

Chapter 761: The Wind Blows And The Water Freezes, Never To Return (1)

Compared to the liveliness in the conference room, it was much quieter outside.

Shi Yao had arrived in a hurry, and all she wanted to do was to intercept Lin Jiage, but she had no idea how to do so. Thus, by the time she realized what was going on, her entire focus was on how she was going to open her mouth when she saw Lin Jiage, it was to the extent that even when Lin Jiage walked up to her and called out her name, she was completely oblivious to it.

“Yaoyao?” Lin Jiage asked once more. Seeing that Shi Yao was still staring blankly at the soles of her feet, there was still no reaction from her.

Lin Jiage thought that Shi Yao must have seen something interesting for her to be so engrossed in it, so he followed her line of sight and saw a spotless floor.

Lin Jiage couldn't help but frown. He reached out his hand and waved it in front of her. Seeing that she was still in a daze, he couldn't help but frown even more.

What's wrong with Soft Bun? Did she run into some trouble, or is she in a bad mood?

With this thought in mind, a hint of worry appeared in Lin Jiage's voice as he asked, “Yaoyao?”

Seeing that there was still no reaction from her, he took a step forward and half-squatted in front of her. Grabbing her arm, he asked, “Yaoyao? Did Something Happen?”

His touch jolted her back to her senses.

Perhaps it was because she had been immersed in her thoughts for too long that she was suddenly woken up by someone. Her entire body trembled slightly before she turned to look at the person before her.

After Lin Jiage's handsome face fell into Shi Yao's eyes, she, who had been thinking about how she should talk to him, suddenly became so nervous that her words..., she stammered, “Lin... Lin Jiage... you... you're done with your meeting?”

She had dressed herself up like this to come to the company, so how was he supposed to hold a meeting?

Lin Jiage only dared to think that way in his heart, but he replied with an “Mm.” Following which, he asked, “Why did you suddenly come to the office?”

It would have been fine if Lin Jiage didn't ask, but the moment he did, the already nervous Shi Yao became even more nervous, “I, I, I...”

Seeing that she was unable to utter a single word for a long time, Lin Jiage thought back to the dazed look on her face, and the worry on his face deepened, “Did something happen? Yaoyao, don't be nervous. Take Your Time...”

“No, it’s not...” Shi Yao quickly shook her head. Then, she turned to look at Lin Jiage, who was squatting in front of her, waiting for her to continue speaking. Her mind was completely muddled, and she was completely at a loss for words, she was completely at a loss for words.

“Hello, CEO Lin...”

“Good evening, CEO Lin...”

Instead of waiting for Shi Yao to speak, she waited for the employees to come out of the conference room to greet her.

Those employees seemed to be greeting Lin Jiage, but in truth, everyone who passed by was looking at Shi Yao. In fact, some of them were even looking back at her after passing by.

Even though it was a good thing that soft bun was so attractive, Lin Jiage was still a little unwilling to accept such a good thing... seeing that Shi Yao hadn’t said a word yet, he couldn’t help but sigh, thinking that she might not be able to make a sound for a while, she took the initiative to open her mouth:

“Yaoyao, go back to my office first...”

Shi Yao nodded her head and hummed.

Lin Jiage stood up. Seeing that she was still seated in her chair, he reached out and tugged at her arm. Pulling her up, he pushed her in front of him, blocking the gazes of the group of employees as he walked toward his office.

Chapter 762: The Wind Blows And The Water Freezes, Never To Return (2)

After entering the office, Lin Jiage closed the door behind him and took out the remote control. After closing the curtains in the entire office, he turned to Shi Yao and asked, “Yaoyao, what’s going on? Tell me...”

“I, I...” Shi Yao rolled her eyes and stammered for a moment before saying, “... I want some water!”

Lin Jiage wasn’t a fool, so he could tell that Shi Yao was lying through her teeth. However, he didn’t expose her. Instead, he walked over to the water bar and poured her a glass of warm water, he handed it over to her and said, “Come, let’s talk while we drink...”

“I, I, I want to finish drinking first!”

Lin Jiage nodded, as if he would do anything as long as she was happy.

Shi Yao drank her water very slowly, taking small sips at a time.

Lin Jiage wasn’t in a hurry either, so he patiently waited for her to finish it.

However, there would come a time when the water would run out. Seeing that the glass was almost empty, no matter how unwilling Shi Yao was, she could only put down the empty glass. Then, she glanced at Lin Jiage for a moment, and before he could say anything..., she suddenly shouted, “I... I... I need to go to the toilet!”

Lin Jiage pointed to the bathroom, and he acted as if he was asking her to help herself.

Shi Yao stood up and swiftly ran into the bathroom. After closing the door, she patted her chest and took in deep breaths.

H-how am I supposed to tell him... it's all my fault. I was so focused on competing with him that afternoon that I forgot what I was supposed to do..

Shi Yao paced around the bathroom. The more nervous she became, the more unable her mind became to think.

As time slowly ticked by, Lin Jiage, who was standing outside the washroom, noticed that Shi Yao wasn't coming out, so he ran over and knocked on the door. "Yaoyao? Are you done?"

"Yaoyao, are you alright?"

"Yaoyao, if you don't come out now, I'm going to kick down the door..."

Knowing that she wouldn't be able to escape, Shi Yao braced herself and replied, "I'm done."

After which, she walked up to the sink and took a deep breath at her reflection in the mirror. It doesn't matter anymore. Since she's already in such a state, she'll just have to improvise and do whatever she wants... I really can't stop her.., at worst, I'll just beat him up!

With this thought in mind, Shi Yao took a look around the bathroom before her gaze fell on the soap box.

It's made of metal, and it's heavy enough... Shi Yao weighed it for two seconds before taking out the soap and tossing it aside. She placed the soap box under the tap and rinsed it clean before putting it into her bag, after which, she turned around and walked over to the entrance of the washroom.

With her eyes closed, she took a deep breath, and like a brave warrior who would never return, she opened the door and walked out.

"Yaoyao, you're finally out. I thought you were inside..."

Before Lin Jiage could finish his words, Shi Yao interrupted him, "I've thought of it. I came here to intercept you!"

Steal My Money? Steal My Money? Did she think that I was playing mahjong?

For a moment, Lin Jiage didn't understand what Shi Yao meant, so he replied with a confused "En?".

En? En what en? Didn't she make her intentions clear enough?

In order to boost her aura, Shi Yao puffed out her chest and continued, "I've already said what I wanted to say. Now that I'm hungry, can you accompany me to Dinner?"

What the hell is this... if not for the fact that she looked so energetic, he would have thought that she was delirious from the Fever!

Chapter 763: Eat My Candy, And You'll Be Mine (1)

What the Heck is this... if not for her lively appearance, he would have thought that she was delirious from the Fever!

It really was just as he had guessed. She was really jealous... she was jealous, she was actually jealous... but her words were ambiguous. Was it because she had seen through his heart, or was it just a moment of impulse?

Lin Jiage held his breath, waiting for the waves in his heart to subside, then, he spoke up, "Yaoyao, Liang Xiao and I have a dinner appointment this morning. As you can see, we have to be honest. You Can't change your mind when you make a promise, right?"

As he spoke, Lin Jiage silently unlocked the phone in his hand. Using his memory, he tapped on the call log. After which, he quietly lowered his head, glanced at the screen, and quickly tapped on Liang Xiao's name, he made a call.

It only rang once before he hung up. After which, he pretended like he hadn't done anything and continued speaking to Shi Yao,"... Yaoyao, actually, I really want to have dinner with you..."

But before he could finish his words, his phone rang.

Liang Xiao returned his call.

Chapter 764: Eat My Candy, And You'll Be Mine (2)

Lin Jiage waited for Shi Yao's line of sight to fall on the screen of his phone before picking up the call.

Liang Xiao: "What's wrong? Did you call me just now for something?"

Lin Jiage didn't answer the question directly, "No, I was delayed by something. I'll be there right away..."

After saying his piece, he hung up the phone, he turned to Shi Yao and said, "Yaoyao, I'll talk to you later. Liang Xiao is already here, so I can't keep her waiting. It's rude of me to keep her waiting. I really have to go now..."

With that, Lin Jiage walked up to the clothes rack, grabbed his coat, and took out his car keys from his desk. He looked as if he was about to leave.

Are you serious? He's still thinking of leaving?

As expected of the only girl who had ever taught him math in junior high, that 'not leaving' girl seemed to be quite important to him. Since that was the case, she couldn't let him leave. If they were to meet tonight., if that 'not leaving' girl were to beat him to it, wouldn't she regret it for the rest of her life?

The alarm in Shi Yao's head went off. No, no, absolutely not!

If he won't do it, she'll do it the hard way... or she'll just punch him in the face like she wants in the bathroom!

Fortunately, she had prepared a weapon in advance... thinking, Shi Yao reached into her bag.

She wanted to reach for the soap box and knock Lin Jiage unconscious, but Lin Jiage had already made his way to his office. In a moment of desperation, Shi Yao saw him walking past her, he took the thing he was clutching out of his bag.

It's a candy bar.

Shi Yao stared at the candy for three seconds before standing in front of Lin Jiage, "I... I'll treat you to some candy!"

As she spoke, Shi Yao tore open the candy wrapper and shoved it into Lin Jiage's mouth.

Sugar is a marshmallow that melts in your mouth.

Lin Jiage only felt a strong sweetness, and then his Adam's apple moved, and the sugar entered his stomach.

Seeing Lin Jiage swallow the candy, Shi Yao raised her head and stared at him, asking, "You swallowed it?"

Lin Jiage replied with an "Un" before intentionally saying, "If there's nothing else, I'll be taking my leave first..."

Without waiting for Lin Jiage to move, Shi Yao stretched out her arm and blocked his path, "No, you've eaten my candy, so you have to show me something. There's a phrase called 'reciprocating kindness with kindness.' have you heard of it?"

Lin Jiage lowered his head to look at Shi Yao blocking his left arm, and then at Shi Yao blocking his right arm, "Alright then. Tell me, what do you want in return?"

"I, I, I..." Shi Yao stumbled for a moment. She thought that if she didn't say it now, she might really lose the chance to say it. Thus, she decided to close her eyes, and with a hint of desperation, she roared, "I, I want you!"

The office fell silent.

After saying those words for a long time, Shi Yao finally opened her eyes and looked at Lin Jiage, who was staring fixedly at her.

She had already said everything that she needed to say, so there was no reason for her to cower anymore..

Shi Yao took a deep breath, straightened her back, and looked into Lin Jiage's eyes before continuing, "The reciprocating gesture that I want is you!"

"You can't just go and see her without leaving. I've prepared so many things just to make sure that you don't go and see her!"

"So, no matter what, you can't go and see her today!"

"In short, if you eat my candy, you'll be mine!"

Chapter 765: Hold My Hand, And You're My Dog (1)

"In short, if you eat my candy, you're Mine!"

Shi Yao, who was about to shout out everything she had to say, held her breath and stood before Lin Jiage for quite some time. Only then did she realize that her palms were covered in sweat, and her heart was pounding furiously.

The office was still as silent as ever.

Lin Jiage... why is there still no reaction from him? Could it be that I didn't express my intentions clearly enough?

Shi Yao discreetly sized up Lin Jiage for a moment. The male student's expression was calm and tranquil, devoid of any emotions.

Could it be that my words just now weren't sincere enough?

Shi Yao pondered for a moment, and she felt that her words just now might have been too arrogant and didn't seem like a confession. Thus, she turned her gaze to Lin Jiage and pondered for a moment before saying, "Lin Jiage..."

In truth, she had never thought about how she was going to say those words to him, and even her reaction just now had been impromptu.

But at this moment, she had no idea what was wrong with her either. After calling his name, a few words suddenly surfaced on the tip of her tongue.

"You said that you like me... And you said that it's fine. You can ask me again later..."

Shi Yao's voice trembled slightly.

"Well, it's almost time. You can ask me now..."

Lin Jiage still didn't say a word.

Shi Yao urged anxiously, "Hurry up and ask, Lin Jiage?"

Lin Jiage didn't even budge an inch, as if he was a statue.

She had already made her intentions so clear, so why was he still so indifferent?

Shi Yao frowned slightly. With the thought of going all out, she moved her lips.

She wanted to tell him directly that she had fallen in love with him and that they could be together..

But before she could say those words, the boy who had been standing in front of her for a long time without any reaction suddenly turned around and disappeared from the bathroom door like a gust of wind.

As the door slammed shut, Shi Yao's eyes widened in shock.

W-what did he mean by that? Why did he go to the bathroom without even saying a word to her? ! At the very least, when he confessed to her previously, she would have apologized to him. Besides, even if he suddenly had to pee, he should have at least told her about it. Basic courtesy, right? !

Shi Yao's cheeks puffed up in anger, and her large black eyes stared fixedly at the bathroom door, as though wishing she could pierce through it.

..

After slamming the door shut, Lin Jiage leaned against the door for quite some time before raising his head to look at his reflection in the mirror.

This nose, these eyes, this mouth... it really is him... in other words, Shi Yao's words just now were really meant for Lin Jiage to hear?

— I, I want you!

— No matter what, you can't Go See Her today

— in other words, if you eat my candy, you'll be mine!

— well, it's almost time. You can come and ask me now..

As those words echoed in Lin Jiage's ears, his fingers began to tremble uncontrollably.

Soft bun is trying to tell me her true feelings... I've waited so long for this day to finally arrive..

Lin Jiage was instantly delighted. He felt as if he was a balloon filled with air that was about to float out of the atmosphere and into space.

Chapter 766: Hold My Hand, And You're My Dog (2)

Leaning against the door, Lin Jiage's lips parted into a wide smile.

His smile grew wider and wider, and in the end, a soft chuckle could be heard from the corner of his mouth.

All of a sudden, a series of banging sounds could be heard from the door behind him, accompanied by Shi Yao's shout, "Lin Jiage?"

"Lin Jiage!"

It was only then that Lin Jiage suddenly remembered that he had left soft bun alone outside. He hurriedly stood up straight and buried the joy that filled his entire chest deep into his heart before reaching out his hand, he opened the door.

Shi Yao was standing right at the door. The moment Lin Jiage opened the door, he saw her.

Meeting her gaze, the corners of Lin Jiage's lips couldn't help but curl up once more.

He didn't speak to her. Instead, he brushed past her and walked toward the door.

?????

He's actually still ignoring me?

Shi Yao blinked her eyes, and following Lin Jiage's footsteps, she turned around.

Is he preparing to leave? where is he going? where is he going to find that person?

Shi Yao suddenly felt a little regretful for wasting her breath on him just now. She should have simply smashed the soap box into his head..

With this thought in mind, Shi Yao reached into her bag and took out the soap box.

She gripped the soap box tightly and aimed it at the back of Lin Jiage's head. Just as she was about to call out to him and mercilessly smash it into his head, Lin Jiage, who was slowly walking forward with his back facing her.., all of a sudden, he placed his right hand behind his back and hooked five fingers at her.

Lin Jiage... What does that mean? It Can't be that he's calling me to catch up, right?

Shi Yao grabbed the soap box and studied Lin Jiage's hand for a moment. Perhaps it was because she wasn't able to catch up, but his five fingers beckoned her even more frequently.

It seems like it really is what I think it is..

Without any hesitation, Shi Yao trotted forward in her high heels and caught up to Lin Jiage.

He heard her footsteps, and his footsteps slowed down significantly. When she finally caught up to him, he lowered his head slightly to look at her before reaching out to grab her bag in his left hand.

It didn't take long before he switched her bag to his other hand.

Following which, he pushed open the office door with his other hand. The other hand, which had just been emptied, grabbed her wrist and brought her out of the office.

There were still quite a few people who hadn't gotten off work yet. Even though they didn't dare to look at Lin Jiage and Shi Yao brazenly, their attention was completely focused on them.

It was as if Lin Jiage didn't see the curious gazes that everyone was throwing at him in all sorts of ways. He pulled Shi Yao forward while his palm moved downward.

Shi Yao suddenly felt a little nervous.

She instinctively retracted her hand, but she didn't manage to escape from his grasp.

His hand was still sliding downward, and it wasn't until his palm had completely wrapped around her little hand that he finally stopped. Then, he held her hand tightly as he walked out of the elevator.

His palm was large and warm, and Shi Yao's heart couldn't help but beat even faster.

Just like that, they were holding hands?

Shi Yao stared at the hand that he was holding tightly for a moment before quietly tiptoeing to his side and muttering, "Lin Jiage, let me tell you, if you hold my hand, you'll be my dog..."

"Not Your Man?"

"Since you ignored me just now, you've already degenerated from a human into a dog."

Chapter 767: When Are You Going To Eat Me? (1)

"Then won't you become a Little Bitch?"

"Of course not! I'm a human, and you're a dog!"

"Yes, yes, yes. We're beauties and beasts..."

Shi Yao was amused by Lin Jiage's reply.

The elevator stopped in the underground parking lot. While Lin Jiage was leading Shi Yao out, Shi Yao asked curiously, "Where Are We Going?"

"Aren't you hungry? I'm going to accompany you to dinner..."

"Oh..." Shi Yao replied. Recalling the scene where she had asked him to accompany her to dinner, only to be rejected by him..., she couldn't help but reply, "You already made an appointment with someone for dinner, and it's already past 6:30 pm. You're already late, so it wouldn't be good if you didn't go over now, right?"

"Really? I think it's pretty good..." Lin Jiage got into the car and fastened Shi Yao's seatbelt before fastening it on himself.

"No, no, no, it's really not good. You can just send me back to school and Have Your Secretary Order Takeout for me. Besides, you have to be honest with others. You Can't Change Your Mind at the last minute!"

Those were his exact words... was soft bun trying to settle the score?

As Lin Jiage started the car, he replied without the slightest hesitation, "One has to be honest with others. For example, when it comes to you, I have to be honest with others. When it comes to outsiders... that depends on the situation."

Outsiders... Those two words successfully coaxed Shi Yao into a good mood, "You mean that I'm an outsider who won't leave until I see you? What about me? My Wife?"

The corners of Lin Jiage's lips curled up, "That's what I want."

What do you mean by that?

Shi Yao, who didn't quite understand what Lin Jiage meant, frowned as she replayed what she had just said in her mind.

Wife... wasn't that what his wife meant?

Shi Yao's face immediately flushed red, "Lin Jiage, you've gone too far! You set me up!"

"I didn't."

"I did!"

"I really didn't!"

"I did, I did, I did!"

"Alright, I did..." Lin Jiage didn't wait for Shi Yao to speak before he continued, "What do you want to eat? Roast Duck? Kung Pao Chicken? Spicy Hot Pot?"

Following which, Shi Yao successfully sidestepped the topic. Tilting her head, she focused on eating.

In the end, Lin Jiage brought Shi Yao to a roast duck restaurant.

Halfway through their meal, Shi Yao suddenly recalled that Lin Jiage hadn't gone to meet or leave, and he hadn't given her a call along the way, thus, she couldn't help but ask, "You didn't go to meet or leave, and you didn't even tell her?"

"No..." Lin Jiage, who was fully focused on helping Shi Yao roll the roast duck, replied.

"Then why didn't she call you to ask why you didn't go?"

Lin Jiage didn't think too much into it. Just as Shi Yao was still immersed in the vinegar vat, he passed the rolled duck pancake over to her and replied, "No."

"Oh..." Shi Yao replied with a long drawl. She took the pancake, stuffed it into her mouth, and finished it, without any hesitation, she began mocking Lin Jiage, "It seems like you're not that important to me..."

Unable to react for a moment, Lin Jiage turned to Shi Yao and asked, "HM?"

"Did I say something wrong? Look, you two agreed to meet at 6:30, but it's already been two hours, and she still hasn't called to ask about you. This means that you're nothing to her at all..."

So, I've come all this way just to step on him... Lin Jiage replied with an 'mm' to Shi Yao nonchalantly. Then, he scooped up a bowl of soup from his bowl and placed it in front of Shi Yao.

Chapter 768: When Are You Going To Eat Me? (2)

Without thinking too much into it, Shi Yao picked up the spoon and began drinking the soup.

It was only after she finished drinking that she realized that these were the bowls and spoons that Lin Jiage had used before... in other words, the bowls that his lips and tongue had touched before were also the bowls that she had touched with her lips and tongue before..

Shi Yao's face suddenly lit up, "These are your bowls and spoons..."

Lin Jiage calmly replied with an "MHM".

Shi Yao lowered her head and muttered softly, "I have my own bowls and spoons..."

Lin Jiage didn't say anything. Instead, he rolled up another duck patty for Shi Yao and placed it on her plate.

After Shi Yao finished the duck patty with her head lowered, Lin Jiage leaned into Shi Yao's ear and said, "It's not like I haven't eaten it before..."

For a moment, Shi Yao didn't manage to react. She blinked her eyes and asked Lin Jiage, "Ah?".

Lin Jiage didn't say anything. He only glanced at his bowl and spoon meaningfully.

Shi Yao stared at Lin Jiage's Bowl and spoon for a moment before she suddenly realized what he was referring to..

He was telling her that she had kissed him before, so it was fine to eat with a bowl and spoon..

How could he, how could he, how could he talk to her about such a topic in public?

Shi Yao glared at Lin Jiage fiercely.

Lin Jiage smiled and leaned in to whisper into her ear, "Besides, you'll have to eat often in the future. You'll get used to it."

Ahhhhh! You Scoundrel!

Shi Yao's face burned even hotter. Other than burying her head in her food, she didn't even have the time to glare at Lin Jiage.

..

By the time they returned to the car after dinner, it was already 9:30 pm.

Lin Jiage asked, "Where are you going?"

Shi Yao replied matter-of-factly, "I'm going back to school. I still have class tomorrow morning."

Lin Jiage replied with an 'Oh', and he thought to himself, I seem to have been too impatient. Even though I was very anxious to lure her back home..

The car was unable to enter the school, so Lin Jiage parked the car in the parking lot closest to the school. Just like before, he held Shi Yao's hand tightly as they walked toward the school.

When they were almost at the school gate, Shi Yao felt a little embarrassed. She tried to free herself from Lin Jiage's hand, but she failed. Seeing that it was already late at night, and there weren't many people walking around the school, she decided to let him hold her hand as they walked toward the dormitory.

Along the way, Lin Jiage and Shi Yao were still chatting idly.

"What do you want to Eat Tomorrow?"

Shi Yao pondered for a moment before replying, "I want to eat Hotpot."

"What about the day after tomorrow?"

"Un... Cantonese cuisine?"

"What about the day after tomorrow? What about the day after tomorrow?"

Shi Yao pondered for a moment before replying to Lin Jiage's question.

"What about the day after tomorrow? Then... When will you consider eating me?"

"What?"

"Nothing much."

"OH."

Seeing that they were getting closer and closer to the female dormitory building, Lin Jiage's footsteps slowed down significantly.

Seeing that Lin Jiage had slowed down, Shi Yao also slowed down a little.

Just as they were about to reach the female dormitory building, Shi Yao whispered to Lin Jiage, "Well, I'm almost there..."

"Un..." Lin Jiage replied before stopping in his tracks. "There's something I haven't done yet..."

Seeing that Lin Jiage had stopped, Shi Yao followed suit and asked, "What is it?"

Lin Jiage didn't say a word. Instead, he looked around.

Shi Yao couldn't help but ask, "What is it..."

But before she could finish her words, Lin Jiage suddenly pulled her behind a slightly more concealed tree. A second before her back, he leaned against the tree trunk, and in the next second, he lowered his head and kissed her lips..

PS: I didn't sleep last night, so I'll stop here for today. I'm going to rest now. This storyline is too sweet. If it continues to be so sweet, won't everyone get bored of it

Chapter 769: If You Don't Leave Now, You Won't Be Able To Leave Tonight. (1)

Shi Yao only felt her lips going soft, as if something was sticking to her. Before she could figure out what was going on, her breath had already been completely taken away by him.

Her mind immediately went blank, and she lost all ability to think.

She opened her eyes and stared at his hair that was right in front of her. She was stunned for a long time until her mouth and nose were filled with his breath. Only then did she realize that he had kissed her.

His lips were warm and soft. There was also a gentle force that she could not resist that kept invading her lips.

The moment he pried open her lips, her entire body shivered and she became even more nervous. Her limbs were stiff as she leaned against the tree. It was as if someone had pressed her acupoints. She did not dare to move at all.

He was still kissing her. The breath in her chest was sucked dry by him bit by bit, but she did not feel uncomfortable. Even her hand grabbed his shirt without her realizing it.

Perhaps it was her subtle reaction that pleased him, but his kiss suddenly became gentle and slow. She could not help but close her eyes, completely lost in it..

Their breathing gradually became chaotic.

Behind the empty tree, due to the silence, they could hear each other's unstable breaths. Her face turned even redder, his body temperature became even hotter, and their hearts beat even faster.

Just as Shi Yao felt her heart almost jump out of her throat, Lin Jiage finally let go of her.

They maintained the position they had just kissed and didn't move.

Her heart was still beating wildly, thump, thump, thump..

She could hear the powerful beating of his heart from his chest. Thump, thump, thump..

In the end, the beating of their hearts became the same beat.

After an unknown period of time, Lin Jiage suddenly reached out and cupped her face in his hands.

His slender fingers raised her face, and he moved her hair, which had been scattered around the corner of her eyes, to the side before staring into her eyes, he said, "Tell me what you said in my office again..."

Those were all words that she had said in a moment of desperation. How could she possibly say them now?

Shi Yao didn't say a word.

"Why aren't you saying anything?" Lin Jiage asked as he gently stroked Shi Yao's cheek with his fingers. "I've never heard of such a strange confession. Tell me again..."

Seeing that Shi Yao's face was still blushing in silence, Lin Jiage asked, "HM?"

His voice was exceptionally gentle, causing Shi Yao's entire body to tremble uncontrollably. Turning her head away, she refused to look at him and replied softly, "No..."

"Yes."

"No."

"Yes."

"No..."

And then, her lips were sealed by him once more.

Compared to the kiss just now, this kiss was a little fiercer.

He seemed to do it on purpose. He only let go of her after she struggled. "Are you going to tell me or not?"

He saw that she did not show any signs of opening her mouth, so he leaned against her lips again. This time, before his lips touched hers, she said softly, "I, I came to look for you. I'm here to stop you..."

"Yes, and..."

"I, I've already said what I wanted to say. Now that I'm hungry, can you accompany me to eat?"

"Continue..."

"After eating my candy, you're Mine..."

Chapter 770: If You Don't Leave Now, You Won't Be Able To Leave Tonight. (2)

"What else?"

"Nothing else..."

"Are you sure?" Lin Jiage gestured for another kiss on Shi Yao's lips.

"No, I'm not particularly sure..."

Lin Jiage suddenly chuckled softly, "Then hurry up and say it..."

"I... I..." Shi Yao stuttered for a long time, but she was still unable to say it out loud.

Lin Jiage's fingertips landed on the corner of Shi Yao's lips, and he caressed them repeatedly. In fact, his face was slowly inching closer to hers.

Just as his lips were about to touch hers, Shi Yao closed her eyes, as though she was facing death as she muttered the words that she had been unable to utter for a long time, "I, I, I want, want, Want You..."

Her last syllable disappeared from his lips.

Compared to the previous two kisses, Lin Jiage's strength this time was astonishingly strong. It was as though he wanted to tear Shi Yao's bones into her stomach.

In fact, his hand was even clasping the back of her head, deepening and deepening the kiss.

Very soon, their breathing became chaotic once more.

It was much more chaotic than the previous two kisses.

His body couldn't help but cling tightly to hers.

Even though they were outside, Shi Yao could still sense a sense of danger from Lin Jiage's body. She suddenly felt a little afraid... she subconsciously began to struggle... he forcefully held her down, unwilling to let her go., he pressed down on her lips and kissed her repeatedly. It was only when he felt that his rationality was gradually crumbling that he managed to restrain himself in time. He released her lips and buried his face in her neck, he took a deep breath.

Shi Yao's heart was beating so fast that she couldn't believe it. She leaned against the tree trunk, not daring to move at all.

After an unknown period of time, she felt that Lin Jiage's breathing had become a lot calmer. Only then did she move her body slightly and say softly, "I... I should... I should go back..."

Lin Jiage replied with an "Mm", but he didn't seem to have any intention of letting go of her.

Shi Yao was just about to remind Lin Jiage when Lin Jiage suddenly stood up straight and lowered his head slightly to look into her eyes, without any warning, he said, "Yaoyao, didn't you tell me that I said something to you in the office today? It's fine. I'll ask you again in a while..."

At this point, Lin Jiage paused for a moment before his eyes suddenly lit up, "... Yaoyao, may I ask if I can openly like you now?"

Hearing those words, Shi Yao suddenly felt even more nervous than when he had kissed her so deeply. With her flushed face, she softly replied with an "MHM".

Lin Jiage suddenly burst into laughter, and it was as if thousands of pear blossoms had blossomed, "Yaoyao, this is the happiest moment of my life."

Hearing those words, Shi Yao's heart trembled.

Lin Jiage reached out and stroked her long hair. "Let's Go..."

As he spoke, he straightened his body and held her hand. "If you don't Leave Now, you won't be able to leave tonight..."

Before Shi Yao could react, she allowed Lin Jiage to lead her out of the tree and walked toward the female dormitory building.

Just as they were about to reach the entrance of the female dormitory building, Shi Yao finally understood what he meant by those words. She abruptly flung his hand away and yelled, "You Scoundrel!"

Lin Jiage wasn't the least bit angry at all. Grinning from ear to ear, he reached out to grab Shi Yao's hand.

Shi Yao flung his hand away, and he grabbed it again. Shi Yao flung his hand away again, and he continued to grab her. However, Shi Yao didn't throw her hand away again.
