

Chapter 821: If It Were To Be Written Into A Novel, No One Would Even Read It (1)

After knocking on the door for so long, Old Mister Lin completely ignored Lin Jiage. Seeing that he had managed to dodge the first strike of his walking stick, he mercilessly swung it a second time.

Lin jiage swiftly dodged it, "Grandpa, What's Wrong With You? Why are you so angry..."

Without a word, old Mister Lin chased after Lin jiage with his walking stick.

Lin jiage fled in all directions, "Grandpa, you're already so old, yet you're still acting like this... aren't you afraid that you might hurt your waist... Auntie Sun, why are you standing there? Hurry up and get Grandpa a glass of water..."

Auntie Sun Sighed and walked toward the kitchen.

"Don't pour it!" Old Mister Lin roared furiously.

Auntie Sun could only stop.

"Grandpa, I asked Auntie Sun to get you some water. Why Don't you even want to pour yourself some water..." seeing the walking stick flying toward him, Lin Jiage hurriedly hid behind Auntie Sun.

"Young Master, you should apologize to old Mister First. Let me tell you, no one can protect you. I just secretly made a call to Madam and Mister for you, and she said that if old Mister wants to call you, you should call him. It's just that she hasn't called him yet, and he was right, right, right. His wife was right, and he hung up on me. I also called my cousin, Missy, and uncle, and they said that they weren't in Beijing. As for Missy, she said that she was too busy earning money to pay attention to you... So, young master, you should think of a way to apologize to old Mister First..."

"It's not that I don't admit my mistake. I don't know what's wrong with me, but right after I woke up, Grandpa came to beat me up..." Lin Jiage said as he tried to avoid elder Lin, at the same time, he said as innocently as he could, "Grandpa, even if you want to punish me, you have to give me a reason. You Can't just barge into my house and beat me up without any reason..."

He wanted to stall for time. As long as he could stall for time, he would be safe and sound.

"Alright, since you want a reason, I'll give you one then..."

In the end, Old Mister Lin was old, and he wasn't as young as Lin Jiage. After chasing him for a while, he began huffing and puffing.

Auntie Sun hurriedly stepped forward and patted old Mister Lin's back, "Old Mister, do you think you have to be so angry?"

When Old Mister Lin's anger finally subsided, he angrily yelled at auntie sun, "You'll know how infuriating it will be when you have such a scoundrel as your grandson!" Following which, he pointed his walking stick at Lin jiage and said furiously, "Let me ask you, why didn't you open the door for me after I knocked on it for so long?"

You must be pretending to be innocent at this moment... thinking about this, Lin Jiage's eyes suddenly widened in shock as he said, "I was sleeping, I didn't hear you..."

"Hehe..." Old Mister Lin sneered coldly, "I'll settle this score for you later. I'll settle the big one for you first... let me ask you, where's your little lover with a big belly?!"

"This... Grandpa, I was thinking of finding a time to go home and apologize to you..."

"Heh, don't be so glib with your words and apologize to me. I'm afraid that you'll go to heaven! You Dare to lie to me! You even got drunk and accidentally slept with a woman and got her pregnant... why don't you go write a novel... with your bullshit story, no one would even read it... If I wasn't worried that Yaoyao would be deceived by you, I would have run to Yaoyao early in the morning and told her to stay away from you. I didn't know that all this time, I was kept in the dark by you..."

Chapter 822: If It Were To Be Written Into A Novel, No One Would Even Read It (2)

It would have been fine if old Mister Lin hadn't mentioned it, but the moment he brought it up, he immediately recalled how he had thought that Lin Jiage had really committed a foolish act, how he had been angry at him for failing to live up to his expectations, and how he had been in a bad mood because he had no choice but to let Shi Yao go.

During that period of time, he could be said to have been unable to eat properly or sleep, and he couldn't help but sigh all the time. Thinking back to how his favorite granddaughter-in-law, whom he was about to get his hands on, was gone just like that.., his blood pressure was slowly rising..

He really liked Shi Yao. He had started from scratch at a young age, and he had seen too many people. Even though he didn't dare to say that he had sharp eyes, he could tell who was a good child and who was a bad child. For example, his neighbor Liang Mumu.., he had always felt that he wasn't that well-behaved.

And Shi Yao really treated him well. In the past, he could still get Shi Yao to visit him, but now that his grandson had caused such a scandal, he didn't even have the face to see Shi Yao... just a few days ago, when he was fishing with someone.., when he heard someone say the word 'Yao', his heart nearly burst into tears at the thought of Shi Yao. There were even one or two times when he missed Shi Yao so much that he even sneaked over to G University to secretly see Shi Yao..

But in the end?

All of this was a ploy created by that scoundrel!

There was no such thing as a little lover who was about to soar to the top of a tree and become a phoenix, and there was no such thing as a big belly!

Even if he had no choice but to do so in order to pursue Shi Yao, he could still tell him... as his grandfather, he was so in love with Yaoyao that he would definitely help him..

It would have been fine if he hadn't thought about it, but with that thought in mind, Old Mister Lin didn't even want to give Lin Jiage a reason anymore. All he wanted to do was to give him a good beating with his walking stick.

With that thought in mind, Old Mister Lin did just that. He took a few steps forward and smashed his walking stick onto Lin Jiage's body.

However, before his walking stick could land on the ground, a 'di –' sound suddenly sounded from the door not too far away. Following which, the door was pushed open, "Lin Jiage..."

Hearing Shi Yao's voice, Lin Jiage knew that he was completely safe now. Without even bothering to dodge, he raised his head and whispered to old Mister Lin's walking stick, "Grandpa, Yaoyao is here..."

It was as if old Mister Lin's acupoints had been struck. His walking stick was raised in midair, and he couldn't move at all.

"Lin Jiage..." worried about Lin Jiage, Shi Yao changed into her slippers and ran into the room. When she saw Old Mister Lin, Lin Jiage, and Auntie Sun..., she suddenly stopped in her tracks, "Grandpa Lin, Auntie Sun... You're here too..."

After greeting them, Shi Yao's gaze fell on old Mister Lin's walking stick. "Grandpa Lin, what are you doing?"

The fuming old Mister Lin immediately took a deep breath after hearing Shi Yao's words, and the expression on his face immediately changed to a beaming smile. "Me..."

As he spoke, Old Mister Lin spun his walking stick around in a circle as though he had just sliced a watermelon. "... I'm practicing tai chi... I was too tired from the car ride just now, and my waist isn't feeling too good..."

"Oh, I see..." without any hesitation, Shi Yao took two steps forward, "... Then Grandpa, please take a seat first. I'll massage your waist for you. You're getting on in years, and your body isn't feeling too good right now. Please don't be like this..."

"Yaoyao is still the most considerate and sensible one..." old Mister Lin was instantly cheered up by Shi Yao's words. He glared at Lin Jiage fiercely before sitting down on the sofa, he patted the seat beside him and said, "Grandpa doesn't feel too bad anymore. Yaoyao, come over here and chat with Grandpa for a while."

Chapter 823: Acupuncture Treatment (1)

Lin Jiage watched as Shi Yao walked past him after hearing his grandfather's words. After which, she sat down and began chatting with his grandfather, "???"

Isn't Soft Bun here to visit me? Why... doesn't she care about me at all?

Lin Jiage took a step forward, allowing himself to appear before Shi Yao.

One minute passed, two minutes passed, three minutes passed... Yet, Shi Yao still ignored him..

Lin Jiage's eyes darted around, and the next second, he clutched his stomach and let out a stifled groan.

Old Mister Lin and Shi Yao turned their heads in unison.

Old Mister Lin was still a little worried when he saw Lin Jiage's expression, so he asked, "What's Wrong?"

Shi Yao immediately snapped back to her senses and replied, "Oh, I forgot... Lin Jiage sent me a wechat message this morning saying that he had a stomachache and couldn't go to the office. However, he said that he was secretary Zhang, so he must have sent the wrong message. He ignored me when I sent him a message, so I was worried about him, so I came over to check on him..."

Old Mister Lin was extremely intelligent. With Shi Yao's simple explanation, he immediately realized that all of this was Lin Jiage's doing.

He had specially tricked Yaoyao into coming over to help him..

Old Mister Lin's worried gaze turned into a chilling killing intent.

Completely oblivious to the problem with her words, Shi Yao rummaged through her bag for some medicine, she ran over to Lin Jiage's side and asked, "Lin Jiage, how are you feeling right now? Are you still in pain? Do you want me to accompany you to the hospital for a Checkup?"

Lin Jiage avoided his grandfather's gaze and tried his best to smile gently at Shi Yao, who had caused him so much trouble, "I'm fine. I'm much better now..."

His smile was too forced, and Shi Yao thought that he was feeling unwell, so she became even more worried about him. "I feel that you're not feeling too well. Let's go to the hospital..."

"There's no need, there's really no need..." after a brief pause, Lin Jiage intentionally added, "I'm just feeling a little weak, and I want to sleep..."

"Then let me help you to your bedroom..." Shi Yao thought, she turned to old Mister Lin and said, "Grandpa Lin, since Jiage is already in such a state, there's no way he'll be able to accompany you today. Why Don't you and Auntie Sun Go home first? We'll have him visit you another day..."

Of course, Old Mister Lin knew that Lin Jiage was intentionally telling him to sleep so that Shi Yao could tell him to go home first.

But in front of Shi Yao, he really couldn't vent his anger. He could only smile and say, "Alright, Alright. Yaoyao, take care of him. I'll be going home first."

Shi Yao helped Lin Jiage to his bedroom before sending old Mister Lin off.

After saying goodbye to Shi Yao with a smile, elder Lin stepped into the elevator, his face immediately turned so cold that it felt like water was dripping from it, "No, absolutely not! I can't allow this brat to play me like this, and I'm still unmoved!"

"Elder, don't you like Miss Shi the most? You should be happy that Miss Shi is back..."

"I am happy, but I can't let him off..." at this point, old Sir Lin's eyes suddenly lit up. "... I know how to treat him..."

"How?" Nanny Sun was curious.

"Use a needle to treat him."

"Old Sir, that won't do. You're Not Nanny Rong."

“What are you thinking? Whoever wants to use a needle to stab him, I want to use a needle to stab a condom.”

Nanny Sun didn't know what to say.”...”

Old Mister Lin, on the other hand, felt that this idea of his couldn't be any better. “If Yaoyao is pregnant, then he can't do anything bad for ten months. I still have a great-grandson to carry. This method is killing two birds with one stone!”

Chapter 824: Acupuncture Treatment (2)

Everyone in the Lin family had a high IQ. If she had to say who had the highest IQ, she wouldn't be able to say it out loud. However, old master Lin definitely had the most devious ideas. He even said that the young master had sinned, he probably inherited it from Old Master Lin, right?

Of course, Nanny Sun only dared to think but didn't dare to say it out loud.”...”

Old Master Lin was still immersed in his own scheme and was extremely happy. “If Yaoyao is going to be pregnant, I have to bring her to the old residence to live. Nanny Sun, you've taken care of a few babies. You have experience. When the time comes, I'll have to trouble you...”

This was not even the beginning. wasn't old mister too impatient... Auntie Sun thought so in her heart, but she replied, “Old mister, there's no problem.”

“With you taking care of me, I can be at ease. I want to make the second-floor house into a nursery. I have to clean it up early. No matter how good the materials are, there will inevitably be formaldehyde. Auntie Sun, call the renovation company to come over this afternoon...”

It was like rain in the wind... Auntie Sun: “Yes.”

“If she's pregnant, she definitely has to give Yaoyao a title. The wedding has to continue. Oh, it has to be better than before. There's still the child. The matter of naming it has to continue. Auntie Sun, go home and find the Xinhua dictionary that I asked you to hide for me... Oh, OH, also, we have to contact the maternity hospital and find the best doctor...”

Auntie Sun couldn't take it anymore. “Old Sir, it's too early for you to think about this.”

“How is it too early? How is it too early?” Old Sir Lin was unhappy.

Auntie sun said, “Think about it. Your Plan hasn't even been implemented yet, and you're already starting to make arrangements here like Miss Shi is already pregnant. Isn't it too early?”

It seemed to be the case... But Old Sir Lin was still unhappy. Auntie Sun poured a bucket of cold water on him. “What Miss Shi? That's the Little Missus!”

“Right, right, right, little madam...” Auntie Sun understood old Mister Lin very well, and she knew that he had already returned to reality from his imagination. Thus, she went along with old Mister Lin's words, after which, she tossed out another difficult question,”... Furthermore, old mister, Shi Xiao... No, little madam is only a sophomore now, and she's still young. It's not appropriate for you to get her pregnant right now, is it? It's not good for her health either...”

“Yes, yes, yes...” Old Sir Lin might not mind mentioning others, but he really couldn’t bear to mention Shi Yao.

Seeing that his great-grandson was about to fly away as well, old Sir Lin immediately became listless like a frosted eggplant, “... I was too rash.”

However, it only lasted for three seconds, old Mister Lin’s eyes suddenly lit up, “You’re right, but you’re not entirely right either. Yaoyao can’t get pregnant right now, but she can after graduating from university... Lin Jiage definitely won’t have a child until he’s thirty. As long as I don’t go according to his wishes, he’ll feel suffocated. Un... I’ve been waiting for my great-grandson ever since he was born, and it’s been more than twenty years now. I don’t care if I have to wait another two years. It’s settled then. In two years, I’ll give Lin Jiage a bomb... Hehe, a bomb. That’s a pretty good name. How about this is my Great-grandson’s nickname?”

Auntie Sun couldn’t bear to look at Old Mister Lin, who was laughing so hard that his teeth were about to fall out, “...” Old Mister Lin was a man of his word. It seemed like little young master wouldn’t be able to escape the fate of becoming a father soon..

Little Theater of the mid-autumn Festival:

Ye Feiye: What kind of Mooncakes would you like to eat for the mid-autumn Festival today?

Shi Yao counted with her fingers, with a serious expression on her face, she said, “Osmanthus, plum, Wuren, Dousha, Rose, Lotus, rock candy, white fruit, minced meat, black sesame, ham, egg yolk... can I have two of each? Oh... No... three?”

Lin Jiage: “Shi Yao.”

Ye Feiye: “You’re too cruel to me, I Won’t give you any!”

Ye feiye: “Dear readers, what kind of cake would you like to eat?”

Non-student party readers: “Dog Food Cake.”

Student party readers: “Homework cake.”

Chapter 825: If You Refuse A Toast, You’ll Have To Do It The Hard Way (1)

..

After sending off Old Mister Lin and Auntie Sun, Shi Yao headed to the dining room to get a glass of warm water before returning to Lin Jiage’s bedroom.

Walking over to the bed, she put down the glass of water and asked Lin Jiage, who was lying on the bed, in a soft voice, “How are you feeling right now? Why did you suddenly have diarrhea? Did you throw up?”

As she spoke, Shi Yao covered Lin Jiage with a blanket.

Lin Jiage was deeply enjoying Shi Yao's concern for him, but he knew that he had to put on an act. Even if he wanted to recover, he wouldn't be able to do so right away. Thus, he pretended to feel a little uncomfortable, lying on the bed, he clutched his stomach and shook his head at Shi Yao, as if he didn't even have the strength to speak.

Shi Yao raised her hand and touched Lin Jiage's forehead, "I don't have a fever either. It's a good thing that it's not food poisoning..."

After saying those words, Shi Yao turned around, took a cup of hot water, and passed it to Lin Jiage.

After taking it, Lin Jiage thanked her and was just about to compliment Shi Yao.

But before he could finish his words, Shi Yao took out a medicine box, tore open the packaging, and counted a few pills from it before passing it to him, "Take these pills and take a nap. You'll be fine..."

Take... Take the pills?

Staring at the few pills in Shi Yao's fair and tender palm, Lin Jiage subconsciously shook his head.

Only a fool would take pills if he wasn't sick! Besides, he wasn't a fool..

Shi Yao didn't know what Lin Jiage was thinking, but she assumed that he didn't think that there was a problem with the pills, so she thought that he should take them instead. "This won't do. I still have to take the pills. How can I be fine if I don't take the pills? Hurry up, open your mouth..."

Lin Jiage shut his mouth even tighter.

Shi Yao frowned slightly, and it was only then that she realized that it wasn't that Lin Jiage was fine and didn't need to take the medicine, it was that he didn't need to take the medicine, thus, she began coaxing him in a soft voice, "Lin Jiage, it's not right to avoid medicine. You're no longer a child, you can't be so willful. I'll feed you, Ah, open your mouth..."

Lin Jiage still didn't open his mouth.

The frown on Shi Yao's face deepened.

If not for today, she wouldn't have realized how troublesome it was for him to take medicine... the last time he fell ill, he was in a coma, and she was the one who poured the medicine into his mouth..

With this thought in mind, Shi Yao said, "Lin Jiage, if you still refuse to take the medicine, I'll have to use another method..."

"Yaoyao, I'm fine..."

She had already used the reasonable, the soft, and the hard, but she still refused to take the medicine... in that case, she could only use the unreasonable method..

Shi Yao couldn't be bothered to waste any more time with Lin Jiage over the medicine. Before Lin Jiage could finish his words, she raised her hand and stuffed the medicine into her mouth. Then, she took the hand that was holding the medicine earlier.., she reached her hand to Lin Jiage's chin, grabbed his chin, lowered her head, and covered his lips. Using her tongue, she pried open his mouth and pushed the medicine into his mouth. After which, she snatched the cup of water from his hand and poured a

mouthful into her mouth, she sealed his lips once more and slowly poured the water into his mouth. Finally, she lifted the hand that was pinching his chin, allowing the medicine to flow into his stomach along with the water in his mouth.

Shi Yao's series of actions were executed in one go, not giving Lin Jiage any chance to react at all.

After she was done feeding him the medicine, she placed the cup on the coffee table beside her and looked down at the dumbfounded Lin Jiage on the bed. She said, "If you refuse a toast, you'll have to do it the hard way..."

Lin Jiage blinked a few times before blinking again.

Chapter 826: If You Refuse A Toast, You'll Have To Do It The Hard Way (2)

Lin Jiage blinked his eyes once more.

Refusing a toast only to be forced to drink a forfeit?

If this was how he was forced to drink a forfeit, he would rather be forced to drink a forfeit every single day!

Seeing how Lin Jiage kept blinking his eyes without resting, Shi Yao frowned, "If you're not feeling well, why don't you sleep a little longer..."

Lin Jiage, who was still immersed in the previous scene, didn't react at all.

Why is the Sick Lin Jiage so disobedient?

Shi Yao frowned once more before impatiently raising her hand to close Lin Jiage's eyes.

Lin Jiage's eyelids twitched, and just as he was about to open them, Shi Yao gave him a warning. After which, he closed his eyes once more.

Could it be that he was prone to being abused? Why didn't he show any signs of displeasure at all after Shi Yao gave him a drink as a punishment and a warning? On the contrary, he was so happy that he felt like he was going to soar into the sky..

He decided to follow Soft Bun's instructions and rest first. When he woke up, he would definitely tell 501 and the other two singles that he had eaten the most delicious drink in the world today — Shi Yao's drink as a punishment.

Sigh, it was just a while ago that only a fool would take medicine if he wasn't sick. In the end, not long after, he took the medicine even though he wasn't sick. Didn't that make him a fool? Forget it, forget it. Even if I'm a fool, I'm still... a fool that Shi Yao gave me to drink as punishment..

..

Lin Jiage was woken up from his dream by Shi Yao's phone call, so he really didn't have enough sleep. Now that he was lying down with his eyes closed for a while, he finally felt sleepy and went back to sleep.

Shi Yao was woken up by Old Mister Lin early in the morning, so she didn't have enough sleep to begin with. However, after Lin Jiage fell into a deep sleep, she felt as if she had been infected, and she felt extremely sleepy as well. She was originally leaning on the sofa playing with her phone, but.., in the end, she couldn't hold back her sleepiness, so she hugged a pillow and fell into a deep sleep.

However, Shi Yao was in a half-lying position, so she didn't feel well after sleeping for too long. Thus, it didn't take long before she woke up.

Lin Jiage was still asleep, so she didn't disturb him. She turned around her neck, which was aching due to her uncomfortable position, and took out her phone to check the time.

She had slept for quite some time, and before she knew it, it was already noon..

Shi Yao picked up her phone and ordered some takeout before standing up and leaving Lin Jiage's bedroom.

Shi Yao wanted to fetch some water from the dining room, but before she could reach the entrance of the dining room, she received a call from he tiantian.

Afraid that her voice would wake Lin Jiage up, Shi Yao retreated to the bedroom and closed the door behind her. After which, she ran to the floor-to-ceiling window far away from the bedroom and answered the call.

"What's wrong, Tiantian?"

The other side of the phone fell silent.

Shi Yao was stunned for a moment, but she could vaguely feel that something had happened. Thus, she spoke up once more, and her tone wasn't as relaxed and cheerful as before. "What's Wrong?"

"That..."he tiantian finally spoke up," ... Jiang Yue and I are here to confess to your crime..."

After he Tiantian finished speaking.., jiang Yue's voice sounded from the other end of the line, "That's right, Yaoyao. I'm sorry. I've already discussed it with Tiantian, and we've decided that for the next month, I'll take care of your potato chips and your yoghurt!"

The first thing she did was apologize with potato chips and yoghurt... without even asking what happened, shi yao happily replied, "Alright, I accept your apology."

After which, she asked, "Alright, can you tell me what happened now?"

"It's like this..."hearing that Shi Yao had forgiven him, he tiantian finally began to get to the point.

Chapter 827: Spies Sent By The Enemy (1)

"It's like this..."hearing that Shi Yao had forgiven him, he tiantian finally began to get to the main point.

"... didn't you ask for a leave of absence for your Highness's class this morning? In any case, you should know that it's normal for me to be absent from class..."

The Empress was the teacher of their class. Her real name was Feng Jing, and at first, everyone in the class quietly called her 'Liang Liang', but later on, she became the empress.

“... Last Night, I watched a video and didn't sleep enough. In the morning, I took a nap, and when I woke up, I was bored, so I secretly looked at my phone. Then, I went to the school forum and saw a post about you...”

He Tiantian stopped at this point, and the next person to speak was Jiang Yue.

“That post was posted last night. When I watched it with Tiantian in class, it was already the hottest post. In the post was your account for the game “Jedi Survival”, and there were also some videos of you participating in the competition recently... and the content of the main post was very hateful...”

All of a sudden, he tiantian furiously interjected, “It's more than that, it's more than that. Yaoyao, do you know that the person who posted the post said that in order to participate in the competition and earn the prize money, you had to latch onto the thigh of the second-ranked god of the game server. He even took away the photo of you and the second-ranked God as a couple, saying that you were having an affair with the second-ranked god. In any case, it was just an unsightly comment... furthermore, their analysis seemed to make a lot of sense, and many students in G University believed it as well, spreading rumors that you cheated on Lin Jiage...”

Hearing those words, Shi Yao couldn't help but feel embarrassed.

This scene seemed a little familiar to her. The semester had just started, and when she was staying at Lin Jiage's house, someone had taken a photo of her, and it was also rumored that she was being kept by a middle-aged man, furthermore, they even said that she had cheated on Lin Jiage..

Just what was going on in the current society? No matter how many times one tried to refute the topic of attacking women, it was impossible to escape these kinds of excuses. If a woman's work was outstanding, she would have to sleep with her boss; if a woman looked like she was rich, people would say that she was a mistress; if a woman looked beautiful.., that would definitely mean that she had undergone plastic surgery... in short, no matter how outstanding a woman was, as long as she used her private life to attack her, it was as if she could trample on her to the point that she was worthless.

At this thought, Shi Yao couldn't help but console he tiantian and Jiang Yue on the other end of the line, “Don't be angry. They're right. I did have an affair with that God ranked second on the leaderboard...”

“Yaoyao, how can you still be in the mood to joke around at a time like this? Listen to us first... This is only about the few matches you participated in in the beginning. Didn't your statistics in some of the matches you participated in later on seem to be passable? They said that it was impossible for you to achieve such an incredible breakthrough in such a short period of time, and they even said that the girls who played this game were all amateurs. They said that in order to get the prize money, you spent money to find someone to substitute for you in the following matches...”

Er... This seemed a little too much..

It was true that her skills weren't that good at the start, and she was just lying on the bed. But later on, in order not to implicate Lin Jiage and the others, she had secretly put in a lot of effort into tutoring them..

Shi Yao pursed her lips, but she didn't say a word.

Jiang Yue: "We know that you were the one who played the game, so we couldn't help but be infuriated by their sarcasm!"

Chapter 828: Spies Sent By The Enemy (2)

He Tiantian: "So, Jiang Yue and I registered an alternate account and argued with them... and then..."

The two of them fell silent.

Shi Yao's heart skipped a beat, and she felt as if she had been scammed by her teammates.

She took a deep breath and calmed herself down. "Go ahead, I can take it."

Jiang Yue: "Alright, but let's make it clear first. Yaoyao, you said that you would choose to forgive us, so you can't go back on your words..."

He Tiantian: "... and then, Jiang Yue and I quarreled with that poster. You Don't know how stupid that poster is. He, he, he told me and Yueyue not to brag. If you're really that good, you'll have to participate in the school's Game Club's school competition in a few days to prove yourself... he even said that if you participate, you'll either end up in a box or be beaten to death with a fist. All in all, it's a very disdainful tone. Then, I, I, I can't take it anymore, so, so, so..."

He Tiantian stammered for a long time before finally coming to the main point, "... If you want to participate, just do it. Tell him to wait!"

Shi Yao was still rather calm about this matter. Wasn't it just a competition? In any case, she had already participated in many competitions..

However, based on her understanding of He Tiantian and Jiang Yue, she felt that things weren't that simple. Otherwise, they wouldn't be so generous as to offer her a month's worth of potato chips and yogurt.

Thus, Shi Yao waited for a moment. Seeing that the two people on the other end of the line weren't speaking, she asked, "Are you sure that's all you have to say?"

Jiang Yue chuckled, "Of course I'm not sure..."

Even through the phone, Shi Yao could feel Jiang Yue's lackeys, "Then, please finish your words in one breath!"

He Tiantian: "Alright, I'll finish it in one breath. That poster said, 'alright, he's waiting to see how you'll die tragically in the game.' after that, I angrily started scolding Jiang Yue. I'll make it clear first that Jiang Yue was the one who spoke first. Jiang Yue said that she won't stop until you beat him up until he calls you daddy! "The poster said that as long as you can kill someone, he'll submit to you. However, I felt that he was being too arrogant, so I replied by saying, 'one person, don't look down on others. Kill at least ten of them...'"

She knew that these two scammers weren't simply asking her to participate in the competition!

Ten people!

From the time she had started playing the game until now, the total number of people she had killed wasn't much more than ten... where was she supposed to steal ten heads from now? !

With this thought in mind, Shi Yao couldn't help but reply, "You guys aren't spies sent by the enemy, are you?"

He tiantian: "Er... Yaoyao, we're not done yet..."

Jiang Yue: "That's right, Yaoyao. That poster said that if you were really able to kill ten people, he would eat SH * t in front of the entire school. After which, I was provoked by him and said that if you weren't able to kill ten people, you would eat SH * t in front of the entire school..."

Shi Yao:"!!!!"

Shi Yao: "Let me tell you, I definitely won't be able to kill ten people. Whoever posted that message will eat SH * t in front of the entire school!"

He tiantian: "Yaoyao, it's too late, it's too late. Jiang Yue and I have already used your name to post a battle on the forums. Even if Jiang Yue and I want to eat SH * t in your place, it's useless."

Jiang Yue: "Yaoyao, Tiantian and I were wrong. Nuannuan is now punishing us to reflect on our mistakes. I'm really sorry. If you feel that potato chips and yogurt are not enough for a month, we'll cover it for two months. If two months is not enough, then three months. But you might really have to eat SH * t yourself..."

Chapter 829: Watching You Get Cuckolded (1)

"..."

Shi Yao ignored Jiang Yue and he tiantian and hung up the phone.

In truth, she was well aware that Jiang Yue and he tiantian had always treated her very well. It was probably because the people on the forum had really gone overboard and angered them that they couldn't help but start arguing with them.

In this world, everyone had many friends, but there were very few people who were willing to speak up for them when they were being slandered.

It was just like how a celebrity would celebrate their birthday with countless blessings. If something were to happen to them, who would remember them?

Thus, even though Shi Yao knew that he Tiantian and Jiang Yue had acted too rashly this time around, she knew that they were acting from the bottom of their hearts, so she naturally wouldn't be angry with them. Thus, after the call ended.., shi Yao still sent a message to the wechat group: [three months of potato chips and yogurt, not a day less!]

Jiang Yue and he tiantian didn't send a message.

The one who sent a message was Leng Nuan. She sent a picture of Jiang Yue and he tiantian, one holding a water bottle while the other holding a basin facing the wall.

Looking at the picture, Shi Yao couldn't help but burst into laughter.

After ending the conversation with Leng Nuan, Shi Yao couldn't help but head over to the school forum to take a look at the details.

The poster's ID was: love begets hate.

The content of the post was similar to what Jiang Yue and he tiantian had described. They uploaded some videos of her competition to the Forum, as well as her competition data, as well as screenshots of her and Mister Numbers as lovers in the game.

However, [hate for Love]'s words were much more crude than he tiantian and Jiang Yue's.

The first thing he said was that she had been a high-ranking player for consecutive seasons, and she had been there to sleep with him. He said that she was simply shameless in order to get into the game.

Of course, there were also people who stood up to refute [hate for Love], however, they were rendered speechless by [hate for Love]'s question. "Since you don't think that Shi Yao is a sleeping partner, let me ask you this. There are so many prizes in the game, and she's such a scammer. Why would anyone want to drag her down with them?"

His question raised a lot of suspicions in the crowd.

—"That's true. No one would be willing to bring a deep hole into the tournament for no reason, right?"

—"Shi Yao already has school sweetheart Lin. Does school sweetheart Lin know why she's a couple with someone else in the game?"

—"There's nothing I can do about it. After all, she's beautiful. Beautiful girls don't need to do anything. They only need to sell their bodies to get what they want. But with all due respect, I really can't understand Shi Yao. Is there a need for her to sleep with them in a game?"

—"Do you think that Campus Belle Lin knows that Shi Yao is cheating on him?"

—"I heard that Shi Yao is having an affair with Han Jing from the art department. The One I'm talking about is the one that she slept with..."

—"So, Campus Belle Lin is really being cheated on, and not just by being cheated on?"

"..."

It was no wonder why Jiang Yue and he tiantian were so angry. Before she came to the forum, she already knew what had happened. Yet, when she looked at these posts again, she was still infuriated by their words, she also wanted to go up and argue with them.

"Yaoyao, what are you looking at?"

Lin Jiage's voice suddenly sounded from behind.

Shi Yao didn't think too much into it. Staring at her phone, she replied furiously, "I'm watching you being cuckolded..."

Lin Jiage nearly fell to the ground, "Yaoyao, this isn't a joke."

"Er..." Shi Yao was stunned by Lin Jiage's words, but it wasn't until then that she realized what she had just said in a fit of rage, she hurriedly added, "... I didn't wear the cuckolded hat for you. I wore it for you on the school forum. If you don't believe me, come and see for yourself..."

Upon hearing those words, Lin Jiage immediately realized that Shi Yao had logged onto the forum once more. Without any hesitation, he hastened his pace.

After Lin Jiage walked up to her, Shi Yao raised her phone to him and pointed at the screen while speaking in a tone filled with grievance, as if complaining, she said, "... look, they said that I slept with the second-ranked God for the sake of getting points in the game."

The second-ranked God in the entire server... wasn't That Him? So, after all this commotion, he was the one who had cheated on him?

Lin Jiage immediately calmed down.

However, the rumors on the Forum weren't true. Shi Yao did sleep with him, but she hadn't slept with him yet..

With this thought in mind, Lin Jiage asked, "Yaoyao, why don't we confirm this matter on the Forum?"

"What?" Shi Yao didn't know what to say for a moment. She raised her head and blinked her eyes at Lin Jiage. It was only then that she realized that Lin Jiage was implying that he wanted her to sleep with him..

Without any hesitation, Shi Yao grabbed a pillow and threw it into Lin Jiage's embrace, "Lin Jiage, is this the time to pay attention to this matter? What we need to pay attention to now is that they're slandering us! Slandering us!"

"Yes, yes, yes..." Lin Jiage put the pillow back into its original position and sat down before Shi Yao, pulling her into his embrace, "... those people on the forums are always slandering us. We weren't even slept with, yet they insist that we were..."

Before Lin Jiage could finish his sentence, Shi Yao suddenly spoke up, "They even said that Han Jing and I are sleeping together!"

Let's see how you're going to remain calm... with that thought in mind, Shi Yao turned her gaze to Lin Jiage.

Lin Jiage, who was still calm and composed, suddenly felt as if someone had struck him in the head with a hammer, and his expression immediately stiffened.

Three seconds later, he spoke up once more with an exceptionally furious tone, "Those people on the forum have nothing better to do than slander others. Do they even have the permission to dye someone else's hair green?"

Shi Yao was very pleased with Lin Jiage's reaction. She swiped her phone screen and showed Lin Jiage the conversation between Jiang Yue, he tiantian, and [born with Love] .

“Not only did this [born with Love] say that I slept with him, he even said that I found a substitute to fight for him. Tiantian and Jiang Yue couldn’t stand it anymore, so they quarreled with him. After that, when Tiantian and Jiang Yue were angered by him, he used my name to say that he would kill ten people to prove to them that I’m not as weak as they say!”

“Oh, I see. Then, why don’t you join the competition? I’ll help you compete then. In any case, they won’t know what’s going on offline anyway...” Lin Jiage felt that this matter was too easy to resolve, so he didn’t need to use his brain at all.

After saying those words, Lin Jiage saw that Shi Yao was still a little uneasy, so he thought that she was worried that he wouldn’t be able to defeat her. Thus, he said, “Don’t worry. Even if it’s forty heads, I’ll be able to slaughter them all for you!”

“But Tian Tian and Jiang Yue said that I’ll broadcast the match live for them...”

Lin Jiage:” ...”
