

Wonder Doctor

Chapter 1141

That night, Lin Ran took his people back to Temperance City.

In Temperance City, inside the Cloud Top Villa on Panglong Mountain, Lin Ran was sitting on the sofa, while in front of him, two people were standing respectfully.

“Two elders, tell us, are you prepared to break away from the Chao Heavenly Pavilion as well or what do you want?”

Looking at the Third Elder and Fourth Elder in front of him, Lin Ran’s face was bland.

“Pavilion Master! You’re joking!”

The Third Elder’s face was tense and he was busy laughing along.

“Yes, Your Highness! The Second Elder was to blame, it has nothing to do with us!”

The Fourth Elder also said.

“Is it really just a matter of taking the blame?”

Lin Ran looked at the two and asked with a smile.

“Really ..... It really is!”

Sweat broke out on the faces of the Third Elder and Fourth Elder.

Although they hadn’t come to yesterday’s banquet, they naturally had their own ways of getting news.

The Second Elder’s deadly state had sent chills down their spines.

However, Lin Ran was not stupid, these three were after all blood brothers, and there were still these endless years of emotions, so it was a little unlikely that Lin Ran would be completely at ease with the two of them.

“Since that’s the case, then you can all go and face the wall within the clan, and come out and walk around after ten years!”

Lin Ran said indifferently.

“Pavilion Master, you’re joking, ten years ....”

The third elder instantly panicked.

“Yes, Pavilion Master, isn’t ten years too long?”

The fourth elder was also anxious.

They had all lived for endless years, the kind of loneliness without communication no one else understood better than them, asking them to go face the wall for ten years would simply be torture for the spirit.

“What? Too long? Then twenty years!”

Lin Ran said indifferently.

“No, no, no! Ten years on ten years!”

The Third Elder was busy nodding his head.

“Yes, Pavilion Master, ten years then!”

The fourth elder also wimped out.

“Face the wall well, I hope you don’t have second thoughts!”

Lin Ran smiled indifferently, and then he let the two leave.

“Pavilion Master! Are you really going to let them go just like that?”

The Grand Elder walked over from the side, with worry in his eyes.

“Let them face the wall first, after all, they haven’t explicitly stated that they want to rebel, if we kill them because of the Second Elder’s problems, I’m afraid we’ll break the hearts of the others!”

Lin Ran said.

“Right, send some people to investigate information about the Imperial Capital Yue family, check out a person called Yue Qunshan, tomorrow I’m going to take a trip to the Imperial Capital!”

Lin Ran said.

“Good! Ten minutes!”

The Grand Elder immediately went to make arrangements.

“Yue Qunshan, it’s time to settle your score!”

There was a chill in Lin Ran’s eyes.

At the beginning, Yue Qunshan had attacked him, causing Ling Sa to almost die, and Long Ya had almost been eaten by the Fire Dragon Shi.

This time, he had a month to return, and although he had been delayed for almost ten days, he still had twenty days to go, so it was time to settle this debt with Yue Qunshan.

Ten minutes quickly passed, and the Grand Elder brought back news.

“Pavilion Master, we’ve found out that this Yue Qunshan has taken over one of the Yue Family’s properties!”

“Taken over the Yue family’s estate?”

Lin Ran was stunned at his words, it looked like this Yue Qunshan wasn’t even going to go back to Qiong Hua Mountain.

But it was right to think about it.

He had broken the rules of Qionghua Mountain, and I was afraid that he wouldn't be able to return, if he wasn't prepared to deal with him this time, I was afraid that Qionghua Mountain would have sent someone to clean him up as well.

But Lin Ran didn't want to wait for Qiong Hua Mountain to take action, it was better for him to settle his own affairs to make him feel more at ease.

"Make the arrangements, we'll leave for Qiong Hua Mountain first thing tomorrow morning!"

Lin Ran said.

"Yes, Pavilion Master!"

The Grand Elder immediately went down to make the arrangements.

"Yue Qunshan, wait for me! We'll meet soon!"

Lin Ran laughed.

"Ding Ding Ding!"

As he spoke, Lin Ran's mobile phone was the one that rang.

"Something wrong?"

Picking up the phone and finding that it was Long Ya calling, Lin Ran couldn't help but ask.

"Why can't I call you if there's nothing wrong!"

Long Ya said without good humour.

"No!"

Lin Ran laughed helplessly.

"Why did you leave in the middle of the night! You didn't even say hello in advance!"

Long Ya complained.

"I just had something to do!"

Lin Ran said awkwardly.

Saying hello? Are you kidding? He was going back to Tanjiang City, so if this girl followed him over and he ran into Song Nuan and the others, would he still be alive?

"Something? What's up?"

Long Ya asked.

"Eh, it's not much, what exactly is it that you're calling over for?"

Lin Ran asked rhetorically.

"It's my father, he said that you sold him out this time and asked me to prepare some gifts for you, since you've gone back, I'll go to Temperance City tomorrow to look for you!"

Long Ya said.

"Ah? No need for that!"

Lin Ran was instantly flustered.

You're coming to Tamkang City? Wouldn't that be the end of himself.

"What no need, you're not afraid that I'll bump into those four beauties of yours!"

Long Ya said.

"How could that be!"

Lin Ran screamed in his heart.

"Then why don't you let me go!"

Long Ya questioned.

"That ..... Because I'm not going to Temperance City tomorrow!"

Lin Ran said busily.

"Then where are you going?"

Long Ya asked afterwards.

"I'm going to the Imperial Capital! You still remember that Yue Qunshan, right? I'm going to settle the score with him!"

Lin Ran had no choice but to bring up Yue Qunshan.

"Then you didn't tell me earlier, I'll also divert to the imperial capital, this guy caused us so much misery in the first place, I must take revenge!"

Long Ya said angrily.

"Alright then, I'll see you in the Imperial Capital!"

Lin Ran was relieved, going to the imperial capital was better than coming over to Tanjiang City, if Song Nuan and the girls knew about it, I was afraid I would have to take another beating.

When he hung up the phone, it was already late at night, so Lin Ran climbed into bed to rest.

Meanwhile, on the highway in Tanjiang City, the third and fourth elders were driving with ugly faces.

"Third Brother, is this just going to go away?"

The Fourth Elder was furious.

"Or what? It's not like you don't know how Second Brother died, how can this be avenged?"

The Third Elder said helplessly.

“This Chao Heavenly Pavilion’s bindings are too ruthless, originally Second Brother thought that once he broke that compulsion he would be fine, but who knew .....”

The fourth elder couldn’t say any more.

“No matter what, this revenge our remember, the second brother brought us not thin, this revenge we must take!”

The third elder’s face was ugly.

“Right!”

The fourth elder also nodded his head.

“But for now, let’s hold back for now, when we turn around and get a clear picture of Lin Ran’s movements, we’ll think of something then!”

The Third Elder said.

“Mm! Don’t worry Third Brother, I’ve already arranged for people to ask around within the Chao Heavenly Pavilion, we’ll be able to know all of Lin Ran’s movements next!”

The fourth elder said smugly.

“That’s good, didn’t you suspect him of going to Qiong Hua Mountain before, if we follow this lead, he’s bound to join the battlefield, as long as we’re sure he’s going to join the battle, then we’ll have a chance!”

The Third Elder’s eyes narrowed slightly.

“Saying that, but when the time comes, if we are really prepared to do that, it is likely that we will .....”

There was fear in the Fourth Elder’s eyes.

“You don’t need to worry about this matter, if it really comes to that, I’ll just step in! When the time comes, you can just pretend that you don’t know anything!”

The third elder said.

“How can that be!”

The Fourth Elder said busily.

However, the Third Elder waved his hand and said.

“Fourth brother, don’t earn it with me,? We three brothers, big brother is already gone, if even you are gone, who will take care of our estate, this is settled, if there is really an opportunity in the future, I will just step in!”

The third elder could not argue, said.

Chapter 1142

Early the next morning, at the Temperance City railway station, Lin Ran said goodbye to the four women and set off on the train to the Imperial Capital.

According to his instructions, the people from the Chao Heavenly Pavilion had already rushed to the imperial capital first under the leadership of the Grand Elder.

The Yue family that he was going to deal with this time was of average strength, so the Grand Elder didn't bring that many people with him.

As for why Lin Ran had to take the train alone, it was actually quite simple.

This time, it was all about surprise, if he went over with a lot of fanfare and Yue Qunshan got the news and ran away, it would be more than worth it. This time he was to completely solve the trouble that was Yue Qunshan.

The ordinary and even slightly tattered clothes made Lin Ran unobtrusive in the crowd.

Once on the train, Lin Ran quickly found his seat.

It was a row of three, the middle seat, and inside herself was a girl, not also old, who seemed to be a student.

But at this point, during the summer holidays, I wonder if she was on a trip or what she was doing.

And on the left, there was a middle-aged man who took out a newspaper and read it as soon as he got in.

Lin Ran didn't think much of it, and covered his face with his hat and rested.

The car drove in a steady stream and soon half an hour had passed.

The train ride from Tanjiang City was basically just an hour to reach the imperial capital.

But just as Lin Ran was drifting off to sleep, he suddenly felt someone patting himself next to him.

Lin Ran opened his eyes and realised that it was the female student next to him who was tapping his shoulder.

"Something wrong?"

Lin Ran asked.

The female student covered her face, or inaccurately, her nose, and pointed ahead.

Lin Ran turned his head to look and was startled as well.

Only to see that in between them and the passenger opposite, on the already small table, there were actually two huge smelly feet standing up.

It was a good thing that Lin Ran now had breath running through his body, otherwise he would have been awakened by the stench.

The owner of the stinky feet was big and thick, and there was a yellow-haired young man next to him who was obviously with him. The female student should have been too scared to say anything, which is why she shouted to wake Lin Ran.

“Hey! Brother!”

Lin Ran didn't say anything and shouted at the other party.

But the other party was dead asleep and snoring from time to time, so he didn't hear him.

Lin Ran shook his head helplessly, followed by a kick on the other party's foot, directly kicking him down from the table.

“Hey, hey! What's up? What the hell! What's going on!”

The dead fatty woke up from his dream, startled, and seeing that Lin Ran's foot had just retracted, he instantly understood what was going on.

“You're fucking looking for death, aren't you? I'm sleeping and can't see!”

“If you're sleeping, what do you want to do with your feet on the table? And you're not even wearing shoes, don't other people need to rest?”

Lin Ran looked at the other party with a bland voice.

The dead fatty sniffed and looked at the table, and then at the female student sitting across the table again, and instantly understood that it must have been this girl who shouted at Lin Ran.

“Kid! You're looking for a fucking fight, aren't you!”

The fat man stood up immediately, while the yellow-haired young man next to him also woke up and followed suit when he saw this.

“What's wrong, Fatty? Why are you so angry?”

Yellow Hair asked.

“This kid is looking for a fight, what do you think?”

Fatty sneered, not taking Lin Ran into account at all.

“Looking for a fight? Holy shit Fatty there's still people who dare to mess with you?”

Yellow Hair instantly laughed, while patting the dead fatty's stomach and laughing.

“Don't worry, Fat Brother I'll take care of it!”

Said the yellow-haired youth, looking towards Lin Ran.

“Kid, you're the one who messed with my fat brother aren't you!”

“Hm?”

Lin Ran looked up at the yellow haired youth with a bland face.

“Now you have two ways to go, first make amends to our fat brother and take out a thousand dollars to settle the matter, or second wait for my fat brother to beat you up until you don’t even know your own mother!”

The yellow-haired young man barked.

“What if I don’t choose either?”

Lin Ran couldn’t help but laugh at his words.

“No choice?”

The yellow-haired youth was instantly even happier.

“Kid! You’d better take my advice and pay for it, do you know what our Fat Brother is nicknamed?”

“What?”

Lin Ran laughed.

“Ruthless Iron Hand understand?”

Yellow Hair said smugly.

The dead fatty on the side was even very cooperative, he actually extended his wrist and raised it at Lin Ran.

“See! It’s this hand that killed a cow with one punch back in the day! You think you’re stronger than a cow?”

Yellow Hair sneered.

“Or else we .....

The female student next to him was a little scared at the sight and wanted to speak up to persuade.

However, they were stopped by Lin Ran waving his hand.

“Do you know what my nickname is?”

Lin Ran smiled at the yellow-haired young man.

“What?”

The yellow haired froze and looked at Lin Ran.

“My nickname is called, Cure all kinds of disobedience!”

Lin Ran was frightened.

“Holy shit!”

The yellow-haired youth was instantly fired up at his words.

“I think you just don’t see the fucking coffin, since you have to seek death, then I can’t help you, wait until you turn into a pig’s head!”

“Seeking death!”

The fat man on the other side saw that there was no agreement, and immediately raised his hand to fight.

“Is that what you mean by a pig’s head?”

Lin Ran saw this and also took advantage of the situation, followed by a black shadow flashing “bang”

With a bang, the dead fatty’s nose was already swollen and two streams of blood emerged.

“Huh! It doesn’t seem to be enough!”

Lin Ran looked at his masterpiece a little unsatisfied and raised his hand to throw another punch.

“Bang!”

“Seems like it’s still close!”

Still unsatisfied, Lin Ran raised his hand and threw another punch.

“Bang!”

Three punches went down, and only then did Lin Ran nod in satisfaction.

“That’s more like a pig’s head!”

“You!”

The dead fatty was completely dumbfounded at this point, his entire face hurting so much that he could neither touch nor not touch it.

“You you!”

The yellow-haired young man at the side was even more shocked and angry, he was actually a bit speechless for a while.

“Are you still satisfied with this pig head?”

Lin Ran looked at the dead fatty and sneered.

“You! .... Me!”

The dead fatty was so scared that he couldn’t speak properly.

Seeing this, Lin Ran didn’t bother to pay any attention to him and did so straight away, while saying blandly.

“Don’t be delaying my sleep or I don’t mind turning you into a pig completely!”

After saying that, Lin Ran continued to sleep with his eyes closed.

“I ..... I’ll fucking! I’ll kill you!”

The dead fatty reacted and looked around at the mocking voices on the faces of the other travellers, only to feel his cheeks burning hot.

He had been out all year, where had he ever suffered such an insult, and was about to explode at once.

“You better not make a move, I’m very uncomfortable with trouble!”

Lin Ran spoke.

“You! Do you really think I’m fucking afraid of you!”

The dead fatty said as he raised his fist and struck at Lin Ran.

“Hey! I’ve said it all, why don’t you listen!”

Lin Ran had no choice but to get up again, and this time his speed was so fast that it staggered the people around him.

This time he was so fast that the people around him were astonished.

After a few loud noises, the fat man was sitting in his own place, and there was a belt tied around him, his own.

And at this moment in his mouth was actually a large ball of something stuffed in his mouth.

The crowd took a closer look before they realised that it was actually two socks!

“Holy shit! I want to vomit!”

“I want to too!”

The travellers next to him couldn’t help but want to vomit as they watched, while the female student next to Lin Ran had even covered her face as her stomach churned.

No one knew better than her how smelly that dead fatty’s feet were, otherwise she wouldn’t have been able to resist asking Lin Ran for help.

“Don’t move, or you’ll be just like him!”

Lin Ran looked up at the yellow-haired young man next to him, his voice bland.

But it was so frightened that he sat in his seat and didn’t dare to move, knowing full well that his feet stank too!

Chapter 1143

Half an hour passed quickly and finally the car arrived at the station.

And on this journey, those two finally didn’t dare to let out another breath, allowing Lin Ran to have a good rest all the way.

“Little brother, the train has arrived at the station!”

Only after arriving at the station did the female student next to him muster up the courage to shout Lin Ran awake.

“Arriving at the station?”

Lin Ran opened his eyes and took a look, and as expected, it was really the station.

“Thank you!”

Lin Ran thanked.

“No guest .... Ow!”

The girl said almost throwing up again.

“You’re not pregnant are you!”

Lin Ran said looking at the girl suspiciously.

“No!”

The girl’s pretty face instantly turned red.

“It was those two guys just now, you stuffed your socks into his mouth, I’m still a bit sick to my stomach just thinking about it!”

The girl’s pretty face reddened slightly.

“Eh! That I’ll get off first!”

Lin Ran laughed and got up and left.

“Can you help me take my luggage down?”

The girl said, somewhat embarrassed.

“No problem!”

Lin Ran smiled, he was naturally happy to do this kind of hand-holding.

“I’m Lin Qiu, what’s your name?”

Getting acquainted with Lin Ran, the girl also said her name.

“What a coincidence, my name is Lin Ran!”

“Really?”

Lin Qiu obviously didn’t expect to have the same surname as Lin Ran either.

“Of course!”

Lin Ran laughed.

“You’re a student, aren’t you, how did you think of coming to the imperial capital for the summer?”

Lin Ran asked with a smile.

Both of them got off the train at the same time.

“My brother asked me to come, my family is not well off, he helped me find a job for me to work part time during the summer!”

Lin Qiu laughed.

“Pretty good!”

Lin Ran smiled, when he heard about the part-time job, he remembered that he used to work part-time when he was in college too.

Even when he had obtained the Xuan Yang Pill Dictionary, wasn't it also when he was working part-time at a car wash and then ran into Zhao Yu to break up.

Thinking about the past, Lin Ran couldn't help but have some mixed feelings in his heart.

“Do a good job, life will definitely be great in the future!”

Lin Ran encouraged.

“Thank you!”

Lin Qiu smiled.

The two of them had reached the exit of the train station as they spoke.

According to the previous instructions, the Grand Elder should have arranged everything by now, but Lin Ran was in no hurry, he was going to go and see Liu Chen and the others first, after all, he hadn't shown up for so long and he didn't know how Liu Chen and the others were getting on.

“Brother Lin Ran, my brother is here!”

Outside the train station, Lin Qiu pointed at a youth walking not far away and laughed.

Lin Ran looked and found that the youth was dressed very plainly, and had a slight resemblance to himself, while his face was with an excited smile, and looking at his age, he was about the same age as Lin Qiu.

“Is this really your brother?”

Lin Ran couldn't help but ask with a smile, the two were more like lovers for their age.

“It really is, but it's also my boyfriend!”

Lin Qiu bowed her head and said.

“That's quite nice! I can tell he likes you a lot!”

Lin Ran laughed.

“Thanks!”

Lin Qiu's pretty face flushed.

"Lin Qiu! You're finally here! Huh he is?"

As he spoke, the youth had arrived in front of the two, and he was puzzled to see Lin Ran.

"His name is Lin Ran, he's an enthusiastic big brother, he helped me in the car just now!"

Said Lin Qiu and told the story.

"Thank you brother Lin Ran, my name is Lin Hong! It's Lin Qiu's hometown, and also his boyfriend!"

Lin Hong said.

"Mm!"

Lin Ran nodded and prepared to leave.

"I'll go first then!"

Lin Ran said and turned around to leave.

But at this moment, a piercing voice suddenly came from the side.

"Lin Hong, you came over in such a hurry, just for this woman?"

Lin Ran turned his head to look and found that the person speaking was a stylishly dressed and very nicely groomed woman, who was also about the same age as Lin Hong, but there was a disdain between her eyebrows that was very uncomfortable.

But this was, after all, none of one's business, so Lin Ran didn't say anything more and just stood by and watched quietly.

"Yue Shanshan, what are you doing here? What does it matter to you who I pick up?"

Lin Hong looked at the other party with an ugly face.

"And! Lin Hong, you think I want to follow you, if it wasn't for the fact that you are quite handsome, you think I'd look at you!"

Yue Shanshan sneered.

Yue Shanshan's family was rich and she was very open, so she had had a thousand or 800 boyfriends, but recently, she didn't know what kind of medicine she had taken, she actually fell in love with this Lin Hong.

However, Lin Hong does look handsome.

It was only the dressing that was a bit worse,? Lin Ran believed that as long as he dressed up properly, Lin Hong would definitely not lose out to those rich young handsome boys.

"Yue Shanshan, your family is rich, I don't deserve you, and I like Lin Qiu a lot, can you stop bothering me?"

Lin Hong looked at Yue Shanshan.

“You’re rejecting me? Lin Hong you’ve got a lot of nerve!”

Yue Shanshan’s face suddenly turned gloomy.

She, Yue Shanshan, had no status in the imperial capital, especially in the university, there was no boy that she, Yue Shanshan, couldn’t chase after, but now, she had lowered herself to chase after you, a poor bastard.

You actually rejected yourself, this simply made Yue Shanshan a little crazy.

“Lin Hong do you know what you are rejecting? I can easily let you own a house in the imperial capital, let you settle in the imperial capital and live a life free of clothes and food! How dare you refuse me?”

“Sorry, I don’t want to settle in the imperial capital, I just want to return to the village with Lin Qiu once I graduate, even if it means living in a nearby town, I’ll be happy to do so!”

Lin Hong said solemnly.

On the other hand, Lin Qiu at the side never said anything, at this moment she was really worried that Lin Hong would not want her.

“Good!”

Lin Ran on the side was stirred in his heart as he listened, unable to stop himself from clapping his hands and shouting.

This example in front of him was so much like his own back then, if Zhao Yu could have chosen not to abandon himself like Lin Hong did now, perhaps life must be very good for Zhao Yu now in Tanjiang City.

But it was all over.

“You will definitely have a great life!”

Lin Ran counted his thumbs at Lin Hong.

“Where the fuck did that poor cunt come from, it’s your turn to interrupt when the old lady is talking!”

Yue Shanshan saw this and was instantly fired up.

“Girl, you’re rich, but being rich doesn’t mean everything, and it’s impossible for you to find true love in your life like that!”

Lin Ran laughed lightly.

“What are you talking about? You’re a fucking poor bastard and you’re qualified to talk about me?”

Yue Shanshan’s face was icy cold as she turned her head to look at Lin Hong.

“Lin Hong I’m telling you, if you don’t come with me today, I have ways to make it impossible for you to stay in Di Du, don’t think I don’t know what part-time job you found for her, isn’t it just working as a waitress at the Di Ho Hotel next to the school!”

“I’m telling you, the Empire Hotel also has my Yue family’s shares, believe it or not, I’ll tell her to get lost!”

“Yue Shanshan, don’t bully people too much!”

Lin Hong’s face turned red, this job was still the one he had managed to secure by knowing the head of the personnel department on the side before! But now.

“Bullying too much, I am bullying you, what’s the matter? Come with me or not!”

Yue Shanshan’s face was ugly as she questioned.

“No way! I won’t go with you even if we starve to death in the streets!”

Lin Hong clutched Lin Qiu’s hand, with determination in his eyes.

“Fine! You wait for me!”

Yue Shanshan’s face was ugly as she turned around and went to make a phone call.

“Brother Lin Hong, I’m sorry!”

Lin Qiu looked at Lin Hong, with guilt in her eyes.

“What are you talking about, I’m happy with whatever you’re doing!”

Lin Hong’s eyes were full of doting.

This scene made Lin Ran feel a lot of emotions in his heart and decided to help them.

Lin Ran slowly walked towards the two, with a smile on his face.

Chapter 1144

“Okay, you guys go ahead, don’t worry about the job! I’ll take care of it for you guys!”

“You?”

Lin Hong looked at Lin Ran with some confusion.

“Brother Lin Ran you?”

Lin Qiu also looked at Lin Ran, with doubt in her eyes.

In her impression, Lin Ran didn’t seem to have much money either.

“Don’t worry, don’t you know what I’m capable of?”

Lin Ran looked at Lin Qiu and smiled.

Lin Qiu was stunned and remembered that Lin Ran’s hands in the car were extraordinary, then it dawned on her and she laughed.

“Then thank you brother Lin Ran!”

“Alright let’s go!”

Lin Ran laughed and sent the two away.

The Imperial Hotel, if one remembered correctly, it seemed that Liu Chen and the others had already bought it, right? Moreover, they had invited themselves over for a drink in the first place, but they didn't come if they weren't free!

"Looks like I'll have to give the boss a call!"

Lin Ran smiled, and immediately took out his mobile phone and prepared to call Liu Chen.

But at that moment, Yue Shanshan, who had finished making a phone call aside, came running back, and became anxious when she couldn't see Lin Hong and the two of them.

"Poor bastards! Where is everyone of them?"

"Are you talking to me?"

Lin Ran frowned slightly as the matter was connected to the phone.

"Holy shit! Ranzi, who is it! How dare you call you a poor cunt, you don't have eyes!"

"A crazy woman!"

Lin Ran said indifferently.

"Who are you calling a crazy woman, I'm asking you where they are!"

Yue Shanshan shouted angrily.

"Gone!"

Lin Ran said indifferently.

"Gone? Where did they go?"

Yue Shanshan's face was ugly.

"What's it to do with you!"

Lin Ran remained bashful.

"You! You want to die, don't you!"

Yue Shanshan's face was ugly.

"Then you try!"

Lin Ran remained bland.

"Fine! Good you have the fucking guts to stand still, I'll play you to death today!"

Yue Shanshan said angrily.

"Fine, I'll wait for you!"

Lin Ran said indifferently, and then turned his head away from Yue Shanshan.

"Where are you, Ranzi?"

Liu Chen on the other end of the phone was busy asking.

“Di Du Railway Station, come and pick me up!”

Lin Ran laughed.

“Ten minutes! Wait for me! Shit!”

Liu Chen said and had hung up the phone.

Apparently he had heard Yue Shanshan’s provocation, and as for how to arrange it, Lin Ran didn’t say much, so Liu Chen naturally understood.

.....

Time passed by minute by minute, Lin Ran just stood in place and didn’t go anywhere.

As expected, a number of red Bentleys soon stopped near the station, immediately attracting the attention of many travelers.

And at the same time, a red Porsche also drove over from the side, and Yue Shanshan was walking down from the car, pointing at Lin Ran who was not far away.

At once, seven or eight men in black stepped down from the Bentley and came straight towards Lin Ran in an aggressive manner.

“Interesting!”

Lin Ran couldn’t help but smile even as he looked at the scene.

“Yue Shanshan? Of the Yue family? Still so arrogant in the imperial capital, it seems like he’s come to the right place this time!”

As the thought was going through his mind, Yue Shanshan had already arrived in front of him with his men.

“That’s him! Waste him for me!”

Yue Shanshan’s face was ice-cold as she chided.

“Sister Shanshan, just a poor loser like that! I should have known I’d come over myself, I thought which family’s grandson had messed with you!”

The young man following Yue Shanshan laughed disdainfully.

“Come on, don’t talk nonsense, let’s beat him up first!”

Yue Shanshan said impatiently.

Who cares who he is, if he dares to offend me, he has to take out this bad temper first.

“Okay,? Brothers copy the guys!”

The youth greeted with a smile.

Yue Shanshan also glanced at Lin Ran with a disdainful face, as if to say again.

“Aren’t you tugging, keep tugging!”

“I advise you all to keep your hands to yourselves!”

Lin Ran swept his gaze across the crowd and said indifferently.

“Don’t make a move? Kid is scaring me?”

The youth in the lead laughed.

“When Laozi was fucking playing in the imperial capital, you were still at home eating shit!”

“Haha!”

Hearing the youth’s words, the group of juniors next to him were also happy.

And at this moment, more and more travellers were gathered around, and soon the chatter came over.

“Hey! What’s the point of being so poor to mess with people, the other party looks like a rich man!”

“No! And you look at the luxury car, at a glance it is not ordinary rich, such people who dare to provoke ah!”

“Yeah, this kid is miserable, I’m afraid he’ll be thrown into the river and fed to the fish without anyone knowing!”

“That’s right! It’s not scary to be broke these days, but it’s scary to be broke and messing with everyone, so you don’t even know how you’ll end up dead!”

The crowd was talking, and Yue Shanshan on the side was smiling with pleasure as she listened, she liked the feeling of being held up by people.

“Don’t be silly and do it, I still have to go to the Imperial Hotel!”

Yue Shanshan urged.

Lin Hong had left with Lin Qiu, making her very upset in her heart and vowing to break them up.

In fact, up to now, did Yue Shanshan really still like Lin Hong? Obviously not, it was just her selfish possessiveness at work.

“Brothers do it!”

The leading youth greeted, and immediately a group of people pounced towards Lin Ran.

This scene caused the surrounding tourists to cover their eyes, not daring to look.

They really didn’t want to see the bloody scene.

“I have advised you all, but you are the ones who disobeyed me!”

Lin Ran said helplessly.

“Where’s that stupid bastard? Waste him for old time’s sake!”

The youth was speechless, he had been in a thousand or 800 fights, but this was the first time he had encountered such a foolish person.

The young man was the first to rush forward.

But what was waiting for him was a bland kick from Lin Ran.

“Bang!”

With a muffled sound, the youth’s entire body flew straight out, knocking a large number of his men behind him.

The few remaining henchmen on either side saw this and ran straight at Lin.

But Lin Ran two back turns, followed by two kicks, at once these people also have to fly out.

Originally the other side had seven or eight people, but this is just the blink of an eye, there is no one still standing, to say there is that is the only one standing next to, has frozen unable to say the words Yue Shanshan.

“You ..... Who the hell are you!”

Yue Shanshan looked at Lin Ran, the eyes have changed.

“Who did you say I was?”

Lin Ran’s face was bland and expressionless.

“You ..... You!”

Yue Shanshan was so angry that her pretty face turned red, she couldn’t say a word for half a day, the people she had shouted at were actually all put down in the blink of an eye, the other party was clearly not an ordinary person at all.

“Humph! So what if you’re powerful, I’m telling you, if you dare to touch me today, I’ll make sure you can’t leave the imperial capital!”

Yue Shanshan said warily, looking at those of her men, she was really a bit scared.

“Move you?”

Lin Ran was stunned at his words and laughed afterwards.

“You’re thinking beautiful, I have little interest in stupid women, especially one as stupid and ugly as you!”

After saying that, Lin Ran turned around and left.

“You! You! I’m so angry!”

Yue Shanshan was so angry that she stomped her feet, but just as she was about to continue shouting at someone.

Suddenly, there were dozens more Maseratis coming from the square in front of her, followed by a large group of figures in suits all rushing over, and soon arrived in front of Lin Ran.

“Ranzi! Are you alright!”

Liu Chen walked at the front and was relieved to see that Lin Ran was fine.

“Let’s go,? Things are all sorted out!”

Lin Ran pointed to the back and laughed.

Liu Chen took a look, didn’t he, all seven or eight punks were lying on the ground, not daring to move,? It was obvious that they had all been cleaned up by Lin Ran.

“Good!”

Liu Chen smiled and took Lin Ran to the car, but his eyes flashed a wink at his men, who instantly understood.

Are you kidding me? In his own territory let Lin Ran almost get beaten up, how could Liu Chen let those punks go, later on it would inevitably be another fat beating.

Chapter 1145

“Ranzi, I haven’t seen you for over a year, where have you been? I couldn’t reach you even when I called back!”

Liu Chen asked excitedly as soon as he got into the car, he was honestly very happy to see Lin Ran in the imperial capital.

“It’s a long story, by the way where is Old Two, Old Four and the others?”

Lin Ran asked with a smile.

“They’re at the company!”

Liu Chen laughed, while proudly pointing at the seat and laughing.

“How’s that, Maserati, the brothers aren’t letting you down now, are they?”

“Not bad! Keep it up!”

Lin Ran laughed.

After all, there was only so much he could do to help, the rest depended on their own efforts.

“Ranzi, you are really deep in hiding, that Luo Qiqi your little girlfriend now Luo Ran Finance is already the leading company in the country, to be honest, we can have our current achievements, and her help is also inseparable!”

Liu Chen laughed.

“Is that so?”

Lin Ran was taken aback, after all, he hadn't asked much about business matters, everything was being taken care of by Luo Qiqi.

"Right ask you something, the Imperial Hotel in the Imperial City, whose property is it now?"

Thinking of the two Lin Hong, Lin Ran couldn't help but ask.

"You don't even know about this? Luo Ran Finance's ah!"

Liu Chen said busily.

"I remember that you guys didn't buy it before?"

Lin Ran asked.

"That was all a long time ago!"

Liu Chen said.

"After we bought it at first, we realised that the water in this Imperial City's hotel industry was rather deep, then it coincided with Luo Ran Finance coming to invest, and since we and Luo Qiqi knew each other as well, we transferred it to Luo Ran Finance along with the water, you don't say Luo Ran Finance is just awesome, and now it's operating with great success!"

"Ao!"

Lin Ran nodded, since it was his own industry, it would be good to talk, arranging a Lin Hong for two people was not a matter of moving his mouth.

"What's the matter? A couple of drinks tonight?"

Liu Chen looked at Lin Ran and smiled.

"No, just now! Call them up and let's go straight to the Imperial Hotel!"

Lin Ran laughed.

"Shit! You're in such a hurry, I'll take care of it!"

Liu Chen laughed and immediately went to Zhang Xu and Liu Yusong on the phone.

Half an hour later.

The lobby of the Imperial Palace Hotel.

"This decoration is really grand!"

Looking at the luxurious decoration inside the hotel, Lin Ran couldn't help but sigh with emotion as well.

"This shop cost nearly thirty million dollars just for the decoration! Sir!"

A beautiful waitress next to her laughed, but there was disdain in her eyes, if it wasn't for the fact that the three people following Lin Ran looked very rich, I'm afraid she wouldn't even bother to receive Lin Ran.

“Beautiful girl, the box! Hurry up and arrange it!”

Liu Chen said impatiently.

“Yes sir!”

The beautiful waitress obviously preferred this Liu Chen, so she smiled constantly and charmed her eyes!

“Liu Chen, pay attention to the scale, I know my sister-in-law’s phone number!”

Lin Ran laughed.

“That’s not fair, man! But don’t worry, I have principles, I won’t do anything wrong to my daughter-in-law!”

Liu Chen promised with a pat on his chest.

“He wants to, but he has to dare to. Unlike me, I’m not bothered.”

Zhang Xu laughed.

“You two are bringing Old Six down, Ranzi, don’t talk to them, let’s go up for a drink!”

Liu Yusong laughed as he pulled Lin Ran up and headed upstairs.

.....

The fifth floor of the Imperial Hotel was the floor of the hotel’s administrative department.

In one of the offices of the personnel department, Lin Hong and Lin Qiu were sitting on the sofa, while across from them sat a middle-aged man, really the head of the personnel department, Xie Gang!

“Brother Xie, you see I have brought all the people, this work .....”

Lin Ran looked at Xie Gang with his hands clasped, before he worked here, it was Xie Gang he knew, the latter also agreed that he could bring Lin Qiu along.

“Xiao Lin, it’s not that I don’t help you, the key is that you offended Miss Yue before, this makes it very difficult for me too!”

Xie Gang frowned and said.

“But this hotel is no longer owned by the Yue family!”

Lin Hong looked at Xie Gang and said busily.

When the Imperial Hotel was wholly purchased by Luo Ran Finance, it was a big deal, so Lin Hong knew about it too.

“Xiao Lin, you are too young, this is not a question of whose hotel it is at all, with the Yue family’s reputation in Di Du, even Luo Ran Finance gives three points of face, you think you, a working man, can fight with the Yue family?”

“But .....”

Lin Hong still wanted to say something, but Lin Qiu who was on the side pulled him.

“Brother Lin Hong or else forget it, let’s go!”

Lin Qiu said, with disappointment in his eyes.

It was Lin Ran who had asked them to come earlier, and she had believed in him, but now .....

“Maybe brother Lin Ran is delayed by something, let’s not cause him any trouble!”

Lin Qiu said with red eyes.

“No, brother Lin Ran’s eyes are very firm, I’m sure he won’t lie to us!”

Lin Hong said.

He went to university in the imperial capital and without this part-time job he wouldn’t have had the tuition fees to start the school year.

As for Lin Qiu, although she didn’t go to school in the imperial capital, her situation wasn’t much better than his own.

This job was not so much a part-time job for the two of them to earn money, but rather for the two of them to work hard for their future.

“Ding Ding Ding!”

While talking, Xie Gang’s mobile phone suddenly rang.

“Wait, it’s Miss Yue calling!”

Xie Gang busily said, while picking up the phone.

“Good ..... Understood Miss Yue!”

Soon Xie Gang hung up the phone, and a smile appeared on his face.

“Lin Hong! Miss Yue called just now, she’s going to hold a banquet here tonight and asked you to come over, if you behave well, you can stay and work in the hotel!”

“A banquet?”

Lin Hong smiled but was stunned, his heart vaguely felt that something bad was about to happen.

“Thank you Supervisor Xie!”

Lin Qiu, however, had already gotten up to say thank you.

The two of them came out of the office, but Lin Hong was a little apprehensive.

“Xiao Qiu, I feel that this Yue Shanshan won’t be so kind, there must be something wrong here!”

“Don’t worry, Brother Lin Hong, as long as we do a good job, we can definitely get Miss Yue’s approval!”

Lin Qiu, however, was all excited, she believed that if she worked hard, she could definitely gain recognition.

As they spoke the two had already come to the workroom led by the other waiters and changed into their work clothes.

After the waiters briefly taught them the etiquette, the two of them were placed in a private room on the third floor.

“Set up the box first, Miss Yue and the others will be here in a moment!”

The waiter instructed and left.

“Brother Lin Hong let’s hurry up and set up!”

Lin Qiu said excitedly.

“Xiao Qiu, I still think things won’t be that simple!”

Lin Hong frowned slightly, with a vague bad feeling in his heart.

“Don’t worry brother Lin Hong it’s fine!”

Lin Qiu was still optimistic.

Meanwhile, at the entrance of the hotel, Yue Shanshan was walking down from the luxury car.

A large group of people dressed as students soon gathered next to her.

“Shanshan, why did you want to treat yourself to dinner today?”

“Yes Shanshan, and it’s the Empire Hotel, it’s a five-star hotel!”

“What’s wrong with five-star,? Shan Shan is the daughter of the Yue family, she still cares about this!”

“Exactly!”

These people were all Yue Shanshan’s classmates, and also Lin Hong’s classmates.

“It’s nothing, I just suddenly want to treat everyone to dinner, come on let’s go up!”

Yue Shanshan laughed, but a trace of mockery flashed in her eyes.

“Lin Hong you’re not going to deny yourself for that little demon, then I’ll make you lose face in school today!”

“When everyone sees how poor your little girlfriend is, I wonder if you’ll still be able to laugh!”

Yue Shanshan laughed coldly in her heart.

Chapter 1146

Inside the hotel box, soon Lin Qiu placed the last pot of flowers and the whole box was considered to be set up.

“Someone’s coming!”

Lin Hong suddenly frowned slightly and spoke.

“I’ll open the door!”

Lin Qiu smiled and ran over, opening the door.

Following that a group of people poured in, each looking at the arranged box with excitement.

“It’s really not bad for a five-star hotel, this side of the box is really luxurious!”

“Yes! If it wasn’t for Shanshan I wouldn’t have been able to come to a place like this in my life!”

“No, Shanshan, you ..... Aigoo!”

“Hey! Isn’t this Lin Hong?”

As they spoke, the crowd had already seen Lin Hong in the corner of the box, wearing waiter’s clothes.

“Lin Hong didn’t expect you to be working here!”

“That’s right, Lin Hong’s family is not well off, so it’s normal for him to work here!”

“No Lin Hong, don’t you have a scholarship? Is it that poor?”

“Poor? I think it’s because you want to hang a rich woman here! Haha!”

“Geez we’re all classmates,? What are you guys doing!”

Looking at the crowd’s mockery of Lin Hong, Yue Shanshan however stood out and laughed.

“That’s right! I’m the one working here, what’s the problem? I earn money with my own hands, shame on me?”

Lin Hong’s fists clenched as he looked at the group of people in front of him, his heart furious.

How was it shameful for me to earn a living with my own two hands.

Ever since he was young, his father had told him that there was no shame in eating with one’s own two hands!

Although Lin Hong’s family was poor, he had never felt anything, one could not choose one’s origins, but one could choose one’s future achievements.

“Yoo-hoo! Look guys, Lin Hong is still in a hurry!”

“Really can’t even afford to joke, what a hick!”

“Isn’t it!”

A few other students sneered and stopped paying attention to Lin Hong.

“Alright, alright! Let’s all take our seats! Lin Hong, you come too, we are classmates after all!”

Yue Shanshan greeted with a smile.

“No need,? I’m just the waiter!”

Lin Hong said already which came with the menu.

“Order your food!”

“What kind of attitude is that, this is a five-star hotel, and this is your attitude?”

The classmate next to him who didn’t have a good feeling towards Lin Hong immediately spoke up and chided.

“What attitude should I have?”

Lin Hong looked at the other party, his eyes cold.

“Show me a smile, I’m here to spend money, not to see your fucking face!”

The other party said disdainfully.

“I’ll do it, I’ll do it!”

To the side, Lin Qiu was busy stepping forward to take the menu and laughed.

Lin Hong was so angry that he turned around and walked to his place at the work table, indignant in his heart.

He knew it wasn’t that simple, Yue Shanshan had called out so many classmates here, clearly just to watch his own joke.

She was clearly looking for an opportunity to humiliate herself.

The more Lin Hong thought about it, the angrier he became.

But he didn’t dare to get angry, because if he did, he would not only lose his job, but also his tuition fees for the start of the school year.

Moreover, looking at Lin Qiu, who was working diligently at the side, Lin Hong’s heart was also saddened.

Which man does not want to give his favorite woman good living conditions, but some times reality is so cruel, you do not have the full power to choose your birth, you can only rely on your own hands to struggle.

“Hey! Shanshan, you don’t say this waitress is really pretty!”

The male student who had made things difficult for Lin Hong earlier spoke up again,? His family also had money, although not as much as Yue’s family, but he was still a rich second generation.

“That’s not true, this is Lin Hong’s girlfriend! Can’t she be pretty!”

Yue Shanshan sneered.

As soon as those words left their mouths, everyone froze and followed by looking at Lin Qiu.

“Holy shit girlfriend? Fake, right, just that poor bastard Lin Hong can still find a girlfriend?”

“That’s right, and she’s so pretty, isn’t this a waste of resources!”

“Sister, how about following me? How about it? I’ll make sure you eat and drink spicy food every day, we’ll eat whatever is expensive!”

The male student laughed, with undisguised greed in his eyes.

“Sorry, I have a boyfriend!”

Lin Qiu bowed her head and said.

Lin Hong on the other side had even clenched his teeth, ready to explode at any moment.

“I know, Lin Hong well!”

The male student was full of disdain.

“You can think carefully, just this poor bastard of his, you can have a house to live in if you follow him in the future? Will you have a car to go out?”

“If you marry him with this look, it won’t be in vain!”

“As long as you follow me, you will be able to play with the whole empire!”

The male student had a smug look on his face.

“Sorry, I still like Brother Lin Hong!”

Lin Qiu said with a bitter smile.

“Hey! I told you that you’re not a heartbreaker, I told you that he’s a poor bastard, why do you still want to marry him, you’re a bitch, you like to suffer all your life?”

The male student was also a bit angry at once.

He was handsome, and his family was rich. His family was also rich, but he had never met a woman who was so uncooperative.

“Who are you calling a cheap bone!”

Lin Hong finally couldn’t help himself and pointed at the other party and chided.

“I cao! I said she’s a bitch and you don’t like it, believe it or not I’ll kill you today!”

“Come on! You can do whatever you want just because you have money!”

Lin Hong’s eyes were bloodshot, hating himself for his inability to do so.

“Brother Lin Hong!”

On the side, Lin Qiu was busy pulling Lin Hong back.

“You can go out first, I can handle it myself!”

Lin Qiu pulled Lin Hong and was about to walk out.

“Go? Did I give my consent! You’re pretending with me!”

The male student rushed over and slapped him with a slap. Lin Hong’s face immediately swelled up and blood flowed from the corner of his mouth.

“Brother Lin Hong!”

Lin Qiu looked immediately also anxious, busy pulling Lin Hong ran out.

“Little Autumn let’s go, I don’t want to see them talking about you like that!”

Lin Hong’s eyes were bloodshot as he pleaded.

“Brother Lin Hong, we can’t leave, if we do, how can we go to school? How can we have a way out!”

Lin Qiu had tears in her eyes.

“Don’t worry Brother Lin Hong, it’ll be quick, I’ll put the food on them later and pull them out! They won’t dare to do anything to me!”

Lin Qiu persuaded.

Lin Hong but gritted his teeth without saying a word,? At this moment, he hated himself for being incapable, why he couldn’t even protect the woman he liked.

“I’ll go with you later!”

Lin Hong thought for a moment and finally spoke.

“But you!”

Lin Qiu looked at Lin Hong with some worry.

“Don’t worry, you are working so hard, I don’t want to drag my feet!”

Lin Hong revealed a bitter smile.

The food was soon served, and Lin Hong and Lin Qiu were busy working inside.

“This is dry-roasted cinnamon fish!”

Lin Hong said as he put a plate of dishes on it while explaining.

“Lin Hong, what’s the matter? Figured it out? Or have you been sobered up by a slap from Laozi!”

The male student looked at Lin Hong with disdain in his eyes.

Lin Hong, on the other hand, took a deep breath and spoke.

“Sir, your food is all served, please enjoy it!”

After saying that, Lin Hong turned around and left.

“What the fuck is the old man asking you, can’t you understand?”

When he saw that Lin Hong was not paying attention to him, the male student became even more angry and pulled Lin Hong's neck to hit him.

This time, Lin Hong did not have the intention to fight back, his eyes looked straight at the other party, and his voice was bland.

"If you want to hit, hit, I am a waiter I will not fight back, how you want to bully is up to you!"

"You!"

Hearing Lin Hong's words, the male students couldn't lay a hand on him at once,? mainly because several people from average families next to him looked at him.

There was contempt in their eyes.

We are all classmates, what do you make others think by targeting Lin Hong like that.

"Good! Good boy, just know the rules, since you know you're a fucking waiter, then serve me honestly! From now on, you stand next to me, if my water glass is empty, I'll fucking kill you!"

The male student looked at Lin Hong and said in a cold voice.

Chapter 1147

As luck would have it, the next male students were, for the most part, drinking water.

"Pour the tea!"

"Pour the wine!"

"I told you to pour the wine! I can't hear you!"

Faced with all the difficulties from the male students, Lin Hong didn't even say a word, he just suffered in silence.

"All right, all right! Drinking what white wine is not a bit classy, Xiaoqiu open the red wine!"

Yue Shanshan's eyes flashed a trace of brightness and shouted at Lin Qiu who was busy cleaning up the empty plates at the side.

"Okay!"

Lin Qiu was busy putting the plates aside and went to fetch the red wine.

But as soon as she got the bottle she was confused, she had only seen how to open red wine on TV, she had never actually opened it once.

"I'll do it!"

Lin Hong saw this and was busy saying.

"Stop right there! Pour the wine!"

The male student scolded him.

Lin Hong gritted his teeth and didn't say anything, and continued to pour him wine, but in his heart he cursed.

"So can drink, how not properly generated wine barrel!"

In said Lin Qiu, pick up the red wine according to the memory of the steps on television to open the wine, the front are very smooth.

But only at the last moment, she did not grasp the force, when the cork was taken out of the bottle, the red wine held in her hand an unstable actually fell directly to the ground.

"Bang!"

With a loud bang, the red wine bottle shattered and a bottle of red wine spilled onto the ground.

"You're blind!"

Yue Shanshan was waiting for the opportunity to do so, and immediately snapped.

"I'm sorry! I'm sorry, is it okay to deduct it from my salary?"

Lin Qiu's eyes instantly went red.

He didn't know how much money he could earn in a month, and this bottle of wine looked like it was worth a lot, so I was afraid that he would have to work for nothing this month.

"Deduct it from your salary?"

Yue Shanshan smiled at that.

"This bottle of wine is an 82-year-old Lafite, do you fucking know how much it costs? You can't even buy it with a year's salary here!"

"Ah!"

Lin Qiu was instantly baffled.

Yue Shanshan's face gradually turned icy cold as she looked at Lin Qiu without saying a word.

"Shan Shan forget it, the hicks from the countryside haven't seen the world!"

"That's right Shan Shan, what's the point of bothering with people like them!"

"Let them go out, they're an eyesore here!"

"That's right!"

The crowd murmured.

Yue Shanshan's face was cold as she raised her hand and slapped Lin Qiu across the face, scolding her angrily.

"Bitch! Get lost!"

Lin Hong at the side could not hold back any longer when he saw this scene.

“Yue Shanshan, come at me if you have the guts, targeting Xiaoqiu is nothing!”

“Come at you? You are nothing!”

Yue Shanshan looked at Lin Hong with disdain in her eyes.

Lin Hong gritted his teeth and said angrily.

“Yue Shanshan I said it’s impossible for me and you, and it’s impossible for you to target Lin Qiu like that, I, Lin Hong, will never like you in my life!”

“What? Like me? You don’t even take a fucking piss and look in the mirror, you’re worthy of liking me too?”

Yue Shanshan instantly laughed.

And the others on the side were even more laughing.

“Lin Hong, you’re an idiot, right?” “What’s the matter with you, Shanshan still likes you?”

“That’s right, don’t even take a piss and look at yourself, Shanshan is the daughter of the Yue family, can she look at a poor loser like you?”

“What a shame!”

The crowd laughed.

Lin Hong, however, felt like five thunderstorms.

“Is this your revenge?”

Lin Hong looked at Yue Shanshan, there was despair in his eyes, women were really scary.

“Xiao Qiu let’s go!”

Lin Hong turned around and pulled the dazed Lin Qiu, the two of them slowly left the private room.

Looking at Lin Hong’s back as he left, Yue Shanshan’s heart was filled with smugness.

“If you dare to reject me, you can wait to get the fuck out of the imperial capital!”

.....

On the other hand, Lin Ran, Liu Chen and the others passed three rounds of drinks before they remembered the main reason they were here and smiled at the female manager next to them with a slap on the head.

“Sister Hua! Do me a favour and enquire if there are two waiters here who have just arrived, a man and a woman named Lin Qiu and Lin Hong!”

Lin Ran laughed.

“Yes!”

Sister Fa said with a busy smile.

She was no ordinary person, to be able to sit as the manager of this Imperial Hotel, she was naturally someone that Luo Qiqi trusted, and she had also heard about Lin Ran a long time ago, that was the real big boss behind Luo Ran Finance.

So once she heard that Lin Ran had arrived, she even came to entertain him personally, not to mention just inquiring about two people at this time.

In just a minute's time, Sister Hua walked in from outside.

"Mr. Lin, I've already asked, there are indeed two new waiters, I wonder if they are?"

Sister Fa asked busily, but there was a hint of worry in her eyes.

"My friends!"

Lin Ran laughed.

"Where are they?"

Lin Ran asked.

"Mr. Lin, they were just about to leave and something bad happened!"

Sister Hua didn't dare to hide it and was busy telling the story, in a five-star hotel, apart from the accommodation compartment, there were cameras in every other compartment where they ate, where she didn't know what had just happened.

And after listening to Sister Hua's account, Lin Ran's entire face had turned completely gloomy.

"Take me to that compartment, and bring the two of them there as well!"

Lin Ran said in a cold voice.

"Yes Mr. Lin!"

Sister Fa nodded and busily went to make arrangements.

At this moment, Liu Chen and the others were drunk and resting on the table, so Lin Ran didn't bother them and left the box alone.

"Brother Lin Hong, what are they asking us to go back for? Haven't we all decided to leave already?"

Lin Qiu was a bit puzzled at this point, they had just approached Supervisor Xie Gang about resigning, but now they were informed that they were to be taken back to the box they had just been in, and this time it was Xie Gang himself who was taking them.

"Have you two offended someone? This time it was the manager who informed them!"

Xie Gang's heart was full of worry.

Lin Hong and Lin Qiu smiled and said nothing, who else could they have offended, who else but that Yue Shanshan.

.....

Ten minutes later.

“Has everyone eaten yet, let’s go for a bubble bar when we’re done!”

The first thing you need to do is to get a good idea of what you want to do.

As soon as they heard that they had to go to a bubble bar, everyone exclaimed.

“Sister Shanshan is domineering!”

“Sister Shanshan is the best!”

The group of people immediately grabbed their things and prepared to leave.

But at that moment, suddenly the door of the compartment was pushed open again, followed by two figures walking in, one after the other.

“Sister Hua? Why are you here in person?”

Seeing the leader, Sister Hua, Yue Shanshan immediately greeted her with a smile, as the manager of the Empire Hotel, Sister Hua was still known to Yue Shanshan.

“Why do you think I’m here?”

Sister Hua’s face sank as she moved aside to reveal Lin Ran behind her.

“None of you can leave until Mr. Lin gives the word!”

Sister Word said blandly.

Yue Shanshan listened but was stunned and laughed afterwards.

“Sister Hua, you’re mistaken, what Mr. Lin, this guy is just a poor pussy, and only his body is still watchable!”

“Whether I’m mistaken or you’re mistaken, you’ll know later!”

Sister Hua said blandly, not bothering to say more.

And at this moment Yue Shanshan couldn’t help but give Lin Ran an extra look, did she really look away, this guy was from a big place?

“No way, that guy is wearing some bullshit rags, how can he be a big deal!”

Yue Shanshan reassured herself in her mind.

However, at that moment, the door of the compartment was pushed open again, followed by Xie Gang walking in with Lin Hong and the two of them.

The two Lin Hong were still apprehensive, but when they saw Lin Ran inside the compartment, they immediately thought of something.

When Lin Qiu saw Lin Ran, she even cried tears of joy, the aggression in her heart was all vented out at this moment, she looked at Lin Ran and shouted with red eyes.

“Brother Lin Ran!”

Chapter 1148

“Why are you guys here again?”

Seeing the two of them, Lin Hong and Lin Qiu, Yue Shanshan’s face was clearly stunned and somewhat surprised.

“I told them to come back!”

Lin Ran looked at Yue Shanshan.

“You?”

Yue Shanshan’s face was ugly as she glared at the two Lin Hong, then looked at Lin Ran and said in a cold voice.

“You want to do it, huh?”

“What do you think I want to do?”

Lin Ran looked at her, his eyes still flat.

“How do I know what you want to do!”

Yue Shanshan’s eyes darted, deliberately dodging.

“Apart from her, who else hit them just now?”

Lin Ran swept his gaze over the crowd and questioned in a cold voice.

As soon as those words left their mouths, everyone froze, it was obvious that Lin Ran had come for a fight with this move.

“What should we do now?”

“The other party seems to have come from a very big place!”

“Yes!”

The crowd murmured, and from time to time, their eyes looked at the male classmate who had hit him.

The male student’s face was also blue and white, but after all, his family was rich, so he quickly calmed down.

“I beat him up, so what?”

The male classmate looked at Lin Ran with disdain in his eyes.

“Ao! That’s clear!”

Lin Ran smiled lightly, and then looked at the two Lin Hong.

“Who beat you guys up, go fight back!”

“Huh?”

The two Lin Hong were clearly stunned, although Lin Ran doing so relieved them, this would also be considered a complete offense to Yue Shanshan and that male student, what about after Lin Ran left? They were afraid that there would be even crazier revenge.

“Brother Lin Ran, why don’t we just forget about it?”

Lin Qiu said.

Lin Ran, however, shook his head.

“We can’t let it go, a slap on the face is not a slap on the face! These two slaps must be returned!”

Lin Ran’s voice was bland, but it carried a tone that was unquestionable.

“Fight back? Who the hell do you think you are! Don’t you dare touch me!”

Before Yue Shanshan could say anything, the male student behind him immediately quit.

Ever since he was little, his old man had never spared him a single hit, but today he actually had to be given a big slap here, which he simply couldn’t bear.

“Go and fight back!”

Lin Ran looked to Lin Hong.

Lin Hong gritted his teeth as if he wanted to go, but reason told him that he couldn’t go, if he really fought back, I was afraid that he wouldn’t really be able to get along in the Imperial City in the future.

“Fine!”

Seeing that Lin Hong was very angry, but didn’t make a move, Lin Ran suddenly smiled.

“Very good! There is anger in your heart, but you still have your senses, very good!”

Lin Ran got up and patted Lin Hong’s shoulder, then turned around and slapped the male student with a slap.

The slap was so sudden that the male student didn’t react at all, and was immediately knocked to the ground, his mouth full of teeth falling out directly, which was very tragic.

“You don’t dare to fight, I’ll fight for you!”

“There’s her too isn’t there!”

Lin Ran pointed at Yue Shanshan.

“Brother Lin Ran! I’ll do it myself!”

Suddenly, Lin Qiu actually spoke up.

At this moment, there was determination in her eyes, she didn’t want Lin Ran to be the scapegoat for her, since things had come to the bottom now, instead of letting Lin Ran beat up Yue Shanshan to offend

the latter, she might as well do it herself, anyway, in the end Yue Shanshan would definitely still put her worries very much on herself.

“Good!”

Lin Ran smiled lightly and went back to his seat.

At this moment, Yue Shanshan’s face was ugly as she glanced at the male student who was lying on the ground, dead or alive, and couldn’t help but gag.

The other students around them also looked dumbfounded, how could they have expected that Lin Ran would actually say he would do it and hit so hard.

“Bitch you dare to hit me!”

Seeing Lin Qiu coming towards her, Yue Shanshan was instantly anxious.

“Why wouldn’t I dare! You didn’t show any mercy when you hit me just now!”

Lin Qiu looked at Yue Shanshan.

“What the fuck are you, I’m a thousand-year-old daughter of the Yue family, and you! You’re a poor bastard!”

Yue Shanshan said angrily, in her opinion she was very noble, but now she was actually going to be loudmouthed by a poor pussy from the countryside, if word of this got out, would she still be able to hang around in the imperial capital in the future?

“Lin Qiu I’m telling you, if you dare to touch me, I’ll let you die here today!”

“And you Lin Ran, what do you think you are, dare to offend my Yue family, believe it or not I will let you die in the imperial capital too!”

Yue Shanshan was incredibly angry.

Lin Ran, on the other hand, just shook his head and then laughed.

“Really? I’d love to see that! Lin Qiu do it!”

“Yes!”

Lin Qiu nodded and turned around and slapped Yue Shanshan directly on the face.

This slap was obviously very hard too, and it brought out all the anger and aggression in Lin Qiu’s heart from before.

Yue Shanshan covered her face, her whole body almost trembling with anger.

One pair of eyes was even more filled with anger.

“You! How dare you really hit me! I’ll fight with you!”

Yue Shanshan said and was about to strike.

But at that moment, Lin Ran waved his hand and instantly a group of security guards rushed in outside the compartment and directly held Yue Shanshan, making her unable to move.

“Alright! All the changes have been returned, don’t you still have something to announce, Sister Hua, hurry up!”

Lin Ran flashed a colour at Sister Hua, the manager next to him, who understood and immediately laughed.

“Here’s the thing, I’m also alone in the imperial capital, I quite like Lin Hong Lin Qiu, so from a few days you two are my godbrother and godsister, from now on if you need anything, just look for Sister Hua me! And from now on, you can enjoy the normal benefits of the staff in the hotel, you can also stay and work in the hotel after you graduate from the university, or of course you can go and find your own, and you can look for me if you have any problems in life!”

Sister Hua looked at the two.

And Lin Hong and Lin Qiu were straight away dumbfounded.

Lin Qiu might not have realised anything, but Lin Hong was clear, Sister Hua was the manager of this hotel, and she recognised the two of them as her godbrothers, so they really wouldn’t need to run around for tuition fees in the future.

“Come here, you two!”

Lin Ran greeted.

Lin Hong and Lin Qiu obediently walked over.

Lin Ran smiled and fished out a bank card from his pocket and handed it to the two.

“There’s a million on the card, study hard! When you graduate in the future you can work at the hotel or report to Luo Ran Finance, just report my name when you do!”

Lin Ran smiled.

“One million .....

Lin Qiu was instantly baffled.

“Luo Ran Finance? Report your name?”

Lin Hong was even more home surprised, what kind of existence was Luo Ran Finance, the entire Imperial Hotel was just a tiny hair of their industry.

“Brother Lin Ran!”

“Brother Lin Ran!”

Lin Hong and Lin Qiu looked towards Lin Ran with gratitude in their eyes.

“As I said, work hard and study hard, there will always be hope in life!”

Lin Ran looked at the two and smiled.

At this moment, Lin Ran really felt like he was looking at his previous self.

Only his previous self wasn't so lucky, there was no one to help him, and he had fought through those years completely on his own.

But the good thing was that he hadn't given up either, there was still hope for life.

Lin Ran also just wanted to pass on this belief.

As the saying goes, healers are kind-hearted, but there are times when the wounds in the heart cannot be treated with acupuncture, and the only way to show them the direction of the future is with hope.

"All right! Go back and get some rest, tomorrow is a brand new day!"

Lin Ran laughed, and with a whirl, he got up and walked out of the box.

"Mr. Lin and the others ....."

Sister Fa asked busily.

"Blast them out, I don't want to see the Yue family in Luo Ran Finance's industry in the future!"

Lin Ran said indifferently, appearing to be speaking to Sister Hua, but in reality, he was also speaking to the people of Luo Ran Finance.

The words would soon be passed back to Luo Qiqi's ears.

#### Chapter 1149

It was already past eleven o'clock at night when he left the hotel, and when he saw that Long Ya hadn't called yet, Lin Ran couldn't help but feel a little worried, it wouldn't take this long for this ninny to drive from Nanyang to the imperial capital.

"What's going on?"

When the call was answered, Lin Ran asked directly.

"There's a traffic jam on the highway, I probably won't be able to make the road until tomorrow!"

Long Ya was helpless.

"Alright then, you take care of yourself! Give me a call when you arrive!"

Lin Ran said.

"No, tomorrow you'll wait for me at the highway exit near the Imperial Amusement Park!"

Long Ya said discontentedly.

"Fine! I'll go!"

Lin Ran had no choice but to agree.

While on Lin Ran's side, he had just fallen asleep after the phone call, on the other side, Yue Shanshan was so angry that she gritted her teeth and fished out the phone to call as well.

“Brother Qunze, I’ve been beaten up!”

Yue Shanshan said aggressively.

“Ah? Who dares to beat you up, big miss?”

A youth’s laughter came from the phone.

“Brother Qun Ce you’re still laughing, I’ve been slapped, tell me what to do!”

Yue Shanshan said discontentedly.

“That’s not so simple, come over and tell me what happened, tomorrow Brother Qun Ce will help you take revenge! Waste the other guy!”

Yue Qun Ce laughed.

“Still Brother Qun Ce is good to me, where are you? I’m going over there now!”

Yue Shanshan asked with satisfaction.

“The usual place!”

Yue Qun Ce laughed.

Yue Shanshan smiled but her pretty face flushed and she said shyly.

“Bad for you, no that tonight!”

“Afraid of what, you don’t say, I don’t say who knows, right my good sister!”

Yue Qun Ce laughed triumphantly, his voice was very harsh.

“Aiya you bad!”

Yue Shanshan stomped her foot in anger, before driving away from the hotel.

.....

Early the next morning, after greeting Liu Chen and the others, Lin Ran drove alone to the vicinity of the amusement park.

There was a highway exit near the amusement park, and according to what Long Ya said she should be getting off the highway here.

However, Long Ya did not say when she would arrive, so Lin Ran had no choice but to wait by himself.

The wait took two hours, and when Lin Ran was a little tired and dozing off, suddenly there was a commotion next to him.

Only when Lin Ran got out of the car did he see that many sports equipment had been set up at the entrance of the amusement park.

These sports equipment were not the ordinary kind, but the kind of sports equipment that had a confrontational nature, such as arm wrestling, ring fighting, horse riding and archery.

There were also many people playing on them, as if there was some big event to be held later.

Lin Ran stopped at a table where he was competing for wrist strength and watched as two youths were competing for wrist strength, their faces held red as they shook their heads helplessly.

Both of them clearly had a poor grasp of force, and were just using brute force. Although it looked fierce, I was afraid that if it was replaced by an arm wrestling master who really knew what he was doing, he could have defeated them in an instant.

“Friend! Have some fun?”

Just as Lin Ran was about to leave, suddenly a voice came from the side instead.

Turning his head to look, he only saw a young man wearing a grey robe, the youth was not very old and about the same age as himself, but his eyebrows had a heroic aura, so he was obviously not a mortal either, or at least a cultivator.

“Not interested!”

Lin Ran said indifferently, while turning around and walking away.

The other party’s strength was only at the early stage of the Heaven Seizing Realm, so Lin Ran indeed had little interest in competing with him for wrist strength.

“Brother, not giving face?”

The youth took an arrow step and blocked in front of Lin Ran, his eyes slightly narrowed in a slightly unkind manner.

“Get out of the way!”

Lin Ran’s voice was bland, and he was not angry.

“One game!”

The youth looked at Lin Ran, not letting go in the slightest.

“You are no match for me!”

Lin Ran said indifferently.

“O? If you say so, then I’ve really seen it all!”

The youth also laughed.

“A thousand! Wanna bet?”

The youth looked at Lin Ran.

Lin Ran, however, shook his head.

“No need, you lose and disappear from my sight!”

“Yes!”

The youth laughed heatedly and followed, then went ahead to the table where the wrist strength competition was taking place.

“Please put!”

The youth looked at Lin Ran.

Lin Ran didn't bother to say much and directly extended his hand.

The youth's eyes chilled at the sight, and he followed with his palm to meet it.

“I'll count to three, two, one, start!”

The youth said.

Lin Ran, however, smiled and said.

“No, you can start anytime!”

“Arrogance!”

A hint of cold severity flashed in the youth's eyes, followed by a fierce force in his palm.

“Kid! Arrogance is not a ..... Good .....”

The youth spoke up as he lashed out, ? In his mind he didn't think he could clean up Lin Ran without a fight, after all, the other party was just a poor pussy.

But the moment he exerted his force, his entire body was instantly confused, his force was transmitted on his palm, but the resistance that came back was so great that it shocked him.

No matter how much force he exerted, the other man's palm actually did not move at all, it just stood there quietly,? as if it were an iron statue.

“Who the hell are you?”

The youth asked busily.

However, Lin Ran revealed a smile.

“You've lost!”

As the words fell, Lin Ran lashed out, and immediately the youth's wrist fell down in response.

Complete abuse!

“You!”

The youth got up and looked at Lin Ran with disbelief in his eyes.

“Who the hell are you? I know most of the cultivators in the Imperial Capital, you're not from the Imperial Capital!”

Yue Qun Ce looked at Lin Ran with suspicion in his eyes.

“What? Do all foreign cultivators who come to the Imperial Capital have to report to you?”

Lin Ran said indifferently, and whirled around, ready to leave, having delayed quite a bit here, not knowing if Long Ya had arrived yet.

“Stay here friend!”

As he watched Lin Ran leave, the youth frowned and opened his mouth to scold.

However, Lin Ran didn't even bother with him, walking on his own.

“Arrogant! Whoever you are, if you offend my Yue family, you'll have a hard time walking away in the imperial capital!”

The young man's eyes suddenly turned cold, and with a flip of his palm, several black silver needles appeared.

The silver needles were black and translucent, obviously coated with poison.

“Go to hell!”

The youth's palm fiercely flung, and immediately the silver needles headed straight for Lin's back.

“Hm?”

Lin Ran frowned slightly and easily dodged it with a side turn, but at that moment there happened to be a six or seven year old boy playing in front of him, and the silver needle instantly entered his body.

“Bang!”

The little boy barely even had time to react before his entire body had fallen to the ground.

“Cao!”

Seeing this, the youth knew that he had missed and immediately turned around to run.

“Trying to leave!”

Lin Ran was already furious at this point, and his paws lashed out as he spun around and kicked Yue Qunze directly in the chest.

Yue Qun Ce's entire body directly flew backwards, a mouthful of blood sprayed on the ground, followed by fainting.

“Brother Qun Ce!”

Seeing this scene, behind the crowd nearby, a delicate figure rushed over, if not Yue Shanshan or who else.

“What did you do to? What happened to Brother Qunze! You dare to hit our Yue family's man!”

“Stupid woman!”

Looking at Yue Shanshan Lin Ran hated to beat this stupid woman to death.

But now he simply didn't have the time, he had to hurry to treat that little boy or I was afraid it would be too late.

"You better be quiet for a while!"

Lin Ran's gaze was icy as he glared at Yue Shanshan, and then spun towards the little boy and ran over.

Chapter 1150

"Child! What's wrong with you child! Don't you scare your mother!"

At this moment, next to the little boy, a young woman was kneeling on the ground, her face full of tears.

And at the side a number of onlookers had gathered.

"Excuse me, lady, let me take a look!"

Lin Ran rushed forward and hurriedly untied the child's collar, which immediately revealed several black spots on his chest.

"Who are you! Can't you see me ....."

The woman's words of rebuke were just halfway through, when she was instantly shocked by the several black dots on the child's chest as well.

"What's wrong with my child?"

The woman looked to Lin Ran eyes red with panic.

"Don't worry, I will save him!"

Lin Ran said and was ready to make his move.

But at this moment, a young man suddenly rushed out from the crowd. The young man was shocked to see the child's appearance and was busy picking up the child to leave.

"Hurry up! Quickly! Quickly send Little Treasure to the hospital!"

"Yes, yes! Go to the hospital!"

The woman responded at that moment and busily echoed the words.

"It's useless to go to the hospital!"

Suddenly, just as the two were about to leave, Lin Ran was the one who spoke up.

"Who are you!"

The youth glanced at Lin Ran with anger and anxiety in his eyes.

"Yeah who are you!"

The woman only remembered at that moment that she didn't know Lin Ran at all.

"You came over as soon as my child was like this, did you do something to my child!"

The woman looked at Lin Ran and questioned.

The man's eyes instantly turned red at his words.

"If there's a three scene break in my child, I'll fight you for my life!"

Lin Ran looked at the angry two and shook his head helplessly, the murderer wasn't himself, but this did start because of himself.

"If you don't want your child to get hurt, you better listen to me and put him down!"

Lin Ran's voice was bland as he looked at the other man.

"Listen to you? Who the fuck are you!"

The youth looked at Lin Ran and was so angry that he wanted to come up and cut Lin Ran into pieces right now.

"Yeah who the hell are you!"

"That's right...? I think you are sincere when you don't let people send you to the hospital!"

"People nowadays are really, just add to the mess!"

The people around also opened their mouths to accuse one after another.

Lin Ran, however, had a calm face and was not angry, saying blandly.

"I said it's useless even if you send it to the hospital, because I am the doctor!"

"You?"

The youth looked at Lin Ran with some hesitation, while the woman at the side was even more without a backbone, not knowing what to do at this point.

"What your son got was a poisoned needle, and the murderer is lying next to him!"

Lin Ran pointed at Yue Qun Ce who was lying next to him, and Yue Shan Shan who was still pulling Yue Qun Shan.

The two young couples looked over, their minds becoming even more bewildered.

"He's unconscious like this is the murderer?"

The youth asked in confusion.

"I beat him up! If you ask so many questions, the King of Heaven won't be able to save your son!"

Lin Ran said impatiently.

"Husband!"

The woman was busy looking at the youth, with urgency in her eyes.

"Fine! I believe you, but if anything happens to my child, I want you to pay for his life!"

The youth looked at Lin Ran with anger in his eyes.

Lin Ran, however, did not say a word, and directly placed the little boy on the ground, and then nudged a few key acupuncture points on the latter's body to seal the little boy's blood first, so that the toxin would not spread too quickly.

"You're fucking playing with me?"

When the youth saw this scene, he immediately frowned, pointing at acupuncture points? You fucking think you're acting on TV.

However, Lin Ran was not angry either, still taking a roll of silver needles off his body by himself, his two fingers pinched the needles and quickly dropped a few needles on the little boy?

"Acupuncture? Is it going to work?"

"I don't think so, this is poisoning, a few needles and you'll be cured? That's bullshit!"

"I think so!"

The people gathered around were all not optimistic about Lin Ran.

The woman was also a little worried at this point, and was busy looking at her husband.

The youth, on the other hand, had a frown on his face and was also a little dismayed.

But just as he was about to speak, the little boy suddenly spat out a mouthful of dirty blood and cried out.

"The boy!"

The woman was about to come over and hold the child.

"Don't come over, his poison hasn't finished yet!"

Lin Ran said.

The youth couldn't help but look at the blood his son had just spat out at this point, it was dark and black indeed not like normal blood.

"Could this be tainted blood?"

The youth thought in his mind and was busy looking at the few passersby who had just been talking, but only when he looked up at that moment did he realize that those who didn't think highly of Lin Ran had actually all run away.

"Damn it!"

The youth gritted his teeth, these people were really watching the fun and actually had the heart to talk nonsense.

"Pfft!"

Just as the youth was thinking, the little boy spurted out another mouthful of dirty blood, and at that moment, his face was obviously much better.

When the dirty blood spurted out, the little boy had woken up, and Lin Ran quickly pulled out the silver needles, and after probing with his true qi again and not finding any toxins, he was relieved and put all the silver needles away.

“Thank you! Thank you!”

The youth looked at Lin Ran with gratitude in his eyes at this moment.

As for the few people who were not optimistic about Lin Ran, they did not dare to speak at this moment, afraid that they would be recognized by Lin Ran.

“Alright take the child back to rest!”

Lin Ran said to the two people, then turned around and walked towards Yue Shanshan not far away, the little boy’s matter was solved, but his Yue Qunze’s was not yet.

“You ..... Don’t you come over here! What do you want!”

Yue Shanshan looked at Lin Ran with fear in her eyes.

Yue Qun Ce was an invincible existence in her mind, but now she had actually been beaten unconscious by Lin Ran and hadn’t woken up for so long, which simply made her feel desperate.

“What do you think I want!”

Lin Ran shouted icily at Yue Shanshan, followed by a slap on Yue Qunze’s face.

“Ah? What’s going on? I was there!”

Yue Qunze instantly woke up, only that Lin Ran’s slap seemed to be a bit heavy, and he didn’t react for a while.

“Brother Qunze, are you alright!”

Yue Shanshan asked busily.

“Shanshan, why are you here too?”

Yue Qun Ce looked at first Yue Shan Shan with doubt in his eyes.

It was only when his gaze then fell on Lin Ran that his thoughts then quickly recalled what had just happened.

“You ..... What do you want!”

Yue Qun Ce looked at Lin Ran with fear in his eyes, just now he had actually been knocked out in one move, this opponent had to be strong!

Lin Ran looked at the two indifferently, his face was icy cold as he said.

“You should feel lucky that the child you mistakenly injured was not in danger of dying, otherwise you would be dead by now!”

“You! You dare to kill me? I am a member of the Imperial Yue family! Do you know who my elder brother is?”

Yue Qun Ce looked at Lin Ran and said in a cold voice.

“I don’t care whose family you are from or what your big brother is, I’m warning you not to mess with me anymore or I’ll crush you to death like a dog!”

Lin Ran said in a cold voice.

“Oh, kid who are you scaring?”

Yue Qun Ce, however, suddenly laughed.

“The day after tomorrow is the big birthday of my Yue family’s elders, which big clan in the entire empire is not preparing congratulatory gifts to my Yue family’s birthday right now, you dare to mess with me? Can you believe that I can play you to death in a minute?”

“Is that so?”

Lin Ran’s eyes suddenly chilled at his words, followed by a silver needle directly stabbing Yue Qun Ce in the ribs.

Immediately, Yue Qun Ce burst into tears.

“This is a crying point, before I go to your Yue family’s birthday banquet the day after tomorrow, you can cry!”

Lin Ran laughed.

“You!”

Yue Qun side instantly wanted to cry, crying point himself how will this go, people have a big birthday, he cried back to the Yue family, then must be the old man to death.
