

WITH YOU 881

Chapter 881: Have You Ever Loved Someone With All Your Heart? (1)

After putting on her shoes, Lin Jiayi didn't dare to linger any longer. She hurriedly rushed out of the door and rushed to the elevator, desperately trying to press the button.

The elevator door opened, and Lin Jiayi stepped into it as though she was running for her life.

There was someone inside. With her head lowered, she tried her best to suppress her emotions, which were on the verge of breaking down.

After arriving at the underground parking lot, Lin Jiayi hopped into her car in a spurt of energy. After closing the car door, she threw away all of her pretense and forced herself onto the steering wheel, crying like a child who couldn't find her home.

Have you ever loved someone with all your heart?

Lin Jiayi did.

She was born into a good family and was pampered from birth. Even though she was her elder sister, her younger brother, who was three years younger than her, was more like an elder brother, allowing her to do whatever she wanted.

However, for a boy, she threw the kitchen into chaos, all for the sake of learning how to cook and wanting to nourish his stomach.

However, for a boy, she stayed up all night to watch a ball game that she was not interested in at all.

However, for a boy, she was willing to put down the luxury car and ride a bicycle.

That was the most beautiful and happiest time of her life. However, that time was ultimately too short... he left, the kind that could never return.

Everyone said that parting should be dignified... but all these years, she had been longing to see him once more.

She knew that this was a wish that could never come true.

She understood how extravagant a dream it was to not see him for a long time.

Lin Jiayi cried her heart out, as if she had been holding back her tears for a very long time.

After a long while, she finally came to a stop and leaned on the steering wheel. After a long while, she finally lifted her head and took out a photo from her bag.

It was a photo of a man and a woman in their school uniform.

The girl in the photo was her. Her unmade face was filled with a blissful smile while the man beside her looked at her dotingly.

Lin Jiayi stared at the photo for a very long time before raising her head to look at the rearview mirror.

She was smiling every day, but her smile would never be as beautiful as the one in the photo..

She couldn't go back to those days when she couldn't wait to die.

Qin Ting... Do you know that this is the sixth year that you've Been Gone? I didn't dare to think about you for the past six years. Do you know that? In the past six years, every day that you left, I would feel as if I was no longer the indestructible Lin Jiayi.

..

Upon arriving at the company, Lin Jiage couldn't help but have a busy day.

When he wasn't in the company, everyone in the company would look for him, but when he did arrive, everyone in the company wished that he could disappear as soon as possible.

From nine in the morning, he stepped into the office, and the meetings began one after another without stopping. Even for lunch, everyone ate in the conference room.

It wasn't until two-thirty in the afternoon that Lin Jiage finished the work that he had piled up recently, and he even started the meeting for the next day ahead of schedule.

Returning to his office, he glanced at the time on his wrist. There was still an hour before Shi Yao's class ended. He glanced at his secretary, who had followed him in, and asked, "Is there anything else that you haven't finished?"

The Secretary handed him a document, "This is the only document that I need you to sign."

Lin Jiage took the document and scanned through it quickly. After confirming that there was nothing wrong with it, he took out a pen and signed it. After which, he tossed the document over to his secretary, "Since there's nothing that you haven't finished, don't give me a call."

Chapter 882: Have You Ever Loved Someone With All Your Heart? (2)

After saying those words, Lin Jiage stood up, grabbed his phone and car keys, and walked to the side to grab his jacket. Ignoring his secretary who was still in his office, he left the office and left G University early to grab his girlfriend.

Shi Yao's class ended at 3:30 pm, and Lin Jiage was already waiting at the entrance of her classroom before 3:15 pm.

..

At 3:30 pm, Shi Yao's class ended on time.

She swiftly packed up her textbooks and stuffed them into he Tiantian's hands before hurriedly saying, "Tiantian, help me bring my dormitory back. Thank you!" Without waiting for he tiantian, Jiang Yue, and Leng Nuan to ask her what she was up to, Shi Yao flipped through the windows of the classroom and walked out from the back of the classroom building under the dumbfounded gazes of the three of them.

Many people would glance at Lin Jiage, who was standing at the entrance of the classroom, as they walked past the corridor.

As if those people didn't exist, Lin Jiage patiently waited at the entrance of the classroom.

It wasn't until he tiantian, Jiang Yue, and Leng Nuan came out that he didn't see Shi Yao. He couldn't help but frown, "Where's yaoyao? Isn't she in Class?"

Jiang Yue: "She's in Class..."

Before Lin Jiage could ask where Shi Yao was, he Tiantian had already pointed to the classroom window behind him, "Yaoyao just went through the window and left..."

Lin Jiage:"..."

Without saying a word, Lin Jiage strode out of the classroom building and headed to the back to block the students.

Along the way, Lin Jiage once again realized that it wasn't a good thing for his girlfriend to have such a high IQ!

The reason why he didn't dare to call her was because he was afraid that she would avoid him. In the end... After searching for a long time behind the school building, he still couldn't find Shi Yao. In the end, he had no choice but to take out his phone and call Shi Yao.

The phone rang several times before it was finally picked up.

"Yaoyao, where are you?"

"Me?" Shi Yao asked in return. Then, as if recalling something, she suddenly recalled something, he then said, "I think it's still early. I thought that since you haven't finished work yet, I didn't disturb you. I'm on my way to Your House. We didn't go to the family dinner a few days ago. I was afraid that Grandpa Lin would be unhappy, so I made an appointment with him to have dinner with him tonight..."

Lin Jiage:"..."

It wasn't that his girlfriend's IQ was too high, but that wasn't a good thing either!

She had already predicted that he would come over, so it was one thing for her to avoid him, but now, she even found her grandfather to use as a protective amulet... even if he were to carry her away when he saw her, he wouldn't dare to act recklessly in front of her grandfather!

"Lin Jiage?" Shi Yao waited for a moment, but before she could hear Lin Jiage's voice, she spoke up once more.

"Oh, I understand. I'll see you at the old residence later."

After hanging up the call, Lin Jiage felt a little depressed for a moment before walking out of the school and driving over to the Lin family's old residence.

When he arrived, Shi Yao was accompanying Old Mister Lin in his study to look at some ancient paintings. It was unknown what Shi Yao had said, but Old Mister Lin was beaming with joy.

Seeing that Lin Jiage was walking over, Auntie Sun turned to old Mister Lin and reminded him, "Old mister, young master is here."

"Oh..." elder Lin replied before continuing to call out "Yaoyao" with a chuckle, starting their conversation.

Lin Jiage, who was used to being left out in the cold, sat down on the sofa calmly and began watching television.

Even though he was watching television, his attention wasn't on the television at all. His gaze was fixated on the door of the study.

After an unknown period of time, the doorbell suddenly rang.

—

Chapter 883: I Won't Let You See Her (1)

Lin Jiage, who was the closest to the entrance, didn't wait for Auntie Sun to open the door. He tossed the remote control aside, stood up, and walked over to the door. Through the monitor on the wall, he saw who it was, and his complexion immediately turned awful.

Auntie Sun, who was preparing dinner in the kitchen, heard the doorbell ring, and she ran over, "Young Master, who is it?"

Lin Jiage snapped back to his senses. Before Auntie Sun could get close enough to take a look at the situation on the monitor, he spoke up with an indifferent expression, "It's a delivery man... you go ahead and do your thing. I'll go get it."

Even though Auntie Sun was perplexed as to why Lin Jiage would suddenly start taking care of such trivial matters, she still nodded and replied, "Alright." After which, she turned around and walked back into the kitchen.

Lin Jiage changed into his shoes, pushed open the door, and leisurely walked toward the main entrance.

There was still quite a distance between them, so when the two men standing at the main entrance saw him clearly, they immediately fawned over him and said, "Jiange..."

Lin Jiage didn't say a word, and the expression on his face didn't change much from the start to the end. As he walked over to the main entrance, the two men outside began calling him even more affectionately.

He nonchalantly unlocked the door, and one of the people subconsciously pushed it open, wanting to enter. However, Lin Jiage was already one step ahead of him, so he closed the door behind him.

The two people were taken aback by his actions, and it took a moment before one of them finally spoke up. His voice wasn't as polite as before, but rather cautious, "Jiage..."

Upon hearing his words, Lin Jiage casually pointed at the small garden in the neighborhood's green belt and said, "If there's anything, let's talk over there."

The two men were taken aback once more. After a moment, they finally nodded their heads submissively and said, "Alright, Alright."

Lin Jiage didn't say anything else. Instead, he took a step forward and headed in the direction that Lin Jiage had pointed.

But before he could take more than two steps forward, a delivery from Shun Feng arrived right in front of his house.

No Way? He was so full of crap about being a delivery man, but in the end, there really was a delivery man?

Lin Jiage felt that it was a coincidence, so he asked, "Delivery Man from No. 1 courtyard?"

"Yes, it's Lin Jiage from No. 1 courtyard," the delivery man replied as he alighted from the car.

A delivery from him? He had never left the address of his old residence behind, so how could there be a delivery from him?

Lin Jiage frowned in confusion before reaching out his hand and saying, "I'm Lin Jiage. Give it to me."

The Courier handed the pen and the delivery to Lin Jiage as well.

After signing his name, Lin Jiage returned the pen to the Courier. After which, he took a closer look at the delivery and realized that there was only his address on it. As for the sender's message, other than the words 'Beijing', there was nothing else on it.

This parcel sure is mysterious... Lin Jiage continued walking toward the small park as he began unpacking the parcel.

The parcel was a paper bag, and Lin Jiage swiftly took out the contents of it.

It was a small, white electronic device..

Lin Jiage threw the paper bag into the trash can as he studied the electronic device.

From the looks of it, it should be a voice recorder... this is really interesting..

Lin Jiage's curiosity was piqued by the content of the voice recorder, but he didn't have the chance to listen to it. Following behind him, the two men who had arrived at the small park spoke up one after another, "Jiage..."

Hearing those words, Lin Jiage stuffed the voice recorder into his pocket and raised his head to look at the two men standing before him.

Chapter 884: I Won't Let You See Her (2)

?

Meeting Lin Jiage's gaze, the two of them spoke up once more, "Jiange..."

"Hello, uncle Shi and Auntie Shi." Due to his natural upbringing, Lin Jiage politely greeted them.

However, after the polite greeting ended, he went straight to the point, "Uncle Shi and Auntie Shi, May I ask why you're here today?"

Perhaps it was because Lin Jiage was too distant from them, but the two of them fell silent for a moment, father Shi spoke up, "Actually, there's nothing else. It's just that we haven't seen old Mister Lin for a long time, so we came to the city today to see if he's alright."

“Thank you for your concern, uncle Shi. Grandfather is doing very well. If there’s nothing else, you can leave now.”

Shi’s parents probably didn’t expect Lin Jiage to be so merciless. The two of them looked at each other anxiously before Shi’s mother smiled apologetically and asked, “Jiage, is Yaoyao in the old mansion right now?”

Lin Jiage lowered his eyelids and replied without hiding anything, “Yes.”

The next moment, he raised his eyelids and said with a resolute tone, “But I won’t let you see her.”

“Jiange, what do you mean by this? How can you not let us see Yaoyao?”

After father Shi said those words, mother Shi immediately chimed in, “That’s right. Yaoyao is our daughter, so we won’t harm her. Besides, it’s only right and proper for us to see our daughter...”

“Daughter?” As if he had just heard a hilarious joke, a cold smile surfaced on Lin Jiage’s lips, “Don’t tell me that you have some misunderstanding about the word ‘daughter’?”

“This... What misunderstanding could there possibly be? Yaoyao is a piece of flesh that fell from my body, and that’s my daughter...”

“That’s right. Yaoyao was raised by us through painstaking efforts. Without us, there wouldn’t be her either...”

“Yes, that’s right. In terms of blood relations, she’s Your Daughter!” As those words fell from Lin Jiage’s lips., a sharp glint flashed across Lin Jiage’s eyes. “But in terms of emotions, she’s not your daughter! Have you ever loved this daughter? I was the one who brought her home in the middle of the night at the hospital. She spent so much time outside alone in the middle of the night. have any of you asked her if you’ve thought about it?”

“From that day on, Yaoyao hasn’t been home for so many days. have any of you looked for her? It’s getting cold. have any of you sent her clothes?”

“The only reason you’re looking for her now is to gather some information. After finding out that I’m with her, you felt that your daughter was worth more money, so you quickly came over to continue playing the role of a loving parent, right?”

“You said that you’re here to visit Grandpa. If Yaoyao wasn’t at the old residence today, would you have come over?”

Lin Jiage’s tone wasn’t too harsh, and there wasn’t even much emotion in it. However, there was a type of person who was born with an imposing aura. He didn’t need to do anything but suppress the other party to the point that they couldn’t even raise their heads.

Shi’s parents were rendered speechless by Lin Jiage’s words.

After a long moment, Shi’s mother finally spoke up, “We were the ones who were muddle-headed earlier. We let Yaoyao down...”

Shi’s father chimed in, “Right, right, right. It’s all my fault. It’s all my fault...”

“It’s not like I’m the one you’re apologizing to. Why are you apologizing to me?” Looking at Shi’s parents, Lin Jiage suddenly felt a little angry as well.

Chapter 885: “If You Don’t Love Her, I Love Her”(1)

?

If it wasn’t for the fact that he happened to bump into them, Auntie Sun might have invited them into the old mansion respectfully, if that happened, Soft Bun would surely be heartbroken..?

With this thought in mind, Lin Jiage’s eyes turned even colder, even his tone became much more serious as he said, “Since we’ve bumped into each other today, I’ll give you all my words. Yaoyao, if you don’t love her, I Will! If you don’t love her, I Will! If you don’t love her, I Will! If you can’t give her a beautiful family, I will

“I don’t have many requests for you. If you really want to say it, I only have one request. If you can’t give her happiness, I hope that you won’t make her sad

“You’re Yaoyao’s biological parents, so I won’t do anything to you today for the sake of your blood relationship. However, let me put it this way. I don’t have any other abilities, but my greatest ability is to be narrow-minded. From now on, if I find out that you’ve made Yaoyao unhappy, don’t blame me for showing you no mercy!”

After saying those words, Lin Jiage glanced at father Shi and mother Shi, whose faces alternated between white and green, and said, “If there’s nothing else, I’ll be taking my leave first.”

After saying those words, Lin Jiage stood rooted to the spot for a moment. Thinking back to how he still wished for Shi Yao to have a beautiful family, he added, “If you really think that Yaoyao is your daughter, you should think about how you should treat her.” After which, he turned around and left.

..

Not too long after the doorbell rang, Shi Yao came out of her study.

To be honest, she was still a little scared after what she had done to Lin Jiage in the morning.

She had personally experienced his fighting prowess, so there was no doubt that he was holding a grudge against her. If she were to be caught by him, she might not be able to leave the house for three days and three nights..

With this thought in mind, Shi Yao shuddered in her heart. She turned her head around to look for Lin Jiage’s figure.

Eh? where is he?

Shi Yao looked at the stairs and hesitated for a moment, not daring to go up.

If he really was in the bedroom, wouldn’t she be trapped inside?

“Miss Shi, have some fruit?”

Just as Shi Yao was hesitating, Auntie Sun walked out of the kitchen with a fruit plate in her hands.

Without any hesitation, Shi Yao rushed over to the fruit plate. As she ate the fruit with her fork, she asked Auntie Sun, "That... Lin Jiage is upstairs?"

"No, little young master went to pick up the express delivery..." after Auntie Sun replied to Shi Yao's question, she craned her neck to take a look outside the courtyard. "Speaking of which, why didn't I see him at the entrance..."

So, he's not upstairs... Shi Yao calmed herself down. After stuffing two more mouthfuls of fruit into her mouth, she stood up and boldly went out to look for Lin Jiage.

Before she could reach the door, through the fence in the courtyard, Shi Yao caught sight of Lin Jiage's silhouette darting toward the left.

Out of curiosity, Shi Yao hastened her footsteps.

The direction on the left was a small park... could it be that Lin Jiage was in a bad mood because of her, so he went to hide in a small park by himself?

Shi Yao didn't think too much into it as she walked toward the small park. However, before she could get past the lush greenery, she heard a familiar voice coming from the small park.

Without even thinking, Shi Yao was able to tell that it was her... voice that she hadn't contacted her parents for quite some time.

Chapter 886: "If You Don't Love Her, I Love Her" (2)

Shi Yao stopped in her tracks and didn't continue walking forward.

The conversation between Lin Jiage and his parents entered her ears without a single word missing.

So, Lin Jiage wasn't here to collect the express delivery. It was because her parents happened to bump into him, and he didn't want her to be sad, so he helped her intercept them in advance..

Her parents' words still left her with a chill in her heart, but due to Lin Jiage's thoughtfulness, her heart was filled with warmth.

It had to be said that Lin Jiage's mouth was truly vicious. Every single word was sharp and piercing.

Through the greenery, she couldn't see her parents' expressions clearly, but she could still sense their awkwardness and helplessness.

She thought that her parents would fall silent because of this, but to think that her parents would actually start to apologize to Lin Jiage..

They had already disappointed her greatly, but at this very moment, Shi Yao was still disappointed once more.

When she had argued with them in the past, when had they ever apologized to her? They had always treated her as if it was only right for them to do so. But now, they had easily apologized to Lin Jiage..

Just as a hint of sadness rose in Shi Yao's heart.., lin Jiage spoke up once more, "Since we've bumped into each other today, I'll put it all on the table for you. Yaoyao, if you don't love her, I Do! If you don't love her, I Will! If you don't love her, I Will! If you can't give her a beautiful family, I will!"

Shi Yao's eyes suddenly turned red.

She didn't listen to what they were saying after that. As if she had never heard them before, she took a few steps back before turning around to return to the Lin family's old residence.

She didn't return to her house, but instead, she headed straight to the backyard. By the pond, she took out a pair of scissors and picked a large bouquet of flowers.

Not too long later, she saw Lin Jiage return to the courtyard and enter the house. Not too long later, the door was forcefully pushed open, and Lin Jiage hurriedly rushed out.

Shi Yao knew that he must have been unable to find her after he returned. After asking Auntie Sun, she found out that she had come out to look for him. Afraid that she would overhear the conversation between him and her parents, she anxiously rushed out to look for her.

Only then did Shi Yao put down her scissors, carry the bouquet of flowers in her arms, and walk toward the door as if she had just finished picking the flowers.

After taking two steps, she pretended to catch sight of Lin jiage and asked, "Lin Jiage?"

Lin jiage turned around and saw that the girl was carrying a huge bouquet of fresh flowers in her arms as she hopped toward him from the back garden.

She... actually didn't go to the entrance to look for him. Instead, she went to the back garden?

As Shi Yao approached him, she passed the bouquet of flowers to Lin jiage and said, "Here, this is for you!"

Lin jiage stared at Shi Yao's eyes for a moment. Seeing that she was as calm and as warm as ever, he reached out to receive the flowers.

However, he was still a little worried. After staring at Shi Yao for a moment longer, he asked, "You went to pick flowers just now?"

"That's right... I heard from Auntie Sun that you went to pick a delivery. I was thinking of coming out to look for you, but I happened to see that the flowers in the backyard were blooming just in time, so I ran over to pick a bunch of flowers..."

Shi Yao knew that Lin Jiage didn't want her to know that his parents had come over, so even if she knew, she would pretend that she didn't know.

Not only that, she would also do her best to cover it up so that Lin Jiage would believe that she really didn't know.

He had worked so hard to make her happy, so naturally, she had to be happy..

Chapter 887: What If A Girlfriend Always Wants To Be The Aggressor? (1)

?

With this thought in mind, Shi Yao flashed a radiant smile at Lin Jiage, reminiscent of the bouquet of fresh flowers in his arms. "I picked these flowers for you personally. Do you like them?"

After confirming that Shi Yao didn't see him chatting with her parents, Lin Jiage immediately calmed down. He lowered his head to take a look at the flowers in his arms before replying, "I like them. As long as they're out of your hands, I'll like them all."

Huh? Lin Jiage can even pick up on a love story like that?

Shi Yao blinked her eyes, and she stared at the flowers in Lin Jiage's arms. Then, she stared at Lin Jiage's stunning face before reaching out to touch his face with a mischievous expression, she said, "But, Lin Jiage, do you know that I prefer picking flowers like you to picking them..."

Lin Jiage: "..."

Was he being teased by her again?

"What if I were to write a book with the name 'Girlfriend always wants to be the aggressor'? I'll definitely become popular..."

Lin Jiage's voice was so soft that Shi Yao couldn't hear him clearly. Raising her head, she asked, "What?"

"Nothing. I'm talking about your skin!"

"Skin? The skin of a mantis shrimp?"

Lin Jiage: "..."

Is there anything else that you can't eat?

Lin Jiage: "No, it's the skin of Pi Pi Yao!"

Shi Yao: "Compared to Pi Pi Yao, I still prefer the mantis shrimp."

..

After dinner at the Lin family mansion, Lin Jiage and Shi Yao didn't linger for long before leaving.

This was because many days ago, they had already booked a party for tonight at the 'Gilded Resplendence'.

To be precise, it was a celebration party that Lu Benlai, Xia Shangzhou, and the others had set up to celebrate Shi Yao and Lin Jiage's break from their single status.

The people invited to the party were all familiar faces — those from Lin Jiage's dormitory and those from Shi Yao's. However, song Chaoxi didn't come because she had accompanied her wife on a trip to Chongqing.

When Shi Yao heard the news, she felt a little regretful. Up until now, of the four people in Lin Jiage's dormitory, only song Chaoxi was someone she had never met before. She felt that song Chaoxi was someone who lived in the [sexy and wild] group.

Other than song chaoxi, there was also Liang Jiusi, Lin Jiayi, and desolate year.

Desolate year had been invited by Shi Yao. She remembered that the matter she had discussed with Lin Jiage back then was to promote he tiantian and desolate year. Thus, when she was making the list, Shi Yao had specially mentioned desolate year, lin jiage couldn't wait for desolate year to fall in love with someone else, so naturally, he didn't have any objections.

Shi Yao and Lin Jiage arrived relatively early. When they arrived, only Lin Jiayi and Xia Shangzhou, who were having dinner with their clients nearby, arrived.

Around ten minutes later, he tiantian, Jiang Yue, Leng Nuan, and the others arrived, followed by Lu Benlai, then Huang Nian, and finally, Liang Jiusi.

Due to his work habits, Xia Shangzhou was used to serving Lin Jiayi. Even though it was just a private gathering, he still followed Lin Jiayi around like a dog. When Lin Jiayi ran out of wine, he immediately filled her up, if she wanted to sing, he would immediately help her order the songs. If she wanted to eat nuts, he would immediately help her peel the shells. His stance was even more imposing than Li lianying, who was taking care of Empress Dowager Cixi.

As for Lu Benlai, he naturally revolved around Leng Nuan. Even though Leng Nuan didn't bother with him at all, he still enjoyed it as much as he enjoyed it.

He Tiantian was a beauty lover, and her eyes lit up upon seeing desolate year. After Shi Yao's introduction, she walked up to desolate year without any hesitation, she asked incessantly, "I heard that you're a streamer? I heard that you're good at gaming? I like gaming too. Can you bring me along?"

Chapter 888: What If A Girlfriend Always Wants To Be The Aggressor? (2)

"Can I call you desolate year? I play King's glory, what do you play?"

Although desolate year in the game was full of slutty words, he was still quite shy in real life. After being stared at by HE Tiantian and asked a series of questions, he was a little embarrassed. "I play Jedi Survival."

"The furthest distance in the world is when I'm in King's Canyon, and you're on the island map." He Tiantian took a sip of wine with a sorrowful look on her face, after which, she turned to look at desolate year and said with a smile, "But it's alright. I'm willing to switch to the island map for you."

Shi Yao had been worried that he tiantian and desolate year wouldn't be able to talk, but upon seeing this scene, she silently retreated to Lin Jiage's side to show her concern for Jiang Yue.

After all, there were four girls in her dormitory room, and the other three were accompanied by others. Only Jiang Yue was so pitiful..

However, while she was paying attention to he tiantian, Jiang Yue and Liang Jiusi were already chatting away.

Liang Jiusi took the initiative to ask, "HM? Your Phone's screensaver is an anime?"

Jiang Yue: "That's right. I'm a 2D fan, and you're one too?"

Liang Jiushi finally found a resonance, and he nodded furiously, "Yes, yes. Who Do you like?"

"I like a lot of things. One piece king, Crayon Xiao Xin, Conan..." Jiang Yue read out a series of anime before asking Liang jiushi, "What about you? What do you like?"

Liang jiushi scratched his head, "Oh, don't be like that, uncle. The senior next door is always flirting with me, and in my dreams, she pounces on my Prince Charming..."

These are all little yellow manga... Shi Yao subconsciously glanced at Lin Jiage, and upon receiving Shi Yao's gaze, Lin Jiage immediately grabbed the pillow and prepared to throw it at Liang Jiushi.

However, before he could throw the pillow away, Jiang Yue spoke up first, "Bro, you're still stuck at the age of yellow manga. You're really pitiful. Let me tell you, I'm paying attention to real people, such as Miss Cang and Little Ze..."

Liang jiushi: "I'm paying attention to these real people as well, but I'll get annoyed if I look at them for too long. Right, Bro, which one do you think is better, Miss Cang or Little Ze?"

Jiang Yue pondered for a moment before replying, "Bro, I think that each of them has their own merits..."

"..." Shi Yao widened her eyes, thinking, how can we start a conversation like this?

"..." Lin Jiage silently put down the pillow. Soft Bun's roommate sure is fierce!

..

In such a bizarre scene, an hour had unknowingly passed since they had gathered together. Then, Shi Yao received a message from Leng Nuan: [it's done.]

After reading Leng Nuan's message, Shi Yao didn't reply. Instead, she put away her phone and hurriedly ate up all of the coconut milk and tapioca in front of her. After which, she turned to Lin Jiage and said, "I'm going to the washroom."

Seeing that she had gotten up, Leng Nuan got up as well, and the two of them left the private room together.

Not too long after Shi Yao and Leng Nuan left, Lu Benlai walked up to Lin Jiage and asked, "Boss, are you going to the washroom?"

Lin Jiage didn't want to go, but recalling that Shi Yao had gone to the washroom, he nodded and followed Lu Benlai out of the private room.

After Lu Benlai entered the washroom, Lin Jiage stood in the corridor, waiting for Shi Yao.

Out of boredom, he reached out to grab his phone, wanting to pass the time, but his fingertip bumped into something hard. After taking it out, Lin Jiage suddenly recalled the voice recorder he had received at his doorstep in the evening, he hadn't listened to it yet..

With this thought in mind, Lin Jiage placed the voice recorder in front of his eyes. After studying it for a moment, he pressed the switch.

[PS: Punch in. There's an update on the sixth day. Do you want to continue the update on the Seventh Day?]? [then, please give me the monthly ticket!]! I'm not afraid of being crushed to death! []

Chapter 889: Is she still thinking about that person? (1)

There was a small murmur from the recording pen. After about ten seconds, an aggrieved voice sounded from within.

"I'm sorry, I'm really sorry... I'm sorry..."

Lin Jiage felt that the voice sounded a little familiar, as though he had heard it somewhere before. However, he couldn't recall where he had heard it before.

"... I know that you must be blaming me right now, and I'm blaming myself as well. It was only due to my momentary lapse in judgment that I made so many mistakes. After my uncle sent me back to my hometown, I did blame you, but I realized that while I was blaming you, I couldn't help thinking back to our past..."

It was only at this point that Lin Jiage finally realized whose voice it was.

Liang Jiushi's little cousin... could it be that she was the one who had sent him this voice recorder?

However, according to Liang Jiushi, she had already been forcefully sent to a third-rate university overseas by the Liang family yesterday, and no one was even responsible for her living expenses anymore... so, this voice recorder was sent to him before she left?

The voice in the voice recorder continued, "Yao... can I still call you yaoyao?"

"Is it because you won't forgive me even if I apologize? I know... I've done so many wrong things, and it'll be hard for you to believe me... But Yaoyao, do you know that? I've been obsessed with you for a long time now. I really know that I was wrong. I shouldn't, shouldn't... shouldn't have treated you like that..."

So, Liang Jiushi's little cousin was talking to Soft Bun? But why didn't soft bun say anything at all?

As Lin Jiage's thoughts settled, Shi Yao's voice sounded from the recording pen, "I can't go back..."

"What do you mean? Yaoyao, do you mean that you still won't forgive me? It's fine, I'm willing to wait..."

"If you're willing to wait, then so be it. In any case, it has nothing to do with me. If there's nothing else, I'll take my leave first."

After hearing Shi Yao's words, Liang Jiushi's little cousin's voice, which had been showing signs of weakness, suddenly turned furious, "Shi Yao, you keep telling me that you don't like Lin Jiage, but what's the truth? You're having a meal with him, and you're even staying at his house!"

"You even told me that you were going to break off your engagement with Lin Jiage, but what about now? Did you break off your engagement with him? Don't think that I don't know that the Lin family is already preparing for your wedding!"

“You’ve been lying to me all along. You said that I’ve never been true to you, but what about you? Haven’t you never been true to me either? We’re the same –”

Lin Jiage frowned.

Why did Liang Jiusi’s little cousin’s words sound so familiar? I think I’ve heard it somewhere before..

With this thought in mind, Shi Yao’s voice sounded from the recording pen, “Whether you believe it or not, I’ve never lied to you before.”

“When I told you that I wanted to break off my engagement with Lin Jiage, it was true. It’s also true that I don’t like Lin Jiage. I have a life that I want to lead, and I also have a person that I want to fall in love with...”

Lin Jiage subconsciously tightened his grip on the recording pen.

It was no wonder that he felt so familiar with her. When he had brought soft bun to Chengdu, he had bumped into her and Liang Jiusi’s younger cousin at the Beijing Airport. He had bumped into them chatting, and he had heard those words before..

At that time, he had been sad for quite a while because of soft bun’s words, “I have someone I want to like.” Now that he was with her, he had been so happy every day that he had forgotten, soft bun had once said such a sentence.

Chapter 890: Is she still thinking about that person? (2)

If he hadn’t guessed wrongly, when Liang Jiusi’s little cousin and soft bun met at the airport, she had made a recording of her fake apology.

Liang Jiusi’s little cousin probably had this trick up her sleeve. When she was utterly defeated, she would take out this video to create a barrier between him and soft bun. She wouldn’t be able to have a good time, right?

But even though he knew Liang Jiusi’s little cousin’s intentions, he still couldn’t help but feel a deep sense of discomfort in his heart.

Who was the person that soft bun had wanted to fall in love with back then? Was the current her still thinking about that person?

She was with him now, and it was late at night, and she was still dreaming about him. Would she still think about that person when she thought about him?

Lin Jiage knew that he shouldn’t have such thoughts, but he couldn’t control himself at all. Because he liked her, he cared about her, and because he liked her too much, he even wanted to participate in her past.

People were always like this. When they didn’t get anything, they would only think that they were satisfied with having it, and when they got it, they would want to have more..

He had to admit that even though Liang Jiushi's little cousin had many underhanded means, her actions before she left had struck a nerve in him. This was because everyone was sensitive to happiness, and they were also very narrow-minded.

"Boss?"

"Boss, what are you daydreaming about?"

Lu Benlai had come out of the bathroom at some point in time, and when he saw Lin Jiage leaning against the wall with his head slightly lowered, he couldn't help but call out to him several times.

Lin Jiage snapped back to his senses and replied with an "OH" before staring out of the window in a daze.

"Boss, what are you holding in Your Hand?"

"Boss? Boss?"

Lu Benlai couldn't help but reach out his hand and wave it in front of Lin Jiage.

Lin Jiage hesitated for a moment before turning to look at Lu Benlai.

"Boss, what's that in Your Hand?" Lu Benlai repeated what he had just said.

It was as if Lin Jiage hadn't heard Lu Benlai's words at all. He replied with an absent-minded "HMM?", and after a long moment, he replied with an "OH" before stuffing the recording pen into his pocket, he stared out the window, but there was no response.

Lu Benlai sensed something amiss, so he stared at Lin Jiage for a moment before asking, "Boss, did something happen?"

Lin Jiage shook his head, but he didn't say a word.

"Boss..."

Lu Benlai was just about to speak when Lin Jiage's phone suddenly rang.

Lu Benlai shut his mouth and stared at Lin Jiage for a moment. Seeing that he wasn't picking up his phone, he asked, "Boss? Boss?"

Lin Jiage turned to Lu Benlai and asked, "What's Wrong?"

Lu Benlai pointed at his pocket and said, "Your phone is ringing."

It was only then that Lin Jiage came to his senses. He reached out to take out his phone.

He took out his phone several times before finally taking it out. He stared at the screen for a moment before stopping his action of picking up the phone.

With sharp eyes, Lu Benlai saw that the caller ID on Lin Jiage's phone screen was '21', and he couldn't help but ask curiously, "Who's 21?"

Lin Jiage ignored him.

Lu Benlai pondered for a moment, and he felt that it was unlikely that Lin Jiage would give a message to another girl, so he guessed, "Little Junior?"

Seeing that Lin Jiage had lowered his eyelids, Lu Benlai knew that he had guessed correctly, so he said, "Then boss, why aren't you picking up your phone yet..."

Lin Jiage glanced at Lu Benlai before lowering his head to look at his phone screen once more.
