shi Yao's expression didn't change much, much less her excitement. In the end.., she only replied softly to he tiantian and Jiang Yue, "I'm not hungry." After which, she climbed onto her bed.

There was no one else in the dormitory room talking anymore.

He Tiantian would occasionally pretend to take something and take a glance at Shi Yao's bed.

Shi Yao was lying flat on the bed, covered by the blanket. Her eyes were closed, and she didn't move at all.

He Tiantian had peeked at Shi Yao four or five times in a row. Seeing that she was still like this, he thought that she had fallen asleep. Only then did he whisper to Leng Nuan and Jiang Yue, who were equally concerned and nervous, "It doesn't seem to be a big deal. Yaoyao is already asleep."

Hearing those words, Leng Nuan and Jiang Yue heaved a sigh of relief.

It was already late, and there was still a class at eight in the morning. The three girls thought that Shi Yao was fine, so they went to take a shower one after another, preparing to go to bed as well.

Before twelve o'clock, everyone in the dormitory had already fallen asleep.

On the other hand, Shi Yao, who had been lying motionless on the bed for a long time, slowly opened her eyes.

She knew that her emotions had affected Leng Nuan and the others, and she also knew that they were worried about her. She also wanted to work hard to pretend that nothing had happened, so that she could get along happily with them, however... Today, she really could not do it..

She turned over gently and looked at the wall quietly for a long time. Then, tears started to flow uncontrollably from the corners of her eyes.

She knew that crying would not solve the problem, but she was really sad.

She had been holding it in since she accidentally overheard her parents arguing at home in the afternoon. She held it in until late at night, but in the end, she could not hold it in any longer.

She thought that she would recover after crying for a while, but the more she cried, the more tears she would shed. Afraid that the sobbing she couldn't hold back would wake up her roommates, she could only bite down on the blanket with all her might.

..

When she woke up the next day, Shi Yao wasn't much different from usual.

However, the redness in her eyes still let Leng Nuan and the others know that she had been crying secretly last night.

Chapter 652: Crying Secretly (2)

Shi Yao didn't say anything, and neither did the others.

Just like that, two to three days passed peacefully. Seeing that Shi Yao was getting better by the day, Leng Nuan and the other two thought that her sadness had already passed. It wasn't until Wednesday night, just before everyone went to bed, that they realized that Shi Yao was getting better by the day, suddenly, Shi Yao asked, "Oh right, Nuan Nuan, didn't you work part-time before? Do you know what kind of part-time job is more suitable now that it doesn't affect your classes?"

Before Leng Nuan could reply, he tiantian asked curiously, "Yaoyao, why are you suddenly asking this? Don't tell me you want to work part-time?"

Shi Yao replied with an "En" before turning to look at Leng Nuan.

Jiang Yue: "No Way? Yaoyao, why are you suddenly going to work part-time? Don't tell me you're really short on money right now?"

Shi Yao replied with an "En" once more. This time, she didn't shift her gaze away from Leng Nuan like she did when he tiantian questioned her earlier.

“Yaoyao, if you need money, you can tell me. I have money. My dad just transferred a lot of money to me, and I haven’t counted it yet. How much do you want? I can transfer it to you right now.” He Tiantian’s family background was the best in their dormitory, even though she couldn’t be considered a tycoon, she was still slightly better than most families.

With that said, he Tiantian took out her phone and began checking her bank account.

Shi Yao ignored he Tiantian’s question and asked Leng Nuan directly.

“Ten million, ten million...” as he Tiantian counted, he ran over to Shi Yao’s bed, he raised his head and asked, “... my card has more than ten thousand, my other card has eight thousand, and my other card has more than four thousand. Yaoyao, how much do you want to use...”

As he Tiantian had blocked Shi Yao’s line of sight from Leng Nuan, Shi Yao could only meet he Tiantian’s gaze and reply earnestly, “I want more than a million.”

He Tiantian thought that Shi Yao was joking, “Yaoyao, don’t joke around like that. You scared me to death. More than a million... even if I were to be sold, I probably wouldn’t be able to get that much money...”

Just like he Tiantian, Jiang Yue also thought that Shi Yao was joking around, “Yaoyao, wait for me to go buy a lottery ticket tomorrow. After I win 50 million, I’ll give you more than 10 million, not to mention a million!”

She wasn’t joking at all. She was serious..

However, Shi Yao only said those words in her heart, but she also treated it as a joke. “So, you can’t afford the money I want, so I’ll have to earn it myself...”

After saying those words, Shi Yao craned her neck and looked at Leng Nuan. “Nuan Nuan...”

Leng Nuan raised her phone and tapped on the screen for a moment, “I’ll help you send my regards. Since you have a class to attend, you don’t have much of a choice. I’ve already sent it to your wechat. Take a look for yourself...”

“Thank you...” after saying those words of thanks, Shi Yao grabbed her phone and opened the document that Leng Nuan had just sent to her. After going in, she carefully studied it for a moment before deciding on two options for her to consider, after which, she turned on her computer and compiled some simple information for a part-time job before sending it over.

After closing her computer, it was about time for her to go to sleep.

After Shi Yao laid down, she raised her phone to set the alarm. Just then, she saw a notification on wechat.

There were twenty to thirty unread notifications from Lin Jiayi. After entering the room, she saw that Lin Jiayi had only sent her pictures of her wedding dress. Only the last message was a text: [Yaoyao, which style do you like?]

Chapter 653: Sister Yao Wants To Raise A Beautiful Woman (1)

Sister Jiayi doted on her very much. She must have carefully selected these wedding photos from many of the photos, and every single one of them was indescribably beautiful. There were even a few wedding photos that Shi Yao thought were beautiful and dreamy, only a little girl would dream about them.

Shi Yao looked through the photos from start to finish, but she didn't choose any. Instead, she logged out of wechat and opened a message.

She searched for Lin Jiage's name and stared at the page where she had sent him a message in Chengdu a while ago, but he hadn't replied to her for a long time. After which, she raised her hand and typed a line of words on the screen.

"Sister Jiayi and the others have already started preparing for the wedding. We have to find a way to lay our cards on the table with them as soon as possible. Otherwise, when the time comes, everything will be ready. At that time, we'll look like idiots..."

After saying all that she needed to say, Shi Yao read through the entire message she had typed out. After confirming that there was nothing wrong with it, she clicked send.

Just as her fingers were about to touch the screen, she suddenly paused.

For some reason, she suddenly recalled the night at the beginning of the year when she bumped into him in SPK's elevator. After returning home, she tossed and turned, unable to fall asleep. In the end, she made up her mind to send him a message to cancel the engagement.

That night was the same as today, and it was very late..

At that time, they were still strangers who had nothing to do with each other. At that time, he was still so far away from her, and she thought that they would never cross paths, but in the blink of an eye., it had only been half a year, but so many things had happened between them..

As no one had touched the screen for a long time, the screen automatically turned black.

The change in the brightness of her vision jolted Shi Yao back to her senses. She unlocked the screen once more and clicked send.

Without waiting for his reply, she placed her phone down and lay on her bed. She closed her eyes and prepared to fall asleep, but after lying there quietly for a long time, not only did she not feel drowsy, she even felt a slight pain in her chest, it was a throbbing pain.

..

That night in Chengdu, after Lin Jiage paid Lin Jiayi to come to Chengdu, he really flew to Shanghai.

Actually, the project in Shanghai wasn't that urgent, but he still stayed there for nearly half a month. It was only after he was done with everything that he returned to Beijing.

His flight was at night, and it was already nearly twelve o'clock when he arrived at the capital airport.

The chauffeur at home came to pick him up. After getting into the car, the chauffeur asked him where he was going, and he initially wanted to reply that he was going to G University. In fact, he even thought

that he would be able to find soft bun for breakfast the next morning, but just as the words were about to reach his mouth.., the phone in his pocket vibrated, and he took out a text message from Shi Yao.

After reading the text message, the stifling feeling that he had spent so much time in Shanghai and finally digested the matter of her notebook surfaced in his mind once more.

He gripped his phone tightly and stared at the screen for a moment. Only when the screen automatically locked and the light dimmed did he raise his head and reply to the chauffeur, "Let's go home."

..

For the next few days, Shi Yao didn't receive any reply from Lin Jiage.

She had thought of taking some time to give him a call, but she had been busy with her part-time job recently, and she had been extremely busy a few days before she applied for the position. With this delay, it was already a week later.

Putting aside Lin jiage, even Shi Yao was tagged out by [juice] a week later in the [slutty and lascivious] group that she had been popping out every day.

..

Chapter 654: Sister Yao Wants To Raise A Beautiful Woman (2)

It was a Thursday, and it was around six o'clock in the evening. [juice] tagged Shi Yao at [sexy and frisky], "Sister Yao, what have you been up to recently? Why haven't you seen anyone? Do you want to play some games tonight?"

Shi Yao was just about to head out when she heard her phone ring. She picked it up and glanced at it before replying casually, "I've been working recently, so I don't have much time to play games."

After sending this message, Shi Yao put down her phone and went back to her work.

She didn't log out of the wechat group, but the messages kept popping up one after another.

[expert of the monkeys] : "Working? What kind of work?"

[juice] : "That's right. Sis Yao, why did you suddenly go to work all of a sudden?"

[tide] : "Maybe Sis Yao wants to raise a beauty."

[juice] : "Right, right, right. Raising a beauty + 1."

[expert of the monkeys] : "Raising a beauty + the number of days I work overtime."

[juice] sent a sinister smile emoji.

[tide] sent two sinister smiles emojis.

[expert of the monkeys] sent a sinister smile emoji.

After putting on her clothes and rushing out to work, Shi Yao took a look at the unread messages in [sexy and wild]'s group.

Other than Mister Numbers, everyone else had popped up as well. Even [Tide], who had always disappeared without a trace, had popped up several times in a row this time.

From the content of their conversation, it could be seen that after [tide], who was always showing off her lovey-dovey dog food in the group, said that she was raising a beauty, the atmosphere in the group changed, it became... an indescribable feeling of schadenfreude... but the question was... what was the point of their schadenfreude?

Shi Yao didn't understand why they were so excited at all. She was in a hurry to catch a bus, so she didn't appear in the group chat. Instead, she grabbed her bag and left the dormitory in a hurry.

..

As she was already in her fourth year, there weren't many classes in the school anymore. Interns were busy doing their internships, while those who were busy taking their postgraduate entrance exams were busy taking their postgraduate entrance exams.

For example, in dormitory 501, Song Chaoxi, his girlfriend, Ye Zhenzhen, and Xia Shangzhou went straight to their internships. On the other hand, Lu Benlai spent every day in the school, diligently studying to prepare for his postgraduate entrance exams.

As for Lin Jiage, he had already decided to guarantee his postgraduate entrance exams in his third year, so there weren't any accidents. Thus, compared to the other students in dormitory 501, he had plenty of time, thus, he began working on his plans to register his company.

There were a lot of things that he felt weren't too complicated when he was planning them, but when he started working on them, there were a lot of trivial things.

In the past few days after returning to Beijing, he had been busy choosing office buildings and heading to the industrial and commercial bureau.

On Thursday afternoon, Lin Jiage had invited the bank's president to have afternoon tea with him. The bank's president was a young man like him, and he had only graduated a few years ago, but he had already risen all the way to the top. The two of them did have some common topics to talk about, the moment they finished their afternoon tea, it was already five in the evening.

After parting ways with the bank president and returning to his car, Lin Jiage suddenly remembered that he had promised Liang Jiusi to have dinner with him a few days ago.

He took out his phone and tapped into WeChat. After asking where Liang Jiusi was going for dinner, he saw an unread message in the [sexy and wild] group chat.

Thinking about it carefully, it had been quite some time since he had seen Shi Yao pop up in the group chat, so he didn't have much hope for her this time around. However, when he tapped into the message, he didn't expect to actually see what she had said in the group chat.

Chapter 655: Who Do I Owe Money To? (1)

It was Lu Benlai who had tagged her first and asked her if she wanted to play video games at night. In the end, she replied with an unbelievable reply, "I've been working recently, so I rarely get to play video games."

Working? What kind of work was she doing? Did she eat all the pocket money that her parents had given her? How long had it been since they last met, and she was already in such a dire state?

With this thought in mind, Lin Jiage roughly scanned through the chat logs at the back of the group.

When he saw the slutty expressions that those three bastards from 501 had sent around 'sister Yao wants to raise a beauty', he sneered coldly in his heart.

Soft bun might not know who they were, but don't think that they don't know that they're mocking him... using the word 'beauty' to describe him, right? Very well, he noted it down..

Even after Lin Jiage had finished reading through all of the messages, he still didn't see Shi Yao pop up again.

Did she just leave after saying a few words?

Lin Jiage struggled internally for a moment, but in the end, he still tapped on Shi Yao's wechat name and entered her private chat page.

..

On the way to work, Shi Yao received a wechat message from Mister Numbers.

Thinking about it, it had been quite some time since they last contacted each other, so why did mister numbers suddenly send her a private message?

Shi Yao was taken aback for a moment before opening the chat page.

[111111] : "I saw you in the group chat saying that you've been working recently?"

So that's the reason... Shi Yao typed with both hands: "Un."

[111111] : "Why?"

This... doesn't seem to have much to do with Mister Numbers, does it? Why is he asking me why?

Perhaps it was because Shi Yao was in a daze and didn't reply to Mister Numbers' message, but he sent her another message.

[111111] : "Why did you suddenly think of going to work? Is it because your living expenses aren't enough?"

Shi Yao felt that Mister Numbers was questioning her, but on second thought, she didn't know him either, so there was no reason for him to question her. Perhaps... after playing the game together for so long, he was just curious..

Thinking up to this point, Shi Yao typed back, "No, I just want to work. Besides, isn't it normal for university students to take up part-time jobs?"

..

Her reply was truly flawless. For a moment, Lin Jiage felt that he might have been too nervous.

But his sharp instincts told him that the reason for her taking up a part-time job wasn't as simple as she said.

Lin Jiage pondered for a few seconds before replying: [you can't possibly be in debt, right?]

..

On the bus, Shi Yao's hand trembled when she saw the message that Mister Numbers had suddenly sent her. She nearly threw her phone away.

No Way! is Mister Numbers a god? How could he even guess that?

Shi Yao was stunned by [111111]'s guess, and she didn't realize that her reply had betrayed her. "How did you know?"

It was only after the message was successfully sent that Shi Yao realized that she had admitted to it. She wanted to withdraw the message, but it was too late. Mister numbers had already seen her message and replied, "I was just guessing."

Damn, even a blind guess could be so accurate?

Shi Yao muttered to herself for a moment before a new message appeared on her screen.

[111111] : "Who did you owe money to?"

..

Lin Jiage waited for a long time, but he still couldn't get a reply from Shi Yao.

Sitting in the car, he could vaguely feel his palms sweating.

He knew that he was being overly sensitive and nervous, but for some reason, he was certain that Shi Yao's job was related to him and the Lin family.

Chapter 656: Who Do I Owe Money To? (2)

Sometimes, when a person is too afraid of something, they will subconsciously choose to run away from it. This is an instinctive form of self-protection.

However, Lin Jiage knew that he could run away for a while, but he couldn't run away forever.

Ever since he was young, he had always been a very courageous person. This was because he knew that there were some things that would come eventually. No matter how much you tried to run away from it, you would never be able to change the outcome. Since you couldn't change it, you might as well face it.

But when it came to the words 'Shi Yao', he was timid, afraid, and flustered... he understood that these emotions were just five words: he was afraid of losing her.

Sitting in the car, Lin Jiage pondered for a long time before finally sending Shi Yao another message.

..

Who did he owe money to..

Before Shi Yao could think of a way to answer Mister Numbers' question, Mister Numbers had already thrown her another question.

[111111] : could he be your fiancé

Did he have to hit the nail on the head!

Shi Yao suddenly began to suspect that Mister Numbers was a worm in her stomach. He could guess everything so accurately!

Perhaps it was because she had been silent the entire time, but after about half a minute, mister numbers sent her a new message. This time, it wasn't a question, but an affirmation.

[111111] : "I guessed correctly."

Even though it was only four words, Shi Yao could feel Mr. Number's confidence through the screen.

She wasn't good at lying to begin with, and now that Mr. Number had spoken to such an extent, Shi Yao thought that he wouldn't recognize her anyway, so she replied with an "MHM."

..

He really guessed correctly... as expected, she had gone to work because she wanted to return the money to him and the Lin family.

In her heart, she had never thought of marrying him. Back then, when her grandfather found out that he had been living with her for a month, he had used this as an excuse to force the two families to get married. If he had not put on an act that day, she was afraid that at that time.., she would have already broken off the engagement with the two families.

She remembered the accounts one by one so clearly. In her heart, she was afraid that when he had nothing to do with her, it would be the time for her to repay the debt.

Some time ago, she had sent him a text message in the middle of the night asking about their marriage. Now, she had gone to work... presumably, in her heart, she had already begun to plan to cut all ties with him?

This was clearly the outcome that he had guessed before asking her, but now that the truth was in front of him, he found that he could not accept it.

Clear his name... how could he clear his name? She could clear her name, but he could not do it... from the beginning, he let her enter his eyes, his heart, and his world bit by bit, he never thought that he would have to clear his name with her one day... after he understood his heart and knew that he liked her, he thought about the days after he was with her every day.

He had never thought of parting, but she had never thought of being together with him..

Lin Jiage didn't reply to Shi Yao's wechat. Instead, he sat in the car for a long time. It wasn't until Liang Jiusi called that he finally moved his eyes.

Liang Jiusi picked up the call and said, "Brother Jia, let's go to the clubhouse tonight. It's been a long time since we've been there."

Lin Jiage didn't catch what Liang Jiusi said at all. He replied with an "Mm" first, and after a while, he replied with an "Mm?", "What did you say just now?"

Liang Jiusi repeated what he had just said.

Lin Jiage seemed to have heard what Liang Jiusi said, but at the same time, he didn't seem to have heard what Liang Jiusi said. After a long moment, he replied with an "OH" and hung up the phone.

Chapter 657: Wine Is In The Heart, Yogurt Is Wine, And Meat Is In The Heart, Even Popcorn Is Meat (1)

..

Er... Mister Numbers was clearly asking too many questions just now, so why did he ignore her after she admitted to it?

Shi Yao felt that something was amiss. Just as she was thinking about whether she should send mister numbers another message to ask, the bus arrived.

She could only put away her thoughts, grab her things, and get off the bus before going back to her work.

..

Lin Jiage and Liang Jiusi had made an appointment to meet at the clubhouse at six o'clock.

But by the time Lin Jiage arrived at the clubhouse, it was already 7:20 pm. He was almost an hour late to the appointment.

Liang Jiusi was a typical hedonist. He had always believed in the principle of enjoying first place, and the rest of the time, he would just stand back.

When Lin Jiage pushed open the door and entered, Liang Jiusi was leisurely leaning against the huge sofa. Behind him, a technician was massaging his head and back. Beside the marble table in front of him, a young and beautiful girl was kneeling on the floor, she was in charge of passing him yogurt and feeding him fruits.

Lin Jiage had long been accustomed to Liang Jiusi's profligate and flirtatious side, but upon seeing him act like a boss, he calmly walked over to the sofa further away from Liang Jiusi and the two young girls and sat down.

"Brother Jia, you're finally here. If you hadn't come, I would have been moldy from waiting..." Liang Jiusi said as he glanced at the yogurt on the table.

The waitress sensibly took the yogurt and passed it to Liang Jiusi. Without even reaching out to take it, Liang Jiusi opened his mouth and sipped on the straw, then, he turned to Lin Jiage and said, "... Brother Jia, you know, I used to feel a little bored coming to this club every day to enjoy myself, but it's been a long time since I've been here. I'm quite satisfied with coming here again... Brother Jia, I've specially reserved two exceptionally beautiful ladies for you. Why Don't you follow me and massage your shoulders and back, drink some wine, and eat some meat?"

Lin Jiage shot a sidelong glance at the yogurt and fruit on the table, and he gave Liang Jiusi a look of disdain.

“Brother Jia, don’t you get it? There’s wine in your heart, yogurt is wine, and there’s meat in your heart. Even popcorn is meat...”

You’re crazy..

How did he manage to grow up with such a person?

This time, Lin Jiage didn’t even bother to look at Liang Jiusi as if he was an idiot.

Liang Jiusi didn’t seem to mind Lin Jiage’s disdainful expression at all, or rather, he was already used to it. “Brother Jia, I don’t mean to criticize you, but you’re from a slightly better background than me, right? You’re also slightly more handsome than me, right? You’re also slightly better at studying than me, right? But so what? Your Life is far inferior to mine...”

Could it be that this idiot had some sort of misunderstanding?

Putting aside his family background, just how handsome could he possibly be compared to him? As for his studies... He had been taking exams all his life, and his homework had been copied from him. His family had spent money to buy his private school, so how could he possibly be inferior to him?

Lin Jiage rolled his eyes. He couldn’t be bothered to expose Liang Jiusi.

“To the left. Right, right here. Use some strength...” Liang Jiusi instructed the technician behind him, he chewed on the popcorn until it was crunchy.”... Brother Jia, look at me. I’m so carefree and carefree every day. I’ve seen countless women. You have to know that I’ve been to all the fun and delicious places in Beijing. I’ve even been to VVVVVVIP... like those beautiful girls. Lucy, Nana, Little Mengmeng, I have wechat...”

Chapter 658: Wine Is In The Heart, Yogurt Is Wine, And Meat Is In The Heart, Even Popcorn Is Meat (2)

This fellow probably has some misunderstanding about the words ‘countless women’?

Unable to take it any longer, Lin Jiage finally spoke up, “Yes, you’ve seen countless women, but it’s a pity that even now, you’re still an Old Virgin!”

Liang Jiusi, who was calmly enjoying his service, suddenly stood up upon hearing those words. Pointing at the technician and the waitress, he said, “Go, go, Go! I Don’t want you anymore!”

After shoos the two of them away, Liang Jiusi stomped his feet furiously, at the same time, he turned to Lin Jiage, who was sitting on the sofa with a steady mind, and protested unhappily, “Brother Jia, you’ve gone too far! Don’t you know that you shouldn’t expose others’ shortcomings? Let me tell you, even though my body is an Old Virgin, my heart and mind aren’t. In My Dreams, in my porn manga, I’ve seen countless women, and every single day, I’ve seen countless women...”

“Yes, yes, yes...” Lin Jiage wanted to drink a glass of water, but he found himself tossing and turning on the table. Wang Zai, QQ, milk, yogurt, Wahaha... damn it, Liang Jiusi is poisonous, right, he ordered a bunch of random things..

After giving up, Lin Jiage leaned back on the sofa, then, he turned to Liang Jiusi and said, "... I've seen countless women with my mind, but who doesn't know how to say the same thing? I've just earned a billion with my mind... to put it bluntly, I'm just dreaming..."

Not only did Liang Jiusi jump up and down, he even leaped onto the sofa, "Brother Jia, you, you, you..."

Lin Jiage shot Liang Jiusi a sidelong glance, "Oh, there's one more thing. I forgot to mention it earlier. I said that you've read countless women and are still an old virgin. It's easy for you to retaliate against me. So what? You're making it sound like you're not an Old Virgin!"

"That's right!" Liang Jiusi's eyes lit up, and in the next moment, she glared at Lin Jiage haughtily and retorted, "So what if I'm an Old Virgin? You make it sound like you're not an Old Virgin?!"

"I am, but I have a fiancée..." Lin Jiage lazily changed his position, "... I'm a virgin for my fiancée, and you don't have a fiancée, so I'm different from you. I'm an Old Virgin, so I'm also an Old Virgin with a fiancée, and you're an Old Virgin..."

Liang Jiusi froze on the spot, as if someone had struck him in the head.

A moment later, he frantically jumped off the sofa and onto the floor.

"Brother Jia, you tricked me! You set me up! You, you, you... you did it on purpose! You're just trying to provoke me! I, I, I..."

Liang Jiusi, who had been making a ruckus for a long time, suddenly realized that Lin Jiage, who had been stuttering about him like a mountain, was staring at a certain spot with a blank expression.

What's going on? Why is he suddenly... unhappy?

Liang Jiusi immediately quieted down. He walked up to Lin Jiage and asked, "Brother Jia?"

"Brother Jia? What's Wrong?"

Lin Jiage snapped back to his senses and glanced at Liang Jiusi. Putting away his dazed state from the mention of his 'fiancée', he replied nonchalantly, "Nothing much, let's eat." He walked over to a nearby dining table and took a seat.

Liang Jiusi followed behind him. After pulling out a chair and sitting down, he pressed the service bell and called for the waiter.

Liang Jiusi ordered the dishes. After the waiter left, Liang Jiusi stared at Lin Jiage for a moment before realizing that he seemed to be fine again. The dazed state he was in just a moment ago was just a figment of his imagination..

The private room where Liang Jiusi and Lin Jiage were seated was located on the second floor. Beside the dining table was a large window, and it happened to have a view of the main hall on the first floor.

Chapter 659: Domestic Violence! Domestic Violence! (1)

After sizing up Lin Jiage, Liang Jiusi picked up the teapot on the table. Just as he was about to pour Lin Jiage a cup of tea, he suddenly caught sight of a familiar figure in the hall on the first floor through the window beside him.

Liang Jiusi's hand that was reaching for the teapot paused for a moment before tilting his head to the side to study the figure below, "That waitress has a pretty good figure..."

Facing Liang Jiusi's words, Lin Jiage's face remained calm.

In any case, this fellow had always been like that. No matter where he went, he would never forget to look at women. He had long gotten used to it.

"Ah, I feel like I've seen that younger sister somewhere before... hmm..." Liang Jiusi stroked his chin as he recalled the past.

It was no wonder why he was still an old virgin despite being a pervert from a young age. How could he say such crude words? Did he really think that he was Jia Baoyu?

Lin Jiage chuckled heartily in his heart before pouring himself a cup of tea.

He had just brought the cup to his mouth, but before he could take a sip.., Liang Jiusi suddenly started to make a fuss over nothing. "I remember now, I remember now. No wonder this sister of mine looks a little familiar to me. She, she, isn't she your little fiancée..."

"Brother Jia, brother Jia, it's really... it's really your little fiancée..."

Amidst Liang Jiusi's shouts and shouts, Lin Jiage's action of holding the Teacup paused for a moment before raising his head and following Liang Jiusi's line of sight.

"Isn't that right? Am I right? This little sister is your little fiancée, right? Even though I've only met her a few times, I've always had a deep impression of my beautiful little sister..."

Before Liang Jiusi could finish his smug words, Lin Jiage's gaze suddenly caught his attention, and he was so frightened that he fell silent.

Liang Jiusi chuckled a few times before pouring himself a cup of tea and gulping it down. Only then did he raise his eyelids to look at Lin Jiage and see the gaze of the boy, through the window, his gaze landed on the girl downstairs, and he said, "Brother Jia, I'm not mocking you, but it's not like you don't have any money. How can you let your beautiful little fiancée work for you?"

As Liang Jiusi's voice fell, Lin Jiage's face immediately darkened.

If he really had the final say, would she still be able to work here?

Liang Jiusi, who had no idea that he had already poked Lin Jiage's sore spot, propped up his chin and stared at Shi Yao downstairs, he shook his head and said, "Brother Jia, you said that you like her, so this is the result of you liking her? I think this is blatant abuse. No, it's not just abuse, it's domestic abuse as well! Domestic abuse, do you understand? If your grandfather finds out that you sent your fiancée out to work, your grandfather will definitely break your legs..."

“This job is a little tiring. Look at how many times I’ve been running back and forth in this short period of time, and I’m even wearing high heels. I’m really suffering...”

Liang Jiushi muttered to himself for a moment, but seeing that Lin Jiage hadn’t made a single move, he turned his head to take a look.

It was only then that he realized that Lin Jiage’s expression was extremely frightening. Liang Jiushi subconsciously shut his mouth and shifted to a chair in the distance.

Not too long later, the waiters pushed open the door and began serving the dishes one after another.

After the waiters left, Liang Jiushi finally spoke up weakly, “Um, did I say something wrong?”

Lin Jiage didn’t respond to his question. He simply averted his gaze from the window and said, “Let’s eat.” After which, he took the lead and started eating.

Chapter 660: Domestic Violence! Domestic Violence! (2)

The entire process of Lin Jiage’s leisurely meal seemed to be no different from usual, as if nothing had happened at all.

However, Liang Jiushi, who was sitting beside him, could clearly feel the immense pressure emanating from Lin Jiage’s body. Putting aside eating, he didn’t even dare to move a muscle.

How could this be nothing... This is the rhythm of something big happening... who in the world would be so foolish as to choose this place to eat?

Liang Jiushi took a deep breath, and then he took another deep breath. Only then did he manage to maintain his composure and raise his chopsticks.

While he was eating, Liang Jiushi kept stealing glances at Lin Jiage.

He thought that a guy would glance at the girl outside the window, but in the time it took to finish a cup of tea, he didn’t even glance at the area outside the window.

However, Liang Jiushi wasn’t as composed as Lin Jiage. From time to time, he would stretch his neck out to take a look downstairs.

Throughout the entire meal, he ate in complete silence.

While Lin Jiage was using the soup, Liang Jiushi happened to glance out of the window once more. He turned around to look at the indifferent Lin Jiage, and he hesitated for a moment, in the end, he couldn’t help but speak up once more, “Brother... Brother Jia... you... Your Little... little fiancée... There’s something wrong with her...”

Lin Jiage’s action of drinking the soup paused for a moment, but he didn’t raise his head or say a word. It was as if Liang Jiushi didn’t exist, and he slowly took a sip of the soup.

This... Brother Jia, are you saying that you don’t want to interfere?

Liang Jiushi couldn’t help but glance out the window once more. As Shi Yao walked toward the kitchen with a plate in her hands, her right leg was clearly a little stiff.

Liang Jiusi had never been fond of studying since he was young, so his friends were all short-sighted one after another. He was the only one who had good eyesight.

When Shi Yao was walking with her back facing him, he saw a bloodstain on the silk stocking on her right high-heeled shoe... her foot must have been worn out by the shoe..

Liang Jiusi turned around to take another look at Lin Jiage. Seeing that he was still as indifferent as before, he couldn't help but take another look out of the window. He hesitated for quite some time, but in the end, he still spoke up once more, "Her feet have been torn by the shoes, and they're bleeding..."

Lin Jiage's grip on the bowl of soup couldn't help but grow heavier.

Seeing that Lin Jiage didn't respond, Liang Jiusi pondered for a moment before saying, "Why don't I go down and take a look for you? We're very familiar with the boss of the clubhouse anyway, so let's give her a paid break..."

Before Liang Jiusi could finish his words, Lin Jiage had already glared at him.

"Alright, Alright, Alright. I Won't say anything else..."Liang Jiusi quickly gave in before lowering his head to drink his soup.

She wasn't his wife, so why was he so concerned about her? Since he couldn't bear to see Yu Xin wanting to help him, he might as well not look at her anymore. Out of sight, out of mind..

With this thought in mind, Liang Jiusi began counting the goji berries in his soup. One, two, three..

Just as Liang Jiusi finished eating all of the goji berries, he had nothing better to do, so he sat up straight. Just as he was about to ask Lin jiage what he wanted to play with later, out of the corner of his eye, he caught sight of Shi Yao outside the window. It was purely out of instinct.., he turned his head around, and he saw Shi Yao squatting on the ground, picking up the broken porcelain bowl. Beside her was a man, looking down at her arrogantly.

It wasn't as if Liang Jiusi had never seen such a scene before. There were plenty of people who had gotten rich overnight, and yet, they liked to find their presence in such a manner. They were clearly making things difficult for Shi Yao..

This time, without even thinking twice, he turned to look at Lin jiage and said, "Brother Jia..."

He only said two words before he stopped, because he saw..
