

Wonder Doctor

Chapter 1131

As the crowd murmured, the two Lin Ran soon collided.

And this collision was instantly exchanged several times.

“Bang!”

A moment later, with a muffled sound, a wave of powerful qi actually exploded between the two.

A large number of tables and chairs around them were overturned, and the sky was filled with wood chips that blocked everyone’s view.

“Poof!”

Another sound of blood being spat out followed, and everyone’s heart was in their throat.

“Lin Ran!”

Long Ya’s fists were even clenched, and she wanted to rush up immediately.

However, at this moment, Long Fei Fei and Long Ge next to her were staring at her closely, making her not dare to make a rash move.

Although she was stronger than the two of them, if the two of them joined forces against her, I was afraid that she wouldn’t be able to get out of it for a while.

And it would inevitably cause Long Yu to blame her own father then.

“It’s over! This kid is definitely finished!”

“In all probability, he won’t be able to run away, if he dares to go against Young Long, it’s strange if he can get well!”

“Ai! It’s a pity, how can you be so thoughtless at such a young age!”

The people watching next to the scene also chattered.

Soon as the dust and wood chips fell,? Two figures appeared in front of the crowd.

The two stood looking at each other, coming on with different expressions.

Lin Ran still had a bemused look on his face, but Long Xiaoyu had an ugly look on his face, his palms clenched.

“Huh something’s not right!”

“Yeah, why does Long Xiaoyu look like he’s in pain!”

“Hehehe! You guys, look, why is Long Xiaoyu’s palm dripping blood!”

“Holy shit! It doesn’t matter if it’s his palm, look at the corner of his mouth there’s still blood!”

“My god, there’s also one on his chest, I thought it was because his clothes were just red!”

The crowd quickly discovered that it was actually Long Xiaoyu who was injured, while Lin Ran’s entire body was actually without any wounds at all.

“How is this possible! Long Xiaoyu was actually defeated!”

“What’s that kid’s origin!”

The crowd was instantly frozen.

“How is it possible, Brother Little Fish is actually no match for that kid!”

Long Fei Fei was also dumbfounded at this point, and one of her hands was even clenched tightly, with disbelief in her eyes.

“This kid is not simple!”

Next to him, Long Ge was also frowning.

Originally, the two of them thought that the man Long Ya was looking for was at most a son of a big family, but now it seemed that the other party was afraid that he was not small.

Even Long Xiaoyu was no match for him, and the two of them were still about the same age, so this tactic alone was not something that ordinary people could achieve.

“Who the hell are you?”

Long Xiaoyu endured the sharp pain in his chest as he looked straight at Lin Ran.

Others might not know about that strike just now, but he, Long Xiaoyu, was experiencing it very genuinely.

If he hadn’t turned his attack into defence at the end, I’m afraid he wouldn’t even have the ability to stand up at this moment.

“Who did you say I was?”

Lin Ran looked at his opponent, his expression still bland.

This Long Xiaoyu’s strength was probably at the early stage of the Creation Realm, although it was already very strong compared to the likes of Long Ge,? But it was somewhat inadequate in front of him.

Lin Ran had always been able to fight across the ranks, and although he was also at the early stage of the Creation Realm now, even when facing a strong person at the peak of the Creation Realm, he would have the strength to fight.

Only a strong person of the Dan Creation Scripture might be able to make Lin Ran feel some headaches.

“You better speak clearly, or there’s no way you’ll be able to leave here alive today!”

Long Xiaoyu looked at Lin Ran, his eyes growing colder and colder.

“I also said that no one can stop me yet if I want to leave!”

Lin Ran's eyes also gradually went cold.

And just as the two were confronting each other.

Far away in a courtyard somewhere in Nan Yang, a figure suddenly appeared out of thin air, followed by a leap and jumped onto the roof.

"Grand Elder, what is the reason for your uninvited visit!"

Long Yu looked at a figure not far from the roof of the house, his eyes cold.

"Long Yu, how is my Chao Heavenly Pavilion?"

The Grand Elder looked at Long Yu with a bland expression.

"It's very powerful!"

Long Yu frowned, and this was what was in his heart.

If it wasn't for the fear that the Chao Heavenly Pavilion's great power was a great favour to every clan, I'm afraid that the matter between him and the Second Elder would have been made public long ago.

"Since you know that we are powerful, you shouldn't want to bring tomorrow's matter forward tonight either!"

The First Elder said blandly.

Long Yu smiled but was stunned and said in a cold voice.

"What do you mean!"

"What do you mean? You suddenly sent a small team to the Sky Dragon Hotel, what do you want? To start a war now?"

The Grand Elder's face was icy cold.

"You! Sending someone to the Heavenly Dragon Hotel is about my son, what does it have to do with your Chao Heavenly Pavilion!"

Long Yu's face was ugly.

"It really does have something to do with it!"

The Grand Elder had no intention of backing down.

"What if I don't retract!"

Long Yu said in a cold voice.

"It's war over there!"

The Grand Elder was decisive.

"You!"

Long Yu's face hardened.

"You can try the truth of my words, and to be honest, our Chao Heavenly Pavilion is not short of this one night!"

The Grand Elder said, turned around and disappeared from the spot.

Long Yu's face was icy cold as he followed and jumped off the roof as well.

"Someone! Tell the squad that was dispatched out just now to come back, and at the same time, investigate what exactly is the origin of that Lin Ran!"

Long Yu rushed to one of his men next to him and ordered.

"Yes!"

The henchman immediately led the order respectfully and retreated.

"What?"

Inside the hotel, when he learned that his father had actually withdrawn the people who had come to help, Long Xiaoyu's face could not help but look even more ugly.

"How come the helpers aren't coming?"

Lin Ran saw this but laughed.

This time when he came to Nanyang, Lin Ran had not considered any situation, and even when he first received Long Ya's call, Lin Ran had already considered the situation where his identity would be exposed.

The news that he was the pavilion master of the Chao Heavenly Pavilion was actually known to very few people, it was all arranged by the Grand Elder.

Even the Fire Family and the Li Family now, very few people knew about it, they only knew that Lin Ran was inextricably linked to the Chao Heavenly Pavilion, but the real identity was known to very few people.

"You've really surprised me!"

Long Xiaoyu looked at Lin Ran in front of him, his teeth clenched.

He didn't expect that even the people he had informed the family about had been withdrawn by his own father.

This showed that this youth in front of him was not an ordinary person at all, or else his own father would not have handled things in this manner.

"There's more to surprise you!"

Lin Ran said indifferently.

"Hmph! Is that so? Then we'll see!"

Long Xiaoyu snorted coldly and turned to leave.

“See you tomorrow!”

Lin Ran laughed lightly, and then also took Long Ya back to her room.

“Brother Xiaoyu, you’re just going to spare him?”

Long Fei Fei was stunned, and was busy coming over to ask.

Lin Ran and Long Ya’s relationship was obviously not ordinary, but Long Xiaoyu was actually not pursuing the matter anymore, which was not like Long Xiaoyu’s usual style of handling things.

“Shut up!”

Long Xiaoyu glared at Long Fei Fei, if he hadn’t been put on the spot by her today, where would he have lost so much face here.

Now, well, even his own father’s side didn’t know what was happening.

“Brother Little Fish!”

Long Fei Fei looked confused, playing go not knowing what had happened.

Long Xiaoyu gave her a look, his face very bad.

“It’s all because you arranged a good thing! Now you’re satisfied!”

“Brother Little Fish, that’s not what I meant!”

Long Fei Fei hurriedly explained.

However, Long Xiaoyu was too lazy to pay any attention to her and turned around and left the hotel.

“Brother Little Fish, wait for me!”

Long Fei Fei saw this and also chased after her.

“What a bad luck!”

Long Ge couldn’t help but curse, and then he also followed.

Chapter 1132

“I’m sorry, I originally asked you to come to see my father for me, but I didn’t expect to get involved in this!”

Upstairs, Long Ya looked at Lin Ran apologetically.

“I don’t mind!”

Lin Ran said blandly.

“Right, let me take you out for a ride tomorrow, it’s so hard to come to Nanyang for once!”

Long Ya laughed.

“Not tomorrow!”

Lin Ran shook his head.

“What’s wrong?”

Long Ya asked.

“I have some things to take care of tomorrow, and isn’t it said that there’s already a banquet at this Tianlong Hotel tomorrow? You don’t know?”

Lin Ran asked Long Ya.

“I know, everyone from our Dragon Family can come, but I’m not really interested!”

Long Ya said.

“Well, but I have to attend tomorrow!”

Lin Ran laughed.

“You’re attending? Tomorrow is a banquet held by the elders of the Chao Heavenly Pavilion, why are you attending, is it possible that you know someone from the Chao Heavenly Pavilion?”

Long Ya looked at Lin Ran suspiciously.

“It’s alright, it’s just something!”

Lin Ran said indifferently, and did not want to explain too much, until tomorrow everything will be clear.

.....

The next day at noon.

The entire Tian Long Hotel was packed with people, almost all of the great clans in Nanyang City, and even the inner clans of several great clans in the imperial capital, had sent people to come.

Of course, there were also people from the Yue family among them.

However, these Yue family members did not know anything about Lin Ran.

After all, the feud between Lin Ran and Yue Shan was a personal one.

Most of the time, it was Yue Shan who suffered the loss, so naturally Yue Shan would not spread this kind of thing within his own clan.

Therefore, the only people who knew about Lin Ran were some people from the outer clan, while almost no one from the inner clan knew about Lin Ran’s existence.

“What are you attending this banquet for?”

Long Ya asked as she sat at a table with Lin Ran and ate the food.

This banquet today was not even something Long Ya was interested in attending, but in the end, it was because Lin Ran was coming that she came along.

“You’ll find out later!”

Lin Ran smiled mysteriously and didn’t say much.

“Still selling secrets!”

Long Ya couldn’t help but give Lin Ran a blank look.

Lin Ran smiled lightly, then but pointed to the side.

“Your fiancé is here!”

“Huh?”

Long Ya was stunned before she saw that Long Xiaoyu, followed by Long Fei Fei’s and the others, had also arrived inside the hotel.

“What are you talking nonsense about, he is your fiancé, right!”

Long Ya said in no good humour.

“Haha!”

Lin Ran laughed and didn’t retort.

“You have to be careful, this Long Xiaoyu has multiple powerful people in the Dragon Family’s inner clan, I’m really afraid that they’ll find you in trouble later!”

Long Ya said.

Lin Ran, however, smiled blandly and said.

“Don’t worry, I’ll be fine, they won’t dare to do anything to me!”

“And! I really don’t know where you got the confidence!”

Long Ya was speechless.

While the two were talking, Long Xiaoyu was already leading someone to sit directly at the table next to Lin Ran.

The two or three burly youths who were following Long Xiaoyu at this time, however, did not stop and came straight to the table where the two Lin Ran were.

“Brother, give up a seat!”

The youths patted the person sitting next to Lin Ran.

The man saw that the other party was coming from a bad place, so he naturally got up and gave up his seat, and soon the whole table, apart from Lin Ran and Long Ya, was only left with three burly youths.

And these people, from the moment they came over their eyes never left Lin Ran’s body.

“This is the end, these three are Long Xiaoyu’s inner circle, it is said that all three are at the peak of the Heaven Seizing Realm, and together they are strong enough to fight against Qi Creation Realm powerhouses!”

“Hey, who can blame him? He can only blame this kid for being insensitive and daring to offend Long Xiaoyu!”

“That’s true, but this kid was actually fine last night, I just don’t know if he can continue to be arrogant in a place like this today!

“Arrogant? You’re kidding, later on everyone from the Dragon Family’s inner clan will be there, and haven’t you heard that today is a banquet hosted by a certain elder of the Chao Heavenly Pavilion, who dares to be arrogant here! That’s making an enemy of the Chao Heavenly Pavilion!”

There was a lot of chatter from the crowd.

At this moment, Lin Ran, on the other hand, was drinking his own tea, seemingly not looking at the three people next to him at all.

“You are Lin Ran!”

Next to him, a burly youth in the lead opened his mouth and asked.

“Something wrong?”

Li Ran looked at the other party, his face bland.

“Naturally, I have something to find you!”

The youth sneered.

“Remember that? We are the three Meng brothers, don’t run away when the banquet is over later, we are waiting for you at the mouth!”

The burly youth in the lead threatened.

“Waiting for me at the entrance? Aren’t you tired? Say something now!”

Lin Ran couldn’t help but laugh.

This youth’s words reminded Lin Ran in no hurry of when he was going to school to get a meeting.

Every time he was bullied, the other party always said these words, “Wait for me after school, I’ll wait for you at the school gate and so on.

I never thought that now that I have graduated three years ago, I would still be able to? Heard.

“Saying that now? Kid, do you really think we are stupid, today is Chao Tian Court smashing here for a meeting, you want to die, we don’t want to yet!”

The leading youth sneered.

Lin Ran smiled at his words but he also laughed.

“If you don’t want to die you still come to me!”

“Huh? Haha! Brothers you? Did you hear that, people don’t look at us at all!”

The young man in the lead laughed at once.

And the other two brothers next to him were also laughing their heads off.

“Kid, I know you’re strong, you’re at the Qi Creation Realm, right? But don’t take yourself too seriously, we three brothers always fight together, so what if you’re at the Qi Creation Realm!”

“Who doesn’t know how to bullshit, if you’re really capable, I’ll see you at the door after the banquet!”

Lin Ran looked at the two men, slowly putting down the cup of tea in his hand and smiled blandly.

“Good! See you at the door, I hope you don’t run away then!”

“Run? Just don’t run!”

The leading youth sneered, and promptly led the two brothers away.

“Lin Ran you can’t go later, the three of them are very strong! They’re Long Xiaoyu’s chaperones!”

As soon as the three had left, Long Ya hurriedly reminded.

However, Lin Ran waved his hand and laughed.

“Aren’t I strong?”

“You!”

Long Ya was stunned, and only then did she remember that even her cousin Long Ridge Sky had lost to Lin Ran before.

“It’s not the same, although Long Ridge Heaven is also strong, he’s only by himself after all, this time you’re up against three!”

“Don’t worry!”

Lin Ran smiled and waved his hand, not saying anything more.

Seeing this, Long Ya was so anxious in her heart that she even wanted to call her father directly and ask him to come and sort out these troubles for Lin Ran.

After all, in her opinion, the reason why Lin Ran had gotten into all these things was because he thought he was.

If she hadn’t asked Lin Ran to come over to see her father, at least Lin Ran wouldn’t have confronted Long Xiaoyu, making it so that the other party had already come to provoke him even before the party had started.

When Long Ya was thinking about it, suddenly a figure next to him was rushing over, it was none other than Li Ba.

“Boss! The people are here!”

“Well! Sit down!”

Lin Ran pointed to the chair next to him and greeted him.

Li Ba wasn't polite, and immediately sat down next to him.

And almost at the same time as he sat down, a group of people poured in at the entrance of the hotel.

And walking at the front of the front were two figures, one of which Lin Ran was all too familiar with, it was none other than the Second Elder of the Chao Heavenly Pavilion.

“Finally, they've come!”

Lin Ran's eyes snapped cold.

It was the Second Elder who had come to Nanyang this time for the sake of the Second Elder.

“If you want to break away from the Chao Heavenly Pavilion, then be prepared to leave behind everything you have learned within the Chao Heavenly Pavilion!”

Lin Ran muttered to himself in his heart.

Chapter 1133

“Hey hey people are coming!”

“My goodness that's the Second Elder of the Chao Heavenly Pavilion, he's really young!”

“Who says otherwise, at such a young age he's actually already an elder!”

As soon as the Second Elder and Long Yu appeared, the surrounding onlookers all buzzed with chatter.

“What young age, it's said that this Second Elder is an old demon!”

Next to him, Long Ya frowned.

“You know him?”

Lin Ran couldn't help but ask at his words.

“I don't know him, but I've heard that each of the elders of the Chao Heavenly Pavilion are all old demons!”

Long Ya said.

“Er”

Lin Ran couldn't help but laugh in embarrassment, if the Grand Elders heard this, they would probably die of embarrassment.

Technically speaking, they were indeed all old demons, after all, they had all been on fire for an unknown number of years.

While the crowd was talking, the Second Elder was already surrounded by the crowd and went straight up to the first floor of the hotel.

At this moment, on the first floor of the hotel, a high platform had been temporarily set up, obviously prepared precisely for the Second Elder to speak.

“Hm?”

Suddenly, just as the Second Elder was going upstairs, Lin Ran’s gaze was to spot several familiar figures.

“Why is it them!”

Seeing these people, Lin Ran couldn’t help but frown slightly.

Those people were really Long Pingtian and his younger brother, Long Pingliang, as well as his youngest son, Long Yue.

“Where’s Long Ridge Tian?”

Lin Ran suddenly turned his head and asked Long Ya.

“It’s in the clan!”

Long Ya said busily.

Ever since Lin Ran had defeated him in public on Qiong Hua Mountain last time, he had not gone out within the clan, and should also be waiting for the Xing Wu Mountain mission a month later.

“Within the clan?”

Lin Ran frowned slightly as he listened.

Long Ridge Sky was Long Pingtian’s second son, and he was actually not with them at this time, which couldn’t help but surprise Lin Ran a little.

“Could it be that they have already defected to the Second Elder?”

Lin Ran thought in his mind, but it felt unlikely.

After all, the Long Family itself had its own power, there was no need to defect to a Second Elder.

Even if the latter was really strong, he had left from the Just Chao Heavenly Pavilion and didn’t have any power at all.

“That’s strange!”

Lin Ran pondered in his mind.

At this moment, on top of the high platform on the first floor, the Second Elder was already standing out.

He swept his gaze across the crowd downstairs with a smile in his eyes.

“Alright everyone!”

Suddenly, the Second Elder spoke up.

Everyone’s eyes also looked towards him at this moment.

“I’m sure the reason for inviting you all here today is clear to everyone!”

The Second Elder’s voice said Lang Lang.

“From today onwards, I will officially break away from the Chao Heavenly Pavilion, as you all know, from the day I joined the Chao Heavenly Pavilion, I have no name, and have been known as the First Elder because I am the second in line!”

“And from now on, that is, from the day I leave the Chao Heavenly Pavilion, my name I have already thought of! Over there is, Qing Du Tian!”

“Qing Over Heaven?”

“It means to destroy the Chao Heavenly Pavilion with everything you’ve got?”

“Damn this name is really relevant!”

“I’m afraid this is a bit unethical, after all, this Second Elder is from the Chao Heavenly Pavilion, even if he did break away, he doesn’t have to do so!”

“It’s indeed a bit too much!”

There was a lot of discussion among the people on the stage, some clearly agreeing with this, while others felt that the Second Elder had gone a little too far.

“I know what you all think of me, I am from the Chao Heavenly Pavilion, but right now it is the Chao Heavenly Pavilion that is in a bit of trouble with me, I just want to say one thing here, the Chao Heavenly Pavilion is like a puddle of water, it is easy to get in but hard to get out!”

“So that’s why I want to break away, but know that I can only do it today!”

Saying that, the Second Elder swept his gaze over the crowd and smiled bitterly.

“I advise those who want to join the Chao Heavenly Pavilion, or who are already part of the Chao Heavenly Pavilion, the sea of suffering has no end and turning back is the only way to go!”

“Good!”

As soon as the Second Elder’s words left his mouth, Long Yu led the applause.

Seeing this, the other members of the Long family also applauded and echoed.

For a while, there was really something of a crusade against Chao Tiange.

“Bang!”

Just as the applause was going on, suddenly the hotel door was kicked open.

A large group of people walked in, led by the Grand Elder.

“You said you were breaking away from the Chao Heavenly Pavilion, so you did? Who gave permission?”
Did I, the Grand Elder, or the current Pavilion Master approve?”

The Grand Elder’s voice rang out loud and clear within the entire hotel.

“Grand Elder of the Chao Heavenly Pavilion, my goodness this is going to be a good show!”

“Not what, even the Grand Elder is here, and looking at the array, I’m afraid the entire Chao Heavenly Pavilion is here.”

“That’s unlikely, it’s said that people from the Chao Heavenly Pavilion are scattered all over the country, and even abroad have their forces, so it’s a bit unrealistic for all of them to arrive!”

The crowd was talking, and at this moment, many people from the Long Yu family, led by Long Yu, also stood up, and the two forces were somewhat at war.

“Brother Long Yu, it’s not more than that, how can I say that the Grand Elder and I used to be considered friends!”

The Second Elder spoke with a smile.

“Friends? I don’t have friends like you, wolf heart and dog lungs! Shameless!”

The Grand Elder brought in a cold voice.

“Grand Elder, it’s meaningless for you to say that, I, Qing Du Tian, respectfully call you Grand Elder, that’s for the sake of past friendship, but if you are giving shame, then don’t blame me for being ungracious!”

The Second Elder Qing Yutian said in a cold voice.

“You’re not polite? You’re not polite? Let’s see, you want to break away from the Chao Heavenly Pavilion with just one sentence, do you think my Chao Heavenly Pavilion is a vegetable market?”

The First Elder said in a cold voice.

“Huh! What fun!”

The Second Elder sneered a few times and then questioned.

“Eldest Elder, who is in charge of the Chao Heavenly Pavilion now? Is it you?”

“Naturally, it’s the current Pavilion Master!”

The Grand Elder arched his hand and said.

“That won’t do!”

The Second Elder laughed.

“I broke away from the Chao Heavenly Pavilion, and the Pavilion Master, his old man, didn’t even come out to square a fart, so what the fuck are you pretending to be here!”

“You! How dare you!”

The Eldest Elder was so angry that his veins only burst.

“Who said the Court Master doesn’t care? The Court Master has already arrived!”

The Grand Elder suppressed the anger in his heart and chided.

“O? Is that so? Where is he? You tell him to come out! I’d like to see if he dares to come out today!”

The Second Elder sneered.

He dared to hold this banquet so blatantly today, so naturally he was well prepared, and to be honest, he was worried about Lin Ran coming.

“Since you want to die, then let’s make it happen!”

The Grand Elder, with a cold look in his eyes rushed to the side and respectfully bent down and saluted.

“Greetings, Pavilion Master!”

“Greeting Pavilion Master!”

The crowd behind the Grand Elder shouted in unison.

This shout instantly caused the surrounding crowd to look in this direction.

But there were many people in this direction, even Long Xiaoyu and the others were sitting here, so for a while they couldn’t tell, who exactly was the Grand Elder shouting.

“Hey hey! Can you see, that Chao Tian Pavilion’s Pavilion Master is actually in this direction of ours!”

Long Ya said excitedly when she saw this.

“It’s just a Pavilion Master, is there a need to get so excited?”

Lin Ran laughed helplessly.

“That’s the Chao Heavenly Pavilion Master, a Pavilion Master who is powerful enough to rival our Long Family!”

Long Ya said excitedly.

“Well, it’s actually me!”

Lin Ran smiled helplessly and stood up straight away.

“Huh?”

Long Ya froze at the sight, but then her face changed and she hurriedly went to pull Lin Ran!

“Stop it and sit down, this is an internal matter of the Chao Heavenly Pavilion, it’s not for us to interfere!”

Lin Ran smiled helplessly and said with a show of hands.

“I’m really the pavilion master!”

“Fine I believe it, will you do the next one first?”

Long Ya was truly helpless.

When Lin Ran saw that she still didn't believe her, he could only shake his head and turned towards the Grand Elder.

Chapter 1134

"Lin Ran you're crazy!"

Long Ya looked stunned.

He had already attracted a lot of attention by standing just now, and at this point he was actually walking directly towards the Grand Elder, a move that was practically all eyes on him.

"Hey hey Boss, look at how that kid is walking towards us!"

Boss Meng pointed at Lin Ran and said disdainfully.

"O? Is it hard to believe that he ah is the Pavilion Master?"

Long Xiaoyu laughed.

"The pavilion master? Boss you're not kidding, if he's the Pavilion Master, then I'm the Pavilion Master's father!"

Meng Lao laughed out loud.

"That's right! I don't think he would be happy to be the leader of the Beggar's Association!"

Long Ge, who was at the side, also agreed and laughed.

While Long Fei Fei was smiling coldly and secretly said in her heart.

"Stupid cunt, standing out for attention now, you won't even know how you'll die later, this woman Long Ya is really stupid, she actually found such a brainless thing!"

"Kid, go down, you're looking for death!"

"That's right! Don't even look at what kind of place this is!"

"You don't have a brain when you go out!"

The surrounding crowd also shouted.

On the side, Long Xu also frowned slightly as he watched, puzzled in his heart.

Previously, Lin Ran had given him a very stable impression, so why was he acting so recklessly today.

"Who is this person?"

In the front, Long Yu also noticed Lin Ran, and he had a slight frown of disdain in his eyes.

But everyone hadn't noticed that? At this moment, on top of the high platform, the Second Elder's face had changed.

Other people didn't know Lin Ran, but he was after all the second elder of the Chao Heavenly Pavilion before, so how could he not know who Lin Ran was.

“Kid! This is none of your business here, get back!”

Suddenly, next to Long Yu, a young man from the Long family stood out.

Today was a feud between Qing Du Tian and the Chao Heavenly Pavilion, so naturally Long Yu would not let a hairy boy stand out and stir up trouble.

“Who are you?”

Lin Ran raised his head to look at the other party, he didn't recognize this person at all.

“I am the personal guard of Clan Chief Long Yu!”

The other party said in a cold voice, while tightening an unsheathed sword in his hand with an overwhelming aura.

“Get out of the way!”

Lin Ran said with a bland face.

“Lin Ran come back!”

Long Ya looked incredibly nervous and shouted in a low voice.

But Lin Ran only smiled at her, not saying anything.

“Kid! Get lost at once if you're sensible! Or else the day I sheathe my sword will be the day you die!”

The other party's expression was cold and murderous.

“What did you say?”

Lin Ran looked at the other party and asked indifferently.

“I said”

The other party was just about to speak, but Lin Ran waved his hand and laughed.

“No need to say anything, sheathe your sword!”

“You!”

The youth's face immediately sank, feeling that he was being teased, and immediately pulled out his sword with a “scuffle”.

“Die!”

The youth roared, and? The sword blade was already slashing at Lin Ran.

“Stop! Lin Ran, be careful!”

Long Ya's eyes were red with anxiety at this point, but Long Xu, who was on the side, was busy rushing over and stopping her so that she couldn't go forward.

“Father! You have to save Lin Ran!”

Long Ya said urgently.

“Don’t be silly, you shouldn’t have brought him here today!”

Long Xu sighed, although he was Long Yu’s rival, but now Long Yu had a big helper in Qing Du Tian, it was questionable if he could pull back the situation in the future, at this time in stepping forward that was not an act of seeking death.

“But dad”

Long Ya still wanted to fight, but the guards in front of him were already in front of Lin Ran.

“No!”

Long Ya’s entire being was almost desperate at this point.

“Hm?”

Suddenly, the Dragon Void next to her was surprised and exclaimed out.

He only saw that the Grand Elder, who had originally saluted respectfully, suddenly raised his head at this moment, while a black shadow next to the Grand Elder immediately rushed out and directly slapped the guard’s chest with a palm, immediately the guard’s entire body spurted out a mouthful of blood and directly flew backwards, fainting to death on the spot.

“What the hell!”

Long Yu was furious at the sight of this, and the Long family members at the side each took out their weapons and magic weapons.

On the contrary, on the side of the Grand Elder, the others did not move at all,? Only the Ghost Elder who had just struck out rushed towards Lin Ran and said respectfully.

“Please forgive me for frightening you, Your Highness!”

“Your Highness was frightened?”

“Please forgive me?”

“That old man actually addressed that kid as Pavilion Master?”

“Holy shit, that kid is really the Pavilion Master?”

At once, the entire hotel froze.

Especially the two groups of people, Long Ya and Long Xiaoyu.

Long Ya was naturally a little surprised and shocked, after all, even though Lin Ran had acted extraordinary before, she hadn’t expected him to actually be the Pavilion Master of the Chao Heavenly Pavilion.

But now

“How do you know him?”

At this moment, Long Xu also couldn't help but ask Long Ya.

"Just met him at Qiong Hua Mountain!"

Long Ya said woodenly, at this moment she had been completely subdued by this identity of Lin Ran.

On the other hand, a hint of joy flashed across Long Xu's eyes.

How powerful the Chao Heavenly Pavilion was, and Lin Ran was the Pavilion Master of the Chao Heavenly Pavilion, if he could get Lin Ran's full support, then wouldn't he be able to get the position of the inner clan leader of this Dragon Family sooner or later.

Unlike Long Xu's mood, at this moment, Long Xiaoyu and the others at the side were completely confused.

In particular, the cup of tea in Boss Meng's hand fell to the ground with a clatter.

His ears were still faintly recalling the provocation he had just made to Lin Ran.

"When the banquet is over, don't leave, I'll wait for you at the door!"

"Big brother!"

The other two from the Meng family both looked at Boss Meng with fear in their eyes.

"Damn it! How could he be the Chao Heavenly Pavilion Master!"

Boss Meng was also panicking at this point, even if Lin Ran was a disciple of some great clan, they weren't so scared.

But who knew that Lin Ran was actually the Lord of the Chao Heavenly Pavilion, such a force, it was simply too easy to kill the three brothers, they didn't even have to do anything at all.

"Big brother, you have to save us!"

Boss Meng and the three of them were busy looking at Long Xiaoyu at the side, they had all come out to find Lin Ran's trouble today because the latter had signalled them to do so.

"Don't worry, my father is here, that Lin Ran can't make any waves!"

Long Xiaoyu coped, in fact he didn't have a clue in his heart, after all, the position of Chao Heavenly Pavilion Master was one that could completely represent the behemoth that was the Chao Heavenly Pavilion.

"Long Yu! Your guard dares to lust after our Chao Heavenly Pavilion Master, I'll have someone waste him, is that a problem?"

The Grand Elder looked up at Long Yu with an imposing aura.

"Humph!"

Long Yu coldly snorted without answering, this matter was technically still something that their Long family did not take advantage of.

“Pavilion Master! You are here, what do you think of the next matter?”

The Grand Elder looked towards Lin Ran with a question.

“I will take care of the next matter!”

Lin Ran said aloud, while sweeping his gaze over the people present, first landing on Long Xiaoyu and the three Meng family brothers.

“That Boss Meng, right? I remember you three, you said you’d wait for me at the entrance when the banquet was over, to teach me a lesson, right? Let’s talk slowly after the banquet!”

“I ...”

The three Meng brothers wilted at once, each looking at Long Xiaoyu with a prayer in their eyes, but now Long Xiaoyu had no way out.

“Don’t think about begging, none of them can really walk out today without my consent!”

Lin Ran laughed, and then, not caring about Long Xiaoyu, he turned his head to look at the one on top of the high platform, Qing Du Tian.

“Changing your name to Qing Du Tian and breaking away from the Chao Heavenly Pavilion, how bold, who did you tell about these two things? With me or the Grand Elder?”

“Besides! Did I approve?”

Lin Ran looked at Qing Over Tian as his eyes gradually became icy cold.

Chapter 1135

“Ahahaha!”

Qing Yu Tian laughed.

“Court O no! Lin Ran!”

“When I, Qing Du Tian, joined the Chao Heavenly Pavilion, you were still playing in the mud somewhere, and now I’m breaking away from the Chao Heavenly Pavilion, honestly! I don’t have you in my sights at all!”

Qing Du Tian laughed coldly.

“Ao!”

Lin Ran nodded, and then said.

“Such a tough attitude, who was it that shouted out “Pavilion Master” in one breath when we last met? Now you’re bullying? Calling me by my name now?”

“You!”

Qing Du Tian’s face sank as he said in a cold voice.

“Cut the crap, today I’m withdrawing from this Chao Tian Pavilion, if you don’t like it, just try your hand!”

“Don’t worry, I naturally won’t stop you if you want to withdraw, but there are some things we have to settle!”

Lin Ran said as he swept his gaze over the crowd and said aloud.

“Before we clear the door, let’s do the math! Let’s see! Just how many people are responsible for your withdrawal from the pavilion this time!”

Lin Ran said as he was the first to look at Long Yu.

“Clan Chief Long Yu, isn’t it, is this your Long Family’s way of openly helping Qing Du Tian go against my Chao Heavenly Pavilion?”

“What are you talking about? I don’t quite understand!”

Long Yu looked at Lin Ran with micron eyes.

“Don’t understand? You’re fucking stupid, aren’t you!”

Lin Ran cursed angrily.

“You!”

“Kid you seek death!”

“How dare you curse our clan chief!”

At once, the group of people next to Long Yu were furious.

However, they did not dare to act rashly when Long Yu did not give his word.

“I think you’re just stupid!”

Lin Ran laughed coldly and whirled around and actually made himself at a table in front of Long Yu, smoothly pulling out one of the cigarettes on the table and lighting it up.

“Poof!”

A puff of cigarette was exhaled and Lin Ran laughed.

“I only have time for one cigarette, answer me! Are you going to help Qing Du Tian and make an enemy of our Chao Heavenly Pavilion? If so, we’ll go to war without further ado! If not, take your men and exit the hotel!”

Lin Ran said and stopped talking, smoking his own cigarette as time passed by.

“Brother Dragon!”

On top of the high platform, Qing Ruitian looked at Long Yu with longing in his eyes.

But Long Yu was a little hesitant at this moment.

He had closely watched the entire situation in the arena, from the beginning when Lin Ran and Long Ya sat together, to later after Lin Ran was announced as the Pavilion Master of Chao Tian Pavilion.

He was a little hesitant.

If the Pavilion Master of the Chao Heavenly Pavilion had been any other person, perhaps he would not have hesitated.

But it happened that this Pavilion Master was Lin Ran, and he also had an unusual relationship with Long Ya.

This made him extremely wary.

Long Ya's father was none other than Long Xu, his own shadowy rival.

If he really brought his own strength and sided with Qing Du Tian, what if Long Xu also brought someone and sided with Lin Ran.

When that time came, it would be a small matter for the Long Family to break up, and I was afraid that he would really not be able to continue as the inner clan chief.

Although Qing Over Heaven also had some heritage, he was about to break away from the Chao Heavenly Pavilion after all, and getting help from him himself would be a world away from Long Xu getting help from the entire Chao Heavenly Pavilion.

"Brother Long must not forget our plan!"

Qing Du Tian was a little anxious.

"Plan? Will your plan ensure that Long Yu continues to be this clan leader?"

Lin Ran laughed.

"You!"

Long Yu's face sank as he heard this, but Long Xu, who was already on the side, had a glint in his eyes, knowing that his chance had come.

"Eldest brother, our Dragon Family has always stayed out of world affairs, even if we were to come out now, this is still someone's Chao Heavenly Pavilion's internal matter, do you want to interfere as well? If that's the case, who will be responsible for the deaths and injuries of our Dragon family members when the time comes?"

Long Xu opened his mouth and questioned.

As soon as these words were spoken, some of the Dragon Family members immediately began to waver.

Indeed, Qing Du Tian was the Second Elder of other people's Chao Heavenly Pavilion, so what did it matter to your Dragon Family.

Moreover, the Chao Heavenly Pavilion was so powerful and their medical skills were so exquisite that if they really offended them, I was afraid that they would not even know how they would die in the future,

not to mention the fact that the Chao Heavenly Pavilion had so many powerful people from the Realm of Creation sitting in the town.

“Good!”

Long Yu finally couldn't help but speak up.

“This matter I Long Yu can not care, but I Long Yu also not everyone can control, I put the words here, today but any dragon family members who help Qing over the sky, and our dragon family's will has no relationship, full representation of individuals, anyone help him?”

Long Yu's voice Lang Lang.

Long Xu's heart sank at his words, this Long Yu was really cunning, he actually did not take the bait, so that although it was barring Qing Du Tian from being sold out, it was a trouble for him, Long Xu.

After all, there was no way to catch Long Yu in the act.

“Me!”

Suddenly a voice rang out, followed by all eyes falling on a black robed man on top of the high platform, behind Qing Yutian.

At this moment, the black robe was slowly removed, and a familiar old face was revealed in a whirl.

“Long Pingtian?”

“And me!”

Another voice rang out, followed by another person walking out.

“Long Pingliang?”

Seeing these two people, everyone was stunned, after all, most of those present were from the inner clan and rarely knew about Long Pingtian's conflict with Lin Ran, it was also the Second Elder who had stepped in to settle this matter in the first place, so not many people within the Long Family actually knew about this matter.

“You all saw it, the two of them voluntarily wanted to help the Second Elder, so it's out of my hands!”

Long Yu stretched his hands with a impatient face.

“That's fine!”

Lin Ran smiled.

“As long as Clan Chief Long Yu does what he says! I will naturally deal with the others myself!”

Lin Ran said and gave a wink to the Eldest Elder, signalling him to get ready.

Although only Long Pingtian and Long Pingliang had explicitly stated that they would support Qing Du Tian.

But this Long Yu was clearly not a frugal person either, so who knew if there were other plans arranged behind the scenes.

“Alright!”

Lin Ran swept his gaze over the crowd and then smiled.

“Since everyone’s attitude has been made clear, Team Leader Long take your people and leave!”

“Humph!”

Long Yu snorted coldly, and then he whirled and led most of the Long family out of the hotel and waited outside.

“Wait! You three can’t! You agreed to a deal and you want to break it?”

Lin Ran suddenly pointed at the three Meng family brothers who were ready to bolt not far away and greeted them.

“I

The three Meng bosses simply wanted to cry and hurriedly looked at Long Xiaoyu who was next to them.

However, at this moment, Long Xiaoyu had already slipped to the entrance of the hotel, where could he care about Boss Meng’s three brothers.

“Damn it! Long Xiaoyu, you bastard!”

Meng Lao was so angry that he gritted his teeth.

But being watched by Lin Ran and the others, they didn’t dare to move, so they just returned to their positions.

“Long Ya! You guys get out too! All of you, including the other family members who came to the banquet, leave the venue, or else I won’t guarantee your safety in the event of a fight later!”

Lin Ran spoke again.

At once, everyone started to walk out.

Long Ya, on the other hand, was looking at Lin Ran with a worried face.

“Don’t worry about walking, this kid has made it to the pavilion master, so naturally he’s not an ordinary person!”

Long Xu advised from the side, and immediately left the hotel as well.

Soon the entire hotel was left with only the Chao Heavenly Pavilion and some few other members of the Dragon Family such as Qing Du Tian Long Ping Tian.

“Lin Ran ah! Lin Ran! You really deserve to be the Chao Heavenly Pavilion Master, cleaning out my helpers with a few words, you really impress me!”

Qing Du Tian was looking at Lin Ran at this moment, with madness in his eyes.

“It’s good to know, it’s not too late to regret it!”

Lin Ran stood up and looked at Qing Yutian, his eyes cold.

“Regret? I, Qing Yutian, never regret anything! Do you really think that I, Qing Yutian, have no one? I’ve already prepared for the worst by daring to convene this banquet today!”

Qing Over Tian said with a clap of his hands while shouting aloud.

“All of you! Come out!”

Chapter 1136

As the words fell, hundreds of people actually rushed out from the first floor of the hotel.

Each of these men wore black night clothes and held uniform broken blades in their hands, looking very solemn.

“There’s still us!”

Long Pingtian also said busily,? Followed by the third floor only on actually also rushed out hundreds of people, and although these people did not look as murderous as those from Green Overcast Sky, but so many of them were also very blustery.

“Lin Ran! It’s not certain who will get out alive today or not!”

Qing Du Tian looked at Lin Ran with smugness in his eyes.

“I didn’t expect that, you still have this hand!”

Lin Ran laughed.

“But Qing Yutian, do you really think that my Chao Heavenly Pavilion is that easy to retreat from?”

“Haha! What else?”

Qing Yutian laughed.

“Don’t think I don’t know, the only reason you could make me feel scorned in the past was because something was placed inside the last set of needles in the Xuan Yin Pill Canon.”

“That’s why none of us who practiced it could betray the Chao Heavenly Pavilion!”

“But now it’s different, you still think your methods can control me?”

Qing Du Tian laughed.

Lin Ran shook his head at his words? Whirling, however, he laughed.

“Did you think that the Dragon Family’s Dragon Tattoo Qi could help you break out of this control?”

“Hm? How do you know?”

Qing Du Tian’s face sank, this matter was an absolute secret of his, how did Lin Ran know that

“How do I know? I’m afraid no one knows this better than me!”

Lin Ran laughed and then said.

“The Dragon Family’s Dragon Tattoo Qi is indeed magical and may help you break free from this control, but you also look at the Chao Heavenly Pavilion too simply!”

Lin Ran said as he swept his gaze behind Qing Du Tian and laughed.

“What? Your two brothers aren’t with you?”

“This breakaway is my own business, it has nothing to do with them!”

Qing Yutian said in a cold voice.

“O? All right!”

Lin Ran nodded his head, then laughed.

“I’m asking you one last time, are you sure you want to break away from the Chao Heavenly Pavilion today?”

“Do I still have a way back?”

Qing Du Tian said in a cold voice.

“Of course there is, give me your same fate talisman and I can pretend that nothing has happened!”

Lin Ran said indifferently.

“The same fate talisman? Don’t you dare!”

Qing Du Tian refused without even thinking about it.

The Same Life Talisman was something that could control a person’s life, so how could Qing Yutian give it.

“In that case, then there’s no more talk, call out everything you’ve learned in the Chao Heavenly Pavilion!”

Lin Ran smiled faintly, and then his entire body moved.

“Kill!”

As soon as Lin Ran moved, the Grand Elder and the others behind him also rushed up at the first opportunity.

“Kill!”

Seeing this, Qing Over Heaven also spoke angrily, and immediately the two forces exchanged blows.

“There’s really a fight inside!”

Outside, a large group of people were waiting anxiously, especially Long Ya, whose heart was in her throat at this moment.

“Don’t worry, Lin Ran will be fine!”

Long Xu said comfortingly from the side.

The crowd could only slightly see the chaotic scene inside through the doorway at this point.

“I am free from the control of the Chao Heavenly Pavilion, and now I am also at the Realm of Creation, what can you do to fight me, Lin Ran!”

Qing Over Tian leapt down to the first floor and ran straight at Lin Ran, while the two Creation Realm followers beside him had already been entangled by the people brought by the Grand Elder.

“Fight with you? Why should I fight you all, you’re a dying man, is it bad for me to watch the fun?”

Lin Ran, however, laughed.

“What do you mean!”

Qing Over Tian’s face sank as he heard this, not understanding what medicine Lin Ran was selling in his gourd.

“But anyone who wants to break away from my Chao Heavenly Pavilion, unless I myself agree to help you with the last stitch of the Xuan Yin Pill Canon, no one will be able to help you! Your end has come for you, Qing Du Tian!”

Lin Ran said with a wave of his hand, and an array appeared out of thin air, this sitting needle was very small, only the size of a palm, but it was such an array that was filled with raging power.

“Go!”

Lin Ran waved his palm, and at once the formation flew straight out, heading straight for Qing Over Heaven.

“Who are you scaring!”

Qing Yutian’s eyes chilled as a palm was already slapped out towards the small formation.

“Bang!”

With a clash, the formation was instantly thrown back, while Qing Over Tian also took several steps backwards in quick succession.

“That’s it?”

Qing Over Tian’s eyes were filled with disdain.

And at this moment, he also had a full desire for the power of the Realm of Creation.

At the beginning, being bound by the Chao Heavenly Pavilion had kept his strength fixed at the Heaven Seizing Realm.

But ever since Long Yu had helped him break this fetter, he had truly understood how grinding it really was to have great power for himself.

“That’s it? Take your time!”

Lin Ran, however, was in no hurry at all, and with a wave of his hand the formation flew back once more, heading straight for Qing Du Tian.

“Come again?”

With disdain in his eyes, Qing Yutian flung his palm and slapped up again.

“Bang!”

However, a scene that took him by surprise appeared.

This time, the power of the small formation was still the same as last time, but this time, the small formation only retreated a few meters, while on the contrary, his entire body was thrown away.

“How is this possible?”

Qing Du Tian’s eyes were filled with resigned disbelief.

“As I said, without my help, you’re asking for death if you think you’re free from the restraints!”

Lin Ran laughed coldly, and with a swirl of his palm once more, the small formation actually flew towards Qing Du Tian for the third time.

“Humph! Obsessed!”

Qing Yutian used his full strength to blast towards the formation this time, ? He was ready to blast the formation straight through.

“Bang!”

The next moment the sound of collision rang out violently.

But this time the result was even more unexpected than Qing Yutian expected.

The small formation actually did not move at all, while Qing Mutian himself directly flew backwards, his entire body smashing heavily against the wall before falling to the ground.

“How is this possible!”

Feeling the difference in strength between himself and the small formation, Qing Du Tian was completely dumbfounded.

“How is it possible? The impossible is still to come, I’ll show you today just how ridiculous your so-called freedom from bondage really is!”

Lin Ran’s face sank as the small formation had already struck once more.

“Bang bang bang!”

The small formations blasted towards Qing Du Tian one after another.

And Green Overcast Sky was increasingly unable to cope, from initially being able to resist, to then being almost lopsided and completely suppressed.

“How could this happen!”

On the side, Long Pingtian, who was fighting with Chao Tiange, saw this scene and his eyes could not help but chill.

“Big brother, I’ll go help him!”

Long Pingliang also realised that the situation was not right, if Qing Over Tian was killed by Lin Ran, then their defection would be a complete joke, so he would definitely not allow this to happen.

“Get lost!”

As soon as Long Pingliang rushed over, he slapped the small formation only.

Instantly, the entire small formation flew backwards.

“Eh?”

Long Pingliang’s face turned pale, and he busily pulled Qing Du Tian up and chided him.

“What the fuck are you doing, you can’t even handle such a weak little formation?”

“Weak? Open your dog eyes and see clearly, is that formation weak?”

Qing Du Tian cursed angrily.

However, at this moment, Long Pingliang’s face changed drastically, and he was busy pushing Qing Yutian aside, pointing at him and exclaiming.

“You What’s wrong with your face, and your hair Why is it all white!”

“What did you say?”

Qing覆天 was stunned, and was busy pulling over two strands of hair to look at them, and sure enough they had actually turned snow white.

“My face!”

Qing Du Tian was busy touching his own face, and with this touch, his whole body was dumbfounded.

It felt like an old man’s face, and a very old one at that, completely old!

Chapter 1137

“How can this be, how is this possible!”

Qing Du Tian was completely confused as to what was going on with all this, he was completely bewildered.

“What’s going on? I’ve told you that you don’t even know how you died yourself!”

Lin Ran sneered.

“You What the hell have you done to me!”

Qing Du Tian looked at Lin Ran, his eyes filled with fear.

“What can I do to you, you should ask yourself what you have done to you!”

Lin Ran said indifferently.

“Say it!”

Qing Du Tian had by now? completely panicked, he could clearly feel his life force draining rapidly and was afraid that he wouldn't be able to last much longer at all.

“Say what?”

Lin Ran looked at Qing Du Tian with a smile in his eyes.

“You! Lin Ran you! Fine! I, Qing Over Tian, am wrong alright, I won't break away from the Chao Heavenly Pavilion anymore, save me save me!”

Qing Du Tian was completely panicked.

“Save you? It's already too late!”

Lin Ran waved his hand, signalling that it was hopeless.

At this moment, all the people around him stopped their hands because of Qing Yutian's huge change, and looked over in confusion.

When they saw this appearance of Qing Du Tian, the Grand Elder and the others all had their hearts tremble, this situation of the former they didn't know there, this was simply retribution after breaking away from the Chao Heavenly Pavilion.

“Impossible! It's impossible, Long Yu has already gotten that thing out of me, how could I still be aging! It's impossible!”

Qing Over Heaven panicked.

“He helped you get it out, may I ask if he knows what it is?”

Lin Ran said indifferently.

“You're really not afraid of death either, he could get it, so he let him help you, now it's good, I can't even save you if I want to!”

“You're nonsense!”

Qing Du Tian looked at Lin Ran with panic in his eyes.

“Are you still not sure if I'm talking nonsense or not? I'm afraid your life force can only last for ten minutes at most, after that you'll be just like this piece of wood!”

Lin Ran said and picked up a piece of wood, only to hear a “bang” sound, the whole piece of wood turned into splinters and scattered all over the sky.

“Impossible! This is absolutely impossible!”

Qing Yutian shook his head, his eyes full of despair.

“Nothing is impossible! If you don’t believe me, you can ask the Grand Elders and the others!”

Lin Ran said as he took out another cigarette and lit it up.

“You guys!”

Qing Du Tian looked at the Grand Elder.

“The Pavilion Master told me a long time ago that what we’ve been poisoned with is a compulsion called the World Worm, and although this compulsion can make us immortal, we can’t betray the Chao Heavenly Pavilion!”

“Once you betray it, you will die immediately, and there is only one way to break it, and it is in the hands of the Pavilion Master. You took the liberty of having Long Yu take out the World Worm for you, and you think that everything will be fine for you?”

“The existence of the World Worm can make you immortal, but once the World Worm disappears, your life force will start to deplete at an accelerated rate, it’s fine if you don’t use your power, once you do, you will only die faster!”

The Grand Elder said blandly.

“Impossible! Jue Throw is impossible, I already took out the World Worm three days ago,? I cultivated then, too? Why was it fine then!”

Qing Yutian struggled.

“It’s simple!”

Lin Ran laughed.

“Because of the Dragon Tattoo Qi, there was Dragon Tattoo Qi left in your body before, which made your life force decay a lot weaker, but now there’s no more Dragon Tattoo Qi in your body, and just now I just casually struck out and made your life force flow faster, so you now have a maximum of five minutes left!”

“You! You!”

Qing Du Tian’s entire body directly sat down on the ground, his eyes filled with despair.

Suddenly, he was busy crawling towards Lin Ran and begged.

“Pavilion Master! Save me! Save me, I don’t want to die!”

“Save you? How? On what grounds? You tell me a reason?”

Lin Ran looked at Qing Du Tian and asked with a smile.

“Save me, as long as you save me, I will repay you even if I am an ox or a horse in this life, I can make a poisonous oath that I will never betray you again in this life!”

Qing Du Tian was busy saying.

“O? Is that so?”

Lin Ran smiled thoughtfully and asked casually.

“Where’s the worldworm you took out of your body?”

“It was trampled to death by me!”

Qing Du Tian said.

“Ao, then you should just wait to die, there’s nothing I can do!”

Lin Ran was completely speechless.

Still trampling the worldworm to death, so you’re the king of the heavens coming here, you’ll have to die too.

“No, Your Highness, why don’t you just find one!”

Qing Du Tian was busy saying.

“Looking for one? You go and look for one! Worldworms are in this world, one dead is one less, and you’re still going to look for one, go find one and I’ll see!”

Lin Ran said in a cold voice.

“But Pavilion Master, you have to save me!”

Qing Yutian begged, kowtowing his head.

Lin Ran, however, slowly rose and waved his hand.

“It’s already too late, from the moment you trampled the World Worm to death, you won’t be able to save your life!”

“No! No, the Pavilion Master won’t, the other elders also have one inside them, I’ll go and grab one over, you help me!”

Qing Over Tian said and turned around and ran towards the Grand Elder.

But the whole person only ran halfway, and suddenly froze in place.

Then the crowd was surprised to see.

Qing Yutian’s body was rapidly becoming stiff, and his entire body could not even move one step.

He just stood straight in place, motionless, his entire body seemed like a statue.

“This

The Grand Elder and the others were all stunned, not understanding what was happening.

One of the Chao Heavenly Pavilion disciples was ready to go over and touch it, but was stopped by Lin Ran’s drink.

“Don’t touch it! Cover your mouth and nose!”

The Chao Heavenly Pavilion crowd did as they were told, while not far away, Long Pingtian and the others frowned and did not move.

Lin Ran didn’t bother to care much, and immediately picked up a piece of wood, covered his own mouth and nose, and threw it straight over.

“Bang!”

As soon as the wood touched Qing Du Tian’s body, the latter’s body instantly shattered directly into a sky full of smoke and dust.

The clothes he was wearing, on the other hand, fell directly to the ground, and at this moment, Qing Du Tian’s entire body had completely transformed into a sky full of ashes.

The crowd was shocked to see that a man who had been alive before was gone just like that.

While feeling emotional, one could not help but look at Lin Ran and feel a chill in their hearts, if they also betrayed the Chao Tian Pavilion I’m afraid the consequences

“As you can see, if any of you want to break away from the Chao Tian Pavilion, just look for me! As long as you leave behind what you have learned in your life, I can let you leave!”

Lin Ran looked at the elders, his voice bland.

“As for longevity, you won’t live forever, but you won’t be so fast? Dying, you will become like ordinary people!”

Lin Ran said and said no more.

And at this moment, the Grand Elder and the others were all moved by Lin Ran’s words,? None of them actually wanted to die, how could an ant steal a life, let alone a human being.

“Pavilion Master is merciful!”

The Grand Elder bowed his hand, and the group of people from the Chao Heavenly Pavilion behind him also bowed.

Lin Ran, on the other hand, waved his hand, not bothering to say much.

He didn’t like killing people, and if hearts really were no longer in the Chao Heavenly Pavilion, he naturally wouldn’t force them to stay, but the Chao Heavenly Pavilion also had its rules, and if you wanted to leave you could! Just leave everything you’ve learned behind.

“Alright! Qing Du Tian is dead, do we have to settle your scores next!”

Lin Ran said as he turned his head to look at Long Pingtian and the others, with an icy coldness in his eyes.

“Lin Ran! What do you want! Qing Wutian is already dead!”

Long Pingtian gulped and? said nervously.

Lin Ran smiled at his words but laughed.

“Yes, he’s dead, but you guys aren’t him, and the account you helped him fight against the Chao Heavenly Pavilion before can’t be treated as if nothing happened just because he’s dead!”

Chapter 1138

“You!”

Long Pingtian’s face looked ugly, while the others looked even more speechless.

Most of them were Long Pingtian’s own trained believer, as well as Long Yu’s dead servant, and they were there to help Qing Yutian this time.

But now, before they could do anything themselves, it was Qing Yutian himself who had died first, which made their situation really a bit awkward.

“Lin Ran, we are also from the Dragon Family after all, although we were wrong to help Qing Yutian this time, but in the end we didn’t do anything to your Chao Heavenly Pavilion, if you rush to kill them all, be careful of our Dragon Family’s revenge!”

Long Pingliang said.

Lin Ran naturally understood what he meant.

For the Long Family to help the Second Elder so much was simply because they coveted all the medical skills in the latter’s body, as well as the other skills of the Chao Heavenly Pavilion, and wanted to get their hands on them through Qing Du Tian.

That was why they were willing to pay the price of so many people.

But now that Qing Yutian had died, to Long Yu he had not gained any benefit at all, and had even lost a lot of Dragon Tattoo Qi for nothing, and now it was a bit uneconomical to drop these manpower at once.

“Lin Ran!”

As expected, soon after, Long Yu who was guarding the outside rushed in with his men, obviously having gotten the news.

“There’s really no profit in it!”

Seeing Long Yu, Lin Ran couldn’t help but laugh.

“Little friend Lin Ran is joking!”

Long Yu’s face was hard to read and he was a little embarrassed himself.

“I’m not joking, now that Qing Du Tian is dead, it seems that you don’t want to give up these hands!”

Lin Ran looked here at Long Yu with icy cold eyes.

“I wonder what little friend Lin Ran wants?”

Long Yu asked with a frown.

Now he was in the most awkward situation, these people were sent out by him secretly, but helping them now would have to offend the Chao Heavenly Pavilion, and not helping them would put his own prestige in the Dragon Family under suppression, which really made it difficult for him to do.

“How? To go against my Chao Heavenly Pavilion, and even more so to help Qing Du Tian betray my Chao Heavenly Pavilion, it’s not too much to ask to kill!”

Lin Ran looked at Long Yu and said blandly.

“You!”

Not only did the hearts of Long Pingtian’s crowd sink at his words.

“It’s not too much!”

Long Yu gritted his teeth then said.

“But little friend Lin Ran also knows that these people are under the bewitchment of Qing Du Tian and have nothing to do with my Long Family, but they are after all people of the Long Family, so I hope that little friend Lin Ran will have mercy and let them go for the sake of the Long Family!”

“Let them go? Old man, you’ve had enough of this shit! I’ll give you a slap on the wrist first and then say this is over, would you like that!”

Next to him, Li Ba was outraged to hear this and cursed outright.

“Little friend Lin Ran!”

Long Yu looked at Lin Ran with a plea in his eyes.

“Do you think that I, Lin Ran, am a good bully?”

Lin Ran looked up at Long Yu with a sharp edge in his eyes.

“No!”

Long Yu was busy explaining.

“Fine! I can let the man go, and I can pretend that nothing has happened... Can you take me to your Dragon Valley to have a look?”

Lin Ran said, with teasing in his eyes.

“Little friend Lin Ran!”

Long Yu’s eyes snapped cold, and even the eyes of the other members of the Dragon Family beside him went icy cold.

“Since you know about the Dragon Valley, you know how important it is to our Dragon Family, so it is better to cultivate and mention such a question!”

Long Yu scolded.

“Is that so! Then you are underestimating the importance of the Chao Heavenly Pavilion to me, a request like releasing people, you also cultivate it!”

Lin Ran said indifferently.

“You!”

Long Yu’s face was ugly, obviously he hadn’t expected Lin Ran to be so disrespectful and dislike him directly back.

“Pavilion Master, what about those people?”

The Grand Elder looked towards Lin Ran, as long as Lin Ran said a word, he could even kill all of these two hundred people.

“Let me think first, there’s no rush!”

Lin Ran laughed, while glancing at Long Ya who was next to him.

Long Ya was stunned, not knowing what Lin Ran meant by looking at himself at this moment, while Long Xu next to him was a human being and instantly understood.

“Little friend Lin Ran, why don’t you do me a favour and since they haven’t done much damage to Chao Tian Pavilion, why don’t we, the Long Family, make an apology and your Chao Tian Pavilion will let them go? After all, there is no need to make such a fuss over a dead man!”

Long Xu stood out while laughing.

“O? I wonder how exactly Senior Long Xu will make amends and apologize!”

Lin Ran immediately asked with a smile, using the slope to get down.

In fact, he didn’t want to kill these people at all, and grudges could never be resolved by killing.

But the situation just now he couldn’t possibly let Long Yu go cheap for nothing, so naturally he wanted Long Xu to answer, so that he could help Long Xu’s position in the Long family, and secondly, he could also reap some benefits himself, so that the Long family could bleed out and also open up their memory.

“It’s very simple, you put a price on these people, our Dragon Family will take the money and at the same time let them make amends to you, how about that!”

Long Xu laughed.

“O? That’s fine!”

Lin Ran laughed, while shouting with a gesture to those men next to him.

“There are almost two hundred men here alone, one million each! That’s two hundred million in total! Is there a problem?”

“No problem!”

Long Xu immediately laughed, while the surrounding Long family members also nodded their heads, two hundred million was really not a huge amount for the Long family.

Moreover, one should know that these nearly two hundred people were all cultivated by the Long Family little by little, two hundred million for them was indeed a good deal.

“What about the two of them?”

Long Xu smiled and pointed at Long Pingtian and Long Pingliang next to him!

“The two of them?”

Lin Ran frowned at his words and thought for a moment before saying.

“Long Pingliang one hundred million! Long Pingtian is not for sale!”

“One hundred million is no problem, but what about this not for sale?”

Long Xiu was stunned, not expecting Lin Ran to come up with a not for sale.

“Very fake single, this Long Pingtian had a grudge against me before, and this time he even led the charge to defect to Qing Du Tian, and I’m not afraid to tell you that I killed his eldest son and scrapped his third son, so I can’t guarantee if he will come against me in the future, so no release!”

Lin Ran said indifferently.

“In that case, let’s talk about it later, then? How about trading these people first?”

Long Xu smiled.

“Fine!”

Lin Ran waved his hand, and instantly the Grand Elder completed the deal with Long Xu, which made Long Yu’s old face turn red as he looked on from the side.

He, Long Yu, was the inner clan chief of the Long Family, but now such a big problem had actually been set right by Long Xu, which was undoubtedly something that made him lose face.

And those who were saved would obviously be grateful to Long Xu, not him, Long Yu.

The deal was done,? Soon Long Pingliang as well as those men were taken away.

The only one left was Long Pingtian, who was standing awkwardly and angrily in place at the moment.

“Lin Ran what the hell do you want!”

Long Pingtian looked at Lin Ran with anger in his eyes.

“Don’t want to do anything!”

Lin Ran blurted back, before looking at the Grand Elder.

“Grand Elder, does our Chao Heavenly Pavilion have a place to hold prisoners?”

“Back to the Pavilion Master there is! And the Ten Manchu Tortures are all there!”

The Grand Elder said.

“Very well! Put this person in for ten years first, and we’ll talk about it then!”

Lin Ran laughed.

“Lin Ran you!”

Long Pingtian was so angry that he almost didn’t pass out, locked up for ten years, he was almost sixty now, it was questionable whether he would still come out alive after ten years in prison.

“Lin Ran stop it! You can’t take him away!”

Suddenly a voice came over.

Lin Ran turned his head to look and instantly laughed.

“I can’t take it away? I’m afraid that with you, Dragon Ridge Heaven, you’re not good enough!”

Chapter 1139

“I said you can’t take him away!”

Dragon Ridge Sky chided once more.

“Idiot!”

Lin Ran didn’t bother to pay him any mind and turned around to leave.

“I said

Dragon Ridge Sky shouted once more, but this time it was Lin Ran who directly interrupted.

“You say you are paralyzed, if you want to make a move come directly, grow a mouth and say I won’t take it away if you don’t let me? What do you think you are!”

“You!”

Long Ridge Heaven’s eyes were icy cold, and his thick killing intent was unconcealed.

“Since you seek death, then I will fulfill you!”

With a sudden flip of his palm, the Dragon Ridge Blade had appeared in his hand.

“Why do you still want the Reverse Dragon Slash? Don’t you have anything new?”

Lin Ran laughed.

Long Ridge Heaven had lost to himself at Qiong Hua Mountain back then, it had only been a few days since he had seen him, and this fellow had forgotten his scars again.

“Reverse Dragon Slash!”

Long Ridge Heaven didn’t say anything either, and raised his hand to slash.

“Roll!”

Lin Ran let out a cry of anger and slapped his palm out in one smooth motion, instantly shattering the huge dragon head with a bang.

This scene froze the other dragon family members around them.

The strength of Long Ridge Heaven was known to many of the inner clan, and there were even rumours that he was the one who would be escorting the next generation of the inner clan leader of the Dragon Family, the one who would become Long Xiaoyu's personal bodyguard in the future.

Yet now, it was Lin Ran who had knocked back the Reverse Dragon Slash with a single slap.

"How is this possible! Your strength!"

Long Ridge Heaven looked at Lin Ran, his eyes filled with disbelief.

It had only been a few days since they had last fought, but Lin Ran's strength had already increased by so much.

Before, he was still able to fight back and forth with Lin Ran, but now? His own move was so easily taken by someone else, how could he still fight.

"Roll!"

Lin Ran kicked out in one smooth motion and landed on Long Ridge Sky at once.

"Bang!"

The latter's entire body directly flew backwards, while a mouthful of blood spurted out after him.

"Ridge Heaven!"

Long Pingtian, who was being escorted at the side, saw this and his eyes instantly turned red.

"Lin Ran stop fighting, stop it! I'll go with you! I'll go with you!"

"Am I the one who wants to fight or does your son have to find me to fight?"

Lin Ran turned his head to look at Long Pingtian, his eyes icy cold.

"Stop it, Ridge Heaven, stop fighting! I'll just go with him!"

Long Pingtian said busily.

Long Ridge Heaven, however, shook his head and said in pain.

"Impossible father, big brother is gone and third brother is now a wreck, if even you I will definitely not agree!"

Long Ridge Heaven's face showed a painful expression, and his hatred for Lin Ran reached an extreme point in his heart.

"What a bitter drama!"

Lin Ran laughed, but didn't bother to pay any attention to their father and son.

Lin Ran knew clearly that if he hadn't been strong enough, if he hadn't had the help of the Chao Heavenly Pavilion, I'm afraid that he would be the one kneeling on the ground right now, putting on a bitter drama.

This world is so cruel that success and defeat is never just a matter of words.

There are times when only those who are strong deserve to have a future, while the weak can only be a stepping stone for others.

"Go!"

With a wave of his hand, Lin Ran was ready to lead the crowd away.

But just then, the Dragon Ridge Sky in the back shouted out aloud.

"Master help me! I'll just follow you to the Dragon Valley!"

As the words fell, an old man soon walked out from the crowd.

His hair was white and his age must probably be in his eighties, but his entire energy was very good, and he could not look old.

"He is?"

When the surrounding Long family members saw this old man, their eyes instantly changed one by one.

"He's Long Yuan! My goodness it's really Long Yuan!"

"Now the Long Family is saved, it's actually Senior Long Yuan!"

"Yes! This time Lin Ran will definitely have to admit his weakness!"

"That's not so bad, senior Long Yuan is said to be Long Yu's master, I didn't expect that he'd actually taken in Long Ridge Heaven too!"

"No wonder Long Ridge Sky is so strong!"

The crowd chattered.

And Lin Ran also heard that he almost understood something.

This old man in front of him, Long Yuan, was a hidden expert, I'm afraid, even Long Yu was taught by him, and now Long Ji Tian was his disciple.

"Lin Ran?"

Long Yuan stopped not far in front of Lin Ran and looked up at him.

"Something wrong, senior?"

Lin Ran's face was bland, not the least bit anxious.

"Give old me face and let him go!"

Long Yuan spoke, an ancient well in his eyes.

“On what grounds?”

Lin Ran looked at Long Yuan, his eyes micron.

“For the sake of the Nine Spectral Maidens, count me as begging you!”

Long Yuan spoke.

As soon as those words left his mouth, everyone froze.

The master of the Dragon Family, Long Yuan actually begged Lin Ran, this was too

“Master you!”

Long Ridge Sky’s face changed as he looked, he knew better than anyone how arrogant his own master usually was.

But now his own master, actually went to beg Lin Ran.

“Shut up!”

Long Yuan glared at Long Ridge Heaven and the others before he continued to turn his head to look at Lin Ran.

“What is your relationship with the Nine Spectral Maiden?”

Lin Ran also frowned slightly at this point.

“If it weren’t for the change of heart, I would most likely be the Ninth Elder of the Chao Heavenly Pavilion!”

Long Yuan laughed bitterly, his thoughts also seeming to go back in time.

“Ninth Elder?”

Lin Ran’s face changed at his words, while the surrounding Long Yu and the rest of the Long family, all of whom were listening, had their faces changed.

If Long Yuan became the Ninth Elder, then their Long Family and the Chao Heavenly Pavilion would be tied together completely, and that would definitely be of numerous benefits to their Long Family.

Unfortunately, Long Yuan had also said that if the change hadn’t come about.

“I can release the person!”

Lin Ran suddenly spoke.

“But I have three conditions!”

“You say!”

Long Yuan was very bashful, at his age, he had already seen many things lightly.

“First! Make Long Pingtian’s family swear a poisonous oath not to have second thoughts against me again, not even my friends’ families!”

“No problem!”

Long Yuan nodded his head.

“Second, have Long Pingtian apologise to me in public!”

“Why is that?”

Long Yuan was stunned, an apology? He was a little confused.

“This matter has come to this result today because of his eldest son, if he hadn’t kidnapped my friends in the first place, I wouldn’t have to fight them to the death now!”

“We are all cultivators, your Dragon family is a big family, but you don’t even know how to bring disaster to your family? And kidnapping my friend! Was I wrong to kill his eldest son?”

“Don’t forget, we’re all cultivators,? Fists speak hard, you kidnapped my friend, then don’t blame me for killing your son, so this apology has to be made!”

Lin Ran’s face was icy cold, there was no room for any reprieve.

Long Yuan looked to Long Pingtian at the side.

At this moment, the latter had been completely deflated, indeed the cause of the matter was indeed because of his eldest son.

He had already lost too much as things had evolved to this point, and he did not want to fight on, at least there was still a Long Ridge Heaven now, if because of his own selfishness, he let something happen to his second son in the future, how would he face his two sons then, he had not brought Long Ridge Heaven with him this time when he defected to Qing Du Tian for the same reason.

“I apologise!”

Long Pingtian lowered his head.

“What about the third one?”

Long Yuan looked at Lin Ran.

“The third is that you will tell me the details of what happened between you and the Nine Spectral Maidens, including from how you met them to why you said you almost became the ninth elder later! There can’t be the slightest hint of concealment!”

Lin Ran said seriously.

“Yes!”

Long Yuan nodded his head in agreement.

Chapter 1140

Third floor of the hotel, inside the private box!

“Senior Long Yuan, let’s begin!”

Lin Ran looked at Long Yuan in front of him, with anticipation in his eyes.

“Mm!”

Long Yuan nodded and swirled around, then opened his mouth.

“Things go back a long time ago!”

At that time, Long Yuan was still a milquetoast brat, and at that time, the Long Family was in absolute seclusion, with the entire family living in seclusion in the Dragon Valley.

But although it was a seclusion, it was still common for youngsters to sneak out at times.

And at that time, Long Yuan was a young man who often ran away to play.

He had heard his parents say that at that time, the Long family had just entered a state of seclusion for a few years, and soon a great war broke out outside.

But at that time, Long Yuan did not know anything and still ran out to play often.

Once, he mistakenly entered a formation, and the scene inside the formation gave him chills that are still fresh in his memory.

It was a dark, dark hell, with countless corpses and bones piled up into mountains, iron armour and weapons, and spell formations and disks all piled up on the ground, and no one bothered to care!

And within the entire formation, a sanguine aura chilled him to the bone.

At that time, he didn't even know what cultivation was, and he himself just wanted to have some fun in the back of the mountain,? But it was by mistake that he had entered such a place.

When Lin Ran heard this, he couldn't help but think of the Martial Ugly of Qiong Hua Mountain.

Back when they were on their way to the back mountain to hunt Fire Dragon Shi, Wu Jiao had talked about the existence of such a place.

It was just that they had been luckier and hadn't stumbled upon it back and forth.

Even Lin Ran had suspected that the broken piece of armour he had bought at the Underground Exchange was likely to have come from within that mysterious formation.

After all, that kind of armour was simply invisible on a normal day.

“What happened afterwards?”

Lin Ran asked.

“Afterwards, I wandered aimlessly looking for an exit, trying to get home!”

Long Yuan said, with memories in his eyes.

At that time, he didn't know anything and only thought that he could hurry up and get out so he could go home, after all, this place was too scary.

But after walking for two hours, he realised that he was simply spinning in place and could not get out at all.

Finally, just as he was about to despair, a figure appeared.

It was a woman dressed all in black robes.

Long Yuan clearly remembered that the woman's black robe showed this many phoenixes, also known as the Nine Heavenly Mystic Birds.

"She calls herself the Nine Mysterious Maiden!"

Long Yuan said.

"And then what?"

Lin Ran had anticipation in his eyes.

"She saved me and sent me promising to send me home, but at the time she seemed to be on a mission, so I stayed with her within that formation for three months!"

Long Yuan said with excitement in his eyes.

"Those three months were the only three months I had contact with her, she told me a lot about medicine and even said that in the future if I liked it, she could take me as her disciple, and that I would be his ninth disciple then!"

"Ninth disciple?"

Lin Ran was stunned, if that was true, then wouldn't Long Yuan be the Ninth Elder of the Chao Heavenly Pavilion.

"And then what?"

Lin Ran continued to ask.

"Then she left, and before she left, she said that when she came back she would look for me at the Dragon Family!"

Long Yuan's eyes reddened as he spoke.

"Unfortunately, after all these years, I never saw her again!"

"She's already gone!"

Lin Ran said indifferently.

"Gone?"

Long Yuan's entire body was stunned.

"That's right, gone at the Ten Thousand Treasures Spell Formation!"

Lin Ran said, while raising his palm to reveal the bracelet on his wrist.

“This”

When he saw the bracelet, Long Yuan’s entire body shook, and he knelt down with a “thud”.

“Master!”

Long Yuan shouted in pain.

Lin Ran also understood Long Yuan’s feelings at this time, took the bracelet off and? He put it on the table and went to the side alone to light a cigarette.

The Nine Specters woman was his senior sister, and although she had left so many years ago, many of the things she left behind? yet still existed.

Whether it was the Chao Heavenly Pavilion, or so many elders, there were still people who held on to her.

I really don’t know what kind of person Senior Sister really was, and who was the one who was able to defeat her back then!

Lin Ran thought in his mind that if the murderer who killed his senior sister was still alive, if he met him in the future, he would definitely avenge his sister’s death.

“Little friend Lin Ran!”

A moment later, Long Yuan gathered his emotions and returned the bracelet to Lin Ran.

“Did she say anything else to you?”

Lin Ran asked.

Everything about the Nine Ghostly Maidens was something he wanted to know.

“What else did she say?”

Long Yuan fell into deep thought, and after a moment, he suddenly remembered something and busily said.

“I remember that Master seemed to have received some news before she left that made her very happy, she said that her Master had returned and she was going to follow him on his quest!”

“Her master!”

Lin Ran was stunned at his words,? The entire person instantly froze in place.

The Jiu You Maiden’s master, wasn’t that his own ancestor, the Nine Heavenly Mystic Maiden.

“The ancestor had come back?”

Lin Ran’s head instantly exploded.

This news was definitely too shocking, but then his entire body froze in place.

Yes, why hadn’t he thought of it before.

Wasn't the Pillow Book something of the Immortal Emperor's.

The Pillow Book had said that the Immortal Emperor was nowhere to be found during the great battle back then and had most likely fallen, and for him to appear on Earth, it was obvious that someone had brought him back.

And this person was inevitably the Nine Heavenly Mystic Maiden.

"This pig brain of mine!"

Lin Ran only felt stupid for a moment, since the pillow book had appeared on Earth, it meant that his ancestor must have returned back then.

"I know, you can go now!"

Lin Ran waved his hand at Long Yuan, and then whirled his entire thoughts into his mind.

"Master Shu, did the ancestor come back back then! Where are her people now?"

Lin Ran asked busily.

"Why are you asking this question all of a sudden?"

The Pillow Book was stunned, not expecting Lin Ran to suddenly ask this now.

"I just reacted too, since you appeared on Earth, then the ancestor must have come back."

Lin Ran said excitedly.

"Right, your ancestor didn't come back, where did you get your heritage, stupid!"

The pillow said without good humour.

"Then tell me, where is the ancestor now?"

Lin Ran asked busily.

"How should I know!"

The Pillow Book said helplessly.

"Back then, I had just returned from following the Nine Heavenly Mystic Maiden when I was severely injured and fell into a deep sleep, and I'm not sure about what happened afterwards, but the fact that you were able to obtain the inheritance means that the Nine Heavenly Mystic Maiden spent some time on Earth, and as for where she went afterwards, I don't know!"

"But one thing can be confirmed!"

This side of the book suddenly said.

"What?"

Lin Ran's eyes were filled with anticipation.

“That is that the Nine Heavenly Mystic Maiden is definitely not far from Earth, back then the great war came too suddenly, she simply did not have time to leave her legacy, so the legacy must have been left before she died, if it was too far from Earth, it would be impossible for you to inherit it!”

“You mean that the ancestor is most likely on Earth, or somewhere close to Earth?”

Lin Ran’s entire body was instantly stunned.

“There is that possibility!”

The pillow said, and then after thinking about it again, the pillow said.

“Don’t be too happy too early, things have two sides, the Nine Heavenly Mysteries have returned and a great war has broken out, that means the enemy has also returned, if I can survive, there’s no guarantee that an enemy will also survive, so the more truth you want to know, the greater the risk you need to take then.”

“I know!”

Lin Ran nodded, he understood this truth.
