

Wonder Doctor

Chapter 1201

“Your brother?”

Lin Ran frowned slightly and gestured for Qin Xiao to sit down and speak slowly.

“We can’t afford to delay! My brother is also outside, please save him, please!”

Qin Xiao Xiao looked at Lin Ran with prayer in her eyes.

“Outside too?”

Lin Ran frowned slightly at his words, and immediately led Qin Xiao Xiao out of the box.

Under Qin Xiao’s leadership, the group soon arrived at the place where male slaves were sold.

Following this, they soon stopped in front of a stall.

“He is my brother! Will you save him!”

Qin Xiao Xiao said, pointing at a young man in the stall.

Lin Ran turned his head to look and found a youth standing on the stall.

The youth’s head was hanging low on his chest, and his face was covered with many blood scabs, as if he had been badly injured before.

Even when he saw Qin Xiao Xiao and the others at this moment, he merely raised his head, unable to even utter a single word.

“Brother!”

Looking at the youth’s appearance, Qin Xiao Xiao cried her heart out.

“Qin Yin?”

Lin Ran glanced at the name tag in front of the youth and noted down the name.

However, just as Lin Ran was about to talk to the owner and buy Qin Yin out.

Suddenly, a young man on the side came over with a smile, and in his hand was holding a token.

Lin Ran recognised the token at a glance, it was a smudge of the same as the token the staff had given him when he had purchased Qin Xiao.

“Come with me!”

The youth looked up at Qin Yin above him and spoke with a smile.

As soon as these words left his mouth, Lin Ran and the others all looked over.

Qin Xiao, in particular, had a face of disbelief and was busy blocking in front of the youth.

“No! You can’t take him away, you can’t!”

“You are?”

The youth frowned slightly as he looked at Qin Xiao Xiao and asked rhetorically.

“I’m her sister, I’m here to redeem him, you can’t take him away!”

“Save him?”

The youth looked at Qin Xiao and frowned slightly, clearly not convinced.

“Dare I ask if my friend is a member of the Fire Family?”

Lin Ran stood out at this moment and smiled as he arched his hand at the youth.

“Which one are you?”

The youth frowned slightly as he looked at Lin Ran with a strange look in his eyes.

“Lin Ran!”

Lin Ran said with an arching hand.

“Lin Ran?”

The youth froze when he heard the name, and after a good moment of reaction suddenly spoke.

“Lin Ran of Temperance City?”

“Precisely!”

Lin Ran arched his hand and said.

“Long time admirer? Ah! I’m Fire Three of the Fire Family, Brother Lin Ran didn’t expect to run into you here!”

The youth busily introduced himself.

“Brother Fire Three, Lin Ran has a request for something, I don’t know

Lin Ran was just about to open his mouth, but Fire Three directly interrupted Lin Ran and smiled.

“Brother Lin Ran, just say it, as long as I can do it, I will definitely go up the mountain and down the sea!”

Fire Three said as he deliberately lowered his voice and said to Lin Ran.

“To be honest, before I came here, Brother Fire One Sword and I had mentioned you, I didn’t expect that when I saw you today, you were really a talented man with an extraordinary appearance!”

“Brother Fire Three is joking, I just want to take him away! I just want to take him away. I’ll pay for it!”

Lin Ran said, pointing at Qin Yin behind him.

Fire Three was stunned, and then laughed.

“What are you talking about, brother Lin Ran, you can take it away if you need to, I was just buying it for fun!”

“In that case, thank you so much Brother Fire!”

Lin Ran said with a busy smile.

Qin Xiao Xiao, who was at the side, was already sobbing with excitement.

“You’re welcome, Brother Lin Ran!”

Fire Three arched his hand and said.

“Since Brother Lin Ran still has things to do, I won’t bother you too much, so I’ll see you tomorrow at the Xingwu Mountain Pointing Platform!”

“Mm!”

Lin Ran returned the salute.

Fire Three then left first

“Boss! This guy is quite nice!”

As soon as Fire Three had left, Li Ba came up and complimented him.

“Mm!”

Lin Ran nodded, although he knew that there was definitely Fire One Sword involved, but the other party could do this far, his character was fine.

“And I wonder what the point of tomorrow’s point is really about!”

Lin Ran thought to himself.

Long Yang, who he had met earlier, had said that he was waiting for him at the General Pointing Platform, and now Fire Three was also saying that he would meet him at the General Pointing Platform.

Apparently there were a lot of people going to this General Pointing Platform, but what exactly it was for, he didn’t even know until now.

“Come with me!”

Lin Ran greeted, and promptly led this Li Ba Ling Sa as well as the two Qin family siblings, back to the box.

“Many thanks!”

Qin Yin, under Qin Xiao’s care, was barely able to speak at this point.

Having learnt what had happened, he couldn’t help but arch his hand at Lin Ran as well.

“There’s no need for words of thanks! I want to know why you guys ended up here!”

Lin Ran looked at the two and opened up.

“It’s all because of that Long Yang!”

Qin Xiao Xiao said angrily, seeming to have a huge grudge against Long Yang.

“We and Long Yang both came from a cultivation place in the Mysterious Alliance, where Long Yang was among the strongest, while my brother was almost as strong as him!”

Qin Xiao Xiao said.

“Originally, we all just have some conflicts, but then a fight over the handsome word order, Long Yang beat my brother into a serious injury, and then even more about both of us”

When he said this, Qin Xiao did not continue to say more.

But Lin Ran already understood the reason for it.

“Although it is a rival, but there is no need to hit so hard, and still directly sold you here, there is no hidden agenda among them?”

Lin Ran asked, frowning.

“There is!”

Qin Xiao clenched her silver teeth.

“Just because we’re from the Qin family!”

“Qin’s family?”

The crowd cast a puzzled look.

“Could it be that the Qin family and the Dragon family still have conflicts?”

Lin Ran asked.

Qin Xiao Xiao, however, shook her head.

“It’s not a conflict, it’s a deliberate suppression!”

With that, Qin Xiao told the reason for it.

It turned out that second tier families like the Qin and Yue families had always been trying to boost their family’s strength by any means possible.

After all, only when a family had more experts could a family keep prospering.

But as long as they are families, they will have competition with each other.

Whether it’s competition for industrial business in the metropolis, or in the cultivation world, they are all there.

These families and sects are also different in that they all compete with each other from the metropolis and carry on to compete in the cultivation world.

So they tend to do everything they can to suppress each other.

As soon as they learn that the other party is from a rival clan, then they are definitely trying to suppress each other by all means.

So in this situation, there were cases like Qin Yin Qin Xiao Xiao, who were highly qualified but had not been seen in the Qin family since they were young.

In other words they were Qin family members who had been hidden, such as the Yue family Yue Ru Shan at the beginning, who Lin Ran had never heard of at all before, but suddenly popped up.

This was the most typical example.

“The Dragon Family is so powerful that dealing with us is just a matter of raising one’s hand!”

Qin Xiao Xiao laughed to herself.

Lin Ran, on the other hand, nodded and said.

“Every family will have bad people and good people, even the Dragon Family is no exception!”

“Alright! Qin Yin you come over here first, I’ll take a look at your injuries!”

Lin Ran didn’t want to continue talking about this topic, so he changed the subject.

“Mm!”

Qin Yin didn’t say anything and came next to Lin Ran with Qin Xiao’s help.

Lin Ran’s palm was then placed on Qin Yin’s wrist, and a stream of Medical Dao True Qi entered Qin Yin’s body along his wrist.

Chapter 1202

Ten minutes later, on the fourth floor of the martial layer building, Lin Ran and his group appeared.

“Lin Ran, is there really no way to outlaw the third floor?”

On the side, Lin Ran frowned and asked.

The third floor of the Martial Layer Building was simply a hell on earth, and she really did not want such a place to exist.

Lin Ran shook his head.

“How can it be outlawed? This is the world of cultivators, and the nearest police station near Wuzhen would have to be half a day’s journey away, by the time they turn up, the place would have closed long ago!”

“Besides, these people have such a deep background, it’s useless!”

Lin Ran helplessly had to shake his head.

“Isn’t there any other way?”

Lin Lin asked.

“It’s not like there isn’t, as long as we can find the operator behind this martial tier building? Maybe there’s still hope!”

Lin Ran said.

“The operator behind the curtain?”

Ling Sa was stunned,? It was easy to say, but in reality, was it that easy to find.

For the other party to be able to run up a martial tiered building, one would think that their status wouldn’t be too low.

“Where are we going now?”

Seeing that both Lin Ran and Ling Sa’s were silent, Qin Xiao Xiao, who was at the side, then opened her mouth and asked.

“To buy medicine!”

Lin Ran said back.

“Half of the meridians in your brother’s body are broken, if we can’t find a miraculous treasure to recover, the path to cultivation will be broken!”

“A miraculous treasure? But we don’t have any money on us right now!”

Qin Xiao Xiao was puzzled.

Having been sold here by Long Yang, their previous savings and even their magic weapons had all been sold by Long Yang together, and the two of them were now left with only this set of clothes on their entire bodies.

“When I bought you guys, I wasn’t prepared to let you pay for it either!”

Lin Ran smiled and gave the two a glance before continuing his search for herbs.

The fourth floor of this martial floor was a very high-spec gathering place for exotic treasures.

Here, there were only cases where there wasn’t enough money, and there simply wouldn’t be any cases where there were no goods.

As long as one had money, one could even get a False Dragon Pill or even a True Phoenix Pill here!

“This is the place!”

After walking for a few moments, suddenly Lin Ran listened down in front of a stall.

This stall was very large, and at this moment there were quite a few people gathered in front of it to pick something out.

And Lin Ran’s eyes were already attracted to a stone on the stall.

“Boss how much is this!”

Lin Ran asked, without any nonsense, pointing at the stone on the stall.

“The Continuing Scripture Stone, five million!”

The boss said directly.

“Swipe your card!”

Lin Ran directly took out his card and gave it to the other party.

“Sharp!”

The boss smiled and instantly took the card and prepared to go pay.

However, just then, a young man’s voice came from the side.

“Boss, come on, hurry up, this Blood Devil Fruit, Red Sun Grass! Including this Gathering Spirit Root all packed for me!”

The crowd looked at the words and found that the person speaking was a youth, about the same age as Lin Ran.

“Brother, what you want is worth a lot of money, it must add up to at least eighteen million!”

The boss looked at the other party with a smile.

“What? Afraid that I don’t have any money?”

The young man patted his fanny pack and immediately took out a card and threw it to the boss.

“Go ahead and swipe it! I still have more if you don’t have enough!”

The youth laughed triumphantly.

At this moment, Lin Ran noticed that Qin Xiao Xiao and Qin Yin’s faces had already changed at the side.

The two looked at the youth, their faces filled with anger.

“What’s wrong?”

Lin Ran frowned and asked.

“He! It’s him! It’s him!”

Qin Xiao’s fists were clenched and his whole body was trembling.

The Qin Yin at the side even had bloodshot eyes, and if he hadn’t been seriously injured, I’m afraid he would have already rushed up at this point.

“Jiu Feng! You bastard!”

Qin Xiao looked at the youth and cursed.

“Huh?”

The youth was stunned at his words and turned around with a frown, however, when he saw Qin Xiao Xiao and Qin Yin, he instantly took several steps backwards in fear.

“Why did you two come out?”

Jiu Feng said in surprise.

“Isn’t it surprising that you didn’t expect us to come out? You bastard!”

Qin Xiao Xiao was about to make a move, but it was royally blocked by Lin Ran.

He could tell that Qin Xiao Xiao was no match for this Nine Peaks.

“Stinking bitch! Who are you two comparing with! Don’t think I can’t see that your brother is almost crippled! Without your brother, you’re a fucking loser in my eyes! If you don’t believe me, I’ll pull you into bed right now!”

Jiu Feng sneered.

“Bah! I wouldn’t be single for the rest of my life if I had a relationship with you, you brute!”

Qin Xiao Xiao cursed angrily.

“Huh! I’m afraid it’s not up to you, when Long Yang had to sell you, if I hadn’t arrived a little late, you would have been my fucking man!”

Jiu Feng was full of cold smiles, and his eyes couldn’t help but look at Qin Xiao Xiao’s body.

Although Qin Xiao Xiao’s image was a bit sloppy at the moment, her looks as well as her figure were actually very good, and this was something that everyone could see.

“What the hell is going on?”

Lin Ran asked directly as he looked on a little less clearly.

“It’s him! He’s the one who betrayed us and told Long Yang all the details about my brother, causing our siblings to end up in the situation they are in now!”

Qin Xiao Xiao said angrily.

“You know what! He’s still our teammate! Just because he liked me and I didn’t say yes to him! He betrayed us as siblings!”

Qin Xiao Xiao was sobbing uncontrollably when she said this.

And Qin Yin, who was on the side, was even trembling all over and would faint at any moment.

“Ling Sa!”

Lin Ran flashed a wink at Ling Sa, who understood and immediately pulled Qin Xiao Xiao aside and took care of Qin Yin together.

Li Ba, on the other hand, was standing next to Lin Ran at this moment and sneered.

“I say, brother, you’re ruthless enough! You can’t chase someone, so you’re giving all their details to your opponent, shameless enough!”

“What’s it to do with you!”

Jiu Feng's face was cold as he glared at Li Ba, then looked at Lin Ran.

"Kid! I advise you to mind your own business, or else I'll even clean you up believe me?"

"Is that so? How much money did Long Yang give you?"

Lin Ran looked at Jiu Feng and asked.

"What's it to do with you!"

Jiu Feng's face sank as he said in a cold voice.

"It naturally has nothing to do with me, I just want to know what kind of price can make a person betray his teammates and be so quick to do so!"

Lin Ran laughed.

"You seek death!"

Jiu Feng's face suddenly turned cold as he raised his hand and rushed at Lin Ran with a slap.

However, just as his palm was raised, a golden light followed and trapped his wrist directly from behind.

At the same time an icy voice rang out directly.

"Want to fight! Go to the ring! Don't challenge the rules of our Martial Tier Building!"

Jiu Feng was stunned, and only then did he remember that he was in the Martial Tier Building.

"Kid! If you're a fucking man, come to the ring with me, or I'll block you to death at the entrance of this Martial Layer Building and don't come down for the rest of your life if you dare!"

"Are you sure you want to get in the ring?"

Lin Ran smiled at his words but laughed.

"Sure! What? You don't dare?"

Jiu Feng looked at Lin Ran with teasing in his eyes.

"It's alright! I won't kill you, the most I'll do is beat you up, and how about if you win, the old man is at your disposal?"

"Isn't that a tempting enough condition, dare you play?"

Jiu Feng looked at Lin Ran with an arrogant look on his face.

"Holy shit! Boss I can't even look at this!"

Li Ba said angrily to the side.

However, just as Lin Ran was about to speak, Ling Sa, who was on the side, spoke up.

"Let me go! I'll take this bet!"

Lin Ran turned his head to look at Ling Sa and saw that she didn't seem to be joking before he nodded his head.

"A woman? And a superb one at that! Interesting! Looks like old me is going to have peachy luck today!"

Jiu Feng was full of smiles and was very pleased with himself.

"Cut the crap! Get in the ring!"

Ling Sa looked at Jiu Feng angrily and followed with an arrow step directly to the ring next to her.

Chapter 1203

"I say pretty girl! What do people's affairs have to do with you, is it hard to say that you have a crush on Laozi?"

As soon as he jumped onto the ring, Jiu Feng couldn't help but laugh.

Compared to Qin Xiao Xiao, Ling Sa was clearly more seductive.

"Just a scum like you fancying you? Fancy you for what? Backstabbing?"

Ling Sa laughed coldly, followed by a flip of her palm, and a long fiery red whip appeared in her hand.

"Your mouth is quite poisonous, I'll disinfect your mouth properly later!"

Jiu Feng said in a cold voice, while his paws lashed out and he lunged at Ling Sa.

"Boss! Why are you letting Sister Ling Sa go up there!"

Li Ba asked busily.

"Since she dared to bring it up, she must have her own backing, don't worry!"

Lin Ran laughed lightly, while gesturing for the boss to hurry up and settle the bill.

"You're so big-hearted, what if something happens to Sister Ling Sa!"

Li Ba was still a bit uneasy.

"Yes! Or else I'll go up!"

On the side, Qin Xiao Xiao was busy saying.

"It's alright! Don't worry!"

Lin Ran waved his hand.

At this moment, the boss had already finished settling the bill and ran back, while handing the scripture renewal stone to Lin Ran.

"You guys pay Qin Yin over first, I'll treat him!"

Lin Ran greeted.

Qin Xiao Xiao and Li Ba took another glance at the two people on the stage who had already exchanged blows with Lin Ran, before helping Qin Yin to sit on the chair next to him.

“Your condition is somewhat serious, this Meridian Renewal Stone can temporarily connect your meridians!”

“But remember, you must never do anything within three days, and only after three days when your meridians are completely solid can you begin to resume cultivation!”

Lin Ran instructed as he ground the scripture renewal stone into its components.

“Mhmm!”

Qin Yin nodded heavily, but his eyes were looking towards the ring from time to time.

If he hadn't been so sick, it would have been himself standing there at this moment tidying up Jiu Feng.

“Alright! Take it down!”

Lin Ran handed Qin Yin the ground up scripture renewal stone powder, and then brought a cup of water for the latter to take it.

And just as Lin Ran was treating Qin Yin's illness.

At this moment, a staggering scene appeared in the ring.

At that moment, Jiu Feng was tied up with a fiery red rope and could not move.

On the opposite side, Ling Sa was holding a long fiery red whip, which she was wielding continuously.

Every time she swung it, there was a crunching sound and a scream from Jiu Feng.

“You! What the hell is this!”

Jiu Feng was so angry that his face turned blue, but he could not break free from the red rope of Ling Sa.

“Stop it, you stinking bitch! You're killing your man!”

Nine Peaks cursed angrily.

The red whip in her hand fell harder and harder.

Every time the whip landed on Jiu Feng, the surrounding crowd could not help but feel their whole bodies tremble.

Just watching this whip made people feel pain in their bodies.

“How big a grudge must this be! Sister Lin Sha is simply teasing him!”

Li Ba laughed.

“You don't understand!”

Lin Ran looked at Li Bajie and laughed.

“Indeed, I don’t understand!”

Li Bach shook his head, how big a grudge did it have to be to come up with such a trick, and instead of defeating the opponent, let alone knocking him out of the ring, he was tied up and whipped with a whip! This was too big a grudge!

Lin Ran had a smile on his face.

Others didn’t know, but he was very clear about it.

When their team, together with Long Ya and Wu Jiao, had gone to the back of Qiong Hua Mountain to hunt that Fire Dragon Shi, it was because of Yue Qun Shan’s sneak attack that had put Ling Sa into a coma.

Long Ya was even almost eaten by the Fire Dragon Shi.

So this kind of backstabbing was not only something that Ling Sa held a grudge against, but it was also an act that Lin Ran Long Ya and the others all held a great grudge against.

And this time, Jiu Feng had clearly run into the muzzle of Ling Sa’s gun.

“This ninny’s strength, when did she break through the Creation Realm!”

Standing under the ring, Lin Ran however couldn’t help but smile as he watched.

Ling Sa’s strength was completely crushing the Nine Peaks, it was obvious that this ninny had already broken through to the Realm of Creation.

However, he remembered that when she had entered the ancestral land of the Plum Blossom Sect before, she was still at the Heaven Seizing Realm.

“Could it be the Plum Blossom Heavenly Book?”

Lin Ran was stunned, when Ling Sa had obtained the Plum Blossom Heavenly Book, she had met with Granny Plum Blossom alone, so perhaps that was when she had broken through.

However, since Ling Sa didn’t say anything, Lin Ran wasn’t prepared to ask more, after all, this was also someone’s privacy.

“Holy shit!”

Suddenly, just as Lin Ran was thinking in his mind, Li Ba next to him let out a cry of surprise.

Lin Ran looked in search of the sound, only to see that at this moment, Ling Sa on the stage had actually cracked the clothes on Jiu Feng’s body.

A trail of blood emerged from beneath the skin, looking not to mention how miserable it was.

“Old Boss, did you never say that Sister Ling Sa hit so hard?”

Li Ba couldn’t help but gag as he watched, fortunately he hadn’t offended Ling Sa before, or else he would have to faint from fear when he saw this scene in front of him.

“Stop it! She’s not normally like this!”

Lin Ran laughed, he knew that Ling Sa was also furious by what this Nine Peaks had done, which was why she had struck so hard.

“Don’t Don’t fight, I admit defeat! If we keep fighting we’re going to get killed!”

Jiu Feng was busy shouting.

At this moment, his whole body was in unbearable pain, and I was afraid that if he took any more beating, he wouldn’t really be able to hold on.

“Admit defeat?”

Ling Sa laughed at his words.

“You want to admit defeat and I have to agree?”

With that, Ling Sa raised her hand and gave another whip.

This whip directly ripped most of the clothes on Jiu Feng’s body to shreds, revealing a large area of skin covered in red channels, all from the previous whip that Ling Sa had lashed on.

“Tiny! You say! Relieve your anger!”

Ling Sa suddenly looked at Qin Xiao Xiao on the stage and asked.

“Yes!”

Qin Xiao Xiao had tears in her eyes and nodded her head.

This severe beating from Ling Sa had relieved her greatly, and at the same time released all the bottled up grievances in her heart.

“Count your life!”

Ling Sa glared at Jiu Feng, followed by a whip on him, directly knocking him out of the ring and onto his back in front of Qin Yin on the side.

“Collect!”

Ling Sa put away the rope that was tying up Jiu Feng.

However, the next moment, before anyone could say anything, Jiu Feng jumped up from the ground with a loud “ah”.

At this moment, his body was not fully clothed, and the naked areas were all red. It looked like his entire skin was red.

“Oh my god, Sister Ling Sa almost cooked him!”

Li Ba couldn’t help but say.

And at this moment, Jiu Feng was indeed as miserable as he could be.

His whole body didn’t dare to touch the ground, the walls, anywhere except his feet! Even when his arm touched his arm, it would hurt so much that it would tear his heart out.

“Damn it! Wait for me, you guys! Wait!”

Jiu Feng cursed as he ran, pointing at Lin Ran and the others.

The people watching Lin Ran and the others instantly laughed.

“This Nine Peaks is really miserable!”

“This Sister Lin Ran is really ruthless!”

Li Ba couldn't help but lament.

Just as these words fell, a woman's voice came from the side.

“What are you saying? I hit hard? Want to try?”

Li Ba was stunned, and was busy turning his head, and when he saw Ling Sa's face, he was so scared that he turned around and ran, while shouting.

“Sister! Stop it! I didn't offend you, women are so scary!”

Chapter 1204

After the farce was over, Lin Ran then led the crowd to the entrance of the fourth floor leading to the fifth floor.

It was said that this martial floor had five floors...? It just seemed that no one had ever gone up to this fifth floor.

However, since they had arrived here, Lin Ran naturally wanted to take a look and find out what kind of conditions were required to enter the fifth floor of the martial floor.

At the same time, he also wanted to wait for Li Sheng and the others, and wondered where the three Leng Zhan, Long Ya and Wang Yifeng had gone.

I don't know where Leng Zhan, Long Ya and Wang Yifei have arrived. I think Li Mu Di and the others are on their way.

This trip to Xingwu Mountain was obviously not going to be too lonely.

As they spoke, the crowd had already arrived at the entrance to the fifth level on the fourth level.

And just as they arrived, the crowd saw strangely that the entrance was unguarded.

Instead, at the entrance to the staircase, there was an iron door blocking the way.

This iron door was very strange looking, there was no keyhole at all, not even a door handle, just a dent in the place where it opened and closed, and it was impossible to see what it was for.

“I'll try it!”

Seeing that no one was watching, Li Ba directly went forward and prepared to push the door.

However, before his palm even touched the iron door, a huge rebound force directly shook him backwards.

“Watch out!”

Lin Ran was quick with his eyes and caught Li Ba directly, which prevented him from crashing into the stall behind him.

“The dent seems to be a key, but what can be set into it?”

Lin Ran spoke up from the side.

“A key?”

“Set in?”

The crowd was stunned, yet Qin Yin, who was next to him, put his palm into his arms.

“Try this!”

With that, he actually fished out a token from his bosom.

The crowd recognised it after just one glance, it was the General’s Character Token given by the Mysterious Alliance.

“You actually have a general’s token!”

Seeing the token, Li Ba was surprised.

When there were so many people on Qiong Hua Mountain, Lin Ran was the only one who had received the word marshal token, and he didn’t even know who all had received the word general token.

Even Lin Ran didn’t know.

“This General Character Order is not public, it is usually given directly by the Mysterious Alliance!”

Qin Yin said.

Only then did it dawn on Lin Ran and the others when they heard that.

The feeling was that there was anyone who held the General’s Order, and as long as the other party didn’t say anything no one would even know about it.

“But the outline of this token is still really similar to this dent!”

Li Ba took Qin Yin’s General Character Token to the iron door, and followed it by pressing the token in.

“Weng.”

As soon as the token entered, a light immediately lit up, enveloping Lin Ran and the others.

All of them had a look of joy on their faces.

However, just when they thought they were about to enter the fifth level, a voice suddenly was like cold water, dousing the crowd.

“Not enough level, you may not enter!”

“Shit! Not even the General’s Order! Then there’s only the word marshal order!”

Li Ba cursed, following which he looked at Lin Ran.

“Looks like you’re the only one who can get in!”

Lin Ran also looked over.

“Only one person can enter with one token, everyone else quickly retreat!”

The voice rang out once more, followed by the light dissipating away, and Lin Ran and the others reappeared on the fourth level.

“Only one person can enter with one token, it’s over! It’s completely hopeless!”

Li Ba was somewhat helpless.

Lin Ran also smiled helplessly, there was nothing he could do about it.

“Alright! You guys leave here first and go find a place to stay nearby, I’ll come find you later!”

Lin Ran said with a smile.

“Good!”

Li Ba nodded, since he couldn’t get in, there was nothing he could say.

“Take care of Qin Yin and the others, and wait for me to return!”

Lin Ran barked at Ling Sa.

Ling Sa nodded at his words, indicating that he would leave it all to me.

Qin Yin and Qin Xiao were still injured, so Lin Ran arranged for them to leave first, before taking out his handsome word order and pressing it on the posted door.

“Weng!”

Another light lit up, following which Lin Ran was directly included.

Immediately, Lin Ran saw that the iron door in front of him was actually slowly opening, except that it was pitch black behind it to see anything at all.

“Let’s go!”

Lin Ran muttered to himself and followed through the iron door.

On the fourth floor, after Lin Ran took out the Shuai Zi Order and pressed it on the sticky door, a light wrapped around him.

The people on the entire fourth level could not see him at all, and even to the people on the fourth level, it seemed that the iron door had never been opened at all.

But when the light dissipated, Lin Ran had already disappeared.

.....

In the dimly lit room, there was only a single candle light swaying slightly.

Lin Ran appeared out of thin air, and it took a few moments before he gradually adjusted to the light here.

“This is?”

Looking at the empty place in front of him, and the only candle that was left, Lin Ran froze.

“Come and sit down!”

Suddenly, a voice rang out in front of him, and only then did Lin Ran pay attention.

It turned out that behind the candlelight, there was actually a man sitting, facing the chair where the candle was, with a black robe on his head, and his face could not be seen clearly.

But this voice was incomparably familiar to Lin Ran, it was none other than Elder Feng’s.

“Elder Feng! It’s been a long time!”

Lin Ran smiled lightly as he followed and walked forward.

As he got closer, Lin Ran then clearly saw that the table with the candles was actually a desk, and at this moment, in front of the table, apart from Elder Feng, there was actually a book.

“Take a look at it first!”

Elder Feng pointed at the book and said.

Lin Ran didn’t ask too many questions, so he immediately sat down and took the book and read it.

There were no words on the surface of the book, and after flipping it open, Lin Ran then realised that the content inside was actually an illustrated version, so it resulted in each page being very thick, which led to the fact that there wouldn’t be a lot of content, but it would be very careful.

When Lin Ran turned to the first page, he saw the words “Pointing the General”.

As Lin Ran continued to read, he realised what the book was about.

The “Pointing Table” was very common in the Mystic League, but of course for those who saw it regularly.

For Lin Ran, it was a first.

It turned out that every three years, the Mystic Alliance would recruit a group of people to train at a place like Mount Xingwu Qiong Hua.

And there were hundreds of such places in the Mysterious Alliance.

And the number of people inside these hundreds of places added up to be very large.

But no matter how many people there are, there will only be two handsome orders at each settlement.

Those who have been awarded the marshal's orders are the future marshals, and the Xingwu Mountain General Counting Platform is prepared for them.

At the time of the General Counting Platform, it is the time for the two holders of the Marshal's Order to select their men.

Because of the large number of people, many may not attend, and for these people the Mystic Alliance naturally has its own arrangements.

For those who do come, it is at this time that they will choose their marshals, and once they have done so, they cannot be changed.

Lin Ran closed his book and looked at Elder Feng.

"What happens after the general is named?"

Elder Feng lifted his head to look at Lin Ran and spoke indifferently.

"After that is the battlefield!"

"How many people can each person choose?"

Lin Ran asked.

"I don't know! It depends on one's ability! The marshal's order is just a status symbol, and the exact number of people who will follow you is entirely up to you!"

Elder Feng said, while taking out another map and placing it on the table.

"This is a map of the distribution of forces, after the completion of the marshal's order, you will have to run to the battlefield, and on this are the places where you will initially train, remember! The places marked in red must not be visited! Even I can't save you if you go there!"

Chapter 1205

"What are those places?"

Lin Ran asked with a frown, while looking at the map on the table.

Only to see that on the map, there were many places that were drawn with dashed circles outlining them, while a few of those places were drawn with red markings that stood out!

"Those red marks are not places, but a warning!"

Elder Wind said.

"Even in the red places, there are people engaged in battle, only you need to pay special attention, the danger level in such places is very high, one mistake is likely to be transported into the Other Demon Realm!"

"The Other Demon Realm?"

Lin Ran was stunned at his words and suddenly recalled that whatever Heavenly Wolf Sect he had encountered when he had previously travelled to the Plum Blossom Sect.

“Elder Feng, have you heard of the Celestial Wolf Sect of the Other Demon Realm?”

“The Heavenly Wolf Sect?”

Elder Feng shook his head at his words.

“There are too many of these small forces? No one will remember, there is a general stationed in each place, when you arrive at the place you listen to him for all actions, after a year of grinding, you will only be sent to the place with the red mark!”

“Alright!”

Lin Ran nodded his head.

It was still too early to say anything, after all, no one knew where they would be sent to after the count was done.

No one knew what would happen once they arrived at the place either, so everything would wait until after the pointing platform was completed.

“Elder Feng!”

Suddenly, Lin Ran remembered something and looked up at Elder Feng.

“Are you trying to talk about the third floor?”

Elder Feng looked at Lin Ran and asked rhetorically.

“Yes!”

Lin Ran nodded his head and did not deny it.

“There’s no need to mention this matter again, many people have mentioned it before, but he still exists!”

Elder Feng said blandly.

“Why? Is the Mysterious Alliance still short of money to sell people?”

Lin Ran asked with a frown.

Elder Feng, however, shook his head.

“Existence is both inevitable, no one can explain such things, and have you thought about it? Although the people there are bought and sold by others as commodities, they at least don’t have to go to battle, which do you think is fairer in the end?”

“Fallacy!”

Lin Ran shook his head.

“Going to war or not and human trafficking are two different things, I can’t agree with you on this matter!”

“It doesn’t matter, you’ll be leading your team away soon, all I can do is try to ensure that such places are opened as little as possible!”

Elder Wind said, while taking out a lamp and placing it on the table.

“Light it, this side is the life-light you left behind in the Mysterious Alliance!”

“Fate lamp?”

Lin Ran frowned slightly.

“That’s right! It’s the Destiny Lamp!”

Elder Feng said.

“This kind of Fate Lamp is made of a special material that can judge your life and death no matter where you are!”

“The battlefield is merciless, and hundreds of people could die in an instant, so this kind of thing is the only evidence that can tell if someone is dead or alive!”

“After tomorrow’s count, all those running to the battlefield will need to stay behind!”

Lin Ran didn’t say a word at his words and silently squeezed out a drop of blood and dropped it onto the Fate Lamp only, followed by a bright light before his eyes, and the Fate Lamp was lit.

“Alright, you can leave now!”

Elder Feng looked up at Lin Ran.

Lin Ran sighed helplessly, feeling that Elder Feng had only come here to collect the Destiny Lamp.

“Whatever you want, but the third level is something that I always thought shouldn’t exist!”

Lin Ran said one last time, followed by turning around and leaving.

However, just then, in the darkness behind him, a figure suddenly appeared out of thin air.

Lin Ran and the other person looked at each other and both froze in their tracks.

“Long Yang?”

“Lin Ran?”

Long Yang looked at Lin Ran with confusion in his heart as well.

However, Lin Ran was not speaking and turned around and walked towards the darkness.

With Long Yang appearing here, things were already very obvious.

The other piece of the Handsome Character Order was obviously in his hands.

Entering the darkness, Lin Ran soon disappeared from his spot.

Long Yang, on the other hand, was looking at the space in front of him with a somewhat dumbfounded expression.

“Long Yang, right! Come here!”

Elder Feng greeted once again, only this time instead of taking out books and maps, he directly took out the Destiny Lamp.

.....

But Lin Ran, after leaving the Martial Layer Building, found a hospitality hall in Wu Zhen according to the address sent by Li Ba.

Once he entered the hospitality hall, Lin Ran then noticed that Wang Yifeng and Leng Zhan and the others had actually arrived.

“Ranzi! Where have you been, causing me to worry blindly too!”

Wang Yifei pulled Lin Ran to look up and down.

On the side, Leng Zhan Ah Zhan as well as Old Cat had all come over as well.

“There were some things to deal with the other day, instead it’s you, how are you and Xiao Cui playing?”

Lin Ran asked rhetorically.

Wang Yifei’s old face flushed at his words and he said smugly.

“That goes without saying, Xiao Cui’s father had to press me to marry her, it’s hard for me to do that, I’m about to go to war!”

“But we agreed, when we leave from the battlefield, I will go back and marry Xiao Cui!”

Wang Yifeng laughed.

“OK! Promising!”

Lin Ran laughed, Lin Ran was also happy for Wang Yifeng that he had found his true love.

It had been a long time since they had seen each other, and they talked until the early hours of the morning before they went to bed.

The next morning, Lin Ran and the others were woken up by the noise outside the room.

It seemed that this night was a split limit.

The crowd walked out of the room and realised that Wuzhen, which was not crowded last night, was actually packed with people today.

It could simply be described as a sea of people.

And soon, Lin Ran noticed the figures of Long Ya as well as Fire One Sword Li Mu Di, who had also finally arrived.

Lin Ran introduced the group to Qin Yin's siblings, and only then did they pack up their things and the group headed towards Xingwu Mountain.

Xingwu Mountain was just next to Wuzhen and was only an hour away at most, so the group was in no hurry.

It was just that on this journey, there were really a lot of people heading for Xingwu Mountain, so this slowed down.

"You three have also entered the path!"

Along the way? , listening to the report of the three Leng Rolling, Lin Ran was also very emotional in his heart.

After almost three years of this separation, the three Leng Zhangs had finally reached the realm of Dao entry following Li Sheng.

Although it is said that they have only entered the path, there is an essential difference between martial arts practitioners and feng shui cultivators.

Nowadays, according to their strength ranking, the three Leng Zhangs are at least at the middle stage of the Heaven Seizing Realm.

Moreover, with their martial arts training background, their real combat power could even match the peak of the Heaven Seizing Realm.

Even if they ran into the Realm of Creation, they could still hold out for a fight.

"Lin Ran! I have some bad news for you!"

Long Ya stood next to Lin Ran at this moment and said somewhat unhappily.

"What's wrong?"

Lin Ran asked.

"Dragon Ridge Sky is here too!"

Long Ya said helplessly.

"Dragon Ridge Sky?"

Lin Ran was stunned at his words, but waved his hand and laughed.

"Come as you are, one more of him is no more, one less of him is no less!"

Long Ya saw that Lin Ran didn't seem to care and couldn't help but say with some concern.

"Long Ridge Sky has now openly joined Long Yu's camp, he and Long Yang will definitely be in cahoots this time!"

"Ao!"

Lin Ran nodded at his words, still looking indifferent.

“You!”

Long Ya was a million times confused.

Lin Ran had no choice but to speak.

“Long Yang is no match for me either, so even adding a Dragon Ridge Heaven would be just like that!”

“You!”

Long Ya froze at his words.

Chapter 1206

As the crowd spoke, they had already arrived at Xingwu Mountain.

Previously, Leng Xuan Li Sheng and the others had been training on Xingwu Mountain, so they were familiar with the terrain here.

It didn't take long for the group to reach the General Pointing Platform.

It was called the General Pointing Platform, but in fact it was just a high platform that had been temporarily built.

But it still looked very imposing, with two separate steps leading up to the top of the platform.

And by now quite a few people had arrived here, but many more were still on their way.

The general counting will start in an hour, so there is still plenty of time.

“So this is the General's Point? It's really grand!”

Li Ba looked at the General Pointing Platform in front of him with some excitement.

“It's not bad!”

The other two were feeling average, perhaps because there was no one on the platform at the moment, so they could not reflect its grandeur.

“The aura of this place will be highlighted later after the general counting starts!”

One side of the fire a sword spoke up and laughed.

“Who cares if it's imposing or not, look at all the beautiful women! My goodness let them join the army, that's too much of a lack of compassion!”

Wang Yifeng then lamented.

“Damn fatty, it's only been a few days since you left Xiao Cui? Your old problem is back!”

Ling Sa could not help but say at her words, causing the crowd to laugh.

However, just as the crowd was talking, a group of people not far away walked over in a rage.

The leader was none other than Long Yang!

“Brother Yang! That’s him! Damn it, he was the one looking for trouble yesterday!”

Next to him, Jiu Feng pointed at Lin Ran and said to Long Yang.

Long Yang frowned slightly at his words, and after a moment of thought in his mind, he still led the men over.

“Boss! Long Yang is here!”

Next to him, Qin Yin spoke up.

After a night’s rest, he had recovered a bit from his injuries, and after coming to this pointing platform, his eyes were always searching for Long Yang, his nemesis.

“Hm!”

Lin Ran nodded and did not speak, only his entire body’s aura was icy cold.

The crowd next to him felt the change in Lin Ran’s aura, and one by one, they also stopped speaking, knowing that something was about to happen.

“Brother Lin Ran, goodbye!”

Long Yang greeted as he walked up with a smile.

“Something’s wrong?”

Lin Ran looked at Long Yang with a bland expression.

“Naturally I’m fine, it’s just that this brother of mine seems to be looking for you for something!”

Long Yang pointed to Jiu Feng next to him and smiled.

“He has something to do? He’s the only one who dares to come here? Long Yang don’t think that I don’t know that he was the one who betrayed me in the first place, why are you still looking for trouble now that you’ve come over?”

Qin Yin’s face was cold, and there was even killing intent in his eyes.

Long Yang smiled at his words, however.

“Qin Yin, don’t be so defeated, does the information provided by Nine Peaks really work? If your strength is really strong even if I know your details, so what? In the end, it’s your own strength that is not good, complaining about others is not the way a great man should behave!”

“I sh*t! Even if I don’t tell Yang, you’ll still lose! You still want to compete with Young Yang for the Handsome Order, why don’t you take a piss and look at yourself!”

Jiu Feng on the other side also echoed.

“If I hadn’t seen your sister as pretty in the first place, would I have been with you as a pair? You’re nothing!”

“Jiu Feng you’re a scum!”

Qin Xiao Xiao said angrily.

“If it had been my brother, you would have died out there many times, you envious bastard!”

“Yes! What’s wrong with me? What can you do to me? If he hadn’t come out of nowhere, you’d have been bought and trampled by some fucking man by now.

Jiu Feng said disdainfully.

“You bastard!”

Qin Xiao was instantly furious, but before she could explode, Lin Ran cut her off.

“You came over just to present a verbal argument?”

Lin Ran looked at Long Yang Jiu Feng with a bland expression.

“Naturally not!”

Long Yang smiled, while looking at Nine Peaks who was on the side, before he said to Lin Ran.

“Although Jiu Feng is not very strong, he is always one of my men, as the saying goes, you have to look at the master when you beat a dog, you made me lose face by cleaning him up yesterday!”

“Face? Wasn’t your face already gone yesterday?”

Lin Ran laughed.

As soon as those words left his mouth, the surrounding people who were watching the scene all chattered.

“I know this, yesterday at the Martial Layer Building, Long Yang lost to Lin Ran!”

“Is it really true!”

“Of course it’s true, he was there yesterday too don’t believe me ask him!”

The crowd murmured, and Long Yang’s face gradually went icy cold.

“Lin Ran! Do you really think I can’t beat you? Yesterday I merely didn’t want to waste the magic weapon!”

Long Yang’s face was ugly.

Lin Ran, however, smiled blandly and said.

“Can you beat it, don’t you have any points in your own heart? Wasting a magic weapon, a member of the Long family still cares about this amount of money?”

“That’s right! Fat Master, I think you just can’t afford to lose, gibbering here!”

Wang Yifeng laughed beside him again.

“Master Fatty is right, we all saw it with our own eyes yesterday, did Lin Ran force you to admit defeat? In the end, it’s just that you can’t afford to lose!”

Li Ba was also busy saying.

Long Yang's face instantly sank at his words.

"I'm talking to your master, do you have the right to speak here!"

Long Yang let out a roar, and an invisible aura pervaded out smoothly, running towards Li Ba.

However, just as this aura was about to reach Li Ba, an even more violent aura suddenly ran directly over, instantly knocking this dark astonishment of Long Yang's into a deficit.

"What is the meaning of this? A direct strike?"

Lin Ran had a cold smile at the corner of his mouth, killing intent already bubbling up in his heart.

"Haha! Brother Lin Ran is too sensitive, this man of yours is disobedient I'll teach him a lesson for you!"

Long Yang laughed coldly, but his face felt hot, his own attack was blocked by Lin Ran, which made him feel very unhappy.

"Teach me a lesson for me? That's really a lot of work for Brother Long Yang, since this is the way to come, I will also teach you a good lesson on how to be a qualified dog for you!"

Lin Ran said as he stomped his paws on the ground, and immediately a wave of aura rushed out in all directions, even the place where Lin Ran was standing? A circle of cracks appeared on the ground as if it was a spider web.

"Young Yang!"

Seeing this scene, Jiu Feng instantly panicked, he could feel that all these auras were coming towards him.

"Don't worry!"

Long Yang smiled blandly, followed by the same foot stomping the ground violently, followed by the entire stream of aura also diffused out.

"Bang Bang!"

Soon the two's auras began to collide, setting off an explosion on the ground in one place.

By this time, most of the people had already arrived at Xingwu Mountain and could not help but draw in a breath of cold air when they saw the exchange of blows between the two, as they could feel that the two people in front of them were both extremely strong.

Soon the clash of their auras subsided.

Jiu Feng was relieved to see this and looked at Lin Ran with a smug sneer.

"Don't fucking think you're the only one who's strong, our Brother Yang isn't any worse than you!"

"Is that so?"

Lin Ran laughed at his words.

Then a scene that surprised everyone appeared, only to see an aura suddenly emerge from the ground where Jiu Feng was, instantly shaking Jiu Feng backwards and spilling blood at the same time.

“Lin Ran you!”

Long Yang’s face suddenly looked ugly, he had clearly blocked all of Lin Ran’s attacks just now, but how could he have missed one now.

Lin Ran looked at him and laughed blandly.

“You say that you beat a dog to see its master, but in my opinion, a dog beaten is a dog beaten! Especially the kind of dog that disobeys and bites people indiscriminately! I never look at who his master is!”

Chapter 1207

“You! Yes! Good!”

Long Yang was so angry that his face turned blue and his heart was furious.

“Interesting! I’d like to see! How much capital do you have to say this!”

There was killing intent in Long Yang’s eyes as he slowly lifted his palm, ? A wave of invisible power immediately filled his whole body.

The violent power immediately made the people around him couldn’t help but retreat a few meters.

But just as this powerful qi was about to complete its condensation, a voice resounded through the sky.

“The general count is about to begin! What are you doing on the stage? If you want to fight, I’ll set up a ring for you after the count is over, okay?”

As the voice rang out, everyone felt a jolt in their heads and looked up, only to see a figure that had appeared on top of the General’s Counting Stage at some point.

The other person was a middle-aged man with an imposing air, standing on top of the Pointing Platform in an imposing manner, very dignified.

“Tutor Yu Du! It’s you! It’s been a long time!”

Upon seeing the other party, Long Yang immediately put away his angry expression and arched his hand with a smile on his face.

“Mentor?”

Lin Ran and the others were stunned at the words,? They instantly felt bad.

The person who had come to preside over the pointing platform this time was actually Long Yang’s mentor, which was no guarantee that it would favour him.

“Ranzi, this is bad, he must have seen the conflict between you and Long Yang, he’ll have to give you little shoes later!”

On the side, Wang Yifeng frowned.

“No way! The titular tutor would be like this?”

Li Ba was also a bit worried.

“As long as people are all about pulling strings!”

Long Ya frowned.

Ling Sa, who was at the side, also frowned and said.

“Still, we have to be careful, not afraid of one thing but just in case!”

“Right!”

Li Mu Di and Fire One Sword also nodded their heads in agreement.

And just as the crowd was talking, Yu Du, the mentor on stage, also spoke up.

“Ao! So it’s Long Yang!”

“But how can you casually fight with someone! If you kill someone, who will bear the responsibility!”

Yu Du said without even looking at Lin Ran, as if he was talking about a very normal thing.

“Holy shit! What do you mean by beating someone to death, is it possible with him?”

Wang Yifeng shouted in disbelief at once.

“Hm?”

Yu Du frowned at his words and turned his head to look at Wang Yifeng.

“Do you have the right to interrupt when the old man is talking?”

“What are you pretending to be, you are all here at the Xingwu Mountain Pointing Platform, why should your students be able to just beat people to death, how can you listen to the words, if others beat your students to death, you are still not happy about it?”

Wang Yifeng said disdainfully.

“Arrogant little boy,? If not for the fact that I am a tutor, you would have died a hundred times already!”

Yu Du said angrily.

“It’s a pity you are!”

Wang Yi laughed.

“Death may be forgiven, but your earned sin is hard to escape, to contradict your mentor here in public, this is a lesson for you!”

Yu Du’s face sank as he raised his hand and slapped Wang Yifeng across the air.

Wang Yifeng was only at the peak of the Heaven Seizing Realm, so he was no match for Yu Du.

Seeing this, Lin Ran dodged and arrived directly in front of Wang Yifeng, followed by a slap to meet him.

“Bang!”

The two compelling forces clashed against each other.

A huge shockwave instantly scattered away.

“Eh?”

Yu Du’s face sank when he saw the suit, his own attack had actually been blocked by this kid.

“You dare to block me?”

Yu Du looked towards Lin Ran with anger in his eyes.

“Tutor Yu, don’t you think you’ve gone too far?”

Lin Ran raised his head and looked at Yu Du, his voice bland.

“Excessive? What’s excessive about it? Shouldn’t I teach him a lesson for talking back?”

Yu Du looked at Lin Ran with anger in his eyes.

“There is nothing wrong with you hitting back at you, but you are clearly trying to kill him!”

Lin Ran said as he raised his palm, only to see that blood was already flowing from his palm at this time.

“You also have the strength of the peak of the Creation Realm, and him! A peak Heaven Seizing Realm strength, you must have used at least nine layers of strength in this move! Do you want to teach him a lesson, or do you want to kill him!”

“Nonsense, who told you that I used nine layers of strength? What if you were too weak yourself?”

Yu Du looked at Lin Ran with disdain.

Lin Ran smiled at his words but laughed.

“Forget it, I have nothing to say if you don’t admit it, but don’t you think that your student Long Yang should be punished more for finding trouble in public here than for talking back to him?”

“What a load of nonsense, that was a sparring session before Long Yang, it was beneficial to everyone’s strength improvement, why should he be punished!”

Yu Du said in a cold voice.

“Shit! You still have no fucking shame!”

Wang Yifei cursed, except this he had learnt to be more refined, and just after he finished pointing at Li Badaodao.

“I’m talking about you hear me!”

“Holy shit!”

Seeing this, Li Ba immediately understood and pointed at Wang Yifeng and cursed.

“You still fucking scold me, what’s wrong with me being shameless,? I’m just protecting my calf, whatever my people do is right and whatever your people do is wrong! You have a problem with that! Old me is higher than the post!”

“Pah! How fucking shameless!”

Wang Yifeng scolded.

Li Ba also laughed and didn’t say anything.

And the conversation they came to hear caused Yu Du’s old face to turn red, and Long Yang, who was at the side, also had a very ugly face.

The others watching from the side could not help but laugh.

“You two are so awesome!”

Li Mu Di Fire One Sword and Long Ya Ling Sa and the others all looked at the two and laughed.

“I don’t know what to think!”

Yu Du’s face was icy cold as he immediately changed the subject and said.

“The count will start soon, those who still have problems go and solve them immediately, after the count starts later, whoever is looking for trouble, kill them all!”

He also knew that if the previous topic continued, he was afraid that it would cause discontent among the others, and when the time came, the section would not be conducive to Long Yang’s general counting.

Having gone through too many general roll calls, Yu Du knew a great deal about them, and he knew when to call it quits in order to get more people to choose Long Yang’s side.

“The count is about to start!”

“Yes it’s finally starting, I wonder what kind of process it will be!”

“Don’t rush, we’ll find out later!”

“By the way I wonder if this General Order of mine will work!”

“What? You have a General’s Order? I don’t even have one!”

The crowd was chattering, all looking forward to the next general order.

At this moment, all eyes were on Yu Du, making him unconsciously straighten his back.

He swept his gaze across the crowd on the stage, then opened his mouth and shouted.

“Before the counting of the generals begins, let me explain the process!”

“There will be two holders of the marshal’s order at each year’s count! And these two people will be the commanders of all of you from now on!”

“Of course, whoever you follow, you will listen to!”

Yu Du said, pointing to Long Yang and speaking.

“For example, Long Yang, he has a handsome character order, if you choose to follow him, then he will be your commander-in-chief from now on, and you will have to listen to him in everything!”

“Shit! Why didn’t you say that you also have a handsome character order, Boss!”

Li Ba saw this and got angry.

“He probably doesn’t know that!”

Long Ya spoke up.

“True, but that’s too unfair to Lin Ran!”

Ling Sa also said.

“Now this kind of introduction is clearly pulling popularity for Long Yang in advance!”

“There’s no way he doesn’t know that!”

On the side, Fire One Sword, however, spoke up.

Li Mu Di nodded his head.

“Who uses has a handsome word order, this kind of thing he must know, he’s just pretending not to know now!”

“Shit! What a fucking nest of snakes and rats! Worthy of being Long Yang’s mentor!”

Wang Yifeng couldn’t help but curse at his words.

Lin Ran, however, interrupted their conversation with a wave of his hand.

“It’s not a bad thing for me if Yu Du does this, the more people there are the greater the responsibility and the heavier the burden on them, and what I’m after isn’t more people, it’s more valuable to be precise!”

Chapter 1208

“That’s what the boss said!”

Li Ba nodded.

“No matter what, the situation has turned somewhat against us!”

Fire One Sword said.

He was in a squad with Lin Ran, so naturally he would join the army Lin Ran was in, and it really wasn’t a good thing if there was a huge difference in strength between the two armies.

“Now we can only pray that after we leave this pointing platform, the mentors and such behind us will be fair!”

Li Mu Di sighed.

There was nothing anyone could do about this kind of thing since they had run into it,? After all, they were all under the control of the Mystic Alliance now, and with Yu Du as one of the instructors of the Alliance inside the Mystic, this kind of favoritism was really something that no one could do anything about.

“Alright! I will now announce the information of the two owners of the Handsome Word Order! Whoever’s name is called, come up immediately!”

Yu Du swept his gaze over the crowd and shouted.

And hearing these words, all of a sudden everyone’s eyes were searching around, they only knew that Long Yang possessed the Handsome Character Order now.

But the other name who possessed the Handsome Character Order, they did not know who it was yet!

“Long Yang! Come up here!”

Soon, Yu Du opened his mouth and shouted.

Following this, everyone looked at him.

He saw Long Yang smiling with pride on his face, followed by his paws stomping on the ground, and at once his whole body flew directly to the pointing platform only and stood beside Yu Du.

“Everyone knows that Long Yang is the possessor of one of the Shuai Zi Orders! Without further ado, I will now announce the next one!”

Yu Du said as he looked at the token in his hand, before frowning.

“Lin Ran? Who is called Lin Ran? Is there this person? Is he here?”

Yu Du asked three or four questions in a row.

Very few people actually knew Lin Ran’s name, even after he had defeated Long Yang at the Martial Floor last night, everyone only knew that there was such a person, while not many people knew Lin Ran’s name.

At this moment, Yu Du shouted out Lin Ran’s name, which really made many people a bit confused as to who this person was.

Lin Ran saw this and smiled helplessly as he turned around and walked towards the pointing platform.

That’s right, walked over! He was going to walk up instead of flying up like Long Yang.

“Did Lin Ran not come! If he didn’t come, then cancel the marshal”

Yu Du continued, but following that he saw Lin Ran who walked out of the crowd and immediately frowned.

“What are you doing out here!”

Yu Du opened his mouth and chided.

“I am Lin Ran!”

Lin Ran spoke.

Yu Du didn't know that he was Lin Ran, but he had just said that to vent his anger.

"You are Lin Ran? Why are you dawdling around? Can't you fly up here?"

Yu Du said in a cold voice.

Lin Ran was too lazy to explain and walked up towards the pointing platform step by step.

By the time he had walked up, a full ten minutes had passed.

"Can't you hurry up if you're dilly-dallying!"

Yu Du said with a cold face.

"Is Tutor Yu in a hurry?"

Lin Ran smiled lightly and asked rhetorically.

"I'm not in a hurry, but other people's time is also time!"

Yu Du said in a cold voice, while glancing at Lin Ran with disdain in his eyes.

"Lin Ran, today is a day when many people are waiting to be ordered, you can't just think about yourself, you have to think about other people's feelings too!"

On the side, Long Yang laughed coldly.

"Listen to other people's ha, and then look at you, how come the gap is so big!"

Yu Du said in a cold voice.

Lin Ran smiled but did not say anything.

"I'm holding up everyone's time?"

Lin Ran smiled and looked towards the devolution and spoke.

"I would like to ask, which of you present have participated in this pointing platform pruning work?"

"Me! I took part!"

"And me!"

"Yes, yes! And me too!"

There were indeed people answering from below.

Yu Du and Long Yang frowned slightly, looking at Lin Ran and wondering what medicine he was selling in his gourd.

"Good! So so many people are involved!"

Lin Ran laughed.

“Thank you all for working so hard to build it, I’m sure it was a tiring process, I came up step by step precisely out of respect for you all!”

“You guys didn’t build the pointing platform for someone, but for everyone, so you deserve it from me!”

Saying this, Lin Ran turned his head to look at Yu Du and Long Yang.

“Is it wrong for me to do this? Or do you guys think that no one else can fly up here except you two?”

“You!”

Long Yang was so angry that his face turned blue.

And Yu Du even had an icy coldness in his eyes.

“How are you talking to me?”

“How am I supposed to talk to you? You can find problems with me walking up, I really don’t know how I should talk to you, should I also flatter you like your students?”

Lin Ran looked at Yu Du with a bland expression.

“Yes! Good! The students nowadays are really something, they have really opened my eyes today!”

Yu Du said as he flipped his palm and directly put away the token in his hand.

“I’d like to see it! I want to see how strong you are as a holder of this handsome token, and whether you have obtained it by virtue of your own ability!”

With that said, Yu Du actually raised his hand and slapped it towards Lin Ran.

“Holy shit! You’re crazy!”

“It’s really crazy,? A mentor striking at a student, this is going to change the sky!”

“I’m looking at Mentor Yu a bit too much, he’s obviously targeting that Lin Ran at every turn!”

“It’s pretty obvious, that kid and Long Yang didn’t get along just now, and this Yu Du is Long Yang’s mentor, so obviously this is meant to put small shoes on Lin Ran!”

“Ai! The cultivation world isn’t peaceful either, today is finally the day we see it!”

There was a lot of chatter from the crowd.

And on the pointing platform.

Lin Ran saw this and immediately spoke.

“Wait!”

“What? Afraid?”

Yu Du looked at Lin Ran with a cold smile in his eyes.

He had even thought of a countermeasure, as long as Lin Ran admitted his mistake, apologized to himself, admitted in public that he was uncaring and made himself look good, this would be over, and he would just continue to target him later!

However, who knew that Lin Ran was actually looking at Yu Du and asked.

“It’s fine for a tutor to hit a student, I wonder if a student hitting a tutor is considered a foul!”

“You!”

Yu Du’s face turned red with anger and he said in a cold voice.

“It’s considered a sparring match between you and me! A private matter!”

Yu Du also reacted at this point, if he really did strike at Lin Ran, I’m afraid that he wouldn’t be able to explain himself within the Mysterious Alliance.

And with a word about a sparring match, this matter would naturally be easier to explain.

“A sparring match?”

Lin Ran smiled and nodded in approval.

“Then, Instructor Yu should be careful, I have no depth in my strikes, so in case I hurt you, I’ll have to be more careful!”

Lin Ran laughed.

“Injure me? Just by you?”

There was an icy coldness in Yu Du’s eyes.

Even his prized student Long Yang could not even survive three moves in his own hands, and you still hurt yourself, I’m afraid you would have to pee your trousers as soon as I strike.

Yu Du cursed in his heart, but his face was smiling.

“Confidence is a good thing, but too much confidence is conceit!”

After saying that, Yu Du raised his hand and slapped Lin Ran in the face.

As soon as his palm was raised, a fierce wind gusted out and a strong wind struck him with great force.

“This is the strength of the peak of the Creation Realm? It’s really strong!”

Feeling Yu Du’s strength, Lin Ran couldn’t help but feel a little envious in his heart.

He himself was still stuck at the early stage of the Creation Realm until now, and although he had recently sensed something, he had been slow to break through.

“The pinnacle! Interesting!”

A cold smile slowly appeared at the corner of Lin Ran’s mouth as he raised his hand to meet it as well.

“Holy shit really exchanged blows!”

“Crazy really is crazy, the trainee actually fought with the tutor, isn’t this asking for death!”

“Isn’t it! This Lin Ran is afraid he’s a fool!”

“It’s hard to say! Someone who can go this far is really a fool?”

“What if people really have the strength?”

The crowd all held different opinions, but one of them was the one who spoke everyone’s mind.

“It doesn’t matter if they have strength or not, such a reckless person, you guys are willing to follow him?”

At once, everyone was silent.

In fact, everyone knew clearly in their hearts that this selection of a commander-in-chief was not just a matter for Lin Ran and Long Yang.

It was more of a matter of their own.

After all, whether or not they could come back alive in the future depended to a large extent on this commander-in-chief that they had chosen.

Lin Ran’s actions seemed to them to be a bit reckless and not very suitable to be the commander-in-chief.

While the crowd was thinking, on the platform, Lin Ran and Yu Du’s palms finally clashed together.

At that very moment, all eyes gathered.

At the same time, everyone held their breath.

The two palms clashed together, but this moment was unusually quiet, there was neither a terrifying explosion of might nor anyone flying backwards.

But it was clear in the hearts of the crowd that this was only the surface, and that the real storm was behind them.

As expected.

Suddenly a “click” sound broke the silence.

The crowd could clearly see that the two men’s palms split apart.

It was at this moment that Lin Ran’s arm split open and blood instantly spilled out.

“Lin Ran!”

“Lin Ran!”

Lin Ran and Long Ya’s hearts tightened as they watched, their faces full of worry.

And Wang Yifeng even drew his divine Dragon Blade out, with the intention of going up and fighting Yu Du.

“Don’t be impulsive, wait and see!”

Fire One Sword and Li Mu Di were busy persuading the crowd.

Wang Yifeng, Li Ba and Leng Zhan were different from them, they had all been brought up by Lin Ran, and their relationship with the latter went without saying.

For Lin Ran’s sake, they would dare to break into the entire Mysterious Alliance, not to mention Yudu.

Therefore, they were the ones who were most worried about Fire One Sword.

Everyone looked at Lin Ran, because the moment their palms separated, Lin took two steps back.

On the contrary, Yu Du didn’t move a single step, but his face was stony and he didn’t say a word.

“Tutor Yu is flattered!”

Lin Ran lifted his hands and arched his hands, while not moving to brush his arm, smoothing out the wound on his arm.

And seeing this scene, the crowd on the stage couldn’t help but sigh, clearly this was Lin Ran’s loss in the end.

After all, he had taken two steps back, while Yu Du hadn’t moved a muscle.

“No!”

Suddenly someone spoke up.

“Right! Something isn’t right! Lin Ran’s hands are clearly not doing anything! Ah!”

“Right! Then the sound of bones breaking just now, did we hear it wrong?”

“It shouldn’t be!”

The crowd was baffled.

But at that moment, everyone was surprised to see that Yu Du had actually turned around, not paying any attention to Lin Ran, followed by a flip of his palm, and the token from before appeared in his hand once again.

Only this time, he was using his other hand.

His right hand, however, was hanging down in an extremely strange manner at the moment.

Seeing this scene, everyone froze.

“Tutor Yu! Tutor Yu’s arm is broken!”

“My goodness, really!”

“Lin Ran was only injured, but Tutor Yu’s arm”

The crowd was frozen.

Long Yang also looked at his mentor at this point, with disbelief in his eyes.

“You, mentor!”

“Now start the count!”

Yu Du opened his mouth with an ugly face and scolded.

Only then did everyone fall silent, but it was clear in everyone’s mind that the fight just now had actually been won by Lin Ran.

It looked like he had taken two steps back and his arm had been injured, but he was the one who had the last laugh.

“I’m sorry, Tutor Yu, I didn’t expect you to be so weak!”

Lin Ran stepped forward two steps and laughed.

Yu Du’s face was icy cold as he gave Lin Ran a vicious look, then his gaze turned over and he said in a cold voice.

“Now start the count, take out the marshal character orders from both of you!”

“Yes!”

Long Yang didn’t dare to talk nonsense and immediately took out his marshal character order.

Lin Ran smiled lightly and said no more as he likewise took out his own marshal character order.

“This old bastard is really shameless, he won’t mention a word about it when he loses!”

“This isn’t the first time you’ve seen this shameless character of his!”

Li Ba and Wang Yifeng laughed.

While at the side, Fire One Sword and Li Mu Di were watching with shock in their hearts.

Even the gazes of many understanding people beside them changed as they looked at Lin Ran.

A person at the early stage of the Creation Realm had actually injured a person at the peak of the Creation Realm, and I was afraid that the sensation caused by this incident would be even more sensational than this time’s point.

The strength of Long Yang and Lin Ran was also evident almost at a glance.

“It’s a pity! With Yu Du as the host this time, I’m afraid that Long Yang will still have more supporters than Lin Ran!”

“Yes!”

Someone softly murmured.

Strength or weakness of strength could only represent personal strength, while popularity was based on many aspects.

There was Yu Du holding up for himself, and just this point Lin Ran was already no match for Long Yang's popularity.

In addition, Lin Ran himself did not want to be too flamboyant, so I am afraid that the difference between Lin Ran's popularity and Long Yang's will be particularly large at this point of the stage.

For all this, Lin Ran didn't care, he stood quietly in place and waited for Yu Du to start his next step.

"Alright! The marshal's orders for the two commanders have been taken out, the next step is to name the generals!"

Yu Du swept his gaze across the crowd and then shouted.

"The one who has the General's Order will start first, whoever you choose, just place your General's Order under the corresponding Commander's Order and it will be considered as a choice. Now begin!"

As Yu Du's voice fell, there was an uproar from below the entire General Order Platform, followed by the sound of discussion and the sounds of choice.

"I choose Long Yang!"

Suddenly, a voice rang out, naturally it was Long Yang's number one pony, Jiu Feng.

Jiu Feng had previously been in the same squad as Qin Yin, and was also quite strong, and had also received the General's Order.

He took out the General Order and tossed it upwards, and it immediately hovered below Long Yang's Marshal Order.

"We'll join the Long Yang team too!"

Next to him, Li Yuan and Zhen Shan also came over, they were in the same squad as Long Yang, so naturally there was nothing to say.

"We're joining Lin Ran's squad!"

Fire One Sword and Li Mu Di quickly walked out.

"I'm in too!"

Qin Yin also walked out with his General's Order.

And as their respective close friends began to choose, the General Order was considered to have been completely drawn.

Only the number of people present was too many,? And most of them were people without tokens.

So this pointing platform, starting with the General's Order, was only the beginning of the whole pointing.

“All right! We have already started the general counting, all of you who have not yet considered it are not yet ready, next is the personal introduction of the two commanders!”

“In order to avoid cheating nonsense, so the information of the two commanders will be introduced by me!”

Yu Du swept his gaze over the crowd and said aloud.

Hearing his words, Wang Yifeng and the others on Lin Ran’s side were stunned.

You will speak? Then Lin Ran could still be good?

Chapter 1210

“Let’s start with Long Yang!”

Yu Du swept his gaze over the crowd and spoke with a smile.

“Long Yang! Everyone knows that my student, Yu Du, was the most powerful person on the mountain when he was on Blazing Sun Mountain, everyone remembers there is no one!”

Yu Du said with pride on his face.

“There should also be disciples from Blazing Sun Mountain here, but anyone who is from Blazing Sun Mountain should know that at that time on Blazing Sun Mountain, except for the strength of the people behind Long Yang were generally on one side!”

“I remember that there was a person named Qin Yin who was closest to Long Yang! It’s a pity that this person has since gone missing as well!”

“Tutor Yu, I don’t want you to worry about where I’m going! You should just keep your precious disciple!”

Qin Yin’s face was ice-cold as he spoke.

“Hm? Qin Yin? You’re not dead?”

Yu Du froze at the sight of Qin Yin, and a chill could not help but sweep through his eyes.

“Does Tutor Yu want me to die very much?”

Qin Yin looked at Yu Du with the same hatred in his eyes.

When he had disappeared, Yu Du had not even sent anyone to look for him, who dared to say that Long Yang was not involved in this.

In fact, everyone understood that in Yu Du’s eyes, Long Yang was his favourite disciple, and although Qin Yin was also good, in front of the first, the second was always a companion.

Even when Qin Yin disappeared later, he didn’t bother to look for him.

The two of them had a lot of suspicions about each other, so they were not in favour of each other.

So at this time when the two saw each other, they both had a feeling of enemies meeting each other.

“What kind of words do you call that! How does the mentor wish you dead?”

Yu Du’s face twitched as he squeezed out a smile and said.

“If the mentor really didn’t wish for my death, why didn’t he even send someone to search for me? And I’m afraid that there are quite a few disciples from our Blazing Sun Mountain in the entire Wu Zhen, right, and you haven’t received any information from your mentor?”

Qin Yin looked at Yu Du, and his words were tinged with mockery.

Yu Du also knew clearly that Qin Yin knew everything, and at this moment, in front of so many people, mentioning this moment was simply to make him lose his footing.

But he could not help it, every word he said at this moment represented the face of the Mysterious Alliance, so he could only pretend to go on.

“This matter is a long story, remember Qin Yin, your safe return will make your mentor happier than anyone!”

Yu Du said, while pointing at Long Yang who was laughing at the side.

“Today is the day that your senior brother Long Yang will be ordered, you go and rest for now, let me finish this point for your senior brother Long Yang first alright!”

“Since tutor Yu has asked for it,? I naturally won’t be bothering!”

Qin Yin said in a cold voice, while arching his hand.

Yu Du, on the other hand, had an embarrassed face, and even Long Yang who was on the side was a little embarrassed.

Not to mention the fact that at this time, under the point platform, there had already been a lot of murmurs.

It was a good thing that they had said they would introduce Long Yang, but as soon as they started, they ran into such an incident.

“Let’s continue!”

Yu Du coughed awkwardly twice and continued.

“I don’t think I need to say much about how strong Long Yang is, and his secret technique of concealment is one of the very few in the Mystic Alliance!”

“And Long Yang himself comes from the Nan Yang Dragon Family, a powerful hidden family! So Long Yang definitely has the hold to be the commander-in-chief, no matter from his origin or strength!”

“So everyone should already have a judgement in their hearts, so I won’t say any more!”

Yu Du said and pointed to Lin Ran who was next to him.

“As for this Lin Ran classmate, I really don’t know much about him, or else Lin Ran classmate, would you come and introduce yourself?”

As soon as these words were spoken, the people from Wang Yi Life on the stage couldn't sit still.

This Yu Du was simply targeting Lin Ran without end.

"Damn it! Before bar Long Yang's introduction he hated to even introduce his parents-in-law, but when it comes to Ranzi, it's actually just one sentence from them!"

Wang Yifeng couldn't help but curse.

"No, this Yu Du is really shameless to the core!"

Li Ba also scolded.

"It is indeed a bit too much!"

This time, even Fire One Sword was a little angry.

"That's the way it is in Jianghu! Even the Mysterious Alliance is divided into factions!"

Li Mu Di said blandly, as if he was used to seeing this kind of hook-up.

"Classmate Lin Ran, you still do this self-introduction? Are you?"

Yu Du looked at Lin Ran with a smug sneer in his eyes.

It was because Yu Du was letting the crowd choose while making his self-introduction.

Therefore, in this short time, Long Yang's side already had a full ten followers of the General Order.

On the other hand, on Lin Ran's side, apart from Li Mu Di and Qin Yin, only Li Sheng had come forward.

The key thing was that apart from them, there was no one else.

"Tutor Yu is really a dedicated teacher!"

Lin Ran looked at Yu Du indifferently before taking a step forward, sweeping his gaze across the crowd and speaking.

"My name is Lin Ran! Everyone knows it, I will only say one thing, but anyone who follows me? People, I will make sure to bring you back as much as possible!"

After saying that, Lin Ran turned around and went back to his position.

The rest was actually said without a word.

"You call this canvassing?"

Wang Yifei and Li Ba were immediately helpless.

"What do you know, didn't Lin Ran say it all before, he doesn't want more only the best!"

Ling Sa said.

"Lin Ran is too lazy to compete with them!"

Long Ya also said.

“That’s his personality, maybe that’s a good thing!”

Li Mu Di laughed.

His character was bland, so he didn’t care too much about Lin Ran’s way of handling things.

Fire One Sword, on the other hand, was competitive by nature and was vaguely worried when he saw the current situation.

“The gap between Lin Ran and Long Yang is currently too great, I’m afraid that if this continues, even if Lin Ran’s legion is formed, by then it will be far worse than Long Yang in terms of numbers alone!”

“Don’t worry, you still don’t know Lin Ran! He must have his own reasons for doing this,? I trust him anyway!”

Li Mu Di laughed.

Fire One Sword nodded at his words and didn’t say anything more.

And at this moment, on the pointing platform, Yu Du had re-stepped forward and laughed.

“It seems that student Lin Ran is a little shy, in that case we won’t wait!”

Yu Du said, pointing to the two of them, Long Yang and Lin Ran, and spoke.

“One more minute for all of you, all those who have the General Order must make a choice, and then the choice without the token will begin! Everyone hurry up!”

“One minute?”

Hearing Yu Du’s words, some of the holders of the General Order who had not yet made their choices all began to get anxious.

They took out their tokens one after another and started making their choices!

However, it was clear that more people still chose Long Yang, and Lin Ran’s side hadn’t seen a single General Character Order appear for half a day.

“I choose Lin Ran!”

Suddenly, a voice rang out in the crowd.

This voice was particularly piercing amidst the sounds of the general joining Long Yang’s line-up.

Lin Ran and the others looked over and couldn’t help but be stunned.

“Qin Feng?”

Seeing the visitor, Lin Ran also froze, the visitor was none other than Qin Feng of the Qin Clan, Qin Bing’s own brother!

“Lin Ran! Long time no see! Luckily, I still managed to catch up!”

Qin Feng looked at Lin Ran and smiled.

“Holy shit! Brother brother-in-law what are you doing here!”

When he saw Qin Feng, Wang Yifeng, who was on the side, immediately greeted him with a smile.

This was really like running into an old hometown.
