

WITH YOU 811

Chapter 811: A Pair Of Miserable Lovebirds (1)

Others might not be able to understand it, but Shi Yao did.

The third painting was the one where he had apologized to her. It was the scene where he had ignored her after she had proposed to him that they break off their engagement. Just as she was thinking of how to urge him, he had invited her to a small forest.

It was the first time they had met in private since they were young and their marriage was forced. It was also the first time they quarreled.

That day, he was very unhappy when he came. At first, she did not understand the situation and did not want to quarrel with him. Later, he broke four pieces of her cake. Then, she angrily told him that she did not like him at all, then, perhaps he was embarrassed by her words, but his reply was equally ruthless and ruthless.

He said, "Today, I'll leave you with this. Listen carefully. I — Lin, JIA, GE, want, yes, no, with, you, dissolve, dissolve, marry, write!" My, name, words, just, pour, over, come, write!

At that time, she wholeheartedly thought that it was impossible for them to be together. Presumably, that was also what he thought in his heart.

But as time passed, from spring to winter, they actually walked together.

The projection cloth on the stage had already been extinguished, but Shi Yao was still staring at it with her head raised.

The paintings that had appeared on the projection cloth could still be seen clearly before her eyes.

They were the testimony of their journey together, the bits and pieces of what had truly happened between them.

She had never turned her head back to take a look, but when she did, she realized that the two of them actually had so many beautiful memories that were worth collecting.

The initially quiet field gradually grew noisy once more.

Shi Yao vaguely heard someone call out, "Lin Jiage —"

Shi Yao snapped back to her senses and looked around. To her left, she saw Lin Jiage holding a large bouquet of roses in one hand.

Quite a few students crowded around him to watch the show, and there were also some who were either taking photos or recording videos with their phones.

In the face of all the commotion around him, Lin Jiage's gaze remained fixated on Shi Yao's face.

He removed the casual clothes he wore during the day and put on a formal white shirt with a black trench coat covering his calves.

He walked toward her step by step.

Under the dim light of the school field, Shi Yao stared at Lin Jiage, who was getting closer and closer to her. For a moment, she felt as if she was a princess in a fairy tale, looking at her Prince Charming.., bit by bit, he walked into her life.

He stopped about a meter away from her. The handsome man stared at her for a moment before moving his lips, "Yaoyao, I've already written my name backwards. Are you willing to change your mind?"

Shi Yao knew that Lin Jiage was referring to the idea of breaking off the engagement.

She turned to look into his eyes and nodded, "I'm willing..."

"Then, let's get to know each other again? Hello, Shi Yao. My name is Lin Jiage, and you can call me GE Jiage Lin Too..."as Lin Jiage spoke, he stretched his arms out for Shi Yao.

Shi Yao burst into laughter upon hearing Lin Jiage's words, but tears were still glistening in the corners of her eyes.

Even though so many of her classmates were staring at her, she still took a step forward and buried herself in his embrace. "Alright then, student GE Jiage Lin, you can also call me Lin Jiage's fiancée..."

Chapter 812: A Pair Of Miserable Lovebirds (2)

..

Not too far away, in the crowd, Liang Mumu stared at the couple embracing each other, and her fingers subconsciously clenched onto her palms.

Her cousin, Liang Jiusi, had called her over to G University's sports field just so that she could see this scene?

It was likely that the person who had called her over wasn't her cousin, Liang Jiusi, but the male lead of the couple, Lin Jiage, right?

He knew that she liked him, and he also knew that she had always been at odds with Shi Yao, so he had specially called her over to make her suffer, right?

Did he really like Shi Yao that much? But didn't he look down on Shi Yao from the start? She clearly disliked Shi Yao a lot. She had been hiding by Shi Yao's side for so many years just in case, so that she could learn from her enemy and deal a fatal blow to Shi Yao... but she had put in so much effort for so many years, but in the end.., they still ended up together?

She refused to accept it! She refused to accept it!

She refused to accept it! She absolutely refused to accept such an ending!

She wouldn't let them get together so easily. She absolutely wouldn't. Even if she were to risk her life, she wouldn't allow her to be together with him..

With this thought in mind, a cold glint flashed across Liang Mumu's eyes.

..

There were simply too many people gathered at the school's field. It was already 11 pm, and the dormitory doors were about to be locked. Yet, more than half of the students were still hanging around on the field.

As such, the dormitory management auntie reported this matter to the school head, and the head of the academic affairs office came over with a megaphone and security guards to disperse the students on the field.

Seeing that the head of the school had arrived, the crowd didn't dare to watch the show any longer and dispersed in a hubbub.

However, the head of the school who came over with a megaphone didn't intend to return empty-handed. Instead, he pointed to the culprit behind this mess — Lin Jiage — and asked him to lie down in his office with him.

Holding a large bouquet of roses in her arms, Shi Yao hurriedly made a request, "Teacher, please take me with you."

Even if Lin Jiage were to be punished, he would still be punished along with her... could they be considered a pair of miserable lovebirds..

However, the head of the Academic Affairs Bureau didn't intend to help the pair of miserable lovebirds. "What are you doing here? Go back to your dormitory and rest."

Shi Yao shook her head and looked at the head of the academic affairs office with pleading eyes, refusing to let go of Lin Jiage's hand no matter what.

Lin Jiage and Shi Yao had always performed exceptionally well in the school, and the leaders knew each other. Furthermore, the university didn't forbid anyone from falling in love, so the leaders didn't intend to make things difficult for them in the first place. Yet, seeing how Shi Yao insisted on doing this.., in the end, she waved her hands dismissively and said, "Forget it, forget it. Follow me, but wait for him outside the office."

"Alright, thank you, leader." With a flower in one hand and Lin Jiage's hand in the other, Shi Yao walked toward the office building.

Along the way, Shi Yao would raise her head from time to time and give Lin Jiage a silly smile.

At first, the leader's students didn't think that there was anything wrong with him, but in the end, there was no one else on the way, leaving only the three of them. The leader looked at the two people who didn't take him seriously at all.., suddenly, they felt as if they were being superfluous..

Walking up to the office building, Shi Yao obediently stopped in front of it and said, "I'll wait for you here."

Lin Jiage stroked Shi Yao's head and replied with a dotting 'en'.

The leaders who were watching from the side couldn't help but clear their throats, allowing themselves to feel a sense of presence.

"Then I'll head up first..." after saying those words, Lin Jiage released Shi Yao's hand.

Chapter 813: Let's Make It Public (1)

It was already early winter, so the night temperature was still rather cold. Lin Jiage took a glance at Shi Yao's clothes, which weren't too thick, and after some thought, he took off his windbreaker and draped it over Shi Yao's body.

Unable to bear the sight, the head of the Education Bureau turned his head away and said, "Lin Jiage, hurry up..." before walking into the office building.

After putting Shi Yao's clothes on, Lin Jiage patted her lightly on the cheek before turning around and walking into the office building as well.

After Lin Jiage entered, Shi Yao placed the large bouquet of roses on the platform in the garden. As she drank her drink, she lowered her head and began counting the flowers.

One, two, three, four... Forty-seven, forty-eight..

"Shi Yao."

Hearing someone call her name, Shi Yao instinctively turned her head over. However, when she saw who it was, the smile on her face disappeared, and she stood up straight and greeted, "Senior Han."

Han Jing stared at Shi Yao for a moment before raising his feet and taking a few more steps forward.

Under the light from the office building, Shi Yao couldn't help but feel that there was something strange about Han Jing's expression, but she couldn't pinpoint what it was.

After Han Jing stopped about a meter away from her, Shi Yao spoke up once more, "Senior Han, why did you call me...?"

Han Jing wasn't in a hurry to reply to Shi Yao's question. Instead, he glanced at the beautiful roses beside him before asking the obvious question, "You're with... Lin Jiage?"

Back then, Shi Yao had already rejected Han Jing, so she didn't hold back at all. She told him honestly, "Un, we're together."

Han Jing didn't say a word.

Shi Yao didn't know what to say either.

The silence between the two of them made Shi Yao feel a little uncomfortable, so she subconsciously found an excuse to leave, "Senior Han, I need to go to the washroom, so I'll be leaving first..."

With that, Shi Yao bent down and picked up the large bouquet of roses, preparing to head into the office building.

She had only taken a few steps when Han Jing called out to her once more.

"Shi Yao."

Shi Yao stopped in her tracks.

This time, before she could speak, Han Jing continued, "You and I have always been very close. I want to ask you, back then, did you... Do you like me a Little?"

Shi Yao frowned.

Why would senior Han ask such a question... did I do something wrong to give him such an illusion?

Han Jing stared at Shi Yao and asked, "If it weren't for Lin Jiage, would you have been together with me?"

Shi Yao's frown deepened, "Senior Han, I think that you might have misunderstood me. In the beginning, because you're from Tian Tian's hometown, I only treated you as a friend. Later on, I found out about your feelings, so I decided to sever all ties with you. It's not because you're not a good person, but because I can't give you what you want... If I did something that caused you to misunderstand, I'll apologize to you right now... As for what happened between us, it really has nothing to do with Lin Jiage. I Won't be together with you without him..."

"Is that really what you think?"

Shi Yao didn't like the feeling of being dragged along, so she put her heart into it and decided not to drag others along. She knew that her words were hurtful, but sometimes, hurtful words weren't the most hurtful, so Shi Yao didn't hesitate, she nodded her head earnestly and said, "That's right, senior Han. That's really what I think."

Chapter 814: Let's Make It Public (2)

Han Jing didn't say another word.

Shi Yao felt that the current Han Jing looked even weirder.

But very soon, Han Jing nodded his head, and without saying another word, he turned around and left.

As she watched Han Jing's figure gradually disappear into the distance, for some reason, a sense of unease rose in Shi Yao's heart.

However, that sense of unease didn't linger in her mind for long before she was hugged from behind and fell into a familiar embrace.

Knowing that it was Lin Jiage, Shi Yao didn't Dodge. Instead, she raised her head and looked up.

Lin Jiage was taller than her to begin with, and he was still standing on a flight of stairs behind her. As such, he was much taller than her, so he easily lowered his head and planted a kiss on her lips.

[note: The scene of a male kissing a female from behind is extremely beautiful. You can imagine it for yourselves]

However, since they were in front of the office building, Lin Jiage didn't dare to go too far. He quickly let go of Shi Yao, took a step forward, and held her hand as they walked toward the dormitory building not too far away, at the same time, he asked, "Why were you in a daze when I came out just now?"

Hearing Lin Jiage's reminder, Shi Yao thought of Han Jing once more.

However, she felt that she was overthinking things. To her, Han Jing had always been a decent senior, and she couldn't possibly suspect and malign him for no reason. Thus, she shook her head and replied, "It's nothing..."

However, Shi Yao wasn't good at lying, so she still felt a little guilty. After replying to Lin Jiage's question, she turned to him and asked, "Right, did you meet any clients today?"

Lin Jiage replied with an "Un".

"Did you guys also spread the news that all of the students were heading to the field?"

Lin Jiage replied with another "Un", but he didn't dare to let Shi Yao know that he was doing this to destroy G University's peach blossom.

"In other words, you're intentionally hiding it from me..." Shi Yao's tone was filled with grievance.

"Isn't that just to give you a surprise? I see. Is there still a surprise to speak of?"

"Oh, that's true..."

"Then, do you like this surprise?"

"I do... But I'm also a little sad..."

"HM?"

"I didn't get to eat the roast meat."

Lin Jiage: "..."

Lin Jiage: "It's too late today. You still have class tomorrow morning, so you should head back to your dormitory room to rest. I'll bring you to eat it another day, Alright?"

"Alright..." Shi Yao's eyes narrowed into crescents as she smiled. Then, as if recalling something, she exclaimed, "We're doomed..."

Lin Jiage immediately became nervous, "What's Wrong?"

Shi Yao picked up the drink that was less than a fifth of its original size and said, "Well... I bought two bottles, and one of them was for you. However, when I was watching you draw, I was too distracted, so I drank all of mine, and I drank all of yours..."

Lin Jiage: "..."

What could he do? Even if his girlfriend drank all of the drinks he bought for him, what could he do?

"It's fine..." Lin Jiage consoled Shi Yao generously.

Shouldn't Shi Yao be the one consoling him? What... She drank his drink, and he still had to console her?

With this thought in mind, Lin Jiage pinched Shi Yao's face and said, "If you like it, drink it all. It's just a bottle of drink."

Shi Yao chuckled.

Then, Lin Jiage moved his lips once more, and just as he was about to say something, Shi Yao interrupted him, "Yaoyao, let's go public."

Chapter 815: Her Boyfriend Was In Trouble, So Of course, She Couldn't Just Stand By And Watch. (1)

Public Exposure? wasn't the current situation between them public exposure?

After what he had done tonight, not only would master g and the students be aware of it, even the students from the neighboring school would be aware of it as well, right?

Shi Yao frowned. "Isn't this already enough?"

"I'm not going to let everyone in the world know that I'm going public. I'm going to post it on my moments page..."

Lin Jiage paused for a moment before adding confidently, "Yaoyao, you have to understand that I'm still in a state where I can't go home..."

Hearing Lin Jiage's reminder, Shi Yao suddenly recalled that back then, in order to set her free, he had made up such a ridiculous story, and Grandpa Lin had chased him out of the house..

Of course, she couldn't just stand idly by while her boyfriend was in trouble, thus, Shi Yao took out her phone and said, "Alright then, let's post it on wechat. I've added SIS Jiayi's wechat, and if she sees it, it means that Grandpa has seen it as well. After that, you can go home."

After opening wechat and entering her moments, Shi Yao turned to Lin Jiage with a troubled expression and asked, "How are we going to post it?"

"Un..." Lin Jiage pondered for a moment before replying, "Wait a moment", and he entered the school forum.

Just as he had guessed, the entire forum was flooded with the scene of him confessing to Shi Yao that night.

He casually opened a few main posts and scanned through them. After which, he found a photo of himself and Shi Yao that was the clearest and most beautiful photo he had taken and saved it.

He entered his moments and uploaded the photo. After a moment of contemplation, he typed: [I like King's glory as well as survival in the face of danger, but I like you more in all sorts of ways.].

After successfully uploading the photo, he sent it to Shi Yao.

Following Lin Jiage's method, Shi Yao uploaded the photo to her moments page as well. After which, she bit her finger and pondered for a moment before typing: [young ladies always eat with Lin Jiage.].

..

That night, Lin Jiage returned to his bed after taking a shower. After browsing through his moments page, he realized that Shi Yao's moments page was much livelier than his.

[expert of the monkeys] liked and replied: [Little Junior, you have the wrong number. It should be GE Jialin.]

[juice] liked and replied: [who's Lin Jiage? I don't know him, but I only know GE Jialin.]

[I love Li Yifeng] liked and replied: [my Prince Charming is Lin jiage, but Yaoyao's boyfriend is GE Jiayin.]

[lotus leaf he tiantian] liked and replied: [Yaoyao, can you tell me why senior Lin changed his name to GE Jiayin?]

[lemon] liked and replied: [Congratulations.]

[juice] replied [lemon] : [goddess] followed by a lewd emoji.

In Shi Yao's moments, Lin Jiage searched for Lin Jiayi several times, but to no avail. Thus, he went to his own moments.

Other than the likes from his classmates and business partners, Lin Jiage carefully checked several times, but he didn't see any likes or replies from his family.

Er... that shouldn't be the case. According to the script, his moments and wechat should be exploding... After all, the girl in the photo was their favorite soft bun!

Lin jiage patiently waited for a while, but no one in his family gave him a like, thus, he sent a message to his father, mother, uncle, aunt, and Lin Jiayi one by one: [can you give me a like on my first moments?]

Chapter 816: Her Boyfriend Was In Trouble, So Of course, She Couldn't Just Stand By And Watch. (2)

Lin Gubei was the first to reply.

[eat, sleep, beat your son] : "I'm Sorry, Your Mother Won't let me give you a like."

Do you have to be such a wife slave? You Don't have the bearing of a man at all... Lin Jiage mocked inwardly as he replied, "Dad, it's fine if you don't give me a like, but can you at least take a look?"

[eat, sleep, beat son] : "I'm Sorry, Your Mother Won't let me take a look."

[111111] : "..."

[111111] : "Won't it be fine if you don't let my mother know?"

[eat, sleep, beat son] : "It's fine..."

Lin jiage swiftly typed a few words on his keyboard, but before he could send those words out, a new message popped up on his screen.

[eat, sleep, beat your son] : but if your mother finds out about this, I'll die a horrible death, so I don't think I should go and take a look..

Forget it... looking at his father's name, beating his son while eating and sleeping, he knew that he couldn't be trusted..

Lin Jiage didn't reply to Lin Gubei's message. Instead, he went straight to his uncle, Xia Yang's message.

[Shuaiyangyang] : What's the wechat moments

Lin Jiage: "..."

He had no choice but to give up once more and look at Lin Guinan's message.

[unthin 20kg unrenamed] : "I've clicked on it."

Lin Jiage took a look at his moments page, and sure enough, he saw that his aunt had given him a thumbs up.

But wasn't his aunt's reaction a little too calm? Or was his aunt too agitated?

Lin jiage probed, "Auntie, how do you feel when you see my moments page photo?"

[won't lose twenty Jin, won't change my name] : "My internet speed is too slow. I Can't open your photo."

Lin Jiage could only place his hopes on Jiang Wangui and Lin Jiayi.

However, the two ladies hadn't replied to his wechat yet.

Lin Jiage pondered for a moment before deciding to take the initiative once more.

He first sent a message to Jiang Wangui: [Mom...]

This time, Jiang Wangui replied to him: [I don't have a son like you.]

It was a good thing that he had caught up with soft bun. If he couldn't catch up with her, that story would never be clarified. Could it be that his mother really didn't want him as a son?

Lin jiage felt that it would be better for him to not beat around the bush with his mother, so he sent a message: [Mom, I'm with Shi Yao now. There's evidence on my moments page. Please take a look...]

Lin Jiage tapped on the send button, and a message popped up on wechat: [Sorry, the other party isn't your friend. Please add him as your friend before we chat.]

?????

Lin jiage, who was already despised by the four of them out of a family of seven, only had ten seconds left before he went to look for Lin Jiayi.

The others weren't easy to deal with, but Lin Jiayi was easy to deal with anyway... so, he decided to just send her a red packet..

With this thought in mind, Lin Jiage began giving out red packets.

The first red packet wasn't accepted.

Lin jiage continued giving out red packets.

The second red packet was accepted, and the first red packet was accepted as well. However, Lin Jiayi ignored him.

Lin jiage continued giving out red packets.

After receiving ten red packets in one go, Lin Jiayi replied to him, "I can't see your moments page..."

How is that possible... his wechat moments are visible to everyone..

Just as this thought flashed through Lin Jiage's mind, he suddenly recalled that back then, he was afraid that Lin Jiayi would do something bad to him, so he had lost his account. After which, he had blocked Lin Jiayi from his wechat moments..

Lin Jiayi: "I just checked your wechat moments with my gps, and I can see your wechat moments. So, you're blocking me?"

Lin Jiayi: "Alright, there's no need to talk anymore. Goodbye."

Chapter 817: Raising A Son For Someone Else (1)

Lin Jiayi was his last straw of hope... even if he offended her, he would still have to kneel down and beg for her return!

With this thought in mind, Lin Jiage continued handing out red packets.

One, two, three... ten..

Er... It seemed like Lin Jiayi was really angry this time. To think that she could resist the temptation of money... However, he didn't believe that she could resist the temptation of more money!

Thus, Lin Jiage decided to transfer the money directly.

Each transaction was worth 20,000 yuan.

"This is 100 red packets."

"Another 100 red packets."

"It's still 100 red packets."

"..."

After Lin Jiage transferred the money ten times in a row, Lin Jiayi began collecting the money.

After all of the money fell into Lin Jiayi's pocket, a message finally appeared on the screen: [that was just the price of my forgiveness. As for the price of asking me for help, you'll have to pay it back.]

Lin jiage immediately transferred the sum of one thousand red packets over: [is that enough?]

Lin Jiayi accepted the money: [tell me, what do you want me to do for You?]

After releasing Lin Jiayi from the small black room in his wechat moments, Lin Jiage replied: [just show Grandpa the first photo in my wechat moments.]

A minute later, Lin Jiayi: [on account of you getting Yaoyao back, if you give me another thousand red packets, I'll reluctantly agree to help you.]

Lin jiage gritted his teeth and sent another thousand red packets over.

Lin Jiayi sent a 'deal'emOji, and after receiving the money, she sent another 'thank you boss'emOji.

Lin Jiage ignored Lin Jiayi. After putting down his phone, he carefully recalled the attitude his family had toward him that night, and he picked up his phone once more, he sent a message to Shi Yao: [Yaoyao, I realized that you're the only person in the world who treats me the best.]

Shi Yao quickly replied with a blushing emoji. After which, she sent another message: [Remember to reserve a seat for tomorrow's Barbecue.]

He had sent her such a sentimental and emotional message. Shouldn't she be concerned about him? Why was she thinking about her barbecued meat instead?

Lin jiage rubbed his heart with a hint of sadness. He wanted to be alone, so he decided to ignore everyone for the time being.

Ding Dong.

Shi Yao: "Around 6:30 pm. I'm too early, so I might not be able to make it."

Lin jiage replied swiftly, "Alright. I'll call the barbecued meat shop to make a reservation as soon as I start work tomorrow."

..

The next day, Lin Jiage wasn't woken up by his alarm, but by Shi Yao's phone call.

He was still in a daze from his sleep, so he picked up the call and called out, "Yaoyao!" Before sitting up and leaning against the headboard, he asked, "What's Wrong?"

"Um, Lin jiage, there's something I need to tell you... Grandpa Lin is here to see me..."

Grandpa Lin, Grandpa Lin... Lin Jiage thought back to the matter that he had asked Lin Jiayi to help him with last night, and he immediately sobered up. "What did Grandpa Say to You?"

"Un..." Shi Yao seemed to be trying to organize her words, so she fell silent for a moment, after which, she spoke up, "The thing is, before I could wake up this morning, I received a call from Grandpa Lin. He said that he was on his way back to school to see me, and he asked if I had time to have breakfast with him..."

"I definitely said that he did. After we booked the place, I hung up the phone, washed my face, and brushed my teeth before heading over to look for Grandpa Lin."

"As soon as Grandpa Lin saw me, he asked me..."

At this point, Shi Yao suddenly stopped.

Chapter 818: Raising A Son For Someone Else (2)

Lin jiage, who was waiting for the next part of the conversation, couldn't help but ask, "What did Grandpa Ask You?"

"Ask me, Ask Me..." Shi Yao stammered on the other end of the phone for quite some time before finally replying softly, "... ask me if you and I have..."

Lin Jiage wasn't able to react for quite some time. First, he replied with a confused "Hm?" Before replying with an "OH". In contrast to Shi Yao's embarrassment, he was much calmer and more composed, "How did you reply to Grandpa?"

"I just told him honestly that I didn't... After hearing those words, Grandpa Lin was overjoyed, and he heaved a long sigh of relief. He told me that it was fine as long as I didn't. After that, Grandpa Lin Sternly told me that I didn't want to be together with you! "I definitely didn't want to listen to Grandpa Lin, so I asked him why, but Grandpa Lin refused to tell me. After that, I told him that I only wanted to be together with you, and Grandpa Lin started scolding you. He said that you're a bastard, and he told me not to marry anyone else..."

"..."Lin Jiage expressed that he didn't want to say anything else. It was clear at a glance who his biological son was.

Shi Yao was probably the Lin family's biological daughter, and he... was probably picked up by the roadside..

"I definitely don't want to listen to Grandpa Lin, but Grandpa Lin has always doted on me. I thought that as long as I acted coquettishly, Grandpa Lin would definitely listen to me. In the end, the more I acted coquettishly, the Sadder Grandpa Lin became. In the end, Grandpa Lin told me that if I were to be with you, I would suffer a lot, and I would even have to raise a son for someone else... I was still wondering why Grandpa Lin would say that, so I asked him about it in detail. It was only then that I realized that Grandpa Lin was referring to the story that you made up back then. After which, I helped you clarify it..."at this point, Shi Yao's tone suddenly turned light and smug, his tone suddenly turned light and smug, "I told Grandpa Lin that you were lying to him. When you were with me that night, there was no pregnant girl. The only reason you did that was to set me free..."

Hearing those words, a chill ran down Lin Jiage's spine.

He had intended to let his grandfather know that he was with soft bun, so that his grandfather, who had blocked his phone, would take the initiative to look for him, so that he could tell his grandfather that he had found out the truth and that it was a blunder that night.., he didn't have any relations with that girl at all. That girl had only lied to him because she was dreaming of becoming a Phoenix... but now, everything was over.., soft Bun had told him everything... perhaps his grandfather was even angrier now?

On the other end of the line, Shi Yao waited for a moment, but before she could hear Lin Jiage's voice, she spoke up once more, "Lin Jiage, wasn't I the best? I even helped you clear your name in front of Grandpa Lin!"

Lin Jiage endured the pain in his heart, and as much as he could deny it, he replied, "That's great! You're the best!"

"Hehehe..."Shi Yao, who had just been praised, burst into laughter on the other end of the line.

Hearing her laughter, Lin Jiage felt like crying.

"Well, I'm about to go to class soon, so I won't talk to you anymore..."

After saying those words, Shi Yao hung up the phone probably because she was in a hurry.

A moment later, Lin Jiage received a message from Shi Yao: [right, I forgot to tell you. Before Grandpa Lin left, he said that he wanted to visit you...]

Lin Jiage's heart trembled, and in the next second, he leaped out of bed and prepared to leave.

Chapter 819: The Older The Wiser (1)

Lin Jiage's heart trembled, and in the next second, he leaped out of bed, preparing to flee.

However, just as he was about to reach the door after putting on his clothes, he suddenly heard a series of knocking sounds.

It Can't be that Grandpa is already here, right?

Just as this thought flashed through Lin Jiage's mind, he heard his Grandpa's booming voice coming from the corridor, "Brat, open the door for me!"

Lin Jiage's hands trembled, and the shoes he had just taken out from the shoe cabinet fell to the ground with a 'Pa Cha'sound.

"Open the door, Brat! Open the door for me!"

There was no way to get through the door... otherwise, he might as well pretend to be dead, giving his grandfather the impression that he wasn't at home at all. At the very least, he would have to leave sooner or later..

With this thought in mind, Lin Jiage stood up straight and prepared to return to his bedroom. He put on a silencer and went back to sleep.

"Brat, stop playing dead in there. I know you're in there. Before I went upstairs, I went to your security department to check the footage. I found out that you haven't left the room since you came in last night..."

Lin Jiage's originally leisurely footsteps nearly caused him to fall to his knees.

The Heck, what else could he say?

Even This? Grandpa came prepared... all he could say was that the older the wiser..

"Brat, I'm going to count to three. If you don't come out soon, I'll resort to unconventional means!"

Lin Jiage rubbed his trembling eardrums, and in the next moment, he rushed to the window.

Opening the window, he looked down... the 21st floor. Even before he jumped, he was already feeling a little dizzy..

This was not the Lin family's old residence. It was not a big deal to jump down from the second floor. If he jumped down from the 20th floor, soft bun would probably be widowed..

"One, two, three..." Old Master Lin had already counted three times outside the door. Seeing that the door was still not open, he slapped it hard again. "Rascal, don't challenge my limits. I'll count to three. If you don't open the door, don't blame me for being impolite..."

From the Retired Emperor's voice, it seemed like he was on the verge of losing his temper... if he were to really anger the old man, his ending wouldn't be that he wouldn't be able to return home, but that he would be removed from the family tree..

However, given the current situation, if he were to open the door, he would definitely be beaten up... he had to think of a way to protect himself..

Lin Jiage gnawed on his fingers, and in the next moment, he took out his phone.

At this moment, the only person who could save him was soft bun. However, Soft Bun was in class, so how was he going to get her here?

He couldn't possibly send her a message saying 'save me'. That would be too... tarnishing his status and dignity!

In just three short seconds., lin Jiage sent a message to Shi Yao via wechat: [Secretary Zhang, I'm afraid that I won't be able to hold a meeting today. I have diarrhea, and I'm lying weakly on my bed, unable to move at all. Just tell the vice president that I have something important to do today, and he can do it for me...]

After sending the message, Lin Jiage ignored the words 'one, two, three'that old Mister Lin was shouting outside the door, and his eyes were glued to his phone screen.

It wasn't until the words 'the other party is currently typing'appeared above that Lin Jiage realized that Shi Yao had seen the message. Thus, as if he had sent the wrong message, he swiftly retracted the message he had just sent.

The next moment, Shi Yao's message appeared on the screen: [why did you suddenly have diarrhea?]

Chapter 820: The Older The Wiser (2)

Perhaps it was because he was ignoring her, but she quickly sent him another message.

[Lin Jiage, are you alright?]

[did something happen to you? Don't scare me, Lin Jiage?]

Following which, a call came in.

It was Shi Yao.

Of course, he wouldn't pick up the call. How could soft bun rush over after picking up the call..

The phone vibrated in his palm for a moment before it finally quieted down. Following which, he received a message from Shi Yao: [I'm going to ask for a leave of absence from my teacher. I'll come over to see you. You have to be well...]

You have to be well..

Looking at Shi Yao's last message, Lin Jiage's heart suddenly felt sweet.

His Soft Bun was just that considerate!

“You Brat, you’ve grown wings, haven’t you? Alright then, since you’re unwilling to open the door, fine then, don’t open it anymore...”

Old Mister Lin was already on the verge of exploding, “Auntie Sun!”

“Old mister, calm down, calm down. Perhaps, the young master really isn’t at home...”

“If he’s not at home, where is he? He didn’t go out at all. Could it be that he grew wings and flew out of the Window? !” Old Mister Lin roared at Auntie Sun, he knocked on the door a few more times, “This brat, does he really think that I can’t treat him? Mrs. Sun, call me and get someone to come over and weld this door shut for me. If he wants to stay inside, then let him stay inside for the rest of his life!”

“It can’t be done, Mr. Lin...”

“Why can’t It Be Done? What can’t It Be Done? I don’t even think that my grandson can’t do it, so what can you do about it? “Let me tell you, Auntie Sun, if you don’t make a call, I’ll pry this door open and weld you together with him inside...”

“Old mister, calm down. I’ll make a call right now, I’ll make a call right now...”

Following which, the sound of Auntie Sun making a call came from outside the door.

Lin Jiage knew that if his grandfather really got angry, he would really weld him to death in this house.

Of course, it was impossible for him to weld him to death for the rest of his life, but it was still possible for him to be locked up for three to five days..

There was no way he would allow his grandfather to trap him here to death, but he didn’t immediately open the door.

After all, it would take some time for soft bun to rush over... and Auntie Sun would also need some time to call the person over... he could still wait for a while..

Pretending not to hear the commotion outside, Lin Jiage returned to his bedroom and lay down for a moment. He estimated that soft bun would be arriving in about ten minutes or so, and only then did he slowly get up and walk into the bathroom, he scratched his head in the mirror and rubbed his eyelids. After making sure that he looked as if he had just woken up, he dragged his slippers and walked toward the door.

Even though he knew who was outside the door, he still pretended to be oblivious and asked, “Who is it?”

“It’s me.”

“Grandpa, why are you here...” as Lin Jiage spoke, he took a step back, stretched out his arm, and opened the door.

By the time the door was pushed open by Mr. Lin from the outside, Lin Jiage, who had already taken a step back, hurriedly took another step back to avoid Mr. Lin’s walking stick.

It was fortunate that he had been pummeled so many times when he was young... he had gained some experience from being pummeled. If the walking stick really came down on him, his head would definitely be wounded..

While Lin Jiage rejoiced, he pretended as if nothing had happened, with a bright smile, he turned to elder Lin and said, "Grandpa, why didn't you tell me that you were coming over so that I could have someone prepare breakfast for you..."
