

Chapter 751: I Can Become A Nouveau Riche On My Own (1)

"It's fine..." after replying to the other party, Lin Jiage realized that other than saying that it was fine, he could only say that it was fine.

After all, even if she did it on purpose, he wouldn't dare to do anything to her.

If she wanted to fall, he could only do it for her. If she wasn't happy with the fall, he would have to dismount his horse and fall together with her to make her happy. Otherwise, what else could he do?

With this thought in mind, Lin Jiage spoke up once more, "Don't worry about these things. The cleaning lady will be here soon, so she'll be fine."

As he spoke, Lin Jiage lifted his wrist and glanced at the time, "It's already nine o'clock. I have to head out now. You should go back to your room and sleep for a while..."

Seeing that Lin Jiage was about to leave, Shi Yao subconsciously spoke up, "Lin Jiage..."

Lin Jiage turned to Shi Yao and asked, "What's Wrong?"

Shi Yao pursed her lips and asked, "Did you make an appointment with someone for dinner tonight?"

Lin Jiage was delighted by Shi Yao's question. Deep down, his heart was already bursting with joy, but on the surface, he was exceptionally calm and composed as he replied, "Un, I made an appointment with a friend I haven't seen in many years."

"Oh..." Shi Yao replied sullenly.

Lin Jiage knew that she definitely had a lot of questions she wanted to ask him, but firstly, there wasn't enough time, and secondly, it was good to make her anxious and anxious... Thus, he didn't wait for Shi Yao to speak, thus, he spoke up, "Yaoyao, what's the matter? Can we talk about it later? I really don't have enough time on my side. I have to go..."

As he spoke, Lin Jiage raised his hand and rubbed Shi Yao's head, "What About You? Don't just stand there. Hurry up and go back to your bedroom to catch up on your sleep. I'm leaving..."

Lin Jiage didn't give Shi Yao any chance to speak, so he finished his words in one breath. After which, he walked to the entrance and changed into his shoes. After which, he waved at Shi Yao, who seemed to be hesitating on what to say, and said, "Goodbye." He pushed the door open and left without looking back.

Shi Yao stood alone in the empty living room for a long time before dragging her slightly heavy steps back to her bedroom absent-mindedly.

She hadn't had enough sleep yet, so she lay on the bed and closed her eyes. Her mind was filled with the phone call between Lin Jiage and Liang Xiao. She tossed and turned for a long time, but no matter how hard she tried, she couldn't fall asleep.

He had a dinner appointment with Liang Xiao, and just like last night, it was still just the two of them... and he even told her that he wouldn't leave until she saw him... why didn't he tell her that he wouldn't leave until she saw him!

With this thought in mind, Shi Yao turned around and hugged the blanket tightly. She kicked her legs furiously, and after cursing Lin Jiage a few times in her heart, she stared out of the window and started to daydream once more.

Shi Yao's mind wandered for a long time before her phone rang.

She glanced at the caller ID and answered, "Nuannuan..."

"Yaoyao, why haven't you returned to school yet? Did you forget that it's Tian Tian's birthday today? Didn't we agree in advance that we would celebrate her birthday today at noon?"

It was only after hearing Leng Nuan's reminder that Shi Yao suddenly remembered that it was really he tian Tian's birthday today. She glanced at the time and realized that it was already twelve o'clock in the afternoon, she immediately stood up and said, "If you didn't tell me, I would have really forgotten about it... ERM, the three of you should head to the dining hall first. I'll be leaving right now... I'll see you at the Dining Hall later!"

After hanging up on Leng Nuan, Shi Yao didn't dare waste any more time. She rushed into the bathroom, washed up, and headed out.

Chapter 752: I Can Become A Nouveau Riche On My Own (2)

It was he Tiantian's birthday. Half a month ago, the dormitory had already decided on what to eat and had already made reservations.

However, due to Shi Yao's late departure, by the time she arrived, Leng Nuan, Jiang Yue, and he tiantian had already ordered their dishes and were waiting for her.

After taking her seat, Shi Yao took the menu from Leng Nuan and added two more dishes. After the waiter left, Jiang Yue and he tiantian began staring at Shi Yao with malicious intent, asking where she had gone last night?

Faced with Jiang Yue and he Tiantian's incessant questions, Shi Yao maintained her silence..

However, before Jiang Yue and he tiantian could take out their trump cards and threaten Shi Yao with snacks, their attention was drawn away by the group of people sitting at the next table.

The first to speak was the guy sitting behind he tiantian. "Do you know that I have a buddy who confessed to his wife on their wedding anniversary. He spent a huge sum of money to confess to her on the big screen of an office building in the most prosperous area. It costs 100,000 yuan an hour, and he's been hanging around for five hours..."

Then, he opened his mouth, it was a boy who sat at the same table as them. "What are you talking about? I have a friend. On his girlfriend's birthday, he sent 9,999 roses by air. That's hundreds of thousands of yuan. And it's his girlfriend, not his wife!"

When they heard this, he tiantian and Jiang Yue could not help but mutter together.

Jiang Yue: "Do you think what they're saying is true or just made up? Is there really such a generous man?"

He Tiantian: "I'm also puzzled. Let me tell you, when I was browsing through little red books, I often saw women drying diamonds and bags there. A common saying is that they were given to me by my husband and my boyfriend... tell me, where do husbands and boyfriends like them get them from? Tell me so that I can get one too..."

Jiang Yue: "+ 1, I also want to get such rich boyfriends and husbands."

He Tiantian saw that other than Jiang Yue, Shi Yao and Leng Nuan weren't cooperating with her at all. Recalling that Shi Yao already had a ready-made Lin Jiage, she turned to Leng Nuan and asked, "Nuan Nuan, don't you want to get such a rich man back home?"

Leng Nuan took a sip of her juice and replied with an exceptionally cold tone, "I don't want to. I can become a rich man myself."

While Shi Yao's table was discussing where to take a rich man's boyfriend or husband, the other table was also discussing how rich their brothers were, showing off their love for each other.

"All of you, shut up and listen to me... Those of you are really low-class. I have a friend who is truly amazing. You should all know that I sell antiques, and the prices of some antiques are really high. Then, one day, my friend called me and said that there's an inkstone that he wants to put up for sale at my place... that inkstone is from the Qing dynasty, and it's an authentic one. It's very expensive, and its market price is at least 200,000 RMB. If it were to be put up for auction, it would probably be a few points higher. If it were to be put up for sale, it would probably cost over a million rmb... then, he told me that a girl would come to my shop the next day to choose an inkstone, and he asked me to sell the 200,000 RMB Inkstone to her for 200 RMB..."

Hearing those words, Shi Yao, Leng Nuan, Jiang Yue, and he tiantian looked at one another in bewilderment for quite some time before muttering to one another.

"Why does this story sound so familiar?"

"That's right. Didn't Yaoyao go to buy an inkstone back then?"

"And she bought it for 200 yuan..."

Chapter 753: Mister Numbers = Lin Jiage (1)

"Don't tell me, that guy looks really familiar..."

"Let me see, let me see... Eh? It really does seem to be the shop owner that Yaoyao bought the inkstone from!"

As everyone discussed, Shi Yao turned her head around to take a closer look at the young man who was still rambling on.

"Of course, you guys will definitely say that 200,000 yuan is a lot less than what those rich friends of yours just said, but I'm telling you guys that you're wrong. What I want to express isn't money. What I want to express is that my friend did all of these things without letting that girl know who he was! Let Me Ask You, are you convinced? Tell me, do you know anyone who could do such a thing for a girl and spend so much money without letting her know? And that girl isn't his girlfriend or his wife, she's just the girl he likes Let Me Ask You, are you convinced? Are you convinced?"

The other boys at the table spoke up one after another.

“I’m convinced!”

“Is there something wrong with this boy’s brain? Isn’t he being a sucker?”

“He does good deeds without leaving his name behind. Is he copying Lei Feng?” “How can he catch up with a girl like that?” “Let me tell you, since ancient times, infatuation can not be kept. The only way to win the hearts of people is through tricks. Therefore, whatever he does, he has to let the other party know. Even if he doesn’t know, he has to find a way to know. Only then can he catch up with his wife, okay?”

The boy who told the story of the Inkstone took a big gulp of wine and then said, “I also asked my friend about the same thing, and he replied me with one sentence...”

“What sentence?”

“It’s hard to buy the willingness of a thousand gold coins!”

“F * ck — this is the foolish son of the landlord. He has so much money that he has nowhere to spend it. He must have flaunted his wealth...”

“Heh, you’re right. That friend of mine really has nowhere to spend his money... Let me tell you, he’s a top student at G university, and his family background is already impressive. Yet, he refused to be a second-generation rich kid and insisted on being a first-generation rich kid... and before he graduated from university, he relied on his projects to earn over a hundred million in assets. This year, he just registered a company, and it seems like it’s doing quite well...”

Upon hearing those words, he Tian Tian couldn’t help but pull Shi Yao’s hand and speak up once more, “Yaoyao, he’s talking about senior Lin! Senior Lin!”

Jiang Yue: “Yes, yes, it’s senior Lin. He’s from G University, and his family background is incredible. He doesn’t want to be a second-generation rich kid, but he insists on being a first-generation rich kid. This year, he opened a company, and all of them match up with senior Lin...”

Compared to Jiang Yue and he Tian Tian’s words.., Leng Nuan’s focus was on the more direct matter at hand. “Yaoyao, didn’t you say that the person who recommended you to buy the Inkstone was a netizen you met in the game? So, that Netizen is actually senior Lin?”

As Leng Nuan’s words traveled into Shi Yao’s ears, the chopsticks in her hands fell onto the table with a ‘Pa Cha’ sound.

Mister Numbers had recommended her to buy the inkstone... and he had even said that it was a friend of his who would give her a discount for his sake.

Later on, at Grandpa Lin’s birthday banquet, the inkstone that she had taken away with 200 yuan had become a genuine one worth 200,000 yuan. At that time, she really didn’t think that there was anything wrong with it, and she thought that she had just stumbled upon a dead rat, her luck had gone awry... but now that she thought about it carefully, she realized that there really were a lot of flaws that day..

For example, why did Lin Jiage invite an expert to appraise it?

Chapter 754: Mr. Numbers = Lin Jiage (2)

Another example would be for Lin Jiage to ask Liang Mumu to hold onto her inkstone before hiring an expert to appraise it.

Another example would be for Lin Jiage to be confident from the very beginning..

Back then, she was still cursing him for tricking her, but now that she thought about it, the reason why he had such a reaction was because everything was within his control. He wasn't tricking her, but he had already dug a hole for Liang Mumu from the very beginning, he was waiting for Liang Mumu to jump into it.

From the very beginning, he had been helping and protecting her... allowing her to calmly walk through Liang Mumu's trap without doing anything.

And... back at Changming Mountain, when she saw the snack kingdom, she had been wondering how Lin Jiage knew that her dream was to own a house like that. Now that she thought about it, he had given himself away back then, she was too careless and didn't pursue the matter further... she had only told Mr. Numbers about that dream..

So... So, it really was just as Leng Nuan said... Mr. Numbers = Lin Jiage, Lin Jiage = Mr. Numbers?

Shi Yao felt that this was just a dream, so she pinched her thigh discreetly. After feeling the pain, she took out her phone and impatiently went to look for Lin Jiayi, she sent her a wechat message: [Sis Jiayi... Do you have Lin Jiage's wechat?]

Perhaps Lin Jiayi was busy, so she replied to her message directly. It was just a business card to share.

As for that business card, Shi Yao couldn't be more familiar with it: [111111] — the Mr. Number who played games with her for eight months..

Mr. Number is actually Lin Jiage! Lin Jiage is actually Mr. Number!

Shi Yao's mind went blank for a long time before she suddenly recalled that mister numbers had been bringing her to participate in competitions to earn money recently. In other words.., it was Lin Jiage who was bringing her to participate in competitions to earn money... why did Lin Jiage suddenly start bringing her to participate in competitions to earn money?

Shi Yao replayed everything that had happened recently in her mind, and she turned to look at Leng Nuan, "Nuan... Nuan Nuan, did you... tell him about me?"

Jiang Yue: "What is it?"

He tiantian: "There's actually a secret between the two of you? I'm not happy..."

Leng Nuan ignored Jiang Yue and he tiantian, she nodded lightly at Shi Yao and said, "That's right, Yaoyao. But yaoyao, I didn't mean to betray you on purpose. You know my personality, and I don't meddle in other people's business. But that time, I only told him because I wanted to help you... because I wanted to help you... but no matter what, Yaoyao, I still owe you an apology..."

Leng Nuan was right. She knew very well what kind of person she was, and she also knew that Leng Nuan was doing this for her own good. In truth, she wasn't blaming her for asking this question, but she was trying to understand one thing, and that was.., it was just as she had thought. After Lin Jiage found out about her parents'situation, he realized that she cared about the one million yuan debt, so he silently helped her..

He had never been willing to agree to the annulment of the engagement, but on the day he went to Changming Mountain, he had agreed to it. It was only after learning of the matter that he had agreed to it. He understood her difficulties, so he had let her go..

During this period of time, he had rarely interacted with her, and she had thought that he had already left her world. Only now did she realize that he had never left her. He had always been by her side, silently accompanying her every moment..

Chapter 755: Who Stole Your Soul Away? (1)

An indescribable feeling of gratitude, along with a strong sense of throbbing, instantly filled Shi Yao's heart.

She thought that the most content thing in this world couldn't be more than this. There was a person who, from the moment he decided on you, no matter if you stayed by his side or left him, as long as you turned around, he would still be there.., he hadn't left yet.

Not too long after the dishes were served by the waiters, the famished Jiang Yue, who had been arguing for a long time, immediately called for everyone to hurry up and eat.

In front of the delicacies, everyone quickly changed the topic. While the table was filled with people happily eating, they didn't forget to wish he tiantian forever eighteen.

Shi Yao was also eating, and she would chat with everyone from time to time. However, the thoughts in her mind also drifted to Lin jiage from time to time.

After lunch, there were no classes in the afternoon, so the four girls from the dormitory headed to a nearby shopping mall together.

This was an agreement that they had made half a month ago when they were discussing how they would celebrate he Tiantian's birthday with him. However, throughout the entire time they were shopping, Shi Yao had been absent-minded, so she wasn't walking around, she stood rooted to the spot, either because someone tried on her clothes and asked her if she looked good or because they called out to her many times, but she didn't respond. Or perhaps, she found something nice to try on for her, so she brought it into the changing room. After a long while.., by the time she was called out, she was still wearing her original clothes, and the clothes she had been asked to try on were still in her hands.

This kind of situation had happened many times before, and even Jiang Yue, who was the most slow-witted of them all, had noticed that something was wrong with Shi Yao. "Yaoyao, what's wrong with you? To be more precise, you've been acting a little strange lately, as if you've Lost Your Soul."

He Tiantian leaned over and asked, "That's right, that's right. Yaoyao, to be honest, who took your soul away?"

Having her thoughts exposed, Shi Yao's face reddened a little as she replied, "That's not true. Don't speak nonsense!"

Three seconds later, Shi Yao took the initiative to speak up again, "Tell me, what would you do if your soul was taken away by someone else?"

He Tiantian had always been a quick talker, "What else can I do? I'll take the souls of those who take my souls away. This is called 'one soul for one soul'!"

Jiang Yue: "You're making it sound so scary. Do you think that you're acting in a supernatural story..."

In the face of Jiang Yue's ridicule, Shi Yao pondered over he Tiantian's words.

I'll take the souls of those who take my souls away... that's right. Recently, because of Lin Jiage, her soul has been absent from her body all day long. On the other hand, he, his long-lost old friend, had a meal alone last night, and tonight, he was going to be alone again... she couldn't allow him to continue on like this!

Furthermore, this old friend of his was different from the other ladies around him. After all, she was the only girl in his junior high school who had ever taught him math problems..

Besides, Leng Nuan had also said last night that there was a veil between a woman and a man. Liang Xiao had only been back for two days, and he had already invited Lin Jiage for dinner for two days in a row. This was a blatant plot against him. If what Leng Nuan had said was true.., liang Xiao had done something to her, and if a white, soft, and chubby radish really appeared, then she would really be done for..

In the morning, she had already known that they were going to have dinner together, and she was already feeling extremely uncomfortable. After finding out that Mister Numbers was Lin Jiage in the afternoon, she thought that she would probably only be able to meet someone who treated her the best in her entire life.

Chapter 756: Who Stole Your Soul Away? (2)

Thinking up to this point, Shi Yao couldn't help but blurt out the words in her heart, "That's right. No matter what, I Can't lose him!"

He Tiantian: "What? What do you mean you lost him? Who Did you lose him to?"

Shi Yao ignored him and continued to think about her own matters.

Leng Nuan also said that sometimes, fate between people could just fall apart at the drop of a hat. It was just like that movie she saw last year, where the male and female lead quarreled over a small matter, and the female lead moved out of the male lead's house in a fit of anger, the male lead had always thought that the female lead would return on her own, and the female lead had always thought that the male lead would ask her to stay. But just like that, one didn't ask her to stay, and the other didn't return..

No matter what, she couldn't allow herself and Lin Jiage to end up like this. It was truly too unbearable for her to be so regretful in the middle of the match.

Besides, happiness was something that one had to strive for on their own. Lin Jiage had confessed to her so many times, so it was only right for her to take the initiative to ask him to stay. If there was a hundred steps between them, he would have already taken those ninety-nine steps.., so, why couldn't she take the final step?

"That's right! I can definitely take the final step!" Shi Yao blurted out once more.

Jiang Yue: "It's over, it's over. Yaoyao has been spouting nonsense the entire time. Could it be that she's turned into a fool after being seduced by someone?"

Shi Yao glared furiously at Jiang Yue and replied in her heart, you're the Fool. However, she ignored her and swiftly said, "The three of you can take your time shopping. I'm leaving..."

Jiang Yue: "Yaoyao, why are you leaving again?"

He tiantian: "That's right. You were like this last night, and now you're like this again. Stop right there, don't run..."

Ignoring Jiang Yue and he Tiantian's displeasure, Shi Yao began running in the direction of the elevator. However, it didn't take long before she suddenly thought of something and stopped.

Is this how I'm going to find Lin Jiage?

Shi Yao slowly turned around and faced a mirror in the shop window.

Inside, she had a fair and clean face. She was wearing a simple sweater, jeans, and sports shoes, and her hair was casually tied behind her head. She was a world away from the Liang Xiao that she had seen the night before..

That Liang Xiao might be pretty, but she had dressed herself up..

Shi Yao stood on tiptoes in front of the mirror, pretending to be wearing high heels. She thought that she wasn't much shorter than that Liang Xiao either.

So, if she were to dress up, she might not be any worse than that Liang Xiao..

With that thought in mind, Shi Yao turned around and ran back to Leng Nuan, he tiantian, and Jiang Yue.

Jiang Yue widened her eyes in shock. "No way! Tiantian, you told her to stop running, but she really came back? Since when did she listen to you so much?"

Shi Yao chuckled at Jiang Yue, and the next second, she changed the topic, "ERM, why don't you accompany me to buy some clothes? After that, you can accompany me to the spa. As for your hair..."

He Tiantian reached out and touched Shi Yao's forehead. "You don't have a fever either. Why are you acting like this all of a sudden?"

Shi Yao: "Aiya, don't worry about it. Just accompany me to the spa."

Jiang Yue: "Then, what style do you want to dress up as? Big sister style or Lolita Style?"

Shi Yao tilted her head and pondered for a moment before replying, "It doesn't matter what style you dress up as. What matters is that you're as pretty as you want to be!"

Chapter 757: Interception (1)

Just like that, the four girls began browsing through the most luxurious international brands on the first floor.

It was already late autumn and early winter, but in the end, for the sake of beauty, Shi Yao still chose a dress, revealing her slender and fair legs. She also wore a pair of high heels of the same color, after putting on a white fur coat, Shi Yao stood in front of the mirror, sizing herself up. She was a little taken aback by her beauty.

After shopping for the clothes, Shi Yao didn't forget to pick out a bag that matched her outfit for the day.

After shopping for the exterior items, the four ladies headed upstairs to the SPA. Shi Yao did a full set of facial treatments before heading to a beauty salon on the same floor to nourish her hair, following which, the stylist made a beautiful appearance before arranging for a beautician to give Shi Yao an exquisite make-up. After which, Shi Yao looked at herself in the mirror for a long time, and she felt a little lacking in confidence. Thus, she couldn't help but ask the beautician, "Do you think I Look Good Now?"

"Miss, you're already very beautiful without any make-up. With your current appearance, it won't be a problem for you to participate in the beauty pageant," the beautician said in a gentle voice.

After hearing the half-joking words of the makeup artist, Shi Yao calmed herself down a little before saying "Thank You" to the makeup artist and walking out of the dressing room.

Leng Nuan, Jiang Yue, and he tiantian, who were waiting outside, immediately stood up in surprise and surrounded Shi Yao.

"Wow! Yaoyao, you're Really Beautiful Now!"

"That's right! You're already very beautiful normally, but with your current appearance, you're no worse than those celebrities on screen, Alright?"

"What do you mean by 'not worse than them'? She's better than them! Yaoyao, don't move, let me take a photo... This photo doesn't even need to be fixed for it to feel like a blockbuster..."

Faced with her roommates' incessant praises, Shi Yao felt a little embarrassed. Lowering her head, she studied her outfit for a moment before asking, "Are you sure that there's nothing wrong with my outfit?"

Jiang Yue replied, "There's nothing wrong with me. Whoever says that there's something wrong with me is blind!"

He tiantian replied, "Yaoyao, if that's what you call a problem, then there's no one else in the world who isn't!"

Despite Jiang Yue and he Tiantian's affirmation, Shi Yao still turned to look at Leng Nuan.

Meeting her gaze, the usually reserved Leng Nuan's lips curled up, "100% !"

Hearing this answer, Shi Yao immediately burst into laughter. She took out her phone to take a look, and it was only then that she realized that it was already 5:30 pm.

She was so engrossed in basking in her glory that she forgot to check the time. Lin Jiage and Liang Xiao were supposed to meet at 6:30 pm... could it be that he was already on his way to meet Liang Xiao at this hour?

Shi Yao silently cursed in her heart, "This is bad!" Then, she hurriedly took out her phone and dialed Lin Jiage's number.

She wasn't sure if Lin Jiage's phone was by his side or if it was on silent mode, but after dialing Shi Yao's number for quite some time, no one picked up.

It was only when she dialed the number for the third time that someone finally picked up.

Without waiting for Lin Jiage to speak, Shi Yao spoke up first, "Lin Jiage, where are you right now?"

Her question came out of nowhere, and Lin Jiage wasn't able to react in time.

Chapter 758: Interception (2)

In truth, it didn't take long at all. In just a few short seconds, the anxious Shi Yao felt as if she had waited for a very long time. Thus, she couldn't help but ask, "Lin Jiage, I'm asking you a question. Where are you right now?"

"I'm in a meeting..." Lin Jiage replied with a perplexed look on his face. Sensing the anxiety in Shi Yao's tone, he thought that something had happened to her, so he hurriedly asked, "What's wrong? Did something happen?"

A meeting... where was it held? Could it be a meeting with Liang Xiao alone?

Shi Yao subconsciously pinched her phone, ignoring the second half of Lin Jiage's question. She asked another question, "Where is it held?"

"Where else could it be? It's at the company..." Lin Jiage's tone carried a hint of "What kind of question is that?"

Shi Yao let out an 'oh' before heaving a sigh of relief.

So, it turns out that Lin Jiage still hasn't set off to meet Liang Xiao... it seems like she still has time to intercept that Hu Xiao who won't leave..

With this thought in mind, Shi Yao asked, "Then, how long will it take for your meeting to be over?"

"If it's fast, it'll probably take half an hour..." after replying to Shi Yao's question, Lin Jiage asked, "Yaoyao, what's wrong?"

Half an hour... if she were to take the subway, it would only take her about three stops to get to his company. It would take more than ten minutes, so there was more than enough time..

Shi Yao's heart finally calmed down, "It's nothing. I'm just asking you a question. Go ahead with your meeting. I won't disturb you anymore."

With that, Shi Yao was about to hang up the phone.

On the other end of the line, Lin Jiage seemed to have realized that she was about to hang up, so he quickly asked, “Yaoyao, are you really alright?”

“I’m really alright... I promise! I swear!”

Lin Jiage was silent for a few seconds before he finally spoke up, “Alright then, I’ll take my leave first. I’ll talk to you later.”

Shi Yao replied with an “MHM” before hanging up.

Due to the urgency of the matter, she didn’t waste any more time with Leng Nuan, he tiantian, and Jiang Yue. Instead, she hurriedly asked them to bring her clothes and shoes back to her dormitory room. After which, she flipped through her metro card and prepared to head to the elevator.

However, before she could take a step forward, she suddenly thought of something. She walked up to Leng Nuan and asked her in a low voice, “Nuan Nuan, do you think that I’ll be looked down upon by him if I just deliver myself to his doorstep like this?”

Even though Shi Yao didn’t say why she was dressed up so earnestly, Leng Nuan could roughly guess what she was doing. Even though she didn’t mention Lin Jiage’s name, she knew that Shi Yao was going to look for Lin Jiage, after hearing her words, Leng Nuan shook her head and reassured her, “That won’t happen. Just go ahead and do as you’re told. If he really dares to look down on you, just beat him up. If you can’t beat him up, I’ll help you beat him up!”

“That’s right...” Shi Yao felt that Leng Nuan’s words made a lot of sense. “If he dares to look down on me, I’ll beat him up. If we can’t beat him up, that’s fine. I still have sister Jiayi...”

After saying those words, Shi Yao, who had nothing to worry about, broke into a smile. After which, she waved her hand at Leng Nuan, grabbed her subway card, and dashed toward the elevator without even turning her head back.

It happened to be the evening rush hour, so there were quite a few people taking the subway.

Coupled with Shi Yao’s outfit, it was truly a rare sight to see on the subway, and it attracted quite a few people’s attention.

Chapter 759: Today’s Her Is Very Special (1)

But fortunately, there were only three stops. For ten minutes, Shi Yao pretended to be calm as she stood in the subway, pretending not to notice the gazes that frequently fell on her. She barely managed to make it to her destination before swiftly alighting from the subway.

Lin Jiage’s company address was a hundred meters away from the subway entrance. Even though Shi Yao had never been there before, it wasn’t too difficult for her to find the location.

She took the elevator up to the 21st floor, and as soon as she came out, she saw the logo of Lin Jiage’s company.

Upon seeing her, the receptionist politely asked, “Who are you looking for?”

Shi Yao obediently replied to Lin Jiage's name.

In truth, it was quite common for beautiful ladies to come looking for their boss, but this was the first time she had seen such a beautiful lady. Thus, the receptionist couldn't help but take a few more glances at Shi Yao, after which, she asked, "I need to inform you before meeting CEO Lin, so May I know your name?"

Shi Yao obediently replied with her own name.

Usually, the boss wouldn't personally interview the receptionist of a company, but here, the receptionist was personally interviewed by Lin Jiage. Furthermore, when Lin Jiage was interviewing her, he had emphasized one thing to her, every time a girl came to look for him, she would ask for his name. Other than his mother, his sister, and his aunt, the only other person who could come in directly was Shi Yao.

As for the other girls, she could notify her business partners, but if they weren't business partners, she could just find an excuse to get rid of them.

It had been quite some time since the company was founded, and there were indeed quite a few girls who came to look for their boss. However, she had always been curious about Shi Yao, who had been given the green light, but she had never met her before. And now, she finally did..

After hearing Shi Yao's name, the receptionist couldn't help but glance at her a few more times before making a symbolic call through her landline, after which, she let Shi Yao in, "CEO Lin is currently in the conference room. You can see him if you go straight in."

Shi Yao politely smiled at the receptionist and said "Thank you" before entering Lin Jiage's company.

The meeting room that the receptionist had mentioned was really easy to find. She didn't take too many steps in before she saw Lin Jiage and a dozen or so unfamiliar faces sitting in the room through the glass.

Shi Yao was only here to intercept the meeting, not to cause any trouble. Of course, she wouldn't disturb Lin Jiage's meeting. Thus, she found a place to sit down and began sizing up Lin Jiage's company.

There were quite a few people who hadn't gotten off work yet, and they were busy working at their desks. Most of them were male, and a few of the other females were quite old as well..

It was only when this thought finally settled in Shi Yao's mind that she realized that she had become overly sensitive to the female comrades around Lin Jiage... she had been enjoying her food ever since she was young, and she had been enjoying it ever since.., did she even like to eat vinegar that much?

..

Shi Yao was seated not too far away from the meeting room.

Lin Jiage, who had been focused on the meeting, didn't notice her presence at all. It was only when he noticed the two male employees peering outside that he caught a glimpse of them out of bewilderment, it was only then that he noticed Shi Yao.

How did she end up here?

She had called him just now and asked him where he was in such a hurry. was she here to look for him?

Also, she was very special today... extremely beautiful... It was no wonder his employees were so absent-minded during the meeting when they saw her... but then again, she had specially come to look for him, she had specially tidied herself up for him?

Chapter 760: Today's Her Is Very Special (2)

The product director who had been in charge of rambling on just now ended his speech. Seeing that Lin Jiage hadn't given his opinion yet, he couldn't help but remind him, "CEO Lin..."

Hearing those words, Lin Jiage immediately turned his gaze from Shi Yao to the product director.

He had listened carefully to the first few minutes of the product director's speech, and he was completely at a loss for words. But even so, it didn't cause him much trouble, he calmly nodded at the product director, as if he hadn't been paying attention at all. "OH." Then, he turned to the others sitting beside him and asked, "What about you guys? Do you have anything else to add?"

A few of them had been so engrossed in Shi Yao that they probably didn't hear a thing, just like him. When they heard his question, they lowered their heads.

In the end, Lin Jiage's gaze fell on the director of the marketing department. "Since there's nothing else to say, let the marketing department continue..."

After he finished speaking, the product director returned to his seat and sat down. The director of the marketing department stood up, walked over to where the product director had stood, and began his speech.

In less than half a minute, Lin Jiage's gaze fell on Shi Yao, who was standing outside the conference room.

On such a cold day, she was actually wearing a dress, revealing her fair and slender legs..

Lin Jiage stared at Shi Yao's legs for a moment before he suddenly recalled that in the first half of the year, when they weren't that close, he had tricked her into returning home and destroyed the door to his bedroom, the night he locked the two of them in his room, just like now, his attention was drawn to her long legs.

That night, his mind was in a mess because of her. Even $1 + 1$ had been ridiculously calculated to be equal to Shi Yao's long legs..

Thinking back to the past, Lin Jiage couldn't help but burst into laughter.

However, it didn't take long for him to realize that someone was looking at him in bewilderment. Then, he swiftly realized that he had once again lost his composure in the meeting..

He hurriedly composed himself and leaned back in his chair, feigning calmness as he stared intently at the marketing manager who was speaking in a melodious tone.

This time, it didn't even take half a minute for his thoughts to drift away once more.

This time, he didn't allow himself to indulge. Instead, he swiftly pulled back his thoughts and scanned his surroundings.

He noticed that the employees who were peeping at Shi Yao were still sizing her up from time to time, and their thoughts were already running wild..

It seemed like the meeting couldn't go on any longer. At least half of the people in the room had lost their souls. Even if the meeting went on, it would be meaningless.

It was no wonder people said that beauties were trouble... it seemed like he had to add a rule to the front desk. If Soft Bun appeared in the company, he had to immediately send her to his office so that she wouldn't wander around the company..

With this thought in mind, Lin Jiage cleared his throat and said, "Let's call it a day for today's meeting."

After saying those words, he stood up and ignored the marketing director who was staring at him with a blank expression. He grabbed the laptop and documents on the table with one hand and walked out of the meeting room first.

As soon as the door to the meeting room closed, the people inside immediately exploded into a pot of porridge.

Some were discussing who Shi Yao was, some were wondering what was wrong with Lin Jiage, and some were gossiping about the relationship between the two of them when they saw Lin Jiage walking toward Shi Yao..

PS: the train leaves for Beijing at seven in the morning, so I took a nap. It took me a while to get up to write, so I went to the train station right after I finished writing
