Chapter 941: Probably because he was going to be a father (1)

After Shi Yao took a shower and changed into her pajamas, she placed Lin Jiage in her bedroom.

She was indeed a little tired, so she laid on the bed and closed her eyes.

Lin Jiage didn't disturb her, so he stayed by her side and accompanied her to sleep.

Not too long later, Shi Yao fell into a deep sleep.

It was still early in the morning, so Lin Jiage didn't feel sleepy at all. However, in such a quiet bedroom, as he gazed at Shi Yao, who was no different from usual, his eyes couldn't help but soften. ..

The scene two years ago, when they first got together, was as clear as day to him.

In the blink of an eye, she had given birth to his child..

Life is truly a wonderful journey. If you meet the right person, every day, every minute, every second of every year will be a pleasant surprise.

In a trance, Lin Jiage's hand uncontrollably lifted up and gently landed on Shi Yao's abdomen.

Her waist was still as slender as ever, and he found it hard to believe that it had already given birth to their child.

He had to admit that he had no feelings for a baby that had suddenly appeared, but he loved this baby because it was hers.

Lin Jiage didn't know how long he had been quietly staring at Shi Yao for, but his phone suddenly lit up.

He took out his phone and took a look. It was a message from Lu benlai, "Boss, are you coming out for a drink?"

.....

In the past, Lin Jiage would have rejected Lu Benlai unless Shi Yao was there. However, Shi Yao was already asleep today, and he wasn't sleepy at all despite the long night ahead. Thus, he simply agreed to it.

By the time Lin Jiage arrived, Xia Shangzhou and Lu Benlai were already drinking.

Upon seeing Lu Benlai walking over, they raised their heads in bewilderment and stared behind him. Seeing that they hadn't found the person they were looking for, they couldn't help but ask, "Boss, where's Little Junior?"

"She's resting," Lin Jiage replied nonchalantly before sitting down.

Lu Benlai had real wine in front of him, but Xia Shangzhou had sprite in front of him. Lu Benlai couldn't help but frown.

He didn't say a word, but Lu Benlai understood what Lin Jiage was trying to say, "Boss, are you also thinking that old Xia is really boring? Every time he comes out for a drink, he drinks sprite there..."

Lin Jiage didn't say a word, but he nodded his head in agreement. After which, he picked up the wine bottle and poured himself half a glass.

Xia Shangzhou: "It's not that I don't want to drink, it's just that I can't drink. I don't know when CEO Lin will call me and ask me to drive there..."

Lu Benlai raised his glass and clinked it with Lin Jiage's, as he drank, he mumbled to Xia Shangzhou, "It's always the same. Old Xia, I can almost recite it by heart. It's not that I want to criticize you, but as a graduate of G University, you're still a special assistant. Aren't you ashamed of yourself... it's not like boss hasn't told you before that if you need anything, you should ask for it. I don't understand why you're so afraid of Boss's sister? Not even daring to change jobs?"

Xia Shangzhou: "No, it has nothing to do with whether I'm afraid or not. There is a contract... back then, when I signed the contract, I had to fulfill it. This is a matter of integrity..."

As Xia Shangzhou spoke, he turned his gaze to Lin Jiage and began changing the topic, "... boss, in the past, it was impossible for you to come out if little junior didn't come out. Why did you suddenly come out today?"

Lin Jiage put down his wine glass and replied with two words, "I'm upset."

It wasn't easy for Xia Shangzhou to see Lin Jiage upset instead of showing off his love for Shi Yao, so Lu Benlai and Xia Shangzhou's interest was piqued.

Chapter 942: Probably because he was going to be a father (2)

Lu benlai: "What's troubling you?"

Xia Shangzhou: "Did you get into a fight with your junior?"

"How is that possible..." Lin Jiage said as he took another sip of his wine, "... perhaps it's because you're going to be a father, and that's why you're so upset."

Lu Benlai: "... what a slut!

Xia Shangzhou tilted his head. "... in the end, this was just a show of affection!

Even though Lu Benlai and Xia Shangzhou had suffered a huge blow, they quickly adjusted their state of mind and said "Congratulations" to Lin Jiage.

After putting down the wine glass, Lu Benlai couldn't help but ask, "Since Little Junior is pregnant, is your marriage going to happen soon?"

Lin Jiage replied with an "Un", "It'll probably happen next month."

Lu Benlai and Xia Shangzhou congratulated him once more, and the sober Xia Shangzhou looked as if he was drunk, he couldn't help but sigh, "I always thought that song chaoxi would be the first to get married, and boss would be the last to get married. Who would have thought that boss would be the first to get married... I reckon that after boss gets married, it'll be song Chaoxi's turn, and then it'll Be You, Old Lu..."

At this point, Xia Shangzhou couldn't help but ask Lu Benlai curiously, "... speaking of which, Old Lu, junior sister Leng Nuan is about to graduate. Aren't you going to propose?"

It would be fine if he didn't mention Leng Nuan, but when he mentioned Leng Nuan, Lu Benlai, who was in a good mood, suddenly tightened his grip on the wine glass in his hand. He lowered his eyelids, and no one noticed his strange behavior. He poured the wine into his mouth, only then raised the head to look at the Xia Shang Zhou with a smile: "Beg Ah... certainly is the request..."

With that, Lu Benlai lowered his eyelids again, as if he had encountered something difficult to understand, and poured himself a cup of wine, and then asked Xia Shangzhou: "Old Xia, what about you? You Don't even plan to find a girlfriend?"

"The girlfriend certainly still wants to look for..." Xia Shang Zhou's expression is as usual, completely did not reveal any has liked the person's Trace: "... However this kind of thing still has to see the predestination."

.....

Hearing those words, Lin Jiage still remained silent. He raised his wine glass and took a sip to show his agreement.

Lu Benlai had ordered quite a bit of wine, but most of it had already entered his stomach. He wasn't drunk, but he was still a little tipsy. He stared at Lin Jiage and Xia Shangzhou, and there were a few times when he opened his mouth to ask something, but he didn't manage to get it out of his mouth, it wasn't until he downed another bottle of beer that he finally managed to get rid of the thoughts that had been lingering in his mind for a long time, he spoke up, "There's a buddy in my company. He's had a girlfriend for quite some time now, but his girlfriend won't even kiss, hug, or hold his hand, much less have anything intimate with him... What do you think the reason is?"

Xia Shangzhou took a huge gulp of his sprite as though he was drinking hard liquor, "Is there even a need to ask? It must be because that woman doesn't like that man..."

Lu Benlai's fingers trembled slightly, and some alcohol spilled out.

He didn't say a word as he turned to look at Lin Jiage.

Meeting his gaze, Lin Jiage shook his head, "I'm not too sure, but what old Xia said does make sense."

Lu Benlai fell silent for a moment before suddenly bursting into laughter.

"It's possible..." he said those three words as though he hadn't said a single word before beckoning Lin Jiage and Xia Shangzhou to continue drinking.

Lin Jiage was worried that Shi Yao would be home alone and pregnant, so he left at eleven o'clock.

Not too long after Lu Benlai left, Xia Shangzhou received a call from Lin Jiayi saying that she wanted to eat spicy hotpot in the middle of the night.

Lu Benlai was the only one left in the room. He stared out of the window for a moment before calling the waiter over to give Leng Nuan a call.

In less than twenty minutes, Leng Nuan appeared in the room.

Lu Benlai was lying on the table with a drunken look on his face. He didn't move at all.

Leng Nuan walked forward and called out to him softly. However, she didn't reach out to touch him at all. In the end, Lu Benlai raised his head and looked at Leng Nuan with his drunken eyes, as though he couldn't tell who was who, after looking at her for a while, he called out, "Nuan Nuan..."

"Why did you drink so much? I'll call for the waiter and help you get into the car so that I can send you home..." as she spoke, Leng Nuan stood up and was about to call for the waiter outside the private room.

When Lu Benlai heard this, his fingers silently clenched into fists.

He was already drunk. She could just casually help him up. Was she not willing?

He stared at Leng Nuan's figure for a while. Then, just as she was about to leave, he suddenly reached out and grabbed her wrist.

His touch was like a bolt of lightning. She instantly lost her usual calmness and composure. She desperately tried to break free, but Lu Benlai tightened his grip on her hand, he even lowered his head and moved closer to her face..

Chapter 943: Boyfriend/girlfriend that doesn't look like a boyfriend/girlfriend (1)

Leng Nuan seemed to have received a great shock. She struggled even harder, and even her body began to tremble.

As Lu Benlai's face got closer and closer, her body trembled more and more violently. She tried her best to restrain herself from opening her mouth, and there were pleading words on her lips, very, very softly, she said, "Let me go... Please let me go... Let Me Go..."

Lu Benlai's action of getting closer to Leng Nuan paused slightly, as if he wanted to stop. However, in just two short seconds, he seemed to have made up his mind and lowered his head again.

His lips were getting closer and closer to hers. She could clearly feel his breathing.

At that moment, the man in front of her seemed not to be the Lu Benlai she knew, but a ferocious beast that would eat people in the dark..

Leng Nuan was so scared that tears were flowing out of the corners of her eyes. The panicked words in her mouth gradually changed into a scream.

In the end, she truly liked him, but she could not bear to part with him... although he had made up his mind, he still could not do it. Just as he was one centimeter away from touching her lips., lu Benlai stopped.

He opened his eyes and saw her face filled with tears, as well as the repulsion, disgust, hatred, and fear flowing out from between her brows.

Repulsion, disgust, hatred... Lu Benlai stared at her brows for a while, and as if he had suddenly lost his strength, the force of his fingers on her wrist suddenly disappeared.

She easily broke free from him, as if he was a ferocious beast. She took a few steps back and pulled the distance between them far away before she stopped.

She did not even look at him again. She only hugged her arm and leaned against the wall, shivering.

This made his heart ache and uncomfortable.

Lu Benlai subconsciously averted his gaze.

.....

He could clearly hear her soft sobs. He really wanted to comfort her, but he knew that if he got up, she would only be more panicked and scared.

He stared out of the window for a while, then pretended to be drunk and fell asleep on the table.

After a long time, the sobs finally disappeared. He heard her footsteps. It was very soft and timid. He looked at him for a while and made sure that he was really asleep. Then he walked out of the room, after a while, she brought the waiter back and sent him to the car.

Throughout the whole process, not only did she care about him, she even got close to him.

When she arrived at his place, she had already called his assistant in advance.

Just like when she came out of the bar, she still did not get close to him. She only asked her assistant to send him upstairs.

After he lay on the bed, she handed him a cup of hangover soup. Then, she said that she still had something to do and asked her assistant to take care of him. Then, she left in a hurry.

When he heard the door close in the living room, he opened his eyes.

When the assistant saw him, he immediately took the soup and said, "CEO Lu, this is the soup that sister Leng just made for you. have some..."

Lu Benlai glanced at the soup in his assistant's hand but didn't take it. Instead, he looked up at the clock on the wall. It was almost one o'clock in the morning, he said to his assistant, "It's getting late. You should go back and rest..."

"But sister Leng said that I should stay here and take pictures..."

Before his assistant could finish, Lu Benlai interrupted, "I'm fine. Just go if I tell you to..."

Chapter 944: Boyfriend/girlfriend that doesn't look like a boyfriend/girlfriend (2)

Before the assistant could finish his sentence, he was interrupted by Lu Benlai. "I'm fine. You can leave if I tell you to..."

With that, Lu Benlai lifted the quilt and got off the bed. He went into the bathroom.

When he took a shower and washed off the smell of alcohol all over his body, the assistant was already gone when he came out of the bathroom.

He was the only one left in the huge house.

It was very late, but he was not sleepy at all. He stared at the hangover soup his assistant left by the bed for a while, then put on a coat and went to the balcony.

It was very late at night, and the whole neighborhood was silent. The sky was so dark that there was not even a speck of Starlight.

Lu Benlai quietly raised his head and stared at the endless sky for a long time before he retracted his gaze. Then, he took out his phone and lowered his head.

He unlocked the screen and entered the phone's browser. What he saw was the official website of an international well-known brand of jewelry.

This was the page that he had not logged out of when he was searching for rings in his office in the afternoon.

Every ring inside was expensive and the style was very beautiful. He stared at the page alone and hesitated for a long time. He did not know which one to choose for her... but if he really bought it, he would give it to her, would she accept it?

Two and a half years ago, she made a bet with him. If it snowed on Christmas Day, she would consider him.

Unfortunately, the weather was not perfect that day. He made a fake snow in exchange for her consideration.

One and a half years ago, it was still Christmas Day. He made another bet with her. It was on the roadside of Chang 'an street. He looked at the cars speeding past in the middle of the night and told her that in half an hour, if the final number of the cars was an even number, then she would fulfill one of his wishes. If it was an odd number, then he would fulfill one of her wishes..

.....

She agreed. In the end, he won. In fact, she won. However, he made preparations in advance and had his assistant wait near Chang 'an street. At the last moment, he changed the situation.

The wish that he raised was very simple. It was the wish that he had been looking forward to ever since the first time he saw her at G University — to be his girlfriend.

He could tell that she was hesitating that day, but in the end, she said, "I'll take my chances."

Just like that, he and she became the most unlikely couple in the world.

For the past year and a half, they had seen each other often and had gone on a date every weekend, but they were like the most ordinary couple in the world, with no interaction at all.

That's right, they had not even held hands, hugged, or kissed.

At first, he felt that she might have slowly warmed up. He did not think too much about it because he truly liked her. It was not because of these intimate things. However, over time, she had always been cold and indifferent, he would always feel uncomfortable in his heart.

She had considered him because of gambling. She had agreed to be with him because of gambling... perhaps in the bottom of her heart, she had never thought of being with him... not even a little, otherwise, why would she still treat him as the most unfamiliar man in the world after so long.

Lu Benlai, who had been in a trance for a long time, was jolted back to his senses by the vibration of the phone in his hand.

He pursed his lips slightly and took a look at the time. Seeing that it was already very late, he returned to his bedroom.

..

After returning home, Lin Jiage first took a look at Shi Yao in the bedroom. Seeing that the young lady was still in a deep sleep, he discreetly walked into the bathroom.

Chapter 945: Nervousness (1)

After taking a shower, Lin Jiage quietly climbed into bed.

In the past, it wasn't as if he had never come back late when he was busy, and it wasn't uncommon for her to fall asleep in such a manner. However, back then, when he was in bed, he would naturally hug her in his arms. However, today, he had the urge to hug her out of habit, thinking about how she was pregnant and how he was afraid that he would crush her stomach, even though he knew that he was making a big fuss over nothing, he still couldn't help but feel a little worried. In the end, he decided to pull himself back.

Perhaps it was because he had drunk a little wine, but his drowsiness quickly returned.

Just as he was about to fall asleep, he heard Shi Yao talking beside him.

At first, he thought that he was hallucinating or dreaming, so he didn't pay too much attention to it. However, it didn't take long before Shi Yao spoke up once more.

He instinctively woke up and turned to look at Shi Yao.

He thought that she had woken up, but to his surprise, she was still in a deep sleep. However, the corners of her mouth were twitching non-stop.

Her voice was very soft, so he couldn't hear her clearly. Thus, he moved closer to her, and it was only then that he realized that she was muttering, "Daddy... Mommy... Mommy... Daddy..."

Was he dreaming? Was he dreaming about her parents? Over the past two years, her parents hadn't contacted her, and she hadn't contacted her parents either. She seemed to be very happy every day... but in reality, wasn't she really happy? In her heart, did she still care about her parents?

Lin Jiage felt as if something had stabbed him in the chest, and a sharp pain suddenly rose in his chest.

That's right, he had been careless. He thought that her parents wouldn't pester her, and she would try her best to get something from Lin Jiage for them, and that would be the end of it... but behind that, he had forgotten one thing.., that was that soft bun also needed family ties..

She was afraid that he would worry, so she didn't show it in front of him, right?

If he hadn't happened to Hear Her Dream Words Tonight, would she have been able to bear the pain and longing for the rest of her life all by herself?

.....

..

Perhaps it was because she knew that she was pregnant, but the next day, Shi Yao woke up even earlier than before.

Lin Jiage was still asleep, so she didn't disturb him. Instead, she quietly got out of bed and went to wash up first.

Old Mister Lin knew that she was pregnant, so naturally, Grandpa Lin, who had always treasured her, treasured her more than anyone else. Thus, when Shi Yao came out of her bedroom to get some water.., she saw that Auntie Sun was already busy in the kitchen with the chefs of the Lin family's old residence.

With Auntie Sun around, there was naturally no need for her to do anything. Shi Yao took a look at the content of the lecture for the day, and while she was waiting for breakfast, she couldn't help but recall the dream she had last night.

Perhaps it was due to her sudden pregnancy, but last night, she actually dreamt of her father and mother.

Over the past two years, she had been asking Gu Nanqiang about her parents' condition. When she found out that her mother wasn't feeling well, she even secretly gave Gu Nanqiang some money to bring back, she asked Gu Nanqiang to give it to them as compensation.

She had also secretly visited her parents when Lin Jiage wasn't aware of it. From Gu Nanqiang's words, she knew that her parents were very poor. Every time they felt indignant, they would resent her as their daughter, calling her an ingrate, she thought about how her parents wouldn't be happy to see her either, so even though she had secretly visited them, she had never really met them.

Chapter 946: Nervousness (2)

Shi Yao didn't spend too much time in her dream last night, so Auntie Sun called her over for breakfast.

Lin Jiage had already woken up, and he was currently washing up.

After breakfast, Lin Jiage sent her off to school with the same cautious look on his face.

Before getting off the car, Lin Jiage had been nagging at Shi Yao, and she was getting annoyed by his nagging. However, just as he was going on and on, she suddenly stuck her head out and kissed him on the lips.

Lin Jiage immediately fell silent. Only after Shi Yao's ears finally cleared did she leave his lips. Then, she reached out and pinched his face, "I'm going to work. You too, go to work. Be Good..."

After saying those words, Shi Yao picked up her bag, leaving Lin Jiage in a daze. She then got out of the car and entered the school.

After she reached her office., she received a wechat message from Lin Jiage: [Yaoyao, do you dislike me for being so long-winded... I admit that I'm a little nervous, but this is your first time being a mother, and this is my first time being a father. I'm panicking...]

Seeing the message, Shi Yao couldn't help but chuckle lightly.

A warm and blissful glow could be seen on her face.

However, the words that she replied to Lin Jiage with her fingertips weren't as beautiful as they seemed. "Nervous? I think you're using the wrong word? I think it's clearly nerves..."

"It's nerves."

"Nerves!"

"Nerves..."an aggrieved expression followed behind her.

.....

"Nerves! Nerves! Nerves!"Shi Yao typed three times in a row, as though she had something important to say three times.

"Alright, neurotic..."a sobbing emoticon followed.

Shi Yao tried to imagine the version of Lin Jiage sitting on the floor crying, and she couldn't help but burst into laughter. However, before she could reply to Lin Jiage's message, the bell for class rang, and she put down her phone, she took her textbook and headed to the classroom.

It wasn't until noon when Shi Yao went to have lunch that she finally had the time to take a look at her phone.

After she left, Lin Jiage had sent her a lot of 'neurotic'messages. In the end, perhaps it was because she was ignoring him, it became 'I was wrong...'

Seeing Lin jiage muttering to himself for the entire morning, Shi Yao couldn't help but chuckle once more. She grabbed her phone and was just about to call Lin Jiage when she suddenly saw a familiar figure standing at the entrance of the school, she saw a familiar figure standing across the road.

It was as if her acupoints had been struck, and she subconsciously froze on the spot.

She stared at that figure for quite some time, but before she could regain her senses, that figure seemed to have sensed that someone was looking at her, and it turned around to look at her.

Shi Yao and that figure were standing across the road, staring at each other quietly.

After an unknown period of time, a student walked past Shi Yao and called out to her, "Teacher Shi."

Shi Yao snapped back to her senses and smiled at the student. Then, her gaze fell on the figure across the road once more.

This time, their gazes didn't meet for long before Shi Yao began striding across the road.

The figure didn't leave at all. As Shi Yao got closer and closer, Shi Yao could clearly feel that the figure's lips were moving, as if it wanted to speak to her.

For some reason, Shi Yao began to feel a little nervous as well. When she was less than two meters away from the figure, she could clearly feel her fingertips trembling.

Stopping in front of the figure, she opened her mouth and opened it again. Only then did she manage to force herself to speak, "..."

Chapter 947: Preparing for the wedding (1)

"Mom..."

Perhaps due to her pregnancy, Shi Yao's emotional reaction was a little stronger than the average person's. When Shi Yao uttered those words, tears welled up in her eyes, and she nearly burst into tears on the spot.

Shi Yao's mother seemed to be at a loss for what to do. There were several times when she wanted to look at Shi Yao, but she didn't dare to make eye contact with her.

Perhaps it was because she had opened her mouth, but it was much easier for Shi Yao to ask, "Mom, why are you... Here?"

"I... I..." Shi Yao's mother stammered for a long time before she finally managed to finish her sentence, "... I came here to look for a job, but I didn't expect to meet you here..."

As she spoke, Shi Yao's mother glanced at the school behind Shi Yao and asked, "... Yaoyao, you work here now?"

Shi Yao nodded and replied with an "En" before asking, "Mom, have you had lunch? If not, why don't we have lunch together?"

"Sure, sure..." Shi Yao's mother hurriedly replied.

Shi Yao remembered what her mother liked to eat. Initially, she wanted to eat something light, but in the end, she still brought her mother to a nearby Sichuan restaurant to eat boiled fish.

After all, it had been more than two years since they last saw each other, so the two of them couldn't help but feel a little awkward with each other. Fortunately, they managed to eat the entire meal peacefully.

When it was time to settle the bill, Shi Yao couldn't help but ask Shi Yao's mother, "Mom, my dad, he, he..."

Before Shi Yao could finish her sentence, Shi Yao's mother spoke up, "Your dad is getting on in years. His health hasn't been too good these past two years, but he's still fine..."

Shi Yao replied with an "Oh", not knowing how to respond.

.....

However, mother Shi quickly spoke up again, "Yaoyao, do you blame your father and Me In Your Heart?"

“Yaoyao, your father and I have indeed let you down for what happened back then, and we...” mother Shi seemed like she wanted to say something, but just as she was about to say something.., she swallowed her words back down,” ... sigh, forget it. Let’s not talk about those things anymore. In the end, it’s just your father and I who are at fault... Yaoyao, if I have the time in the future, can I still come here to visit you?”

Over the past two years, Shi Yao had dreamed countless times that her mother or father had come to look for her, telling her that they would never do that again... she had always thought that this scene would only exist in her dreams, but she didn’t expect that it would come true today.

In the end, Shi Yao couldn’t hold back her tears, and they fell uncontrollably.

Seeing her cry, Shi Yao’s mother’s eyes reddened as well.

“Mom, don’t Cry...” Shi Yao reached out her hand, wanting to wipe Shi Yao’s mother’s tears away.

Shi Yao’s mother raised her hand and wiped her face, “Don’t cry, Don’t Cry...”

She said that she wouldn’t cry, but the tears in Shi Yao’s mother’s eyes grew even more. She couldn’t even wipe them away in time, and in the end, she burst into laughter.

Seeing her mother laughing, Shi Yao also burst into laughter.

..

Shi Yao had classes in the afternoon, so she didn’t spend too much time chatting with her mother before parting ways.

After returning to school, Shi Yao made a call to Lin Jiage for a while before heading back to class.

Lin Jiage was currently at work, and while he was typing on his keyboard, he was busy chatting with her at the same time.

While they were chatting, most of the time, Shi Yao was the one talking. She said that she had bumped into her mother by chance and that her mother had reconciled with her..

Even through the phone, Lin Jiage could feel that Shi Yao was so happy that she wanted to spin around on the spot.

Just as she was happy, so was he.

However, after hanging up the phone, Lin Jiage suddenly stopped typing. Instead, he took out his phone and tapped on it for a moment, after which, he made a call, “The money I promised you has already been transferred over. Please check it for me...”

Chapter 948: Preparing for the wedding (2)

“... I don’t have any other requests. I just hope that you won’t reveal any flaws in front of her.”

Lin Jiage didn’t spend too much time chatting with her before hanging up the phone.

He didn’t continue working. Instead, he stared at the words ‘Shi Yao’s mother’ that he had just dialed for a moment before putting down his phone and returning to his work.

His fingers swiftly tapped on the keyboard, and the smooth tapping sounds were exceptionally refreshing in the office.

However, not too long after tapping on the keyboard, Lin Jiage came to a stop.

Soft Bun said that she had bumped into her mother at the entrance of the school, and she said that it was fate... how could there be so many coincidences and fates in this world? Sometimes, there were just some coincidences and fates., it was just a deliberate plan by someone with good intentions.

It was just like how, in this world, there was an 80-90% chance that nothing could be done perfectly, but he was willing to weave a perfect ending for her.

..

On the day Shi Yao learned that she was pregnant, Lin Jiage's first reaction was to tell his grandfather that he and Shi Yao had to make the best use of their time to hold the wedding.

He had thought that the wedding wouldn't be held until the summer vacation, but who would have thought that old Mister Lin would be so quick to get things done that Lin Jiage would be horrified, from the hotel to the wedding dress to the wedding gown to the trivia of hand-made gifts and wedding candies, it didn't take long for Old Mister Lin to come up with several plans for them.

When Lin Jiage received those plans, he couldn't help but feel a chill run down his spine. For some reason, he felt as if he had fallen into some kind of trap.

Old Mister Lin was still willing to make do with the auspicious date. It wasn't that he was superstitious, but it was purely for the sake of good fortune. Thus, the auspicious date was set for June, as such, Shi Yao and Lin Jiage's wedding could only be arranged on June 21st.

Even though Shi Yao didn't have to do anything to prepare for the wedding, she would still have to discuss everything with her. In old Mister Lin's words, the bride was Yaoyao, so everything had to be done according to her liking, thus, Auntie Sun had to ask Shi Yao about everything from the decorations to the invitation cards before making her decision.

.....

However, there were still two things that Shi Yao needed to do personally. The first was to try on the wedding gown.

Due to Shi Yao's pregnancy, Old Mister Lin had already thought of her as a precious person, so she was even more precious now. As such, the wedding gown had to be delivered to her house personally for Auntie Sun to take care of and try on.

The other thing was the wedding ring. On a weekend, Lin Jiage personally accompanied Shi Yao to the shop to try on the wedding ring.

The appointment that Lin Jiayi had made for them happened to be in the morning, and the afternoon was the day of Shi Yao's prenatal check-up.

As they had two things to do in a day, Lin Jiage and Shi Yao decided to head out a little early that day.

By the time they arrived at the shop, there were no other customers other than the two of them.

It just so happened that Shi Yao was enjoying her free time as well, so she took her time to look at the matching rings at the counter.

After about half an hour, a polite voice sounded from the door, "Welcome."

There's a new customer here... Shi Yao couldn't help but take a quick glance at the door, and she couldn't help but feel embarrassed in her heart.

Speaking of which, it was truly a fantasy. Most of the time, people would just leave, and they would never see each other again. However, she seemed to have bumped into Qin Yiran a little too frequently recently... if she remembered correctly..., in this month, she had bumped into her twice, right?

Chapter 949: Should I know? (1)

Lin Jiage was waiting for Shi Yao's opinion on the new pair of rings. After waiting for quite some time, seeing that there was no response from her, he couldn't help but glance at her before following her line of sight to the door.

After taking a glance at Qin Yiran, Lin Jiage lowered his head and asked Shi Yao, "Do you know the person who came?"

"..." Shi Yao was rendered speechless for a moment before asking, "... Don't tell me you don't know him..."

"Should I know him?" Lin Jiage asked nonchalantly.

Shi Yao was rendered speechless once more, "..."

The shop was very quiet. Even though their conversation wasn't very high, it still managed to reach Qin Yiran's ears.

Shi Yao could clearly see the awkward expression on Qin Yiran's face.

Even though Shi Yao did Loathe Qin Yiran back when she was still in university, it had been more than two years since then. Shi Yao didn't want to dwell on the past too much, so she waited for Qin Yiran to leave a little further away from her and Lin Jiage, only then did she discreetly ask Lin Jiage, "Do you really not remember, or did you do it on Purpose?"

"I really don't remember..." Lin Jiage paused for a moment before asking, "... She's from G University?"

It seems like Lin Jiage really forgot... Shi Yao replied simply, "That's right, she's from G University. The Peach Blossom you provoked in the past was the campus belle..."

Hearing those words, Lin Jiage suddenly recalled something.

No matter how he put it, she looked a little familiar. So, she was the campus belle who always liked to use her alternate account to scold others on the forums... but it seemed like she didn't look the same anymore, and her facial features had become a little more exquisite, but she also looked a little more unnatural... she must have used a lot of knives, right?

However, Lin Jiage didn't think that Qin Yiran had much to do with him, so he wholeheartedly accompanied Shi Yao to continue choosing the right ring.

.....

After choosing the right ring, before paying the bill, Lin Jiage recalled that Shi Yao had taken a few more glances at a set of jewelry and a pink diamond during the process of choosing the right ring, so he had the salesperson take them out and give them to Shi Yao to wear, after which, Lin Jiage tossed out a card and calmly gestured for the salesperson to pay for the items that Shi Yao had tried on.

After paying the bill, Lin Jiage and Shi Yao were invited to the lounge to wait for the salesperson to help them pack the jewelry they had chosen.

Qin Yiran hadn't left the shop yet. From time to time, she would choose a ring and try it on. After asking about the price, she would return the ring to the salesperson.

It didn't take long before Lin Jiage and Shi Yao took the items they had bought and were escorted out of the shop by the shop assistants.

Before they left, Qin Yiran picked out a pretty and inexpensive ring. She took a photo and sent it to her current boyfriend, "I want to buy this ring."

She didn't receive a response for a long time, but by the time she called, the other party's phone was already switched off.

The salesperson who received Qin Yiran saw that she did not pay the bill for a long time and did not take off the diamond ring, so she asked politely, "Miss, what do you think of this ring?"

Qin Yiran did not give up and made another call. Her phone was still switched off. Only then did she take the phone down from her ear and return the ring. "I don't like it very much. Let me take a look at it again..."

After which, Qin Yiran pretended to walk around the shop for half a circle before leaving.

After leaving the jewelry shop, Qin Yiran made another call to her boyfriend, but her phone was still switched off. When she hung up the call, she recalled how Lin Jiage hadn't even blinked his eyes a moment ago, the scene where she had only dared to secretly look at pictures on her phone this year, but she couldn't afford to buy that set of jewelry for Shi Yao..

Chapter 950: Should I know? (2)

Look, to Shi Yao, the things that she had dreamed of all her life could be easily obtained by her.

But what about her? After graduating, she found a job that she couldn't make ends meet. Later on, she began to mingle with her various boyfriends. Eventually, she got pregnant, and she didn't even know who the father of the child was, however, she was very clear that it was not her current boyfriend's... However, she could only forcefully deduct this child from her current boyfriend. There was no other reason, because he was the richest, and of course, he was not willing to spend money on her, otherwise, she would not have been able to get through to her phone after seeing the picture of the diamond ring that she had taken for him.

Actually, she didn't intend to enter this jewelry store today. Every single item from a world-renowned brand would have a six-digit starting rate, and it wasn't something that a person like her could afford. Yet, she managed to catch a glimpse of him through the window..

It had been a long time since she last saw him, but he was still able to move her heart. Over the years, she had changed from one boyfriend to another, and she had long forgotten the feeling of her heartbeat. However, Lin Jiage was able to bring her the same feeling that she had many years ago at G University, on the field, she walked past him in her military training uniform, and she caught a whiff of a pleasant scent. She turned her head around, and from then on, she couldn't help but take a glance at him.

The current him wasn't as youthful as he was in g university, but he was more composed and stable, making him even more tempting to daydream about.

She thought that over the past few years, she had worked hard to make herself beautiful, and today, she had even put on makeup and done her hair. Perhaps, he would look at her more often, so she stepped into that jewelry store, but all she got in return was a single sentence from him: Should I know him?

..

After lunch, under Lin Jiage's careful care, Shi Yao arrived at the hospital.

After a long examination, Lin Jiage noticed that there were quite a few men around him holding the pregnant woman's waist with one hand, and the other holding the woman's arm as they walked carefully along the corridor. Thus, he imitated the same method and helped Shi Yao up, and so, in the doctor's office, he kept asking her questions about her child, her blood pressure, and how she should be taken care of... Shi Yao, who was suffering from a headache., he pushed her away from his side.

Lin Jiage didn't get angry at all. After regaining his balance, he moved closer to Shi Yao like a little puppy and said, "Yaoyao, I'm practicing ahead of time. Sooner or later, your stomach..."

Shi Yao didn't need to think too much to know that Lin Jiage was going to come up with a long line of lies. She subconsciously opened her mouth to shut him up, but before she could finish her words., suddenly, the shrill scream of a woman echoed from ahead.

"I don't want it! I don't want it! I just don't want it..."

The voice sounded a little familiar, but Shi Yao couldn't recall who it was for the time being.

.....

It wasn't that she and Lin Jiage were having a good time, but that they had to pass by the source of the sound before they could leave the hospital building.

There were already quite a few people gathered there, but when Shi Yao and Lin Jiage got closer, they were still able to clearly see the scene of the incident..

A middle-aged man was furiously tugging at a woman, he was heading toward the obstetrics and gynecology department. "You have to take it even if you don't want it. You're taking my money to raise the bastard in your belly. In your dreams! I'm telling you, you have to get rid of this child, or else you'll be embarrassing me!"
