

Wonder Doctor

Chapter 1101

There were only a hundred ladders to ascend, and soon Lin Ran and the others had already made it up to the Pool of Chance.

And at this moment, looking around, the entire outside of the Pool of Chance was surprisingly empty, with only a few female fans of the Dragon Ridge Heaven still struggling to climb the Heaven Climbing Ladder.

“Let’s go, let’s go in too!”

Lin Ran greeted, and in a whirl, the crowd also entered the Pool of Chance.

When they said it was the Pool of Chance, it was actually a cultivation site that had True Qi condensed out of it.

It was surrounded by true qi and looked a bit cloudy.

But it was such a place that after the crowd had just entered, they all felt a surge around their bodies.

The feeling was like a fish entering a pond of water, not to mention how comfortable it was for a while.

“You guys come and cultivate well at the edge here!”

Lin Ran admonished this Wang Yifeng and Li Ba.

“Don’t worry!”

Wang Yifei nodded his head.

Li Ba was also busy nodding.

Lin Ran then joined Long Ya Ling Sa and the others and entered deeper.

In the end, Ling Sa stayed on the periphery, while Fire One Sword and Li Mu Di and Long Ya entered the core place.

Although it was said to be a core place, it could also be very large and there were quite a few people who had come here, most of whom were at the peak of the Heaven Seizing Realm in strength.

“Kid! You’re a bit slow!”

Lin Ran had just arrived at the core land when a voice suddenly came over next to him.

“You don’t seem to be fast either!”

Lin Ran said indifferently, the other party was none other than Long Ridge Sky.

“I was waiting for you!”

Long Ridge Heaven laughed.

“Something wrong?”

“At the innermost part of this core land, there is a spring, will you follow me there?”

Long Ridge Sky laughed.

“Cousin, don’t make a scene, that spring is the core of the entire core land, you will die if you are not strong enough to go there!”

Long Ya was busy advising.

Long Ridge Heaven glanced at Long Ya and didn’t say anything, then looked at Lin Ran.

“Kid, dare you!”

“Why not dare!”

Lin Ran said blandly.

“Lin Ran, why are you also fooling around, my cousin has been to the Pool of Chance once, he knows best about the situation here, don’t go with him!”

Long Ya said busily

But Lin Ran gently pushed Long Ya’s hand away.

“I’ll go without your cousin!”

The Pool of Chance only came once a year, and since Lin Ran had caught it, he naturally couldn’t come for nothing, in fact the pillow book had told him just after he came in to go to the innermost spring where the true qi was the densest!

“Good! Still a man, don’t keep me waiting!”

Long Ridge Sky smiled blandly, and then swirled towards the inside.

“Lin Ran! You really can’t go!”

Long Ya was busy persuading up.

“Ranzi, I think you should listen to Long Ya!”

On the side, Li Mu Di also spoke up to persuade.

“I’ve also heard about the innermost spring, it’s said that it’s the source of the entire Pool of Chance, the true qi there is indeed the densest, but the pressure is also the greatest, one might just explode and die if you’re not careful!”

“Right!”

Fire One Sword also nodded his head.

“So terrifying?”

Lin Ran frowned slightly.

“Yeah, you mustn’t go!”

Long Ya persuaded.

“I know!”

Lin Ran nodded his head.

“But I still want to go and try!”

“You!”

Long Ya was suddenly helpless.

“Don’t worry, I won’t go in without being sure!”

Lin Ran added.

“But!”

Long Ya still wanted to persuade, but Lin Ran waved his hand.

“Don’t worry, you guys go cultivate too, time is precious, I’ll go in first!”

After saying that, Lin Ran turned around and walked in towards the inside of the core place.

The closer they got to the inside, the smaller the number of people became obviously, most of the people were still concentrated on the periphery.

And as Lin Ran got closer to the inside, the pressure beside himself grew, and gradually it was actually a little too much for even Lin Ran to bear.

“Right there?”

Just as Lin Ran stopped to rest, a large tree actually appeared not far in front of him.

And underneath the large tree, there was a man standing, and it was clearly none other than Long Ridge Sky.

“Kid, to be able to walk here on your first visit to the Pool of Chance, you really impress me!”

“But if this is your limit, then that would be too disappointing for me!”

“Is that so?”

Lin Ran was not the least bit angry at his words, instead, he did so on his knees.

“Hm?”

Long Ridge Heaven frowned slightly.

“What? Giving up on this? Coward!”

“Heh!”

Lin Ran laughed lightly and didn’t bother to pay him any mind as he just sat cross-legged, allowing the surrounding True Qi to continue to pour into his dantian.

“Kid, you have some losses!”

Suddenly, Pillow’s voice rang out from the side.

“What do you mean!”

Lin Ran asked busily.

“The true qi here is so dense, I’m afraid you won’t be able to touch a second one on this earth in your lifetime, how good it would be if it was the Realm of Creation!”

“Eh ....”

Lin Ran was helpless for a while, he also understood what the pillow book meant, the creation realm was all about the devouring of true qi, if he was placed outside I’m afraid that if he worked hard to devour it for years, he wouldn’t be able to keep up with the amount here for a month on top.

“Think of a way to strive to break through to the Qi Creation Realm in here, it’s definitely a great opportunity for you!”

The pillow said.

“Mm!”

Lin Ran nodded, this matter could only depend on luck, a breakthrough like this wasn’t really something he could do just because he wanted to.

“I’ll do my best!”

Lin Ran closed his eyes and didn’t speak, frantically devouring the true qi around him.

He had been at the half-step Creation Realm before, and now he just needed an opportunity.

This sitting was for seven whole days.

What Lin Ran didn’t know was that outside the Outer Chance Pool, quite a few people had already come out by now.

That’s right, many of the followers had limited strength and could only stay in a place like the Pool of Chance for seven days at most, beyond that they would not be able to absorb true qi and might even be guided by it, thus causing the dantian in their bodies to tremble, which was very dangerous.

“Hey hey! Quickly look, are the two people in the core place Lin Ran and Long Ji Tian!”

“Looks like it to me, and the one at the very back is clearly dressed as Young Long!”

“Holy shit, no wonder it’s Young Long, he’s actually there at the spring!”

“Yes! Or else it could be Young Long!”

“That Lin Ran isn’t bad either, he’s only a few steps away from the spring!”

“Cut it out! He’s not even close to the wall, and he wants to compete with Young Long!”

A woman on the side said blandly.

It was none other than Dragon Ridge Sky's number one female fan.

"Hey! Aren't you also a golden token holder, why are you out too! It's only been seven days!"

Next to him, Li Ba recognized the other party and couldn't help but laugh.

"Mind your own business!"

The woman instantly blushed ugly.

"O! I can't care, then why are you talking about my master? Or are you saying that you look pretty and are planning to marry Long Ridge Sky in the future!"

Li Ba said nonchalantly.

"You!"

The woman's face instantly turned red.

"Li Ba, that's not right, what kind of strength does he have that he can look at her?"

"That's right, don't even take a piss and look at yourself, even someone like her can hold a golden token, Qiong Hua Mountain is also blind!"

"Yes, I think she's more like me!"

"Haha!"

"You guys!"

The woman's face turned red with anger and she turned her head away from speaking.

And after seven days of silence, Lin Ran finally woke up from his initiation.

"Seven days? It's time to go up too!"

Lin Ran smiled lightly, and immediately walked in the direction of the Dragon Ridge Sky.

"Hm?"

Long Ridge Sky sensed someone coming over and slowly opened his eyes.

"What a coincidence, you're here too!"

Seeing Long Ridge Sky, Lin Ran smiled and said.

"You!"

Long Ridge Heaven's face sank, Lin Ran's words clearly did not put him in his eyes.

"Sharp teeth, you're a full seven days late, and in three more days, I'm going to sit on it! Are you up to it?"

Long Ji Tian looked at Lin Ran provocatively and pointed to the spring in front of him under the big tree.

And right next to the spring were two futons that were ready for seating!

“Three days? I only need one day! You need to hurry up!”

Lin Ran smiled lightly, and immediately sat down next to Dragon Ridge Sky.

“Humph! I’ll see how long you can be arrogant!”

Long Ridge Heaven didn’t say a word and immediately continued to close the door.

Chapter 1102

“Hey hey, who was that just now, didn’t you say that my master was not strong? Look again!”

Li Ba suddenly pointed at the pool of chance in mid-air and shouted.

Seeing this, the number one female fan of Dragon Ridge Heaven next to him was busy looking over.

But then the disdain in her eyes changed.

“How can that be? How can he be sitting next to Young Dragon!”

“That’s right! Lin Ran is actually sitting next to Young Master Long!”

“My goodness it’s true!”

All of a sudden everyone noticed this.

Before, Lin Ran was behind Long Ji Tian, but now he was actually sitting together with him.

“Hmph! So what, he’s a full seven days behind Long Shao, what’s there to be proud of!”

The female fan said disdainfully.

“O, so, then you go and try?”

Li Bachi laughed.

“Li Bachi! Don’t pretend I don’t know, aren’t you just being Lin Ran’s lapdog, blind as a whip!”

The female fan said in a cold voice.

“Don’t you forget that? Young Long and him have a betting agreement, once that kid is ruined by Young Long in the future, you’ll be a dog in distress again!”

“Oh, really? That’s still better than unrequited love like you, I’m afraid Long Ridge Heaven doesn’t even know who you are!”

Li Ba sneered.

“Gee it’s true to say that, even I don’t know your name, it’s really non-existent!”

“You!”

The female fan’s face turned red with anger and she said coldly.

“Shameless thing!”

After saying that, she turned her head away from Li Ba.

In fact, the whole scene was even worse than this, as Long Ridge Sky and Lin Ran represented the old and new forces respectively, and both supporters were naturally very numerous.

And as time went on, more and more people began to come out of the Pool of Chance, and the number of onlookers began to grow.

And when the time came on the eighth day, just one day after Lin Ran arrived next to the Dragon Ridge Sky.

A miraculous scene reappeared.

Only one of the two people who were originally doing it side by side actually stood up, and then walked directly towards the spring in front of them.

“Look, look, someone’s moving!”

“It must be Young Long!”

“It’s definitely Young Long, that kid Lin Ran arrived seven days late, it must be Young Long!”

“Young Long is mighty!”

The crowd below shouted, very excited.

On the other hand, Li Ba and the other people who supported Lin Ran were all silent, their faces suffocating red.

.....

Inside the Pool of Opportunity, looking at the spring in front of him, Lin Ran couldn’t help but take a deep breath.

After first seven days of cultivation, followed by another day of cultivation, Lin Ran already had a vague feeling that his strength had reached a bottleneck and seemed ready to break through at any moment!

It was this opportunity for a breakthrough that was delayed, as if Lin Ran was standing at the gate, but the gate just wouldn’t open.

“Dragon Ridge Heaven! Oh!”

Lin Ran turned his head to look at Long Ji Tian, who was still sitting behind him, and turned around and made his way to the futon next to the spring.

“Weng!”

With this sitting, everything around him was instantly silent, and faintly Lin Ran could actually hear his own heartbeat, as well as his breathing.

But soon, he found a touch in the dantian within his body, as if an electric current was constantly striking him.

“This feeling!”

Lin Ran's entire being instantly fell into a deep level of cultivation, completely pressed and shielded from everything in the outside world.

"That man is sitting up there, who the hell is it!"

"Who else could it be, it must be Young Dragon!"

"Right! It must be Young Long!"

The crowd was talking, and since the picture became blurrier the further in you got, by this point the crowd couldn't see clearly who had made it onto the spring-eye futon first, and who exactly was the person still sitting on the ground.

Two more days had passed.

"Hey, hey! Look, that man is standing up too!"

"What's the use of standing up only now, Young Long has been doing it on the futon for two days!"

"That's true, but that Lin Ran can sit on it now, it's not that bad!"

"That also depends on who you're comparing it to, compared to Young Long! He's a piece of shit!"

The crowd laughed one after another.

While Li Ba, who was at the side, frowned and couldn't help but speak up.

"Are you guys mistaken, according to me this should only be Long Ridge Sky who just got up!"

"What did you say?"

The crowd was stunned at his words, the one who had just gotten up was Long Ji Tian, so who was the one sitting on the futon before?

Lin Ran?

How could that be possible!

"Li Ba, aren't you sore losers, your own master can't do it and you still want to turn right and wrong upside down? You're not afraid that others will laugh at you!"

The female fan sneered.

Li Baba, however, shook his head.

"Am I reversing right and wrong, or are you blind yourself?"

"Dragon Ridge Sky arrived seven days before my master, and the position he made for the next three days hasn't moved, instead, my master's position keeps changing again, so how did you see that the first one to make it up there was your young dragon?"

"You!"

The female fan's face sank as she frowned slightly.

Some of the people beside her who had previously mocked Lin Ran also each had ugly faces.

Li Ba had a point, the position of Dragon Ridge Sky had indeed remained unchanged before, although it was a bit blurry to see from such a distance, the crowd could still tell if the position had changed.

“Could it be that Lin Ran really came after him?”

“That’s impossible, how could Lin Ran have overtaken Long Ridge Sky?”

“It’s hard to say, let’s wait and see!”

“Yes! We’ll find out later!”

The crowd was chattering.

The female fan smiled coldly at this point and said.

“Li Ba, just keep on stirring, I’ll see how long you can continue to argue, later on young Long will perform the swallowing technique, then it will be clear who the two are, I’ll see how long you can still be mad!”

Li Ba didn’t reply,? Just looking nervously at the pool of chance.

.....

Inside the Pool of Chance, Long Ridge Heaven got up and looked at Lin Ran in front of him, his eyes full of ice cold.

“How is it possible, how can this kid make it up there before me!”

“Bastard!”

Long Ridge Heaven couldn’t help but curse, and immediately raised his palm and slapped his hand.

“Bang!”

Suddenly, a light shield actually appeared in front of Lin Ran, directly blocking this slap from Long Ridge Heaven.

“Dragon Ridge Heaven, watch your attitude!”

An old voice rang out, instantly scaring Long Ridge Heaven into pale faces.

“Elder Mo! It was junior who was reckless!”

Long Ridge Heaven was busy saying respectfully.

“Your path is a little off, adjust it in time! Don’t fall into the path of evil demons!”

Mo Lao spoke.

“Yes!”

Long Ridge Heaven had a moment of fear, he did have a murderous intent towards Lin Ran in that moment just now.

Ever since he had entered this Qiong Hua Mountain, he had been the most dazzling of the group, but now he had actually been surpassed by a latter, which made him very annoyed in his heart.

“Humph! It’s only just ahead of me, I’ll let you know later that without strength it’s useless to sit here!”

Long Ridge Heaven snorted coldly and followed, then sat down on the futon opposite.

His palms then joined together, and a layer of light golden light immediately filled out, guiding the surrounding true qi to quickly surge into his body.

“Look out! The pale golden light, that’s Dragon Ridge Heaven!”

“Yes, yes! The Dragon Ridge Heaven’s aura is metallic, that pale golden one is the Dragon Ridge Heaven!”

“That’s strange, that seat seems to have just been taken by someone, could it be that the Dragon Ridge Sky is really slow?”

“Can’t you tell? The one who did it before must be Lin Ran!”

The crowd chattered.

And at this moment, Li Ba had already burst out laughing.

He turned his head to look at the female fan of Long Ridge Sky and laughed.

“I say sister, let’s see how long I can be arrogant!”

“You!”

The female fan was so angry that her pretty face turned red, her silver teeth clenched, and her eyes were filled with anger.

Chapter 1103

“Humph! Just be smug for now, so what if you go in the morning, it’s not certain who will come out on top!”

The female fan said in a cold voice.

“O! Now it doesn’t matter who goes up first, so who was the one who was sure it was Young Dragon in one breath just now?”

Li Ba was full of disdain.

“Hmph! You’ll get your ass kicked later!”

The female fan came with an ugly face and hummed, then turned her head away from Li Ba.

Li Ba also didn’t bother to pay her any mind, and likewise turned his head to look at the Chance Pool nervously.

By now, a full ten days had passed in the Chance Pool, with twenty days left until one month.

At this time, apart from the followers, some of the weaker golden token holders had also started to come out of the Chance Pool one after another.

Ling Sa, for example, came out of the Pool of Chance on the fifteenth day.

Although she was now at the peak of the Heaven Seizing Realm, she had only just reached it, so it was the limit for her to stay in the Pool of Fate for fifteen days.

When the time reached twenty days, Li Mu Di and Huo Yi Jian also began to come out one after another.

When the time reached twenty-five days, there was no one else inside the entire Pool of Fate except Lin Ran and Long Ji Tian.

And it was only now that the battle between the two began completely.

“Long Ji Tian is at the early stage of the Creation Realm, and he has a great need for True Qi, so he has been waiting, and after everyone has gone out, I’m afraid that the True Qi of the entire Chance Pool will be taken up by him!”

Outside, Li Mu Di said.

“What about Ranzi? He’s only at the peak of the Heaven Seizing Realm!”

Wang Yifeng was a little worried and asked busily.

“I don’t know, it will depend on Lin Ran’s own methods!”

Li Mu Di shook his head.

“I say, big sister, have you told your cousin yet, this could be a family in the future, why are you still doing it with Ranzi!”

Wang Yifei was busy looking at Long Ya.

Long Ya’s pretty face reddened at the comment, and she said in no good mood.

“Damn fatty don’t talk nonsense, I’ve said it’s my cousin, not my real brother, what can I do if he wants to do something!”

“Besides, I always feel that my cousin seems to have a heavy anger towards Lin Ran!”

“Did the two of them know each other before?”

Long Ya was puzzled.

“No way, I know everyone that Ranzi knows, and this what’s-his-name Dragon Ridge Heaven first cousin of yours is the first time I’ve met him, too, Fat Master!”

Wang Yifeng affirmed.

“Then I don’t know, let’s wait and see!”

Long Ya said helplessly.

Just as the crowd was anxiously discussing, at this moment within the Pool of Chance, Long Ridge Heaven was revealing a cold smile.

“Kid! I’ve waited for so long, and I’m almost ready, so just feel what it means to be in the Realm of Creation!”

Long Ridge Heaven sneered, followed by his hands together, and at once, a vortex actually faintly appeared on his palm only.

This vortex was only an imaginary shadow, but it was like a spring of the sea, and as soon as it appeared, the surrounding true qi was like a mud cow entering the sea, heading towards Long Ji Tian.

“My God what is that? This absorption speed is too terrifying!”

“That’s the Dantian of the Qi Creation Realm, a whirlpool! No wonder they say that the Qi Creation Realm is a devouring of True Qi, how much must this vortex swallow!”

“So powerful, no thanks to Young Dragon!”

“Yes!”

The crowd exclaimed, the female fan was also full of smugness at this point, and gave a white look to Li Ba next to her with a face full of disdain.

Li Ba didn’t say anything, he just stared upwards with an ugly face.

“Hey hey! Look guys, the true qi around Lin Ran is also starting to go in the direction of Dragon Ridge Heaven!”

“It’s really true, this is crippling, won’t Lin Ran get no true qi at all!

“Then who’s to blame, you can only blame your own strength!”

“Haha also!”

The crowd laughed.

“Bastard!”

Li Ba looked with his fists clenched.

Wang Yifeng Li Mu Di and the others at the side also had gloomy faces, but they knew that they couldn’t help at all right now, everything had to depend on Lin Ran himself.

.....

Inside the Pool of Chance.

Lin Ran was in a deep level of seclusion.

He could feel that he was only one step away from the Creation Realm, but he was never able to break through this barrier.

“Hmm?”

Suddenly, Lin Ran felt the true qi gushing into his body fiercely decrease, quickly reaching the point where no true qi was coming in.

“What’s going on?”

Lin Ran was startled and was just about to exit his cultivation state to take a look.

But then something unexpected happened that took him by surprise.

Originally, there was just no true qi coming in, but then he was actually shocked to find that the true qi he had originally swallowed and sucked in earlier was actually trying to dissipate outwards somewhat.

“What’s going on?”

Lin Ran was greatly alarmed in his heart.

“Kid, it’s not good, Dragon Ridge Heaven is frantically swallowing true qi, you have to stop it quickly, otherwise all the true qi in your dantian will be ripped out by him, and then you’ll be finished!”

The pillow’s voice suddenly rang out.

“What?”

Lin Ran froze in his tracks.

“Weng!”

Right at the moment when a thousand armies were at stake, suddenly Lin Ran felt his mind go clear.

“Shit! It didn’t come early!”

Lin Ran couldn’t help but curse.

It was too early to come, but at this very moment, Lin Ran felt the opportunity to make a breakthrough arrive.

“Holy shit! Kid you!”

This time, even the pillow was confused.

“Whatever, breakthrough first!”

Lin Ran gritted his teeth and didn’t bother with Dragon Ridge Heaven, if he missed the opportunity to break through, it would be difficult to wait for the next time, so he might as well make a breakthrough first.

“Alright! I’ll try to help you slow down the loss of your true qi!”

The pillow said, while a wisp of golden light flew out and wrapped Lin Ran directly into it.

“Hm? Resist? It’s useless!”

Feeling the true qi being drawn out of Lin Ran’s body getting slower and slower, Long Ridge Heaven couldn’t help but laugh.

“There are still five days until the end of the Pool of Chance, so I’ll see how long you can hold out!”

Long Ridge Heaven smiled blandly and stopped ignoring Lin Ran, swallowing the dense true qi around him as he went about his business.

.....

The outer world.

“Haha! Did you see that, Li Ba? Your master’s true qi has all been taken away by Young Long!”

The female fan sneered.

“What nonsense, stupid woman!”

Li Ba was furious, where he couldn’t see that Lin Ran was in a very miserable situation at the moment.

It couldn’t help but that all the true qi around him was surging towards Long Ji Tian, and even the true qi inside Lin Ran was escaping out.

“Humph! You’re mad, why aren’t you mad anymore!”

The female fan looked at Li Ba, her face filled with smugness.

“What to do!”

Long Ya was also extremely anxious at the side.

“There’s no way out,? Unless Long Ridge Sky himself stops, it’s up to Lin Ran himself!”

Li Mu Di frowned.

In this situation now, they could only be anxious.

“This deflated calf, Fat Master I’ll go in and kill him!”

Wang Yifeng was also a little angry.

“Can you get in?”

Lingsha said helplessly.

“Then we’ll just watch!”

Wang Yifeng said angrily.

“Just watch, if Lin Ran gives up here, he’s not the Lin Ran I know!”

Lin Lin came with a calm face and said.

As soon as those words were spoken, everyone was stunned.

Yes! Lin Ran had been creating miracles all along,? Maybe this time he could too.

“I believe in him, he will definitely have a solution!”

Linran said firmly.

Chapter 1104

Time passed by minute by minute.

After a full day had passed, the crowd could not help themselves any longer.

At this moment, Lin Ran was still sitting on his knees, and outside his body, there was still true qi festering.

On the other hand, Dragon Ridge Sky was swallowing and sucking in true qi without being at ease.

“What the hell is Lin Ran doing!”

Wang Yifeng couldn't help but shout.

“Don't be in a hurry, give him some time!”

Ling Sa was also clenching her fists, her eyes full of worry.

Long Ya, on the other hand, was saying nothing with her silver teeth clenched tightly, what could she say, she had already spoken to Long Ridge Sky countless times, but the result was still the same.

She also understood that her cousin and Lin Ran's relationship was no longer something she could reconcile.

“There's some trouble!”

Suddenly, Li Mu Di, who was on the side, spoke up.

“What's wrong?”

The crowd was busy asking.

“I've roughly calculated the collapse of Lin Ran's true qi. At this rate, I'm afraid that in another two hours, all the true qi in Lin Ran's body will have to be drained away!”

Li Mu Di said.

“What?”

The crowd's faces all changed drastically at the words.

Li Bajie, who was on the side, even sat down on the ground, his face ashen!

“Yo, what's wrong with you, Li Bajie? Weren't you still so tugging before?”

The female fan instantly laughed at the sight.

“I yanked you scolded than!”

Li Ba was furious and got up to beat someone up.

However, he was stopped by Wang Yifeng and the others at the side.

“Brother Li, Brother Fire, isn’t there any other way?”

Li Ba was busy asking.

He was no more worried about Lin Ran than the people present in the slightest.

The one he had encountered before was Yue Qunshan, a guy who had ignored him and made him feel non-existent.

It was hard to become Lin Ran’s follower, but now .....

“There’s no way out, we can only wait! Or .....”

Li Mu Di said.

“Or what?”

The crowd looked at Li Mudi.

“Or Lin Ran himself gives up and comes out of the Pool of Chance!”

“Come out?”

The crowd was stunned.

“If coming out is fine? Then why didn’t he come out?”

Long Ya asked busily.

“That’s because he must still have a way out!”

Lingya said.

The crowd couldn’t help but look at Lin Ran at his words.

There was still a way out at this juncture?

.....

“Ranzi, your true qi can still last for an hour at most!”

The pillow book was busy reminding.

“I know!”

Lin Ran frowned, not caring in the slightest!

“Then you!”

Pillowbook was getting a little anxious.

“Give me another half an hour!”

Lin Ran said.

At this moment, within his dantian, all of the true qi had been completely dispersed and a seed was being planted.

“Only half an hour, just half an hour!”

Lin Ran muttered to himself, his face filled with madness.

“Hmph! It’s still holding out, interesting!”

To the side, Long Ridge Heaven stole a glance at Lin Ran and could not help but laugh when he saw that he was still sitting down as well.

Time passed by minute by minute, and suddenly just when everyone thought that Lin Ran would choose to leave the Pool of Chance.

“Weng!”

Suddenly, a buzzing sound trembled within Lin Ran’s dantian.

“Master Shu, give me the most powerful spirit gathering formation!”

Lin Ran suddenly spoke.

“It’s done?”

Pillow Book was a little excited.

“Hurry!”

Lin Ran chided.

“Yes!”

The Pillow Book was instantly yo like chicken blood, and a golden light pervaded out from within Lin Ran’s dantian.

At once, the entire Pool of Chance was enveloped by this golden light.

“Hmm? What’s going on?”

Outside, the crowd was stunned as they watched.

“It’s Young Long, the golden light is Young Long’s, is Young Long preparing to suck the entire Chance Pond dry?”

“It must be, this movement is something only Young Long can do!”

“Young Long is mighty!”

The crowd shouted.

While the faces of Li Bawang Yifeng and the others were even more ugly.

“Alright!”

Pillow Book was busy saying.

“Let’s begin!”

Lin Ran sneered and followed, only to see a black vortex within his dantian that was only the size of a soybean violently begin to rotate.

At once, all the true qi within his dantian swarmed in.

At the same time, the Spirit Gathering Formation coalesced by the pillow book converged all the true qi within the entire Pool of Chance towards Lin Ran.

“Hm?”

Long Ridge Heaven was having a good time swallowing and sucking when he suddenly felt that the true qi around him actually stirred, and then all of it converged towards Lin Ran.

“A Heaven Seizing Realm, asking for so much True Qi isn’t afraid of exploding and dying, since that’s the case then I’ll give you a hand!”

Long Ji Tian sneered, and then he actually sent the true qi around himself towards Lin Ran as well.

“This Dragon Ridge Heaven is actually helping you again!”

The Pillow Book suddenly laughed.

“Helping me? He has such a good heart? Surely he still thinks I’m in the Heaven Seizing Realm and wants me to explode and die!”

Lin Ran laughed indifferently.

“But since he’s so kind, then I, Lin Ran, will accept it!”

Lin Ran swept all of his true qi into his dantian.

Only to see the black vortex the size of a soybean was also expanding rapidly, and in just a few moments it was already the size of a fist, and it was still getting bigger.

“Something’s wrong!”

Outside, Li Mu Di suddenly reacted.

“Look at the location of that golden light, it’s not where the Dragon Ridge Sky is!”

“Right! It seems to be the location where Lin Ran is!”

Wang Yifeng also exclaimed in sudden surprise.

“Brother Lin Ran could it be!”

Fire One Sword frowned slightly, with a glint in his eyes.

The female fan on the side, however, was still unclear and sneered.

“Young Long’s strength must have improved again, how can your what’s-his-name master fight with Young Long!”

“Humph! Stupid woman, we’ll see!”

Li Ba didn’t bother to pay attention to her and turned to stare nervously inside the Pool of Chance.

“Why hasn’t it exploded and died!”

Inside the Pool of Chance, Long Ridge Heaven was puzzled.

He himself had already helped Lin Ran send a very large amount of true qi, and it had been two hours, so how come this guy wasn’t doing anything at all.

“Weng!”

Suddenly, there was another tremor, and at once, Long Ridge Heaven saw in horror that a huge vortex had actually appeared above Lin Ran’s head.

The vortex was the size of a basketball and hovered above Lin Ran’s head as if it was a black hole, sucking in all of the surrounding true qi.

“What? A true qi vortex! When did this guy break through to the Creation Realm!”

Long Ridge Heaven’s face changed drastically as he hurriedly sucked back the true qi around himself.

But at this moment, the vortex at the tip of his finger was like an egg touching a basketball compared to this Lin Ran, so it was no match for Lin Ran.

In an instant, even the true qi within the Dragon Ridge Heavenly Vortex was vaguely about to be hooked out!

“Bastard!”

Long Ridge Heaven’s face turned pale as he also realised that the golden light that filled the area around him seemed to be a formation, and no matter how much he fought for it, he was no match for his opponent.

The situation in the field had actually been completely reversed at this moment.

“Damn it!”

Long Ridge Heaven was at his wit’s end, and immediately cursed angrily as his entire body jumped straight out of the Pool of Chance.

Just kidding, going out now would at most be a bit of a disgrace, but if he didn’t go out, when the true qi within his dantian vortex was also drained out by Lin Ran, then his strength would definitely drop quite a bit.

“Bastard! This is a debt I’ll write down!”

Long Ridge Heaven’s face was ugly as he had jumped out of the Pool of Chance with a whoosh and landed firmly on top of the ground.

“Young Long! It’s Young Master Long!”

“How did Young Master Long come out?”

“That person inside, isn’t it Lin Ran!”

“My goodness, Young Long was actually forced out of the Pool of Chance by Lin Ran!”

Upon seeing Young Long, everyone froze.

Especially that female fan of Long Shao’s, to her death, she never thought that the one who came out first in the end would actually be Long Shao.

And the one who held on to the end was actually Lin Ran.

Chapter 1105

In Elder Mo’s room at Qiong Hua Mountain.

“Ambassador Wind, I’m afraid of this golden glow!”

Mo Lao was filled with shock as he looked at the wisps of light in the mid-air Pool of Chance.

“You can also see that this radiance is not something that can be coalesced by our cultivators on Earth!”

Elder Feng stroked his beard and said.

“What you mean is!”

Mo Lao’s whole body shook at once.

“That’s right! Lin Ran has a big secret on his body! That’s why I want him to join the Mysterious Alliance!”

Elder Feng said.

“Alright! Make arrangements, he can leave Qiong Hua Mountain when the Shuai Zi Order Competition is over, remember to give him the Frost Condensation Sword and the supporting gongfu, he will be a great help in the battlefield in the future!”

“Yes!”

Mo Lao respectfully saluted.

“Alright, it’s time for me to go, the situation is tense and the great clans across the country are giving their contribution!”

Elder Feng muttered to himself, and then his body disappeared from the spot.

.....

“Young Long!”

Outside, Liu Qi stood next to Long Ridge Sky with an ugly face.

“Go!”

Long Ridge Sky’s face was icy cold as he turned around and walked away.

At this moment, everyone’s eyes here were looking at him, making it very difficult for him.

“Cousin!”

Long Ya was also busy walking over.

“Long Ya,? I advise you to stay away from Lin Ran, it’s impossible for you and him!”

Long Ridge Sky’s face was icy cold as he dropped a sentence, and then walked towards his own residence.

“Why?”

Long Ya asked busily, but Long Ridge Heaven didn’t answer him at all.

.....

As time passed day by day, Lin Ran sat alone within the Pool of Chance, the entire True Qi of the Pool of Chance seemed endless, being devoured by Lin Ran in a frenzy.

And there was no one to disturb him, which was naturally a good thing for Lin Ran.

He had just broken through the Dao Creation Realm, and there was such a dense amount of true qi for him to absorb, it was truly a great opportunity.

As more and more true qi was swallowed, the black vortex above Lin Ran’s head stopped growing and was eventually fixed at the size of a basketball.

But compared to before, this vortex was obviously much more stable in both colour and texture.

In the middle of the vortex, there were even faint dots of light.

These dots of light are scattered, without the slightest pattern.

However, the overall appearance was as spectacular as a vast universe in miniature.

“The three realms of creation, the Qi Creation Realm, the Dan Creation Realm and the God Creation Realm!”

“You know about this Qi Creation Realm, and the Dan Creation Sutra is to condense into a Dan within the Qi Spiral, and this Dan is the source of all your power!”

“As for the God Creation Realm, it is too far away from you, but it is good for you to know. The so-called God Creation Realm is to create a true qi self within the qi whirlpool, which can control the entire qi whirlpool, and then you can open mountains with your back hand and make rivers with your overlapping hands!”

The pillow book introduced.

“So terrifying?”

Lin Ran couldn't help but marvel.

"Terrifying? In my world, opening a mountain and turning it into a river was a skill that even a child could do! But in your world, it's something that only the strong can do... You say the difference is big!"

The Pillow Book laughed.

"Er ...."

Lin Ran was speechless.

"Fortunately, I wasn't born in your world, otherwise wouldn't even a small child be able to kill me!"

"Haha!"

The pillow book laughed.

"Alright, there's still one day left to consolidate, your strength is considered to have reached the first level of the Three Realms of Creation, the pre Qi Creation Realm!"

"Mm!"

Lin Ran nodded his head and swirled into cultivation once more.

This night, there were people rejoicing and sorrow on Qiong Hua Mountain.

At Lin Ran's residence, Li Mu Di and the others were all gathered here.

"You all know, right, that when Lin Ran comes out, there will be a scramble for the Handsome Character Order!"

Li Mu Di looked at the crowd.

"I know, but what I'm most concerned about is the holiday!"

Wang Yifeng laughed.

They had only been informed of this in the afternoon, and Elder Mo himself had come out to say so.

When the Shuai Zi Decree was contested, but anyone who passed the Nine Storey Hall test would be allowed to leave Qiong Hua Mountain and go home to rest for a month.

And after a month, the whole group would have to assemble at Xingwu Mountain!

"Xingwu Mountain, it's time to see Dao Lengzang again!"

Wang Yifeng couldn't help but laugh.

"You're still young!"

Li Mu Di was a little speechless.

"What's wrong?"

Wang Yifei had a puzzled look on his face.

“Do you know what the Gathering Xingwu Mountain is for?”

Fire Yijian looked at Wang Yifeng, who shook his head.

“It’s likely that it’s about to go to battle!”

Fire Yijian said.

“Just go, I’m an orphan with no ties!”

Wang Yifeng said, but then he remembered someone.

“Xiao Cui!”

“Hey, I don’t know when we can meet again, wait for the room this time, go look for it!”

Wang Yifeng made up his mind.

Apart from Lin Ran and these friends, the only one he was most worried about was Xiao Cui.

“I asked everyone to come over because I want to tell you all that the battlefield is not trivial, so this time, when you go back for a month, you’d better take care of everything, because it’s likely that after you leave, you’ll never come back!”

Li Mu Di looked to the crowd.

“You guys don’t think I’m being dangerously sensationalist, the truth is that there are many people who didn’t end up coming back alive!”

The crowd was silent.

“That’s right! What if I haven’t passed through the Ninth Floor Hall yet?”

Ling Sa suddenly asked.

She had only made it to the third level of the Nine Storey Hall, and then she kept getting stuck because she was in a coma!

“I’ve asked Elder Mo about this, because of you we can stay at Qiong Hua Mountain for three more months, and we can leave when you pass the Ninth Floor Hall!”

Li Mu Di laughed.

“I’m sorry!”

Ling Sa was a little apologetic, the whole squad was the only one who hadn’t passed the Nine Storey Hall yet.

“Sorry for what, we have you to thank for that, if it wasn’t for you we wouldn’t have had a reason to stay! After all, who wants to go into battle if they have nothing to do!”

Long Ya laughed.

Ling Sa also smiled at this, after all this, she and Long Ya’s relationship had eased up quite a bit.

“Yes, Master Fatty I can also learn more kung fu techniques before going to Qiong Hua House, not bad not bad!”

Wang Yifeng also smiled and nodded his head.

“Weng!”

While the crowd was talking, suddenly there was a muffled sound from outside.

Following this everyone’s hearts trembled and they couldn’t help but look in the direction of the Pool of Chance.

“Lin Ran! It must be Lin Ran coming out!”

Long Ya shouted, and immediately was the first to rush over towards the Pool of Chance.

At the edge of the Pool of Chance, Lin Ran stood alone, his gaze sweeping across the entire Qiong Hua Mountain, and at this moment he could clearly see what the entire Qiong Hua Mountain looked like, as well as the different people represented by each aura.

“This is what it feels like to be in the Realm of Creation? How cool!”

Lin Ran couldn’t help but lament.

“Whoosh!”

Suddenly, a stream of light shot quickly, it was actually an arrow with true qi condensed into it!

“Hm?”

Lin Ran frowned slightly when he saw this, followed by raising his hand and slapping it over.

“Bang!”

The arrow exploded, leaving only a bit of starlight behind.

“It really is the Realm of Creation, Lin Ran you are qualified to be my opponent!”

Long Ridge Heaven’s voice rang out in the distance.

Lin Ran smiled at his words.

“You are too! I hope you won’t let me down in the competition for the Handsome Character Order tomorrow!”

“Haha! That’s crazy enough! Not only the Handsome Character Order, but I’ll also make you hand over a handful of the things you took from the Dragon Family!”

Long Ridge Sky sneered.

“The Dragon Family? What’s your relationship with Long Pingtian?”

Lin Ran suddenly asked.

This Long Ridge Heaven had been very much targeting himself, and Lin Ran had actually long suspected that this fellow had a relationship with Long Pingtian.

“What kind of relationship? I will personally tell you when I trample you under my feet tomorrow!”

Long Ridge Heaven’s tone was cold, without the slightest bit of warmth!

Chapter 1106

The following morning, the whole Qiong Hua Mountain was crowded with people.

The square was even set up early with the formations to be used during the engagement.

“Gentlemen!”

Suddenly a pale voice rang out, it was none other than Elder Mo.

“Gentlemen, today is the time for the competition for the Handsome Character Order, but anyone who has passed the ninth floor of the Ninth Layer Hall can participate!”

“The competition must not hurt anyone’s life until one side admits defeat position, and in the end only one person can get this Handsome Character Order!”

Mo Lao said.

However, as soon as these words were spoken, everyone was looking at Lin Ran and Long Ridge Sky.

Just kidding, it was said that everyone could participate, but did the others really dare to go?

In front of Lin Ran and Long Ji Tian, they were afraid that they would only be beaten up.

Moreover, it was said that no one could be hurt, but a beating into a disability would be unbearable!

“Alright, you all know the rules, so I will now introduce the function of this Handsome Character Order!”

Mo Lao said with a wave of his palm, and immediately a token directly came out of his hand and was suspended in mid-air.

The token was golden in colour, as if it was made of gold, and was the size of a palm, with the word “Shuai” engraved on it.

The entire token was suspended in mid-air, but it was surrounded by an endless majesty, as if a supreme general was standing in front of the crowd.

“This is the marshal character decree!”

Mo Lao swept his gaze across the crowd and said aloud.

“The so-called Handsome Character Order is a symbol of one’s status, and I know that you are all curious about where you will go after leaving Qiong Hua Mountain! Today I will tell you clearly, after leaving Qiong Hua Mountain, your first stop will be Xing Wu Mountain!”

“There, those who have the Handsome Word Order will need to form their own team! Then it’s time to go into battle and kill the enemy!”

“Wow!”

The moment these words were spoken, everyone exploded.

Sure enough! After speculating for so long, the end result was really still going to the battlefield to kill the enemy.

“Elder Mo, can you not go!”

Someone in the crowd soon asked, not everyone wanted to go into battle and kill the enemy!

“Yes!”

Mo Lao smiled.

“You have two choices, first! Going into battle to kill the enemy to establish merit corresponds to you getting better magic weapons and weapons as well as cultivation techniques, and your status will rise in the future!”

“Second, choose to be an internal staff of the Mysterious Alliance, responsible for the operation of the Mysterious Alliance, but once you choose this, you belong to the Mysterious Alliance for the rest of your lives, you can also get things like gong methods, but you cannot pass them out! And you can no longer contact your relatives or friends for the rest of your lives!”

“What?”

The crowd froze at the words.

They could tolerate the fact that Bi Sheng belonged to the Mystic Alliance, but they couldn't contact their relatives and friends, how could that work.

They were all human, and if they weren't allowed to contact their families, they would go crazy sooner or later.

“The Mysterious Alliance is really ruthless!”

Lin Ran frowned slightly.

If he was given a choice, he would inevitably not choose to become a part of the Mysterious Alliance completely, that would simply be no different from selling himself out.

“Alright, you all know the function of this Handsome Character Order, only the final winner will be able to have it this time, so those who want it will have to work hard!”

Mo Lao said as he swept his gaze over the crowd and laughed aloud.

“The competition will start in an hour, those who want to participate now start preparing!”

“Mo Lao!”

Just as Mo Lao's voice had fallen, suddenly it was a laughing voice that came out.

“Liu Qi? You have something?”

Mo Lao looked at the other party and frowned slightly.

“Mo Lao! I really don’t believe that there is any ungrateful person present who dares to compete with my master!”

“Hm?”

Mo Lao frowned slightly at his words.

He naturally knew that the handsome character order would definitely be chosen between Lin Ran and Long Ji Tian in the end, but Liu Qi being so arrogant was something he didn’t expect.

“I say who is this, not even afraid to speak, your master? Who is your master? Your master hasn’t even said anything, and you, a follower, jumped out and shouted, not afraid of annoying people!”

Wang Yifeng said disdainfully, while standing out.

“Damn fatty, you’re talking to me? Are you worthy?”

Liu Qi looked at Wang Yifei with disdain in his eyes.

“Are you worthy or not you don’t know yourself? What? You’re afraid that if Ranzi participates, Dragon Ridge Heaven won’t be able to get the Handsome Word Order, you’re out of breath!”

Wang Yifeng said disdainfully.

“Just by him! He is also worthy!”

Liu Qi was equally full of disdain.

“All right!”

Suddenly, Mo Lao spoke up.

“As I see it, since no one else is saying anything, they are obviously not interested in the Handsome Order, so fine! Then let’s then start the match straight away!”

“Either admit defeat, or beat them off the field, no killing! The rules are as simple as that, let’s begin!”

Mo Lao didn’t bother with the nonsense, dropping a sentence and directly molested the ring.

“Humph! Get up there if you have the guts!”

Liu Qi looked at Lin Ran with disdain in his eyes.

While on the side, Long Ridge Sky had already flown directly to the ring with a single step.

“This again!”

Lin Ran looked helpless, as if this Long Ji Tian loved to show off.

“It’s so handsome!”

“That’s right, Young Dragon’s entrance is always so different!”

“Or else it could be Young Dragon!”

“Hey hey! Look, that Lin Ran is going to walk up slowly again!”

Suddenly, someone pointed at Lin Ran and said.

At once, everyone’s eyes looked towards Lin Ran.

Sure enough, they only saw that Lin Ran was walking slowly towards the stairs, not caring about the comments and strange looks from the people around him.

“It’s really not too humiliating, jumping up there can kill you!”

On the side, Long Ridge Sky’s female fan was full of disdain.

Lin Ran, however, just laughed and walked along while muttering to himself.

“Some people, what a two-skinned face, they just fought yesterday, and today they’ve forgotten again!”

“You!”

That female fan’s old face suddenly turned red, she was the one who shouted the most before yesterday, but she didn’t expect to stand up again today, she really remembered what she had eaten but didn’t remember to fight.

As they spoke, Lin Ran had also reached the stage, and the whole scene was instantly quiet.

“Alright let’s start!”

Mo Lao said impatiently.

“Kid! Suffer death!”

Long Ridge Heaven seemed to be impatient, and as soon as Mo Lao’s voice fell, his entire body moved.

However, Lin Ran was standing still, not moving at all, looking straight at Long Ridge Heaven and asking indifferently.

“What kind of person is Long Pingtian to you?”

“You seek death!”

These words seemed to ignite a barrel of dynamite, and at once Long Ridge Heaven’s eyes turned red as his entire body turned into a stream of light and lunged directly at Lin Ran.

“Whoosh!”

In the blink of an eye, Dragon Ridge Heaven had already reached Lin Ran, and his palm directly rushed towards Lin Ran’s chest.

“Eh?”

But following that, everyone froze in the next moment, only to see that Dragon Ridge Heaven’s palm had actually gone straight through Lin Ran’s body, hitting him in the air.

“Void shadow?”

The crowd was stunned.

What kind of strength was Long Ridge Heaven then, he had been a strong person at the early stage of the Creation Realm long ago, although he didn't know if he had gotten one level closer this time at the Opportunity Pool.

However, he was also a strong person who had long since crossed into the Realm of Creation, yet now, it was the first move in his encounter with Lin Ran that he had pounced on.

“A bit interesting!”

Long Ridge Heaven turned around and looked at Lin Ran, who had appeared behind him at some point, with a teasing look on his face.

“Interesting? I'll show you something even more interesting!”

Lin Ran laughed lightly, and then his body disappeared once more into the spot.

And at this moment, on the stage, everyone held their breath, for everyone understood that the great battle had begun.

Chapter 1107

“Arrogance!”

Long Ridge Heaven's face sank, and his figure instantly disappeared from the spot.

“Bang Bang!”

The two disappeared almost simultaneously, and the crowd below the stage could not see where the two were for a while, and only people like Liu Qi and Fire One Sword, who were already nearing the half-step Creation Realm, could barely see their figures.

The moment they disappeared, the two had already exchanged no less than dozens of rounds of combat.

“Bang.”

With a muffled sound, the figures of the two appeared at the same time, and at the same time a stream of blood spilled down between them.

“Someone's been injured!”

Seeing this scene, the crowd on the stage immediately froze.

Lin Ran and Long Ridge Sky were definitely the strongest existences among them, and the fact that someone had been injured just at the beginning now also made each of them bring their hearts up.

“Who was it? Who was injured?”

“There's no need to ask, it must be Lin Ran, what kind of battle has Long Ridge Sky had, and you've seen him get injured?”

“That’s right, it’s said that he once fought a squad by himself before and ended up froze all three of them, and he didn’t do anything to himself!”

“Hey! I don’t know what’s wrong with this kid, he has to mess with Dragon Ridge Sky instead of anyone else, he’s really tired of living!”

The crowd was chattering.

On the stage, Lin Ran and Long Ji Tian were each standing, and soon a scene unexpected to the crowd appeared.

“What’s going on! Why is Long Ridge Heaven’s finger dripping blood!”

“That’s right, look at the ground where he is, it’s all red!”

“My goodness, it’s actually Dragon Ridge Heaven that’s been injured, how is this possible!”

Everyone froze at once.

In particular, that number one female fan of Long Ridge Sky’s grew her mouth in surprise and her entire body froze in place.

In her mind, Long Ridge Heaven was a god-like existence, and he would actually be injured, by a kid who had just arrived at Qiong Hua Mountain only six months ago!

“This can’t be, it can’t be!”

The female fan said angrily.

But at this moment, Wang Yifeng and the others were all laughing.

“Master is really powerful!”

Li Ba said excitedly.

“Then don’t look at who the brother is!”

Wang Yifei also straightened his chest, with a smug look on his face.

Everyone was happy, but Long Ya was the only one who could neither laugh nor not laugh. Lin Ran was certainly important to her, but Long Ridge Sky was also her cousin, and seeing the latter in her hands, she was also very worried at this point.

“I hope you two don’t fight too hard!”

Long Ya prayed secretly in her heart.

“You’ve surprised me!”

Long Ridge Sky gently wiped the blood off his finger, and there was an unconcealable killing intent in his gaze.

“Is that so? But you didn’t surprise me! The strength is pretty much what I thought it would be!”

Lin Ran had a bland look on his face.

“Heh! This has only just begun, who gave you the courage to be so wild!”

Long Ridge Heaven’s face was chilled, and with a smooth wave of his hand a scimitar with a cold glow appeared in his hand.

“Dragon Ridge Blade! It’s really the Dragon Ridge Blade!”

“My goodness, Dragon Ridge Heaven actually took out the Dragon Ridge Blade!”

.....

The crowd was all stunned at once.

“What is the Dragon Ridge Blade?”

Wang Yifeng was busy looking at Long Ya.

Long Ya, however, gritted her teeth and didn’t say anything.

“The Dragon Ridge Blade is said to be the Dragon Ridge Heaven’s original magic weapon, born with a foreign bone on his back, removed and then added to divine iron to forge the magic weapon! It is already connected to his heart and mind, and is infinitely powerful!”

Li Mu Di said.

“Shit is it that godly? He was born with foreign bones, he wasn’t born with a deformity, was he?”

Wang Yifei said.

“It’s not that exaggerated!”

Long Ya suddenly spoke up.

“This Dragon Spine Blade isn’t a born with a deformed bone at all, but when my cousin was first born, his father happened to capture a dragon jiao and forged it from the latter’s spine!” |

“That’s more like it!”

Wang Yifeng nodded his head.

Long Ya, however, was full of worry.

“Although it’s a dragon jiao bone, this dragon spine blade has been with its cousin since it was a child, and even its cousin’s name was changed later, it wasn’t called Dragon Spine Heaven before!”

“Changing your name for a magic weapon?”

Wang Yifeng was also helpless.

“This kind of thing is common, some people value a magic weapon no less than their own lives, it’s just changing a name, it’s very common!”

Li Mu Di said blandly.

“That’s not what I’m worried about!”

Long Ya, however, retorted.

“This Dragon Spine Blade is certainly terrifying, but what is even more terrifying is the set of blade techniques that go with this Dragon Spine Blade, which was personally created for cousin by the clan elders and is extremely powerful few people can resist!”

“What sword technique?”

The crowd was busy asking.

“Reverse Dragon Slash!”

Long Ya said softly.

The Nanyang Dragon Family, with dragons as the top priority, offended the dragon’s might like stroking the dragon’s rebellious scales, it would be cut down!

“Lin Ran, to die under my Reverse Dragon Decapitation, you are proud enough to do so!”

Dragon Ridge Heaven said in a cold voice.

And when the others beside him heard the name, they all froze.

Those who did not understand naturally did not understand, but anyone who knew something about Dragon Ridge Heaven knew.

This Reverse Dragon Slash was an extremely powerful attack of one means.

“Did you hear that? Reverse Dragon Chop my god!”

“Yes, Dragon Ridge Heaven is actually going to use the Reverse Dragon Slash, is this kid Lin Ran worthy of it?”

“Whatever, he’s worthy or not, he’ll have to die today anyway, it’s good that we can take this opportunity to see the Reverse Dragon Decapitation!”

The crowd was chattering, and at this moment, every single one of them was actually optimistic about Lin Ran.

Even though they had only just been punched in the face, they still had more confidence in Long Ridge Heaven when it came to the Reverse Dragon Decapitation.

“What Reverse Dragon Slash, it’s quite bluffing, why don’t you cast it out and see!”

Lin Ran’s face was indifferent, but his heart was already tense.

It had never been his style to underestimate his opponents.

“Humph! Since you’re anxious to die, then I’ll make it happen!”

Long Ridge Heaven snorted coldly, and then his entire body leapt up.

The ring was very large, and with this leap, Dragon Ridge Heaven’s figure rose tens of metres, and his entire body stopped in mid-air in a majestic manner.

“The dragon’s scales will kill you if you touch them! Dragon Slash!”

Long Ji Tian shouted aloud.

At the same time, he slowly raised the Dragon Ridge Blade in his hand, and in an instant, the true qi in the surrounding area was like not wanting money, madly converging towards the Dragon Ridge Blade.

“Chop!”

Dragon Ridge Heaven then roared, and the Dragon Ridge Blade in his hand swung down in response.

“Roar!”

Suddenly, the clear sky was actually gale force, black clouds overwhelmed the sky, and in just a few moments everything around was dimmed as if the end was near.

“Look, the dragon head has appeared!”

Suddenly, I don’t know who exclaimed, but everyone saw that a dragon head had appeared out of nowhere in the sky.

The dragon’s head was a hundred feet in size, its scales covered in a mighty wind, and its two dragon whiskers fluttered with the mighty wind, showing its domineering power.

“Is this the dragon head of the Reverse Dragon Decapitation?”

“No, it’s not! Raising his hand this dragon head is incredibly powerful, and I wonder how many seconds Lin Ran can resist it!”

“A few seconds? I think it would be blasted to slag in an instant!”

“Yes, Dragon Ridge Heaven’s strength is no longer that of the Heaven Seizing Realm, now that the Creation Realm has executed this Reverse Dragon Slash, I’m afraid that even a mid Creation Realm powerhouse would be injured!”

“Hey! I’m still saying that it’s not good to mess with anyone but Dragon Ridge Heaven, Lin Ran deserved to die!”

The crowd murmured.

In the middle of the sky, Dragon Ridge Heaven was holding his Dragon Ridge Sword, pointing it at Lin Ran below with a domineering manner.

“Lin Ran, next year today will be the anniversary of your death!”

“Didn’t you want to know what my relationship with Long Pingtian was! I’ll tell you now!”

“Long Pingtian is my biological father!”

“You killed my brother and ruined my third brother, today I will avenge their deaths!”

Long Ridge Heaven was incomparably angry, his voice drifting throughout Qiong Hua Mountain.

And Long Ya, instantly froze!

## Chapter 1108

“How is this possible! How is this possible!”

Long Ya’s entire body was dumbfounded.

She had guessed at any possible relationship between Lin Ran and Long Ridge Sky, but she definitely didn’t think that the two would actually have such a huge grudge.

“Holy shit, this kid is the second oldest brother of the Long family! Big brother and third brother are so average, how come this kid is so strong!”

Wang Yifeng also couldn’t help but exclaim.

“This Dragon Ridge Sky turns out to be the Dragon Family’s second oldest brother?”

Fire Yijian and Li Mu Di were obviously surprised as well.

The Li family and the Fire family were also large clans, and they, the inner clansmen, usually rarely dealt with outsiders.

But who would have thought that someone of Long Ridge Sky’s strength would actually be Long Pingtian’s son.

“Now you know that too, so you deserve to die!”

Long Ridge Heaven laughed coldly.

And only then did all of them notice that? The Reverse Dragon Slash above mid-air had already reached Lin Ran’s side.

The huge dragon head seemed like a monarch looking out of the world, its gaze looking straight at Lin Ran in a domineering manner.

“Roar!”

Suddenly, the dragon’s head fiercely opened its huge mouth and hissed at Lin Ran.

The roar shook the heavens and blew Lin Ran’s robes to the ground.

“Staged!”

Lin Ran’s brows furrowed, his eyes cold, and with a flip of his palm the dagger-breaking tip had already appeared.

“Go!”

With a fling, the dagger-breaking tip instantly turned into a stream of light and headed straight for the dragon’s brow.

“Bang Bang.”

The sound of a low collision soon came through, but what one didn’t expect was that the dagger-breaking tip had failed to break through the dragon’s defence, only leaving a slight scratch.

“Don’t measure yourself, how can the power of the Reverse Dragon Slash be destroyed by a single dagger? Suffer death!”

Dragon Ridge Heaven laughed excitedly, at this moment he stood in mid-air and watched from afar as the dragon head on the ground ran after Lin Ran, as if he was already winning.

“Humph! Trying to kill me? I’m afraid you don’t have the ability to do that!”

Lin Ran’s eyes were cold as he directly grabbed the broken tip of the dagger in his hand, followed by turning around and smashing his fist towards the dragon head.

“Bang!”

There was a muffled sound that shocked the heavens and the earth.

And the surrounding crowd even looked directly dumbfounded.

“Lin Ran ..... Lin Ran he!”

“He actually used his fist!”

“Holy shit! Is this still a human being, using his fist against a dragon head, this body is made of iron, right!”

The crowd was incomparably surprised and debated.

Long Ya and Ling Sa were even too worried to say a word, covering their mouths and clutching their hands tightly.

Wang Yifeng still looked heartless and shouted for Lin Ran to throw two more punches when he saw this.

“Kid! You’re looking for death!”

The Dragon Ridge Heaven above also saw this scene and his face was unusually ugly, the Reverse Dragon Slash was one of his own killing moves, but now Lin Ran actually used his fist to resist it, this was simply not giving him face to the Reverse Dragon Slash, not giving face to the Dragon Ridge Heaven.

“I’m really looking for death, what can you do to me!”

Lin Ran laughed indifferently, following which he smashed his fist into the dragon head again, not caring in the slightest about the already furious Dragon Ridge Heaven above him at this moment!

“Bastard!”

Dragon Ridge Heaven was furious, his own Reverse Dragon Slash was actually being blocked by Lin Ran with his fist at this moment, making his face feel hot.

“Give me death!”

Dragon Ridge Heaven roared in anger, and immediately the dragon head below him charged towards Lin Ran.

“Stop right there!”

Lin Ran didn't feel the slightest bit of awareness as he took a step out and smashed his fist into the dragon head only.

"Boom!"

A huge muffled sound spread out quickly with Lin Ran at the centre, shaking the crowd below the ring and causing them to unconsciously take several steps backwards.

"What a terrifying impact!"

"Yes, Lin Ran is too strong too!"

"Who says otherwise, to actually be able to harden against the Reverse Dragon Slash!"

The crowd murmured.

While Wang Yifeng, who was at the side, laughed coldly at the situation.

"The one who said Lin Ran was too strong, I remember you, you were the one who said Lin Ran would surely die just now, right!"

"I ....."

The other party's old face turned red as he hurriedly dived into the crowd.

"Bastard!"

Above, Long Ridge Heaven looked anxious, his own Reverse Dragon Slash actually couldn't even do anything halfway to Lin Ran, which made him furious.

"Since I can't kill you, I'll hit you hard!"

Dragon Ridge Heaven roared in anger, and with a swirl of his hands, the huge dragon head actually flew up out of thin air.

"Lin Ran! Suffer death!"

With a furious roar from Dragon Ridge Heaven, the huge dragon head smashed straight down from above straight towards Lin Ran, as if a large iron ball wanted to smash Lin Ran into mush.

"Shatter it for me!"

Lin Ran's eyes were stern as if there was a light, and the wind of his fist only leaked a bit of coldness on the broken tip of his dagger, heading straight for the dragon head.

"Bang!"

The next moment, the fist and the dragon head collided.

An even more terrifying impact swept away, shaking the defensive formation around the ring and causing it to tremble as if it was about to shatter.

The ground of the ring had already completely shattered, and countless dust and stones swept through the entire ring, instantly submerging Lin Ran and Dragon Ridge Sky.

The loud rumbling sound did not dissipate for a long time, and the crowd looked incomparably anxious.

Suddenly the formation outside the ring trembled and the dust inside was quickly drawn out, soon revealing the scene inside.

The ground around him was cracked beyond recognition, except for the spot where he stood, which was still intact.

And in mid-air, there was another figure standing, but in a somewhat distressed state.

“What? Lin Ran is actually fine!”

“Holy shit, this kid actually broke through and broke the Reverse Dragon Slash!”

“A demon! That’s a real demon!”

The crowd was so shocked that they almost fell to their knees and kowtowed.

“Good for Ranzi!”

Wang Yifeng was busy shouting.

Some of the people who didn’t think highly of Lin Ran before were all silent at this moment, fearing that it would happen to others that they had looked down on Lin Ran before.

“The Reverse Dragon Slash is finished fighting!”

Lin Ran suddenly looked up at the Dragon Ridge Sky above him!

“Hm?”

Long Ridge Heaven was stunned, not knowing what Lin Ran meant.

“If you’ve finished fighting, then come down!”

Lin Ran roared, and the broken tip of the dagger in his hand immediately flew out, heading straight for Dragon Ridge Sky.

At the same time, Lin Ran’s entire body also leapt up towards mid-air with direct power.

“Seeking death!”

Long Ridge Tian’s face was cold as he waved his Dragon Ridge Blade in his hand, sending the dagger’s broken tip flying out with a clang.

Lin Ran smoothly retrieved the broken tip, and by now, he had already reached the front of Dragon Ridge Sky.

“Get down!”

Lin Ran slapped his palm towards Dragon Ridge Sky.

However, it was the latter who blocked it with his Dragon Ridge Blade.

“I’ll let you go down!”

Lin Ran's face was icy cold as he followed with another kick.

And this kick directly hit Dragon Ridge Sky's chest, and immediately the latter slammed directly towards the ground.

"This ....."

"Dragon Ridge Heaven has actually been defeated!"

"This can't be, Dragon Ridge Heaven hasn't been defeated, it's not over yet!"

"That's right, Long Ridge Heaven hasn't conceded defeat yet!"

The crowd was busy saying one by one, but the shock in their hearts was genuine.

Long Ridge Heaven Qiong Hua Mountain was an absolute powerhouse, but now he was actually being pinned down by Lin Ran, this was an outcome they definitely didn't expect.

"Bastard! I'll kill you!"

Falling down, Long Ridge Heaven's cheeks burned hot, this was a humiliation he had never suffered before and it drove him mad.

"I'll kill you!"

Dragon Ridge Heaven flung his Dragon Ridge Blade out as he followed with a furious roar.

"Dragon Ridge Present! Chop!"

As the words fell, everyone instantly saw that the Dragon Ridge Blade flung towards Lin Ran actually began to change.

Chapter 1110

The battle for the Handsome Word Order also always came to an end.

In the end, with the departure of Dragon Ridge Sky, it was announced that Lin Ran, a new legend, was standing.

Time can erase everything, but it cannot erase the impression Lin Ran left on everyone.

Originally, after the battle for the Handsome Character Order, Lin Ran and his team could actually leave Qiong Hua Mountain, but because of Ling Sa's previous coma, she still needed to continue to break through the nine levels of the hall.

Thus, Lin Ran's group waited at Qiong Hua Mountain for another two months, and with their help, Ling Sa was able to successfully pass the Ninth Floor Hall test and was qualified to leave.

The night before leaving.

"This is the Frost Condensation Sword! It's from Elder Feng!"

Mo Lao handed the Condensing Frost Sword to Lin Ran and smiled.

"Elder Feng?"

Lin Ran was stunned, and his brows couldn't help but frown slightly.

"No need to make that face, Elder Feng is actually quite good!"

Mo Lao laughed.

"Nice person?"

Lin Ran laughed bitterly.

"I used to think so too, but that was until he made me take the Heart Lock Pill!"

Mo Lao sniffed in a daze, and then it was a bitter smile that appeared.

"You don't know the situation, and when you do you won't blame him!"

"What's the situation?"

Lin Ran asked.

"I can't say this, you can see for yourself!"

Elder Feng said with a point of his finger and a booklet appeared out of thin air, the booklet was very old looking some years old.

"Read it and burn it!"

Elder Mo said and threw the booklet to Lin Ran.

"If I'm right, you've learnt enough of the sword techniques of the Condensing Frost Sword!"

Mo Lao laughed.

Lin Ran was stunned and nodded his head with a smile.

During the three months he had been waiting for Lin Ran, he had discovered that even though he didn't have the Frost Condensing Sword, he could still learn the sword techniques, so he had secretly given them to learn.

After all, he didn't have a sword himself, but he still had his dagger, so he could use it once in a while!

"Well, you've got everything you need! In a month's time your squad will head to Xingwu Mountain!"

Mo Lao said and waved his hand.

Lin Ran was not pretentious either, and immediately bowed his hand and then left.

.....

The next morning, at the entrance of Mount Qiong Hua's mountain.

"Where are you all planning to go?"

Lin Ran looked at the crowd in front of him and couldn't help but ask with a smile.

It had been a year since he came to Qiong Hua Mountain, a year without a mobile phone and without any contact with the outside world, and he didn't know how the four girls were doing.

"I want to go home!"

"I want to meet the sect!"

Long Ya and Ling Sa said almost simultaneously.

The former had worry in her eyes, obviously still a little worried about her cousin Long Ridge Sky.

The latter, on the other hand, was a little excited, after all, she was the first disciple of the Plum Blossom Sect to return from her studies.

It was definitely an unprecedented honour for the Plum Blossom Sect.

"What about you guys?"

Lin Ran looked towards Wang Yifeng Li Bajie and Li Mu Di Huo Yi Jian.

"The two of us are going home, of course!"

Fire One Sword and Li Mu Di laughed.

"What about you, Fatty? Coming back to Temperance with me?"

Lin Ran asked.

It seemed to him that the question was all for nothing, but since everyone else had asked it, naturally he had to ask him too.

"Ranzi, I want to go look for Xiao Cui!"

Wang Yifeng said after thinking about it.

"In a month's time, I'll be going to Xingwu Mountain, and I have to participate in the war, you know my character, Fat Master, an orphan with no ties, the only thing I'm worried about now is that I'll never see Xiao Cui again!"

"Understood, then you go! If you don't have enough money, call me, you'll get enough! I'll just remind a little!"

Lin Ran said and smiled.

"Watch out for moderation when you see Xiao Cui, don't be unable to get out of bed in a month! You're going to be in the war!"

"Fuck you!"

Wang Yifeng said without good grace.

"Well, what about you?"

Lin Ran finally looked at Li Ba.

“Master, I ..... I want to follow you!”

Li Baba said, somewhat embarrassed.

“You’re not going home?”

Lin Ran was stunned.

Although Li Ba was a follower, but he was able to leave from Qiong Hua Mountain, he was also full of skills, so going home, whether it was to settle his family or whatever, was definitely considered returning home with his clothes on.

“I don’t have a home!”

Li Ba lowered his head.

“I grew up as an orphan adopted by the Yue family, but you all know how Yue Qunshan treats me, so as far as I’m concerned I don’t have a home at all!”

“Well! If you’ve decided, then come with me!”

Lin Ran smiled.

“Many thanks, master!”

Li Ba said excitedly.

Lin Ran, however, shook his head and said.

“You don’t need to call me master in the future, just call me Lin Ran!”

Lin Ran laughed.

“Yes master!”

Li Baba said busily, but followed with an awkward smile.

“Alright gentlemen! Let’s say goodbye and see you in a month’s time at Xingwu Mountain!”

Lin Ran laughed.

“See you in a month!”

The crowd laughed.

One by one, they then entered the teleportation array in front of the mountain gate.

“Let’s go too!”

As he watched the crowd leave, Lin Ran also smiled at Li Ba, and then the two of them also entered the teleportation formation.

“Weng!”

There was a change around them, and following that, the two of them appeared inside a thatched hut.

“Why is this place?”

Upon seeing the thatched hut Lin Ran was a little speechless.

When he and Wang Yifeng came to Qiong Hua Mountain, it was in this thatched hut that he drank something and ended up passing out, and by the time he woke up, he was already at Qiong Hua Mountain.

“Kid hurry up and go!”

An old man in the courtyard was still sitting on a reclining chair, dressed in rags.

“Old man Mo, you really have a leisurely mood!”

Seeing the old man, Lin Ran was immediately helpless, wasn't this none other than Mo Lao.

“Haha! Let's go! Let's go!”

Mo Lao smiled and waved his hand.

Lin Ran arched his hand and saluted, and then swirled and led Li Ba away.

.....

The two returned the way they came, and according to Lin Ran's intention, his Porsche was parked at the foot of the mountain outside.

But after the two of them had walked for three days and got out of the mountains, there was no Porsche anywhere, not even a tractor.

“Boss! Where's your Porsche?”

Li Ba looked at Lin Ran and was speechless.

Three days of mountain walking, coupled with the sudden rain, the two of them were all dirty, just like two callers, it was as miserable as it could be.

“I swear, I don't know where my car has gone either!”

Lin Ran said, feeling out his previous luggage and finding his phone.

But it hadn't been charged for a year, and the phone had long since died.

“Don't worry, wait for me to find a place to recharge it first!”

Lin Ran said awkwardly.

Li Ba nodded helplessly and looked at Lin Ran, feeling a bit baffled, was this really the Lin Ran who reigned at Qiong Hua Mountain, his own bullying master?

.....

Eventually, after walking for another two days, the two finally found a village nearby and spent two bucks to borrow a night here and managed to charge their phones.

As for the clothes, there was no shop in the village, so the two of them could just wash them and wear them as they saw fit, until they returned home.

The two of them could just wash them and wear them until they got home. Moreover, Lin Ran himself likes to keep a low profile, so he didn't care about the clothes as long as they were clean.

"Ding Ding Ding ....."

As soon as the phone was switched on, the text messages and phone calls rang out like an explosion.

It rang for almost two hours before it stopped.

When Lin Ran picked it up and took a look, he immediately felt bad about the whole thing.

The most recent text message was from Qin Bing three days ago.

"Lin Ran where the hell have you been! Don't let me find you, or I'll definitely zap you into impotence and premature ejaculation!"

"Shit! As for being so cruel!"

Lin Ran couldn't help but swallow and sent back a message.

"Are you willing to give up? For the sake of your happiness, I advise you to patch me up!"

As soon as the text message was sent, Qin Bing immediately replied back.

"Bastard! I'm going into surgery soon, I'll call you when I get out!"

"Whew! Thankfully okay!"

Lin Ran instantly sighed in relief before turning to the other missed calls and text messages.
