

When Life Takes a Turn – Chapter 0065

Faye wanted to speak to him more so badly. She wished that she could keep him for the night so that he could accompany her in her current circumstances.

“Sir, I’m really sorry about the incident earlier. Frankly, I’m not like that on usual days, I...” Faye was so ashamed that she could not finish her sentence anymore.

Zayn was amused by her because he had never expected that she could be so shy. On the surface, he nodded calmly and said, “It’s best if you’re more cautious from now on. It’s a dangerous place out there, and someone isn’t going to turn up and rescue you every time.”

Faye lowered her head. It was strange because she was obviously being scolded by the chairman, yet she did not feel embarrassed or furious. On the contrary, she felt that he was being rather sweet and she was touched. It felt like he cared for her.

“Hmm, I won’t do it again from now on...” Faye said softly with a gentleness that she had never expressed before.

In his heart, Zayn was upset He had done many things for her to show her that he cared for her in the past four years, but she had never been touched like this before. The chairman of Violet Vision had only saved her once, and she was already so touched by his action. It was fortunate that he was the chairman. Otherwise, he would have been cheated on for sure!

Noticing that Zayn was about to leave again, Faye braced herself to request, “Can you stay and accompany me?”

“No,” Zayn rejected her immediately.

Faye felt very dejected at once. Then, he said, “You’d better call your husband, so he can come over, take care of you, and send you to the hospital for treatment.”

Upon saying that, Zayn disregarded her and left right away.

Faye felt unusually dispirited in her heart as her eyes trailed after his departing silhouette. She felt as if her world had darkened once more.

“Goodness! What’s going on with me? He is the superior chairman of Violet Vision. How can he really be interested in me? Furthermore, you’re a married woman, Faye. You have to act like a good wife!” Faye shook her head strenuously in an attempt to shake the image of the chairman’s silhouette out of her mind. However, she could not do it. After tonight’s incident, she found that she could not stop thinking about the chairman even more.

She considered it for a moment. She did not call Zayn but asked Yvonne to come to pick her up instead.

As her best friend, Yvonne was the best option in this sort of incident. As for Zayn, she figured that it was best for her to leave him be.

“Hello, Yvonne, are you free now? Can you please pick me up from Fireflies? Things got a little complicated. We’ll talk more when you’re here,” Faye said, “Oh, right, can you please help me to pick up a set of new clothes on the way here?”

It did not take long before Yvonne was here. She had yet to go to bed at this time because she was planning her strategy at home. She wanted to figure out a way to capture Zayn’s heart within the shortest period of time. In truth, she did not feel like coming over to see Faye when she received the call. Now that she had already decided to seduce Faye’s husband, it felt rather strange for her to meet her friend. Nevertheless, Faye sounded like she was pleading with her on the phone call. Unable to bring herself to reject Faye, she went.

When Yvonne saw Faye lying on the bed, she said with a peculiar expression, “Faye, are you here on a date with a handsome hunk? Is that why you put up such a grand show?”

She could not help rejoicing in her heart. If Faye really was on a date with a man and Zayn were to hear of this incident, she would stand an even better chance.

Faye said in a displeased tone, “It’s not a date. I was...”

Next, Faye explained what happened that night to Yvonne. When she was done, she patted her chest to soothe her lingering fear and said, “I’m lucky for the chairman of Violet Vision’s timely arrival. Otherwise, I’d have been doomed!”

Upon hearing that, Yvonne’s expression turned very unpleasant.

Noticing her friend’s expression, Faye assumed that Yvonne did not believe her, so she hastily said, “Yvonne, you do believe me, don’t you? You know me well enough to know that I wouldn’t engage in such a shameless act!”

Yvonne replied disdainfully, “Shameless act? Based on that look on your face earlier, it looks like you’ve fallen for the chairman!”
