

Wonder Doctor

Chapter 1121

While the two were texting, outside the village, Changping Ma Xiao as well as Xu Dong were kneeling by the side of the road, aside from Changping's old man, who looked at the three of them in an angry voice.

"Who is Lin Ran and why have you offended him?"

"Father! He's really just a classmate of mine, just a poor bastard, who knew he was so powerful!"

Changping was busy saying back, at this point simply wanting to cry and wanting to eat the Ma Xiao on the side alive.

"If it wasn't for Ma Xiao, you stupid woman, how would I be in this situation now!"

Changping cursed angrily.

"I ....."

Ma Xiao was completely speechless, at this moment she only felt so stupid.

She had always thought about how to marry into a rich family, but she had just missed out on one, and even now she had to face the revenge of Changping's family .....

.....

In Lin Jiawan, in a study, Lin Ran and the Eighth Elder sat opposite each other.

"Eighth Elder, what do you want to see me about?"

Lin Ran got straight to the point.

"Pavilion Master, it's something big!"

The Eighth Elder's face was grave, and with a flip of his palm a formation enveloped the two of them.

"So solemn?"

Lin Ran looked with a slight frown and couldn't help but be curious in his heart, what was the important matter that could actually make the Eighth Elder so cautious.

"It's the matter of the Second Elder!"

The Eighth Elder said busily.

"Second Elder? Isn't he abroad?"

Lin Ran frowned slightly.

The matter within the Chao Heavenly Pavilion was actually clear to Lin Ran, the conflict hadn't been fully resolved at all the last time he left, and although he could control the World Worm within the three Second Elders, the three people led by the Second Elder had long wanted to break away from the Chao Heavenly Pavilion.

Naturally, they would find a way to get out of their control.

But at that time, his strength was only at the Heaven Seizing Realm, so it was simply impossible for him to tear his face off with the Second Elder trio on the spot, after all, there were quite a number of Creation Realm powerhouses under these three.

But now it was different, Lin Ran himself had reached the Realm of Creation, and with the support of the remaining five elders? had reached a point where he could fight against the three Second Elders.

“The Second Elder is abroad, but we recently found out that there is another person with him abroad, named Long Yu!”

The Eighth Elder said.

“Long Yu? The Long family?”

Lin Ran frowned slightly.

“That’s right! And this person is none other than the clan leader of the Dragon Family’s inner clan!”

The Eighth Elder said.

“The clan chief?”

Lin Ran’s frown tightened.

The Dragon Family belonged to a hidden clan and was powerful!

And for the clan chief of the titled Inner Clan to be hanging out with the Second Elder was truly a surprise to Lin Ran.

“Pavilion Master, have you heard of some things about the Dragon Family, a hidden clan?”

The Eighth Elder asked.

“What are you referring to?”

Lin Ran asked rhetorically.

“The Qi of the Dragon Tattoo!”

The Eighth Elder said.

“I know some of it!”

Lin Ran nodded, it was the Dragon Tattoo Qi that Long Ya had used to heal herself back then, something that Long Ya hadn’t said back then, and which he had learned about himself through his pillow book.

“What exactly is this Dragon Clan’s Dragon Tattoo Qi all about?”

Lin Ran asked, he didn’t really know much about the Dragon Tattoo Qi.

“This Dragon Tattoo Qi is the foundation of the Dragon Clan!”

The Eighth Elder said and then told them all the things he knew.

It turned out that back then, the Dragon Family was also as strong as the Fire Family, the Li Family and the Wind Family.

The Li family was the family where Li Sheng Li Mu Di was from, while the Feng family was the Feng Lao and the Feng family in Feng Ling Town, and finally the family where the Fire One Sword was from.

These three families were the three strongest families in the whole of China.

And in earlier times, the Dragon Family was also one of them, and at that time was known as the Four Great Clans.

See later, the inner clan leader of the Dragon Family suddenly announced for some reason that the entire family had begun to go into hiding, and since then the Dragon Family had disappeared from everyone's sight.

Later on, there was a great war and the Fire, Li and Wind families suffered heavy casualties, while the Dragon Family was intact and preserved.

But when they reappeared in the public eye, the three clans discovered that the Dragon Family had also suffered heavy casualties, but not because of the war, but because of one thing.

"This matter was also the result of a joint investigation by the three great clans only later!"

The Eighth Elder said and then took out a parchment scroll and handed it to Lin Ran.

"On it was recorded a place called Dragon Valley, a place that was extremely mysterious no one except the head of the inner clan of the Dragon Family even knew how to get there!"

"This is where the Dragon Family took refuge back then and suffered heavy casualties!"

"What exactly did they do it for?"

Lin Ran asked with a frown.

The Eighth Elder smiled at his words and said.

"Naturally, it was the Qi of the Dragon Tattoo!"

It turned out that after so many years, the secret from back then had actually been basically known by all three great clans.

Back then, the Dragon Family Head had taken the entire Dragon Clan to the Dragon Valley to escape the world for an item inside the Dragon Valley, the Dragon Soul.

It was said that there was a dragon spirit hidden in the Dragon Valley, and that the family had chosen to avoid the world in order to capture it.

But in the end, it was clear that the Dragon Family had failed, the dragon spirit could not be captured at all, but over time, a presence carrying the Qi of the Dragon Tattoo appeared in the backs of their family.

This Dragon Qi is extremely effective and can not only improve one's cultivation qualifications, but can also heal injuries, no matter how heavy they are, as long as one breath of Dragon Qi can heal them!

“But this Dragon Qi is not invincible, as it can only be used as much as it can be used, and cannot be regenerated at all! It’s like staying with a dragon spirit for a long time, the dragon tattoo qi that is nurtured in your body will disappear completely when it’s used up!”

The Eighth Elder said, his gaze looking into the distance.

“That’s why, the Dragon Family has always revered intermarriage within the clan, in order to pass on the Dragon Tattoo Qi!”

“And according to our investigation, there are now at least five people in the Dragon Family who openly possess the Dragon Tattoo Qi, and this Long Yu is one of them!”

Lin Ran already had a guess in his mind when he heard this.

“Are you saying that Long Yu and the Second Elder are abroad and are helping the latter with the World Worm matter?”

Lin Ran asked.

“That’s right!”

The Eighth Elder said as he took out another card and handed it to Lin Ran.

“This is an invitation from the Second Elder, in a week’s time, he will be holding the Chao Heavenly Pavilion Conference in Nanyang, he didn’t say exactly what he was going to do, the Eldest Elder and I suspect that he has already gotten rid of the World Rush and should be showing his hand!”

“A week from now? Nanyang?”

Lin Ran frowned slightly as he picked up the invitation and looked at it.

“I know! Have the Grand Elder prepare, I will personally go there then! It’s time to clean up the mess at the Chao Heavenly Pavilion!”

Lin Ran said.

“Good!”

The Eighth Elder nodded his head respectfully.

Lin Ran, on the other hand, looked ahead as he pondered his countermeasures in his mind.

I’m afraid that the eight elders within the Chao Heavenly Pavilion had already found out about this incident, and if he couldn’t get rid of the second elder, the thorn in his side, I’m afraid that in the future, the Chao Heavenly Pavilion would truly exist in name only.

“The power that my senior sister has built, no matter what, I have to keep it!”

Lin Ran secretly vowed in his heart.

“Learning the Xuan Yin Pill Canon and then wanting to break away from the Chao Heavenly Pavilion, there’s no such thing as a good thing, since you want to leave! Then leave me all the things that the Chao Heavenly Pavilion has given you!”

Lin Ran muttered to himself in his mind.

## Chapter 1122

After talking to the Eight Elders, Lin Ran stayed with his grandmother in Linjiawan for two more days before he left Linjiawan with the group and returned to Tanjiang City.

There were still three days left for the Second Elder's matter, and Lin Ran also wanted to take advantage of this return to keep the four daughters company, after all, this was a year away, and the four daughters were afraid that they would all have some resentment towards themselves in their hearts.

Qin Bing was the busiest and was still working in the hospital, so Lin Ran did not bother her and decided to go and see Luo Qiqi first.

Compared to Qin Bing, Luo Qiqi was the most tired, after all, a woman had to take up the entire Luo Ran Finance, so the things she had to deal with and the pressure she faced could naturally be imagined.

However, seeing that all four women were doing so well now, Lin Ran was relieved.

When he arrived at the downstairs of Luo Ran Finance, Lin Ran hesitated for a moment and decided not to go up there, otherwise, according to Luo Qiqi's character, I was afraid that she would have to make herself look good again.

Besides, Lin Ran remembered that Meng Meixin was still working at Luo Ran Finance, so it was better for him to keep a low profile.

With that in mind, Lin Ran went to a cafe downstairs from the company and called Luo Qiqi.

"Hello sir, what would you like to drink?"

The waiter quickly walked over and asked with a smile.

"Anything you want!"

Lin Ran laughed, he really didn't have any preference for coffee, after all, he had basically never had one himself, so whatever he served was just a taste.

"Yes sir, do you have a work permit please?"

The waiter asked with a smile.

"A work permit? You need a work permit to drink coffee?"

Lin Ran was stunned, was he too low? Since when did you need a work permit to drink coffee?

When the beautiful waitress saw Lin Ran's bewildered face, her face just changed and there was a bit more disdain in her eyes.

"Sir, it's like this, our cafe is run by Luo Ran Finance, so as long as you're an insider, you can drink for free!"

"Ao! In that case, I don't have one, you go on I'll settle the bill later!"

Lin Ran laughed.

“Mmmmmm, you’d better order then!”

The pretty waitress said as she took out a card with various kinds of coffee on it.

Lin Ran listened but frowned slightly, he had said feel free to serve it, why did he still ask himself to order it.

“It’s like this sir, you don’t have a work card, so it’s better to order first, otherwise I’m afraid you won’t understand the price and will ..... wait.”

The beautiful waiter said.

The implication was very obvious, that he was afraid that Lin Ran didn’t have any money.

“Are you afraid that I don’t have any money?”

Lin Ran frowned slightly and looked at the other party.

“Sir I don’t mean that, it’s just that the coffee prices in our shop are not too ..... cheap!”

The beautiful waitress said.

Lin Ran was also too lazy to be normal with the other party and immediately pointed to the three hundred yuan coffee above and said.

“I’ll take this one!”

“Yes sir!”

The pretty waitress nodded and immediately went to prepare it.

But at that moment, suddenly the door of the cafe opened, followed by a man in his early thirties who walked in.

“Xiaolan, the usual five cups of coffee to take away!”

The man smiled as soon as he entered.

“Yes Mr. Gao!”

The waiter smiled and nodded, and immediately ran off to prepare them.

Lin Ran couldn’t help but frown slightly when he saw this.

But he didn’t say anything, and waited for himself.

But after waiting for a full ten minutes, he saw that Mr. Gao already had four more cups of coffee in his hands, while his own still hadn’t moved at all, which made him very angry.

“Waiter, where is my coffee? Is it out of stock?”

“Please wait a moment, sir, it will be with you soon!”

The waiter said, and the man next to him turned his head to look at Lin Ran, but quickly revealed a disdainful smile before turning around.

“What do you mean right away? It seems like I was here first!”

Lin Ran asked.

“Sir I’m sorry, Mr. Gao is a regular customer of ours here, so ....”

“A regular customer? So it’s okay to cut in line?”

Lin Ran stood up, this special service irritated him.

“Sir, I’m sorry, I’ll make it for you!”

The waiter said thus having handed the last cup of coffee to Mr. Gao via.

“No need! I don’t want it!”

Lin Ran said in a cold voice.

“But sir, you’ve already ordered it, it’s not refundable!”

The waiter busily said.

Mr. Gao, who was on the side, sneered at Lin Ran, turned around and left.

“I don’t think I’ve paid yet, why aren’t I allowed to leave? Where is he? Paid?”

Lin Ran’s face was ugly.

“Sir, they are from Luo Ran Finance!”

The waiter said, but there was a hint of envy in his eyes.

“So what you’re saying is that people from Luo Ran Finance can cut in line, right!”

Lin Ran looked at the other party.

“Indeed, yes!”

The waiter said.

“Call your boss for me!”

Lin Ran was instantly enraged.

Either your cafe was simply closed to the public, and since it was open to the public, there was a distinction to be made, and if you couldn’t even guarantee the most basic first come, first served, then why open a cafe at all!

“Sir, our boss ....”

The waiter was just about to retort, but Mr. Gao on the side stopped and turned his head to look at Lin Ran.

“I say, making things difficult for a waiter, you are also a man, don’t you just not convinced, I’ll even tell you today, how about I just have more privileges than you?”

Gao Shan said this and raised the coffee in his hand, laughing.

“See? Five cups, all of which I use to serve my family! Can you do that?”

“Your cafe is still obliged to serve coffee to the families of your employees?”

Lin Ran asked as he turned his head to look at the waiter.

“No .... No!”

The waiter said awkwardly.

“Kid! Don’t you understand my words? Privilege is not something you can have just because you have money for coffee, see the work card?”

Gao Shan said this raising the work card on his chest.

“Here, your position at Roran Finance determines your privileges! Got it? Dirtbag!”

Lin Ran’s face hardened as he glanced at the other man’s work card.

“Takayama! Head of the marketing department!”

“So, Head Gao, you’re really dashing!”

Lin Ran couldn’t help but laugh.

“Dashing? Haha right, I’m that dashing, drinking coffee during work hours and taking it away to give away, you say I’m dashing or not!”

Gao Shan couldn’t help but laugh.

“Yeah, you’re really dashing!”

Lin Ran said and directly took out his phone and sent out a text message.

Seeing this, Gao Shan thought that Lin Ran had wimped out and immediately turned around to leave.

But then his phone rang.

“Hey! What’s wrong with the manager?”

Gao Shan immediately said respectfully, the caller was none other than the manager of the personnel department, who was a level higher than him.

“What’s wrong? You said what’s wrong, now get your ass over to the personnel department immediately!”

On the phone, a woman’s voice chided.

“To the personnel department? What is it?”

Gao Shan asked.

“What’s the matter? Get your ass over here and check out, you’re fired!”

“Weng!”

Gao Shan just felt his head boggled, he was sacked?

“Manager are you mistaken, I’m doing a good job .....”

Gao Shan was busy saying, but a cold hum came from the phone.

“Doing a good job? You’re a privileged person, Luo Ran Finance hired you to work here, not to retire!”

The other party said and hung up the phone.

Lin Ran then came to Takayama and took a cup of coffee off his hand, drinking it as he said.

“Now that you’re not with Luo Ran Finance, the remaining four cups should be paid for right, waiter!”

Lin Ran said turning to look at the waiter.

“You ....., Who the hell are you!”

Gao Shan looked at Lin Ran with bewilderment in his eyes, how did he suddenly get sacked and the HR manager actually knew everything.

Someone obviously snitched about all this!

Chapter 1123

“Who am I? I’m just a coffee drinker!”

Lin Ran laughed.

“No way! How did the manager know that I was down there!”

Gao Shan looked at Lin Ran with anger in his eyes.

“I told!”

Lin Ran laughed.

“You .....”

Gao Shan was at a loss for words and looked at Lin Ran, not really knowing what to say.

“You want to know who he is? I’ll tell you!”

Suddenly, the door of the cafe opened again, followed by a silhouette who then walked in, it was none other than Luo Qiqi.

“He’s the owner of Luo Ran Finance, Lin Ran!”

“Weng!”

Luo Qiqi’s words directly caused Takayama’s entire body to be dumbfounded.

“Mr. Luo .... He .... How could he!”

Gao Shan sat on his butt, he himself just came down to buy a cup of coffee and ended up bumping into the boss, this .....

“Believe it or not, I’ve said what I need to say!”

Luo Qiqi blandly glanced at him, then whirled and came to Lin Ran, pouting.

“You still know to come back ah, a disappearance is a year, do you know that people .....”

With that said Luo Qiqi’s eyes got red, following which her whole body directly jumped into Lin Ran’s arms.

This scene looked at the waitress and high mountain are frozen.

“Stop it,? There are still people here!”

Lin Ran’s old face flushed and he was busy saying.

“I don’t care!”

Luo Qiqi pouted, and her whole body fell into Lin Ran’s arms.

“Fine, let’s find a place where no one is around, you can hug me all you want, okay?”

Lin Ran said helplessly.

“Bah! Who wants to go to a deserted place with you, rascal!”

Luo Qiqi said and pushed Lin Ran away, her emotions easing up a bit.

“Sit down and talk!”

Lin Ran laughed.

“Mmm!”

Luo Qiqi nodded and sat down next to Lin Ran.

“There’s a seat opposite, why are you still next to me!”

Lin Ran was helpless.

Luo Qiqi, however, smiled and said.

“The opposite side is for Sister Qin Bing and Sister Su Rou, I’ve already informed them, they’ll be here in a moment!”

“Ah?”

Lin Ran was stunned, originally he didn’t want to disturb Qin Bing, fearing that she would be too busy, but who knew that Luo Qiqi had actually bent over backwards and informed the former.

“Well, it’s good that they’re all here, it just so happens that we haven’t seen each other for so long!”

Lin Ran laughed.

.....

Soon, Qin Binghe came along with Su Rou.

Song Nuan, on the other hand, went back home, after all, before Da Long got married? She was also really busy for several days, at this time back then went home first.

Once they met, Qin Bing and Su Rou naturally had to give Lin Ran a “lecture”

After all, this guy had disappeared for a year, making everyone wait in fear, and it was good enough that he wasn't being questioned.

A few moments later.

“Alright, I've explained everything, now tell us about you guys, what has changed in the past year or so!”

Lin Ran looked at the four women and smiled.

He knew his own affairs very well, and he couldn't take two days back this time, so Lin Ran still wanted to learn more about the four girls and help out in any way he could.

“When it comes to changes, it's natural to talk about Qiqi!”

Qin Bing and Su Rou both looked at Luo Qiqi who was on the side.

Luo Qiqi's pretty face flushed with shame.

“Why are you looking at me, you guys haven't changed much either!”

“It's not small either, neither is it small!”

Lin Ran wondered why he was suddenly talking about this.

The three women instantly blushed, and Qin Bing couldn't help but give Lin Ran a white look.

“What are you thinking about! All you know how to do is drive all day!”

“That's right!”

Su Rou also echoed.

“You guys were the ones who said it first!”

Lin Ran was speechless.

“What did we say, we were saying that Qiqi has changed the most, what did you say!”

Qin Bing retorted.

“Well get down to business!”

Luo Qiqi's pretty face turned even redder and she instantly changed the subject and said.

“Actually everyone is quite good, they've all changed a lot this year, but since we're talking about me? Then I'll talk about it!”

Luo Qiqi wasn't being pretentious and introduced herself at once.

Only after listening did Lin Ran understand what they were referring to when they said that they had changed the most.

It turned out that during this year, with the financial support of Chao Tiange at Lin Ran's behest, Luo Qiqi's operation of Luo Ran Finance had opened a number of branches all over the country.

The industries involved were also diverse.

Nowadays, its overall strength has even reached the top ten in the country, and Yan has become a large national company.

"And in the next step, I am going to develop foreign markets! Let Luo Ran Finance completely fire abroad!"

Luo Qiqi laughed.

Lin Ran couldn't help but applaud even as he listened.

At first, he had only hoped that Luo Qiqi would become independent and do something she liked.

But to his surprise, this girl had froze the size of the company and tossed it up to be more powerful than even the Luo family.

"Now Kiki is so powerful that even her father Luo Ming has to be impressed by Kiki!"

Qin Bing laughed.

"Sister Qin Bing isn't bad either, she's now a nationally known medical professional in the South Mountain and North Mountain!"

Luo Qiqi laughed.

Next Qin Bing talked about herself.

With the help of the Chao Tian Pavilion Xuan Yin Pill Canon, Qin Bing's current medical skills were now not inferior to Lin Ran's at all, to say the least, it was that Qin Bing still did not have true qi in her body, if Qin Bing also crossed over into the cultivation path, her medical skills alone would definitely be on par with Lin Ran's.

After all, the Xuan Yang Pharmacopoeia was at the same level as the Xuan Yin Pharmacopoeia, and the medical skills recorded in it were also at the same level.

"Right, the Eight Elders and I have said that they want me to manage the medical team of the Chao Heavenly Pavilion all the time, what do you think?"

Qin Bing looked towards Lin Ran.

Qin Bing didn't know much about the Chao Heavenly Pavilion, so she had been suppressing this matter and wanted to ask Lin Ran what he thought.

Lin Ran pondered for a moment and spoke.

“It’s a good thing, but it’s also a bad thing, I suggest that if you want to get hold of it, it’s best not to reveal your identity!”

“How so?”

Qin Bing asked.

Lin Ran said solemnly.

“The Chao Heavenly Pavilion’s medical team, the people they treat are all cultivators, you don’t have cultivation and dealing with these people would be dangerous, so if you want to get in touch with these things, it’s better to control them behind the scenes for now! I will mention this matter to the Eight Elders!”

“Mm!”

Seeing Lin Ran being so solemn Qin Bing also nodded, nowadays for her, the illnesses of ordinary people were no longer challenging, only exposure to the Chao Heavenly Pavilion and the illnesses of those cultivators would allow her to understand the Xuan Yin Pill Canon more deeply.

....

“Alright, what about you?”

Lin Ran then looked at Su Rou.

Su Rou was the nee-san that Lin Ran was most at ease with, after all, she had little ambition and was safer as a teacher at the school.

However, Lin Ran knew that Su Rou was the one who was most likely to have problems among the four girls, after all, she had a terrifying power within her.

But up until now, Lin Ran hadn’t told Su Rou, just in case she was fooling around.

“I don’t really have much, just some small achievements in dancing!”

Su Rou laughed.

“Small achievements?”

Luo Qiqi laughed at once.

“Don’t listen to her nonsense, Sister Su Rou is now a nationally renowned dance newcomer, by the way isn’t there going to be a summer school opening ceremony recently, will you be performing on stage Sister Su Rou?”

“Yes! I was just about to invite you guys!”

Su Rou laughed.

“The summer commencement ceremony?”

Lin Ran was stunned at his words, remembering that when Zhao Yu and himself had broken up, it was in the run up to the Opening Xu Ceremony.

“Are you going, Lin Ran? It’s tonight!”

Su Rou laughed.

“Go!”

Lin Ran nodded.

“Good! I’ll talk to Song Nuan later!”

Su Rou laughed.

“We’ll go too!”

Qin Bing and Luo Qiqi also stated.

“Good!”

Su Rou was very happy.

Chapter 1124

Su Rou had to perform on stage, so she went back to school early to get ready.

Lin Ran, on the other hand, drove to pick up Song Nuan, and then the group rushed to Temperance University.

“It’s really like a lifetime ago!”

Standing at the entrance of the university town, Lin Ran couldn’t help but feel sad.

It had been three years since he had graduated, and when he thought about when he had just graduated, it still seemed like yesterday that Zhao Yu and the others were still there.

“I don’t know how Zhao Yu is doing now!”

Thinking about Zhao Yu made Lin Ran’s heart clench, if only the latter could live in peace.

But now, Zhao Yu had disappeared.

And up till now, Lin Ran had no clues.

He had also asked the Chao Heavenly Pavilion to investigate secretly, but no information had come back.

It was as if Zhao Yu had evaporated into thin air.

“What’s wrong?”

Song Nuan had sharp eyes and could see that Lin Ran was in a bit of a bad mood.

“Nothing, I just remembered something from the past, remember when I graduated, it was you who performed on stage!”

Lin Ran laughed.

“Yeah, did you already have a plan on how to chase me back then!”

Song Nuan looked at Lin Ran.

“Not at all, it was clearly you who chased me!”

Lin Ran laughed.

“You! Yuck! Who chased you!”

Song Nuan’s pretty face flushed.

“Wasn’t it? Who was the one who insisted on staying in my dormitory in the first place?”

Lin Ran laughed.

“That was me .....

Song Nuan’s pretty face turned even redder.

“I don’t care, Fang precisely you chased me!”

“Fine, I chased you!”

Lin Ran laughed, he really didn’t care that much about this issue, it didn’t matter who chased who, what mattered was that the two people had to be happy together.

While the two of them were talking, the whole square had already started to get lively.

Every year, the summer holiday welcome party was a sight to behold in Temperance, and the crowd of people who came to watch was huge.

And Lin Ran and the three girls standing in the crowd were naturally very noticeable.

No way,? A man, with three women, and the key is that these three women are all extremely beautiful, I’m afraid that anyone who saw them would have to be jealous.

“Brother Buddha! This is not appropriate, it is Zhang who will confess his love later, if we go to trouble that boy now, if we spoil Zhang’s big event later, we will have to eat our words!”

Not far away, a young man said to the young man with dyed yellow hair next to him.

“I’ve checked the schedule and there are at least three more shows ahead of Su Rou, it’s still early!”

Brother Buddha’s eyes were glowing as he looked at the three women in the distance, unable to resist licking his lips.

“Damn it! They’re all really superb, we can’t let that kid get away with it!”

Brother Buddha said with a wave of his hand and instantly walked over towards Lin Ran.

The three women were watching the first show, while Lin Ran noticed Brother Buddha next to him.

“Boss!”

Li Ba came over, obviously he had noticed too.

“Wait and see!”

Lin Ran said indifferently in return, and Li Ba nodded to follow and returned to his place.

With a smile on his face, Brother Buddha came straight to Lin Ran, but he didn't say anything either, he just looked straight at Song Nuan next to Lin Ran.

“What are you doing?”

Song Nuan's whole body got goose bumps from the look, and turned her head to ask.

“Beauty, are you free? Brother Buddha I want to treat you to a cup of tea!”

Brother Buddha said and raised the big gold watch on his wrist, which was shining brightly in gold.

“Sorry not available!”

Song Nuan blandly returned.

“Are you blind? Can't you see we have a man here?”

Luo Qiqi and Qin Bing also noticed Brother Buddha at this moment, and Luo Qiqi immediately said with disdain.

She had seen this kind of punks a lot, and it was a good thing she didn't bring any bodyguards today, otherwise this Brother Buddha would have been ruined by now.

“Man? Are you talking about me?”

Brother Buddha laughed at that, ignoring Lin Ran next to him at all.

“Beauties, I see you three are quite bored here, or else Brother Buddha I will take you to a nightclub to have some fun? Guaranteed to make you all remember it for the rest of your lives!”

Brother Buddha said still licking his lips with an impatient look.

“Get lost immediately! Or don't blame me for being rude!”

Qin Bing's eyes were icy cold, since learning the Xuan Yin Pill Canon her whole aura was even more icy cold, before it was a ten thousand year old iceberg, but now it was cold ice, making people feel chilled just by looking at it.

“Not polite? I say, Ice Beauty, what can you do to me? Do you want me, Brother Buddha, to take you in my arms and melt you away?”

Brother Buddha laughed.

“Bastard!”

Luo Qiqi was furious when she heard that and raised her hand to slap her.

Now she was not the naive rich girl she used to be, and to be in charge of Luo Ran Finance, Luo Qiqi had changed the most among the four girls.

“Holy crap!”

Buddha was not even angry when he received a slap on his cheek, instead he wiped his face and put it in front of his nose and smelled it.

“It really smells good, a beauty is a beauty! Even the slap smells good!”

“Smells good? One more?”

Lin Ran finally stepped forward at this moment, his gaze icy as he looked at the other party.

“Hm?”

Only then did Brother Buddha take a proper look at Lin Ran.

“Kid! I advise you to be silent, or else I’ll show you what it means to have a casserole-sized fist!”

Brother Buddha said and raised his hand, only to see that there were many calluses on the top of his fist, obviously he hadn’t fought much in the past and had all developed calluses.

“You mean this?”

Lin Ran sniffed and raised his fist.

“Haha!”

Brother Buddha, however, laughed.

“You call that a fist? I think it’s the claws of a little chicken boy!”

“That’s what you call a fucking fist!”

Brother Buddha’s eyes snapped cold as he raised his hand and threw a punch straight at Lin Ran’s face.

“Lin Ran be careful!”

“Lin Ran be careful!”

“Watch out!”

The three women shouted out almost simultaneously on reflex.

But then all three of them froze.

“Why would I shout caution!”

“Just!”

“Hey! Still can’t rest assured about this guy!”

The three women said almost simultaneously, they knew very well what kind of skills Lin Ran had, but they were still very worried in that moment just now.

“Bang!”

As soon as the three women’s words left their mouths, the entire person in front of them, Brother Buddha, directly flew backwards, causing a commotion.

Luckily, at this moment, the entire square's anger was ignited by a powerful song, so the crowd soon ignored the commotion here.

"Rack the man back up!"

Lin Ran said.

Li Ba immediately rushed over and kicked the little brother beside Brother Buddha away, following which he set him back up.

"You!"

Seeing Lin Ran again, Brother Buddha's entire body was dumbfounded.

He only saw that by now, the area around one of his eyes had turned black, and it hurt so much that he could neither touch nor not touch it.

"Your fist isn't as fast as mine!"

Lin Ran looked at Brother Buddha and laughed.

"Kid! You ..... You'd better let me go, or else when my big brother comes ..... I'll make you eat your words!"

Brother Buddha was also scared at this point.

He has been in society for so many years, and has been in a hundred or eighty fights, and he doesn't think that someone who can knock himself over with one punch is a master to be messed with.

Especially the moment he was punched, he even felt like his head was about to explode, and that feeling really made him chill.

"O? Your big brother?"

Lin Ran smiled at his words.

"Yes! It's my big brother!"

Brother Buddha said and pointed to the several luxury cars parked not far away next to him, proudly saying.

"See, that's my big brother's car. If you're smart, let me go and we'll be done with this, or else you'll definitely look good!"

Brother Buddha threatened.

Lin Ran did laugh at his words.

"Let you go and it's over? This is over?"

Chapter 1125

"You!"

Buddha was instantly anxious.

“Kid I’m warning you, my big brother is going to make a big move later, you better let me go, or else you’ll have to eat your words if you delay my big brother’s business later!”

Buddha urged.

“Big deal? What’s the big deal?”

Lin Ran asked with a smile.

“You!”

Brother Buddha’s face turned pale, clearly not wanting to say.

“Don’t say it? Then yeah, you can stay here!”

Lin Ran winked at Li Ba, who instantly understood, and instantly Ah Jing Buddha pressed down on the ground next to him, using the latter’s shoelaces to tie his hands up.

“You! You’ll regret this!”

Buddha rushed at Lin Ran and roared.

“Is that so!”

Lin Ran, however, smiled blandly and didn’t bother to speak.

Time passed by minute by minute and soon it was time for Su Rou’s performance.

Su Rou was now famous, and as soon as she took to the stage, the entire square erupted with thunderous cheers.

“Kid! Quickly let me go, if you delay my big brother, even you will have to die!”

At this moment, Brother Buddha was finally anxious.

In his heart, he even regretted a little, why did he come to provoke this kid for nothing,? Now he was trapped here, and if something went wrong with his big brother later, I was afraid he would have to be invalidated as well.

“I’m not afraid to die, take your time and wait!”

Lin Ran said back indifferently.

He would like to see what this kid’s big brother wanted.

Moreover, it was Su Rou who was performing on stage at this moment, and this kid was so eager, could it be that his big brother wanted to do something to Su Rou?

Lin Ran thought to himself.

Sure enough.

As Su Rou’s performance drew to a close, suddenly the whole square was lit up with beams of lights.

These lights all struck the stage in front of them, illuminating the entire stage even brighter.

“It’s those cars?”

Lin Ran noticed that the lights that were lit up at this moment were the headlights of those luxury cars.

“Damn it’s over!”

Seeing this scene, Brother Buddha sat down on his butt, cold sweat breaking out on his head.

“Kid! You’re finished too, haha! You’re finished too!”

Suddenly Buddha laughed with a grimace on his face.

“Is that so? I’m not fine now?”

Lin Ran had a bland face without any change in expression.

“Now? You’re dead on your feet and you’re still oblivious, look at the luxury car next to you!”

Brother Buddha sneered.

Lin Ran turned his head to look, only then did he realise that the lights of the two luxury cars next to him were not on.

“Boss! These luxury cars seem to be arranged in a certain way!”

Li Ba suddenly noticed.

“My god, these luxury cars are actually arranged with an arrow through the heart!”

“Yeah, and they’re all luxury cars! Such a big show, is it a confession?”

“It’s definitely a confession, and I don’t know who the heroine is, it’s simply too romantic!”

“Yes! So envious, if it were me, I’d definitely marry!”

The crowd next to them had already started talking about it.

“Huh! That’s not right, why is the arrow through the heart missing?”

“Yes! How come there’s no arrow!”

“Haha! It’s a wooden stick through the heart!”

“I’m laughing my ass off!”

Soon, the crowd noticed that something was wrong with the pattern.

“Kid! You heard it all, my big brother is already looking for me now, you’re dead! Haha!”

Brother Buddha laughed coldly.

Song Nuan and the three women then looked at Lin Ran for his opinion.

“Just wait!”

Lin Ran wasn’t in a hurry and said blandly.

Sure enough, a large group of youths wearing black vests soon sought to come over.

“Motherfucker Buddha, are you looking for death? How dare you delay Big Brother’s business!”

The youth in the lead scolded when he saw Buddha.

“I didn’t want to, it’s this kid who’s holding me back and won’t let me go!”

Brother Buddha pointed at Lin Ran and put all the blame on him.

“Who are you?”

The leading youth looked at Lin Ran with anger in his eyes.

“Never mind who I am, call your boss here, I have something to talk to him about!”

Lin Ran said indifferently.

“Who the fuck are you to call our boss himself!”

The leading youth was instantly furious.

“I’ve already said my piece, it’s up to you whether you call or not!”

Lin Ran said back and stopped talking.

“I think you want to fucking die!”

The youth said as he took an arrow step and jumped straight at Lin Ran.

However, the next moment, a black shadow flashed, followed by the youth’s entire body directly to flying out.

“I advise you to do as you are told, or this arrow through the heart will always be a stick through the heart!”

Li Ba stood out and raised the car keys in his hand, the very ones he had just retrieved from Buddha.

When the remaining punks saw that the leader had been dealt with in one kick, they didn’t dare to fight at all and hurried back to call out to their bosses.

“Which one of you brothers is here to spoil my Zhang Qi’s fun?”

Soon, a low voice tinged with anger came over.

“You’re their boss?”

Lin Ran looked at the youth in front of him and said blandly.

“That’s right! You beat up the man? You withheld the keys to my car?”

Zhang Qi looked at Lin Ran with an icy coldness in his eyes.

“That’s right!”

Lin Ran nodded his head.

“This man of yours spoke ill of my friend, is it a problem for me to beat him up?”

Lin Ran then said.

“No problem!”

“Then is it a problem if I detain his car keys?”

Lin Ran asked again

“No problem!”

Zhang Qi followed with an ugly look on his face.

“But brother, today is the day I confessed my love, do you have to give me face!”

“I can give face, but I need to apologise!”

Lin Ran pointed at the three women next to him, the meaning was clear.

“Boss, you can’t apologise! If you apologise for this, how can you still hang around here in the future!”

“Yes boss!”

The group of junior brothers next to him were busy persuading.

Zhang Qi’s face was icy cold as he gritted his teeth, then said in a cold voice.

“I can satisfy you with this apology, after all, it was my brother who first sought to mess with your friend, but I, Zhang Qi, am also a good-faced person, you have to give me a statement even if you beat up my brother!”

“What kind of statement do you want?”

Lin Ran asked with a smile.

“I’ll give you an apology first, don’t delay my confession, if you’re a bandwagoner don’t leave, wait for me here, when I come down, we’ll settle the matter of you beating my brother!”

Zhang Qi said in a cold voice.

Lin Ran smiled at that but laughed.

“Interesting, fine! Apologise!”

Lin Ran said as he gestured for Li Ba to throw the key to Zhang Qi.

Zhang Qi’s face was ugly as he bowed respectfully to Song Nuan and the three women and said, “Sorry!”

“Remember that! Wait for me here!”

Zhang Qi’s face turned blue and he threw the key to the men next to him, while his whole body was already rushing towards the stage.

At this moment, on the stage, Su Rou had already finished her performance and was doing the curtain call to prepare to go down.

“Wait!”

Suddenly, a man’s shout rang out, instantly drawing someone’s attention to him.

In full view of everyone, they saw that Zhang Qi had actually rushed to the stage in one single stride, with a handful of flowers already in his hand at some point.

He quickly came in front of Su Rou and actually got down on one knee and started proposing!

“You!”

Su Rou looked stunned, and then turned her head to see Lin Ran and the others below the stage.

And at this moment, Lin Ran was also frozen.

How could he not have expected that the object of this Zhang Qi’s proposal was actually Su Rou?

“Boss!”

Li Ba at the side was also confused and asked if he should go up and scrap this Zhang Qi.

The marriage proposal actually dared to propose to his own boss, damn it was really an injustice!

Chapter 1126

Lin Ran shook his head, gesturing to take it easy for now and see what happened next.

Zhang Qi’s proposal was a surprise to him, but Su Rou’s reaction was what determined whether Lin Ran should go up or not.

After all, he had been away for a year before and who could guarantee how far Su Rou and Zhang Qi’s relationship had developed during that year.

Although Lin Ran trusted Su Rou, there were still times when he had to look at the situation clearly, and Lin Ran was not going to tie Su Rou from pursuing her own happiness just because of himself.

“Zhang Qi what are you doing!”

On the stage, Su Rou’s pretty face was red, looking at Zhang Qi in front of her urgently like burning, she was also afraid that Lin Ran would misunderstand.

“Su Rou I like you! I’ve liked you since the first day I took your class!”

Zhang Qi looked at Su Rou, his eyes full of hotness.

“Stop it, it’s impossible for me to be with you, I already have someone I like!”

Su Rou was busy saying.

And at this moment, the whole stage was dumbfounded.

The school leaders who were not far away at the side even had ugly faces, and some of them had even started to rush towards the stage.

But obviously, it was impossible for them to rush up, because Zhang Qi's men had long since surrounded the stage.

"Su Rou, don't lie to me, you keep saying that you have someone you like, but where is he? I've been taking your classes for the past year and I haven't even seen him, you're clearly lying to me!"

Zhang Qi shook his head and said.

"Su Rou, will you marry me, I really like you, as long as you marry me, I can give you anything you want!"

Zhang Qi's eyes were full of expectation.

Su Rou, however, shook her head.

"I really have someone I like, even though he is very busy and often doesn't have time for me, but I still like him a lot! Sorry!"

Su Rou said and looked at Lin Ran who was on the stage, turned around and was about to come down.

Lin Ran only felt a blockage in his heart at this moment.

Yes, Su Rou was right, he was too busy, so busy that he didn't even have time to spend with the four girls, but the four girls were still unfailingly devoted to him.

"Go wait for me in the car!"

Lin Ran turned his head and spoke at the three Song Nuan.

"Mhm!"

The three nodded their heads, knowing that they couldn't stay here any longer.

"You escort them!"

Lin Ran turned his head to look at Li Ba!

"Yes boss!"

Li Ba nodded and immediately accompanied the three Song Nuan to the car first.

Lin Ran, on the other hand, was walking towards the stage at this moment.

"Su Rou, don't go! I really like you, can you not just find a reason to lie to me?"

Zhang Qi pulled Su Rou, his face full of expectation.

"I'm not lying to you, I really have a boyfriend!"

Su Rou wanted to cry, what did she have to say before Zhang Qi believed her.

"Where is he then? You tell him to come out, I'd like to see if there is one or not!"

Zhang Qi said.

“Me!”

Su Rou was stunned and looked at Lin Ran’s location again, but at this moment, where was Lin Ran’s figure there.

Even Song Nuan and the others had disappeared.

“Lin Ran!”

Su Rou’s heart tightened, fearing that Lin Ran had left because of a misunderstanding.

“I knew you hadn’t, you were clearly lying to me!”

Zhang Qi said.

Su Rou still wanted to explain, but suddenly a voice was ringing out.

“She’s not lying to you, I’m her boyfriend!”

As the words fell, Lin Ran’s figure had already appeared on top of the stage.

“What a coincidence, we meet again!”

Lin Ran looked at Zhang Qi and smiled blandly.

And at this moment, the entire crowd below the stage had completely exploded.

“Holy shit! People’s real boyfriends have appeared!”

“This is awkward, a marriage proposal meets a boyfriend!”

“Haha! That’s right!”

“No, that guy seems to be senior Lin Ran!”

“Really? Senior Lin Ran?”

“Isn’t that Sister Song Nuan’s girlfriend? How come she’s with Miss Su Rou ....”

“You guys don’t know, it’s said that Song Nuan and Lin Ran have split up!”

“You don’t give a shit, just now I saw Sister Song Nuan and Senior Lin Ran watching the performance under the stage!”

“That’s strange ....”

The crowd was chattering.

And at this time on stage, Zhang Qi’s entire face had gone completely green.

“It’s you! You’re her fucking boyfriend?”

Zhang Qi was furious, the proposal just now almost had an accident, but now the kid he hadn’t cleaned up yet was actually the boyfriend of the person he was proposing to.

Zhang Qi only felt insulted and enraged at the moment.

“I’m her boyfriend! Is there a problem?”

Lin Ran looked at Zhang Qi with a bashful expression.

At the same time, Lin Ran smoothly took Su Rou’s palm, which settled the latter’s trembling body.

“Lin Ran I ....”

Su Rou just wanted to explain.

Instead, Lin Ran waved his hand.

“I believe you, no need to explain!”

“Mm!”

Su Rou’s eyes turned red and she couldn’t help but drop a tear.

“Bastard! You’re fucking looking for death!”

Zhang Qi was instantly enraged, and lunged towards Lin Ran with an arrow step.

However, Lin Ran was not a master of his craft, he pulled Su Rou and dodged it with a magnificent side-step.

Then he kicked Zhang Qi directly in the stomach.

“Bang!”

With a muffled sound, Zhang Qi’s entire body directly slumped onto the stage.

The pain in his stomach all seemed somewhat insignificant at this point.

What made Zhang Qi even more annoyed was that it was simply a disgrace to his family.

“Waste him for me! I want him to die!”

Zhang Qi said angrily.

The large group of men surrounding him who were guarding the stage heard the voice at this moment and one by one they lunged towards Lin Ran.

But before these men could rush onto the stage, they all instantly collapsed to the ground, each one directly fainting to death.

When Zhang Qi saw this scene, he was instantly confused.

Only to see countless people in black appearing in the crowd and quickly disappearing to go.

“What are they?”

At this moment, Zhang Qi’s entire body was dumbfounded.

“You better stay away from Su Rou in the future, or I won’t guarantee that you won’t vaporize!”

Lin Ran said indifferently, and then whirled around and walked off the stage with Su Rou under the gaze of the crowd.

“Damn it you dare to threaten me!”

Zhang Qi was furious, although the fact that all of his own men had just been taken down in an instant had sent chills down his spine.

But his Zhang family was also a dignified one in Tanjiang City.

Taking out his mobile phone, Zhang Qi was ready to call his father.

But before the phone could be called out, his father’s call came first.

“You son of a bitch...? Who the hell have you offended, our family business is in a state of collapse, hurry up and get back to me!”

The middle-aged man’s angry voice came over the phone.

“Me!”

Zhang Qi was instantly confused.

.....

“Don’t worry, the Eight Elders will take care of it!”

In the car, Lin Ran smiled at Su Rou, gesturing for her not to take it to heart!

He himself would be departing for Nanyang the day after tomorrow, and now that basically everyone from the Chao Heavenly Pavilion was in Temperance City, solving a Zhang family was not a matter of a single glance.

“I’m sorry, I didn’t expect him to be like this either!”

Su Rou pouted with guilt on her face.

Lin Ran, however, smiled and said.

“It’s alright, this only shows that I have a good eye!”

“You!”

Su Rou’s pretty face instantly flushed and she didn’t say anything.

“Let’s go home! I’ve ordered a snack, let’s go back and eat something delicious!”

Lin Ran laughed.

“Delicious?”

Hearing that there was delicious food, the four girls’ eyes instantly lit up.

“Boss what about me?”

Li Ba drove the car and sniffed and asked busily.

“There’s something for you too!”

Lin Ran laughed.

“Boss is really the best! Love you Boss!”

Li Baba said busily.

“Fuck off, I don’t do fags!”

Lin Ran had a speechless look on his face.

Chapter 1127

The night went on without a word.

The next morning, Lin Ran was ready to take a good rest and get ready for his trip to Nanyang tomorrow.

But in the afternoon, he suddenly received a call from Long Ya.

“What’s wrong?”

Lin Ran asked as the call was answered.

“Can you come to Nanyang, my father has a strange disease!”

On the phone, Long Ya was a little torn.

“A strange disease? The Long family can’t even cure it?”

Lin Ran was puzzled.

The Long Family was a great hidden family, even they couldn’t cure it, so what kind of illness must it be?

“The people in the clan have seen it, but it hasn’t gotten better!”

Long Ya was anxious.

“Good! I’ll leave now!”

Lin Ran said.

Originally, he had to go to Nanyang tomorrow as well, but now that he had received Long Ya’s call, it was only half a day earlier.

After greeting the four women, Lin Ran immediately sent a message to the Eighth Elder, informing that there was a change in plans and that he would leave for Nanyang in the afternoon.

.....

Nanyang is still a certain distance away from Tanjiang City, and it took Lin Ran and Li Ba a full three hours of driving before they arrived at Nanyang in the evening.

“Where’s your father?”

In front of a three-star hotel in Nanyang, Lin Ran met Long Ya.

However, at this moment, Long Ya looked clearly haggard.

“It’s up there, let’s go up!”

Long Ya greeted, and in a whirl the three of them entered the hotel.

What the crowd did not know was that just as they entered the hotel, not far from the other side of the hotel entrance,? A youth, on the other hand, took out his mobile phone and called out.

“Miss, have found out, Long Ya really has a man outside, they are now in Nanyang Tianlong Hotel!”

“Good!”

A woman’s voice came over the phone in excitement.

“Keep an eye on them for me, I’ll find a way to bring someone over there now!”

The woman said excitedly.

“Understood Miss!”

The youth returned a sentence, and immediately hung up the phone, and walked in towards the hotel.

.....

On the third floor of the hotel, inside a luxurious private box.

“Father, my friend is here!”

Long Ya ran in excitedly, Lin Ran and Li Ba were following behind.

“Xiao Ya, I’ve told you that it’s not necessary, but you still made people come all the way here!”

On the sofa, an old man who was over fifty years old was doing his tea, but his hair was all white and his whole person looked very old.

“Good day, uncle!”

Lin Ran saluted respectfully, but in his heart he was a little puzzled, he was obviously only in his early fifties, but why was his face so old.

“You are Lin Ran, right? Xiao Ya has often told me about you!”

Long Xu smiled.

“Xiao Ya said that your medical skills are excellent, but this illness of mine is not an ordinary one, are you sure about it?”

Long Xu asked.

“I dare not say 100 percent, I can only say after seeing everything!”

Lin Ran said indifferently.

“Father, just let him have a look, his medical skills are really high! Besides, there’s nothing else we can do now!”

There was worry in Long Ya’s eyes.

“Mm!”

Long Xu obviously loved Long Ya very much, and was softened by her saying so.

“Let’s begin!”

Long Xu held out his hand in greeting.

Lin Ran didn’t say anything, and immediately put his hand on the other party’s wrist, followed by a surge of medical true qi that instantly invaded the other party’s body.

“Your true qi is very special!”

Long Xu looked at Lin Ran and his eyes lit up.

He hadn’t seen many cultivators who could heal before, but their true qi was radically different compared to Lin Ran’s.

Lin Ran smiled and didn’t say anything, the only one who could use his true qi to detect illnesses was Chao Tiange besides him.

Soon, Lin Ran withdrew his palm, but his brow was slightly furrowed, clearly the situation was not ruthlessly optimistic.

“Lin Ran!”

Long Ya looked at Lin Ran, her hands clasped tightly in a very nervous manner.

“It’s alright, speak up! Old man I am so old, what else is ? t be able to carry it!”

Long Xu waved his hand with a bashful expression.

Seeing this, Lin Ran didn’t bother with nonsense and said at once.

“Senior Long Xu, where did your Dragon Tattoo Qi go?”

“Hm?”

Long Xu’s face instantly changed at his words, and his eyes were filled with a chill as he looked at Lin Ran.

“How do you know about our family’s Dragon Tattoo Qi?”

Long Xu questioned.

There really wasn’t anyone else who knew about the Dragon Tattoo Qi of the Dragon Family, apart from the Fire Li Fengga family.

“The Dragon Family’s Dragon Tattoo Qi shouldn’t be very mysterious, right, with my medical skills I don’t deserve to know?”

Lin Ran said indifferently, but Long Ya at the side was nervous with her hands clasped tightly.

“It really wasn’t Long Ya who told you?”

Long Xu looked thought Long Ya, some time ago before Long Ya had returned, he had already known about Long Ya’s outgoing dragon tattoo qi.

At that time, he had even sent someone to fetch Long Ya back, but before the person arrived, Long Ya herself had returned.

And now Lin Ran still knew about the Dragon Tattoo Qi, so for a moment Long Xu naturally suspected that it was Long Ya who had told Lin Ran.

“I naturally have a way of knowing!”

Lin Ran had a bland face, in fact, these things were originally said by the Eighth Elder and himself, so what did it matter to Long Ya.

However, at this moment, Long Ya still looked at Lin Ran with a grateful face, and at the same time, she was also a little thankful.

If Lin Ran had really told his father that he had given him the Dragon Tattoo Qi, then not only Lin Ran, but I’m afraid that even Long Ya would have to be punished today.

“Alright? I don’t want to pursue this, but what do you mean by suddenly asking me where the Dragon Tattoo Qi went!”

Long Xu looked at Lin Ran and questioned.

“It’s simple, your illness started because of the Dragon Tattoo Qi!”

Lin Ran smiled lightly then said.

“If I am correct, your illness began when the Dragon Tattoo Qi disappeared!”

“How so?”

Long Xu looked at Lin Ran with a slight frown.

Lin Ran didn’t bother with nonsense and immediately explained.

“All the Dragon Tattoo Qi in your body disappeared in a short period of time, causing your body to be extremely weak, and at this time, you were poisoned, which is why your hair turned white overnight and your entire body looked even older by several years!”

“You!”

Long Xu froze at his words, the symptoms Lin Ran was talking about were exactly what he had experienced after the Qi of the Dragon Tattoo had disappeared.

“I admit, you’re right, but where did this poisoning thing start, I haven’t even left Nanyang recently!”

Long Xu asked busily.

Lin Ran smiled at his words, but did not explain, and took out a silver needle with his backhand.

“Give me the palm of your hand!”

Long Xu did as he was told.

Lin Ran took the silver needle and pricked it on Long Xu’s fingertip, and a drop of blood immediately landed on the coffee table.

The coffee table was made of marble with a layer of glass on top, and the blood dripping onto the glass was quite normal not to be seen in any way.

“What are you doing?”

Long Xu asked in confusion, and Long Ya was also confused, not knowing what Lin Ran was doing.

“Don’t be anxious, watch this!”

Lin Ran brought over a napkin and gently touched the blood with the tip of the paper, and then a strange scene appeared.

Only to see that the blood, which was originally quite normal, had actually dried up in an instant.

As the water in the blood was absorbed by the napkin, what was left inside was a black sticky substance.

That thing had been hidden inside the blood before, and if Lin Ran hadn’t sucked the blood away with the paper towel, no one would have noticed the black sticky substance inside.

“What is this!”

Long Xu’s face changed drastically, and Long Ya also covered her mouth.

Lin Ran threw the tissue away and looked at the two, saying blandly.

“This is grinding sand! Something that will prevent your internal organs from ever healing!”

Chapter 1128

“Grinding sand?”

Long Xiu was stunned at the words,? It was something he had never heard of at all.

“Lin Ran, what is grinding sand?”

Long Ya also asked with a puzzled look on her face.

“Mill sand is a very uncommon thing, not only can it be used as a poison, some times it can also be used as a material to cure diseases!”

Lin Ran explained.

“Your father should have been too weak after the Dragon Tattoo Qi dissipated, and then this grinding sand was secretly put down!”

“Originally, after the Dragon Tattoo Qi dissipated, the five internal organs were weaker, and when combined with the day and night invasion of this grinding sand, it was difficult for the body to recover, which eventually led to premature decay!”

“Then is there a cure?”

Long Xu couldn't help but ask, at this point his eyes were already completely convinced of Lin Ran.

“There is!”

Lin Ran laughed.

“Bleed a little bit every day, as long as you don't ingest the abrasive sand, slowly all the abrasive sand in your body will be dispatched, by then, when you take some herbs that nourish your Qi and blood, at least the old look will go away, but there is no way to get rid of the white hair!”

“Many thanks!”

Long Xu was very excited, white hair or not he didn't care, as long as he could get his old essence back it was the best.

“Lin Ran thank you!”

Long Ya also showed a long-lost smile at this time, she hadn't smiled much since she came back this time because of her father.

“I'm curious, your Nanyang Dragon Family, who exactly was able to poison you!”

Lin Ran asked with a smile as he looked at Long Xu.

Long Xu, however, helplessly shook his head and laughed bitterly.

“Although the big families are powerful, but as the saying goes, the trees are big and divided, there are some people and some things that really start ruthlessly may not necessarily be lighter than the outsiders' hands.”

“Right Lin Ran little friend, this time the matter thanks to you, since you came to stay for two days, also let me old man to do the host's friendship, just tomorrow in the sky dragon hotel will have a major event, little friend might as well stay one more night.”

Long Xu smiled and said.

“Good!”

Lin Ran smiled and nodded, he had originally come to look for the Second Elder, and hearing this from Long Xu, it seemed that the Second Elder was holding a banquet here tomorrow, so naturally he didn't bother to run any further.

“Long Ya, you take little friend Lin Ran to dinner first, I'll take a break first!”

Long Xu said with a smile.

“Good!”

Long Ya was also happy, and immediately took Lin Ran and walked out of the private room.

.....

It was only nine o'clock at night, and it was the time when the Tian Long Hotel was bustling with activity.

"Let's go I'll take you to eat the special dishes here!"

Long Ya greeted with a smile.

Lin Ran naturally wouldn't refuse, and immediately the two of them sat down in the lobby by the window.

In fact, all the specialties in the country were similar, and after taking two bites Lin Ran found that they were similar to the ones he made at home.

"Why don't you like it?"

Seeing that Lin Ran wasn't much interested, Long Ya couldn't help but ask.

"It's fine, I want to know what kind of banquet is being held here tomorrow?"

Lin Ran asked.

"I don't know either, but it's said that it's being held by an honourable guest of our Dragon Family, and it seems that many people from our Dragon Family will be coming next year!"

Long Ya said.

"A valuable guest from the Dragon Family?"

Lin Ran sniffed at his words in a daze, having already thought of who it was.

According to the information provided by the Eighth Elder, wasn't the Second Elder accompanied by Long Yu when he was abroad before, and wasn't this Long Yu someone from the Dragon Family's inner clan.

"Right Long Ya, can you tell me about the faction of your Dragon Family's inner clan?"

Lin Ran suddenly asked.

"You're interested in this?"

Long Ya was a little speechless with a start.

"It's alright, mainly because I wasn't born into a big clan either, I don't know much about these things!"

Lin Ran laughed.

"Alright!"

Long Ya smiled and only had to put down her chopsticks and introduce herself.

Only then did Lin Ran learn that in the Long Family, it could be roughly divided into two factions.

One of them was the power-wielding faction led by Long Yu, like Long Pingtian, the clan leader of these foreign clans, and so on, who all followed Long Yu, or else they wouldn't have been able to sit as the clan leader of the foreign clans.

The other faction was led by Long Ya's father, Long Xu.

According to Long Ya, Long Xu and Long Yu were actually blood brothers, but unfortunately the blood brothers also fought openly and secretly for years before taking the position of the head of the Long family.

"Uncle Long Yu and his faction advocate intermarriage within the clan, something I really dislike!"

Long Ya said with a frown.

"Like my father is very open-minded, he said that as long as it's something I like and it's not an enemy of our Dragon Family, he'll let me go!"

Long Ya laughed.

"Er ....."

Lin Ran was speechless for a while, how did the conversation get back to this.

.....

As the two were talking, suddenly a laugh that could still be ear-piercing came from the side.

"Huh! Isn't this sister Long Ya? How come you are eating here? And who is this man in front of you, he can't be your boyfriend!"

Lin Ran turned his head to look and found that the person speaking was a woman who was a little older than Long Ya, and the woman was followed by a young man who looked very impressive.

Both of them should be the sons of rich families.

This was Lin Ran's first impression.

"Long Fei Fei! Long Ge! Why are you guys here?"

Long Ya's face was ugly, these two people in front of her were none other than from their Long family, but unfortunately they were her arch rivals.

"What? Are you surprised that we're here? Or are you nervous!"

Long Fei Fei laughed.

She was very pretty, one of those very demonic women, but there was always an evil aura between her brows when she spoke, making Lin Ran frown at her.

"Nervous? Why would I be nervous!"

Long Ya retorted.

"What do you think?"

Off to the side, Long Ge spoke up with a smile.

“Long Ya, I don’t suppose you don’t remember the rules of our Dragon Family, you must marry within the clan, not to mention that you are the one who possesses the Dragon Tattoo Qi, so the only person you can marry can be Long Xiaoyu!”

“You’re nonsense, I can marry whoever I want Long Ya, it’s not your turn to say so!”

Long Ya retorted in anger.

“Indeed it’s not my turn to say it, but do you think Long Xiaoyu doesn’t know that you’re having dinner here with a strange man tonight?”

Long Ge laughed.

“You’re stalking me!”

Long Ya instantly understood.

“Don’t speak so harshly, what do you mean by stalking, we’re just monitoring your house rules! See if you’ve broken the rules of the Long family!”

Long Fei Fei sneered.

Long Ya had fully understood by now, she looked at Long Fei Fei and sneered.

“Long Fei Fei, don’t think I don’t know, don’t you just like Long Xiaoyu and covet the fact that he is the group leader’s own son!”

“I’m telling you, if you like him you go after him, I, Long Ya, am not half interested in him, if it’s okay leave and leave me alone!”

“Haha!”

Fei Fei Long burst out laughing.

“That’s right! I do like Long Xiaoyu, but what does it have to do with me eating here, why is it hard to say that this Tianlong Hotel is still owned by you Long Ya?”

“That’s right!”

Long Ge echoed.

“And after talking for half a day, this man in front of you doesn’t even dare to let out a fart,? This is the man you found for Long Ya? And what a loser!”

“Haha!”

Long Fei Fei also laughed.

“Shut up!”

Long Ya was instantly enraged at her words and stood up directly with a slap on the table.

But the next moment it was Lin Ran who stopped her.

“Yo-ho? What’s wrong with saying you’re a wimp? How dare you stand up!”

Long Fei Fei scoffed.

While Lin Ran’s face remained bland, his gaze swept over the two and he spoke.

“Friend, I don’t seem to have offended the two of you!”

“I’ll be angry if you denigrate me like that!”

Chapter 1129

“Angry? You can still be angry? Haha I thought you weren’t a guy!”

Long Ge couldn’t help but laugh.

On the side, Long Fei Fei also echoed with a face full of disdain.

“You’re the only one who can still get angry, what’s the matter? Are you going to beat me up, or what’s wrong with me?”

“I advise you all to better leave now!”

Lin Ran’s expression was bland and unsavoury as he said.

“Leave? On what grounds? Who the fuck do you think you are, this is Nanyang, and it’s the Sky Dragon Hotel that our Dragon Family has a stake in, and you’re fucking threatening me here?”

Long Ge laughed disdainfully.

“Brother, it’s not like you don’t know that some people always think they’re so awesome, but they don’t know that in our eyes, these people are just like jumping clowns!”

Long Fei Fei said with a face full of disdain.

Lin Ran frowned slightly when he heard this, he didn’t have a good feeling about this kind of rich generation, but he couldn’t take it anymore when he kept gabbing on the side.

“Lin Ran let’s go back to the room!”

Long Ya was busy pulling Lin Ran to prepare to leave.

Although she was also upset with Long Fei Fei and Long Ge, after all, these two people had a certain status in the Long Family, so she wasn’t afraid of them, but if Lin Ran offended them, wouldn’t she be setting up enemies in the Long Family again?

In the beginning a dragon ridge sky to now the problem has not been solved, if in the establishment of new enemies .....

Long Ya didn’t dare to think about it.

“Back to the room?”

Long Fei Fei heard Long Ya’s words and instantly laughed.

“Long Ya you bitch, how dare you say you don’t have anything to do with him, even the room is actually open! You’re really shameless!”

“You shut up!”

Long Ya retorted, unable to hold back.

“What’s the point of having a room? Your friend is coming from out of town, don’t you prepare a room to entertain him!”

“Is all that shit in your head all day long? You like Long Xiaoyu, go chase after her yourself. You are against me every day, do you have no existence in front of Long Xiaoyu? Or is it that she doesn’t even see you!”

“You!”

Long Fei Fei’s face instantly changed, so gloomy that it seemed like water could drip out.

“Bitch! You’re a bitch!”

Long Fei Fei’s eyes fiercely chilled as she followed with a flip of her hand, and a black light had come straight for Long Ya.

Lin Ran could see that this Long Fei Fei’s strength should be at the early stage of the Heaven Seizing Realm, and it was impossible to hurt Long Ya.

“Scram!”

Long Ya roared in anger, ? followed by a slap out, and immediately the black light flew straight backwards.

“Pfft!”

The black light actually went straight into Long Fei Fei’s chest, only to hear a “puff”, Long Fei Fei actually fell to the ground.

“Why didn’t you dodge?”

Long Ya asked, frowning at the situation.

Lin Ran at the side also frowned.

Just now, although Long Ya had backhanded the black mango and sent it flying backwards, the speed was not fast at all for someone at the early stage of the Heaven Seizing Realm, so Long Fei Fei could have easily dodged it.

“Dodge? Why should I dodge?”

Long Fei Fei was half lying on the ground, blood was already seeping out from her chest, but she unexpectedly did not have any half-hearted expression of pain, instead, she turned her head to look at the door, followed by a smug smile on the corner of her mouth.

Long Ya was baffled and was about to speak up when a voice actually rang out from the doorway.

“Fifi? Long Ge, you’re all here! Huh, isn’t this Xiao Ya?”

Lin Ran looked up and found that the person who spoke was a first year youth about the same size as himself, but he looked kind and was dressed in a low-key manner, except for the aura that was faintly emanating from his body, showing his uncommonness.

“Long Xiaoyu?”

Seeing the other party, Long Ya suddenly dawned on him.

“Hehe! Long Fei Fei, you’re so calculating, you really have a good heart!”

A cold smile flashed in Long Fei Fei’s eyes, followed by a softening of her voice.

“Long Ya what are you talking about? How have I schemed you? It’s obvious that you injured me, do you still want to accuse me wrongly?”

Long Fei Fei said and her eyes turned red,? A churlish and pitiful look.

“What’s going on?”

As expected, Long Xiaoyu, who had just arrived at the side, was instantly brought into the drama by Long Fei Fei.

“Brother Little Fish, come and judge!”

Long Fei Fei pretended to be aggrieved.

“My brother and I came here for dinner, and we ran into Long Ya and this wild kid from nowhere getting a room, I fought for you and said something about her, and she didn’t like it and hit me, luckily you came in time, Brother Little Fish, otherwise I would have been killed by her today!”

“That’s right, Little Fish!”

At the side, Long Ge was also busy echoing.

Long Xiaoyu, however, listened with a sunken face. Long Ya was the one who was tacitly approved by the clan, and Long Xiaoyu’s marriage partner, as both of them had the Dragon Tattoo Qi, naturally, there was no need to explicitly say so.

But now Long Fei Fei actually said that Long Ya had come out to a room with another man?

“Is it him?”

Long Xiaoyu looked at Long Ya and pointed at Lin Ran who was next to her.

“What does it have to do with you!”

Long Ya’s face was icy cold, not wanting to explain.

“Don’t forget, you are also a member of the Long family, what do you think it has to do with me!”

Long Xiaoyu was a little angry.

“I don’t want to explain to you, don’t you believe her, just go and ask her!”

Long Ya said in a cold voice.

“Brother Xiaoyu look at her!”

Long Fei Fei pretended to be aggrieved.

Lin Ran at the side was really looking a bit uncomfortable and couldn't help but speak up and laugh.

“Hey! I am really impressed, how can there be such a brazen woman under the sky, you are afraid that this is two-skinned face!”

Lin Ran poked his head out and rushed at Long Fei Fei.

“You! What are you talking about!”

Long Fei Fei blushed ugly, her gaze dodging.

“Please watch your manner of speaking!”

Long Fei Fei looked at Lin Ran with killing intent in her eyes.

“Attitude? What kind of attitude do you want! Stupid cunt!”

Lin Ran sneered.

“What did you say!”

Long Xiaoyu's face was instantly icy cold, it was the first time someone had dared to call him such a name on the Nanyang Dragon Family's turf.

“I said you're a stupid pussy!”

Lin Ran sneered.

“Lin Ran!”

Long Ya on the side also became worried, Long Xiaoyu was the only son of the inner clan chief of the Dragon Family, if Lin Ran offended him, then he would completely offend the entire Dragon Family.

However, Lin Ran waved his hand, gesturing to Long Ya not to worry.

Following that, Lin Ran actually squatted down on the ground and used his finger to dab some of the blood that had flowed from Long Fei Fei's body.

“Mmm! A good tomato sauce, it's quite similar!”

“You ..... What are you talking about!”

Fei Fei Long's face instantly turned pale.

“Little Fish, Fei Fei has been so nice to you, and now that she's been injured by Long Ya, don't you say anything?”

Long Ge, who was at the side, was also busy saying.

“Shut up, I will judge for myself!”

Long Xiaoyu’s face was ugly as she stared at Lin Ran.

“Are you saying that Fifi’s injuries are fake?”

“Or what?”

Lin Ran stretched out his hands.

“Just now, before you came in, it was Long Fei Fei who moved first, and Long Ya was merely fighting back...? And she deliberately didn’t dodge, if I’m right, she arranged for you to come here too, right!”

“You!”

Long Fei Fei’s face instantly changed.

Long Xiaoyu even looked at Long Fei Fei, with a questioning look in her eyes.

“Little Fish, don’t listen to him, I’m only at the early stage of the Heaven Seizing Realm, what strength is Long Ya, I don’t want to live to take the initiative to strike at her, but it’s simply impossible!”

Long Fei Fei said busily.

“Whether it is possible or not, just check the hotel surveillance, O I forgot, if I go to check now, I am afraid the hotel will tell you that the surveillance just happened to be broken!”

Lin Ran laughed.

“Lin Ran you! Why are you slandering me!”

Long Fei Fei said angrily.

“I’m slandering you? Even if there is no surveillance to testify, how can you explain this injury on your body? The blood is ketchup, is it hard to say that you are made of tomatoes?”

Lin Ran laughed.

Chapter 1130

“You ..... Who are you to say that this is ketchup for me!”

Long Fei Fei said with a red face.

“Are you not clear in your own mind if it is or not?”

Lin Ran laughed.

Long Fei Fei, who was at the side, was also suspicious at this point and squatted down to actually dip some of it in and smell it, but it didn’t smell like ketchup at all.

“Are you sure this is ketchup?”

Long Xiaoyu looked at Lin Ran.

Lin Ran, however, laughed.

“Could it not be? There’s no taste of ketchup!”

“You .... You’re nonsense!”

Long Fei Fei looked at Lin Ran, her face ugly.

“Lin Ran!”

Long Ya on the side was also a little worried, not understanding how Lin Ran was so sure. Normally ketchup would at least have a taste.

“What proof do you have?”

Long Xiaoyu also looked at Lin Ran.

“If what you’re saying is true, then so be it, if you’re slandering Fifi, then you won’t be leaving here properly today!”

“O? Then you’re thinking too much, I can’t really stop me if I want to leave!”

Lin Ran laughed.

“Then you try!”

Long Xiaoyu looked at Lin Ran with icy cold eyes.

“Haha! You’ll believe it later, as for whether the blood is fake or not, it’s simple! Just have her leak out the wound and see!”

Lin Ran said indifferently.

“You .... You’re shameless!”

Long Fei Fei’s pretty face instantly turned even redder, she was a girl and her wound was on her chest, how could she just reveal it.

“Lin Ran you seek death! How dare you make my sister show her chest to you!”

Long Ge also said angrily from the side.

“You’re thinking beautiful!”

Lin Ran said busily.

“I’m not looking, besides, isn’t it Long Xiaoyu that she wants to show the most!”

Lin Ran said and looked at Long Xiaoyu who was on the side.

“You!”

Long Fei Fei’s pretty face instantly turned red, while there was a hint of panic in her eyes.

“Fifi!”

Long Xiaoyu also looked at Long Fei Fei.

“Brother Xiaoyu, you don’t believe me either!”

Long Fei Fei said in aggravation.

“It’s not that I don’t believe you, if you’re really wounded? Why don’t you dare to let others see the wound?”

Long Xiaofei asked.

“I .....

Long Fei Fei was suddenly dumbfounded.

“Lin Ran you hurt my sister, and actually want to let humiliate her in public, you seek death!”

Long Ge was also furious when he saw that things couldn’t be rounded off, and with a flash of his body he lunged towards Lin Ran.

“What? Are you angry?”

Lin Ran laughed at this.

“Long Ge, you are unbridled!”

Long Ya’s eyes chilled at the sight, and she immediately met him.

While Long Xiaoyu, who was already on the side, did not say anything, originally Lin Ran and Long Ya hadn’t said anything about opening a room, so where would he interfere.

“Get lost!”

Long Ya slapped Long Ge’s chest, and immediately the latter spurted out a mouthful of blood, while flying backwards.

“Bastard, Lin Ran do you only dare to hide behind women?”

Long Ge looked at Lin Ran and said angrily.

“What? Do you want to hide there are women willing to let you hide?”

Lin Ran wasn’t angry and laughed blandly.

“Coward!”

Long Ge said angrily.

“Whatever you say!”

Lin Ran was too lazy to bother with him and turned to look at Long Ya.

“Let’s go!”

“Mmm!”

Long Ya nodded her head.

“Stop right there! Did I tell you to leave?”

Suddenly, it was Long Xiao Yu who spoke up from the side.

“Something’s wrong?”

Lin Ran looked at Long Xiaoyu, his eyes slightly narrowed.

“Even if Long Fei Fei’s wounds were faked, she is, after all, a member of our Long Family, what are you, walking with Long Ya, have you asked me?”

Long Xiaoyu said in a cold voice.

“What are you to Long Ya? Why should I ask you?”

Lin Ran said indifferently.

“Fine! Good!”

Long Xiaoyu laughed at once.

“You’re still the first one in a long time who dares to talk to me like that!”

“Long Xiaoyu, what do you want!”

Next to her, Long Ya was also alert.

Although this Long Xiaoyu had not joined the Mysterious Alliance, his strength was not inferior to Long Ya’s in any way, after all, he was Long Yu’s own son.

Moreover, he was also the only son, and the resources that Long Yu poured into him were naturally as much as could be imagined.

“Long Ya, you’d better stay out of it or I’ll really suspect that the two of you are up to something!”

Long Xiaoyu’s face was icy cold.

“You!”

Long Ya’s face turned pale.

However, Lin Ran next to her laughed.

“No need to suspect, we’ll have what how can we find?”

“Lin Ran you!”

Long Ya’s pretty face reddened, not expecting Lin Ran to actually say that.

“Fine! Good!”

Long Xiaoyu’s face instantly changed.

“Since that’s the case, then prepare to die!”

As the words fell, Long Xiaoyu had already slapped towards Lin Ran.

The strength of the force was actually no less than Long Ya's.

"Long Xiaoyu, what are you doing!"

Long Ya was busy meeting him.

"Get lost! Bitch!"

Long Xiaoyu was furious.

A slap was slapped out, and immediately Long Ya was knocked back several steps.

"You!"

Long Ya's face turned red, and it was obvious that she had just received that blow extremely reluctantly.

"Bitch! As a member of the Dragon Family, and with the Dragon Tattoo Qi, you actually got involved with a man of a foreign race, how abominable!"

Long Xiaoyu said angrily.

"What's it to do with you!"

Long Ya was also furious.

She didn't want to provoke Long Xiaoyu, but it didn't mean that she was really afraid of the latter.

After all, her father, Long Xu, was also a rival of Long Yu, although the Long family was now headed by Long Yu.

Whoever might become a rival existence to Long Yu still did not have some cards in their hands.

"Good! What a shameless bitch, when I kill him, you won't want to stay in the Long family either!"

Long Xiaoyu said angrily.

And on the side, Long Fei Fei, who was still a bit angry, laughed when she heard this.

"That's not a bad result!"

Long Fei Fei laughed in her heart.

Being able to make Long Xiaoyu and Long Ya break completely was her aim, only when she made Long Ya's image in Long Xiaoyu's heart completely collapse would she, Long Fei Fei, have the chance to take her place.

"If you want to kill him, then you will have to step over my corpse!"

Long Ya said angrily.

"Good! Good!"

Long Xiaoyu's eyes were icy cold, and the next moment his entire body lunged towards Long Ya.

“I’ll see how long you can hold back, a man who only hides behind a woman, you really impress me!”

Long Xiaoyu rushed towards Long Ya while sneering at Lin Ran.

“As you wish!”

Lin Ran’s eyes also went icy cold as he directly took a step ahead of Long Ya to meet him towards Long Xiaoyu.

To say that he hadn’t cared about Long Ge striking earlier, after all, the former wasn’t Long Ya’s opponent, so he naturally didn’t bother to make a move.

But now that Long Xiaoyu was clearly stronger than Long Ya, Lin Ran naturally couldn’t possibly watch Long Ya get hurt.

“Lin Ran be careful!”

Long Ya reminded.

And with this reminder, it completely made Long Xiaoyu violently angry,? The moment he struck was a killing move.

“Dragon Breath Fist!”

Long Xiaoyu roared, and his fist went straight for Lin Ran’s face.

The wind of the fist was actually faintly carrying a dragon’s chanting aura, overbearing.

And at this moment, the entire hotel lobby was hiding in a corner, watching the action with excitement.

In Nanyang City, especially this Tian Long Hotel, they dared to challenge the young grandson of the Long Family, and they were all looking at Lin Ran with sympathy on their faces at this moment.

“This kid really doesn’t know the sky is high, the green hat has been brought to Long Xiaoyu’s head!”

“Haha can’t say that, I should say that this kid is also capable, even Long Xiaoyu can be green!”

“Green? I’m afraid he wouldn’t even know how to die, Long Xiaoyu’s old man is the head of the inner clan of the Dragon Family, and the whole Tianlong Hotel is still owned by him!”

“Haha, no matter what, we’ll have a good show today, if Long Xiaoyu can’t beat this kid that’s a real shame!”

“Hey, hey! Quickly look, the two are about to fight!”
