

Wonder Doctor

Chapter 1151

Leaving the amusement park, Lin Ran then went straight back to where he had parked his car.

And this just now, when he came back, he saw a Rolls-Royce parked next to his car from a long distance, and a silhouette was sitting in his car, dragging his head with his hands.

If it wasn't Long Ya or who else.

"When did you arrive?"

Lin Ran smiled and walked over.

"How dare you ask, I asked you to wait for me here, but good for you! Put a car waiting for me!"

Long Ya grumbled.

"I just went for a quick look around and I didn't expect you to arrive!"

Lin Ran laughed awkwardly, then swirled and opened the door to get into the car.

"Let's go! Let's go to the Yue family for revenge!"

Long Ya also followed and got into her car.

"Where's your car then?"

Lin Ran asked in wonder.

"Don't worry about it, there's a driver!"

Long Ya laughed.

Lin Ran nodded helplessly and said.

"There's no rush now, wait until the day after tomorrow, someone from the Yue family is having a big birthday, if I'm right it should be Yue Shan, we'll go then!"

Lin Ran said.

"A big birthday? Won't we be stirring things up by going that day!"

Long Ya frowned slightly, but followed it with a smile.

"Just go that day, that Yue Qunshan guy backstabbed us and almost got us killed, this debt will have to be settled with him that day!"

"So you are now?"

Lin Ran looked at Long Ya and was puzzled.

The birthday banquet would not be held until the day after tomorrow, so it was hard to imagine that she would have to wait a day after herself.

“Why? I’ve come all the way from Nanyang, how dare you make me find a place to stay in the imperial capital by myself!”

Long Ya said speechlessly.

“Er

Lin Ran scratched his head.

“Let’s go shopping first, how can we say that the day after tomorrow is also someone’s birthday banquet, you’re wearing this!”

Long Ya pointed at Lin Ran’s clothes and was discontented.

“What’s wrong with me wearing this? It’s comfortable!”

Lin Ran said speechlessly.

“There are other clothes that are comfortable too, go go! Go and buy you two outfits!”

Long Ya insisted.

Lin Ran had no choice but to drive her to the mall.

There were shopping malls all over the empire, and the two of them drove for ten minutes before finding a large shopping complex nearby.

As long as it was a mall, there was never a shortage of people.

The two parked their car and swirled around the mall.

“Hey hey! The clothes in here are quite nice, they fit you well!”

Soon, Long Ya stopped at the entrance of a branded men’s clothing shop and pointed at the clothes in the window and said.

Lin Ran’s figure was similar to the model’s in the window, and the effect should be the same when passed on.

However, Lin Ran looked at the label, but frowned.

“It’s a bit of a waste to be so expensive just to attend the Yue family’s birthday banquet! And is it necessary to be so solemn to go to Yue’s house!”

Lin Ran said, in his opinion, going to Yue Shan’s birthday banquet was not enough to buy such expensive clothes, and the latter was more than enough for him to attend so solemnly.

Long Ya smiled but gave Lin Ran a blank look and said.

“Buy clothes are for yourself to wear, how can it be for others, besides you just think of it as accompanying me to go shopping on the line!”

Lin Ran was helpless at his words and did not bother to say more.

At that moment, the two of them entered the boutique.

“Which clothes do you like, miss, you can try them on!”

As soon as they entered, the beautiful attendantless greeted them with a smile.

“I’m not buying it, it’s for him!”

Long Ya said.

The waitress sniffed and gave Lin Ran a look, followed by no and cringed.

“Both of you, I’m afraid we can’t offer you a fitting for the clothes in our shop!”

“Why? Just now you said you could try them on!”

Long Ya asked with a frown.

“This

The waiter was a little embarrassed and then said.

“Because none of the clothes in our shop are cheap, so if you can’t afford it, it’s better not to try them on!”

“Who are you saying can’t afford it?”

Long Ya was instantly furious at her words, obviously the other party thought that Lin Ran couldn’t afford the clothes here.

“Miss, don’t be angry, the main thing is that your companion really doesn’t look like he can afford this dress, the cheapest clothes in our shop start at thirty thousand!”

The pretty waitress explained.

“Thirty thousand is expensive?”

Lin Ran looked at the waitress with a bland expression, was it wrong that he liked to wear his old clothes? How come you have to be discriminated against even when buying a piece of clothing.

“Just this set, bring it out for me to try on!”

Lin Ran pointed at a suit in front of him and said, this waiter’s attitude made him very upset, didn’t you say I couldn’t afford it, I still had to buy it.

“Sir! Or else you can change one, this suit is

“What is this dress, let you take it out, look down on who!”

Long Ya said angrily.

“But!”

The waiter still wanted to explain, but suddenly, a voice was ringing out from the side.

“Two people, this is a luxury shop, if you can’t afford it, it’s better not to try on randomly, after all, people who come here to spend money don’t like clothes that others try on and don’t buy!”

The two of them looked over at the sound of the voice.

They saw that the person who spoke was a young man, a bit older than Lin Ran, and quite clean looking, but the words were really hard to hear.

“Who are you?”

Long Ya looked at the other party with an icy cold face.

“I’m just a customer here!”

The youth sneered.

But just as his words fell, a woman’s voice came over from the side again.

“Brother Xu, why bother with these people, they have no money and still like to come here to pretend to be rich, I don’t know where they got the courage!”

As the words fell, a woman with an enchanting figure came over and obediently sat on the youth’s arm, her body swaying back and forth, the spring light was infinite.

“You?”

Long Ya saw the other party but her face sank, as if she was thinking about something.

“Hmm?”

The woman was also stunned to see Long Ya, the two seemed to know each other.

“You’re Long Ya!”

“Cai Lan!”

The two exclaimed at the same time.

“Little Lan, you guys know each other?”

Xu Long asked as he looked to Cai Lan who was next to him.

“Know each other! You don’t know, Brother Long, this Long Ya is the cousin whose family is heard to be very rich!”

Cai Lan said enviously.

“O? Is that so? Is it as rich as my family?”

Xu Long laughed, while his palm touched Cai Lan’s waistline.

“Aiya, Brother Long is bad!”

“Can you mind the impact, this is a public place!”

Long Ya scolded as she watched with a slight frown.

However Cai Lan was unconcerned and laughed to.

“Cousin Long Ya, why are you envious?”

“Envy? What do you have to envy!”

Long Ya said disdainfully.

Cai Lan smiled at her words but laughed.

“And say you’re not envious!”

“Cousin Long Ya, I’m really surprised, isn’t your family quite rich? How come you found a poor pussy as a boyfriend!”

“Who are you calling a poor pussy!”

Long Ya’s face looked ugly at her words.

Cai Lan, however, was even more smug, pointing at Lin Ran and saying.

“Did I say it wrong? If I’m not mistaken, the clothes you’re wearing on your boyfriend are all ground-floor goods, right? Does it add up to more than three hundred?”

“What all clothes haven’t exceeded three hundred?”

Xu Long on the side was like discovering a new world, raised his wrist watch and laughed.

“Cai Lan, are you kidding, this one watch of mine is thirty thousand! How can the clothes on the person’s body not even be three hundred!”

“Brother Long do you see for yourself, have you ever seen this kind of brand of clothes?”

Cai Lan laughed, while not forgetting to ask the beautiful waiter at the side.

“Have you seen it before, waiter?”

The beautiful waiter shook her head and laughed.

“I haven’t really seen it in a branded shop, but I have seen quite a few at roadside stalls! It’s similar to the clothes he’s wearing!”

“How about I was right!”

Cai Lan laughed at once.

Chapter 1152

“Clothes that don’t cost more than three hundred dollars are poor?”

Long Ya laughed.

Other people didn’t know Lin Ran’s bottom line, but she, Long Ya, was clear about it.

Leaving aside the Chao Tian Pavilion’s heritage, the wealth possessed by a single Luo Ran Finance alone was hundreds of millions of dollars.

If Lin Ran said he was poor, then there really weren't many people in the world who dared to say they were rich.

"Not more than three hundred dollars, if that's not even considered poor, then what would you call poor, cousin?"

Cai Lan looked at Long Ya with a sneer in her eyes.

Long Ya was just about to speak up, but Lin Ran at the side shook his head, signalling not to be ordinary with them.

"I've got my eye on this dress!"

Lin Ran personally picked up the dress on the hanger, not bothering to try it on, and immediately threw it to the attendant.

"Pack it up!"

"This"

The waiter froze at once.

And Cai Lan and Xu Long, who were on the side, laughed when they saw this.

"Kid, do you know how much this dress costs? Still packing, I think you want to grow a bag on your body!"

Xu Long laughed.

"That's right, don't even look at the label, this dress is a limited edition!"

Cai Lan also stifled her laughter and said.

"Sir, don't play around, this dress is the most expensive one in our shop, this year's limited edition, the only one in the whole empire, priced at 100,000!"

The attendant was also busy saying.

There were clothes in the shop that could be tried on, but there were clothes that could never be tried on, like this one Lin Ran was looking at.

"I said, pack it! Did I say try it on?"

Lin Ran looked at the waiter with a bland voice.

"Are you sure you want to pack it?"

The waiter confirmed again and again, a hundred thousand dollars to buy a piece of clothing, even the rich generation didn't play like that.

A hundred thousand dollars to buy a watch was a better deal than clothes, right?

"I said, pack it up!"

Lin Ran's voice gradually became colder, he found that this waiter was very snobbish, just because the clothes he was wearing didn't look good, he actually had to hesitate to even pack them.

If he wasn't too lazy to go to other shops to choose, I'm afraid he would have left already. It's not up to you to decide who makes money.

"Sir, I can pack it, but if you can't afford to pay later, then don't blame me for being ungracious!"

The waiter said seriously.

Lin Ran's face chilled at his words, by now and how the waiter was still targeting himself.

"No need to pack it, I don't want it!"

Lin Ran was also hot, I still have to look at your face when I come to consume, do you really think you are a stupid pussy?

"Haha! Can't act anymore?"

On the side Cai Lan couldn't help but laugh.

"Lin Ran!"

Long Ya looked towards Lin Ran with eagerness in her eyes.

As long as the payment was made, they could prove their identity, so how come Lin Ran gave up.

"I don't want to make money out of people like this! Let's go!"

Lin Ran said indifferently.

"And! And let me earn it, do you have the money??"

The waiter laughed, his eyes filled with disdain.

"You shut up!"

Long Ya was instantly on fire.

Lin Ran, however, didn't even bother to get angry, taking out his phone and swiping it directly at the QR code inside the shop, followed by a voice.

"You have spent 10 cents this time!"

"Ding! Dear xx bank user, you have paid zero point one yuan online this time, the balance on your card is nine thousand six hundred and fifty three thousand nine hundred and ninety nine dollars and ninety nine cents!"

"Weng!"

At the sound of this voice, the entire attendant was immediately confused.

And Cai Lan and Xu Long on the side were also confused.

"Nine thousand More than ten million?"

Cai Lan was so shocked that her jaw dropped to the ground, although she and Long Ya were cousins, their Cai family was just an ordinary working family, and I was afraid that they would not be able to earn more than ninety million in their lifetime.

And what about Xu Long? Although he was a rich second generation, he was after all a second generation, not a generation, so the money he had on hand was only in millions, and when faced with a ten million like Lin Ran, it could only be described as a small amount.

“Now who do you think is the poor bastard?”

Lin Ran’s wooden light swept over Cai Lan Xu Long as well as the waiter, looking at the three with their old faces flushed red without saying a word.

“That gentleman, it’s because I’m blind, you’ll forgive me, I’ll pack this dress for you right away!”

The waiter slowed down and said busily.

If she sold the dress, her commission would be so much money that it would definitely be more than her commission for the past two months.

“I said, I don’t want it!”

Lin Ran smiled blandly, turning around and pulling Long Ya side to side.

Just kidding? Himself again is not going to be a fool, give you the opportunity to make money and still have to look at your face, really think you are sick in the head ah.

Take the money yourself to go where not to buy, must be in your place to suffer.

“Sir sir

Looking at the background of Lin Ran’s two people leaving, the beautiful waitress only felt like she had missed something.

If she had served better before, maybe she would have gotten more than just a commission, maybe even more.

But now it was too late to say anything.

“No! Brother Long is not right, that kid is definitely faking!”

Suddenly, Cai Lan, who was on the side, spoke up.

“What’s that sound?”

Xu Long looked at Cai Lan and asked in confusion.

“Think about it, even the richest person can’t carry ninety million dollars on his body at all times, and if he’s really so rich, why doesn’t he buy the clothes in public to hit us in the face!”

“Instead, he had to choose this way, as far as I can see he’s just pretending, he doesn’t have any money on his card at all!”

“Then what’s with the voice?”

Xu Long asked.

Cai Lan, however, laughed coldly and said.

“It’s not that simple, how advanced is technology nowadays, it’s not that simple to make up a random voice to deceive people!”

“That’s true!”

Xu Long felt that what Cai Lan said was quite reasonable.

The waiter at the side, however, smiled with a slight frown, and began to drum in his heart.

“Could he really have been tricked? That kid just now is actually really a poor bastard?”

“Go! Brother Long let’s follow him up and take a look!”

Cai Lan said busily.

“Okay!”

Xu Long also felt that there was something fishy inside, so he and Cai Lan immediately joined forces, and the two of them were busy leaving the shop and following them.

Not long after the two followed them out, they saw that Lin Ran and Long Ya were actually heading towards the jewellery area on the ground floor, and they couldn’t help but frown slightly.

“Going to the jewellery area? Could this kid really be a rich man?”

Cai Lan’s heart became even more puzzled, and at the same time, she was even more curious about Lin Ran’s identity.

“What’s the point of coming here?”

Being dragged to the jewellery area by Long Ya, Lin Ran was also puzzled.

“Don’t you prepare a gift when you go to a birthday banquet?”

Long Ya asked.

“Gifts? A present for Yue Shan? I’m crazy!”

Lin Ran instantly laughed.

He and Yue Shan were at odds, and he was preparing gifts for him, I’m afraid that even if he did, Yue Shan wouldn’t dare to ask for them.

“You can’t say that, although you and Yue Shan have conflicts, we also have conflicts with Yue Qunshan, but since they are celebrating their birthday, we naturally have to prepare gifts if we want to go, this is called a gift before an army!”

Long Ya said with a set of words.

“Fine, you win! Then you pick, we’ll be together when the time comes anyway!”

Lin Ran said helplessly.

Letting himself go and pick out a gift for Yue Qunshan, unless he was crazy.

“Fine then I’ll go pick!”

Long Ya laughed, and whirled over to the counter.

Lin Ran saw this and had no choice but to follow suit, there was no way he could pick out a gift for Yue Qunshan himself, but since he was here then he would pick one out for Xiao Jiu.

After all, Xiao Jiu had been living alone in the little world of pillow books for so long, and he hadn’t taken much care of her, which still made Lin Ran feel a bit bad.

Now that he had the chance to prepare a gift it was a way to express his feelings.

Chapter 1153

Long Ya was alone on one side picking out a gift, while Lin Ran went to another gift section to pick it out.

“Waiter, why don’t these have price tags?”

Lin Ran asked, pointing at a piece of unlabelled jadeite in the counter.

“Hello sir, this is the stock we just put on, the price is not out yet, wait a moment and you will have it!”

The beautiful waitress smiled, her attitude was very enthusiastic.

“Ao! Then I’ll take a look at this first!”

Lin Ran smiled and pointed at one of the nail-cap sized white sheep’s-flesh jades.

“You have a good eye, sir, this piece of Hetian sheep’s fat jade, although the price hasn’t come out, but with my many years of vision, it should be good!”

The attendant enthusiastically introduced it.

Lin Ran nodded, his current strength in discerning jade was naturally evident at a glance, otherwise he wouldn’t have asked the attendant to take it out and look at it.

This piece of sheep’s-fat jade was round in colour, delicate to the touch, and with its good colour, it was a good piece at first glance, but it was a bit of a pity that it was only the size of a nail cap, if it had been bigger I’m afraid it would have been worth a lot of money.

“Hey pretty girl, what about the new stuff that arrived today, let me have a look!”

Just as Lin Ran was playing with this piece of sheep’s fat jade, suddenly a cheerful voice came from next to him.

Turning his head to look, it was a successful man with shiny tousled hair and a golden wristwatch on his hand.

“Mr. Zhang, you’re here again, all the new goods are here today!”

The waiter said with a smile.

The middle-aged man named Mr. Zhang turned his head to look, but after just one glance his face turned ugly.

“Are you kidding me? How can you put these pieces of shit here?”

As he spoke, Mr. Zhang also glanced at Lin Ran next to him, and naturally saw the piece of sheep’s-fat jade that Lin Ran was talking about.

“This piece of seed material is not also new, is it!”

“Yes!”

The attendant said with some embarrassment.

Although her heart was uncomfortable, the other party was after all a big deal and a customer, so she could only introduce it patiently.

“I say! You don’t even look at my status, just this kind of stuff is fine for you to use to pass off this caller next to you, don’t you think it’s ridiculous to pass off me?”

Mr. Zhang looked at the waiter and said.

“Sir, you say that”

The waiter’s face was embarrassed, he didn’t expect that this president didn’t put Lin Ran in his eyes at all.

“What’s wrong with my words? Did I say it wrong?”

With a disdainful face, Mr. Zhang pointed at Lin Ran who was next to him and rushed at the waiter.

“I’m not saying you guys, this is at least a high-end consumer goods area, why do you let in anyone, look at his outfit, does he look like he can afford it?”

“Standing with this kind of person, it’s just fucking degrading!”

“Sir you’re”

The waiter became even more nervous, and from time to time, he even looked at Lin Ran, afraid that Lin Ran would get angry and that he would definitely be involved in the situation.

However, Lin Ran was indifferent from the beginning to the end, as if he hadn’t heard the other party’s words at all.

“What’s wrong with me here? Look, this kid himself doesn’t even dare to fart. He doesn’t even dare to let out a single word, so why are you still worrying blindly there!”

Chief Zhang said with a smug face, while not forgetting to raise the golden wristwatch on his wrist and gushing at Lin Ran.

“Hey! Status is everything in this society, lad! You’re very sensible!”

“Is that so? You’re a bit insensitive!”

Lin Ran placed the seeds in his hands and looked at Mr. Zhang with a still calm face.

“Hm?”

Chief Zhang frowned slightly at his words, and his face instantly went cold.

“You’re talking to me?”

“Who else can I talk to here but the waiter? Are you blind?”

Lin Ran said nonchalantly.

He was looking at a seed material, and this guy next to him was gibbering for half a day, and he was still getting angry for not bothering to talk to him.

“Do you know who’s standing in front of you, kid? Don’t know what you’re doing!”

Zhang’s face was ugly.

“I don’t know who you are, but I do know that you’ll be a dead pig if you don’t disappear in front of me in a minute!”

Lin Ran said indifferently.

Having just counted himself out for half a day, Lin Ran would be a real wimp if he gave him a good look again.

“You’re saying that again!”

Although he could not say that his reputation was very big in the Imperial City, he was at least famous.

Whoever met him had to give him a little face, but now he was actually threatened by a brat.

This made him feel that he had suffered a great humiliation.

“I won’t say it twice!”

Lin Ran said indifferently, while handing the seeds to the attendant.

“Wrap it up, I’ll buy it straight away when the price comes out!”

“Sir don’t you want to wait and see what the price is?”

The attendant said doubtfully.

“No, it’s around 200,000, I’ll buy it!”

Lin Ran said and took out his bank card and handed it to the attendant, clearly meaning that he would swipe it directly when the price came out later.

“Holy shit! When did poor pussies become so tractable!”

Zhang, who was looking at the side, immediately laughed.

“You can pretend with me, but also directly 200,000, let alone this seed material is not 200,000 price, just with this dress, but also 200,000, 20,000 you have it boy!”

“You’ll know if you wait and see!”

Lin Ran’s face was bland, not even bothering to pay attention to him.

“Good! Good! I’ll wait, but you just threatened me, so let’s not make this easy! I dare to wait here, but I’m afraid that some people won’t dare!”

With that, Mr. Zhang had already taken out his mobile phone and called out.

And it seemed to be to scare Lin Ran, his phone was even on speakerphone.

“Hey! What’s wrong with General Manager Zhang?”

A young man’s voice came from inside as soon as the caller had been connected.

“Lao San, prepare ten people for me, the mall near my house, yes! The jade shop you came to last time, get there in ten minutes!”

Chief Zhang said blandly.

“Understood Mr. Zhang!”

The youth responded and promptly hung up the phone.

“Kid! You can do well, don’t leave, there’s really no one I can’t find in this Imperial City!”

General Manager Zhang looked at Lin Ran with smugness in his eyes.

“Is that so? Don’t make me wait too long!”

Lin Ran laughed lightly, and then he stopped talking.

At this moment, Long Ya had already picked out her things and ran over.

But then she noticed that something didn’t seem right about the atmosphere in Lin Ran’s place.

When the waiter at the side saw that Long Ya and Lin Ran seemed to know each other, she quickly pulled her aside and explained the situation.

She hoped that Long Ya would hurry up and take Lin Ran away.

She naturally knew how powerful Mr. Zhang was, so if the two of them got into a fight, it would be a small matter, but if someone got killed or something, her job would be ruined.

However, Long Ya smiled at her words.

“Don’t worry, no one will get killed, since that person wants to play, let’s play!”

Long Ya said as she already picked up the things she had picked out and came in front of Lin Ran.

Looking at the things Long Ya had bought, Lin Ran burst into tears and laughter.

“I say, Missy, you’re giving Yue Shan a gift? This is simply a gift for the end!”

“What’s the point, it’s going to Yue Qunshan anyway, just to warn them, I’m calling this a wake-up call!”

Long Ya had a smug look on her face.

That’s right, the gift she chose was none other than a large bell carved from jade.

“Alright you win!”

Lin Ran was completely helpless.

And just as Lin Ran and Long Ya were waiting for Chief Zhang to call out for someone to arrive.

Just off to the side, Cai Lan and Xu Long had also found their way here, and when they saw General Manager Zhang next to Lin Ran, they both froze in their tracks.

“Chief Zhang? Why is he here?”

Cai Lan was puzzled.

Xu Long, however, smiled.

“I don’t know, but looking at the situation Lin Ran and General Manager Zhang seem to be facing each other, it’s really a good show, let’s go over there too!”

Xu Long greeted, and immediately pulled Cai Lan and walked over.

Chapter 1154

“Yoo-hoo! You’re not too lucky, just a poor loser like you, but you actually have such a watery girlfriend!”

Mr. Zhang’s eyes lit up when he saw Long Ya, and he couldn’t help but gulp down his spit.

He thought he had seen countless women, but this was the first time he had seen a woman like Long Ya with a spirit in her eyes.

But with just this one glance, he could not stop thinking about her.

“Beauty! Add a WeChat, I’ll take care of you from now on!”

Mr. Zhang smiled and took out his mobile phone.

“Brother? You are also worthy!”

Long Ya blandly glanced at Chief Zhang, with disdain in her eyes.

As the daughter of the Long family,? What kind of people she had never seen, how could a small boss from the Imperial Capital possibly enter Long Ya’s eyes.

“Still quite spirited!”

Mr. Zhang was not angry at his words, instead he was still not satisfied.

“Cousin Long Ya, it’s your good fortune that Mr. Zhang has taken a fancy to you, do you know how many women out there dream of marrying Mr. Zhang?”

Suddenly a voice came over, it was none other than Cai Lan who had just arrived.

“Hey! Little Lan, you can’t say that, maybe your cousin Long Ya likes this poor pussy next to you?”

On the other hand, Xu Long laughed in a sinister manner, his eyes full of disdain.

“Who are you calling a poor pussy!”

Long Ya’s face sank, and her gaze was so cold that Xu Long didn’t dare to say more.

“Hey! What are you guys doing, but you’re originally called Long Ya! What a nice name, just like the person!”

Next to him, Chief Zhang laughed in satisfaction, knowing the name was the first step towards success.

“Sister Long Ya, you can choose anything here, as long as it’s something you like, I, Zhang Tian, will give it to you directly without saying a word!”

General Manager Zhang Tian laughed cheerfully.

“You are too polite, Mr. Zhang, if this were another woman, she would have thrown herself at you immediately!”

On the side, Cai Lan said enviously.

Xu Long’s family was rich, but it was not as good as Zhang Tian’s, but Cai Lan couldn’t help it, she had tried to seduce Zhang Tian, but the latter was not warm to her and didn’t seem to see herself at all.

“For women! If you don’t even want to spend money on a woman, then why are you looking for a girlfriend?”

Zhang Tian laughed, while looking at the waiter at the side.

“You said it right waiter!”

“Huh?”

The waiter was stunned,? Didn’t understand what Zhang Tian meant.

“Don’t understand?”

Zhang Tian laughed at this.

“Didn’t that kid pick a piece of Hetian jade seed material, if I remember correctly it was only the size of a fingernail cap, it was worth ten thousand at most, I was just wondering!”

Zhang Tian said as he looked towards Lin Ran and Long Ya.

“She is such a beautiful, gentle and virtuous girl, Long Ya, you actually gave away such a piece of junk, are you good at it?”

“What? A 10,000 piece of Hetian jade? My goodness, it’s not like it’s the offcuts from this pendant of mine!”

Cai Lan laughed at that.

At the same time, she felt out a piece of Hetian jade that was the size of a silver dollar hanging around her neck.

“Little Lan, don’t talk nonsense! I personally picked this piece of yours in the first place, the offcuts were lost long ago, I can’t even look at that little thing!”

Xu Long laughed.

“Yeah right! Brother Long, you’re really something!”

Cai Lan smiled smugly at his words.

As he watched them sneer, Lin Ran’s face was always indifferent, and when he heard the rest of them, he just laughed lightly at most, but otherwise he was not angry at all.

“Have you guys finished?”

Suddenly, Long Ya next to him spoke up.

“Finished, what’s wrong sister Long Ya has something to say?”

Zhang Tian looked at Long Ya, with hope in his eyes.

“I don’t have any feelings for you, and I really like Lin Ran like this, any more questions?”

“You!”

Zhang Tian smiled and immediately felt a wave of anger bubble up from the bottom of his heart.

Damn it, in terms of money, Laozi was richer than Lin Ran.

In terms of power, Laozi was the boss of the imperial capital, while Lin Ran? An outsider, and a poor bastard at that, how could he fight with himself.

Finally, I am willing to spend money on women, but what about Lin Ran? This comparison was like a rich man and a poor man!

“Sister Long Ya! Think about it, it’s not every day that you get the chance to make a leap of faith!”

Zhang Tian looked at Long Ya and reminded.

“No need!”

Long Ya returned in a cold voice.

And just as the group was talking, the waiter’s mobile phone at the side was ringing.

“Sir the price is out!”

Soon, the waiter said excitedly.

“Hmm! Pack it up!”

Lin Ran laughed, not even bothering to ask for the price.

“This is a gift for me?”

Long Ya was a little excited by the side.

“No!”

Lin Ran said truthfully.

“Then who did you give it to?”

Long Ya frowned slightly and looked at Lin Ran, guessing in her mind that it was hard to say that it was for Ling Sa?

“My sister!”

Lin Ran didn't hide anything and said so.

“Sister? How come I didn't know you had a sister?”

Long Ya was puzzled, she had never heard of Lin Ran having a sister.

“I'll introduce you to her later!”

Lin Ran laughed, while looking at the waiter.

“Why don't you go to the checkout?”

“Sir the price of this seed material is rather high, so I thought it would be better to speak to you first!”

The waiter said.

“The price is higher? A piece of seed material the size of a fingernail, how much higher can it be?”

Zhang Tian said with a cold laugh.

Cai Lan also covered her mouth and laughed lightly, although they were cousins, she preferred to watch Long Ya's boyfriend make a fool of himself, what women invariably liked was still comparing men.

Lin Ran was not angry either, and gave Zhang Tian a bland look before asking.

“How much is it?”

“Two hundred thousand!”

The waiter spoke.

“Not a penny different from what you guessed!”

“Check out!”

Lin Ran laughed.

“Yes sir!”

Only then did the waiter take the items and go to the checkout.

On the other hand, Zhang Tian at the side was frozen.

“You kid have something, you can actually hoodwink this price right!”

“You got it right? You’re going to hoodwink one for me to see?”

Lin Ran laughed indifferently.

“Heh! A 200,000 dollar jade pendant, how dare you tug on it, as if you think I’m interested in it!”

Zhang Tian looked disdainful, while looking at his watch, feeling that it was almost time.

“Your jade pendant, sir!”

The waiter quickly walked back with the item and handed it to Lin Ran.

“Thank you!”

Lin Ran took the item and smiled at the waiter, then only then did he look at Zhang Tian.

“I say, Mr. Zhang, it’s been ten minutes, if your people still don’t come, then I can leave!”

“Leave? In the entire Imperial City, there is still no one that I, Zhang Tian, cannot find, do you think you can leave?”

Zhang Tian sneered.

And just as he spoke, at the entrance of the square in front of him, ten figures in unison had already walked over.

Seeing these people, at once Zhang Tian laughed.

“Kid, you won’t be able to leave even if you want to this time! Old me’s men are here!”

“Eh?”

Cai Lan and Xu Long were both stunned and were busy looking at the entrance to the square when they saw those people in suits.

Cai Lan was the first to react and instantly revealed a cold smile, pointing at Long Ya and the two of them and laughing.

“Long Ya, you are at least my cousin, why are you so brainless, who are you not to mess with, but to mess with Mr. Zhang, now you will have to suffer!”

“That’s right, two frogs at the bottom of the well, they are simply asking for death!”

Xu Long at the side also sneered, both of them had become Zhang Tian’s licking dogs at this point, and had forgotten that they had come to see if Lin Ran had any money or not.

But even if they remembered, I'm afraid they wouldn't dare to mention it again, after all, 200,000 yuan for a pendant was enough to show whether Lin Ran had any money or not.

Chapter 1155

"Mr. Zhang!"

As they spoke, a group of men had already arrived next to Zhang Tian, and one of the leading youths said respectfully.

"Well done!"

Zhang Tian patted the youth's shoulder, and then looked at Lin Ran with a cold smile on the corner of his mouth.

"Kid, still tugging?"

Lin Ran raised his head and blandly glanced at Zhang Tian with an expression of what do you think.

"Interesting!"

Zhang Tian stroked his chin at this, then glanced at his men next to him and laughed.

"Go and make him understand what will happen if he offends me, Zhang Tian, in the Imperial Capital!"

"Got it!"

The youth next to him instantly laughed as well when he heard that, and immediately walked towards Lin Ran.

The youth was big and thick, with a body full of tendon meat, it seemed that he had been a fitness trainer before, and this muscle looked very bluff.

However, Lin Ran's eyes were sharp and he still noticed a few scars on the youth's body, so he was obviously a very character too, it was just a pity that he was the one who ran into him today.

"Kid! I'll let you understand what it means to keep a low profile today!"

The youth said and fished out two bracelets from his pocket and put them on his hands.

These two bracelets both had metal projections on them, somewhat similar to ancient glove-like weapons, which were extraordinary at first glance.

"Now you have two ways to go, firstly, apologise to Mr. Zhang and take out one million dollars as compensation, and this matter will be over!"

"Secondly, I'll just scrap you, then you can take out another million as compensation, and this will be over!"

"If you don't choose either of them, then it's easy, I'll just kill you!"

The youth said and raised the bracelet in his hand, as if reminding Lin Ran to think before answering.

"You've got quite a few options here!"

Lin Ran smiled at his words, however.

He had been threatened like this too many times before, but this time he was surprised to hear that the other party had given so many options themselves.

“So what? Don’t waste time, choose nimbly!”

The youth looked at Lin Ran with a cold smile in his eyes.

“As you wish, I won’t choose anything!”

Lin Ran laughed indifferently.

“However, let me remind you, it’s best not to mess with me!”

“Hehe!”

The youth laughed at his words.

“It seems to be a hard bone after all, since that’s the case, then I’ll see if it’s your hard bone or Laozi’s bracelet that’s hard today!”

The youth’s face suddenly turned cold as he chided in a cold voice.

“Do it!”

“Hey hey! Don’t you guys fight!”

The waiter at the side was instantly anxious at the sight.

This was inside the counter, if she broke something, I’m afraid her job

Lin Ran had a pretty good impression of this waitress, and sniffing at the terrain, he met him this time towards the youth who was the first to rush.

“Bang!”

The youth blasted in with a direct punch in one face, but what awaited him was also a punch from Lin Ran.

The first time the two exchanged blows, a figure instantly flew backwards with a loud hiss.

It was followed by a heavy smash into the corridor between the counters without damaging them.

“What?”

On the side, Zhang Tian froze as he watched.

He knew very well what strength his own men had, three or four ordinary people couldn’t even get close to him, but now he was actually blindsided by Lin Ran in a single glance.

Xu Long and Cai Lan were similar at this moment, both of them looking at the scene in front of them with dumbfounded eyes, their mouths open wide in surprise, unable to utter a single word!

“Still want to come?”

Lin Ran looked at Zhang Tian, his voice bland.

“Fucking bastard!”

Zhang Tian only felt his face burning hot, he was also a little famous in the imperial capital, but now he was actually forced into this mid-bottom cloth by a hairy kid.

“Go on! Give me a go!”

Zhang Tian scolded at his men who were frozen in place at the side.

The fact that their own boss had been knocked over with a single punch had left them all somewhat unresponsive, and it was only when they heard Zhang Tian’s greeting that they all lunged towards Lin Ran.

“Be careful!”

The waiter opened his mouth to warn at this point, not knowing whether he was worried about his counter or Lin Ran.

As for Long Ya, she was sitting leisurely on the side, quietly watching the show.

At first, Lin Ran hadn’t even done anything in the face of Qing Du Tian, let alone these stinky fish and prawns.

Long Ya had the right to watch the show.

“Bang Bang!”

“Pop!”

As a sound rang out, the men who originally had eight or nine others all fell to the ground one by one.

By the time Lin Ran withdrew his last punch, the men the youth had come to bring had all arrived on the ground.

What surprised the waitress even more was that not a single person touched the counter when so many people were knocked to the ground, which surprised her, and at the same time the way she looked at Lin Ran also changed.

As long as one was not a fool, one could see that this was because Lin Ran had deliberately paid attention so as not to damage the counter.

“Rubbish! A bunch of trash!”

Zhang Tian’s old face turned red as he cursed angrily.

Lin Ran, on the other hand, slowly walked towards Zhang Tian.

“You What do you want!”

Zhang Tian was so scared that his legs were shivering and wanted to run away only to find that his legs were like lead, not obeying him at all.

“Stand still!”

Lin Ran said.

Zhang Tian heard his words and really stood still, not daring to move.

Lin Ran slowly came in front of Zhang Tian, reached out and fished out a packet of cigarettes from the latter’s chest pocket, took one out, and then stuffed another pack back in.

This scene left Zhang Tian somewhat baffled.

“Light it up!”

Lin Ran put the cigarette in his mouth and said in a cold voice.

“Yes Okay brother!”

Zhang Tian was so frightened that he hurriedly fished out his lighter and lit it up.

Lin Ran took a puff before looking at Zhang Tian and saying indifferently.

“Do you know why I’m too lazy to bother with you?”

“Brother! You’re too lenient, just treat me Zhang Tian as a fart and let me go!”

Zhang Tian said busily, where he dared to be half arrogant at this point.

“I’m too dirty to treat you as a fart, I’m too lazy to deal with you because in my eyes, you’re just a piece of shit, having two stinking dollars is great!”

With that, Lin Ran directly pressed the cigarette he had taken a puff on Zhang Tian’s chest, and then threw it in the bin to the side.

Without saying more, Lin Ran turned his head and glanced at Cai Lan and Xu Long next to him, scaring them into unconsciously taking two steps back.

“Huh!”

Lin Ran sneered and didn’t bother to pay any attention to the two, so he turned around and took his things, leaving the mall with Long Ya laughing.

The youth lay on the ground for a full ten minutes before he woke up.

By the time he got up, the two of them had already disappeared.

“Where the fuck is everyone? Where’s Big Brother and the others!”

The youth said angrily.

“Gone!”

Zhang Tian’s voice was bland as he stood in the same place.

“Gone? Brother, don’t worry I will definitely find them all out!”

The youth was indignant.

Zhang Tian, however, scolded with an ugly face.

“Seize what seize! Don’t go yet!”

“Huh?”

The youth was stunned, but seeing that Zhang Tian did not look like he was joking, he turned around and prepared to leave.

“Come back and hold on to me!”

Zhang Tian’s face turned blue.

The youth was busy running back to hold Zhang Tian, and only after taking two steps did the youth notice that his boss’s legs were shivering straight.

And Xu Long and Cai Lan even saw clearly that where Zhang Tian had stood before, there was obviously a streak of water stains, still steaming.

This Zhang Tian had actually been scared by Lin Ran to pee just now.

“Goo dong!”

The two men couldn’t help but gulp down their spit, their hearts having gratitude.

Fortunately, the two of them had only been having fun with their mouths just now, if they had really gotten into a fight with Lin Ran, I was afraid that the one who was scared and pissed right now would not be Zhang Tian, but them.

Chapter 1156

When we returned from the mall, it was already 9pm.

As the next day was the Yue family’s Yue Shan’s 65th birthday.

So Lin Ran and the two of them stayed at the hotel straight away.

When they returned to the hotel, Long Ya did not rush to rest, but instead went to the hotel manager, Sister Hua, and asked her to arrange for someone to place the gift she had chosen, the “Alarm Bell Ringing”, in the middle of the hotel lobby overnight.

This was because the birthday banquet of the Yue family was to be held at the Imperial Hotel the next day.

While Long Ya was working on the gifts, Lin Ran was on the phone with the Eldest Elder.

“Pavilion Master! Everything has been arranged, and the list of those attending tomorrow has all been checked out! Apart from Yue Shan, there is an elder named Yue Gou from the Inner Clan, whose strength is at the peak of the Heaven Seizing Realm, and there are some other juniors from the Inner Clan!”

“That’s right! That Yue Qunshan will also be coming!”

The Eldest Elder said.

“Good! I got it!”

Lin Ran nodded at his words.

The Yue Clan’s inner clan was not considered large at all compared to the Fire Clan.

The inner clans of the Yue Family and Qin Family had only been cultivated in the past two years, and there was no way to compare them to the old and great clans like the Fire Family and Li Family.

After arranging everything, Lin Ran then returned to his room.

At this time, Long Ya, on the other hand, was running off to who knows where.

However, the two of them were staying in a suite, so when this nee-san returned, Lin Ran would be able to know.

Of course, staying in a suite was naturally not requested by Lin Ran, but by Long Ya, with the fancy name of being scared of living alone.

“Scared? A half-step creation realm person, actually scared! Say it straight and true if you want to pick me up!”

Lin Ran sat on the sofa, speechless.

“Master Shu, let Little Nine out!”

Lin Ran fished out the lamb’s jade pendant he had bought this afternoon and laughed.

Soon the light flowed ahead and Little Nine appeared.

“Brother Lin Ran!”

Seeing Lin Ran, Xiao Jiu was also very happy.

“Long time no see! Did you miss brother!”

Lin Ran dotingly rubbed Xiao Jiu’s hair.

According to Lin Ran’s estimation, Xiao Jiu had slept for at least ten million years when she was a demon refining stone, and she must have been born with spiritual wisdom for at least a hundred years by now, but her wisdom was still like that of a child.

“Could it be that the spiritual intelligence born from such a strange treasure grows very slowly as well?”

Lin Ran wondered in his heart.

“Here! Little Nine, this is a gift from my brother!”

Lin Ran said and hung the sheep’s-fat jade pendant on Xiao Jiu’s chest.

“What’s this? A very ordinary looking stone?” ‘

Xiao Jiu picked up the sheep's-fat jade and looked at it, following which he tried to put it in his mouth and bite it, but fortunately he was stopped by Lin Ran in time.

"It's called sheep's fat jade, it's a very this precious stone, brother gave it to you as a gift!"

Lin Ran laughed.

However, Xiao Jiu smiled and said with contempt.

"Although I am small,? But don't try to trick me, I'm a stone myself, this one you gave me is at best good looking, nothing out of the ordinary at all! Plain and simple!"

Little Nine obviously didn't like it too much.

"Er"

Lin Ran was a little speechless, but he quickly understood, after all, Xiao Jiu herself was a magical existence like a demon refining stone, so it was normal that she couldn't see sheep's fat jade.

"Forget it! Since this is the second time you've given me a gift, brother, I'll take it reluctantly! Who let me be your sister!"

Xiao Jiu sighed and said.

Lin Ran was even more speechless as he listened, what was this, he was being disliked for giving a gift.

But remembering the gift, Lin Ran remembered that the first time he gave Xiao Jiu a gift, it seemed to be a string of ancient Buddhist beads, that was a real good thing!

"Alright, I'm going to take a shower and then go back!"

Xiao Jiu said, and whirled around and ran towards the bathroom.

"Why don't you go back and wash up again!"

Lin Ran asked speechlessly.

Xiao Jiu, on the other hand, waved his hand and said.

"I'm tired of washing in Grandpa Book's little world as long as it has waterfalls, I'm going to try the modern water heater!"

Xiao Jiu said as he said that he had already run into the washroom.

"Ai!"

Lin Ran sighed helplessly and was just about to lie down on the sofa to take a rest.

But then a scream of "ah" rang out.

Then a silhouette rushed straight out of the washroom, surprisingly an adult.

"Little Nine!"

Lin Ran's heart was shocked and he ran over.

But just after running two steps, he froze.

Only to see a sinister figure standing there in the living room in front of him in shock, her hair still wet, as she pointed behind her and exclaimed.

“Ghosts! There’s a ghost! There’s really a ghost in Linran!”

“Why are you in the bathroom?”

Looking at Long Ya in front of him, Lin Ran’s old face instantly turned red,? An evil fire was also rising straight up.

“I just came back from a busy day to take a shower!”

Long Ya explained casually, while still pointing to the back.

“There really is a ghost, I just saw a child, a girl, a ghost!”

Long Ya exclaimed.

Lin Ran smiled but already understood and said helplessly.

“What female ghost, that’s Lin Jiu, my sister!”

“Big sister, what are you running from I’m a girl too!”

Lin Jiu’s voice rang out and followed and appeared behind.

“Lin Jiu? Your sister?”

Long Ya looked at Lin Ran filled with confusion.

“Right! Didn’t I say I’d introduce you guys later!”

Lin Ran said, but he couldn’t move his eyes, and at the same time, two lines of nosebleeds flowed down.

“Brother, why are you getting a nosebleed!”

Xiao Jiu saw this and ran over.

Lin Ran was full of embarrassment and was busy wiping his nose, then said.

“Accident accident!”

“That Long Ya, even if you took Xiao Jiu for a female ghost, you can’t just run out without clothes!”

“You can find a better reason for being a rogue!”

Lin Ran said helplessly.

“I’m being a rogue?”

Long Ya was stunned, then she remembered, that wasn’t the point, the point was Lin Ran’s words.

“You ran out without your clothes on

Long Ya was busy looking down and her pretty face instantly turned red to the base of her neck.

“Ah! Lin Ran son of a bitch!”

Long Ya was so ashamed that she was busy turning around and running back to her room, and only after a few moments did she put on her pajamas and came out in a rage.

By this time, Xiao Jiu had already finished showering and left.

“Say! What did you see just now!”

“Huh?”

Lin Ran was stunned, followed by his old face turning red again.

“You’re not allowed to think nonsense!”

Long Ya’s pretty face also reddened when she saw this.

“I don’t want to answer how you saw everything!”

Lin Ran was serious.

“You! Bastard! Rascal!”

Long Ya was so angry that she stomped her foot.

However, Lin Ran said with a straight face.

“I remembered, you seem to have a black spot here, but it’s not big enough to affect the overall aesthetics!”

Lin Ran pointed at his chest and said.

“Lin Ran! I’ll kill you!”

Long Ya’s entire body wanted to find a crack in the ground.

If Lin Ran could see such a small black spot, wouldn’t the other more obvious places This guy had it all burned into his brain!

Thinking of this, Long Ya only felt that she had lost out big time this time and couldn’t find a good way to retaliate if she wanted to.

But soon she thought of something and suddenly laughed.

“Lin Ran! Let me ask you a question!”

“Ask, but I’ll answer whatever I see and you ask what I know!”

Lin Ran laughed.

“Fuck off!”

Long Ya said without a smile before laughing.

“You just had a nosebleed, is it hard to believe that you’re so old and still a virgin?”

“I”

Lin Ran was stunned, feeling his old face was shameless, twenty seven! Still a

“Humph! Look down on who, you’re not too!”

Lin Ran retorted.

Long Ya’s pretty face instantly turned red at his words.

“Stinking rascal! You only have a strong mouth! After twenty-seven years you’re still an old man!”

Chapter 1157

The following morning, at dawn, the Empire Hotel was already getting irritated.

The Imperial Hotel is a five-star hotel by nature and is usually busy, at least but today it will be even busier.

“Oops! Lin Hong how can you do such a dirty job, just leave it to me!”

In the back kitchen of the hotel, a waiter was busy grabbing the plate Lin Hong was brushing in his hand.

“No need, I can do it!”

Lin Hong was a little embarrassed.

“Brother Lin Hong you come and help me mop the floor!”

To the side, Lin Qiu laughed.

“Good!”

Lin Hong instantly walked over.

It was the Lin family siblings who were busy at this moment.

After Sister Hua had recognized Lin Hong and Lin Qiu as her godbrother and godsister, their status in the hotel had also risen.

But in their hearts, they knew very well that everything they had today was because of Lin Ran.

Therefore, they did not slacken off in the slightest and did not use Lin Ran’s status and Sister Hua’s power to do whatever they wanted at the hotel.

Instead, they did as much as they could to do their jobs, in fact, to be honest, they were already very satisfied with having a job.

In fact, to be honest, they were already very satisfied with their jobs, and with their current relationship, if they did not do their jobs well, I was afraid that they would bring criticism to Sister Hua and Lin Ran.

Both of them are children born in poor families, so they naturally know the word cherish.

“Brother Lin Hong it is said that today is the banquet of the Imperial Yue family, do you think we will”

Lin Qiu always had some worries in her heart.

“Don’t worry, we have Sister Hua to cover us now for sure it will be fine!”

Lin Hong laughed.

“I hope so, I don’t want to give Sister Hua any trouble!”

Lin Qiu said.

“Well I know, that’s why I talked to my sister, we won’t go to the front today, we’ll help out at the back!”

Lin Hong said.

“Mhmm!”

Lin Qiu smiled at his words and nodded.

They couldn’t afford to mess with the Yue family, and they didn’t want to cause trouble for Sister Hua, so they were going to help out in the back of the kitchen today, as the saying went, not seeing is not bothering.

But they didn’t want to cause trouble, but trouble came to them of its own accord.

At this moment, they were at the entrance of the hotel.

“Brother Tian, why are you here so early in the morning, there are still two hours before the birthday banquet starts!”

A group of people were standing at the entrance, and one of the burly young men said to the boss beside him.

“Two hours? That’s not much time either, we must finish what Brother Ce has explained today or we will all have to lift our heads to meet!”

Zhang Tian’s face was icy cold, he had just been cleaned up by Lin Ran at the mall yesterday, he didn’t expect to have to come out on another errand today, he just hoped he wouldn’t run into that kid again this time.

“Damn it! If I run into him, I’ll call out to Brother Ce!”

Zhang Tian thought to himself.

Brother Ce was like a god in his heart, with Brother Ce’s help, that kid Lin Ran would be dead in a heartbeat.

“Brother Tian, what is the mission?”

Zhang Tian thought in his mind, while the youth at the side was busy asking.

“Go and find me two waiters, one called Lin Hong and one called Lin Qiu! After you find them, bring them to me in the private room!”

Zhang Tian sneered.

“That’s not so simple!”

The youth immediately laughed at his words.

“O? What do you have in mind?”

Zhang Tian looked at his men.

“You just watch!”

The youth laughed heatedly, and immediately led his men into the hotel first.

Ten minutes later, inside the hotel box.

“Brother Tian is done, the men will be here in ten minutes!”

The youth laughed triumphantly.

“You kid can do it, how did you get there!”

Zhang Tian looked at his man.

“It’s simple, I asked them to be waiters, and it was done!”

The youth laughed.

“There you go!”

Zhang Tian laughed in satisfaction.

And just as they were talking, the door of the compartment had been opened.

It was the two siblings, Lin Hong and Lin Qiu, who entered.

“Greetings, it’s a pleasure to serve you!”

Lin Hong said with a smile as soon as he entered.

While Zhang Tian and the others’ eyes instantly fell on Lin Qiu’s body at the back.

“Holy shit! This ninny is really fucking watery, although she doesn’t have the temperament of that Long Ya from yesterday, she’s still a superb product!”

Zhang Tian’s eyes were instantly worthy.

His men saw this and instantly understood and laughed.

“Your name is Lin Hong, right, go! Rush the dishes for our big brother! Wait at the door if the food doesn’t arrive!”

The youth said this already throwing the menu to Lin Hong.

“Ao! Okay!”

Lin Hong didn't think much of it, smiled at Lin Qiu and turned his side and left the box.

“Let me help you guys pour water!”

Lin Qiu didn't think much of it at this point, picking up the water bottle and preparing to pour water.

Zhang Tian was already pressed at this point and looked at Lin Qiu and laughed.

“Little beauty, pouring water is so troublesome, and I am very lazy, how about you feed me yourself? There's a reward for good feeding!”

Lin Qiu's pretty face turned red when she heard that, and she took two steps back and said.

“Sir, you can't!”

“What's not allowed, I don't mind just fine!”

Zhang Tian said as he had gotten up and walked towards Lin Qiu, his pair of thieving eyes constantly glancing at Lin Qiu's body.

“Mister don't you do that, it's really not allowed!”

Lin Qiu was full of panic and looked towards the door, but at this moment the door was already blocked by two men in black, so obviously Lin Hong couldn't get in.

“Don't look for it, your little brother can't get in, today you can serve your brother Tian well!”

“Haha!”

Zhang Tian said as he had already picked Lin Qiu up and turned around to throw her on the sofa to the side.

“Go! Watch the door for me, when I'm done getting high you'll all get a share!”

Zhang Tian laughed.

“Okay boss!”

The youth was instantly energised and personally led the men to guard the door.

“You guys! Beasts!”

Hearing Zhang Tian's words, Lin Qiu's eyes instantly turned red and two lines of tears instantly flowed out.

“Brother Lin Ran! Brother Lin Ran!”

At this moment, the only thing she could think of was Lin Ran.

....

“Hey! Get up big lazy cat!”

On the third floor of the hotel, a crisp voice rang out in her ears.

Lin Ran froze in shock as he was busy looking to his side.

“You Why are you in my bed!”

Looking at Long Ya beside his bed, Lin Ran froze in his tracks.

He himself hadn't been drinking last night, so when did Long Ya run into his bed.

Thinking that Lin Ran was busy lifting the quilt to look down.

“It's over! It's over how he can't remember anything!”

“Long Ya you! You actually slept with me!”

Lin Ran instantly wanted to cry.

“Bah! What are you thinking about!”

Long Ya, however, stood up and pointed at Lin Ran, laughing.

“Thinking pretty well every day, letting me sleep with you! Did you get the bride price for our family? I just came over and your phone was ringing non-stop, can't you hear it!”

Long Ya said without good humour.

Lin Ran was stunned.

“Mobile phone?”

Only then did Lin Ran remember that he had a vague feeling before going to bed last night, so he cultivated for a while, so he should have been too tired in the morning and didn't hear it.

“Who is it!”

Lin Ran picked up the phone and saw that it was surprisingly Sister Hua calling.

At the beginning, in order to facilitate understanding of the affairs of Lin Hong's siblings, Lin Ran had given Sister Hua her own phone number.

But normally, Sister Hua would not contact herself if there was nothing wrong, so why was she suddenly calling herself this morning.

Lin Ran's heart was puzzled and he quickly picked up.

“Mr. Lin it's not good, Lin Hong and Lin Qiu have been taken away!”

As soon as the call was answered, Sister Hua said busily.

“When? Who took them away?”

Lin Ran was instantly anxious as well and was busy asking.

“Just ten minutes ago, the place is the box on the first floor, I am now outside supervising the incoming goods a time I can not return, Mr. Lin”

Before Sister Hua could finish her sentence, Lin Ran had already hung up the phone, wearing big trousers and bare-chested already rushed out.

“Hey! You’re not wearing any clothes! What’s the hurry!”

When Long Ya saw how out of shape Lin Ran was, she just had to follow him out in her pajamas, while not forgetting to get a top for Lin Ran!

Chapter 1158

In the first floor box.

“Don’t you come any closer! Don’t you come over here!”

Lin Qiu looked at the man in front of her with a face full of panic.

This man was old enough to be his own father.

But this was such a man,? Yet he was shamelessly trying to defile himself.

“Little beauty, you’re quite stubborn, you can’t help but tense up after just ripping off your overalls! Looks like I’ll have to put in more effort!”

Zhang Tian looked at Lin Qiu in front of him, his eyes filled with evil fire.

The more Lin Qiu resisted, the more it excited him.

“Don’t you come over! Don’t you come over, my brother is Lin Ran!”

In his panic, Lin Qiu actually said Lin Ran’s name out loud.

Earlier, he remembered that Lin Ran had said that she would report her name when she encountered a problem.

At this moment, she didn’t know if it would work or not, and even saying it out loud was mindless.

“Lin Ran?”

Hearing this name, Zhang Tian was visibly stunned, how could he not remember this name.

“You know my brother? Then will you let me go!”

Lin Qiu was busy begging.

However, Zhang Tian’s face was ugly and he said in a cold voice.

“Lin Ran! Lin Ran! It’s Lin Ran again, what a fucking coincidence!”

Lin Qiu’s heart chilled at his words, it was obvious that this Zhang Tian and Lin Ran would be head-to-head.

“Laozi is really here today, since you are Lin Ran’s sister, then pay his debt for him!”

Zhang Tian said with a chill in his eyes going forward to rip Lin Qiu's clothes.

Previously, Zhang Tian was half-playing and half-tearing, so he only removed a piece of his work clothes, but at this time, he was serious and the anger in his heart made his strength increased a lot.

Lin Qiu was no match for him, and instantly the sleeve of his jumper was ripped off.

"It's really watery!"

Looking at Lin Qiu's white arm.

"Come here for me!"

Zhang Tian was so fierce that he directly grabbed Lin Qiu from one side and into his arms.

"No! Don't!"

Lin Qiu was even shedding tears of despair at this point.

And at this moment, Lin Ran had already rushed down from upstairs, but Sister Hua hadn't even said which box was on the first floor, so he could only look for them one by one.

"Bang!"

A kick kicked open the compartment that he didn't know how many times he had searched for it, and it was still empty.

"Where the hell is everyone!"

Lin Ran couldn't help but curse angrily.

But at that moment, a faint voice suddenly reached his ears.

"No! Please let me go!"

Lin Ran's whole body shook as he heard it, wasn't this Lin Qiu's voice?

Lin Ran followed the voice to the wall and wiped his fingers to find that it was a single wall that had been sealed up later and should have been built to separate out the private room!

"Bastard!"

Lin Ran cursed angrily, not bothering to look for the entrance again, and kicked the wall directly.

The entire wall collapsed with a loud bang.

"Holy shit! Brother Zhang is so strong!"

"Not really, otherwise it would be Brother Zhang!"

"I can't say the same for myself!"

At the front door of the room, a few of Zhang Tian's chiefs chattered, while at that moment Lin Hong had not yet returned from rushing the dishes.

“What’s going on?”

Zhang Tian, who was still immersed in his desire, was also taken aback.

But when he looked at Lin Ran, who walked out from over the wall, he was truly frozen in his tracks.

“You! How did you”

“Brother Lin Ran!”

Lin Qiu also saw Lin Ran and hurriedly ran over, jumping into Lin Ran’s arms as soon as he could.

Luckily, Lin Ran came in time, if he had come a few minutes later, I’m afraid he would have

Holding Lin Qiu, I felt her whole body tremble, and Lin Ran’s eyes were gradually engulfed in red, which was burning with anger.

“It’s okay! Brother is here!”

Lin Ran patted Lin Qiu and said comfortingly.

Soon Long Ya also rushed over.

“Lin Ran!”

Mr. Long Ya was stunned, but when he saw Lin Ran’s bloodshot eyes, he instantly understood what was going on.

“Take care of her!”

Lin Ran let go of Lin Qiu and sent her next to Long Ya, when only then did he turn to look at Zhang Tian who was preparing to escape.

“Take her away!”

Lin Ran was burning with anger at this point and opened his mouth to warn.

Following this, he rushed towards Zhang Tian with an arrow step.

“Let’s go first!”

Long Ya pulled Lin Qiu away first, she knew that the next time was when Lin Ran was angry, that Zhang Tian was afraid that he would be very miserable, Lin Ran obviously did not want Lin Qiu to see the next scene.

“Lin Lin Ran! What do you want! I I didn’t do anything!”

Zhang Tian looked at Lin Ran with panic in his eyes.

“Didn’t do anything?”

Lin Ran spoke, his body trembling with rage.

“You fucking told me I didn’t do anything!”

Lin Ran copied the chair on the side and smashed it directly towards Zhang Tian.

“Bang!”

With a loud bang, the chair shattered and Zhang Tian’s entire body fell to the ground, spitting out blood.

“If I had come two minutes later, you would have had to collect your own corpse for yourself!”

Lin Ran was furious as he followed up with another chair and smashed it with a bang.

“Don’t! Don’t hit I I know I’m wrong!”

Zhang Tian was lying on the ground and said.

“Wrong? Wrong? You’re paralyzed!”

Lin Ran rushed up with an arrow step and kicked Zhang Tian in the arm, immediately hearing a “click” sound, Zhang Tian’s whole arm bones directly shattered.

“Brother Tian!”

The men outside the door heard that something was wrong and rushed in, but when they saw the scene in front of them, they froze.

“Clang!”

Lin Hong, who had returned with the first dish, also saw this scene, only that his gaze was falling on the ground to the side.

At that moment, there was clearly a piece of Lin Qiu’s overalls there.

“Brother Lin Ran, where is Lin Qiu!”

Lin Hong’s eyes were also furious.

“I let someone take Lin Qiu away, if I hadn’t arrived in time, Lin Qiu would have been spoiled by this bastard!”

Lin Ran said angrily.

To be honest, he was somewhat resentful of Lin Hong, he had helped himself so much, but Lin Hong still almost let Lin Qiu put his life at risk.

However, Lin Ran was also clear that he was on the verge of anger at the moment, and Lin Hong was not strictly to blame for this matter at all.

“What!”

Lin Hong’s eyes also went red at his words.

“Where is Lin Qiu!”

Lin Hong asked busily.

“You just stand here! I’ll take you to him later!”

Lin Ran bellowed coldly, his voice exploding directly in Lin Hong's mind.

"I understand!"

Lin Hong smiled and did not speak, quietly standing aside and coldly watching the scene, he did not say a word, but there was endless anger in his eyes.

"Come here, you guys! Get him up for me!"

Lin Ran turned his head and scolded at Zhang Tian's men.

"Yes Yes!"

At this point, the men were all scared silly, so how could they dare to resist, and were busy helping Zhang Tian up from the ground.

"Say! Who told you to come!"

Lin Ran looked at Zhang Tian, his voice icy cold.

"No There's no one!"

Zhang Tian cried, Brother Ce wasn't an ordinary person either, so if he were to betray Brother Ce, I'm afraid it wouldn't end well, so how could he dare to say anything.

"Very well!"

Lin Ran's eyes were cold, then he slapped Zhang Tian's other arm directly, and immediately heard a "click" sound, Zhang Tian's other arm was fractured.

"Who sent you here!"

Lin Ran asked again.

"I"

Zhang Tian was in a cold sweat, if he didn't say anything I was afraid

"It's Brother Ce! Brother Ce!"

Finally Zhang Tian compromised.

"Which Brother Ce!"

Lin Ran's eyes were icy cold as he questioned.

Zhang Tian's frightened guts chilled and he busily said.

"Yue Qunze! Yue Qun Ce of the Yue Family, that's Brother Ce! Brother Ce is Yue Qun Ce!"

"Yue Qun Ce!"

Lin Ran's fists clenched at his words, the anger in his eyes burning wildly.

Chapter 1159

“Call Yue Qun Ce,? I don’t care what method you use,? Tell him to come over immediately!”

Lin Ran looked at Zhang Tian with an icy voice.

“I I’ll think of something!”

Zhang Tian cried.

The youth at the side was busy helping Zhang Tian take out his mobile phone.

Zhang Tian thought for a moment, suppressing the fear in his heart and gathering his emotions before he called the phone over.

“Xiao Tian, how did things go?”

As soon as the phone was connected, Yue Qun Ce asked from inside.

“Ce Brother Ce, there’s been some minor trouble, you have to come over!”

Zhang Tian said as calmly as he could.

“A little trouble? What kind of trouble?”

Yue Qun Ce asked.

“Brother Ce, it’s hard to say on the phone, but you really need to come, otherwise this will affect the old man’s birthday banquet!”

Zhang Tian said busily.

“Hm?”

Yue Qun Ce frowned slightly at his words and said after a moment.

“I’m going over there now, you better not cause any big trouble for me, or I’ll get you killed!”

After saying that, Yue Qun Ce hung up the phone.

“Very well!”

Lin Ran nodded at this, followed by a slap that directly knocked Zhang Tian unconscious, while using Zhang Tian’s mobile phone to send a text message to Yue Qun Ce, followed by directly dropping it to pieces.

The text message read, “Second floor, box two, three, two!”

“Take him and get out! If he dares to appear in the Imperial Capital again, I’ll kill him!”

Lin Ran said angrily.

“Yes! Yes!”

The youth was so scared that he was busy carrying Zhang Tian and ran out of the hotel like his life depended on it.

For the next half an hour, Lin Ran was not talking, just sitting on the sofa and smoking a cigarette.

And Lin Hong remained standing in place, motionless, quietly watching the scene in front of him.

Only his fists were clenching tighter and tighter.

Only one voice was echoing in his mind at this moment.

“Strength! This is strength! What can I do without strength? I can’t even guard the woman I love the most!”

.....

Half an hour quickly passed, and the quietness of the compartment was finally broken by the sound of the door being pushed.

Lin Ran and Lin Hong turned their heads to see that the person who had entered was none other than Yue Qun Ce!

“Lin Ran?”

Seeing Lin Ran in the compartment, Yue Qun Ce immediately understood that he had been duped and turned around to leave.

“Want to leave?”

Lin Ran’s eyes were cold as his palm yanked violently, and Yue Qun Ce’s entire body actually flew backwards in the air.

At the same time, the door of the compartment closed by itself with a “bang”.

“Lin Ran, you want to do”

Yue Qun Ce, who was flying backwards, shouted, but before he could finish his words, he felt a heavy blow to his back and immediately spurted out a mouthful of blood.

“Bang!”

Following that, Yue Qun Ce’s entire body fell directly to the ground, blood flowing from the corner of his mouth.

“Lin Ran You!”

Yue Qun Ce was incomparably angry in his heart, even if his plan was exposed, but from the time he appeared, but he really hadn’t said a word, he had directly received a beating first.

“Yue Qunze! You really deserve to die!”

Lin Ran looked at Yue Qun Ce, his eyes full of killing intent.

“Yes! I deserve to die! Do you think you’ll live?”

Yue Qun Ce laughed.

“Offending my Yue family, and in the imperial capital, you can’t even be the king of the heavens!”

Yue Qun Ce said angrily.

“Is that so?”

Lin Ran’s expression was bland as he followed with a kick directly onto Yue Qun Ce’s arm.

“Ka-chow!”

Yue Qun Ce’s arm was directly crushed and fractured.

“Ah! Lin Ran I I want you to die a horrible death!”

Yue Qun Ce was incomparably angry, and his eyes were even bloodshot like pillars.

“Are you worthy?”

Lin Ran followed with another kick, directly hitting Yue Qun Ce in the abdomen.

The latter spurted out another large mouthful of blood, and his entire body smashed heavily against the foot of the wall, directly fainting to death.

At this moment, the entire floor of the box was already stained red with blood.

Lin Ran sat down on the sofa again, lit a cigarette and smoked it.

Next to him, Lin Hong was still standing in place, not saying a word.

Soon a cigarette was finished by Lin Ran, and he threw the butt on the floor before turning his head to look at Lin Hong.

“Thinking about what?”

“Thinking about getting stronger!”

Lin Hong clenched his hands, with anger in his eyes.

“Want to become stronger? Why?”

Lin Ran asked with a bland face.

“I want to be as strong as you, brother Lin Ran, and I want to protect Xiao Qiu!”

Lin Hong said bluntly.

“Nothing else?”

Lin Ran asked.

“Nothing else!”

Lin Hong was also honest.

Lin Ran nodded and didn’t say anything.

Taking out his phone and looking at it, it was already eight in the morning, and in another half an hour it would be Yue Shan’s birthday banquet.

Lin Ran this just this got up and said.

“Xiaoqiu is in my room, you go check it out! In half an hour, you two follow me! Go to the Yue family’s birthday banquet together!”

Lin Ran said.

“Yes!”

Lin Hong solemnly nodded his head.

In the past, he would definitely be worried, after all, what were his and Lin Qiu’s identities, and they also had conflicts with the Yue family, how would they dare to go to the Yue family’s birthday banquet.

But after having seen Lin Ran’s skill, he had completely understood that Lin Ran was not an ordinary person, and he himself had to seize this opportunity, or else what happened today might happen to him again in the future.

“I, Lin Hong! To become stronger!”

Lin Hong kept admonishing himself in his mind.

Leaving the box, Lin Ran went to call the Grand Elder.

“Pavilion Master! What are your orders!”

The Grand Elder said respectfully.

“Second floor box, take the people in there away first! When the Yue family birthday banquet starts later, give them to Yue Shan as a gift!”

Lin Ran said indifferently, and then hung up the phone.

Soon, dozens of men in black arrived at the box and took Yue Qun Ce away, as for the mess inside the box, naturally, Lin Ran didn’t need to be bashful, Sister Hua would naturally take care of everything.

When they returned to the room, Lin Qiu and Lin Hong had already changed their clothes and were sitting on the sofa chatting with Long Ya.

It had to be said that Long Ya, this nun, was still very attentive, and under her guidance Lin Qiu’s mood had obviously improved quite a bit, and he no longer had the sad look he had before.

“Brother Lin Ran!”

Seeing Lin Ran return, all three of them stood up.

“You two wait for me, I’ll change my clothes and we’ll go out and post!”

Lin Ran laughed, and immediately went back to his room, in his haste to go out earlier, he didn’t even wear a jacket, he was still wearing a big pair of trousers.

“Where’s that Yue Qun Ce?”

As Lin Ran was changing his clothes, Long Ya also walked in.

“Let someone take it away!”

Lin Ran said.

“What are you going to do with him?”

Long Ya’s eyes microned, clearly angry.

Hearing Lin Qiu’s account earlier, Long Ya also hated him and wanted to kill him outright.

“He’s a gift, I’ll give it directly to the Yue family later!”

Lin Ran’s face was icy cold as he buttoned up the last button of his clothes, and then he and Long Ya walked out of the room.

“Let’s get going!”

With a beckoning call, Lin Ran then took the lead and walked out of the room.

.....

At eight thirty in the morning, in front of the Empire Hotel.

“The Imperial Capital Fengyun Family’s family head has arrived!”

“The Imperial Capital Liu family head has arrived!”

“The Xibei Hong family head has arrived!”

With the sound of a butler’s voice ringing out, Yue Shan’s birthday banquet officially kicked off.

“What’s going on? Why does the phone keep not working!”

At the entrance of the hotel, Yue Shanshan was anxious.

“What’s wrong with Shanshan?”

Suddenly a young man’s voice came over.

“Brother Qunshan! Have you seen Brother Qun Ce, I’ve called several times but no one answered!”

Yue Shanshan was busy saying.

“I haven’t seen it! Let’s go in first, maybe we’ll get there ourselves later!”

Yue Qunshan laughed.

“Alright then!”

Yue Shanshan saw that she had to enter the hotel with Yue Qunshan first.

Chapter 1160

“Shanshan! It’s the whole imperial capital today, including all the big families from other places, so don’t you have to think about your personal problems too?”

Yue Qunshan and Yue Shanshan sat at a table, laughing and chatting.

“Brother Qunshan, I’m not even in a hurry what are you in a hurry for!”

Yue Shanshan’s pretty face reddened slightly, talking about this matter, she couldn’t help but think of Lin Hong.

And when she thought of Lin Hong, she couldn’t help but think of Yue Qun Ce, Yue Qun Ce had called her in the morning and said that he had arranged for someone to clean up Lin Hong.

But she didn’t know what happened now.

Not even a word, instead Yue Qun Ce’s own phone number was out of order.

“Imperial Capital! The representative of the Li family has arrived, presenting two thousand-year-old ginseng plants!”

Soon another voice rang out.

“The Li family is here too!”

Hearing this voice, Yue Shanshan was clearly excited.

And the other Yue family members on the side also felt their faces light up.

Just kidding, the Li Family Fire Family in the Imperial Capital was an absolute big family, the fact that people could come was enough to show that the Yue Family’s status in the Imperial Capital was still there.

“How about it, want to find a disciple from the Li family?”

Yue Qunshan asked with a smile.

Yue Shanshan smiled and her pretty face flushed as she busily said.

“Don’t be ridiculous, I don’t want to marry someone yet!”

“Haha! You can blush too!”

Yue Qunshan couldn’t help but laugh.

Yue Shanshan, however, suddenly asked.

“Right, Brother Qunshan, aren’t you worried about Brother Qunze at all?”

“Worried? Why should I worry, this is the imperial capital!”

Yue Qunshan laughed, while taking out a stone.

“And he has a sensing stone, I can sense that he’s here in the hotel, he can’t be lost!”

“That’s good!”

Yue Shanshan smiled at this and breathed a sigh of relief, secretly saying in her heart.

“Could it be that Brother Qun Ce is still cleaning up after the two Lin Hong?”

As the thought was going through her mind, another voice suddenly rang out.

“Imperial Capital Qin Family, Qin Jie has arrived, gift of ten golden silk bird’s nests!”

As soon as this voice came to mind, the entire hall of guests immediately looked towards the door.

Only to see Qin Qi walking in with a smile on his beard.

“Shit! Ten bird’s nests and you dare to come! This Qin family is really increasingly not taking our Yue family into consideration!”

“That’s right, last month, I ate more than a hundred of them in a month, but this old man Qin Ji only brought ten of them as a gift!”

“This Qin family is simply here to provoke our Yue family!”

Many Yue family members murmured, with anger on their faces.

As disciples of a large family, they ate bird’s nest like water, let alone a mere ten joss sticks.

If it were ordinary people, I am afraid they would still feel that this was a good gift, but for the Yue family this was simply a slap in the face.

The 1,000-year-old ginseng that they had given before, a single beard could have bought a thousand bird’s nests.

“This Qin family is really getting more and more reckless!”

Yue Shanshan also frowned slightly as she listened.

On the other side, Yue Qunshan’s face was indifferent as he sneered.

“Don’t worry, after some time, I will make the Qin Family kneel honestly before our Yue Family!”

“Ah? Brother Qunshan you!”

Yue Shanshan looked at Yue Qunshan with surprise in her eyes.

“That’s right! Brother I’ve made a breakthrough!”

Yue Qunshan smiled smugly.

“But it was just yesterday that I broke through, so my strength is still unstable, when my strength stabilizes after a while, the Qin family will be a piece of shit!”

“That’s awesome!”

Yue Shanshan exclaimed.

Although she didn’t know how to cultivate, she knew that Yue Qunshan was definitely very powerful, especially now that she had a breakthrough, her strength was naturally very strong.

In fact, this was not surprising, most of the people who came to Yue Shan's birthday banquet today were people from the Yue family's outer clan, and very few people from the inner clan would come.

For example, the information provided by the Grand Elder before, there was also an elder from the inner clan named Yue Gou who had returned, and his strength was still at the peak of the Heaven Seizing Realm.

Yue Qunshan, on the other hand, had now crossed into the Realm of Creation, and this was the difference.

For clans like the Yue Clan and the Qin Clan, the strength of the elders was often not proportional to their status, and this could not be helped.

Unlike the Dragon Family and the Li Family and the Fire Family, their inner clan had just been created, so the strength of the elder clan was mostly groped out, while the later clan was based on their predecessors' natural strength would be higher.

For example, Yue Qunshan was the one who, through the efforts of the elders, qualified for the Mystic Alliance Qiong Hua Mountain and has only now crossed into the Realm of Creation.

While those elders were afraid that it would be difficult for them to enter the Realm of Creation in their lifetime, this was an inevitable trend caused by the development of these clans.

"Right! How come we don't let Brother Qunshan deal with that Lin Ran?"

Yue Shanshan thought in her mind.

But before she could say anything, she thought, "Brother Qun Ce is cleaning up Lin Hong, so there is no rush to deal with Lin Ran, it's not too late to talk about it after Elder Yue Shan's birthday banquet.

As she was thinking on her side, Yue Shan was already walking out from the backstage, accompanied by Yue Gou and the other senior members of the Yue family's outer clan.

"Old head Qin Qi! You're really stingy to the core!"

Yue Shan sneered as soon as he appeared.

"Ten golden silk bird's nests, what! Your Qin family is still not up to it? How can you even offer such a shabby gift?"

"Old man Yue, you don't have to chew on me here!"

Qin Ji was not angry, instead, he sneered.

"If you think my gift is shabby, I am afraid you have forgotten what you gave me on my 60th birthday!"

Qin Ji said with a wave of his hand, and a wooden box immediately flew out.

"Bang!"

The wooden box instantly shattered, and at once ten black lacquered things flew directly in front of Yue Shan.

“These are the ten golden silk bird’s nests you gave away back then, I will return them today as they were!”

Qin Jie sneered.

“You!”

Yue Shan’s face instantly sank.

Qin Qi was right, this gift was indeed from him back then.

The Qin family and the Yue family had been fighting for decades, and he, Yue Shan, and Qin Ji were also old enemies.

He just didn’t expect that nowadays this Qin Qi would still dare to use something from back then to disgust him.

“Qin Ji, you wouldn’t have not heard about our Yue family, would you!”

Yue Shan looked at Qin Qi, his voice icy cold.

“News? You mean your Yue family’s illegitimate son, Liu Rushan?”

Qin Qi said, but followed it with a laugh.

“Yue Shan I think your Yue family is really confused in a hurry, right? The person’s name is Liu Rushan, but his surname is Liu, and he has half a thing to do with your Yue family!”

“Nonsense from old man Qin Ji Xiu, Ruishan is a son of my Yue family, he has just been hidden, his original name is Yue Ruishan!”

Yue Shan chided.

Qin Ji laughed at his words.

“Whatever Liu Rushan or Yue Rushan, why don’t you call it out and see, you want to scare me with a rumour?”

“Good! Good!”

Yue Shan smiled at his words.

“Since you want to see it so much, then you can do well! Don’t pee your trousers later!”

“Piss your trousers? You Yue Shan are definitely ahead of me!”

Qin Qi sneered, and without any nonsense, he directly found a place to do so, in fact, he came today, one was to avenge the humiliation of the ten golden bird’s nests back then.

This second was to see if the so-called Yue Ru Shan was this person or not.

The Qin family had not seldom searched for information about this Yue Rushan.

If this person really existed, I was afraid that the Qin family’s position in the imperial capital would be in jeopardy.
