

WITH YOU 891

Chapter 891: I Want to waste my time with you (1)

The phone vibrated in his palm for a long time, and just as it was about to fall silent, Lin Jiage's slender fingers gently swiped the screen and answered the call.

Even though he was feeling a little down, his voice was still as gentle as ever when he spoke to Shi Yao, "Yaoyao?"

Lu Benlai was standing by the side, so he had no idea what little junior had said on the other end of the line. Frowning, Lin Jiage asked, "Now?"

After which, Lin Jiage replied with an "Okay" before hanging up the call.

"Boss, Little Junior called you. Did she say anything?" Lu Benlai asked curiously.

Lin Jiage glanced at him and said, "She wants me to go to the backyard right now."

"Backyard? Why would she want to go to the backyard?"

Lu Benlai continued asking, but Lin Jiage ignored him.

Lin Jiage left, and Lu Benlai hurriedly followed behind him. Of course, his mouth wasn't idle either, "That's weird. Didn't little junior and Nuannuan come to the bathroom? Why did they run to the backyard in the blink of an eye?"

"HM? Boss, did you take the Wrong Road? This isn't the way to the backyard. This is the way back to the private room..."

Before Lu Benlai could finish his words, Lin Jiage had already entered the private room and walked out with a thick coat.

So, he's taking a coat for little junior... Lu Benlai hurriedly shut his mouth.

Walking out of the main entrance of 'resplendent and resplendent', the two of them walked around the brightly lit high-rise building for half a circle before reaching the backyard.

The red plum blossoms in the courtyard had already begun blooming. Stepping on the cobblestone path, Lin Jiage and Lu Benlai walked forward for quite some distance. Lu Benlai couldn't help but ask, "We're already in the backyard. Why haven't we seen little junior and Nuan yet..."

Before he could finish his sentence, Lin Jiage had already stopped.

Seeing that Lu Benlai had stopped as well, Lu Benlai swallowed his words. He was just about to ask Lin Jiage, "What's Wrong?" But before he could finish his sentence, he followed Lin Jiage's line of sight, in the middle of the empty space in the middle of Merlin, there was an additional piano, and right in front of the piano sat the little junior they were looking for.

Shi Yao, who had been wearing a simple sweater and jeans, had unknowingly changed into a white sweater paired with a nude-colored dress.

In front of her and behind her were blooming red plums.

Under the bright lights, she looked just like a fairy who had strayed into the mortal world.

Putting aside Lin Jiage, who had long since fallen into a daze, even Lu Benlai, who had his heart set on someone else, couldn't help but admit that the current Shi Yao was shockingly beautiful.

Seeing that there was no response from Lin Jiage, Lu Benlai turned to look at Lin Jiage. Just as he was about to remind him, Shi Yao suddenly spoke up.

Even though there was a distance between them, her voice could still be heard clearly.

"I've listened to many songs, walked many roads, read many books, and met many people. But what I want most is to spend my time with you."

The moment Shi Yao's voice fell, a smooth and melodious melody flowed out from her fingertips on the piano.

It was a very quiet but slow piece of music. When it fell into the ears of others, it gave them a very tranquil and peaceful feeling.

A full minute later, a song finally sounded from Shi Yao's mouth.

"I want to waste my time with you. For example, I want to lower my head and look at the fish. For example, I want to leave the teacups on the table and waste their beautiful shadows."

Chapter 892: "I want to waste time with you"(2)

"I also want to waste the setting sun, such as taking a walk, until the sky is filled with stars

"I also want to waste the time when the wind is blowing, sitting in the corridor in a daze, until the dark clouds in your eyes are blown out of the window

"I've already wasted the world, but tomorrow, I want to continue like this, wasting time."

It was the same quiet and slow melody again.

Shi Yao's fingers danced on the piano.

A winter night breeze blew in, bringing with it a bone-chilling chill, causing the red plums that filled the trees to rustle and fall.

Through the scattering petals, Shi Yao raised her head and met Lin Jiage's gaze.

Her fingers didn't stop the melody, and a gentle singing voice pierced through the night sky, bringing warmth and comfort to the night.

"I want to waste each other with you, wasting short silence, long meaningless."

"To spend time together in a delicate and old universe, like leaning against a railing, looking down at a mirror of water..."

"I've wasted the world, but Tomorrow I'll do it again, wasted, wasted time with you."

The long ten minutes of music and singing, not people feel boring, but in the end, give people a kind of yearning.

After Shi Yao finished playing the last tune, she sat quietly in front of the piano and gazed at Lin Jiage for a moment through the falling petals of the red plum blossoms. After which, she reached out her hand and gently pulled the stool under her back before standing up.

A gust of wind blew past, causing the hem of her dress to flutter in the wind.

She stared straight into Lin Jiage's eyes as she slowly walked over to him.

She didn't intend to prepare for all of this. If it wasn't for the fact that she happened to bump into him and her parents at the entrance of the Lin family's old residence that evening...

In their story, he had always been the one who took the initiative, the one who took the initiative, and the one who took the initiative.

And she had never expressed her feelings for him in a serious manner, so she had discussed this surprise with Leng Nuan at the last minute, just to let him know that while he liked her, she also liked him.

Shi Yao came to a stop about a meter away from Lin Jiage.

Lu Benlai, who had remained by Lin Jiage's side, had already been pulled away by HE Tiantian, who had also rushed over to watch the show.

After Shi Yao stood up, Lin Jiage was still staring at her, unable to recover from his shock.

He was much taller than her, so she tilted her head up and smiled at him, "Lin Jiage, I've met the Hibiscus cake from Huangshan, eaten the roast duck from Beijing, loved the cross-bridge rice noodles from Yunnan, tasted the Xiaolongbao from Hangzhou, eaten the dengying beef jerky from Chengdu in the afternoon, eaten rice noodles from Guilin, and eaten hairy crabs from Chengyang Lake on a cruise ship... but all the delicacies in the world can't compare to the time I wasted with you."

"Lin Jiage, I want to have soy milk in the morning, rice in the afternoon, steamed buns in the evening, spicy spicy spicy hot pot on Monday, sour and spicy powder on Tuesday, salty salt-baked chicken on Wednesday, sweet sweet and sour pork ribs on Thursday, bitter bitter cold bitter melon on Friday, ice cream on Saturday, and fruit juice on Sunday..

"I want to experience the delicious taste of food with you and go home hand in hand. For the rest of my life, every minute and every second of every day, I want to waste my time with you. All I want to do is waste my time with you, so... Lin Jiage..."

After saying those words, Shi Yao raised her clenched right hand before Lin Jiage. Staring intently into his eyes, she slowly opened her palm and asked, "... Are You Willing?"

"Are you willing to waste your time with me until you're Old?"

Chapter 893: I Love You (1)

As Shi Yao's voice fell, Lin Jiage saw a ring lying in her fair and delicate palm.

The design of the ring was exquisite, and the diamond was a very, very small one. However, under the refraction of the surrounding light, the light from the diamond was very bright, so bright that it stung Lin Jiage's eyes, a warm and slightly sour warmth surfaced in the depths of his eyes.

It wasn't that he wasn't curious about what she was up to when she called him over to the backyard, but he had also made a lot of guesses. However, he never expected that soft bun would actually... actually propose to him.

This should be something that a guy should do, but she actually did it... even though the situation was reversed between him and her, he realized that he was very touched, so touched that he was in a complete mess.

A girl should truly like and care about him, so why would she put aside her reservations and propose to a man?

Just like the night that Han Jing slandered her, she took the initiative to ask to be together with him..

She took the initiative to hand over a girl's most precious first night and longest life to him.

Lin Jiage felt as if something was blocking his throat, and he felt exceptionally uncomfortable.

What the heck... a man like him actually felt like crying at this very moment.

Seeing that Lin Jiage was still staring at the ring in his palm, Shi Yao blinked her eyes at him and said, "Lin Jiage, what are you daydreaming about? Why aren't you putting a ring on Me Yet?"

"Don't you want to marry me?"

"Then... Let's change the method. If you don't want to marry me, then marry me... If you don't say anything, I'll take it as your acquiescence..."

With that, Shi Yao grabbed Lin Jiage's hand and held his fingertip. She picked up the ring from her palm and placed it on her finger. After which, she raised the hand with the ring on it before Lin Jiage, she waved it around as if showing off,"... Lin Jiage, let me tell you, your life is mine now. You Won't be able to escape even if you want to..."

"Lin Jiage, quick, take a look at my proposal ring. Isn't it beautiful... isn't it especially beautiful..."

Before Shi Yao could finish her words, Lin Jiage suddenly raised his hand and grabbed her shoulders, pulling her into his embrace. Then, he hugged her tightly.

He knew that he should have replied to her, but his brain was like a paste, and he couldn't remember a single word.

In the end, he could only hug her tightly, hugging her even more tightly, so tightly that it was as if he wanted to sew her into his bones and blood.

Shi Yao felt a little pain from his hug, and she couldn't help but frown as she cried out softly, "It hurts..."

Before she could finish her sentence, he suddenly spoke up, "Don't speak..."

She subconsciously shut her mouth. The strength he used to hug her loosened a little, but it still caused her a little pain.

She tried to hold it in for a moment, but just as she was about to open her mouth, she suddenly felt something wet on her neck.

It was as if Shi Yao's acupoints had been sealed, and she suddenly froze in place.

It took quite a while before she realized that it was his tears.

She suddenly felt a little helpless. All she wanted to do was to give him a surprise so that he would know what she was thinking, but she didn't expect it to be like this..

She panicked for a moment before her nose started to ache as well. With reddened eyes, she said softly in an aggrieved tone, "Lin Jiage, I, I..."

Chapter 894: I Love You (2)

She anxiously uttered "I" twice, but before she could say the third word, Lin Jiage, who was hugging her, suddenly spoke up, "I love you."

Due to the huge fluctuations in his emotions, his voice sounded a little hoarse, and it had a lot of texture to it.

The words that he uttered were simple and easy to understand, but it made Shi Yao feel as if her acupoints had been struck once more. She froze in Lin Jiage's embrace, unable to move at all.

A gust of wind blew, and with the rustling of tree branches, another cluster of flower petals fell to the ground.

Shi Yao's mind went blank for a long time before her thoughts slowly began to flow.

I love you... he said, I love you..

Her originally sour nose turned even more sour, and hot tears began to roll down from the corners of her eyes uncontrollably.

At this moment, no matter how many words she said, it was impossible to describe her feelings. She could only choose to use her body language to respond to him. She raised her hand and wrapped it tightly around his waist, hugging her deeply.

This was something that she was very happy about. She was also extremely happy that a lover would eventually get married. In fact, the corners of her lips were even rising, but the tears in the corners of her eyes were falling even harder.

Not too long later, her tears drenched the clothes on his chest.

He was clearly the one who wanted to cry because of her, but why was she crying like a tearful person now?

Lin Jiage couldn't help but chuckle softly.

Hearing his laughter, Shi Yao couldn't help but laugh as well.

After laughing, Shi Yao asked, "What are you laughing at?"

"What are you laughing at?"

"I'm happy."

“I’m very happy too.”

“...”

Another gust of wind blew past, and a whole flower fell onto the piano keys, creating a very gentle melody.

Piano, Hongmei. He and she were the best memories of that winter.

..

Before Lin Jiage and Shi Yao could finish their hug, the surrounding companions had already begun to leave.

The first to leave was Lin Jiayi. She gazed at Lin Jiage and Shi Yao, and a phrase came to her mind — a match made in heaven. Then, she recalled that six years ago, someone had said the same thing about her and Qin Ting... it was during the summer, when she and Qin Ting went to the roadside to eat shrimp powder and sell it to the old lady, she said, “Young Lady, is that your boyfriend?” The two of them looked so compatible, as if they were a match made in heaven.

After Lin Jiayi left, Xia Shangzhou didn’t dare to stay any longer. Hugging her coat, he chased after her and said, “CEO Lin, it’s so cold. Do you want to put on your coat?”

Then, it was desolate year who left. The scene before him was too torturous. It reminded him of his little cutie, and he decided to return to the private room to drown his sorrows in alcohol.

About ten seconds after desolate year left, he tiantian noticed him. She immediately turned around and ran after him. “Desolate year, you promised me that you would add me on wechat. Can we scan the code now?”

Huang Nian took out his phone, found the QR code for wechat, and handed it to he tiantian.

He Tiantian happily scanned the QR code. As she added him as a friend, she said, “I hope you have a QR code in your heart too. Then, I can scan it and enter your heart...”

As he Tiantian’s voice fell, Huang Nian, who had already added her as a friend, suddenly regretted that his hand speed was too fast after being single for twenty-two years. This young lady was a little scary..

Then she left because she really wanted to go to the bathroom, but she had never had the chance to go to the bathroom.

Chapter 895: Yaoyao proposed to me (1)

Leng Nuan had just moved when Lu benben opened his mouth, “Leng Nuan, where are you going?”

Leng Nuan ignored him and walked towards the magnificent building.

Lu Benben did not care that he was being ignored again and again. He turned around and caught up with Leng Nuan, asking, “Aren’t you envious of Junior Sister Getting Married?”

Leng Nuan continued to ignore him, but the corners of her slightly lowered eyes betrayed her envy and loneliness.

Lu Benlai didn't notice the change in her expression. Seeing that she was ignoring him, he continued asking shamelessly, "Then, let me ask you another question. Do you want to get married just like Little Junior?"

Leng Nuan still ignored him.

It had been a while since Lu Benlai had confessed to Leng Nuan. Perhaps it was because he had been influenced by Lin Jiage and Shi Yao today, but after staring at Leng Nuan for a long time, he finally spoke up once more, "Leng Nuan, I'm sincere. To be honest, I've liked you since spring. It's already winter now, so can't you seriously consider me?"

Leng Nuan's footsteps didn't stop, and her expression didn't change at all. There was no intention of her opening her mouth, but her fingers, which were hidden in her pocket, trembled slightly.

"Leng Nuan, what are you going to do to make you consider me? As long as you say it, as long as I can do it, I'll do it for you even if it costs me my life..."

Leng Nuan continued walking forward in silence.

However, Lu Benlai stopped in his tracks, staring at Leng Nuan's back, he continued, "Forget it. If you don't like to respond, then don't respond. I Won't force you. If you don't like me for a day, then I will continue to pursue you for a day. If you don't like me for a year, then I will pursue you for a year. Anyway... day after day, we just continue to waste our time. There's still plenty of time in the future..."

Leng Nuan suddenly stopped in her tracks.

"I don't like to drag others along. If you really want to end this once and for all, then I'll end it for you..."

She stood with her back facing him. After a while, she slowly turned around, but instead of looking at Lu Benlai, she raised her head to look at the sky.

She stared at the night sky for a long time, then, she continued, "... in twenty days, it will be Christmas. If it snows heavily in Beijing This Christmas, then I'll consider you. If not, then please don't talk about feelings in front of me in the future."

With that, Leng Nuan turned to Lu Benlai and asked, "Is that alright?"

Lu Benlai raised his head to look at the sky before turning to Leng Nuan. Without any hesitation, he nodded and said, "Sure."

Leng Nuan didn't expect Lu Benlai to agree so readily. She was taken aback for a moment before turning around and walking into the magnificent hall.

Lu Benlai stood rooted to the spot, staring at her disappearing figure before raising his head to look at the sky.

In the end, only Liang Jiushi and Jiang Yue remained in the backyard.

The two of them stared at Lin Jiage and Shi Yao, who were hugging each other, for a moment before they couldn't help but mutter in boredom.

Jiang Yue: “Bro, I still can’t accept this kind of artistic and refreshing style. I prefer the kind where you strip naked and Dry Yourself!”

Liang jiusi: “We’re allies! I can’t understand those sentimental words anyway. I think that people are born with their true colors!”

Jiang Yue said, “Yes, yes. What do you mean by a pair for life? I don’t agree at all. What I want is three thousand male concubines!”

Liang jiusi said, “What a coincidence. I’m just like you. You never knew that up until now, I’ve seen countless women and never talked about relationships!”

Chapter 896: Yaoyao proposed to me (2)

As their voices fell, Lin Jiage released Shi Yao from his embrace and lowered his head to kiss her.

Jiang Yue’s face reddened in an instant. She raised her hand to cover her eyes and howled, “I’m still a baby!”

Liang Jiusi abruptly turned his head around and turned his back to the two people kissing behind him, “F* ck, I’m still a child. Let me see this...”

..

Lu Benlai had known Lin Jiage for four years, so he thought that he knew him quite well. However, he still couldn’t understand why a person would act so nonchalantly even when they were in the backyard, why did he suddenly turn into a completely different person after coming back from the backyard.

At first, Lin Jiage was still very gentle. After holding Shi Yao’s hand and returning to the private room, he turned to look at Shi Yao and asked, “Are you going to sing? What song are you going to sing?”

After Shi Yao replied to his question, he walked over to the singing platform without any hesitation and cut off Lu Benlai’s ‘If you love me, Follow Me’ that he was engrossed in.

Just as the climax was about to end, Lu Benlai glared at Lin Jiage with displeasure and asked, “Boss, what right do you have to cut off my song?”

Lin Jiage leisurely walked up to him and took the microphone out of his hand. As he passed it to Shi Yao, he turned to Lu Benlai and said, “Yaoyao proposed to me.”

After which, everyone began singing a children’s song noisily, and he Tiantian suggested playing a game.

The rules of the game were simple. Everyone would count to seven, and the penalty would be three glasses of beer.

All boys would drink foreign wine, but the girls would drink beer.

The first person to suggest drinking foreign wine was Lin Jiage, but when Shi Yao said, “Just drink beer,” he immediately ordered the waiter waiting at the entrance to deliver the beer.

Liang jiusi grumbled unhappily, “You’re too strict with your wife.”

Hearing Liang Jiushi's words, Lin Jiage replied confidently, "I'm not strict with my wife. I'm the one who was proposed to by Yaoyao."

After which, they played around until eleven o'clock in the evening. Everyone was hungry, so when they were ordering supper, Lu Benlai, Xia Shangzhou, and Lin Jiage, who was in charge of placing the order, got into an argument over whether the barbecue should be spicy or not, ignoring Lu Benlai, Xia Shangzhou, and the others, they all ordered spicy food.

Lu Benlai, Xia Shangzhou, cried out in displeasure.

Not only did Lin Jiage not show the slightest bit of sympathy for them, he even looked at the two of them with a rational expression on his face, "I'm the one who was proposed to by yaoyao, so it's up to me."

Lu Benlai:"..."

Xia Shangzhou:"..."

What does ordering takeout have to do with whether I was proposed to or not?

What surprised Lu Benlai the most was that after the midnight snack was served, Lin Jiage didn't eat much. Instead, he sat beside Shi Yao the entire time, his fingers playing with the diamond ring she had bought.

On the way, a waiter was called over to deliver a drink.

The waiter took a few glances at Lin Jiage's body, and Lin Jiage noticed it. Raising the diamond ring up, he asked, "Do you think that the ring looks good?"

The attendant simply thought that Lin Jiage was too good-looking, so she could only nod and say, "Yes."

Lin Jiage's lips curled up in satisfaction as he stared at the ring on his finger. An unconcealable pride could be seen in his eyes as he said, "Thank you."

After a brief pause, Lin Jiage added, "This is the ring that Yaoyao gave me when she proposed to me..."

Unable to take it any longer, Lin Jiayi asked, "ATM, are you done yet?"

Lin Jiage replied, "Why? Are you envious of me being proposed to by Yaoyao?"

Chapter 897: The Story of me and him (1)

Lin Jiayi threw away the potato chips in her hands and clenched her fists so tightly that they creaked, "Do you dare to say the words 'Yaoyao proposed to Me' anymore..."

"I don't dare..." Lin Jiage replied calmly to Lin Jiayi before taking out a grilled chicken wing and placing it in front of Shi Yao, "... Because I was already proposed to by Yaoyao in the first place."

Lin Jiayi took a deep breath before turning to Shi Yao, and her voice suddenly turned unbelievably gentle, "Yaoyao, why don't you take care of him!"

Upon receiving Lin Jiayi's instructions, Shi Yao hurriedly nodded. She turned to glare at Lin Jiage and said, "Fool!"

“That’s also the fool you proposed to.”

“Big Fool.”

“That’s also the same fool you proposed to.”

..

It wasn’t until one o’clock in the morning that everyone finally dispersed.

Jiang Yue and he tiantian were already drunk, so Leng Nuan was the only one who was awake. With Lu Benlai’s help, she stuffed the two of them into a taxi before returning to G University.

Before the taxi left, Jiang Yue was still reluctant to part with Liang Jiusi, who was also reluctant to part with her. After getting drunk, she hugged a bottle of mineral water and called out to her wife, saying goodbye to each other.

On the other hand, he tiantian was tugging at Leng Nuan’s arm. One moment, he was calling her “Desolate year”, the next moment, he was calling her “Little brother”.

Desolate year was also a little drunk. Liang Jiusi’s chauffeur came to pick him up, and Lin Jiage asked Liang Jiusi’s chauffeur to send him off.

As Lin Jiayi’s assistant, Xia Shangzhou wanted to drive, but he didn’t have a drop of alcohol on him.

When Lin Jiayi was in the private room, she looked quite normal. However, when Xia Shangzhou drove his car out of the underground parking lot, he saw Lin Jiayi standing by the side of the road, vomiting violently into the trash can.

Xia Shangzhou hurriedly stepped on the brakes and grabbed a bottle of mineral water from the trunk before sprinting over to Lin Jiayi. “CEO Lin, are you alright?”

Lin Jiayi raised her head and glanced at him. Before she could say anything, she started puking her guts out at the trash can once more.

Xia Shangzhou reached out and patted her back gently. After she had calmed down, he unscrewed the cap of the bottle and handed it over to Lin Jiayi.

Lin Jiayi took the bottle and rinsed her mouth before saying, “Thank you.”

Xia Shangzhou hurriedly took the remaining half bottle of water from Lin Jiayi’s hands. After which, he said, “CEO Lin, why don’t you get in the car? I’ll take you home...”

Lin Jiayi ignored him. She turned her head around and looked around. Then, she randomly chose a direction and walked down the main road.

“CEO Lin, CEO Lin...”

Xia Shangzhou caught up to Lin Jiayi and tried to pull her back into the car. However, Lin Jiayi flung him away fiercely, “I’ll beat you up!”

Xia Shangzhou was so frightened that he took half a step back.

Ignoring him, Lin Jiayi turned around and continued walking forward.

She was wearing high heels, and her footsteps were swaying unsteadily.

Xia Shangzhou turned his head back to look at Lin Jiayi, who was still walking on the side of the road with her flashing lights on, and then at Lin Jiayi, who wasn't looking at the road at all. He turned off the engine of the car and chased after Lin Jiayi with large strides.

When Lin Jiayi was crossing the road and running straight through the red light, Xia Shangzhou grabbed her and waited for the light to turn green before releasing her.

A pedestrian walked right across from them, and just as Lin Jiayi was about to collide with him, Xia Shangzhou swiftly pulled her to the side.

Just like that, she walked while he followed behind.

Gradually, the car that was parked by the side of the road disappeared without a trace.

On the other hand, Lin Jiayi's footsteps became increasingly messy. In the end, unable to move at all, she squatted down.

Chapter 898: The Story of me and him (2)

Xia Shangzhou didn't dare to leave Lin Jiayi here alone. Seeing that there was an empty taxi passing by, he asked, "Director Lin, can I hail a taxi to take you home?"

Lin Jiayi squatted on the ground, unmoving.

Xia Shangzhou called out 'director Lin' once more, but seeing that she still didn't respond, he mustered up his courage and bent down to pull Lin Jiayi's arm, pulling her up from the ground.

Only when Lin Jiayi straightened up did Xia Shangzhou realize that her face had unknowingly been covered in tears.

The words that he had wanted to say to send her home immediately froze on the verge of his lips.

Is director Lin crying? That fearsome female devil who kicked open the door and shattered the chair with a single word, even more valiant than a man, is crying?

Xia Shangzhou stared at Lin Jiayi in shock for a long time before he finally managed to speak, "CEO Lin... are... Are You Alright?"

Lin Jiayi stared at him for a moment as though she hadn't heard him. Then, she asked, "What time is it now?"

Xia Shangzhou lowered his head to look at the time on his wrist. "It's almost two in the morning."

"Oh..." Lin Jiayi replied with a blank look in her eyes. "... Is it a new day?"

"Yes, it's already December 3rd."

"Another year has passed... It's the seventh year... it's been seven years... seven years... he still hasn't returned..."

Lin Jiayi continued mumbling under her breath.

Xia Shangzhou didn't quite understand her words. "CEO Lin, what do you mean by seven years?"

"He left me for seven years..."

Who... who is he?

Xia Shangzhou frowned. Just as he was about to continue asking Lin Jiayi, Lin Jiayi suddenly looked at him and asked, "Who are you?"

It seems like CEO Lin is drunk... he doesn't even know who I am anymore..

Xia Shangzhou's lips twitched, "CEO Lin..."

Before he could finish his sentence, Lin Jiayi suddenly came to a realization and spoke up once more, "Oh, you're the navigator..."

Xia Shangzhou:"..."I really hate this name, but I don't dare to reject it.

"Navigator, do you know? I miss him so much... I think about him every day, but I don't dare to think about him every day... tell me, are all men so hateful? You said that you would leave together for the rest of your life, but in the end, you left me alone..."

As she spoke, tears fell from Lin Jiayi's eyes once more, and she fell to the ground once more.

She didn't say anything else, but her shoulders were twitching.

Xia Shangzhou knew that Lin Jiayi was crying.

He had worked by her side for almost half a year now, and he had seen her send people flying with a single kick. He had also seen her throw documents in the conference room and scold the officials for their stupidity, he had even seen her running in high heels for a 100-meter race... but he had never seen her like this.

So, he was at a loss and didn't know what to do. He just stood there and watched her cry.

After an unknown amount of time, she finally quieted down. Her face was still buried in her arms, but she said, "Navigator, do you know the story between him and me?"

"The year I met him, I was 18 years old, he was 18 years old. The year we were together, I was 19 years old, he was 19 years old. Later, I was 20 years old, he was 19 years old, I was 21 years old, he was 19 years old, I was 22 years old, he was 19 years old... I am now 25 years old, he is still 19 years old..."

Chapter 899: Shallow Kisses (1)

She was twenty-five years old, and the 'him'she spoke of was still nineteen years old... So, what she meant was... The 'him'she spoke of was nineteen years old..

Xia Shangzhou had already guessed the ending of the story, but he still didn't dare to make a conclusion in his mind.

She didn't say anything else.

The traffic on the streets was much less than before three o'clock in the morning. Compared to the hustle and bustle of the day, it was quiet and empty.

After an unknown period of time, Lin Jiayi spoke up. Her voice was very soft, as though the wind could blow it away with a single blow. However, Xia Shangzhou felt an inexplicable pain in his heart.

She said, "When he was nineteen, he left. He left the world, and he left me."

..

Xia Shangzhou wanted to send Lin Jiayi back to the Lin family's old residence, but after getting into the taxi, Lin Jiayi said that she was going to Jingfeng Villa.

Xia Shangzhou knew about Jingfeng Villa. It was Lin Jiayi's private residence in Beijing, but she rarely stayed there. In his memory, the number of times she had returned to Jingfeng Villa in the past six months could be counted on one hand.

On the way to Jingfeng Villa, Lin Jiayi fell asleep.

When the taxi arrived at the apartment where Lin Jiayi was staying, Xia Shangzhou called out to her several times, but she didn't wake up.

Xia Shangzhou stared at the sleeping Lin Jiayi for a long time before paying the bill. Gritting his teeth, he bent down and carried her into the elevator.

He had thought that Lin Jiayi would be heavy because she gave off a strong impression, but when Xia Shangzhou picked her up, he realized that she was so light, so light... it made him feel that she was as heavy as his cousin's fifteen-year-old daughter.

Upon reaching Lin Jiayi's floor, Xia Shangzhou grabbed her thumb and unlocked the passcode.

Pushing the door open, Xia Shangzhou carried Lin Jiayi into the room. A second later, he nearly threw the sleeping Lin Jiayi on the floor.

The hallway was littered with high heels of all styles and colors, the sofa in the living room was filled with bags from all kinds of brands, and clothes were strewn all over the floor..

On the dining table, there were still unwashed dishes and confiscated takeout boxes.

This... This room that was hard to look at, was it really a woman's room? To think that it could... be this messy?

Were the female devil and boss really siblings? Boss was such a neat freak that he had to clean the dormitory every day, and their socks were definitely not allowed to be left unwashed overnight... yet, the female devil was able to turn a mansion worth tens of millions of Yuan into a pigsty. They were clearly a family.., why was there such a huge gap between them?

Xia Shangzhou steadied himself and carried Lin Jiayi into the master bedroom, carefully avoiding her clothes that were strewn all over the floor.

Her bed was also in a mess.

Xia Shangzhou said 'I'm impressed' in his heart before placing Lin Jiayi on the sofa. After changing into a set of clean bedsheets from her changing room, he threw Lin Jiayi onto the bed, he covered her with the blanket.

He had intended to leave just like that, but after taking a glance at the extremely messy room, he walked to the door and turned around. He started to clean up the mess from the dining room.

Two hours later, Xia Shangzhou wiped the sweat off his face and glanced at the clean room before preparing to leave.

However, when he passed by the bedroom door, he caught a glimpse of Lin Jiayi on the bed and unknowingly kicked the quilt to the ground.

Chapter 900: A light kiss (2)

She was wearing clothes, but this was winter. Even though the room was heated, she might still catch a cold if she slept like this..

Xia Shangzhou hesitated for a moment before finally stepping into the bedroom. He bent down, picked up the blanket on the floor, and gently covered Lin Jiayi with it.

However, just as he was about to get up after covering himself with the blanket, Lin Jiayi, who was sound asleep on the bed, suddenly reached out and wrapped her arms around his neck, bringing his upper body before her without any warning.

Xia Shangzhou was taken aback by the sudden turn of events, and he watched as Lin Jiayi opened her eyes.

Her beautiful eyes were intoxicated, and he knew that she was drunk.

She gazed at him, and a soul-stirring smile suddenly blossomed on her beautiful lips. Then, as if she was looking at the person she had been longing for, she opened her mouth and said, "Qin Ting, you're back..." Her voice was exceptionally gentle and pleasant, "Qin Ting, you're back..."

Qin Ting? is that a person's name?

Following Xia Shangzhou's confusion, Lin Jiayi opened her mouth once more, her voice still as soft as ever, "Qin Ting, why have you only just returned? I've been waiting for you for a long time..."

So, his guess was correct. And this Qin Ting was the deceased lover she had mentioned?

As Xia Shangzhou thought about it, he suddenly felt a warm and gentle breath on his face.

He snapped back to his senses in shock, and he felt a shallow kiss on his cheek.

It was a kiss that was barely discernible, but there was an intense numbness to it. It traveled down his cheek and into every single vein in his body, all the way to the bottom of his heart.

Such an unfamiliar yet stimulating sensation caused his entire body to stiffen up. Following which, he realized that Lin Jiayi's lips were moving closer to his.

Just as his lips were about to touch his, she spoke up once more, "Qin Ting..."

Those two words jolted Xia Shangzhou out of his reverie. Without any hesitation, he raised his hand and pulled Lin Jiayi's hand away. Then, as if fleeing for his life, he bolted out of the door without even turning his head back.

Xia Shangzhou even forgot to take the elevator. He walked up the stairs from the thirty-plus floors to the first floor, and when he came out of the building, the cold winter morning breeze blew right at his face, causing him to shiver uncontrollably, only then did his mind gradually calm down.

His coat was left at Lin Jiayi's house, but he didn't dare to go upstairs to get it. Instead, he gritted his teeth and walked straight to the entrance of the residential area. Standing by the roadside, he stood there with his shivering body and waited for quite a while, only then did he hail a car to pick up Lin Jiayi's car at the magnificent roadside.

By the time he drove the car back to the parking lot where Lin Jiayi lived and hailed a taxi back to school, it was already six o'clock in the morning.

Xia Shangzhou, who hadn't slept a wink the entire night, lay on his bed, ready to go to sleep. However, he was even more energetic now.

He lay on the 1.2-meter wide bed, listening to Lu Benlai's deep breathing beside him, but no matter how hard he tried, he couldn't fall asleep.

It was as if a spell had been cast on his mind, replaying the feeling of Lin Jiayi's lips gently touching his cheek over and over again..

..

After everyone had left, Lin Jiayi called the waiter over to pay the bill, and he and Shi Yao walked out of Eldorado.
