

Wonder Doctor

Chapter 1191

The surroundings were dim.

As Lin Ran gradually regained consciousness, the darkness this gradually dissipated.

“Where is this?”

Opening his eyes and looking at the unfamiliar place in front of him, Lin Ran muttered to himself.

“This is the Plum Blossom Cave!”

Lin Ran walked over from the side and laughed.

At this moment, she was smiling with tears in her eyes as she jumped into Lin Ran’s arms.

Thousands of thoughts then frantically rushed into Lin Ran’s mind, countless memories assaulted him and he froze for a long time.

“You ..... You succeeded?”

Lin Ran looked towards Ling Sa.

“Mm!”

Ling Sa nodded, while taking out a book.

Lin Ran saw that on the cover of the book, there were four ancient words written, “Plum Blossom Heavenly Book!”

Of course, these four words were also written in the kind of writing used in the world where the Pillow Book was located.

“It’s good to have it! Let’s go out!”

Lin Ran spoke.

Lin Ran was in no hurry at this point and laughed.

“Don’t you want to see what’s on it?”

“No need,? Granny Plum Blossom dared to let me in, so she obviously knew that I definitely wouldn’t be able to learn it, so why waste this time!”

Lin Ran shook his head.

Lingyan smiled at his words.

“You really can’t learn it, because this Plum Blossom Heavenly Book, can only be practiced by female disciples!”

“Er .....”

Lin Ran was stunned, not expecting this to be the reason.

“Weng!”

As the two were talking, a layer of ripples appeared in the space next to them, followed by a whirlpool appearing out of thin air.

“Granny’s here,? Let’s go!”

Ling Sa helped Lin Ran to stand up.

“Mhm!”

Lin Ran nodded, with anticipation in his eyes.

There was no telling how long he had been delayed in this Plum Blossom Cave, and how the situation outside was now.

“Little friend Lin Ran, still not coming out?”

Granny Plum Blossom’s voice came from within the whirlpool, and only then did Lin Ran and Ling Sa look at each other, then took another deep look at the Plum Blossom Cave, before walking into the whirlpool together.

....

A few moments later, within the familiar courtyard.

“Little friend Lin Ran is truly a hero, I owe you a favour this time!”

As soon as the two Lin Ran appeared, Granny Meihua walked over with a smile.

“Granny is joking, it was a matter of cooperation, what is there to owe or not to owe a favour!”

Lin Ran arrived indifferently.

“But I am curious to know just how long we have been delayed in the Plum Blossom Cave?”

Lin Ran asked, this was what he was most concerned about right now.

“Haha!”

Granny Plum Blossom laughed instead.

“This Plum Blossom Cave is a sacrifice of the ancestor’s magic treasure, and it is a place of retreat and cultivation for the ancestor during the weekdays...? The flow of time inside is many times faster than outside!”

“Let me put it to you this way, from the time you entered the Plum Blossom Cave until now! But only just five hours have passed!”

“Five hours?”

Lin Ran and Ling Sa both froze for a moment, followed by a smile.

Only five hours had passed, so that meant they could still make it in time for their trip to Xingwu Mountain.

“I know you guys are going to Xingwu Mountain! There’s no need to rush, there’s a burst of magic within our Plum Blossom Sect that can send you to Wu Zhen near Xingwu Mountain, from there it will only take two hours at most to get to Xingwu Mountain!”

Granny Plum Blossom laughed.

“Then when can we leave, Granny!”

Lindsay asked busily.

“There’s no rush, I still have something to tell you, and you can leave when we’ve finished! I have already arranged for Li Ba to go to the teleportation formation, so little friend Lin Ran can also go there first!”

Granny Meihua said.

“Fine!”

Lin Ran nodded, and immediately rushed towards the teleportation formation, led by the Plum Blossom Sect disciples.

Lin Ran and Granny Mei Hua were alone for ten minutes.

Only then did the two arrive at the teleportation formation and rendezvous with Lin Ran.

As for what they were talking about, Lin Ran naturally had no idea, but he didn’t bother to ask.

It was just about the matter of the Plum Blossom Heavenly Book and the explanation of Lin Ran’s position as Sect Leader.

“Alright! It’s getting late, we’ll leave now!”

Lin Ran said as he rushed towards Granny Plum Blossom.

“Mm! Little friend Lin Ran, thank you very much!”

Granny Plum Blossom arched her hand at Lin Ran, as if she was very grateful to Lin Ran for taking out the Plum Blossom Heavenly Book this time.

“Let’s go!”

Lin Ran smiled, and then he led the two into the formation.

Light flowed, and soon the three of them disappeared within the formation.

“Do you know why Granny is so grateful to you?”

The sky spun around them, but Lin Ran suddenly asked with a smile.

“Why?”

Lin Ran was also curious and asked.

“Because you helped her retrieve the Plum Blossom Heavenly Book, and our Plum Blossom Sect will have something to fall back on from now on, which is why she agreed for me to come out with you!”

Ling Sa laughed.

“Is this Plum Blossom Heavenly Book that amazing?”

Lin Ran asked with a smile.

“It’s really magical, you’ll find out in the future!”

Lin Sha laughed and didn’t say much.

.....

Wuzhen, was a very famous town.

Because in this town, it could be said that the whole population practiced martial arts, and every household was a master capable of martial arts.

The town was also originally called Wuzhen, but later because the town burst into a fire, the town burned black, which was flirted with by later generations as Wuzhen.

The name Wuzhen has been used ever since.

But those who know the town know that Wuzhen is actually called Wuzhen.

In the middle of the town, there is a large martial arts platform, which is usually a famous tourist attraction, especially the platform, where many competitions have taken place.

Today, however, was somewhat surprising, as there was not a single person on the originally lively martial arts platform.

“Weng!”

Suddenly, a light flashed, followed by three voices appearing out of thin air on the martial stage.

“This is Wu Zhen?”

Lindsay was excited as she looked at the ancient buildings around here.

“Fortunately! No one has found out, otherwise I’m afraid we’d have to be taken away for investigation!”

Li Ba laughed.

Lin Ran, however, frowned slightly and looked at an old man who was sweeping the street next to the tournament stage.

The old man looked up at the three of them and had doubts in his eyes, but he hadn’t seen the three of them appear out of nowhere, so he quickly ignored them and turned his head back to sweeping the street.

“What’s wrong boss?”

Li Ba saw that Lin Ran kept staring at the old man and couldn’t help but ask.

“I don’t know, I always feel like this person is familiar!”

Lin Ran said.

This old man gave him a very familiar feeling, as if he had seen him somewhere before, but for a while he couldn’t remember.

“Boss you’re mistaken, all old men under this world are the same, hurry up and go! This is Wuzhen, it is said that people going to Xingwu Mountain will come here to land, tomorrow is the time to go up to Xingwu Mountain, this Wuzhen must be very busy today!”

Li Ba said.

Lin Ran nodded, and only then did the three of them leave the tournament stage.

However, not long after the three had just left the tournament stage.

The old man who had been sweeping the floor suddenly dropped the broom he had been talking about and hurriedly went into a nearby dwelling.

He then took out a letter bucket from his waist, picked up a pen and wrote something, then with a wave of his hand a carrier pigeon actually flew over.

If Lin Ran and the others were here at this time, they would have been very surprised that there were still people using carrier pigeons to send messages in this era.

#### Chapter 1192

Somewhere on a very secluded island in China.

Two figures were sitting cross-legged facing this crag.

The two were none other than the Chao Heavenly Pavilion’s Third Elder and Fourth Elder, who had been ordered by Lin Ran to stay here in confinement.

“Hm?”

Suddenly the two opened their eyes at the same time, and at this moment, in front of them, a carrier pigeon had flown over.

Only at this moment, the messenger pigeon was long ago not the one that the sweeping old man had released earlier.

“Lin Ran has entered Wuzhen!”

The Third Elder finished reading the letter and directly burned it to ashes.

“Our intelligence delay is only half an hour at most, which means he’s still going back to Xingwu Mountain tomorrow!”

The Third Elder muttered to himself.

“Third Brother, then we ....”

The fourth elder looked at the other, with anger in his eyes.

“Let’s hold back for now, now is not the time!”

The third elder clenched his fists?

“He killed our elder brother, this revenge cannot be shared, only now we are not his opponent!”

The Third Elder said, a hint of viciousness flashing in his eyes.

“As long as we wait for him to enter Xingwu Mountain, we will have a chance then!”

“Third Brother, are you really prepared to completely break with the Chao Heavenly Pavilion!”

There was worry in the Fourth Elder’s eyes.

“What else can we do if we don’t break up, we can’t go back to the past with the Chao Heavenly Pavilion anymore,? But for safety’s sake, after he enters Xingwu Mountain, I will act alone, and you continue to stay here in seclusion!”

The Third Elder said.

“Third Brother, how can this work,? It’s better to let me go!”

The Fourth Elder said busily.

However, the Third Elder refused straight away.

“No way! You are timid by nature, when the time comes, even if things go wrong in the east, you can bite the bullet and say it has nothing to do with you, with his nature he won’t do anything to you, the three of us brothers, if we all die, who else can avenge us in the future?”

“But Third Brother!”

The fourth elder had reluctance in his eyes.

“Don’t worry, as long as the plan goes well, I won’t die so early!”

The Third Elder laughed.

The Fourth Elder gritted his teeth and did not speak.

They all knew clearly in their hearts how difficult it was for them to bring down Lin Ran at the moment.

“I just hope he enters Xingwu Mountain quickly, once he enters Xingwu Mountain, our chance will come!”

There was madness in the Third Elder’s eyes.

.....

But then Lin Ran and his group.

After coming down from the tournament stage, the three of them made their way towards the innermost part of Wu Zhen.

On the way, they came across many people in different costumes, also heading towards the inside of Wu Zhen.

Lin Ran and Ling Sa were puzzled and wondered why this was happening.

Li Ba, who was on the side, however, laughed heatedly and? proudly explained.

“Boss, big beauty Ling, you guys only focus on cultivation on a regular basis, you know too little about such earthly matters! This Wu Zhen is very famous in the cultivation world!”

Li Ba said leading the way, and soon the three of them saw five lanterns, hanging high above a tall building.

“See? That tall building with the five lanterns hanging is the most famous Wushan Building in Wuzhen!”

“This Wu-Tier Building, also known as the Five-Story Building, is because this tall building has a total of five floors! Each floor is a fairyland on earth!”

Li Ba said with envy in his eyes.

“Is it that amazing? And a fairyland on earth?”

Ling Sa was not impressed.

Li Bajie, however, laughed heatedly and said.

“Actually, I’ve never been to this place either, it’s all hearsay, but it’s said that one of the floors of this martial floor is full of beautiful women and handsome men like pillars, so today I have to go and see it no matter what!”

“Virtuous!”

Lin Ran gave Li Ba a white glance without good humour.

Lin Ran also? cast a contemptuous look.

Li Bajie instantly quit.

“Boss! Do you have any humanity left, I’m single, you bring a big beautiful woman around me every day to show your love, is it easy for me!”

“Er .....

Lin Ran was speechless, Li Ba’s words made him think of Wang Yifeng.

It seemed like he was the one who used to eat dog food every day, only this guy had now learnt his lesson and ran off to find Xiao Cui, which had only changed to Li Bajie.

“I wonder where this dead fatty has gone!”

Thinking of Wang Yifeng, Lin Ran couldn’t help but feel a little worried, this dead fatty was most unpredictable in his work, and he didn’t know if he had set off now.

As they were talking, the three of them had already arrived before the tall building.

And once this distance was closed, Lin Ran felt how grand this tall building was.

All the other buildings in this wu town were very ancient, but this tall building was golden and glorious, as if it stood out from the rest.

Moreover, the people who came here were all dressed in strange clothes, and were cultivators at first glance, so I was afraid that ordinary villagers in the town would not even come here.

“Boss! Let’s go in and have a look?”

Li Ba said excitedly.

“Since we’re here, we should definitely go in and take a look!”

Lin Ran nodded his head.

“Boss is wise!”

Li Ba rubbed his hands together with a smile.

On the side, however, Lin Ran cast a contemptuous look.

“Shame on you!”

“What a thought!”

Lin Ran was helpless.

“Since there’s everything inside this martial layer building, we’ll go in and see if there’s a suitable magic weapon or something, after all, we’re about to enter Xingwu Mountain, so it’s good to prepare more!”

“You really think so? Not to go see the pretty girls?”

Ling Sa asked with a raised eyebrow.

“Definitely think so!”

Lin Ran said, but in his heart he was laughing.

“Buying things is definitely the main thing, as for seeing beautiful women ma! Incidentally!”

“Male mouth, cheating ghost!”

Ling Sa gave Lin Ran a blank look and said no more.

“Alright, alright! Let’s go!”

Lin Ran scratched his head in embarrassment and whirled towards the martial floor.

“Entry is 100,000 each!”

Just as they arrived at the entrance, the three were stopped by two burly men at the entrance.

“Shit! So expensive!”

Li Ba sniffed and couldn’t help but curse.

The entrance fee was 100,000 yuan, I'm afraid that in the city, it would be enough for a year of health care!

"The price is clearly marked, if you can't afford it, go aside!"

One of the big, brawny men said politely.

"Who says we can't afford it?"

Li Ba was so angry that he looked at Lin Ran.

Lin Ran was helpless and was just about to take the money when suddenly a disdainful voice came from the side.

"I say! When did this Martial Tier House still receive this kind of rubbish? Don't all martial layer restaurants pick their customers nowadays?"

The voice was piercing, causing the three of Lin Ran to immediately turn their heads to look.

They saw that the person who spoke was a young man, who was very handsome looking and wore a purple and gold robe, looking very handsome and rich.

Compared to the clothes that Lin Ran's three were wearing, they did look a little shabby.

"Young Li! You're here! Please come inside!"

When the pugilist saw the youth, he immediately revealed a respectful attitude.

"Don't put everyone inside, it will look like you have no status understand?"

Li Shao said at the pugilist, and then he whirled and walked inside towards the martial layer building.

"Shit! Fantastic what,? It's great to have two stinking dollars!"

Li Ba couldn't help but curse.

"That's right!"

Lingsha also echoed.

The two brawny men smiled at his words but laughed.

"I say three, other young Li is not just rich, you three should not be jealous, in our place, strength and money are the best things to use!"

"Being rich is really something!"

"Also, are you in or not? If not, get lost immediately, don't delay others here!"

"You!"

Li Ba was so angry that his face turned red with indignation.

Lin Ran pulled him back, then took out a card and handed it to the security guard, smiling with a bland expression.

“Three people! Swipe the card!”

Chapter 1193

“Okay!”

Seeing Lin Ran take out the money, the pugilist’s attitude then suddenly became respectful.

One of them took his card and went to pay, while Lin Ran climbed into conversation with the other one.

“What’s the origin of that young Li just now?”

“Li Shao? You don’t even know this?”

The big man smiled and said mysteriously.

“This Young Li, but the son of the Li family, formerly known as Li Yuan, is said to be a strong person at the peak of the Heaven Seizing Realm of the Creation Realm! This time, I’m afraid he’s here at Xingwu Mountain to compete for a knighthood!”

“A knighthood?”

Lin Ran was stunned at his words, what kind of knighthood, how come he had never heard of it

“Hey! Forget it if you don’t know, it’s rather mysterious and I don’t know much about it!”

The big man said.

And at that moment the man who had gone to pay had already run back.

Seeing this, Lin Ran didn’t bother to ask any more questions, and immediately led the three of them into the Martial Layer Building.

“This Martial Layer Building is really not bad! The martial dao aura is pervasive even before we’ve entered!”

As soon as he stepped through the door of the ground floor, Li Ba couldn’t help but exclaim.

Lin Ran and Ling Sa also felt the presence of martial dao aura.

“This place is really extraordinary!”

Lin Ran couldn’t help but say.

The martial dao aura was the same as the aura of the feng shui path, an aura that only cultivators had.

And being able to reach the realm of breath in the martial dao was enough to show that the other party was at least someone who had entered the dao with martial arts.

And as practitioners of the martial path are physically strong, many can fight beyond their rank, so the oppression of a martial path practitioner is stronger than that of a Feng Shui practitioner.

Of course, it was too difficult to enter the Dao with martial arts, so the probability of running into a martial arts practitioner here was very low!

“Let’s go in and take a look!”

Lin Ran said, and promptly walked in towards the ground floor of the Martial Layer Building.

“Weng!”

As soon as they entered the door of the hall, the noisy sounds were immediately hidden from the three of them.

There was obviously a formation at this doorway that isolated the sounds from inside from the outside.

Without entering this door, one would never know what was going on inside.

“Holy shit! What is this!”

As soon as they entered the door, Li Ba couldn’t help but exclaim.

At the same time, the trio’s eyes were drawn to a scene of things in front of them.

They only saw that in the middle of the first level, there was actually a huge stone monument standing.

This stone monument was pale and ancient, thick and wolfish, and even if it just stood here, it gave people an endlessly oppressive feeling.

“Shit! This is a sunken stone! There are actually sunken stones in this place!”

Suddenly the pillow’s voice rang out in excitement.

“What’s a sinkstone?”

Lin Ran asked in wonder.

“A sinkstone is actually a very magical stone, this kind of stone usually breeds a metal within it called a sinkstone, this metal is an excellent material for forging weapons!”

“Let me put it to you this way, it only takes a small piece of sunken gold stone to forge a weapon that has the strength of a thousand pounds!”

The pillow said.

“So magical!”

Lin Ran had surprise in his eyes.

“Kid, later on you find a way to touch that stone tablet, I’ll take the opportunity to steal some sunken gold stones out, I just happen to have a magic weapon that lacks this item, when I get it then I’ll get you a very powerful weapon!”

Pillow Book said.

“Holy shit! Being a thief, are you alright, don’t get caught!”

Lin Ran was a bit vain, after all, this was the first time he had done this.

“What are you afraid of, it’s me who’s stealing, not you!”

The pillow said without good grace.

“Fine!”

Lin Ran had no choice but to agree.

But how should this be approached?

Just as Lin Ran was thinking in his mind, suddenly a shout of surprise came from ahead.

“Holy shit! Look, isn’t that Young Li? What’s he up to?”

“What else could he be doing? He must be here to leave a mark on the stone tablet!”

“Leave a mark? Are you kidding, this stone is smelly and hard, how can someone leave traces on it?”

The crowd chattered.

Lin Ran and the three of them, however, frowned as they listened, and Li Ba immediately ran to the side to inquire, figuring out the situation after just a few moments.

“Boss! I’ve asked around, this stone tablet turned out to be a symbol of strength!”

Li Ba said as he pulled the two of them to the side of the stone tablet,? pointing to it and said.

“Because this stone tablet is extremely hard, very few people have been able to leave traces on it, look at those names, they are the names of people who had the ability to leave traces on it before!”

The two of them, Lin Ran, looked and indeed found that there were many stickers attached to the stone tablet, and on the sticky notes were all written a person’s name.

As for next to the sticky notes, there were naturally a lot of traces.

Just this trace, can it be called a trace?

“Are you kidding, this is also called a trace?”

Even Ling Sa couldn’t help but laugh.

The trace was called a trace, but it was simply a white mark, and those who knew it was artificially made.

Those who didn’t know thought it was something that had been accidentally scratched on!

“Boss, they said that this mark is a symbol of strength, if you can leave a mark on this stone tablet, you can go up to the first four floors of the Martial Layer Building!”

Li Ba said.

“The first four floors? What about the fifth floor?”

Lin Ran asked curiously.

“This fifth floor? It seems like not many people can go up there for now!”

Li Ba scratched his head and said.

“Ao! Let’s see first, isn’t that what Young Li wants to leave a mark on the stone monument?”

Lin Ran laughed.

Li Baba and the two nodded, they also noticed that this young Li was walking towards the stone monument.

At this moment, the gazes of countless people were all gathered on Li Shao.

However, Li Shao was ignoring everyone and arrived at the stone tablet on his own, looking mysterious.

“Begin!”

Suddenly, a voice rang out.

Following this, one could only see Li Shao’s eyes chill as one of his palms fiercely lifted up, followed by a finger slashing out.

In this instant, a “tearing” sound was heard throughout the ground floor.

Then everyone was surprised to see.

Li Shao’s palm slashed through the stone tablet, leaving a very shallow scratch.

At this moment,? Everyone boiled over!

“Young Li is mighty!”

“Young Li is domineering!”

“Young Li is so handsome!”

“Congratulations Li Yuan, you can enter and exit the first four floors of the martial floor as much as you want!”

A staff member next to him came forward and said respectfully,? At the same time handed over a black card, which seemed to be a pass for this place.

“Boss! How do you feel?”

Li Ba suddenly came up next to Lin Ran and asked.

“Not too bad!”

Lin Ran nodded his head, although the strike Li Yuan had just made was said to be loud, the actual use of it was not very coherent, and it didn’t really do much when he really exchanged blows.

“Hm?”

Lin Ran didn’t deliberately lower his voice, but it was overheard by Li Shao at the side.

“Kid! Are you talking about me?”

Li Shao turned his head to look at Lin Ran, with an icy coldness in his eyes.

However, this icy coldness quickly turned into disdain.

“So it’s you, that’s unexpected, a hundred thousand yuan entrance fee that you can actually afford to pay!”

Li Shao said in a cold voice.

“I’m not short of money!”

Lin Ran said indifferently, followed by turning around and walking away, he didn’t have a good feeling about this Li Shao, so he didn’t bother to break it off with him.

“Stop right there! Just now you were talking about me, and now you’re just going to leave?”

Li Shao suddenly chided.

“So you want to?”

Lin Ran turned around to look at Li Shao, his expression still bland.

“Since you said that I’m not skilled at this, why don’t you give it a try! I’d be curious to see if you can leave a mark on this stone tablet!”

Li Shao sneered.

#### Chapter 1194

Seeing the two of them pinching up, the surrounding onlookers also chattered.

“Holy shit this kid has eaten the guts of a leopard, how dare he talk about young Li!”

“I think it’s just a brainiac, how dare he say that Li Shao is not good!”

“No, I’ve heard that a man was beaten to death after offending Young Li outside.”

“Really? Then we’re in for a treat today!”

The crowd was chattering.

Lin Ran, on the other hand, smiled blandly, turned around and left.

“What? Scared?”

Seeing this, Li Shao instantly revealed a smug smile.

“To be honest, in my eyes you’re nothing more than a jumping clown!”

“You’re not even worthy of being my opponent!”

As he said that, Li Shao turned around and put a sticky note on the stone tablet, and next to the sticky note he put, there was a sticky note with the name “Fire Three!”

“I knew it, how could Young Li be serious with such a person, his opponent is indeed Fire Three!”

“That’s right! It is said that this Fire Three and Li have been fighting for many years, and they have been neck and neck!”

“That’s interesting, it’s said that Fire Three is on the first floor at the moment, it seems that this Young Li is also planning to go up to the first floor!”

The crowd chattered.

Lin Ran heard the words and turned to look at Li Shao.

“I’m not worthy of being your opponent? I’m not interested in being your opponent either, leaving just a trace on the stone tablet and actually shamelessly putting a sticky note on it, you’re really easy to satisfy!”

“What did you say?”

Li Shao’s face instantly sank at his words.

“I charge you shamelessly, can’t you understand? It means shameless!”

Lin Ran said indifferently.

“Kid! Do you know what this stone tablet is? Still laughing at me, come on! If you have the guts, you can leave a mark on it!”

“If you can leave it, I’ll pretend this didn’t happen today, and I’ll take the initiative to go around when I see you in the future!”

“But if you can’t leave a mark, then don’t blame me for being ruthless!”

Li Shao said and pointed at Ling Sa next to him, with greed in his eyes.

“She is your friend, right, if this trace you leave no, she belongs to me! Dare you take it?”

Young Li looked at Lin Ran, his eyes full of provocation.

“Lin Ran!”

Lin Shao sniffed and was busy looking at Lin Ran.

Li Baba also clenched his fists nervously at this point.

“I don’t want to bet with you!”

Lin Ran, however, spoke.

“Haha!”

“Don’t want to bet with me? How come you’re conceding so quickly?”

Li Yuan laughed at his words.

“Holy shit! This kid is here to be funny, right? If you don’t dare to bet, you don’t dare to bet, and you say I don’t want to bet with you!”

“That’s not true! What a coward!”

“A coward? I think he’s a loser!”

Even the onlookers around him laughed out loud.

Lin Ran, however, looked at Li Yuan with a bemused expression and said.

“You’re simply deceiving yourself and others with such traces, it’s meaningless!”

“What do you mean? What do you mean by deceiving yourself?”

Li Yuan’s face turned even uglier at his words.

“Aren’t you clear about it yourself?”

Lin Ran, however, laughed.

“You’re not as strong as Fire Three, and you’re not as good a person either, aren’t you tired of living like this?”

“What are you babbling about!”

Li Yuan was instantly enraged, his face suffocating red as he looked at Lin Ran with murderous intent in his eyes.

“Annoyed and angry?”

Lin Ran saw this but laughed, while turning to look at the staff member next to him and laughed.

“Don’t you martial layer buildings ever look to see if others are faking it?”

“What are you talking about, how can the marks on this stone tablet be fake!”

The staff member said in a cold voice.

“Kid! Do you know what the consequences are for slandering our Martial Layer House?”

“Don’t know! Nor do I have any interest in knowing!”

Lin Ran said indifferently.

“All I know is that this is how your Martial Layer Tower does things!”

With that, Lin Ran went straight to the stone tablet, followed by directly ripping off Li Yuan’s tag, then raised his hand and wiped it on the mark he had left before.

The crowd looked dumbfounded at this point, not knowing exactly what Lin Ran was doing.

Even Lin Ran and Li Ba were a little baffled.

But Li Yuan was the only one who had his fists clenched tightly at this moment, and there was an eerie killing intent in his eyes.

His palms gradually moved away, following which everyone’s eyes focused on the stone tablet.

Then, everyone froze, even the staff member who had just froze.

Everyone was surprised to see that where Lin Ran's palm had moved away, the ? The marks had inexplicably disappeared.

It was as if there had never been a trace left on the stone tablet only, and it looked as if it was brand new.

"What's going on?"

"Why are the marks gone?"

"Oh my God, what the hell happened?"

Everyone was confused.

They all looked at Li Yuan, wanting his confirmation.

"Why are you looking at me! It must be this kid's doing!"

Li Yuan pointed at Lin Ran and said angrily, at this moment he could not wait to skin and skin Lin Ran.

"I did this? Did I have to?"

Lin Ran laughed, while turning his palm over.

At once, everyone clearly saw that on Lin Ran's palm, there was actually a white mark, exactly the same mark that Li Yuan had left on the stone tablet just now.

"This ..... Is this magic? The trace can still snap off?"

"Shit! But isn't it! Why is it so mysterious!"

"Hell knows what's going on!"

The crowd murmured.

At this moment, Li Yuan's face was ugly and he turned around to run.

"Why are you in such a hurry to run?"

Lin Ran spoke and laughed.

"You!"

Li Yuan's face turned red and there was anger in his eyes as he looked at Lin Ran.

"Li Yuan! What the hell is going on here?"

"Yes! Young Li, you're getting your marks taken down directly by someone, don't you have to explain?"

"Yes, Young Li!"

The crowd looked at Li Yuan and said.

Li Yuan, however, had an ugly face and did not say a word.

“Let me explain for him!”

Lin Ran smiled lightly, and then he spread his palms out and smiled at the crowd.

“This isn’t a trace at all, it’s wax! A trace made from wax!”

With that, only a flame appeared out of thin air on Lin Ran’s palm, following which the white trace really began to gradually melt, eventually turning into a liquid that dripped onto the ground.

“Shit! It’s really wax!”

“Holy crap, this Li Shao is really shameless!”

“Still Li Shao? He’s worthy too! What a trash speculator!”

“Li Shao!”

In addition to the chatter of the surrounding crowd, even the staff from before looked at Li Yuan.

Li Yuan was furious at this point, pointing at Lin Ran and scolding him.

“Even if this is a fake from me, so what, you can’t leave traces of it all the same, pretending to be your mother here!”

“Who told you that I can’t leave a trace!”

Lin Ran laughed indifferently.

“If you can leave it behind, I’ll eat shit live!”

Li Yuan said angrily, at this moment he was also confused by Lin Ran’s anger.

Lin Ran smiled at his words.

“If that’s the case, then you’ll really have to eat this shit today!”

With that, Lin Ran raised his hand and slapped it directly onto the stone tablet.

A scene that astonished everyone appeared, as Lin Ran’s palm had actually penetrated more than half an inch into the stone tablet, and at that moment, his entire palm was submerged into the tablet’s plane.

Soon after, Lin Ran’s palm turned in a golden light and his palm was taken up from the stone tablet.

A clear slap mark immediately appeared on the stone tablet.

Lin Ran turned his head to look at Li Yuan and laughed.

“That’s what you call a mark! Yours is a scratch at best!”

“Besides, are you going to eat it live now, or will it wait?”

Chapter 1195

“You!”

Li Yuan's face turned red with anger, and his eyes even danced with rage.

"You wait for me!"

With that, Li Yuan turned around and left.

"Hey hey! I haven't even eaten my shit yet! You want to come to account!"

Seeing this, Li Ba was busy shouting.

"That's right! You haven't even eaten your shit yet!"

"You're not going to renege on your debt, are you?"

"I think so!"

"Haha! There's also a time when Young Li reneges on his debts!"

The crowd of onlookers chattered.

"Sir!"

Just then, the staff member next to him busily walked over and handed a black card to Lin Ran.

"This is the black gold card for our martial floor, with this card you can enter and exit the first four floors!"

"Many thanks!"

Lin Ran was not polite and immediately took the card, then greeted Li Ba and Ling Sa and followed them up to the first floor.

On this ground floor, there was only this stone monument that was somewhat interesting, the rest was really nothing new and there was naturally no need to stop.

However, not long after Li Yuan and Lin Ran had gone up to the second floor.

Outside the martial floor, another figure walked in.

This man was tall and powerfully dressed, with a large "dragon" embroidered on his chest, so he was a man of extraordinary origin.

"Hey, hey! Isn't this Long Yang?"

"My God, it's really Long Yang!"

"Long Yang? Who is it, why don't I know it!"

The crowd murmured.

"You don't even recognise Long Yang, my god it's really stupid!"

"I really don't recognise it!"

"It's not his fault, with so many venues in the Mystic Alliance, not everyone knows Long Yang!"

“Let me tell you, this Long Yang is super strong, he’s a Creation Realm powerhouse, that Li Yuan who went up there before knows about it! That’s his teammate!”

“Holy shit, really, his teammate? That Li Yuan is only at the peak of the Heaven Seizing Realm, right!”

“What’s wrong with that? The squads are all divided randomly, there’s nothing Long Yang can do about it!”

“But it’s said that this Li Yuan is good at sucking up to people, so he’s on good terms with Long Yang!”

“Holy shit, then wouldn’t that kid who just called the shots with Li Yuan be finished!”

“Yeah, let’s go! Hurry up to the first floor!”

A group of people immediately rushed to the first floor as well.

At this moment, Long Yang didn’t even hear the people’s discussion, he went straight to the stone tablet.

“Hmm?”

When he saw the handprint on the stone tablet, he immediately frowned.

“Who did this to you?”

Long Yang called the staff member at the side over and asked.

“It’s ..... It’s Lin Ran!”

The staff member said busily.

“Lin Ran? Where is he?”

Long Yang asked with a frown.

“Second floor! Just went up!”

The staff didn’t dare to hide it.

“The first floor?”

Long Yang directly let go of the staff member and went up to the first floor without looking back.

And some attentive people noticed that right on the side of the stone tablet, there was a label that was written by Long Yang.

And yet that mark of his was just a fingerprint!

.....

But the first floor.

As soon as Lin Ran and the others came up, they were completely captivated by the scene in front of them.

The previously large square on the first floor was actually filled with various counters.

In the middle of these counters, a square had actually been built.

At this moment, there were two figures standing on the square looking at each other, and the smell of gunpowder between them was unusually obvious.

“There’s actually a tournament stage here!”

Lin Ran and the others were dumbfounded.

This was a tall building, who would have thought that there would actually be a martial arts platform within a tall building, one could only say that the owner behind this martial tier building was really good at playing.

“Boss, I’ve gone to inquire about it!”

Soon after, Li Ba ran back from afar and introduced himself.

“This second level, is a trading ground, all sorts of things are sold here, the Martial Layer Building only charges stall fees, nothing else!”

“No one cares even if you snatch the treasures, of course, you have to go to the competition stage to snatch them!”

“So ruthless? Wouldn’t that mean that you can get what you want here without spending a penny, as long as you’re strong?”

Ling Sa said.

“That’s what it means!”

Li Ba laughed.

Lin Ran frowned slightly, at this moment he wasn’t even interested in listening to Li Ba’s words.

At this moment, his gaze had been drawn to a figure on the stage.

“What’s wrong boss?”

Li Ba saw the situation and was puzzled.

Ling Sa also looked at him in confusion.

“Ran into someone I know!”

Lin Ran blandly replied, following which he walked towards the ring in the middle of the front.

And at this moment, in the ring, two figures were already wrestling together.

Both of them seemed to be body refiners, that is, martial arts practitioners, and were physically fighting the entire time.

Only one of them was more focused on technique, while the other was big and strong.

“What’s there to see here, that fat bastard must have won!”

Li Ba deflated!

Lindsay nodded along with him.

There were two people on the stage, one with a normal build and the other very fat, so it was easy to tell them apart.

And at this moment, that fatty’s strength had completely crushed his opponent, and even if he was agile in stature, he couldn’t dodge one after another.

And as long as that fatty was landing a punch, the other man would obviously have no power to resist.

“Bang!”

Sure enough, with a mistake, that youth was immediately sent flying backwards by the other party’s punch, while a mouthful of blood directly spurted out.

“Kid! You’re too weak, this Thousand Autumn Fan still belongs to me!”

The fat youth said triumphantly, while sweeping his gaze around the ring, and said aloud.

“Is there anyone else who wants to grab it, without it this Thousand Autumn Fan can be Laozi’s!”

“You!”

There was anger in the eyes of the young man who was spitting blood, he had spent half a million dollars to buy it, but now it was going to be the other party’s.

Half a million was already half of his money, but now .....

“Damn!”

The youth punched the ring, and then just had to get up and prepare to leave.

There was no way out, in this martial tier building money was important, but strength was everything.

Those with strength could do whatever they wanted, while those without strength could only be the ultimate accompaniment.

“Li Sheng!”

Suddenly, Lin Ran spoke up.

The youth was stunned, then looked over, followed by a look of joy in his eyes before a bitter smile appeared.

“Brother Lin Ran, I didn’t expect you to arrive so soon!”

Li Sheng laughed, while wiping off the blood from the corner of his mouth, and walked over.

“What’s going on? Where’s Leng Zhan and the others?”

Lin Ran asked with a frown.

“Leng Zhan and the others went back to Temperance! You don’t know?”

Li Sheng was stunned.

“When?”

Lin Ran frowned, he really didn’t know that Leng Zhan and the others had gone back to Temperance.

“Just a few days ago, but they should be coming to Wuzhen today as well, tomorrow is the Xing Wu Shan point!”

Li Sheng said.

Lin Ran smiled and then it dawned on him, he was either in the imperial capital or on his way to Plum Blossom Mountain a few days ago, so it was normal to miss out with Leng Zhan and the others.

Thinking that Leng Zhan Wang Yifeng and the others would also come to Wuzhen, Lin Ran was relieved.

“What’s up with him?”

Lin Ran asked Li Sheng as he pointed at the fat young man who was still in the ring at this moment with glee.

Seeing this, Li Sheng shook his head and said with a bitter smile on his face.

“Ai! Skill is not as good as others, no way!”

Although he said so, Lin Ran could tell that Li Sheng seemed to care a lot about that whatchamacallit fan, and there was a look of reluctance in his eyes.

“I can go on stage, right!”

Lin Ran suddenly asked.

“Brother Lin Ran you?”

Li Sheng was stunned.

Lin Ran, however, laughed and said.

“I don’t like that fatty! I want to go up and beat him up!”

“Eh ....”

Chapter 1196

“Brother Lin Ran, many thanks!”

Li Sheng arched his hand at Lin Ran and said in a whirl.

“But there’s one thing I must tell you, this fatty on stage is named Zhen Shan, his strength is very impressive, he’s at least at the early stage of the Realm of Creation! You must be careful!”

“Don’t worry!”

Lin Ran smiled and patted Li Sheng's shoulder, following which he walked towards the ring.

"Make sure nothing happens!"

Looking at Lin Ran's back, Li Sheng was filled with worry.

"Don't worry, Boss will be fine! It's not like Boss has never dealt with a Creation Realm powerhouse before!"

Suddenly a voice came over, it was none other than Li Ba.

"You are?"

Li Sheng looked at Li Baba with a puzzled face, he did not know this person in front of him.

"I am the boss's follower, my name is Li Bachi, looking at your relationship with the boss, you should be a friend!"

Li Bachi smiled.

"Hmm!"

Li Sheng nodded his head and followed up by asking.

"You said earlier that Brother Lin Ran had fought with a strong person of the Creation Realm?"

"More than fought! There are a whole lot of Creation Realm powerhouses that have lost to the Boss!"

Li Ba said proudly.

Li Sheng was also astonished at what he heard and was busy asking.

"Then what is brother Lin Ran's strength now?"

"Boss? The Realm of Creation!"

Li Baba said matter-of-factly.

Li Sheng, however, was shocked to hear this.

Compared to himself, who had only just entered the Dao, Lin Ran's strength was definitely more than his.

The Zhenshan on the stage was at the Realm of Creation, so Li Sheng didn't stand a chance in front of him.

"Brother Lin Ran is really something!"

Li Sheng couldn't help but feel a pang in his heart, fortunately he had made good friends with Lin Ran, otherwise if he had such an enemy in the future, I'm afraid he would have to be completely burnt out.

"What's the matter? Did you find someone to take the lead?"

On the stage, Zhen Shan also noticed Lin Ran who was slowly walking, but after just a slight glance, his eyes immediately smiled.

"I say! You wouldn't find a sturdier helper, would a little chicken like that come up here and be able to resist a punch from me?"

As soon as Zhenshan's words left his mouth, the crowd of onlookers on the stage also laughed.

Although Lin Ran was not yet on stage, Lin Ran did not have any visual advantage from this comparison.

"That's right! How dare you go on stage with such a figure? Aren't you afraid that Brother Zhenshan will break your body bones with one punch!"

"That's not true! I still remember that last time there was a guy with a similar build to this guy, and it seems that he ended up with a broken spine!"

"Yes, yes! Speaking of which, I know he's still in the ICU! He says he's going to help out at Chao Tian Court!"

"Chao Tian Court? That's expensive, are you ready to pay for your medical treatment?"

A crowd of people looked at Lin Ran and sneered.

Zhen Shan on the stage, on the other hand, looked at Lin Ran with unremitting eyes, not putting the other party in his sights at all.

"Kid, I advise you to go back to wherever you came from, or else I won't have eyes on my fists when the fight starts later!"

"You're very confident!"

Lin Ran stopped in front of the ring and looked at Zhen Shan on the stage with a bland expression.

"Confident? You call that confidence? Do you believe that I only need three moves to deal with you!"

Zhen Shan said disdainfully.

"Is that so?"

Lin Ran smiled faintly, followed by a fierce power from his feet as he leapt directly onto the ring.

"Do you believe me, I only need one move to deal with you!"

Lin Ran looked at Zhen Shan and laughed indifferently.

At this moment, Li Yuan at the side was also attracted by the commotion, and when he saw Lin Ran and Zhen Shan on the stage, he laughed.

"Brother Zhenshan, there's no need to follow the brat politely, just waste him!"

"Li Yuan? You brat is here too, good! Since you've asked, I'll remember to just waste him!"

Zhen Shan laughed blandly, as if he was talking about a very simple matter.

"Finished with the nonsense?"

Lin Ran blandly glanced at Li Yuan, somewhat impatient.

“What? So anxious to become a wastrel?”

Zhen Shan looked at Lin Ran with some disdain in his eyes.

“I just want to get the Thousand Autumn Fan back as soon as possible, and by the way, as long as you lose, this Thousand Autumn Fan will be mine, right?”

Lin Ran asked as he looked at Zhen Shan.

“That’s right!”

Zhen Shan laughed coldly as he waved his big hand.

“But only if you can survive! A dead person is not worthy of possessing the Thousand Autumn Fan!”

“Hm! I will survive, strike!”

Lin Ran said indifferently.

“Pretending to be paralyzed!”

Seeing this cloudy face of Lin Ran’s, Zhen Shan was not happy in his heart.

He was quite famous in the vicinity of this Xingwu Mountain, and no one really dared to act like such a pussy with him on a regular basis.

Even when he had fought with Lixiang before, the latter had taken it very seriously.

But now this kid, he actually dared to completely ignore himself and didn’t put himself in his eyes, which made him feel very unhappy.

With an angry curse,? Followed by Zhen Shan, he charged towards Lin Ran with an arrow step.

This guy was fat and strong, but his speed was still very sharp when he really charged.

Of course, this was in comparison to the average person, but in front of Lin Ran, this speed was similar to turtle speed!

“Whoosh!”

With a dodge, Lin Ran easily dodged Zhen Shan’s blow and planted himself sideways with a bashful smile on his face.

“What?”

Zhen Shan’s face was ugly, and the crowd on the stage was even more surprised.

Zhen Shan’s strength and speed were oppressive to them just by looking at them.

But now that kid had actually dodged it so easily, and it looked so cloudy.

“Impossible! This must have been Zhen Shan’s carelessness!”

“Right! That must be it!”

“That’s right, this time, Zhen Shan can definitely nullify him straight away!”

The crowd below the stage were talking, and Li Yuan had originally been a little surprised in his heart, but at this moment, like the crowd, he also thought that it was just that Zhen Shan had been a little careless.

“Your speed is too slow!”

Lin Ran stood at his spot and looked at Zhen Shan.

“Holy shit, you’re still acting tough with me!”

Zhen Shan was instantly furious, and with a movement of his feet, he lunged towards Lin Ran again.

But this time, the result was the same as the last time, only a “whoosh” of wind was heard and Lin Ran dodged it.

Not to mention hurting him, Zhenshan didn’t even touch Lin Ran’s body.

“Is that all you can do, dodge? You’re a loser!”

Zhen Shan’s face was ugly as he glared at Lin Ran angrily.

“Dodge? I’m showing you the gap, as I said, it only takes one move to solve you!”

Lin Ran smiled faintly, following which his feet lashed out and his entire body moved in an instant.

How fast was Lin Ran, the moment his figure moved, Zhen Shan’s face changed.

But before he could? t make any move, only to see a black shadow already flung over from the side.

At that moment, everyone in the room saw this scene, but their expressions could not even keep up with this black shadow.

A muffled “bang” sound was heard, and many people’s expressions did not even react from the shock as Zhen Shan’s whole body had already flown backwards.

“Bang!”

The burly figure broke through the barrier next to the ring and landed on the ground with a thud.

There was silence, a dead silence on the second level.

I don’t know how long it took for the crowd to react, but there were shouts of approval.

Li Yuan, on the other hand, was already drowning in the crowd, standing in place with a blue face, not saying a word, anger dancing in his eyes.

Chapter 1197

“Can I have the Thousand Autumn Fan now!”

Lin Ran leapt out of the ring and looked at Zhen Shan, who had just been helped up by Li Yuan, and said with a bland expression.

“Humph! You wait for me!”

Zhen Shan’s face turned red, but he still took out the Thousand Autumn Fan and threw it to Lin Ran.

“Thank you!”

Lin Ran smiled blandly, followed by turning around and preparing to leave.

However, just when everyone thought it was going to end, suddenly a voice came from not far away.

“The Thousand Autumn Fan! Good stuff, I’m quite interested in it too, so I wonder if this friend can spar?”

As the voice fell following a figure appeared at the entrance of the first floor.

“Long Yang ..... It’s Long Yang!”

“Oh my god, why is he here too! This is going to be a good show!”

“Yes! It’s just a Thousand Fold Fan, I didn’t expect Long Yang to be ready to take action too! ”

“What do you know, Long Yang and the others are actually a small team!”

The crowd next to them were talking.

Some of those who knew the situation were even discussing about Long Yang and his squad.

“A squad?”

Lin Ran looked up at Long Yang and frowned slightly.

This young man named Long Yang in front of him gave him the impression that his strength was not bad, or at least stronger than Long Ridge Sky, only that this kid was also surnamed Long, could he be from the Nanyang Dragon Family?

Thinking about this, Lin Ran opened his mouth and said.

“You’re from the Nanyang Dragon Family?”

“That’s right!”

The youth smiled blandly, with pride in his eyes.

“Which branch of the Dragon Family?”

Lin Ran continued to ask.

“Naturally, it’s the family head’s lineage!”

Long Yang’s voice was bland.

Lin Ran smiled but frowned slightly, the family lord’s lineage was naturally the lineage that was in opposition to Long Ya’s father.

“In that case, you and this Zhen Shan are in the same squad?”

Lin Ran looked at Long Yang and asked blandly.

“You may understand it that way, but you won’t be able to get out of this competition!”

Long Yang looked at Lin Ran with smugness in his eyes.

“I don’t want to take it off, since you want to play then let’s play!”

Lin Ran said indifferently.

“Good!”

Long Yang called out good, and followed with an arrow step straight to the ring.

“Kid! I, Long Yang, don’t bully you either, but you injured my teammate, and this matter can’t just go away!”

“How about this? I, Long Yang, will give you some extra winnings, if I lose, I’ll give you a hundred million as compensation, but if I win! You’ll have to give me the Thousand Autumn Fan, and at the same time fall to kowtow to my teammate and apologize!”

“Dare you take it?”

Long Yang looked at Lin Ran with disdain in his eyes.

“Have you ever been back to the Dragon Family before saying these words here?”

Lin Ran looked at him with a smile in his eyes.

“No! I, Long Yang, am dedicated to seeking the Way, and the Nanyang Dragon Family rarely goes back!”

Long Yang said confidently.

Lin Ran smiled but shook his head helplessly and said.

“You really should have gone back once!”

“What do you mean?”

Long Yang looked at Lin Ran, not knowing what the other party meant by this.

“Forget it! It’s useless to talk so much, since you want to play then let’s play! I’ll take this bet!”

Lin Ran smiled lightly and followed with an arrow step to also rush into the ring.

.....

“Shit! This is interesting, Long Yang even made a move!”

“Isn’t it! Long Yang ah! It’s said that the strongest person in one of the Mysterious Alliance’s residences is him!”

“Isn’t that right! And it’s said that he seems to possess a piece of the Handsome Character Order alone!”

“What? A Handsome Order? Holy shit! Is it really true? Then won’t all of us who have a General’s Order have to work under him?”

“It’s not easy to say, what if there’s another person who also possesses a marshal character order?”

The crowd on the stage chattered.

Some of those who guided the insiders even had anticipation in their eyes.

After all, to them, in the future, Xing Wu Shan’s point of view would be to them, the owners of the General’s Character Order.

And as the two armies fought, the probability of them surviving would be greater if they followed a wise master.

These things were not said, but they were unspoken.

“Ai! This kid called Lin Ran is out of luck!”

“That’s right! He’s just messed with Long Yang, and now he can’t even justify his death!”

“That’s right! It is said that on the third floor, there are two people who have offended him before. They were sold here because they were crippled by him!”

“Hey! It can’t be helped,? The weak eat the strong, isn’t that how the world of cultivators is!”

The crowd murmured.

And when Li Ba at the side heard this, he couldn’t help but frown slightly as well.

He naturally knew that Lin Ran also possessed a piece of the Handsome Character Order.

But this Long Yang also seemed to have one, so at least by virtue of that, the difference in the lovers’ strength should not be too great.

“Lin Ran!”

On the side, Ling Sa was also looking worried.

She wasn’t worried about Zhen Shan before, but now she was worried about this one named Long Yang.

“Brother Lin Ran!”

Li Sheng’s heart became even more complicated, this matter was still thought of him in the end.

If Lin Ran lost to the other side because of himself, then he would have to die of guilt and regret.

Thinking of this, Li Sheng was busy speaking to.

“Brother Lin Ran, or else forget it, I don’t want this Thousand Autumn Fan!”

“Don’t want it?”

Lin Ran turned his head to look at Li Sheng, and in his heart he already understood what he was worried about.

“Don’t want it?”

Across the table, Long Yang laughed when he heard this.

“You think this is over if you don’t want it?”

Long Yang said as he gazed towards Lin Ran, with wariness in his eyes.

“I heard on the ground floor that you erased the traces Li Yuan left on the stone tablet!”

“I just arrived on the first floor and saw you defeat Zhen Shan, do you think today’s incident was really because of a Thousand Autumn Fan?”

Long Yang said with a wave of his hand, and at once there must have been at least four or five Thousand Autumn Fans floating in front of him.

“This thing is rubbish to me, I don’t have the slightest interest in it, what I’m really interested in is you! Lin Ran the man!”

Long Yang said and even pointed at Li Yuan and Zhen Shan, laughing blandly.

“And I’m not afraid to tell you, my teammates are the two of them, there are three of us in a squad, and both of them are being bullied by you, do you think I, the captain, can go sit back and do nothing?”

“You!”

Li Sheng smiled and was instantly baffled.

He had no idea that Zhen Shan and Li Yuan were Long Yang’s teammates, and at this moment, hearing Long Yang’s words, it was already clear in his mind that today’s matter could not be settled.

“What exactly do you want?”

On the side, Ling Sa spoke with a frown.

She did not want Lin Ran to really fight Long Yang either.

“What about it? That depends on Lin Ran what do you want me to do?”

Long Yang looked at Lin Ran with disdain in his eyes.

Lin Ran looked at Long Yang, his face expressionless, and said blandly.

“You talk a lot of nonsense, did I ask you about your relationship with them? And I’ve already said it, I’ll take this bet, why are you bothering with so many words?”

“O? Interesting!”

Long Yang instantly laughed, but the next moment his eyes snapped cold as he looked at Lin Ran and said in a cold voice.

“I just like the kind of you who acts like a pussy in front of me! Three rounds, if I don’t talk you out of the ring, it’s my loss!”

“Then you will definitely lose!”

Lin Ran looked at Long Yang and laughed blandly.

“Haha! Well, then let me see where you get the confidence!”

Long Yang’s eyes chilled as he said this, and his feet lashed out towards Lin Ran.

At the same time, he saw his palm flip and a golden scimitar had already appeared in his hand.

With a flash of the golden scimitar, a golden blade shadow had already rushed towards Lin Ran.

Chapter 1198

As soon as the golden blade mane flew out, it instantly disappeared in mid-air, but everyone present? s all clearly sensed that a terrifying force was advancing rapidly.

“What is this thing?”

“Holy shit! Why is that golden blade mane gone?”

“Yeah?”

The crowd looked baffled, what kind of move was this, they had never seen it before at all.

“Brother Li Sheng, do you know what this is?”

Li Ba asked nervously.

However, Li Sheng shook his head.

“Never seen it before! The attack can actually hide, how can this make others defend against it!”

“Lin Ran!”

Lin Ran’s fists were clenched and there was worry in her eyes.

“Long Yang is no less than Long Yang, he used this move right when he came up!”

Li Yuan was overwhelmed with excitement when he saw it in his heart.

The three of them were in the same squad, and they knew this move of Long Yang the best.

“Humph! A bunch of things that have never seen the world, this is one of Long Yang’s killer moves, the Concealing Blade Mane!”

On the side, Zhen Shan laughed triumphantly.

“Concealing Blade Mane? What is this? A martial art or a move?”

A cultivator next to him busily asked.

“This is a secret technique!”

Zhen Shan sneered.

“A secret technique?”

Everyone froze when they heard this sub.

A secret technique, that was something that could only be performed by a strong person at the Dan-making realm.

Moreover, this kind of secret art was different for everyone, and it was usually based on the direction of one's cultivation that one would cultivate their own secret art, yet Long Yang was only at the Creation Realm? Ah!

"This is a reward that Long Yang received from the Mystic Alliance, a simplified secret art that a strong person of the Creation Realm can then learn!"

Zhen Shan laughed smugly.

"That's! In the entire Mystic Alliance this term, Long Yang was the only one who had received this kind of secret art!"

Li Yuan also said from the side.

It was as if the two of them were the only ones who had obtained this secret art.

"Then how can this be fought! Wouldn't that Lin Ran have to die in a moment!"

"That's right!"

"Hey! Long Yang is really worthy of being Long Yang, his strength is truly remarkable, this first move has taken people by surprise!"

The crowd chattered.

As they listened to the crowd's chatter, Li Sheng Li Ba and Ling Sa all looked at Lin Ran with worry.

Although they were confident in Lin Ran's strength, their opponent was not bad after all, and he was using a secret technique.

With this comparison, it seemed that Lin Ran's chances of winning had become very low as well.

"A hidden attack?"

At this moment, Lin Ran in the ring frowned slightly.

He could feel that the abnormal blade mane was rapidly approaching, and that palpitating feeling would not lie.

But the attack couldn't be seen which was the most important part.

"Kid! This little trick has scared you?"

Suddenly, Pillow's voice rang out in his head.

"It's not that I'm scared, it's that I haven't thought of a countermeasure for now!"

Lin Ran said with a frown.

In the past, no matter how powerful an enemy he faced, he could at least see, and even if the other party was fast, there was at least a trail to follow.

And now, this move of Long Yang's was completely hidden, you could feel his presence, but you just didn't know where its attack was!

"It's normal that you don't have a countermeasure, this kind of concealment is too rare in your world!"

The pillow laughed.

"But in my world, it's something very common!"

Pillow Book said with a bit of golden light, at once Lin Ran only felt countless threads quickly emerge in front of him, followed by a running trajectory that sprang up, encompassing the entire direction of the hidden blade mane's attack so to speak.

"This ....."

Lin Ran froze, with this kind of attack trajectory, then the opponent's strike was as exposed as if he had expected it.

No matter which direction he came from, he himself made a countermeasure at the first instant he manifested.

"See, this is the way to respond, no matter how he hides? The ultimate target of the attack is still you!"

"So as long as the other party's intentions are analysed, there is really no difference between hiding and not hiding!"

The Pillow Book laughed triumphantly.

"There you go!"

Lin Ran was pleasantly surprised in his heart.

"That's nothing, in my world, hiding attacks are the most useless truly powerful assassins walk alone in the void, you can't even detect his presence, but he is able to see you all the time!"

"Awesome!"

Lin Ran couldn't help but exclaim in admiration.

And on this matter, Long Yang had already arrived in front of Lin Ran.

One hand went straight to Lin Ran's chest.

And at this moment, Lin Ran was clearly feeling that the hidden sword mane had appeared behind him.

"A back and forth attack, something!"

Lin Ran smiled blandly, followed by raising his hand and slapping it towards Long Yang.

"Hm? What's going on?"

But at this instant, the crowd under the stage looked stunned.

It was because Long Yang's arm had actually passed through Lin Ran's arm.

"Void shadow! Damn it!"

Long Yang reacted the first time.

His body snapped to one side, followed only by a cracking sound that appeared violently as a golden light pierced through the space and slashed against Long Yang's chest.

Fortunately, he reacted quickly, otherwise he would have been a corpse by now.

"How could this kid have dodged it, and made Long Yang almost find his own way!"

"Impossible! This is absolutely impossible!"

Li Yuan and Zhen Shan's faces turned blue as they watched.

No one knew better than them how difficult this strike from Long Yang was, but now it was actually deflected so easily by Lin Ran.

He had even almost allowed Long Yang to take his own attack.

This was simply both like a bolt from the blue, shocking the two of them for a moment to react.

"Shit this move was just dodged like that? This is too ....."

"It's too spicy! Is this the strength of Long Yang?"

"Hot chicken? Think about it, if it were you, could you block it?"

"I ....."

The crowd was chattering.

At this moment, Long Yang, who was standing in the ring again, was staring at Lin Ran with an ugly face.

"How did you manage to do that?"

"Was it hard?"

Lin Ran looked at Long Yang and laughed blandly.

"This secretary is precious even in the Mystic Alliance, I don't believe that you can easily crack it with yourself!"

Long Yang said in a cold voice.

"Can you not just try again!"

Lin Ran said indifferently.

"Humph! Just now, even if I let you, this next move, if you can still dodge it, I, Long Yang, will admit defeat directly without you saying so!"

Long Yang's face was icy cold and his eyes were filled with cold intent.

“Is that so? Then I’ll wait!”

Lin Ran smiled lightly as he looked at his opponent.

If his second move still had something to do with hiding, then Lin Ran naturally had nothing to worry about.

And if it had nothing to do with concealment, this was the only way for Lin Ran to see exactly how strong his opponent was.

After all, an attack being hidden would somehow affect Lin Ran’s judgement of the enemy’s strength as well.

“Hmph! Seek death!”

Long Yang held a breath in his heart, unwilling to even say more as he raised his hand and waved the blade in his hand to actually spin and fly out directly.

“Bang!”

Then, a scene that made everyone’s guts chill appeared.

The spinning blade actually exploded instantly, turning into countless tiny blades in the sky, one by one, which shot straight towards Lin Ran.

The countless blades were still spinning, and a sound of breaking air stung one’s ears.

The people on the stage, some of whom were less powerful, even had blood flowing out of their ears in an instant.

“Give me death!”

Long Yang’s eyes were glowing with cold light as he looked straight at Lin Ran and chanted aloud.

Chapter 1199

“What kind of attack is this, how can it be so rigid!”

“Who knows! My ears are unbearable!”

“It’s too scary, cover your ears, quick!”

The crowd shouted.

And at this moment, Li Yuan and Zhen Shan already had a look of wild joy on their faces.

“Thousand Blade Chop This is the Thousand Blade Chop! Long Yang is completely pissed off!”

“Haha! This time, this kid will definitely not be able to get away with his wings!”

“Thousand Blade Chop? What’s that?”

Ling Sa listened with worry in her heart as she was busy asking.

“How can we possibly know? But this Thousand Blade Slash is definitely very powerful!”

Li Ba said helplessly with his fists clenched.

“Then Lin Ran he!”

Ling Sa hurriedly looked towards the stage.

Only to see that at this moment, countless spinning flying blades were already in front of Lin Ran above the ring.

Yet Lin Ran was motionless, standing in place by himself, not even reaching out to ward them off.

“What is he doing?”

Lin Lin’s heart was filled with anxiety when she saw this.

This time, however, Li Sheng spoke up.

“There should be no need to worry!”

“No need to worry?”

Ling Sa was puzzled.

“Thought you know Brother Lin Ran well? If he wasn’t absolutely sure of something, he wouldn’t be so brave, and generally if he did that, then he didn’t put this attack from his opponent in his eyes<sup>1</sup>”

Li Sheng said indifferently.

“But this!”

Lindsay wanted to say something else, but when the words reached her mouth, she didn’t know what to say.

And at this moment, on the stage, the flying blades that roamed the sky were already arriving.

“Humph! Aren’t you a bully! If you can see that I’m hiding my sword blades, then I won’t hide them this time.

The corners of Long Yang’s mouth tackled with a cold smile.

Only this smile had only just appeared for a short while before it quickly froze.

Everyone was shocked to see it.

Just at the moment the first flying blade dagger was about to land on Lin Ran.

Suddenly a cold glint appeared out of nowhere.

Followed by a cold aura that was only the size of a palm, it actually swirled around Lin Ran’s body quickly.

Following this, the cold aura grew larger and larger, and in the end, it actually turned into a shield of light, blocking Lin Ran back.

“Bang bang bang!”

A single flying blade kept blasting at the cold mane of light shield, but none of the flying blades could break through this layer of defence for a while!

“What is that thing!”

Long Yang’s heart was shocked as he watched.

This move of his own, the Thousand Blade Slash, had been performed a total of two times since he had learned it.

One of those times was when he faced Lin Ran, and the other time was the very same time he had performed it when he had obtained the Handsome Character Order at the Mysterious Alliance.

“How is this possible! This move of Long Yang’s was actually blocked by that kid!”

“How is this possible!”

Li Yuan and Zhen Shan looked completely dumbfounded.

When they remembered clearly until now, the time when Long Yang had used this move to defeat his opponent to obtain the Handsome Character Order.

At that time, his opponent had also used a similar method to resist, but the countless flying blades were simply endless, and in just the blink of an eye, they had already broken through his opponent’s defence and crippled him.

But what about now?

The cold light shield in front of Lin Ran’s body hadn’t even shown a trace of breakage.

It was as if the flying blade couldn’t even have a half-hearted effect on it.

“How on earth did he do that!”

“What the hell is that thing!”

Long Yang was completely and panicked at this point.

“I can’t lose! Absolutely not!”

Long Yang kept reminding himself in his mind, following which he actually fiercely joined his hands together.

In an instant, a vortex fiercely appeared high in the sky, followed by the long blade of the weapon that was thrown away by Long Yang actually appeared out of thin air.

At this moment, the long blade was still smashing fast rotation.

“This long blade is the soul of this total!”

Ling Sa said to herself.

“Soul? What do you mean?”

Li Ba was puzzled and busy asking.

“This strike may seem like the long blade broke apart at first, which is why there are so many flying blades, but from the moment he summoned the long blade out again, this attack was already clear to me!”

Ryoga said as she pointed to the long blade in the sky.

“If we compare this attack to a formation, then this long blade is the base of the formation, and those countless flying blades are actually the attack of the formation. As long as we break that flying sword, this attack will naturally break!”

“That simple?”

Li Ba was stunned, and he was busy looking at Lin Ran.

He now knew the way to break it, but Lin Ran didn’t!

Moreover, at this moment, there were flying blades all around, and Lin Ran couldn’t even hear Ling Sa’s conversation with them.

“Simple it is, but Lin Ran can’t hear at all, so how can he crack it!”

Ling Sa was anxious.

“Forget it! I trust the boss!”

There was a light in Li Ba’s eyes.

“You!”

Ling Sa looked at Li Ba and couldn’t help but blush.

“I’ve seen too many miracles along the way, all created by the Boss, I believe you analyzed to these the Boss can definitely think of, so we don’t need to worry blindly!”

Li eight said.

Ling Sa nodded at his words.

He himself was indeed a bit willing to be confused, with Lin Ran’s strength how would he not be able to see through this, instead he was a bit too nervous.

For this formation attack, Lin Ran naturally saw it long ago, and he was waiting for this time.

Before the long sword was not revealed, not daring Lin Ran to attack those flying blades in any way was not too meaningful.

After all, the formation’s roots hadn’t even appeared, and attacking the power within the formation was undoubtedly draining one’s strength.

If Lin Ran was much stronger than Long Yang, he might be able to use his strength to break the spell to directly blast the opposite side’s attack.

But the other party was also at the Realm of Creation, and his strength was similar to his own.

Lin Ran could only wait patiently for this long blade to come out.

Moreover, Lin Ran had expected that this Long Yang would summon his long blade out.

It was Long Yang who had previously said that he would finish him off in one move, and at this moment, his flying blade posed no threat to himself at all, so how could he not be thinking about it, then the result would obviously be that he would lose.

“Give me the chop!”

Long Yang’s face was fierce, and from the moment the longsword appeared, his entire aura instantly skyrocketed.

The original number of flying blades had even exploded by several times.

The power of each flying blade had also increased by several full layers.

However, just when the crowd on the stage had not yet adapted to Long Yang’s sudden attack.

On the stage, Lin Ran had already moved.

“This is the moment we’ve been waiting for!”

He suddenly chided, followed by a distant finger with his palm in the shape of a sword.

With a “whoosh” sound, the cold light shield in front of him shot out instantly.

Only then did the crowd see clearly that it was not a shield of light at all, but a dagger with a cold glow.

“This is actually a dagger!”

“My god, how strong must this dagger be, to actually be able to resist the attacks of so many flying blades!”

The crowd below the stage watched with trepidation.

At this moment, Long Yang on the stage was even clenching his silver teeth, with greed in his eyes.

The dagger that could resist his own flying blades for so long was obviously not a mundane object.

But what they didn’t know was that this dagger was personally crafted by the original Iron Hand Li, a man who had entered the Way in casting.

The cold dagger reached the long blade almost instantly.

But just at the moment when the two were about to collide, Long Yang fiercely raised his hand and withdrew the long knife out of thin air.

“This .....

Seeing this scene, everyone froze at once.

“I admit defeat!”

Following Long Yang’s words, it was the entire first floor of the Martial Floor that froze everyone.

“Admit defeat?”

“To actually admit defeat straight away? What on earth has Fat Save done!”

The crowd was puzzled and confused.

But Long Yang was clear, a dagger that could block his own flying blade, if it really collided with his own long blade, his own long blade would definitely lose.

Although he was arrogant, he was not yet so arrogant as to take out his own long blade and let it be destroyed.

“You are very strong! I underestimated you before! But don’t be complacent, tomorrow’s Xingwu Mountain Pointing Platform is the time to show your full strength!”

Long Yang looked at Lin Ran and said in a cold voice.

“I hope you won’t dare to come tomorrow!”

After saying that, Long Yang turned around and left.

“Naturally, I’ll be waiting for you!”

Lin Ran smiled lightly and did not stop, allowing Long Yang to leave.

Chapter 1200

“Boss this is letting him go?”

As soon as Long Yang had left, Li Ba was busy coming over and asking.

“What else? He’s also very strong!”

Lin Ran said indifferently, while taking out his Thousand Autumn Fan and handing it to Li Sheng.

“Many thanks, Brother Lin Ran!”

Li Sheng rushed at Lin Ran’s luggage.

“You and I are no better than that!”

Lin Ran smiled blandly, followed by pointing upwards and said.

“I’m going to go up to the third floor to have a look, are you going?”

“I won’t be going! Leng Zhan and the others can’t find you, they should already be here soon, I’ll go down and pick them up!”

Li Sheng laughed.

“Mm!”

Lin Ran nodded and didn’t say much.

Leng Zhan Wang Yifeng as well as Long Ya and the others should all be on their way, so it was good to have someone to go down and wait.

“Let’s go!”

Lin Ran greeted, and promptly took Li Ba and Ling Sa up to the third floor with him.

This martial floor had a total of five floors, and this third floor was the good place that Li Ba had his heart set on.

The three of them had just arrived at the third floor when they were stunned by the scene before them.

They saw that the entire third floor was rosy red, with countless people standing around, most of them dressed in the same clothes.

The men were all in tattered armour, while the women were all wrapped in tattered red cloths.

“Shit! What is this? Human trafficking? This is against the law!”

Li Ba couldn’t help but curse.

But then he quickly ran into the crowd, and came back not too long after.

“How’s that? Did you get it all straight?”

Seeing Li Baba’s red-faced face, Lin Ran couldn’t help but ask with a smile.

This guy was unreliable in other ways, but he was really good at prying out information.

“Have you made it clear? This place is really a place for human trafficking,? Only these people are all slaves!”

Li Ba breathed heavily and said.

“Slaves? ”

Lin Ran frowned slightly at his words.

“What slaves! They’re all good people, how come they’re slaves!”

Ling Sa said with some anger.

“Sister Ling Sa, you don’t know the situation, most of the people here are captives of some defeated battles, such as fights between sects, individuals and so on!”

Li Ba said, pointing to one of the women.

“Look at her, I heard that she was defeated under Long Yang and ended up being sold here by the latter!”

“Long Yang? Doesn’t the Mysterious Alliance care?”

Lin Ran frowned slightly.

“Boss that’s the right question for you, I’ve inquired about it too!”

Li Ba said with a smug smile.

“It’s not that the Mysterious Alliance doesn’t care, it’s that they can’t care even if they want to shut it down!”

“A lot of such people are tied out through and through, the mysterious alliance want to investigate certainly can also be investigated, but to pay too much human and material resources, so for this kind of people who are not top, so many times are this way not to be done!”

Li Ba had no choice but to spread his hands.

Lin Ran and Ling Sa, however, listened with ugly faces.

There was no shortage of beautiful women on this third floor, but whenever they saw the signs with prices in front of them, the two of them felt a pang of heartache.

They were all equally human, so why should they have to suffer such unfair treatment.

“Let’s go and take a look!”

Lin Ran frowned and immediately walked over towards the woman Li Ba said.

At this moment, there were many people gathered in front of the woman, and a few were still trying to make a move.

Lin Ran swept a glance and instantly saw the price written on the sign, a full four million!

“Hey! Don’t look at this high price, but you guys should know that this woman is a peak Heaven Seizing Realm expert, if you buy her, in the future you will not only have fun in bed, but in your daily lives, you will also have an extra fighter won’t you!”

The person in charge here smiled as he introduced her.

Lin Ran’s fists clenched as he listened to this, treating people like objects for sale, this business was really shameless.

With anger in his heart, Lin Ran immediately looked at the sign in front of the woman, only to see a name written on it, “Qin Xiao Xiao!”

“Qin Xiao Xiao?”

Lin Ran could not help but be stunned at the name and subconsciously asked.

“Boss, is this woman a member of Qin’s family?”

“Qin’s family? What Qin family?”

The person in charge was stunned, followed by a laugh as he remembered something.

“You mean the Imperial Qin family? I’ve asked about this, and she said no!”

“Are you a member of the Qin family!”

Lin Ran didn’t pay any attention? The person in charge asked, looking up at the woman in front of him.

“No!”

The woman lifted her head and looked at Lin Ran with anger in her eyes.

“No? Then why are you so angry?”

Lin Ran asked with a bland expression.

“It’s none of your business if I say it’s not!”

The woman said angrily.

“I see!”

Lin Ran nodded, following but turning his head and rushing towards the person in charge.

“I’ll take her!”

“Okay!”

The person in charge smiled at that, and immediately took a card and handed it to Lin Ran.

“There’s no rush to settle the bill together later!”

Lin Ran took the card and threw it straight into his pocket.

But at that moment, Qin Xiao on the stage was furious.

“Bastard! Scum, beast! Even if I die, you won’t try to defile me!”

Lin Ran just looked at her indifferently, not saying anything.

“Lin Ran you!”

Lin Ran, who was looking at the side, frowned slightly, not understanding what Lin Ran meant by doing that.

“You’ll find out later!”

Lin Ran said indifferently, following which he pulled Qin Xiao Xiao and led the two of them directly to a private room.

“What do you want! If you dare to touch me, I won’t even let you go as a ghost!”

Qin Xiao covered her chest and said with a wary expression.

“Put this on for a change! I have a few questions to ask you!”

Lin Ran said as he threw a woman’s clothes over.

“Who am I to answer you!”

Qin Xiao Xiao looked at Lin Ran warily.

“Do you have a choice? If you’re willing to just degenerate like this, then I can send you back to continue selling!”

Lin Ran said blandly.

“You!”

Fear instantly sprang up on Qin Xiao’s face, clearly not wanting to go back.

“If you don’t want to go back, then behave yourself, change your clothes first then answer my questions!”

Lin Ran said.

Qin Xiao Xiao turned her head and looked at the clothes, they were of a very normal kind, and only then did the resistance in her heart drop a little.

After changing her clothes, Qin Xiao Xiao stood to the side, her hair scattered in front of her face, and she didn’t say anything.

“Alright, I’m going to start asking!”

Lin Ran opened his eyes, looked at Qin Xiao Xiao and swirled to ask.

“What’s your relationship with the Qin family in the imperial capital!”

“I said it doesn’t matter!”

Qin Xiao Xiao said in a cold voice.

“It doesn’t matter, why do you have a Qin family symbol on your wrist!”

Lin Ran asked, pointing at Qin Xiao Xiao’s wrist.

The Qin Family’s logo was similar to the Yue Family’s, both being a lowercase Qin character.

And this kind of character was usually printed on clothes, but Qin Xiao was printed on her wrist, if it wasn’t in the same font as the Qin family’s logo, Lin Ran wouldn’t be so sure that she was a Qin family member.

“You know and still ask me!”

Qin Xiao’s face was icy cold.

“Fine! I’ll take that as your acquiescence! I’ll tell you now, then? Why I saved you!”

Lin Ran said as he took out a token and placed it in front of Qin Xiao Xiao.

“This is ..... Our Qin family’s token!”

Qin Xiao Xiao froze in her tracks.

“That’s right!”

Lin Ran smiled and nodded his head while rising to his feet.

“Your Elder Qin Jie is my friend, that’s why I saw you and tried to save you, now do you still think I’m a bad person?”

“You!”

Qin Xiao’s eyes instantly turned red.

“Don’t worry, I will take you away and send you back to the Qin family!”

Lin Ran said comfortingly.

However, Qin Xiao Xiao hurriedly wiped away her tears and rushed at Lin Ran.

“I don’t want to go back to the Qin family, I don’t want to! Can you save my brother! Please save my brother!”

Qin Xiao Xiao looked at Li Ran, her eyes filled with pleading.
