

When Life Takes a Turn – Chapter 0063

Faye was already unbearably fatigued at this point as the relentless drug was coursing through her body rampantly.

She was in a terrible state. Her breathing sounded rushed, and she had just widened her mouth to speak when her legs buckled. Having lost the ability to support her own weight, she slumped into Zayn's arms. Zayn could only hastily hold her tightly so that she would not topple over.

Faye's body was so limp now that she was hanging on to him.

The scent emitting from her body was even more intense now. Not only was her body limp, but her gaze was also glazed over as well.

However, Zayn was more than infuriated now. That b*st*rd Ethan had actually done this to Faye!

At the same time, he was grumbling about Faye in his heart. He had already advised her against this, yet she had refused to listen to her. As a result, she had fallen into his trap.

“S-Sir... Thank... Thank you...” Faye's voice was shaking even when she said that. As she exerted a lot of strength to express her gratitude, her eyes turned even mistier now.

Zayn's expression turned serious upon witnessing her condition. Faye was about to lose control of herself, so she had to be sent to the hospital as soon as possible. Otherwise, she would be in deep trouble!

He spoke, “Detain these people and send them to the police station. They will be dealt with accordingly.”

“Yes, sir!” someone said respectfully.

Ethan scolded recalcitrantly, “Who do you think you are? Why are you crossing me? Have I offended you or something? Reveal yourself if you have the balls to do it and see how I’m going to get you killed.”

A loud smack was heard when a burly man delivered a heavy slap to Ethan’s face. He slapped him so hard that Ethan was spitting blood out from his mouth and his mind, becoming momentarily dazed.

“Shut up! How dare you still be haughty when death is practically on your doorstep? My boss could crush an ant like you into pieces,” the burly man scolded coldly.

Ethan behaved himself at once after being slapped. The burly man had actually addressed the man as ‘sir’. It seemed that the man in the clown mask was no ordinary person!

Moreover, he could see from the corner of his eye that the owner of Fireflies was standing outside the room. The owner’s face was filled with anxiety and fear, and he did not have the courage to enter the room. Upon witnessing the scene, Ethan’s face turned even paler. He realized that he was truly at a disadvantage now. Though, he could not figure out how Faye had acquainted with someone as impressive as this.

Before Zayn helped Faye out of Fireflies, he turned around and said to the men in black, “Detain all of them and send them to the police station. If they don’t receive the punishment that they deserve, I will hold all of you accountable!”

Upon saying that, he left with Faye without looking back.

Faye had already begun to lose control of herself before she managed to take two steps forward.

Zayn’s expression changed drastically at once.
