Chapter 911: Snow (1)

..

At six o'clock, the match started on time.

Probably because it was the last match of Legend, when the AE team came on stage, many people were shouting "Legend" crazily.

This was the last time they cheered for their beloved idol, and also the last time they cheered for their beloved idol live.

At this moment, the outcome of the match wasn't that important. What was important was to fully immerse themselves in this match.

As it was the World League tournament, the venue for this match was much grander than the two matches Shi Yao had watched previously.

She gazed at the exceptionally beautiful stage before her and at Legend, who wasn't too far away from her, and she suddenly recalled many memories.

If it weren't for Legend, she wouldn't have come into contact with the game, Mister Numbers, juice, and experts, nor would she have learned about it through this game.., lin Jiage had done so many things for her in the past.

Half a year ago, during the tournament in Shenzhen, she had looked at Legend and thought of Lin Jiage several times. At that time, she had thought that she was blatantly slandering her Prince Charming, but today, she was standing in the middle of the arena, looking at Legend.., recalling the past and her mood back then, Shi Yao found it a little amusing, but amidst the amusement, there was also an inexplicable sense of gratitude.

..

While the bird's nest competition was in full swing, G University had a lot of people going out on dates because it was Christmas. Those who didn't have dates also went out to spend the holidays with their friends, so the entire campus seemed a little empty.

Shi Yao went to watch the competition while he Tiantian and Jiang Yue went to watch the movie that was released on Christmas Day. Leng Nuan was the only one left in the entire dormitory.

Regardless of whether there was anyone there or not, Leng Nuan was always the person who could calm down the most. Thus, she was currently holding a book in her hands. It was no different from when everyone was shouting and yelling in the dormitory. She was just reading the book earnestly.

The dormitory was very quiet. It was so quiet that she could hear the sound of people running and laughing in the corridor from time to time.

She read page after page. The more she read, the slower Leng Nuan read. In the end, she glanced at the time on her phone screen from time to time.

It was nine o'clock, nine twenty, nine forty, ten o'clock... There were still two hours before Christmas. The weather outside the window showed no signs of snow except for the biting cold wind in the winter.

Actually, not having snow was exactly what she wanted, wasn't it?

In Beijing's winter, Snow was so little to begin with, let alone on Christmas Day... it was simply a once-in-a-lifetime scene..

When she said those words to Lu Benlai on the other end, she had thought that after today, he would not waste his time and life on her, right?

Putting away her wandering thoughts, Leng Nuan continued to read. When she saw the words "Raging fire," her thoughts drifted away once again.

Not long ago in the suburbs, the hot spring resort, the fire, the teenager, and the teenager's voice that kept calling her name... it was vivid and clear, just like the scene that had just happened.

It was not that there were no people who had confessed to her... but, someone like him seemed to be the only one, right?

Before Leng Nuan realized it, her fingers gently clasped the book in her hand.

"Wow... look... it's snowing..." suddenly, a voice came from the dormitory next door.

Chapter 912: Snow (2)

Leng Nuan heard the sound and subconsciously turned her head. She saw that it was really snowing heavily outside the window.

How could it be? The weather forecast clearly said that it would be sunny..

Leng Nuan frowned. After making sure that she was not mistaken, she stood up and ran to the window.

She pushed open the window and was greeted by the cold weather. Leng Nuan, who was only wearing a thin nightgown, shivered. Then, she stretched out her hand to catch a few snowflakes.

The snowflakes that fell on her fingertips did not feel cold, nor did they melt under her body temperature.

When Leng Nuan brought the snowflakes to her eyes, she used the lights in the room to recognize that they were not snowflakes, but bubbles that were similar to snowflakes.

"It's not snow... it's fake snow..."

"Who made this? It's quite realistic, as if it really snowed. It's so beautiful..."

"Ha, look, there's no snow on the field. Only the area around our dormitory is snowing..."

As many people around saw the snow scene and opened the windows to watch the show, Leng Nuan slowly thought of something and looked around downstairs.

Because it was fake snow created by a foam maker, the ground was already white after a short while.

Other than some people who happened to pass by looking up and posing for photos with a few girls, Leng Nuan saw Lu Benlai standing right below the dormitory building.

He was wearing a red down jacket, which was particularly eye-catching in the white "Snow scene."

He wore a Christmas hat that covered the top of his naked head. With his hands in his pockets, he looked up at the location of her dormitory.

Because they were too far away, they could not see each other's expressions clearly, but they both knew that they were looking at each other.

After an unknown amount of time, Leng Nuan saw Lu Benlai take out his phone, and then the ringtone came from behind her.

She knew that it was him calling. She stood in front of the window and stared at him downstairs for a while, then she turned around and walked to the bed, picking up the phone.

She swiped the screen and answered the call. She opened her mouth and realized that her usual calm and self-control had disappeared without a trace. In the end, she simply shut her mouth and did not make a sound.

"Leng Nuan..." Lu Benlai's voice came from the other end of the phone.

Leng Nuan did not say anything. She just held her phone and walked back to the windowsill.

When he saw her downstairs, he continued, "This snow is for you... Let's call it Leng Nuan... Do You Like It?"

Leng Nuan still did not say anything, but her fingers that were holding the phone started to tremble slightly.

"I know that you were born in the south and have never seen snow, but it doesn't matter. Let's look at something similar first. When it really snows in Beijing, I'll invite you to the Forbidden City to look at the snow..." probably because of the cold., as Lu Benlai spoke, his teeth began to tremble."... If you don't like me accompanying you to watch it, that's fine. I'll buy you a ticket in advance, and you can find someone you like to accompany you to watch it... I've seen the snow scenery of the Forbidden City once. It's extremely beautiful, especially when the sun comes out and shines on the entire white world. It's like a Fairyland on earth... It's much better than the scenes you saw in the TV series..."

Lu Benlai soliloquized a lot of words, then cold and warm phone and ear at the same time came from the Dean of the angry roar: "Who Did This? !"

Chapter 913: Her blessing and his promise had all come true (1)

"You, you, you, come over here -"

As the Dean roared, Lu Benlai's "Yes, yes, yes" voice came from the phone. Then, Lu Benlai hurriedly said into the phone, "Leng Nuan, Merry Christmas..." Then, without waiting for Leng Nuan to speak, Lu Benlai hung up the phone.

Leng Nuan, who was standing in front of the window, saw Lu Benlai run to the dean of the academic affairs office with his head lowered, getting scolded.

As the Dean of the academic affairs office reprimanded him, Leng Nuan raised her head and looked at the falling “Snow”.

Not long after, the “Snow” stopped. The Dean of the Academic Affairs Office left in a huff. Lu Benlai took a broom and began to clean his masterpiece.

Leng Nuan watched the busy boy downstairs for a while. Then, she closed the window, pulled the curtains, and changed her clothes from the closet. She went to the bathroom to get the broom from the dormitory and went downstairs.

She had just come out of the female dormitory building. Before she could sweep the floor, Lu Benlai had already noticed her with his sharp eyes. He was dragging the broom, he ran to her and said, “You don’t have to help me. It’s so cold here. You should go back to the dormitory... I can handle it alone...”

Lu Benlai saw Leng Nuan standing still on the spot, then he said, “I’m serious. I can really handle it by myself. Let me tell you, before I did this, I had already thought of the consequences, so I prepared a broom in advance. Look, isn’t my broom especially Big? I bought it specially from Taobao. Your broom is too small. It will take forever to clean it... Also, you don’t have to worry about me. I Won’t freeze. For tonight, I especially put on the long johns that I’ve never worn for so many years...”

“Lu Benlai...” before Lu Benlai could finish his sentence, Leng Nuan suddenly opened her mouth. Her voice was calm as usual. “... you win.”

Lu Benlai stared at Leng Nuan without saying a word.

Leng Nuan swallowed a mouthful of saliva and avoided his gaze. “That day at the Golden Lounge, I said, if it snows on Christmas, I’ll consider you. You win...”

Lu Benlai grinned. A gust of wind blew over and blew the Christmas hat on his head to the ground. His hairless head fell into Leng Nuan’s eyes. It was clearly very comical, but it made Leng Nuan inexplicably envious. She turned her head away, she heard him say, “Thank you for letting me, Leng Nuan.”

Leng Nuan did not say anything. She turned around, grabbed the broom, and entered the dormitory building.

Lu Benlai watched her back as she walked away. Raising his eyebrows, he howled, “Don’t worry, one day, I’ll make your surname Lu.”

Mrs. Lu..

Leng Nuan paused in her steps, not turning back.

..

At 10:45 pm, the match ended.

Team AE had won the PGI World Championship.

The cheers in the bird’s Nest Stadium were deafening.

Sitting in her seat, Shi Yao gazed at the scene of the award ceremony. She suddenly recalled what she had said to Legend on the stage in Shenzhen back then.

“Legend... it has nothing to do with your current success or your future in the underworld. You are the radiant light in my heart.”

“I’m not your teammate, so I can’t do anything for you. But I can cheer for you.”

“As long as it’s your dream, it’s My Dream. I want to be your little fan girl forever.”

“In the end, PGI World League, I hope you can win the First World Championship of the game of Jedi Survival.”

At that time, when everyone thought that Legend would not speak, he opened his mouth, even though there was only one word: “Okay.”

But now, it was truly complete... her wishes and promises had come true..

From now on, legend was truly just a legend, and her dreams of her youth were nothing more than dreams..

Many of Legend’s fans cried because this was their final battle, and even Shi Yao’s eyes couldn’t help but turn red.

After leaving the bird’s nest, Shi Yao was unable to calm her turbulent emotions for a long time. Her first thought was to look for Lin Jiage, but before she could take out her phone to call him, her phone in her bag suddenly rang..

Chapter 914: Her blessing and his promise came true (2)

Shi Yao didn’t know who was calling, but she calmed herself down before taking out her phone.

The caller was actually Lin Jiage, whom she was trying to call.

Shi Yao hurriedly picked up the call, and before Lin Jiage could speak, she spoke up first, “Lin Jiage, I’m so...”

Before Shi Yao could finish her words, Lin Jiage suddenly interrupted her, as if he knew what she was about to say, “Yaoyao, where are you?”

“Me?” Shi Yao glanced at the crowd that had mostly dispersed and replied, “... I just left the competition venue...”

“You came out from the North Gate?”

“Un...”

“Look straight ahead. Do you see the Four Seasons Hotel across the street?”

Following Lin Jiage’s instructions, Shi Yao lifted her head and looked straight ahead. Through the busy streets, she immediately saw the hotel sign. Nodding, she replied to Lin Jiage, “I see it... What’s Wrong?”

“Come to the hotel, room 2101.”

Lin Jiage called her over to the hotel... three seconds later, Shi Yao came to her senses and asked, "Lin Jiage, you're back in Beijing?"

"Un."

"When did you come back? Also, why didn't you call me when you came back? Even if you didn't call me, you could have just gone home. Why did you stay at the hotel?"

Shi Yao asked a few questions in a row, but before Lin Jiage could reply, she realized that she had been too agitated. Thus, she continued, "Wait for me. We'll talk about it when we meet later."

..

After not seeing Lin Jiage for more than twenty days, Shi Yao really missed him. Thus, the joy of their reunion temporarily washed away the heavy emotions that Legend had brought to her.

After hanging up the phone, Shi Yao didn't hesitate any longer and headed straight for the Four Seasons Hotel.

Perhaps it was because the four seasons hotel was very close to the competition grounds, so many professional teams stayed in the hotel. When Shi Yao arrived at the entrance, she noticed that there were quite a few people standing around the entrance with support cards in their hands, on the cards were all sorts of words of encouragement for their favorite battle team.

Shi Yao didn't have a room key, so she couldn't go upstairs. When she went to the front desk to report her room's name, the receptionist didn't ask her about it, nor did she inform Lin Jiage upstairs. It was as if they had already made an appointment beforehand, she immediately made a new room key for her.

As she entered the elevator and headed upstairs, the elevator doors kept opening, and a few young men walked in. Shi Yao recognized some of them. They were all competitors, and one of them was even from AE Battle team, they were still wearing AE battle team's battle uniform, and not too long ago, they had teamed up with Legend to wipe out a team in g harbor.

As the elevator rose higher and higher, the number of people in the elevator gradually dwindled. In the end, only AE Battle Team's pro player and Shi Yao remained.

When they reached the 21st floor, the elevator doors opened. As Shi Yao walked out, AE Battle Team's Pro Player followed suit.

The two of them couldn't help but glance at each other before walking down the corridor with a doubtful look on their faces.

The contestant from AE Battle team stopped at the entrance of Room 2103. When he swiped his room card into the room, he glanced at Shi Yao and saw that she had stopped at the entrance of room 2101. Not only did she not enter the room, she even stretched her neck out..., she looked at Shi Yao with a face full of astonishment and curiosity.

Shi Yao had the room key in her hand, so she swiped her room key without knocking before entering the room.

When the door of room 2101 closed, the room key in the hand of the male student who had stopped at the door of room 2103 fell to the ground with a 'Pa', as if he had just bumped into a ghost.

Chapter 915: Shi Yao, I'm Legend (1)

After closing the door, Shi Yao happily called out 'Lin Jiage' before dashing into the suite.

She had originally planned to give Lin Jiage a longing hug as soon as she saw him, but after taking a few steps forward, she suddenly caught sight of Lin Jiage standing in front of the floor-to-ceiling window with his back facing her. It was as if her acupoints had been struck, she suddenly froze on the spot. She didn't even manage to utter a single word before disappearing from her throat.

It was clearly Lin Jiage who had called her to come to room 2101... yet, the person standing in front of the floor-to-ceiling window was wearing team AE's uniform.

Even though she couldn't see the person's face clearly, just the L on his back alone was enough to let her know that he was her idol, Legend, whom she had worshipped, liked, followed, and worshipped for many years.

It was no wonder that when she went upstairs, the player from AE Battle team had been looking at her with an inquisitive gaze. It seemed like this floor... was filled with people from AE Battle Team... was he curious about who she was looking for?

So, this room wasn't Lin Jiage's room, but Legend's room?

Could it be that Lin Jiage hadn't returned to Beijing yet, and he knew that she liked Legend, so he had specially prepared such a surprise for her so that she could get close to his idol?

But... isn't Lin Jiage's heart a little too big? In the middle of the night, a man and a woman, and the person she had once fallen in love with... isn't he afraid that she'll really plant grass all over his head?

Even though she knew that she wouldn't do such a thing..

With this thought in mind, Shi Yao turned to Legend, who was standing about four to five meters away with his back facing her, and said, "That... God, you, Hello. I, I'm Shi Yao. It's, it's my boyfriend, Lin Jiage, who asked me to come over..."

Legend, who was standing with his back facing her, didn't say a word.

The room was very quiet.

For some reason, Shi Yao felt that the atmosphere was a little awkward, thus, she spoke up once more, "Well, Congratulations, idol. You've won the PGI World Championship... Your Performance Tonight was really awesome... Especially the triple kills in the finals..."

"... However, I Saw Your Weibo Post and the news that you're retiring. I still feel a little regretful about it, but no matter what, I hope that you'll have a clear conscience in the future..."

Shi Yao said so many words by herself, but Legend didn't respond at all.

In the end, Shi Yao, who was at a loss for words, shut her mouth.

She felt that the atmosphere in the room had become even more awkward.

In any case, her idol wouldn't let anyone know what he looked like. She had already seen him, and even if it was just his back view, that was already her wish... for the sake of Lin Jiage's reputation, perhaps she should just leave..

With this thought in mind, Shi Yao spoke up once more, breaking the momentary silence, "Idol, today is Christmas. I wish you a Merry Christmas. I was in a hurry to call my boyfriend, so I'll be leaving first. Goodbye..."

Saying so, Shi Yao took two steps back, ready to turn around and leave.

From the moment Shi Yao stepped into the room to the moment, Legend, who had been silent all this while, suddenly spoke up, "Wait a moment."

His voice was very familiar, so familiar that it made Shi Yao feel as if he was the person she was sleeping with..

Shi Yao subconsciously stopped in her tracks, staring intently at Legend. Why did she feel that he couldn't Be Lin Jiage? Perhaps it was because she hadn't seen Lin Jiage for a long time that she had such an illusion.

While Shi Yao was distracted, Legend turned around.

Chapter 916: Shi Yao, I'm Legend (2)

Just like the other contestants, he was still wearing a mask and a cap, making it impossible for anyone to see his face clearly.

However, at this moment, Legend gave Shi Yao a strong sense of familiarity. She felt that the person before her was Legend, not Legend.

Legend didn't say another word. Instead, he walked over to her.

As he approached her step by step, the strong sense of familiarity became even stronger.

Legend stopped about a meter away from Shi Yao.

Shi Yao wasn't sure if it was just her imagination, but she felt that Legend's eyes hidden under the brim of his cap were staring at her.

She frowned slightly, but before she could say anything, the young man before her suddenly raised his hand and placed it on his cap.

Legend wasn't going to show her his true appearance, was he? What was his motive for doing this? Could it be that he was interested in her? After all, he had personally prepared the tickets for the finals for her..

With this thought in mind, Shi Yao hurriedly said, "Well, my idol, I do admire you a lot, but it's the kind of idolatry. Do you know what that means? I have a boyfriend, I..."

Before Shi Yao could finish her words, Legend had already taken off the hat on his head.

Er... This forehead, eyes, eyebrows, and hair... clearly, clearly..

It was as if someone had struck Shi Yao with a stick. Her mind was in a daze as she stared at the young man in battle uniform before her. Then, she saw with her own eyes that after the young man took off his hat, his slender and beautiful fingers landed on the mask, following which, the mask fell off, and her incomparably familiar nose and mouth fell right into her eyes.

That face was really exquisite... it was as if it was a work of art.

Every inch of his skin, every facial feature, was so perfect that it was unreal.

That face was really familiar... that was her boyfriend, Lin Jiage..

Lin Jiage calmly admired the stunned girl before him.

Roughly three minutes later, he figured out that she had probably digested this explosive piece of information before reaching out to Shi Yao and saying, "Let me introduce myself. Shi Yao, I'm Legend."

Let me introduce myself. Shi Yao, I'm Legend..

That was Lin Jiage's voice, but he said that he was Legend..

How is this possible? How Can Lin Jiage be Legend..

Does he know that the person she idolizes at such a young age is Legend, fulfilling her dreams..

As countless thoughts surged through Shi Yao's mind, she stared at Lin Jiage and asked in a daze, "Lin... Lin Jiage, you... Why did you play the role of my idol?"

Lin Jiage:"..."

The more Shi Yao thought about it, the more she felt that her guess was correct. "Lin Jiage, how much... how much did you spend to rent this battle uniform for my idol?"

Lin Jiage:"..."

"Lin Jiage, thank you for giving me such a Christmas surprise, but... you should return the battle uniform to me..."

Lin Jiage:"..."

This doesn't fit the script! According to the script, shouldn't soft bun rush forward to hug him while jumping up and down in tears when she saw that he was the idol that she had been thinking about for so many years?

"Lin Jiage, hurry up and return your battle uniform to me. Change into your own clothes, and we'll go have supper together. I'm hungry from watching the match..."

Lin Jiage:"..."

Lin Jiage steadied himself and took out his vibrating phone from his pocket. He swiped the screen and picked up the call. At the same time, the sound from the other end of the phone could also be heard from the door.

Chapter 917: Will you marry me? (1)

He frowned slightly, but he didn't reply to the person on the other end of the call. Instead, as if he had guessed something, he turned to Shi Yao and asked, "When you went upstairs, did you bump into someone from AE Battle Team?"

Shi Yao didn't know how Lin Jiage had guessed it, but she was curious as to why he would suddenly ask her such a question, so she nodded.

Lin Jiage immediately understood.

It was no wonder they kept calling him..

With this thought in mind, he raised his foot and brushed past Shi Yao's side. He walked over to the door and opened it.

"AH —"

"Bang —"

"You're crushing me to death —"

The door opened, and along with a few chaotic sounds, Shi Yao saw a few people crawling on the floor at the entrance.

They were all wearing the same battle uniform as Lin Jiage, and they were looking up at Lin Jiage, who was standing in front of them, looking down at them with an air of superiority. They were all smiling obsequiously at him.

Er... why are the members of AE Battle team gathered at the entrance to listen to the conversation?

As this question flashed across Shi Yao's mind, she suddenly heard the voices of the people at the entrance.

"Captain..."

"Hehe, captain, how did you know that we were at the entrance?"

"Captain... Who's that person? Isn't that sister-in-law?"

"..."

Captain... Captain? Is he referring to Lin Jiage? So, I must have misunderstood him. Is Lin Jiage really Legend?

Just as Shi Yao was digesting the shocking news, the man who had taken the elevator with her leaped up to her and greeted her, "Hello, sis-in-law!"

Following which, the rest of the group climbed up from the ground and scrambled over to Shi Yao.

"Sis-in-law, nice to meet you!"

"Sis-in-law, what's Your Name?"

“Captain sure is something. He actually hid it from us for so long. It’s no wonder he kept peeking at his phone during the training for the past twenty days. He must be messaging sis-in-law...”

These men were too passionate, and the passionate Shi Yao was at a loss for words. In the end, she could only turn her pleading gaze to Lin Jiage.

Meeting Shi Yao’s gaze, Lin Jiage cleared his throat.

The chattering boys around Shi Yao immediately fell silent.

“I’ve already seen them. Can We Go Now?”

As Lin Jiage’s voice fell, those men chuckled gleefully before dispersing and leaving room 2101.

It was only after the door was shut and the room returned to silence that Shi Yao turned her gaze to Lin Jiage.

She stared at him for quite some time before asking a question that she couldn’t believe, “Lin Jiage, are you really my Prince Charming?”

“Un.”

“Then, Prince Charming, are you really my boyfriend, Lin Jiage?”

“...”

Lin Jiage was speechless for a moment before raising his wrist to look at the time. As if calculating something, he said, “Yaoyao... I’m going to wash my hair first, so you should digest this news first...”

Without waiting for Shi Yao’s reply, Lin Jiage entered the bathroom.

Not too long later, the sound of running water could be heard from the bathroom.

After the sound of running water stopped, Lin Jiage suddenly seemed to have thought of something. He wiped his dripping hair with a towel while opening the bathroom door, he turned to Shi Yao and said, “Right, yaoyao, I’ve prepared a present for you. It’s in the pocket of your coat by the French window. Go and get it yourself...”

Shi Yao replied with an ‘Oh’ half a beat later. It was only when the sound of a hairdryer came from the bathroom that she finally raised her feet and walked over to the floor-to-ceiling window.

Chapter 918: Are you willing to marry me? (2)

With a single glance, she saw the jacket that was left on the sofa in front of the French window.

She bent down and picked up Lin Jiage’s jacket, only to realize that it was a little heavy.

She searched through the pockets one by one, and in the inner pocket of her jacket, she took out an exquisite velvet box.

Opening it, she saw a sparkling diamond ring inside.

Compared to the ring she had proposed to him at the golden splendence, the diamond on this ring could be said to be a pigeon egg.

Based on her understanding of the price of diamonds, she thought that if she were to wear this ring on her finger, it would be equivalent to carrying around a luxurious mansion in the center of Beijing.

Just as Shi Yao was in a daze, Lin Jiage's voice suddenly sounded in her ears, "Yaoyao..."

Shi Yao turned her gaze over to the source of the voice, only to see Lin Jiage, who had somehow washed his hair and restyled it into a beautiful hairstyle, walking toward her with a huge bouquet of fresh flowers in his hands.

It was only when he was standing right in front of her that she stood up in a daze.

She looked at him and moved her lips, but she couldn't make a sound.

He stared into her eyes, he said, "The match in Shenzhen in August was supposed to be the last match of my career, but because a girl told me that she hoped that I could win the winter PGI World League Championship, I chose to play another match without hesitation..

"In the past, I called my passion, the club, the teammates, and the fans who supported me. But for this match tonight, I'm not doing it for anyone, but for that girl

"I posted on Weibo that I wanted to say I'm leaving. This sentence is for the thousands of worlds, and the last sentence, I want to say I'm here, and it's for that girl."

"For the thousands of worlds, a legend is only a legend from now on, but for that girl... a legend is only a legend for her from now on..."

"The Girl Said Goodbye to me, my dream when I was young, and I said goodbye to the girl... The girl would never see me again, but I would see her later..."

"The girl also told me that almost all girls would have a dream when they were young, dreaming of being together with their idols. But all the girls knew that this was only a dream, and it would not come true... After all, it was rare to see someone like Mrs. Chairman Zhou become Mrs. Chairman Zhou..."

"And today, I would like to ask a girl... This rare opportunity is right in front of you. Are you willing to accept it?"

Are you willing to marry me?

Yes, yes, of course I'm willing..

Without any hesitation, Shi Yao nodded furiously.

Lin Jiage put down the flower in his embrace, took the diamond ring from her hand, and slowly placed it on her hand.

While she was putting the ring on her finger, Shi Yao suddenly recalled the words Lin Jiage had said to her that night, 'I've accompanied you through your youth.' the true meaning behind those words... he was telling her.., even though he had never accompanied her through her youth under Lin Jiage's identity, his identity as Legend had always accompanied her..

The dream of her youth, a dream that she had always thought would never come true, had been fulfilled by him.

To her, Lin Jiage was the best Lin Jiage in the world.

After putting on the ring, Lin Jiage stood up, and Shi Yao abruptly leaped into his embrace, hugging him tightly.

He had truly moved her a lot, but at this very moment, she was once again touched.

She leaned against his chest, crying and laughing. She felt embarrassed about herself, but she just couldn't control her emotions.

She felt like she had a lot of things she wanted to say to him, but she couldn't come up with them at the moment. She lost control of herself and cried and laughed for quite some time, hugging him like a mad demon, after which, she leaned into his embrace, raised her head, and looked at the tears in his eyes. With a wanton smile, she said, "Lin Jiage, I'm so happy! I can make you green without any restraint..."

"Legend, you have to be careful. You might be exposed in the news tomorrow, and you might end up sleeping with your fans..."

..

Two years later.

Chapter 919: Male God Manufacturing Machine (1)

..

Two years later.

Another winter.

Lin Jiage was on a business trip, and Shi Yao had classes early in the morning, so she went back to school the first night.

When she woke up the next morning, she received a wechat message from Lin Jiage: [Yaoyao, I've already finished all of my work and booked an early flight back to Beijing. I might have to go to my company for a meeting after arriving, so I'll pick you up at school in the afternoon.]

After reading through the message, Shi Yao glanced at the time Lin Jiage had sent her. It was half past five in the morning.

He must have been on his way to the airport when he sent her that message.

Shi Yao replied with an "Un un" emoji before climbing out of her bed to wash up.

When she came out of the bathroom, she took out her phone and glanced at it. Lin Jiage hadn't replied to her message, so she assumed that he was currently thirty thousand feet in the air.

[I have a morning class today, so I'm meeting Tian Tian at the cafe next to the school in the afternoon. You can come to the cafe to look for me then.]

After sending the message, Shi Yao swiftly packed herself up, grabbed her textbooks, and headed to the school cafeteria for breakfast before heading to class.

After class ended in the afternoon, Shi Yao took out her phone and saw Lin Jiage's reply to her message. She chatted with Lin Jiage for a bit, and when she heard that Jiang Yue and the others were calling her out for lunch, she hurriedly grabbed her things and walked out of the classroom.

By the time she arrived at the school cafeteria, it was already packed with people, and most of them were unfamiliar and energetic faces.

Seeing such a sight., he Tiantian couldn't help but sigh, "In the blink of an eye, we're already seniors, and we've already become the oldest people in the school. Back then, we were just like them, shouting and laughing in the cafeteria, not caring about the gazes of others at all..."

"Yeah... back then, the one we talked about the most in the cafeteria was senior LIN. Now, these new male idols have all changed..."Jiang Yue sighed as well.

Leng Nuan, who hadn't said much, watched the lively scene from the side and said calmly, "Even if these new male idols have changed, they're still from Yaoyao's family."

"That's right, that's right. Yaoyao's family is simply a creation machine for male idols... back then, our male idols, senior Lin, became Yaoyao's boyfriends. Now, these new male idols are Yaoyao's younger cousins..."he tiantian, who had always distinguished good guys from bad guys based on their looks., at the mention of Gu Nanqiang, his eyes immediately lit up.

At the mention of Gu Nanqiang, the male idols that Lord G had been praising endlessly, Shi Yao couldn't help but be at a loss for words.

Just how handsome was Gu Nanqiang? There were actually so many young girls who were infatuated with him. Furthermore, he was a hooligan, and changing girlfriends was just like playing dress-up games with other girls, one after another... Even now, she still couldn't remember how many girls had called her sister sweetly... more importantly, these fans of Gu Nanqiang probably didn't know that., that Stinky Brat had spent all his time in junior high and high school for nothing, right?

The more he tiantian said, the more excited she became."... tell me, on the day junior gu entered the school, why didn't I go pick him up with Yaoyao? If I went to pick him up with Yaoyao, who knows, I might be the first to get close to him, and now I've already started dating junior gu... I really regret it... But, don't tell me, Yaoyao's genes are really good. Junior GU and Yaoyao's looks are really similar..."

Gu Nanqiang looks like her? Alright then... she admitted that he was the most handsome man in G University!

For her sake, Shi Yao had to endure the humiliation and accept her child as the school's new Prince Charming.

Chapter 920: Prince Charming Manufacturing Machine (2)

Jiang Yue: "Tian Tian, I've already recorded what you just said. I'll send it to Huang Nian later!"

He tiantian: "Jiang Yue, you... you... You Dare! If you dare, I'll send a photo of me taking off your underwear to your bro!"

"..."

Faced with the scene of Jiang Yue and he tiantian bickering, the corners of Shi Yao and Leng Nuan's lips curled up.

After which, Shi Yao couldn't help but mutter softly, "I'm afraid that we won't be able to see such a good scene in the future..."

"Indeed. In less than a month, we'll be taking our final exams. After the spring festival, everyone will be busy with their internship, and then... we'll go our separate ways..." after hearing Shi Yao's words, Leng Nuan nodded, understanding what she meant, she spoke up as well.

Hearing their words, he tiantian and Jiang Yue didn't argue anymore. Instead, they turned their heads to look at Shi Yao and Leng Nuan.

Jiang Yue: "I've already told my parents that I don't want to go back to my hometown. I want to stay in Beijing, and my buddy promised to help me keep an eye on my job. Once I find a good internship, I'll be able to completely take root in Beijing!"

He Tiantian: "I'm not going back either. I'll stay in Beijing too. Didn't senior Lu already buy a house in Beijing? Nuannuan, you're definitely going to stay in Beijing too, right? That's why the four of us will still be in the same city in the future. Even if we graduate, we won't be separated..."

Jiang Yue: "That's right, that's right. We'll still be together. But speaking of which, senior Lin has already proposed to yaoyao. When we graduate, it should be about time for the wedding, right? Then nuannuan, what about you? When are you going to make the appointment with senior Lu?"

When Leng Nuan heard Jiang Yue's words, her fingertips trembled slightly. Her tone was as calm as ever. "We'll talk about it later."

She seemed to be afraid that everyone would continue to ask her about this topic. The next second, she opened her mouth again. "Hurry up and go get lunch. If you don't go now, all the delicious food will be taken away later..."

..

After lunch, Leng Nuan didn't return to her dormitory room. Instead, she headed straight to the entrance of the school, as she had already made an appointment with Lu Benlai to watch a movie in the afternoon.

Jiang Yue and Leng Nuan went to the entrance of the school together, and she had an appointment as well. She had an appointment with her best friend of two years, Lin Jiage's childhood friend Liang Jiusi, to go to comic-con in the afternoon.

Actually, he tiantian and Shi Yao both had an appointment, but they were running a little late. Thus, the two of them returned to their dormitory room to rest for a while before carrying their textbooks to a cafe near the school.

They said that they were here to revise, but after they sat down, Shi Yao really put on her silencer and started working on her questions. On the other hand, he tiantian was holding onto her phone and chatting away.

From her expression, Shi Yao could tell that she was definitely chatting with desolate year.

Half an hour later, he tiantian suddenly stretched out her hand, she took off Shi Yao's headphones and said, "Yaoyao, I might have to leave you here alone... I'm going to the market to buy some vegetables. I've already made an appointment with desolate year to make hotpot tonight..."

Shi Yao waved the pen in her hand, gesturing for he tiantian to leave.

He Tiantian gave Shi Yao a peck on the cheek, and after that, she carried the book back to where she found it.

Shi Yao put on her earpiece and continued writing on the paper.

Time slowly passed by.

Shi Yao didn't know how much time had passed, but just as she was about to finish the paper, a steaming cup of milk tea suddenly appeared beside her hand.
