

Chapter 851: She Slept With Me A Long Time Ago (1)

As she didn't set the alarm, Shi Yao slept for a very long time. In the end, it was still Leng Nuan who woke her up. "Yaoyao, why did you take so long to answer the call? Something big has happened, something big —"

Out of the four girls in the dormitory, Leng Nuan had always been calm and collected. In Shi Yao's memory, this was the first time she had seen Leng Nuan lose her cool like this.

Shi Yao, who had just woken up from her slumber, suddenly felt a little energized. "Nuan Nuan, don't be anxious. What Happened?"

"In any case, it's a big matter. Yaoyao, where are you right now? Hurry back to school..." Leng Nuan's words., her words sounded a little disorganized,"... Yaoyao, I'm not trying to scare you. If you don't come back soon, someone might really die..."

Perhaps it was due to Leng Nuan's words that Shi Yao's heart suddenly skipped a beat, and a bad premonition arose in her heart. It was to the point that even her voice sounded a little shaky, "Nuan Nuan, is... is it Lin Jiage... did something happen?"

"That's right!"

Leng Nuan's unwavering words caused Shi Yao to suddenly panic. For a moment, she was so worried that she couldn't even speak.

"Yaoyao, in short, come to school as soon as you can..." Leng Nuan was probably aware that she was too anxious, and her words were too disorganized. Thus, she paused for a moment before continuing, "... Yaoyao, you must hurry over. You're too late. I'm really afraid that Lin Jiage will do something out of anger and kill Han Jing..."

Han Jing? Senior Han?

Shi Yao was a little confused. "Why is he related to senior Han again?"

"Lu Benlai called me just now and told me to look for you. He said that Lin Jiage was looking for Han Jing, and he looked really scary, as if he was trying to kill Han Jing... Yaoyao, can you stop talking nonsense with me? Hurry over. Lu Benlai's tone doesn't sound like he's joking. I'm really afraid that something might happen to you. On your way here, you should take a look at your school forum to understand what's going on..."

Lin Jiage is looking for Han Jing? Could it be that Lin Jiage is no longer in the company?

Shi Yao realized that the situation seemed to be really serious, so she didn't waste any more time on Leng Nuan. She hung up the phone and hurriedly ran out of the lounge.

In the office, Shi Yao didn't see Lin Jiage anywhere, so she hurriedly ran over to the secretary's office. After asking the secretary, Shi Yao found out that Lin Jiage had received a call half an hour ago, and after reading through it, his expression changed drastically, furious, he threw the documents on the floor and left..

Before Shi Yao could finish listening to the secretary's words, she left a "Thank you" behind and rushed toward the elevator.

Walking out of the office building, Shi Yao flagged down a random taxi on the side of the road and rushed toward the school.

On the way, she didn't forget to take out her phone and follow Leng Nuan's instructions to head to the school forum.

In just a few short hours, she didn't go to the school forum, and the Forum actually went into an uproar.

Shi Yao took a quick look at the two most popular posts. One of them was a post by a computer science expert, and he had dug out [hate because of Love]'s information:

Name: Han Jing.

Gender: Male.

Student ID: 20140807.

Student ID: Senior Art Department.

[game ID: Scenery].

[academic results: ...]

Shi Yao's fingers couldn't help but clench tightly onto her phone as she read through the information regarding [hate from Love] .

Hate from love... It's actually, it's actually senior han..

Chapter 852: She Slept With Me A Long Time Ago (2)

She had thought about who [love begets hate] was. She thought that it might be Liang Mumu, or it might be Qin yiran, or it might be the rice noodle restaurant near the school, she had bumped into the girl who had a good relationship with Qin yiran... but no matter how much she thought about it, she had never thought that [love begets hate] was actually Han Jing.

Hate because of love, hate because of love... did Han Jing hint this name to her?

Hate because of love... So, was Han Jing trying to drag her down with him?

Under this post that dug out [hate because of love]'s profile, there were some who were just eating melon seeds, some who were scolding Han Jing, and some who were using his name for analysis, of course, there were also quite a number of people who were forcing Han Jing to eat sh * t and apologize to her... In any case, there were many different opinions. However, Shi Yao didn't think that this post would make Lin Jiage so angry that he would run to the school to look for Han Jing, so she thought.., there might be something even scarier..

Shi Yao didn't know what she was afraid of either. Perhaps, she had really smelled trouble, and for some reason, she felt a sense of unease in her heart. She stared at the thread that had dug out Han Jing's

information for a moment before she clicked on it, after which, she clicked on another equally popular thread.

The thread's author was: love begets hate.

The topic of the thread was very simple. There were only two words: statement.

The content of the post was a little too long. After clicking on it, Shi Yao only saw the first sentence, and for some reason, she felt a little flustered. She was so flustered that she didn't dare to continue reading.

With her eyes closed, Shi Yao took a few deep breaths before turning her attention to the post.

"That's right. I'm Han Jing. I lost a bet with Shi Yao, so I admit defeat. However, there's no reason for me to refuse to apologize to Shi Yao. After all, Shi Yao isn't a good person to begin with. On the surface, she looks pure and innocent, but in truth, she's a scheming person. What she's best at is playing with one's emotions

"A lot of people know that I like Shi Yao, and I've even confessed my love for her in the dormitory room. But, does everyone know? "Shi Yao has never rejected my advances, and she has never told me that she has a fiancé. In order to enjoy my pursuit of her and the kindness I've shown her, she intentionally concealed this information, deceiving my feelings for more than a year

It's just that I'm not convinced, which is why I posted such a post on the forum. Before the video was exposed this morning, I didn't know that 11111 was Lin Jiage. The reason I said that Shi Yao slept with me for the sake of the game is because she slept with me a long time ago

I posted this post to let everyone know that it's up to you to scold me, but even if my reputation is ruined, I won't let Shi Yao have it easy

The content ended, but Shi Yao's eyes were still fixated on her phone screen.

After she found out that Han Jing hated her because of love, she had thought that Han Jing would rather die for her than suffer for her, but she didn't expect him to be so resolute!

He actually said that she had slept with him in front of the entire school..

He was really as he said. Even if his reputation was ruined, he would still drag her down with him!

"Miss, we're Here!"

"Miss, we're here."

The chauffeur called out several times before Shi Yao came back to her senses. She realized that the car had already stopped at the entrance of G University.

She nodded at the chauffeur, and just as she was about to take out her phone to pay for the bill, she realized that her fingertips were trembling violently... and it wasn't just her fingertips, her entire body was trembling..

PS: The Update is over. See You Next Time ~ ~ the last day of the month. Little Cuties, check your monthly ticket next month to see if the system has given you a free monthly ticket. If it has, vote for Lin Jiage and Sis Yao

Chapter 853: I'm Shi Yao (1)

After paying the bill, Shi Yao stayed in the taxi for a while longer. After making sure that she could move again, she pushed open the door and alighted from the taxi.

A second after she stood still, Jiang Yue, who had been waiting by the door, suddenly spoke up, "Yaoyao..."

Before Shi Yao could close the door, Jiang Yue had already rushed up to her, grabbed her arm, and dragged her into the school. "... Yaoyao, you're finally here. Nuannuan has already made me wait here for you for a long time..."

"Lin Jiage... he, he..." Shi Yao opened her mouth, only to realize that her voice was trembling uncontrollably just like her body.

She had to admit that she was afraid. She was afraid that Han Jing would suddenly go insane, and she was also afraid that Lin Jiage would lose his mind and do something irreparable in his rage..

As such, halfway through her words, she didn't dare to continue.

"Senior Lin? Senior Lin and that bastard Han Jing are already fighting on the field..." Jiang Yue didn't notice Shi Yao's odd behavior, she continued on, "... After senior Lin came to the school, he started looking for Han Jing. At first, Leng Nuan asked Lu Benlai to stop senior Lin, so he was able to stall for some time. But in the end, someone shouted that Han Jing was playing with someone on the field, and senior Lin rushed over. When he saw Han Jing on the field, he immediately grabbed him by the collar and punched him..

Hearing those words, Shi Yao flung Jiang Yue aside and sprinted toward the school field.

"Yaoyao, wait for me, Yaoyao..."

Ignoring Jiang Yue's shouts behind her, Shi Yao tried her best to increase her speed.

However, before she could run too far, she suddenly came to a stop. She glanced around before dashing toward the nearby teaching building.

"Yaoyao, Yaoyao, why are you heading to the teaching building? Yaoyao..."

By the time Jiang Yue reached the entrance of the school building, Shi Yao had already dashed out.

Jiang Yue clutched onto Shi Yao's stomach, gasping for air. When she saw the extra cloth in Shi Yao's hand, she suddenly stood up straight and asked, "Yaoyao, what are you doing with that cloth?"

Shi Yao ignored Jiang Yue as she grabbed the cloth and continued running toward the field.

From Afar, Shi Yao could already see that there were many people surrounding the field. She didn't need to think too much to know that Lin Jiage was definitely there..

She didn't stop there. After sprinting out of the crowd, she turned to the students and said apologetically, "I'm sorry, I'll have to trouble you all to make way for me. I'm sorry..."

Many of them recognized Shi Yao and knew that she was the person involved in this incident, so when they saw her, they all stepped aside to make way for her.

Of course, there were also some who started discussing.

“Shi Yao is here...”

“Why is she holding a stick in her hand?”

“...”

Under everyone’s doubtful gazes and bewildered gazes, Shi Yao finally managed to squeeze into the back of the crowd.

Before she could even stand properly, she heard a loud ‘peng’. When she regained her composure, she saw that it was Han Jing who had been knocked to the ground by Lin Jiage.

Quite a few girls were so frightened that they took two steps back, and they even cried out in shock.

Lin Jiage’s hair was a little messy, and his beautiful face was filled with a vicious aura that seemed to be able to devour anyone.

Compared to Lin Jiage, Han Jing looked much more wretched. His body was covered in dust, the corners of his eyes were swollen, blood was flowing out of his nose, and even the corners of his mouth were torn..

Even so, Lin Jiage had no intention of letting him off the hook.

Chapter 854: I Am Shi Yao (2)

Lin Jiage stared straight at Han Jing, who was lying on the ground, struggling to get up from the ground. Step by step, he walked over to Han Jing.

Standing before Han Jing, he raised his foot and stepped on his chest. Bending slightly, he looked straight into Han Jing’s eyes and enunciated each word clearly, “I’ll ask you one last time. Are you going to apologize to her or not?”

Han Jing coughed several times under Lin Jiage’s stomp before he managed to squeeze out a few words, “I won’t apologize...”

“I’m not lying... I just slept with her... Even if you beat me to death, I’ll still say the same thing...”

Lin Jiage stared into Han Jing’s eyes. As he spoke, his pupils shrank slightly, and even his body began trembling.

Han Jing knew that Lin Jiage’s emotions were already at a critical point. He also knew what would happen if Lin Jiage were to explode at this rate.

But he didn’t care. With so many students watching, if he were to do anything to him, he would be finished with him... if he couldn’t get what he wanted, he could forget about owning it properly..

With this thought in mind, a chilling smile appeared on Han Jing's lips. He ignored the increasingly terrifying expression of the boy before him, he intentionally spoke up once more, "... I did sleep with her, I slept with her, I slept with her, I slept with her..."

Han Jing didn't know how many times he had used all his strength to say "Slept with her", but she suddenly felt an immense pain in her abdomen. He couldn't help but let out a muffled groan, following which, his neck was tightly gripped by Lin Jiage.

Lin Jiage's strength was truly incredible. It was so great that he wanted to struggle, but he couldn't move at all. It was so great that he wanted to breathe, but the oxygen in his chest was dwindling. He could clearly feel the terror of being put to death by someone., he could also clearly see that darkness was approaching..

"Boss, Stop!"

"Lin Jiage, calm down!"

Han Jing could vaguely hear many voices around him. He really wanted to see who was speaking, but he didn't have the strength to move.

Initially, Lu Jing wanted to pull Lin Jiage away, but he was like a statue, as heavy as a thousand Jin. He could only stare at Han Jing with reddened eyes as he tried to strangle him. No matter how much strength he exerted, he was unable to move him at all.

In the end, Leng Nuan came to her senses, because when she saw Shi Yao, it was as if she was grasping at the last straw, the one who was gripping Shi Yao tightly was the back, "Yaoyao... Yaoyao, hurry up... Hurry up and take care of Lin Jiage..."

Hearing those words, Shi Yao jolted back to her senses. subconsciously, she took two steps forward, and she realized how ridiculous it was for her to bring a mop stick over. Lin Jiage didn't need her help to fight at all., lin Jiage was on the verge of killing someone..

With this thought in mind, Shi Yao threw away the mop stick and rushed up to Lin Jiage. She reached out and covered his eyes, "Lin Jiage... It's me..."

It was as if Lin Jiage didn't hear Shi Yao's voice at all, and the strength in his fingers was still increasing.

Han Jing's consciousness began to blur, and his face turned purple due to the lack of oxygen.

Shi Yao reached out with her other hand and patted Lin Jiage's back lightly. She moved closer to his ear and continued speaking in a soft and gentle voice, "Lin Jiage, I'm Shi Yao..."

I'm Shi Yao... those simple words seemed to contain boundless strength, causing the irrational Lin Jiage's grip on Han Jing to suddenly stop.

Chapter 855: I Only Believe In You (1)

"Lin Jiage, didn't you say that the blue sky will accompany the white clouds, the breeze will accompany the flowers, and the moon will accompany the stars, but you will always accompany me?"

“If you really do something wrong in a moment of desperation, how are you going to accompany me in the future?”

“It’s not worth it... to sacrifice yourself for him...”

Under Shi Yao’s soft voice, Lin Jiage’s rationality slowly returned to him. His grip on Han Jing’s neck slowly loosened as well.

Shi Yao could feel the boy’s body becoming less agitated. Only then did she loosen her grip on his eyes and place it on his arm, pulling his hand away from Han Jing’s neck.

The moment Lin Jiage’s finger left Han Jing’s neck, he hesitated for a moment. Sensing his hesitation, Shi Yao called out ‘Lin Jiage’ once more. Lin Jiage turned to look at Shi Yao, but he still followed Shi Yao’s lead, after completely releasing Han Jing’s neck, he followed Shi Yao’s strength and stood up. Taking two steps back, he left Han Jing.

Having narrowly escaped death, Han Jing coughed violently for a moment before gasping for air. It was only after a long while that he finally regained his senses.

It was only after Han Jing sat up that Shi Yao turned to look at him.

As she stared at him, she felt as if she was looking at a complete stranger.

After a long while, a glint flashed across Shi Yao’s eyes, and she asked, “Senior Han, you said that I had sex with you. Do you have any proof?”

“Proof?” Perhaps it was because Lin Jiage had really gone all out, but after saying those two words, Han Jing raised his hand to cover his neck. Only after the pain subsided did he raise his head to stare at Shi Yao, with a cold sneer on his lips, he asked, “What? Shi Yao, you’re not going to admit your mistake after sleeping with me, are you?”

Shi Yao could clearly feel Lin Jiage’s hand being held by her, so she took a step forward. Afraid that Lin Jiage would rush over to beat her up again, she hurriedly stood in front of him and silently gripped his hand tightly.

Lin Jiage understood her hint and didn’t move. However, due to Han Jing’s words, he clenched his hand into a fist in fury.

In truth, Shi Yao was also very angry, but she knew very well that at this moment, Lin Jiage was so angry that he had lost his rationality. If she were to lose her composure again, there was a good chance that she might end up regretting something irreparable, therefore, Shi Yao tried her best to control the anger in her heart. After she calmed down, then he said to Han Jing, “Senior Han, it’s meaningless for us to talk so fast. Since you keep saying that I had a relationship with you, then show me the evidence and let me admit it...”

“Okay...” Han Jing raised his hand and pointed at his collarbone. “You have a mole here... and a birthmark on your buttocks... a red one...”

As Han Jing finished his words, the surrounding crowd burst into an uproar.

“It’s fine with the collarbone. Maybe someone saw the shoulder-revealing outfit, but the buttocks don’t make sense...”

“That’s right. If something really didn’t happen to them in such a private place, I wouldn’t believe it even if you beat me to death...”

“...”

In the face of everyone’s heated discussion, Shi Yao was actually very calm.

She had actually thought that Lin Jiage might not be calm when Han Jing said those words, but she didn’t expect that the boy’s reaction would be even more impassive than hers.

Shi Yao couldn’t help but turn to look at Lin Jiage.

Even though she didn’t say anything, Lin Jiage seemed to understand the meaning behind her eyes as he replied, “I only trust you.”

Chapter 856: I Only Believe In You (2)

?

Even though she didn’t say anything, Lin Jiage seemed to understand the meaning in her eyes as he replied, “I only believe in you.”

I don’t believe in gods, demons, demons, evil, or fate. I only believe in You, and I believe in every single word you say.

No matter how much rumors and rumors spread in this world, I only believe in You, and I believe in every single word you say.

It wasn’t that Lin Jiage had never said anything nice to Shi Yao before. From his first confession to the pleasant surprise at the school field not too long ago, he had said a lot of things that she would remember, but in those words.., it was only this one time that she was filled with the strength to do whatever she wanted.

I only believe in you... There are so many people in this world, but I only believe in you... only..

For a moment, Shi Yao forgot what she was about to do. She stared fixedly at Lin Jiage for a moment before regaining her senses.

Subconsciously, she wanted to give him a smile, but the moment she raised her lips at him, tears welled up in the corners of her eyes.

She didn’t say a word, and she felt that there was nothing she could say to express her current state of mind. Thus, she tried her best to force a smile onto her face. After which, she forcefully shook his hand and composed herself, she turned to look at Han Jing and asked, “Where do you think I have a birthmark?”

Han Jing stretched out his hand and pointed at his right buttocks. With an exceptionally confident tone, he replied, “Here!”

“Is this the right place?” Shi Yao followed Han Jing’s finger and gently pointed at her right buttocks.

“Yes!”

After waiting for Han Jing’s answer, Shi Yao turned to the crowd around her and said, “I want to ask a few girls to help me...”

After a brief pause, Shi Yao added, “And they’re girls that I don’t know.”

Everyone was curious about Shi Yao’s actions, and some of them looked at one another in bewilderment, while others were whispering to one another. In the midst of the commotion, around thirty seconds later, one of the girls finally spoke up, “Me.”

Following which, a few other unfamiliar girls also responded to her.

“Alright, I’ll leave it to You Then...” Shi Yao casually pointed to a public restroom not too far away, “... may I trouble you to follow me to the restroom?”

The few girls were rather magnanimous. After hearing Shi Yao’s words, they followed her to the restroom.

Not too long later, the few girls came out of the restroom and returned to Han Jing under everyone’s curious gazes.

“Senior Han, let me ask you one more time. Are you sure that I really have a birthmark here?” Shi Yao was the first to speak, and her eyes were glued to Han Jing the entire time.

Han Jing fell silent for three seconds before nodding his head as if he had made up his mind. “I’m sure.”

“Are you sure that you saw a birthmark here with your own eyes?”

“I’m sure!”

Shi Yao didn’t reply to Han Jing’s question, but a female student who had followed her to the washroom spoke up first, “Student Han, you’re lying! Shi Yao doesn’t have a birthmark at all!”

“That’s right! Shi Yao showed it to us in the washroom, but she really doesn’t have one!”

“I can testify that Shi Yao doesn’t have the red birthmark you mentioned.”

“I can testify as well...”

“We can testify as well...”

As the few girls spoke one by one, Han Jing’s face suddenly paled. “Impossible, how is that possible...”

“Oh, I know... It’s not a birthmark, it’s a rose!” That’s right, it’s a rose! You told me before that you disliked the birthmark on your lower back and wanted to embroider a rose. Now that you’ve Embroider a rose... it’s like this, it must be like this!”

Chapter 857: Kowtowed To Shi Yao’s IQ (1)

As Han Jing spoke, he turned to the few ladies who had just followed Shi Yao to the washroom and asked, “Am I right? Is there a rose in her birthmark?”

“What rose? There’s no birthmark in Shi Yao’s birthmark, and there’s no rose either!”

“That’s right. I already said that there’s no birthmark or birthmark, so why would I bother to embroider a rose just because I don’t like it?”

“...”

“Impossible, impossible, how is that possible...” Han Jing frowned in disbelief as he racked his brain for a long time, finally, he turned to the other ladies and said, “... you were the ones who lied. You were the ones who received Shi Yao’s benefits, weren’t you?”

“Are you crazy? Do We really have to lie about this?”

“A person like you isn’t fit to be a man. If you can’t love someone, you’ll have to destroy them. How terrifying...”

“...”

Amidst the indignant retorts of the other girls, Han Jing’s tone became even more resolute. “You’re the ones who are lying. You guys went to the washroom just now, so you must have colluded together...”

“Enough!” Before Han Jing could finish his words, Shi Yao suddenly spoke up, “Instead of accusing them of lying, why don’t you ask Qin Yiran if it’s true that I have a birthmark on my body!”

“Qin Yiran? How did she get involved with Qin Yiran?”

“I thought that it was just a love-hate relationship, but who would have thought that it would end up with so many ups and downs...”

Amidst the discussions of the crowd, Shi Yao took a step forward and walked into the crowd. Under everyone’s watchful eyes, she grabbed onto Qin yiran, who was standing in the middle of the crowd, “Senior Han, it was Qin Yiran who told you those words, right?”

“It was Qin Yiran who told you that I had a birthmark on my lower back, and I was disgusted by it. I wanted to embroider a rose, right?”

Perhaps it was because Shi Yao was too overbearing, but Han Jing was unable to say it out loud.

Qin yiran, who was being held tightly by Shi Yao’s wrist, struggled for a moment, but she was unable to free herself. A little angry, she said, “Shi Yao, let go of me! What does your promiscuity have to do with me...”

“It has nothing to do with you. It’s not up to you, but the video in my hand!” Shi Yao took out her phone from her pocket and tapped a few times on the screen with a single hand. Following which, she found a video, she then played it to the surrounding spectators.

Everyone who could see Shi Yao’s phone screen recognized the video. It was the corridor leading from the school’s conference hall to the washroom.

The video was very short, and it didn’t take long before Qin Yiran’s figure emerged from the washroom. Following which, Shi Yao’s voice sounded from the video, “Nuannuan, I have an appointment to get a tattoo the day after tomorrow...”

“Tattoo? Why would you want to get a tattoo out of nowhere?”

As those words rang out, Qin yiran could be seen getting closer and closer to the camera, so close that only half of her body could be seen.

“There’s a birthmark at the bottom of my lower back. I really dislike it. I want to embroider a rose on the birthmark...”by the time Shi Yao finished speaking, Qin Yiran had already disappeared from the video, shi Yao’s camera turned into the entrance to the ladies’ washroom. Following which, the video blacked out, but the voice continued on.

“Birthmark? Since when did you have a birthmark at the bottom of your lower back? Why Don’t I remember it?”

“I was just making things up...”

After Shi Yao said those words, the video ended abruptly.

Chapter 858: Kowtowed To Shi Yao’s IQ (2)

No one was an idiot. Shi Yao’s video was enough to make everyone understand the reason behind the matter.

The words regarding the birthmark and tattoo were indeed from Shi Yao’s mouth, but she was the one who made it up. To be more precise, she was intentionally saying that she had set up a trap for Qin yiran, who had gone head-to-head with her, and Qin Yiran, who had believed her words, told Han Jing about this matter, and this was what happened.

“So, after a long time, it was Qin Yiran who teamed up with Han Jing to target Shi Yao, but in the end, she ended up losing out and falling into Shi Yao’s trap instead?”

“Shi Yao sure is smart. If an ordinary person were to encounter such a situation, they would surely be half-dead, right? She’s practically going to kneel down to Shi Yao’s intelligence!”

“But there’s something wrong with Qin Yiran. She’s been picking on Shi Yao time and time again, and every single time, she’s been thoroughly abused. Could it be that she’s prone to being abused?”

“...”

Hearing the words of those around her, Qin yiran, who had always been at odds with Shi Yao, couldn’t help but exclaim angrily, “Shi Yao, you’re really despicable!”

Hearing those words, Shi Yao burst into laughter as though she had just heard a ridiculous joke, “I’m despicable? Qin yiran, don’t you find it ridiculous when you say those words? I never knew that protecting myself could be called despicable?”

After saying those words, Shi Yao Flung Qin Yiran’s arm away.

Qin Yiran was wearing high heels, and with Shi Yao’s strength, she was forced back several steps. For a moment, she lost her balance and fell to the ground in a sorry state.

Without even sparing a glance at Qin yiran, Shi Yao walked right up to Lin Jiage.

Seeing that she was walking over, the male student took the initiative to extend his hand to her.

Without any hesitation, Shi Yao grabbed Lin Jiage's hand and tilted her head up to smile at him. "You've been torturing me for so long that I'm already hungry. Let's go for dinner, shall we?"

Her voice was so soft and gentle that it felt as if the arrogant Shi Yao who had just spoken to Qin Yiran was just an illusion.

After hearing Shi Yao's words, Lin Jiage lowered his head to look into her eyes and nodded. "Alright, let's go have dinner."

After saying those words, Lin Jiage held Shi Yao's hand and prepared to leave.

However, before the two of them could even lift their feet, Han Jing, who was standing not too far behind them, suddenly spoke up, "Shi Yao..."

Hearing her name, Shi Yao halted her movements.

She stood with her back facing Han Jing for a moment, but before he could finish his sentence.., she turned to look at him and said, "I didn't think that the matter on the forum would have anything to do with you. I thought that they were the ones who did it... the reason why I said those words to Qin Yiran was because I saw someone on the forum saying that Shi Yao was having an affair with Han Jing from the art department, the kind that she had slept with before. I was afraid that they would use this matter as an excuse, and I wouldn't be able to defend myself at all. That's why I intentionally revealed that information to Qin Yiran."

"I never liked you. You always knew that. In the beginning, I only treated you as a classmate. I accepted the things you gave me, but I also returned them in other ways. We never owed each other anything. You said that I played with your feelings, but my phone had all the recordings of my phone calls with you. There was also the recording of when I knew that you liked me. I told you that we would never contact each other again. I will upload the recording to the school forum later. You Didn't leave me a way out, and now I will not leave you a way out either

"In the end, between you and me, I never let you down, and you let me down, I don't need you to apologize to me, after all, it is my bad eyesight, Wrong People, and you have nothing to do with it!"

Chapter 859: Then You Can Go Back To Being An Ox Or A Horse (1)

"In the end, between you and me, I've never let you down in the slightest. And since you've let me down, I don't need you to apologize to me either. After all, it's my poor eyesight that made me misjudge someone. It has nothing to do with you at all!"

At this point, Shi Yao was just about to pull Lin Jiage away, but the moment she retracted her gaze from Han Jing, she suddenly thought of something, her lips twitched, and she said, "Also, please don't say that you like me or that you've liked me in the future, because the word 'Like' isn't worthy of coming out of your mouth."

From the very beginning, Shi Yao didn't give Han Jing a chance to speak. After she finished speaking, she didn't bother about Han Jing's expression anymore. Just as she was about to say something else, she

turned her head to look at Lin Jiage, without saying a word, Lin Jiage took her hand and walked out of the crowd.

..

However, he didn't have dinner with Lin Jiage. Due to the brawl on the field in the evening, he was called away by the school.

Just like the night when Lin Jiage gave Shi Yao a surprise on the field, Shi Yao accompanied Lin Jiage to the front of the office building and watched him enter.

However, this time, Shi Yao didn't wait for Lin Jiage to come out of the office building. Instead, after Lin Jiage's figure disappeared from her sight, she immediately took out her phone, she sent a message to Lin Jiayi: [Sis Jiayi, I have a favor to ask of you?]

[alright, Yaoyao, hurry up and tell me.]

"..."Sis Jiayi was still the same as before. Every time she asked for her help, she would reply with a 'alright' without even asking for a reason. With this thought in mind, Shi Yao continued typing on her phone: [do you know where Liang Mumu is right now?]

Less than ten seconds after the wechat message was sent, Lin Jiayi's call quickly appeared on Shi Yao's phone screen.

Shi Yao hurriedly picked up the call.

Before Shi Yao could reply, Lin Jiayi's fiery voice sounded from the other end, "Miss Liang? Why are you looking for her? Did she provoke you again? Then, you don't have to look for her anymore. Just tell me how she provoked you, and I'll get the GPS to look for her..."

"Lin, CEO Lin, I, I, I can do anything I want. It's better if you don't ask me to find a woman to settle the score with. I Can't do it," through the phone, Shi Yao heard Xia Shangzhou's trembling voice.

"Then you can go do whatever you want!" Lin Jiayi retorted mercilessly.

Xia Shangzhou fell silent, "..."

It was only then that Lin Jiayi spoke up once more, "... Yaoyao, tell me, what did little B * Tch Liang Do to you? Forget it, you don't have to tell me anymore. In any case, I've been wanting to beat her up for a very long time..."

Xia Shangzhou: "CEO Lin, image..."

Lin Jiayi was a little displeased that Xia Shangzhou interrupted her, "Did I say something wrong? isn't Miss Liang Little B * Tch?"

Xia Shangzhou: "No, no, no. CEO Lin, you're right no matter what you say. It's just that, CEO Zhang Is..."

Lin Jiayi: "Oh... I'm sorry, CEO Zhang. I've lost my composure. Why Don't you excuse me for a moment? I have something more important to take care of first."

“...”three seconds later.., xia Shangzhou’s apologetic voice sounded from the other end of the phone, “CEO Zhang, I’m sorry. CEO Lin is really busy right now, and it’s a family matter. Can I accompany you to have a drink over there first?”

“Alright, Alright, it’s fine.”Following which, an unfamiliar male voice sounded. Shi Yao thought that this must be the CEO Zhang they were talking about.

Not too long later, Lin Jiayi’s voice sounded once more, through the receiver, Lin Jiayi’s voice sounded once more into Shi Yao’s ears. “Yaoyao, you don’t have to worry about that B * Tch Liang’s matter anymore. I’ve tolerated her for a very long time. Previously, I didn’t lower myself to her level out of respect for my grandfather and the Liang family, but she’s been doing it over and over again. This time, I’m definitely not going to let her off! It just so happens that my hands have been itching for a long time now, and I’ve been wanting to beat her up for a long time now. However, the navigation device can’t pick out any mistakes...”

So, your motive is because your hands are itching for a beating?

Shi Yao was embarrassed, and she hurriedly rejected Lin Jiayi’s kind offer. “No need, no need. Sister Jiayi, I came to you to ask where she is. I’m the one who wants to see her, and I have something to say to her. I don’t want to fight.”

“Oh, is that so...”through the phone, Shi Yao could sense Lin Jiayi’s disappointment.

But in the next second, Lin Jiayi spoke up, “Then, I’ll accompany you. What if she hits you? I’ll help you fight back!”

So, you still don’t want to give up and want to fight back?

If it weren’t for the fact that there was no one else other than sister Jiayi who could find out Liang Mumu’s whereabouts, she wouldn’t have dared to trouble sister Jiayi so easily..

Shi Yao could only decline Lin Jiayi’s kind offer once more. “Sister Jiayi, there’s no need for that. Aren’t you busy right now? Go ahead and do what you need to do, I’ll be fine...”

“Alright then, I’ll send you her current address...”

Just as Lin Jiayi finished speaking, Shi Yao’s phone received a GPS message from her.

Shi Yao thanked Lin Jiayi, but just as she was about to hang up, Lin Jiayi suddenly called out to her, “Yaoyao, it’s fine if you don’t want me to accompany you. Why Don’t I call the company and have a few of their security guards follow you...”

Shi Yao pondered for a moment. The tall security guards of the Lin family’s company, who were dressed in black suits, followed behind her, and for some reason, she felt that the scene was even scarier than before. She was so frightened that she immediately rejected Lin Jiayi.

“Then, I’ll have the GPS follow you...”Lin Jiayi was still a little worried.

Shi Yao knew that Lin Jiayi was afraid that she would suffer a loss, so after rejecting her kind offer this time around., she added, "Sister Jiayi, don't worry. I'll take care of myself. I promise that if I feel any danger, I'll call you immediately for help..."

"Alright then. Yaoyao, you must be careful."

"Un un," Shi Yao replied to Lin Jiayi several times before ending the call.

As Shi Yao walked toward the school gate, she took out her phone and called for a car. By the time she reached the school gate, the car was already waiting for her. Shi Yao got into the car and reported the location that Lin Jiayi had shared with her.

Due to the rush hour, the traffic wasn't too good. Even though Liang Mumu's SPA wasn't too far away from G University, it was already half an hour later when Shi Yao arrived at her destination.

She didn't ask the driver to leave. Instead, she asked the driver to wait for her while counting the fare. After which, she took her bag and entered the SPA.

She had been to this SPA a few times, and the receptionist recognized her. Upon seeing her enter, she immediately greeted her, "Miss Shi."

"Where's Liang Mumu?" Shi Yao asked bluntly.

"Is Miss Shi here to see Miss Liang? She's still in the same room as before. Miss Shi, do you want me to inform her of your arrival before bringing you over..."

Before the receptionist could finish her words, Shi Yao had already started walking toward Liang Mumu's room.

Upon reaching the door, Shi Yao pushed it open without even knocking.
