

Wonder Doctor

Chapter 1071

The Qionghua Mountain martial arts arena was packed today.

This is because many people know that today is the day when Ling Sa takes on Wu Jiao.

Although on weekdays, there are many competitions in the martial arts arena.

But a challenge like this one, which concerns a small team, still attracts a lot of attention.

Especially since everyone in the entire Qionghua Mountain was in a squad.

Every year when Mount Qionghua recruited people, there would be all sorts of challenges when squads were assigned.

It couldn't be helped that each squad needed to elect a captain, and naturally the squad's challenges would start because of the captain's choice.

This time, however, the challenge had a somewhat awkward name: the old captain didn't want a new team member, something that really intrigued some people.

Especially since the person in question was also the girlfriend of the newly promoted dark horse Lin Ran, this naturally triggered more people to look around.

"Brother Li, you're here too!"

Looking at Li Mu Di and Fire One Sword coming together, Lin Ran couldn't help but be a little surprised.

"Lin Ran, I heard that you made a date with Dragon Ridge Heaven?"

Li Mudi asked busily.

"Hmm! That counts!"

Lin Ran laughed.

"Are you sure about that? That's the Dragon Ridge Sky!"

Li Mu Di asked busily.

"How do you know if you're sure unless you try!"

Lin Ran laughed.

Li Mudi was stunned at his words, then actually laughed as well.

"I really didn't miss you in the first place, but you're so fierce that you're making Brother Fire and I a little stressed!"

"Lin Ran, I don't think you've been to the Ninth Floor Hall yet!"

Fire Yijian suddenly asked.

“Right!”

Lin Ran nodded his head.

He wasn't in a hurry to break into the Ninth Floor Hall, it was right there after all, the priority right now was to improve his strength first.

“I advise you to go there when you have time, the Nine Layer Hall allows you to pick a weapon from the first layer, and if once you pass this weapon you can also take it with you, and you can even get a corresponding set of gong methods when you pass the ninth layer!”

Fire One Sword busily said.

“A corresponding gong method?”

Lin Ran was stunned, he really didn't know about this.

“Yes, for example, my current magic weapon is a flute, but my weapon inside the Ninth Floor Hall is a willow sword!”

Li Mu Di was busy saying.

“And when I pass the ninth level, I will be able to get a set of the willow sword's technique!”

“Why do you need to pick a weapon when you have a magic weapon?”

Lin Ran was stunned.

Li Mu Di and Huo Yi Jian, however, were stunned and shook their heads.

“I don't really know about this, but it's said that the weapon will also be of great use in the future, so you mustn't pick it casually when picking it!”

Li Mu Di still reminded.

“Hm!”

Lin Ran nodded his head.

As the three of them spoke, the entire martial arts arena was already full.

“Hey hey! Ranzi, someone's coming!”

Next to him, Wang Yifeng patted Lin Ran and pointed to the entrance of the martial arts arena in the distance.

He saw that at the entrance to the martial arts arena, three figures were walking in, and the one at the head of them was Wu Jiao, whom he had met in the underground auction hall.

“The one next to him is his younger brother and his follower, Wu Xiu!”

Li Mu Di introduced.

“That one is another one outside their squad, named Peng Chang!”

Fire Yijian then pointed to the last one and said.

“They’re all here!”

Lin Ran smiled faintly as he swept his gaze over the three, finding that the strongest one was also Wu Jou, at the peak strength of the Heaven Seizing Realm, while the other two were a little worse, both at the middle Heaven Seizing Realm.

“Lin Ran!”

Suddenly, a crisp voice rang out, followed by Long Ya running over.

“Long Ya beauty, why aren’t you with your? squad together?”

Li Mu Di asked with a smile at this.

Long Ya was a famous beauty on Qiong Hua Mountain, but she had never looked at Li Mu Di or Fire Sword before, but now with Lin Ran the relationship was not ordinary anymore.

“Why are you with them? I’m here to find Lin Ran!”

Long Ya said in a bad mood.

At this moment, Lin Ran also felt that two eyes were falling on him.

Following Li Mu Di’s gaze Lin Ran turned his head to look, only to see a man and a woman sitting in the stands staring at him, the woman was thoughtful while the man was full of hostility.

“These two are, Yue Qunshan and Feng Xi, both from the Long Ya squad, each with strength at the peak of the Heaven Seizing Realm!”

Li Mu Di said in a low voice.

Lin Ran didn’t move a muscle and nodded his head.

This Yue Qunshan looked somewhat familiar, and with that name, it seemed that he was also from the Yue family, but he should be from the inner clan, he just didn’t know what the relationship with Yue Shan was.

Thinking about Yue Shan, since he had cleaned up this old man last time himself, he had been quite peaceful.

“Hm?”

Suddenly, Lin Ran’s gaze was drawn to a youth next to him.

The youth was wearing a light green robe and sat in place without saying a word, as if he had also come to spectate.

However, Lin Ran sensed a familiar aura from the other party, as if he had seen it somewhere before.

The youth also noticed Lin Ran, and immediately revealed a smile.

Lin Ran was stunned at this and smiled along with him.

“Lin Ran, can we begin?”

Immediately after the three Wu Jiao took their seats, they began to get angry.

“Been waiting for you!”

Ling Sa returned with an icy cold bland face.

“Good! Then come up!”

Wu Jiao laughed out loud and immediately jumped onto the middle bouting platform.

“Hmph!”

Not to be outdone, Ling Sa also coldly snorted and jumped up after her.

“Sister, before we start again, I’d better remind you that although I, Wu Jou, don’t see your strength, I can still be human!”

“After all, you are also a beautiful woman, as long as you withdraw yourself, I won’t make things difficult for you, and I can even love you properly!”

Wu Jiao suddenly laughed.

Lin Ran on the stage heard this and his face sank.

“You have a dirty mouth, I hope you won’t cry for mercy later!”

Lin Ran’s face was bland, but there was anger in her eyes.

“Begging for mercy? Just by you?”

Wu Jiao laughed.

“Big brother, what’s the point of talking to her, a new girl still thinks she’s so powerful, just waste her!”

On the stage, Wu Xiu laughed.

“Don’t worry!”

Wu Jou smiled, his face full of confidence.

“To be fair, I will only use 70% of my power, so that no one will say that I, Wu Jou, am bullying you!”

Wu Jou looked at Ling Sa and smiled.

Anyone with a discerning eye could see that he, Wu Jou, was at the peak of the Heaven Seizing Realm, while Ling Sa was only at the middle stage.

“No need!”

Ling Sa’s voice was bland.

“This ninny is afraid she’s stupid, an intermediate stage dares to challenge the pinnacle too?”

“Guess she’s just arrived with a high heart, can’t help it, she doesn’t know how to grow until she suffers some losses!”

“Hey, but this Ling Sa is really pitiful too, she was actually assigned to Martial Ugly’s team, if she was assigned to me, I would definitely want it!”

“Nonsense, who wouldn’t want such a beautiful girl!”

There was a lot of discussion among the crowd, some of them felt sorry for Ling Sa, some of them cursed Wu Jiao for not knowing how to show mercy to her, and some of them felt sorry for Ling Sa.

However, Ling Sa was always indifferent, as if she didn’t give Wu Jiao a second thought.

“Alright, let’s cut the crap, in a minute I’ll show you the difference between you and me!”

Wu Jiao laughed.

“Less talk and more talk, whether you dare to fight or not!”

Ling Sa laughed.

“You!”

Wu Jiao’s face sank at his words, he didn’t expect Ling Sa to give himself so little face.

“Fine! Fine! Since you are anxious to make a fool of yourself, then I will make it happen!”

With a thought, a huge battle axe had appeared in Wu Jou’s hand.

He looked at Ling Sa and couldn’t help but lick his lips.

“I wonder if you’re as hardy as that metallic beast!”

With that, Wu Jiao swung his huge axe towards Ling Sa and killed her.

Chapter 1072

“It’s on! It’s starting!”

Seeing this, the crowd all held their breath and looked nervously at the stage.

At this moment, Ling Sa was still standing in the same place, not moving at all.

Wu Jiao, on the other hand, had already killed his way to the front.

“Still pretending to be calm, I’ll kill you with an axe!”

Wu Chou said disdainfully, the huge axe in his hand slashing down in response.

For the sake of the tribe’s handle, he was still only using 70% of his strength now.

“Fire Shield Technique!”

Ling Sa suddenly turned her body around, followed by layers of flames like a huge wave, directly sweeping towards Wu Chou.

“Fire Shield Technique? How can you think you can defeat me with such a rudimentary technique?”

Wu Jiao laughed as the huge axe in his hand slashed directly towards the huge wave of flames.

“Tear!”

A crisp tearing sound rang out, only to see the roiling flame wave being directly split into two.

And the giant axe in Wu Jiao’s hand also rushed towards Ling Sa herself and chopped directly.

“Ai! Still too young, thinking that after learning the techniques within Qiong Hua House, you can fight with Wu Jiao!”

“Yes, not many people are willing to learn this Fire Shield Technique even from the followers, I didn’t expect this Ling Sa to think that she could win just by learning it!”

“Not what!”

The crowd murmured.

This Fire Shield Technique wasn’t strictly speaking a profound technique.

Moreover, because it was a defensive-oriented technique, very few people had learned it.

So at this moment, seeing Ling Sa actually using the Fire Shield Technique, many people were already starting to think that she was just a rookie.

However, just as some of the crowd had already started shaking their heads, some were even ready to get up and leave.

Suddenly, there was a muffled “bang”, which made everyone freeze.

They saw that Wu Jiao’s huge axe was still four or five metres away from Ling Sa. It was stopped by a red barrier, unable to advance in the slightest.

“This is the second layer of the Fire Shield Technique, Fire Shield Defence!”

Wu Chou’s heart sank as he watched.

“Although this fire shield technique is not good, this is a fire shield defence that is exceptionally sturdy and difficult to break through for a time as long as the opponent is intent on defending!”

From the distant stands, Peng Chang also spoke up.

“So what, this defence is only a defence after all, can she still defend for the rest of her life? My big brother can definitely break through this defence!”

Wu Xu said disdainfully.

Peng Chang, however, frowned slightly, vaguely feeling that the situation was not too good.

“See?”

Not far away, Yue Qunshan suddenly spoke up.

“See out what?”

Feng Xi asked in a low voice next to him.

“That one called Ling Sa has used the Qi Condensation Jedi behind her back!”

Yue Qunshan said.

“Qi Condensation Jedi?”

Feng Xi was stunned.

“She still wants to fight a protracted battle?”

“It’s not a protracted battle, it’s this ninny who’s setting up Martial Ugly!”

Yue Qunshan said.

“A set-up?”

Feng Xi did not understand.

“This Wu Jou is eager for quick success and wants to defeat Ling Sa in one move, so she comes up with a fierce attack, but this Ling Sa is smart enough not to fight hard against Wu Jou, she comes up with a defence!”

“With the Qi Condensation Duel, what do you think will happen after ten minutes?”

“This!”

Feng Xi instantly woke up.

“This woman’s heart is really in the right place!”

“It shouldn’t be her, she’s only been here for two days, she definitely didn’t come up with this scheme on her own!”

Yue Qunshan couldn’t help but glance at Lin Ran in the distance as he said that.

And when he saw that Long Ya was actually talking and laughing with Lin Ran, his face instantly turned even uglier.

“Lin Ran! Dare to steal my woman, sooner or later, I will make you pay the price!”

Yue Qunshan’s face was icy cold, and his eyes were filled with killing intent.

“Is that all you can do to hide? Hiding in this turtle shell like a shrinking turtle!”

Wu Chou said angrily.

“Huh! What do you care, you can’t even break my defence, and you still want to defeat me?”

Lin Ran, however, laughed.

She hadn't expected that Lin Ran's move would really work, she had already lasted for dozens of rounds and this Wu Jou couldn't even do anything to himself.

Moreover, under the effect of the Qi Condensation Decision, her own true qi consumption was almost too little to be counted.

"Humph! I'll see how long you can hide!"

Wu Jiao's face sank as he slashed towards Ling Sa again with his axe in his hand, but this time it was even more powerful.

The long attack had already made Wu Jiao lose face, so he no longer reserved his strength and struck out with all his might.

"Bang Bang Bang!"

Several slashes slashed at Ling Sa's Fire Shield Art defense, and cracks began to appear in the Fire Shield Art defense.

"Haha! What defense, it's nothing more than that!"

Wu Jiao laughed.

Ling Sa, on the other hand, was indifferent and still kept forging her defence without the slightest intention of attacking.

"This Wu Jiao is really shameless, just now he said he would only use seven percent of his power, but now he is still firing on all cylinders!"

"That's right, why say it if you can't do it!"

"Men, how many of them can believe what they say!"

"Big pig's feet!"

The crowd laughed one after another.

This made Wu Jiao's face look a bit ugly, but he couldn't care less now, as long as he could win, everything was a floating cloud.

"Winning? This Wu Jiao is hard to win, if he keeps fighting like this without any restraint, he will lose in no more than two minutes at most!"

On the side, Yue Qunshan sneered.

"Brother Lin Ran, you came up with this set-up!"

Fire One Sword and Li Mu Di both looked at Lin Ran.

Lin Ran didn't deny it and nodded his head.

"Lin Ran you're amazing, this method really works!"

To the side, Long Ya, who was watching with great excitement, couldn't help but praise.

“I told you my Long Ya’s eyes would not be wrong! You’re really a genius!”

With that, Long Ya was about to kiss Lin Ran on the cheek, but fortunately, Lin Ran was quick to react, which allowed him to dodge it.

“Compliments are compliments, don’t move your mouth, I have a girlfriend!”

Lin Ran said speechlessly.

“Still shy, sooner or later your girlfriend will be me!”

Long Ya laughed, not knowing where she got the confidence.

“By the way, didn’t you go to look for your cousin? What was the result?”

Lin Ran suddenly asked.

The situation on stage was going the way he had set it up, so he wasn’t too worried.

“I searched, but my cousin didn’t see me, probably because he knew I liked another man and couldn’t let go of me, his good cousin!”

Long Ya said with a confident face.

Lin Ran, however, was vaguely worried, this Long Ridge Sky seemed to be hostile towards himself, and Long Ya had also said that he was also from a foreign tribe.

Therefore, Lin Ran was worried that this Long Ji Tian might have something to do with Long Pingtian, the former clan leader of the Dragon Family’s outer clan.

After all, he had killed Long Pingtian’s eldest son and scrapped his youngest son, this grudge was not something that could be settled just by thinking about it.

“Aiya don’t think about it, as long as it’s the man I recognize as Long Ya, I won’t care no matter who is against it!”

Seeing Lin Ran’s slight frown, Long Ya couldn’t help but laugh.

“Uh

Lin Ran was speechless for a while, was he that good, what was there to like about you.

While his mind was thinking, the situation on the stage was already starting to change.

“Where’s your defense? Why is it gone? You know it’s useless?”

Wu Jiao looked at Ling Sa in front of him, his sweaty face full of madness.

“Defence? There’s no need for it!”

Ling Sa laughed blandly.

“What! You know you’re going to lose too, so there’s no need to be defending?”

Wu Jiao laughed wildly at his words.

Instead, Ling Sa gave him a blank look and shook her head.

“What I said was unnecessary, was that you were going to lose, so there was no need for me to be defending!”

With that, he saw Ling Sa flick her palm up, followed by a long fiery red whip that had appeared in her hand.

“Next, it’s my turn to strike!”

Chapter 1073

“You struck out? Oh! Why aren’t you going to continue defending?”

Looking at Ling Sa’s serious look, Wu Jiao burst into laughter.

“Haha, did you see that! That dead woman is actually ready to make a move!”

Offstage, Wu Xiu also burst out laughing.

“Don’t laugh yet, I feel that something is not right with the situation!”

On the side, Peng Chang frowned.

“Something’s wrong? What’s wrong? This dead woman can’t even resist a single axe from my brother without defending herself, just watch, she will end up as miserable as possible!”

Wu Xiu laughed wildly.

However, Peng Chang was frowning slightly, his heart was vaguely uneasy.

At this time, Lin Ran, who was at the side, had a smile on the corner of his mouth.

“The counter-attack is about to begin!”

Fire One Sword and Li Mu Di were also nodding their heads.

Some people who could see the signs knew at this point that the situation in the field was about to change.

“Come on! I’ll stand right here and let you fight!”

Wu Jiao looked at Ling Sa with disdain in his eyes.

Although his own incoming attack had been fended off by Ling Sa for a long time, the gap between the two still existed.

There was an essential difference between the peak of the Heaven Seizing Realm and the middle Heaven Seizing Realm.

In his opinion, Ling Sa’s so-called counter-attack was nothing more than scratching an itch for him.

“You brought this on yourself!”

Ling Sa’s face sank, and the long fiery red whip in her hand immediately swiped at Wu Jiao.

The long red whip instantly turned into a stream of light and headed straight for Wu Jiao's body.

"Come on!"

Wu Chou looked like a madman, his whole body shook, and a white aura immediately filled out and wrapped around him.

"Bang!"

The whip struck heavily on top of this white breath, and although the sound was loud, it failed to break through, only causing the white breath barrier to tremble a little.

"That's it? Are you scratching an itch?"

Wu Jiao laughed wildly.

"Is that so? Then let's do it again!"

Ling Sa was in no hurry and backhanded another whip.

"Bang Bang!"

After three whips in a row, the white barrier around Wu Jiao cracked a little.

"Bang!"

Finally, with the fall of the fourth whip, the barrier around Wu Jiao then completely popped apart.

"Is that all the strength you have?"

Wu Jiao laughed.

It took four whips to shatter his own defence, how else could he fight himself, his own defence was something that could be quickly congealed with a single movement of his mind.

"See! Four full blows, how could she be a match for my brother!"

Wu Xiu laughed wildly.

"But"

On the side, Peng Chang was halfway through his sentence, but was interrupted by Wu Xiu.

"Peng Chang, who exactly are you from the squad, why are you always breaking up the stage?"

"I didn't, I just think that the other side dares to answer the battle, it can't be unprepared, it must be plotting something!"

Peng Chang hurriedly explained.

"Conspiracy? What can a rotten bitch who just arrived conspire for, she must be a rookie who doesn't know anything!"

Wu Xiu sneered.

Peng Chang opened his mouth and didn't answer.

And at that moment on the high platform, Wu Jiao had already gathered a second layer of defence once again.

"Come on! Go ahead and smack me! Haha, I'd like to see if I can't carry it first, or if your hands get tired first!"

Wu Jiao laughed wildly.

"Yeah! Then I'll make it up to you!"

Ling Sa laughed icily, but the corners of her mouth rose slightly.

"Bang!"

The long red whip turned into a stream of light and was instantly flung towards the white light around Wu Jiao.

And this time, the force of the long whip was obviously much stronger.

"How is this your full strength?"

Wu Jou laughed coldly.

But then the next second he froze.

He saw the long whip hit the white light and then bounced back.

But then, his defence shattered with a bang.

"How can this be!"

Wu Jiao's face changed dramatically.

"It worked!"

A trace of ecstasy swept through Ling Sa's eyes, and the whip in her hand was like not asking for money as she frantically lashed towards Wu Jiao's body.

"Condense!"

Wu Chou quickly formed another defense.

But again, without any surprise, this layer of defense instantly shattered.

"This can't be! How can she possibly break my defense with a single whip!"

Wu Jiao was completely panicked this time.

On the other hand, under the stage, Wu Xiu even looked shocked, he was very confident in Wu Jou before, but now

"The other side really does have a hidden backhand!"

Next to him, Peng Chang frowned and said.

“Do you know something!”

Wu Xiu asked busily.

“I don’t know!”

Peng Chang shook his head, if he knew how could he not say anything, after all, he and the two Wu Chou brothers were the only ones on the same team.

“Bang!”

As the two men spoke, Ling Sa on the stage once again swung a whip.

Again without surprise, Wu Jiao’s defence instantly broke down again.

“This can’t be! Impossible!”

Wu Jou was completely panicked.

“I can be at the peak of the Heaven Seizing Realm, how can I not be a match for a middle stage like you, this is absolutely impossible!”

Wu Jou’s face looked like madness, instead of defending he was actually striking out at full strength towards Ling Sa.

“Fire Shield Technique!”

With a smile on her lips, Ling Sa instantly cast out another Fire Shield Technique.

Layers of defence blocked around himself, solid as gold, causing Wu Jiao to go completely mad.

“Another fire shield technique! Is fire shield the only fucking technique you know!”

Wu Jou cursed angrily.

“What do you care about me! If I can win against you!”

Ling Sa laughed blandly.

At that moment, Wu Jiao already knew in his heart that he was going to lose this match.

From the beginning to now, he had been giving his best in both attack and defence, and there was not much true qi left in his body.

But what about Ling Sa? Defence had taken up most of the time, while still using the Qi Condensation Jutsu to recover her true qi, and at this moment she still had at least half of her power unused.

Even if you were at the peak level, so what, how else could you fight without power?

“Bang!”

Sure enough, as Ling Sa launched another counterattack, soon Wu Jiao couldn’t carry it anymore.

In one of Ling Sa's attacks, he was directly struck by the red whip, and immediately his entire body flew backwards directly.

And at that moment, the entire martial arts arena was completely silent.

A dead silence.

"Good!"

Suddenly, I don't know who shouted, followed by thunderous applause erupting from the entire martial arts arena.

A typical contest in which the weak defeated the strong, causing the crowd's blood to boil as they watched.

"I've lost!"

Wu Chou stood on the stage, his face ashen and his heart somewhat mocking itself, he was full of confidence before, but he never thought that the result would actually be his defeat.

"If you still come, our squad will still"

Wu Jiao was just about to speak, but Ling Sa on the stage spoke up.

"No need, I, Ling Sa, will not join you, not how strong I am, but you, the captain, are too weak!"

After saying that, Ling Sa directly jumped off the stage and walked straight towards the direction where Lin Ran was.

"Good for you, sister Ling Sa!"

Seeing Ling Sa, Long Ya couldn't help but call out as well.

Ling Sa, however, frowned slightly, feeling a little strange.

"What does it matter to you if I win, besides since when did I become your sister?"

"You're younger than me naturally you're my sister!"

Long Ya didn't care and laughed at once.

Lindsay was speechless, she had seen girls who liked men, but she had never seen a woman who liked men to this extent.

Seeing Ling Sa looking at himself, Lin Ran couldn't help but look embarrassed and was busy changing the subject.

"That Ling Sa, you don't plan to join Wu Jiao and his team, so have you thought about what to do? Or else join our team?"

Chapter 1074

"May I?"

Lin Ran smiled with joy, with anticipation in her eyes.

She had turned down the Martial Clown team, and now she naturally didn't have any other teams, so if she could be in a small team with Lin Ran, then naturally she would be begging for it.

"What about you, Brother Li, Brother Fire?"

Lin Ran turned his head to look at Fire Yijian and Li Mu Di and asked.

After all, the squad was for three people, and since none of the three were sure who the captain was right now, they naturally had to ask about it.

"I don't have a problem with it! As long as the strength keeps up!"

Fire One Sword said indifferently.

"I don't have a problem with it either, but would Qiong Hua Mountain agree? After all, a squad of four people has never really been heard of before."

Li Mu Di frowned.

"Just go and ask, besides that Wu Jiao seemed to have said before that Qiong Hua Mountain wouldn't care!"

On the side, Long Ya was busy explaining.

"How do you know?"

Ling Sa had a puzzled look on her face.

"Sister Ling Sa, have you forgotten? It was Wu Jiao himself who said that at the underground trading ground!"

Long Ya laughed.

"Don't call me sister!"

Ling Sa frowned slightly and said in a cold voice.

"Fine! Then you call me sister!"

Long Ya laughed.

"You!"

Ling Sa was so angry that she wasn't speaking.

"Alright! Let's hurry up and ask!"

Lin Ran was looking at two heads in one, and hurriedly greeted the crowd and left the martial arts arena, heading straight for the Qiong Hua Mountain's stewardship office.

There were no so-called administrators on Qionghua Mountain during the weekdays, they were all cultivators.

Only in special circumstances can we see these administrators.

But even if they did, it was almost impossible to talk to them, because most of them were like logs, standing still.

So the only person who could speak to them on a regular basis was an old man from the Stewardship Office.

“What is your business here?”

The hall was only on, and an old man leaned back in his chair, swaying leisurely.

“Elder Mo! We are here to form a small team!”

Li Mu Di said with a respectful smile.

He was the manager of the whole Qionghua Mountain and decided almost everything. Of course, this was also because Li Mu Di had never met any other managers, so he naturally assumed that Mo Lao was the manager of the whole Qionghua Mountain.

“Why are you looking for me to form a squad? Just go straight to the stone in the square and change the squad information!”

Mo Lao said languidly.

“Mo Lao, doesn’t Qiong Hua Mountain stipulate that each squad can only have three people?”

Li Mu Di busily asked, he also wanted to confirm this matter.

“Who told you that squads can only be three?”

Mo Lao opened his eyes slightly and looked at him.

“This”

Li Mu Di was suddenly dumbfounded.

“Before, it was for convenience, so I recommended you three people in a team, in fact, how many of you in a team, I don’t even bother, as long as you can pass the ninth floor hall no matter how many people you are in a team, you can just leave!”

Mo Lao said blandly, while waving his hand.

“Many thanks, Elder Mo!”

Li Mu Di and the others bowed respectfully, and then retreated.

In the middle of the square, in front of a huge stone monument.

“This is it, let’s get started!”

Li Mudi laughed, and then the three of them stretched out their palms and gently pressed them on the stone stele.

Immediately, the entire stone tablet lit up, followed by Lin Ran’s three people’s information appearing on the tablet.

“Lin Ran, peak Heaven Seizing Realm!”

“Fire One Sword, peak Heaven Seizing Realm!”

“Li Mu Di, peak of the Heaven Seizing Realm!”

“It’s your turn!”

The three of them looked at Ling Sa.

Ling Sa nodded and whirled around, pressing her palm on the stone tablet as well.

“Congratulations, Ling Sa has joined the squad, mid Heaven Seizing Realm!”

“There!”

Ling Sa said happily, from this moment onwards, she was on the same squad as Lin Ran.

“Ding! Qiong Hua Mountain’s first four-person squad has been successfully established, they are Lin Lan Sa’s newly joined squad of Lin Ran, Li Mu Di Fire One Sword!”

A voice suddenly resounded throughout Qiong Hua Mountain, and countless people froze.

“What the hell? A squad of four, isn’t a squad only allowed to have three people?”

All of them froze at once.

Only Wu Jiao was the only one who slapped his hand on the ground.

“Shit! I knew it, she must have joined them!”

“Brother! So what now!”

Wu Xiu asked beside him again.

“How do I know what to do, damn it! According to this situation, I’m afraid the whole Qionghua Mountain will have to be in chaos, everyone knows that the squad is not limited to three people, I’m afraid there will be many teams with large numbers!”

Wu Jiao said with a frown.

“It’s not certain!”

Suddenly, Peng Chang, who was next to him, spoke up.

“How so?”

Wu Chou looked at Peng Chang and asked.

Peng Chang thought for a moment and spoke.

“Although a team can have more than three people, I’m afraid not many are willing to do so, after all, the more people there are on the eighth floor of the Ninth Floor Hall, the more difficult it will be!”

“That’s also true!”

Wu Jiao was suddenly dumbfounded.

The eighth floor of the Nine Storey Hall was recognized as the most difficult floor, and it could not be won by a large number of people, it required cooperation and overall strength.

And just as the crowd was shaken by this news, another message suddenly rang out.

“Ding! Qiong Hua Mountain’s first five-member team has been successfully established, they are Long Ya’s newly joined squad of Ling Sa Lin Ran, Li Mu Di Huo Yi Jian!”

“Weng!”

As soon as this news came out, the entire Qiong Hua Mountain was completely shaken, even the number one beauty Long Ya had joined them.

“Holy shit! Who the hell is this Lin Ran and his party, he actually got two great beauties to join their squad at the same time!”

“Yeah! And didn’t this Long Ya seem to have a conflict with Lin Ran before? Why is she suddenly a squad member?”

“No, Long Ya seems to be in the same squad as Yue Qunshan Feng Xi, how come she’s suddenly in Lin Ran’s squad!”

“It’s over, and Yue Qunshan supposedly likes Long Ya, now well, they’ve run off to Lin Ran’s squad!”

The crowd was discussing.

In one of the quiet rooms, Yue Qunshan was already so angry that his face turned red, he couldn’t cultivate in peace, he got up and picked up his magic weapon and rushed towards the square.

“Long Ya what are you doing?”

On the square, Lin Ran’s four people had just reacted from their shock, one by one they looked at Long Ya, their faces filled with confusion.

“What for? I’m going to join you guys too, what’s the point of disturbing me to come along!”

Long Ya looked at the four and said rightfully.

“You want to join, why don’t you even say so! And didn’t ask if we agreed!”

Lin Ran was speechless.

“Why ask, I still don’t know you, asking is definitely not agreeing, it’s better to just join!”

Long Ya had a bright face.

“You!”

Lin Ran was completely baffled.

“Brother Lin Ran, this time you have a really big face!”

On the side, Li Mu Di was laughing.

“Yes! Brother Lin Ran, do you know how many teams want Long Ya to join?”

Fire One Sword also laughed with difficulty.

“Why?”

Lin Ran looked puzzled.

Lingyan was also puzzled.

“That’s because, I know how to cross the eighth floor of the Ninth Floor Hall, so whoever’s squad I join is practically stable past the eighth floor!”

Long Ya said smugly.

“O! We don’t need to, if you want to leave before it’s too late!”

Lin Ran, however, had a bland look on his face.

“You!”

Long Ya’s pretty face turned red with anger as she pointed at Lin Ran.

“I beg to differ, I’m going to join you, I’ll see how you can avoid me!”

“Hey! Missy, you have a squad, if you run our squad, what about the rest of your squad?”

Lin Ran was speechless.

“I don’t care, per se I don’t like being in a squad with Yue Qunshan either, before it was because I didn’t know the rules of team formation, since I know them now, I’ll join another team even if I don’t join you!”

Long Ya didn’t avoid saying it directly.

“But!”

Lin Ran still wanted to say something.

But at that very moment, a chiding voice was already coming through.

“Lin Ran! Get out and die!”

Chapter 1075

This rebuke instantly drew the attention of Lin Ran and the others.

At the same time, because of the alert from the previous message, there were already many spectators rushing over from all directions at this moment.

When they arrived, they happened to bump into Yue Qunshan shouting at Lin Ran.

“Yue Qunshan?”

Lin Ran saw the other party and? Couldn’t help but frown slightly.

He had just said that, but he hadn't expected that the people from Long Ya's squad would arrive so quickly.

"Lin Ran! Shame on you, how dare you steal our squad's people!"

Suddenly another voice rang out, followed by a woman's figure appearing, who else was it if not Feng Xi.

"Feng Xi! Yue Qunshan, what do you want! This has nothing to do with Lin Ran, it's me who wants to join!"

Long Ya spoke up.

"Since you're all here, let's make it clear, I didn't want to team up with you guys in the first place either!"

"Long Ya, you're crazy! I know you've been tricked by this kid!"

Yue Qunshan spoke up.

"What are you talking about!"

Long Ya spoke up and chided.

"Long Ya how can you do this, how good Qunshan is to you and you actually want to break away from us!"

Feng Xi spoke up.

"Come on, I don't know what Yue Qunshan has in mind for me? Besides, don't you like him, it just so happens that the two of you don't team up just right!"

Long Ya laughed.

Yue Qunshan was headstrong and headstrong, and just because he liked himself, he was in charge of all sorts of things about himself, which made Long Ya very unhappy, and she had wanted to change teams for a long time, but because she didn't know the rules before, she had put up with it, but now she wouldn't put up with it any longer.

"Long Ya! You've let me down too much!"

Yue Qunshan said angrily.

"Disappointed? I have never given you hope!"

Long Ya said disdainfully.

"Fine! Good!"

Yue Qunshan's old face turned red as he turned his head to look at Lin Ran.

"Wanting her to join you, have you asked me?"

"Ask you for what? There's nothing to ask for!"

Lin Ran laughed.

“It’s bad enough that the captain has reached your level, Long Ya herself doesn’t want to be on your team, but she still has to come and find her existence, where did you get the courage?”

“Haha! Good! Very good! In that case, then you can go to hell!”

Yue Qunshan’s face sank as he rushed towards Lin Ran and directly lunged at him.

Lin Ran, on the other hand, remained standing in place without moving.

“Lin Ran, dodge!”

The crowd saw this and shouted.

But Lin Ran was just standing still.

“Seek death!”

Yue Qunshan’s face was icy cold, and a large silver blade in his hand was instantly drawn out, slashing straight at Lin Ran.

“Still not dodging!”

Seeing that Lin Ran was still standing in place, Yue Qunshan’s killing intent in his heart intensified.

But at this moment when a thousand armies were at stake, suddenly, “whoosh” two figures quickly rushed out from the side, followed by one blocking Yue Qunshan’s big sword, and the other slapping Yue Qunshan in the stomach at the second level.

“Yue Qunshan spurted out a mouthful of blood, and his whole body flew backwards.

“Yue Qunshan! The first warning, Qionghua Mountain must not kill anyone, moreover, must not fight with others outside the martial arts arena, in the second time you find it, you will directly waste your true qi and kick out of Qionghua Mountain!”

A voice resounded out, and the crowd then suddenly understood.

It was obvious that Lin Ran knew this rule just now, while Yue Qunshan had forgotten about it out of hatred.

“Good! Good boy, that’s yin enough!”

Yue Qunshan got up from the ground and looked at Lin Ran with anger in his eyes.

“You call this yin? You blame me for not growing a brain yourself?”

“Cut the crap, what are you doing in a life and death fight?”

Yue Qunshan looked at Lin Ran and asked in an angry voice.

“Life and death duel?”

Lin Ran was stunned at his words, and the others around him were also frozen.

The so-called life-and-death fights were fights that could kill each other, and they were also the most ruthless kind of fights on Qiong Hua Mountain.

After all, Qionghua Mountain was all about training talents, so internal fights that resulted in death were generally not allowed.

But where there are people, there will inevitably be conflicts, which is why this kind of life and death struggle was born.

The so-called “fight to the death”? As long as no one admits defeat, the fight can go on until one side dies.

But if one of the sides conceded defeat, that side could not continue to fight.

“Lin Ran!”

Lin Langsha looked at Lin Ran, with worry in her eyes.

“Don’t go!”

Long Ya also looked over and said busily.

“You want to play?”

Lin Ran then looked at Yue Qunshan and asked indifferently.

“Just say whether you dare or not!”

Yue Qunshan stared at Lin Ran with killing intent in his eyes.

“If you want to play, I, Lin Ran, will play along!”

Lin Ran laughed.

“Good!”

A hint of severity flashed in Yue Qunshan’s eyes, and he immediately turned around and left.

“Don’t be a shrinking turtle!” Dropping a sentence, Yue Qunshan had already rushed towards the martial arts arena.

“Lin Ran!”

Fire One Sword and Li Mu Di also came over, with worry on their faces.

“Brother Lin Ran, this Yue Qunshan’s strength is also extraordinary, he is at least on my level!”

Li Mu Di spoke up.

“Mm, and this Yue Qunshan also has some connection with you to say the least, as he is none other than a member of the inner clan of the Imperial Capital Yue Family!”

Fire One Sword was also busy saying.

“The Imperial Capital Yue Clan?”

Lin Ran smiled at his words.

The Yue family that was not precisely Yue Shan's clan, it was really fate that he didn't expect to run into them all here.

"Let's go! Since it's the Yue family, let's have some fun!"

Lin Ran smiled lightly, and immediately rushed towards the martial arts arena.

At this moment, the entire Qiong Hua Mountain had also converged towards the martial arts arena.

Ten minutes later, the entire martial arts arena was already filled to capacity.

"Hey, have you guys noticed, ever since this kid called Lin Ran arrived, there are fights and competitions every day in the martial arts arena, this kid is like a plague!"

"Yeah, but having said that this kid is really strong!"

"Right, I wonder if Yue Qunshan can hold him down!"

"Yue Qunshan, I don't think it's safe to say, when Yue Qunshan and Liu Qi fought, they lost after hundreds of rounds!"

"So, this Yue Qunshan can't beat Lin Ran?"

"I think so, but he should be able to fight for a few hundred rounds!"

The crowd was chattering.

Yue Qunshan, on the other hand, was standing on the martial arts arena without a glance.

Ever since he was defeated by Liu Qi last time, he had been diving into cultivating concealment, but he didn't expect that Liu Qi would actually lose to Lin Ran later.

So naturally his target had changed to Lin Ran, only that he didn't expect the two to face each other so soon.

Accompanied by Li Mu Di and the others, Lin Ran soon arrived at the martial arts arena and jumped up after him as well.

"Enough guts!"

Seeing Lin Ran, a hint of joy flashed across Yue Qunshan's eyes, he was really afraid that Lin Ran wouldn't dare to come and answer the battle.

"The opponent is you, what's bold enough, just hurry up if you want to fight!"

Lin Ran said impatiently.

"Hahahaha! Good! I'm crazy enough, I, Yue Qunshan, am putting my words on the table today, if I don't kill you within three moves, I'll kill myself!"

Yue Qunshan laughed wildly.

Lin Ran smiled but shook his head, and after a moment said blandly.

"Then you don't stand a chance, because I'm prepared to kick you out in one move!"

“Yeah! Then we’ll see if you have the ability to do so!”

Yue Qunshan’s eyes were icy cold, and with a flip of his palm, the silver large blade had appeared.

The next moment, he lashed out with his feet and slashed directly towards Lin Ran.

Chapter 1076

“Lin Ran be careful!”

On the side of the stage, Ling Sa and Long Ya shouted almost simultaneously.

Although Lin Ran was powerful, Yue Qunshan was not weak either, especially since Long Ya had also been in a squad with Yue Qunshan.

Therefore, they also had some knowledge of the latter’s strength.

“What exactly is the strength of this Yue Qunshan?”

Ling Sa was busy asking.

“It’s not bad, he shouldn’t be a match for Lin Ran, but he’s very scheming, I’m afraid that he’ll use some crooked ideas!”

Long Ya said busily.

“Crooked thoughts?”

Lingya couldn’t help but feel a little worried at his words.

At this moment, on the stage, Lin Ran and Yue Qunshan had already exchanged blows.

They saw Yue Qunshan slash Lin Ran with a silver handle.

Lin Ran, however, was standing still.

“Seeking death!”

Yue Qunshan shouted coldly as the large blade in his hand was already slashing down towards Lin Ran.

“Get the hell back!”

Lin Ran suddenly shouted, following which he met the huge blade with a fist.

“Bang!”

With a loud bang, the greatsword immediately flew backwards, and Yue Qunshan was simultaneously shaken backwards by several steps.

“How can this be!”

Yue Qunshan’s eyes chilled as he watched.

He had seen that fight between Lin Ran and Liu Qi before, but at that time, he didn’t think that Lin Ran was that strong.

It wasn't until this moment when he personally went up against Lin Ran himself? Only then did he feel how strong his opponent was.

"You still have two moves left, but you don't stand a chance! It's my turn to strike next!" |

Lin Ran smiled lightly as he took a step out already.

When he took one step, everyone's eyes froze as Lin Ran disappeared out of thin air in everyone's sight.

"Where's the man?"

"Holy shit where did the person go?"

"Disappeared?"

"Impossible! You guys, look behind Yue Qunshan!"

Suddenly someone exclaimed, followed by everyone seeing that Lin Ran had actually appeared behind Yue Qunshan out of thin air, followed by a kick directly onto the latter's back.

"Bang!"

The seemingly uneventful kick directly sent Yue Qunshan sprawling towards the front.

"I'm going to start!"

Lin Ran's voice suddenly rang out, followed by his figure reappearing in front of Yue Qunshan.

"Bang!"

Another kick.

"You!"

Yue Shan was instantly baffled.

In the past, he had thought that Lin Ran was strong, but he couldn't be much stronger than himself, and as long as he dealt with it carefully, there was at least hope for him to win this competition.

But now? He actually couldn't even find someone else's figure.

"What's wrong with me? I'm here, where are you looking?"

Lin Ran's figure reappeared to the right, followed by another kick.

"I said, one move to finish you, I don't mind if you don't surrender and turn you into a ball completely!"

Lin Ran laughed.

"Lin Ran! You seek death!"

Yue Qunshan's face looked that way.

What made him most furious at this moment wasn't that he couldn't beat Lin Ran.

Rather, it was that this guy was actually kicking himself like a ball.

Yue Qunshan roared in anger, followed by red flames emerging from his entire body, forming a defensive stance towards.

“Defence? Looks like you’re determined to be a ball!”

Lin Ran laughed when he saw this, and at that moment, he was no longer polite, and kicked Yue Qunshan as if he was a ball.

And at this time then the people around the onlookers, suddenly all dumbfounded.

“This What is this? Kicking a ball?”

“This Yue Qunshan is too much of a vegetable, actually being carried by Lin Ran as a ball!”

“Not what, he was able to fight Liu Qi for hundreds of rounds before, and thought he could fight Lin Ran several times as well, but I never thought this would be the result!”

“Ai! It seems like this Yue Qunshan is completely hopeless, I just don’t know if this life and death battle will end up with people getting killed or not!”

“I don’t think so, that Lin Ran doesn’t look like a person who devours killing, he shouldn’t be able to kill!”

“That’s right, it was also their squad that robbed Long Ya, so they were in the wrong!”

The crowd was discussing.

On the other side, Long Ya’s gaze at Lin Ran had changed again.

Previously, she had felt curiosity towards Lin Ran, but now she was looking at him with a different kind of admiration in her gaze.

She had only ever looked at one person before, and that was Long Ji Tian.

But now she had this feeling for Lin Ran as well.

“Just how strong does he have to be, why is he suddenly looking forward to his fight with his cousin!”

Long Ya muttered to herself in her mind.

Although Long Ridge Heaven came from the outer clan of the Dragon Family, both his qualifications and talent were incomparable to even some of the inner clan disciples, otherwise he wouldn’t be the number one in Qiong Hua Mountain today.

But Lin Ran, who had appeared idly, had also given birth to this admiration in her.

It was like it was hard for two tigers on one mountain, especially when these two tigers had a betting agreement.

“Bang!”

With another kick, Lin Ran kicked Yue Qunshan into the arena again, preventing him from falling out of the ring.

“Lin Ran you stop!”

Yue Qunshan's face turned red as he gritted his teeth in anger.

"Stop? Why should I stop? You're in a life and death fight, it seems that there's no reason for me to stop except to admit defeat!"

Lin Ran laughed.

"You! Don't you put too many points on the table!"

Yue Qunshan said angrily.

"I'm overdoing it? It seems like you're the one who challenged me!"

Lin Ran laughed.

"You!"

Yue Qunshan was so angry that his face turned blue, but he was speechless.

"Talking so much nonsense too, is a person losing or not!"

Lin Ran looked at Yue Qunshan and scolded.

"Impossible!"

Yue Qunshan said angrily.

"O! Since that's the case, then I'll see you later!"

Lin Ran smiled blandly, followed by a kick that kicked Yue Qunshan up from the ground and threw him towards the sky.

At the same time, he blandly picked up the former's large sword from the ground, before sticking it into the ground with a bang with the tip facing upwards.

Yue Qunshan, who was in mid-air, could not help but gag as he watched.

If he had fallen, I was afraid he would have been pierced through the heart by his own magic sword in an instant.

"I'll ask you once more, do you admit defeat!"

Lin Ran said in a cold voice.

"No way!"

Yue Qunshan still clenched his teeth and insisted.

Lin Ran didn't bother to say any more when he saw this,? stood directly to the side and didn't say anything either, just quietly watching.

"Lin Ran you!"

Yue Qunshan began to descend, getting closer and closer to the large blade on the ground, and his entire heart seized up.

“Don’t shout at me, life or death is in your hands!”

Lin Ran laughed indifferently.

“You!”

Cold sweat broke out on Yue Qunshan’s forehead, at this point he was already just ten metres away from the large blade on the ground.

Falling from above, the ten metre distance was literally a matter of the blink of an eye.

“Stop it! Stop it now!”

Finally Yue Qunshan panicked, looking at the sharp tip of the blade pointing straight at his chest, he was truly panicked.

“On what grounds should I stop?”

Lin Ran, however, was still laughing blandly.

“I concede defeat I concede defeat!”

Finally, when Yue Qunshan was only a meter away from the tip of the blade, he finally couldn’t tense up and conceded defeat.

“Hey! How nice to say it again!”

Lin Ran smiled helplessly at this and kicked the blade.

The blade suddenly deflected, and then with a “poof” it still pierced into Yue Qunshan’s body.

However, because of this slight deviation, it did not hurt Yue Qunshan’s vital organs, but only pierced his arm.

“Lin Ran! You!”

Yue Qunshan was sweating from the pain and hurriedly restrained the blood.

“What happened to me? Aren’t you still alive?”

Lin Ran laughed.

“I’ve already conceded defeat, and you’re still hurting me!”

Yue Qunshan said angrily.

“Bullshit, I’m only responsible for not killing you if you concede defeat, but whether you get hurt or not has nothing to do with me!”

Lin Ran sneered.

“Fine! Good!”

Yue Qunshan looked at Lin Ran with anger in his eyes.

“The green hills will never change, we’ll see!”

After saying that, Yue Qunshan covered his chest and turned to leave.

Chapter 1077

Two competitions in one day made the whole Qionghua Mountain memorable.

Especially the second one, the match between Lin Ran and Yue Qunshan, made many people understand one thing.

Sometimes cultivation really depends on early arrival and late arrival, but on strength and talent.

Even if you Yue Qunshan had been at Qiong Hua Mountain for almost two years, you were still no better than a kid who had just come to Qiong Hua Mountain for less than ten days.

This is talent.

In the next few days, Yue Qunshan was quiet and no one was looking for trouble with Lin Ran.

To say that the only trouble over there were the two people, Lin Ran and Long Ya.

Both of them had joined their own squad, and as they were not seeing each other, the two women saw each other as their biggest rivals.

There was nothing Lin Ran could do about this, he could only try to avoid them.

As Wang Yifeng had too many gong methods to cram, Lin Ran simply hid in Qiong Hua House with him as well.

While Wang Yifei was badly mending his gong methods, Lin Ran gave all the gong methods of the first six levels of Qiong Hua House a once over.

Although the feats on the first six levels of Qiong Hua House were relatively weak, there would inevitably be some that would slip through the net.

For example, the Fire Shield Technique was as relevant to Ling Sa.

Merit methods actually had to be divided into people, some people were particularly suited to such merit methods, not only did their own attributes fit, but moreover, they could play a major role at critical times.

Lin Ran spent half a day going through the gong methods, but he didn’t find anything he could learn, but he did find a medicine refining gong method.

And on it, he also found a record about the Heart Locking Pill.

“Locked Heart Pill, which is made using the conventional subterranean dragon technique, was formerly known as the Immortality Renewal Pill, but the success rate of this pill is extremely low, and there has not been a single case of resurrection after a thousand years, so it is still unknown whether the medicine is useful or not!”

“The Heart Lock Pill, on the other hand, is based on the Immortality Renewal Pill and is made by adding a mysterious Heavenly Fire divine Pattern, which can be used to consolidate power!”

Looking at the introduction, Lin Ran couldn't help but frown slightly, daring to think that Elder Feng had lied to him again.

“Damn it! What about resurrection after a thousand years, no one has ever achieved that at all! Shit!”

Lin Ran couldn't help but curse, and immediately put the booklet back in the distance.

Seeing that there was nothing left on the first six floors worth keeping for himself.

Lin Ran then got up and went to the entrance of the seventh layer.

In fact, Lin Ran didn't have much interest in the gong methods here, after all, he was a Medical Daoist True Qi, and he still had to cultivate Medical Daoist gong methods if he wanted to improve.

But the higher up he went, the more precious the tomes inside were definitely, so Lin Ran's goal was those records about the Mysterious Alliance, or secret secrets that he did not know before.

“Stop right there! I am a guard on the seventh floor, if you want to go up there, you must receive three moves from me!”

The guard blocked Lin Ran's path.

The guard on the seventh floor was obviously much more intelligent, and his gaze actually sized up Lin Ran's body.

“Strike!”

Lin Ran said blandly.

“You are very strong, so as long as one of my three moves injures you, I will win!”

The guard spoke again.

“Fine!”

Lin Ran said indifferently.

Ten minutes later.

“I concede defeat!”

The guard said helplessly.

“Thank you!”

Lin Ran smiled blandly, but he had already gone up to the seventh floor.

“Ding”

As expected, the sound of another record being set rang out again.

“Holy shit! That kid has set a new record again, Li Bajie, check it out!”

A group of people on the sixth floor gathered around Li Bajie and urged.

“Why don’t you fucking check, the guards on the seventh floor want 10,000 yuan for a check!”

Li Ba said helplessly.

“Shit! This way, let’s all chip in and chip in!”

The crowd discussed, and soon, the information on the seventh level guard’s pass came out.

“Fortunately! Luckily, this kid is just a few seconds faster than Dragon Ridge Sky!”

Seeing the results, the crowd was relieved.

Previously, Lin Ran had all cleared the level in one second, while this time the time was finally normal.

“Ai! Even my master lost to him, if only I could change masters!”

Li Ba had some envy in his heart.

Although he was Yue Qunshan’s follower, in the end, the two of them didn’t have much friendship at all, and he, Li Ba, was only an odd-jobber of the Yue family back then, shot here purely to take care of Yue Qunshan’s life and living.

Unfortunately, later on, even this job was no longer available, as there was Feng Xi by Yue Qunshan’s side, so he had become a complete idle person, and even Yue Qunshan did not bother to ask him about his affairs.

Lin Ran naturally didn’t know about this, as at this moment he was already flipping through the seventh level of gong methods and tomes.

“Li Mu Di and Fire One Sword are also on the seventh floor of the Qiong Hua Tower, I wonder if they have studied the techniques here!”

Lin Ran chuckled in his heart.

He had taken a general look at the gong methods on the seventh floor, and the only one that could barely stick with the medical dao was a gong method called Divine Healing Hand, which was still, to put it bluntly, a type of hand cultivation.

But something was better than nothing, so Lin Ran wrote it down and prepared to practise it when he had nothing to do.

He then spent another half an hour searching for records about the Mystic Alliance, but unfortunately found nothing!

“Ai! It was barely enough to harvest only one copy of the Divine Doctor’s Hand!”

Lin Ran smiled helplessly and first wrote down the contents of the Divine Doctor’s Hand before leaving Qiong Hua House.

According to the current situation, there was really too little that Qiong Hua House could do to help him, and he had already been stuck in this Heaven Seizing Realm for almost a year, so I was afraid that he would have to go to the Ninth Level Heaven to find a chance to break through.

At that moment, Lin Ran greeted Wang Yifeng and walked towards the Ninth Floor Hall.

“Hey hey! That kid went to the Ninth Layer Hall, do you guys think he’ll break the record of the Ninth Layer Hall!”

“Right! Let’s get over there, Li Ba!”

“Go!”

Li Ba gritted his teeth and immediately ran over with a large group of followers all in tow.

In the ninth floor hall, followers could only enter the first three floors, and upwards was where only golden token holders could enter.

However, this did not affect their curiosity about Lin Ran in any way.

One by one, they all chased after him at once.

Lin Ran didn’t care about any of this, and walked on by himself, soon reaching the ninth floor hall.

“This is the Ninth Floor Hall?”

Looking at the huge hall door in front of him, Lin Ran couldn’t help but feel a little frustrated, after coming to Qiong Hua Mountain for half a month, this was the first time he had come to the Ninth Floor Hall.

Moreover, Lin Ran remembered that Long Ji Tian had said that he was waiting for himself on the ninth floor of the Ninth Floor Hall.

“Dragon Ridge Sky! Interesting!”

A smile appeared on the corner of Lin Ran’s mouth as he swirled and walked in.

“Weng!”

As soon as he entered the Ninth Floor Hall, the Dao concern descended from the sky and directly enveloped Lin Ran, and in an instant, his figure disappeared from the spot.

“He’s gone in! In he goes!”

“Yeah, I don’t know how long this kid can last!”

“I feel like it’s at least at the same level as the Dragon Ridge Sky!”

Li Ba suddenly said.

“You’re kidding, Dragon Ridge Sky lasted for three hours and fought to the 2,950th move!”

A young man frowned next to him and said.

“So what? He broke all the records at Qiong Hua House, just wait and see, I think he can at least last until the 2,000th move!”

Li Ba insisted.

At this moment, inside the ninth floor hall, Lin Ran was appearing in a huge square.

A circular circle was drawn on the square, and within the circle, a black-robed figure was standing, his back to Lin Ran, not saying a word, as quiet as if he was dead.

Suddenly, an old voice rang out in mid-air.

“Lin Ran! The ground floor of the Nine Storey Hall, a test of body technique! The longer you hold on, the better the reward! The test will begin when you enter the circle!”

Chapter 1078

“A test of stance?”

Lin Ran was stunned, he didn't seem to have much of a body technique, did he, he was just completely relying on the Xuan Yang Pill Canon and the change in physical quality brought about by his increased strength to make himself faster.

“But that's an opportunity!”

Lin Ran's heart quickly became frank, he was only fast and had no body technique to speak of, and the other party was testing exactly body techniques, so wouldn't he be able to secretly learn a few moves!

With his mind made up, Lin Ran instantly stepped into the circle.

“Hmm? Someone's here?”

As soon as Lin Ran stepped into the circle, the black shadow turned around, but he was wearing a cloak, so Lin Ran couldn't see his appearance clearly.

“Kid, just let me touch you, and you'll lose!”

The black shadow said indifferently, followed by a flash of his body as he rushed towards Lin Ran.

“Hm?”

Lin Ran saw this but was a little puzzled.

“Why is your speed so slow!”

That's right, the other party's speed was very slow, strictly speaking it was similar to that of an ordinary Qi Watching Realm.

However, the other party did not reply.

Lin Ran pondered for a moment and suddenly thought of a question.

What was the purpose of Mount Qiong Hua, to help cultivators improve their strength.

Since it was a test of body techniques, it was naturally impossible to get someone who was too powerful, otherwise no one would be able to learn anything, so what use would it be.

Having thought of this, Lin Ran instantly became frank.

Since the other party was so slow, it was just as well that he could put more effort into learning.

As expected, the other party was rushing towards him, but the pace of his feet and the direction he was moving in was unpredictable. Even he couldn't predict the position, which made Lin Ran think about how to retreat if he wanted to dodge for a while!

"What a Ninth Floor Hall, I'm starting to like this place a bit!"

A look of joy swept through Lin Ran's eyes as he immediately began to study his opponent's stance alignment.

Time passed by minute by minute, and in the blink of an eye, Lin Ran had been at a standstill with his opponent for a full hour.

And the opponent's stances had also changed to the 500th type!

"So many stance types, this Ninth Floor Hall is truly a treasure!"

Lin Ran was happy to do so.

At this time, outside the Ninth Floor Hall, Li Baba and the others were all waiting very anxiously.

"Brother Eight, this kid has been in there for an hour, how come he hasn't come out yet!"

"Yes, Brother Eight, can this kid really still fight against the Dragon Ridge Heaven?"

The crowd chattered.

"I've said it for a long time, this Lin Ran has extraordinary strength, his future achievements will definitely not be inferior to Dragon Ridge Heaven, I have a feeling that this guy will definitely reach the level of Dragon Ridge Heaven!"

Li Ba was full of confidence.

At this time, in the other direction of the Ninth Floor Hall, Li Mu Di, Fire One Sword and the others had also arrived here.

They usually cultivated in the Ninth Floor Hall most of the time, apart from going to the Martial Arts Arena for retreat, after all, they could learn more about combat here.

"Hm? Brother Lin Ran?"

Suddenly, Li Mu Di saw Lin Ran who was walking out from the Ninth Floor Hall.

"Hey hey! Li Ba, look at that kid coming out!"

Suddenly, the youth next to him greeted.

“How can that be? It’s only been an hour, how did he come out, and he didn’t even hear the reminder of a new record!”

Li Bajie was a little surprised.

“Brother Eight, this kid should not go back before it’s all pretend, in reality, he’s a rookie!”

The youth next to him laughed.

“That’s not possible, let’s go over and listen!”

Li Bajie said busily, while running over in Lin Ran’s direction then.

“Brother Li, Brother Fire!”

Seeing Li Mu Di and Fire Yi Jian, Lin Ran also greeted them with a smile.

“You broke into the ninth floor hall? Which layer?”

Li Mudi asked busily.

After all, Lin Ran’s previous achievement in breaking into the Qiong Hua Hall was too dazzling? So the two were also wondering why Lin Ran hadn’t appeared to set a new record reminder when he broke through the nine-storey hall this time!

“Ao! I failed!”

Lin Ran laughed.

“Failed?”

The two of them, Li Mu Di, were stunned, and even Li Ba, who had just arrived, was frozen.

“Brother, you only lasted an hour! I could have lasted two hours on the first level!”

Li Bachi couldn’t believe it.

Seeing Li Baba, Lin Ran couldn’t help but smile, knowing that this kid was here to gossip again.

“It’s true that I only lasted an hour!”

Lin Ran finished and looked at Li Mu Di.

“Well without further ado, I have things to do, so I’ll leave now!”

After saying that, Lin Ran went to the martial arts arena with a smile on his face at that moment.

At this time, the news of Lin Ran’s failure to break through the first level of the Nine Storey Hall quickly swept through the entire Qiong Hua Mountain.

And many good people had also come to the martial arts arena to observe Lin Ran.

After all, Lin Ran, who had previously broken through six floors of the Qiong Hua Tower in a row, defeated Liu Qi and Yue Qunshan, and had previously set a new record for the seventh floor of the

Qiong Hua Tower, had actually failed on the ground floor of the Ninth Floor Hall, which made many people disbelieve.

“This brat has indeed failed, the spies I arranged have absolutely reliable information!”

Within a courtyard, Wu Jiao whispered.

“Big brother, this kid has failed, why are you still sulking, according to me he is just a rookie, whatever record he set before was all pretend, besides the Qiong Hua House was not difficult in the first place, I am afraid that this time his strength in the ninth layer of the hall is the real thing!”

Wu Xu said disdainfully.

While Peng Chang and Wu Jiao on the side but shook their heads, did not say more.

And this situation did not just occur to them.

The entire Qionghua Mountain had formed almost two factions,? One insisted that Lin Ran was plotting something, and that there must be some kind of inside story if the first level of the Nine Storey Hall failed so simply.

The other group, on the other hand, believed that Lin Ran was just bluffing, and that the previous breaking of the record by Qiong Hua House was most likely due to coincidence.

Lin Ran was naturally too lazy to bother with these, and after an hour of seclusion in the martial arts arena, he got up once again and went to the Ninth Floor Hall.

“Hey hey! Why is this kid here again!”

“Yeah, he didn’t just fail how come he’s here again!”

“Who knows!”

“Lin Ran must have his own reasons for losing!”

Li Ba insisted that Lin Ran was definitely not a rookie.

“Reason? What’s the reason, I think he’s just a rookie!”

“Haha! I’m afraid he’s a rookie punk who’s only good at Kung Fu and not at fighting!”

Li Ba listened with an unhappy face and opened his mouth to retort.

“If he’s a rookie pussy in combat, what about you guys? Do you guys dare to challenge Liu Qi and Yue Qunshan?”

At that moment, the crowd was silent.

But Lin Ran, however? He entered the ninth floor hall directly amidst the different gazes of the crowd.

With a change of scene he reappeared in the circle of black shadow people.

“No more nonsense, just strike!”

Lin Ran had a smile on his face.

“Kid! You’re stealing from your master!”

The black shadow man looked at Lin Ran with an icy coldness in his eyes.

“Wrong! It’s learning, how can you call it stealing from a teacher!”

Lin Ran argued.

“Besides, isn’t it for us to learn that Mount Qionghua has you on the first level of this nine-storey hall?”

Lin Ran laughed.

The black shadow man was also stunned at his words, and then laughed as well.

“Haha! How many years have I been here! You’re the first person to let me hear that... What a pity! The people before you didn’t even learn seriously!”

“That’s normal, after all, no one on the first level has put it in their eyes, and since body techniques are useless in the face of absolute strength, who would want to waste time learning them!”

Lin Ran laughed.

“Then why do you want to learn it!”

The black shadow man asked rhetorically.

Lin Ran helplessly stretched his hands and laughed.

“Because I’m already very strong, so I have plenty of time to learn body techniques!”

As the words fell, Lin Ran didn’t even wait for the black shadow man to move first, he instead charged towards the other party first.

As his figure changed, he actually performed the same body technique that the Black Shadow Man had performed before.

Chapter 1079

“You kid, you are really a chicken thief!”

This time, even the black shadow man couldn’t help but curse, and then he displayed a body technique that he hadn’t executed before.

“Eh? Yes that’s the new one!”

A look of joy appeared in Lin Ran’s eyes.

When he had fought the Black Shadow Man before, he could have easily passed the first level with his speed, but he hadn’t done so, instead choosing to actively admit defeat after an hour.

In order to learn all of his opponent’s stance techniques.

Lin Ran had never had a teacher since he set foot on the path of cultivation, and had relied on himself to roll around in Mo Fear, so now that he had an opponent who could let him learn properly, he was not willing to let it go easily.

“Kid, then let’s see how much you can learn away!”

The black shadow man sneered, the speed of his body obviously speeding up a bit, the closer he got to the back, the faster the body stances went!

Even Lin Ran’s watched carefully so as not to miss any.

And this time, it took Lin Ran even more than two hours to memorise all the one thousand stances that the black shadow man had performed, before choosing to admit defeat once again.

“Hey hey! He’s out again!”

At the entrance to the ninth floor hall, Li Baba and the others were still standing guard, and when they saw Lin Ran walk out once more, they all came forward to ask.

“Brother, did you pass this time?”

Li Baba asked busily.

Although Lin Ran was very demonic, he still gave him the impression that he got along well, so he naturally took the brunt of it.

“No!”

Lin Ran smiled blandly, not bothering to say much, and instantly walked towards the martial arts arena.

“What the hell are you doing?”

Looking at Lin Ran’s distant back, Li Ba was even more puzzled in his heart.

It was clear that Qiong Hua Lou had set so many records, but on the ground floor of the Ninth Floor Hall, he had actually failed twice.

“No! He must be up to something!”

Li Ba did not believe that Lin Ran was really unable to pass the first time, after all, he had defeated Liu Qi as well as Yue Qunshan, and both of them had passed the first level of the Ninth Floor Hall in an hour.

With doubts in their minds, Li Ba and a group of gossipy followers followed Lin Ran to the martial arts arena again.

Without any surprise, Lin Ran was in the martial arts arena for another hour of seclusion, before getting up and walking towards the Ninth Layer Hall again.

“Back and forth, the Ninth Floor Hall Martial Arts Arena, could he be”

Suddenly, Li Ba thought of something.

The first level of the Ninth Layer Hall tested body techniques, this was something everyone knew.

But no one would ever choose to stay at the first level for so long before, no more than because they felt that there was nothing difficult about the first level, and nothing good only to stay.

After all, in the face of absolute strength, stance did not seem that important.

But Lin Ran was doing the opposite, making three trips in and three trips out on the first level.

“What the hell is he up to?”

Looking at Lin Ran’s back as he entered the ninth floor hall once more, there was confusion in Li Ba’s eyes.

At this time, throughout Qiong Hua Mountain, the news about Lin Ran’s failure twice in a row on the first level of the Ninth Layer Hall had already spread and reached the ears of many people.

“Have you heard, big brother? This kid has gone to the Ninth Floor Hall again, this is the third time, what a laugh, I can’t even break the ground floor of the Ninth Floor Hall! This is an idiot!”

In the room, Wu Xiu laughed disdainfully.

“Don’t be ridiculous! This Lin Ran person is highly unpredictable, he must have his own reasons for doing this!”

For his part, Wu Jou frowned, holding a sheepskin map in his hand and looking at it.

“He’s the only one who’s still profound!”

Wu Xiu was unimpressed, not listening at all.

“Boss! Have you thought about this matter?”

Next to him, Peng Chang suddenly asked.

“What is it?”

Wu Xiu was bewildered and asked.

“I’ve thought it over! When I have completely recovered from my injuries, we will set off!”

Wu Chou nodded and whirled and put the sheepskin map away.

.....

While in another luxurious room, Long Ya was sitting on her knees, cultivating with her eyes closed.

“Miss, have you heard? That Prince Lin Ran has failed twice on the first level of the Ninth Floor Hall!”

Yu Xuan ran in with a worried face.

“I know!”

Long Ya returned blandly with her eyes tightly closed.

“Then aren’t you nervous? Now the whole Qionghua Mountain knows that you like him, but this result of his is also It’s also too humiliating!”

Yu Xuan pouted her lips in discontent.

“Disgraceful?”

Long Ya, however, laughed.

“His strength, not to mention the first level of the Nine Storey Hall, I’m afraid that even the first six levels would not be difficult for him!”

“Then why did he!”

Yu Xuan asked busily.

“I don’t know!”

Long Ya shook her head.

“He naturally has his reasons for doing so, no more than talking about it!”

After saying that, Long Ya stopped talking and fell into cultivation.

.....

But said within the ninth floor hall, after an hour of fierce battle, the black shadow man not far away finally stood still.

“Why did it stop? Continue!”

Lin Ran’s eyes were full of excitement, and he was still a bit impatient.

“I can’t continue, I only have a total of 3,000 moves, and you’ve learned them all!”

The black shadow man said speechlessly.

“Only three thousand strokes in total?”

Lin Ran was stunned.

Indeed, the first time he had learnt a thousand strokes and gone out of seclusion, the second time was still a thousand strokes, and now was the third time.

“Alright! Then I should be able to sit here for a while!”

Lin Ran stretched out his hands.

“Suit yourself!”

The black shadowed man said without a good word, and then turned around and went back to his position.

Lin Ran sat cross-legged in place and immediately began to rehearse the one thousand stances he had just learned in his mind.

Every time he had learnt a thousand stances before, he had to go out for a retreat, in order to integrate them and make them completely his own, otherwise he wouldn’t have wasted so much time, entering and leaving this ninth floor hall three times.

“Ding!”

“The first person to pass all of the first level of the Nine Layers Hall has appeared, with a total time of four hours!”

Suddenly a voice resounded throughout Qiong Hua Mountain.

“All of them passed?”

At this moment, Li Ba and the others standing at the entrance were confused.

What do you mean by all through?

Wu Xiu Wu Jiao and the others were also dumbfounded.

“What the hell did this kid do!”

Yue Qunshan’s face was icy cold and his fists were clenched.

“What does it mean to pass all of them?”

On the seventh floor of the Ninth Floor Hall, Li Mu Di and Fire One Sword were also dumbfounded.

“No!”

Suddenly, Li Ba remembered something.

“On the first level of the Ninth Layer Hall, if you hold on to more than fifteen hundred strokes, you can pass the test and enter the second level and pass all of them, could it be that Lin Ran he carried off all of the stance tests?”

“Can’t be, I remember when Dragon Ridge Heaven only managed to carry more than 2,900 strokes before failing!”

Someone next to him immediately said.

“Right, and it’s a body technique, it’s not like it’s anything important, could it be that that kid deliberately tried to set a new record by passing all three of them before?”

The crowd speculated to.

Li Ba, on the other hand, shook his head.

“No, is Yue Qunshan powerful? He can only be kicked like a ball in front of him, and with his speed he can definitely crush the first level easily!”

“Then why do you think he went in and out three times!”

Someone next to him asked rhetorically.

Li Ba frowned, and a moment later his eyes shot out two sharp lights.

“He should be learning the first layer of body techniques,? And it’s all learned!”

“What? Learning the body technique?”

“That can’t be right, is that necessary?”

The crowd shook their heads one after another.

Li Ba, however, smiled blandly.

“What else? He’s already strong enough to compete with Dragon Ridge Sky,? If it wasn’t for learning body techniques, what reason would there be to waste so much time on the first level!”

“This kid is really, not missing any opportunity to learn!”

Fire One Sword and Li Mu Di had obviously thought of this possibility and couldn’t help but both laugh.

“Lin Ran! You really are different from normal people!”

Long Ya also opened her eyes, with delight in her eyes.

Chapter 1080

“Alright, gotta get to the second level!”

It was half an hour later that Lin Ran stood up from the ground and gave a salute to the black shadowed man in the distance, and then his body disappeared into the first level.

“Now, that’s quite polite!”

The black shadow man turned around, a smile appearing on his face hidden behind his cloak.

“Weng!”

There was still a dark space, and a huge high platform in front of them, except that what appeared on the platform at this moment was a red glow.

And among these lights were countless magic weapons, swords, spears, sticks, swords, spears, hooks and forks could be said to be all in one place.

“This is?”

Lin Ran looked stunned and suddenly recalled a remark Li Mu Di had made before.

“Everyone in the Ninth Floor Hall can pick a weapon, and it’s possible to take it away through the ninth floor!”

“Could it be that the selection starts from the second layer?”

Lin Ran thought in his mind, but then it was Li Ba who came to mind.

“It seems a bit tragic that followers can only be on the first three levels and can’t pass the ninth level at all, which means that only golden token holders have the chance to take away these weapons!”

As he was thinking, a voice suddenly came over.

“Lin Ran! From the second level onwards, you’ll have to pick a magic weapon or weapon of choice, and you’ll need to use it to fight on all eight levels after that!”

“If you can successfully pass the ninth floor, you will not only get this weapon, but you can even go to the ninth floor of the Qiong Hua Tower to get the corresponding weapon fighting technique... Alright you have one hour, start picking!”

The voice fell, followed by the countless red balls of light that had flown in front of Lin Ran.

“The Broken Army Sword! What a dense killing aura!”

“The Formation Refining Gun, it’s actually a set of formation magic weapons!”

“Demon Breaker Stick! It actually comes with its own Daoist talisman seal!”

Looking at the magic weapons in a curtain of light in front of him, Lin Ran couldn’t help but be a little dazzled.

“Master Shu, what should I do!”

Lin Ran was at his wit’s end and could only turn to his pillow book for help.

“What should I do? Just choose whatever you like!”

The Pillow Book said lazily.

“But this is too much, I have to pick one that suits me!”

Lin Ran was speechless.

“One that suits you? There’s nothing here, the most suitable for you is the set of silver needle magic weapons, the things here are more on the side of weapons!”

The pillow book said blandly.

“Weapons?”

Lin Ran was stunned, yes! How could he have forgotten about this himself.

“Then don’t have a magic weapon, focus on finding a weapon, find the best one!”

Lin Ran said busily.

He himself had once found a slight account of the Mysterious Alliance in the Qiong Hua House’s tomes, plus the rumours that Fire One Sword and Li Mu Di had heard.

There was a high probability that ? They would be involved in certain wars after they left Qiong Hua Mountain, and in the battlefield magic weapons were obviously not as comfortable to use as weapons, so since one already had the most suitable magic weapon, it was naturally best to pick a weapon that took advantage of the situation.

“The best weapon? This is easy, there are a total of three suitable ones for you here!”

“In the southeast, that Fangtian halberd is very powerful it is made of Fangtian divine iron, and it carries its own domineering aura in its killing power! It can shake a thousand armies!”

“In the northwest, the Boneless Fan, which is soft but strong, and can be used for attacking or defending, a powerful weapon for killing.”

“Twelve o’clock, the Frost Condensing Sword, as cold as frost, its body is always entwined with cold ice, it is forged from the frost of the nine heavens and ten earths, the Frost Melting God Sword is out!”

“Holy shit!”

Lin Ran’s blood was boiling as he listened, every single one of these was a good item, especially the first Fangtian halberd.

In Lin Ran’s impression, the halberd was the weapon of the God of War, Lu Bu, and if he could also own a Fang Tian halberd, it would be absolutely handsome as hell.

“Kid, I advise you to choose the Condensing Frost Sword, that Fang Tian Halberd is too heavy with killing and will affect your dao heart!”

The Pillow Book suddenly said.

“Instead, this Frost Condensing Sword, a sword that condenses frost, can keep you awake at all times, and this sword can break illusions, it will definitely help you more!”

“The Condensing Frost Sword?”

Lin Ran landed his gaze on the Condensing Frost Sword this time.

“It’s alright too! This Frost Condensation Sword is quite pretty too, and I feel that it seems to be more suitable for Qin Bing!”

Lin Ran laughed.

The first time he saw Qin Bing, the latter had given himself a cold and icy feeling, but it went well with this Frost Condensation Sword.

“What are you thinking about, if you don’t choose it the time will come!”

The pillow book was busy reminding.

“Er...”

Lin Ran was stunned, and busily brought over the light cluster where the Frost Condensation Sword was.

“That’s it!”

Lin Ran laughed aloud.

“Good! The Frost Condensation Sword! The weapon has been chosen, so the next test is the second level, perseverance!”

The old voice rang out again, followed by a huge trunk of a dead tree appearing in front of Lin Ran.

At the same time a black shadowed figure also appeared next to the trunk.

“Chop a crack half the depth of this tree and you will be considered to have passed!”

The black shadow figure said blandly.

“A fissure half the depth?”

Lin Ran was stunned for a moment, then he took his Condensing Frost Sword and walked up.

“Bang!”

There was a muffled sound, Lin Ran had used a full 90% of his strength, but the result

“How come there’s only a shallow mark!”

Lin Ran was completely helpless.

“Kid! It takes an ordinary person eight hours to reach the requirement, so you’ve only just started don’t be in a hurry!”

The man in black next to him laughed.

Lin Ran, however, shook his head and laughed.

“Then it looks like I’ll have to take a day!”

“A day!”

The man in black shadow was puzzled.

“Didn’t I say eight hours? Why do you want a day?”

“My goal isn’t to get through, but to cut it down completely!”

Lin Ran laughed, following which the Condensed Frost Sword in his hand had swung down once more.

.....

Time rushed by, and in the blink of an eye, Lin Ran had already spent a full month in the Ninth Floor Hall.

In this month’s time, he had passed all of the first six levels of the Nine-Layered Hall, and had passed them all.

And within this month, the entire Qiong Hua Mountain had also sounded six reminders of a new record.

Correspondingly, after the baptismal training of the first six levels, Lin Ran’s whole person looked more calm and introspective at this time. Whether it was from his body technique, perseverance, inner strength, use of true qi, fighting skills and so on, Lin Ran had made a qualitative leap.

Before, he was unconventional in battle, but now he had an aura of calmness between his hands and feet, which was an absolute control of his strength.

“The seventh floor, come back another day! It’s time to go out and rest too!”

Lin Ran counted the time, it had been a month, and it was time to go out and see how Wang Yifeng’s cultivation was going.

Thinking, Lin Ran instantly walked out of the Ninth Floor Hall.

“Why is it snowing?”

Looking outside at the snow-capped sky, Lin Ran couldn't help but frown slightly.

It seemed like it was only just entering summer, so how come it was suddenly snowing on Qiong Hua Mountain.

“Hey hey! Rangzi, you've finally come out, I've been waiting here for you for two days!”

Suddenly a familiar voice came over, it was none other than Wang Yifeng.

“What's wrong with waiting for me for two days?”

Seeing Wang Yifei Lin Ran was surprised, and it was even more surprising that this guy was still waiting for himself.

“An important matter, Wu Jiao you still remember, he wants to talk to you about something, and it's about sister Ling Sa!”

“Ling Sa?”

Lin Ran frowned slightly at his words, and immediately returned to his residence with Wang Yifeng.

On the way Lin Ran asked in confusion.

“Why is it snowing on this Qionghua Mountain?”

Wang Yifeng was stunned and laughed.

“Nothing strange, I asked Li Mu Di, this Qiong Hua Mountain is very high up and it snows from time to time, but what's strange is that recently many people have noticed that there seems to be a smell of blood in the air!”

“I've asked many people about this, and they all said that every time it snows there is this smell in the air, and that they've seen it long ago!”
