

Wonder Doctor

Chapter 1411

“Today is already the third day of breaking the formation!”

“Yes!”

Inside the Prison Mountain Desolate Swamp, the Human King and Demon King stood side by side as they looked at each other, distantly looking at Lin Ran on the distant mountain peak only, unable to help but sigh at the same time.

Although they had been trapped in this Prison Mountain Desolate Swamp for so many years, their hearts could not settle down knowing that they could get out now.

Especially since there was no definite time for Lin Ran to break the formation, it kept their hearts in a tense state.

“Report!”

Suddenly, just as the two of them were each thinking about something, suddenly a voice came from the distance.

Then one of his men rushed over quickly.

“Two lords, the enemy has been spotted outside, and it should be one of the four generals, General Sanyuan!”

“Sanyuan General?”

Both the Human King and the Demon King were stunned at the words, followed by their faces instantly turning ugly.

“What’s he doing here?”

The Demon King frowned slightly.

“It’s hard to say, there are two possibilities!”

The Human King said.

“Two possibilities?”

“That’s right!”

“One, if what Lin Ran said is true, then the four generals should have already arrived at the Prison Mountain Desolate Swamp should be here to deal with him!”

“Two, if Lin Ran is lying, then they are probably here to target us!”

The Human King analyzed.

“I don’t feel like it, if Lin Ran is really lying to us, then he’s sitting on the mountainside breaking the formation, even if the four generals come, they’re not much of a threat to us!”

The Demon King said.

“Hmm? So it’s likely that he’s here to deal with Lin Ran!”

The Human King said.

They had been here for so long, and they actually had a good idea of what the foreign demons had in mind.

They knew that the other side was using them as a whetstone, but they had no way to get out at all, and could only let people use them as stepping stones.

So at this point, their analysis was also more inclined towards Lin Ran not lying to them.

“Let’s go! Let’s go and take a look!”

The Human King greeted, and immediately rushed over with the Demon King in the direction of Lin Ran’s location.

What exactly did the other party come to this Prison Mountain Desolate Swamp for, it would naturally be clear when they waited until they got to the place.

.....

At this moment, on top of the mountain peak, Lin Ran was sitting on his knees, when suddenly his eyes snapped open, and immediately two rays of light shot out of his eyes, and he saw the Sanyuan Daoist far beyond the formation.

“Little friend Lin Ran, can we have a chat!”

Sensing Lin Ran looking over, Daoist Sanyuan also stopped in his tracks and laughed aloud from afar.

“You’re standing so far away to chat with me? Afraid I’ll eat you up?”

Lin Ran looked at his opponent and laughed blandly.

The Sanyuan Daoist smiled blandly at his words and said.

“Little friend Lin Ran is really good at joking!”

At the same time, the Sanyuan Daoist moved his feet and his entire body flew towards Lin Ran.

Lin Ran looked at him indifferently and didn’t say anything, he just watched in silence.

“Who!”

Suddenly, just as the Sanyuan Daoist stood not far in front of Lin Ran, a voice came out from another direction.

Following this, Yu Chang rushed over from the forest below as well.

Although he had gone to move around below on his own, he had been observing Lin Ran’s side at all times, this was his instinct as a puppet.

“Yu Chang stop!”

Lin Ran was busy speaking up and stopping Yu Chang.

The Sanyuan Daoist on the side couldn't help but sigh with relief as he watched.

Facing a half-step God Creation realm puppet, even he, Daoist Sanyuan, couldn't help but feel his heart jumping at this moment, jokingly this Yu Chang's strength was much higher than his own.

"Old man, didn't scare you, did it!"

Yu Chang looked at Daoist Sanyuan indifferently, followed by sitting down at the side, with the look that as long as you dare to make a move old man will immediately get you killed.

"Little friend Lin Ran, I didn't come here this time because I wanted to fight very much!"

Daoist Sanyuan was busy stepping into the thick of things.

"Then what are you here for?"

Lin Ran looked at Daoist Sanyuan and already had some guesses in his mind, only at this point he still had to hear what this Sanyuan had to say.

"Naturally, I've come to talk to little friend Lin Ran about a great good deed!"

Daoist Sanyuan said with a smile, while waving his palm, three tokens suddenly appeared in front of him.

"These three tokens were left behind by the three kings of the realm that little friend had killed, and each one was personally refined by Lord Fey Demon, not only is it a symbol of status, each one is also a spatial magic weapon, the space inside is as vast as a frontier!"

"Ao?"

Lin Ran smiled with interest, a frontier as vast as a frontier, this was not considered small.

Moreover, it was personally refined by a foreign devil, if it were anyone else, I'm afraid that just thinking about it would be exciting.

"So?"

Lin Ran, however, still looked at Daoist Sanyuan with a bland expression, unable to see any change in expression on his face.

"So I've actually come here this time to try and rope in little friend!"

Daoist Sanyuan laughed, while pointing to the token in front of him.

"As long as little friend agrees to join our Fey Demon Domain, little friend can not only pick a token to become a domain king, but when Lord Fey Demon comes out of seclusion he will even receive you personally, by then little friend's status will even be higher than a few of our generals!"

"In addition to these, the Lord of the Other Demons may also give you a reward, and as for the previous matter we are even more than a purchase, if! Isn't this condition very generous!"

San Yuan Daoist laughed and said.

“Mm! Very generous!”

Lin Ran smiled and nodded his head.

No matter who else it was, making such a big stir in the Fey Demon Domain, even killing three Domain Realm Kings and ending up being pulled in by the Fey Demons instead, this was enough to brag about for the rest of one’s life if word got out.

And to know that this was after Lin Ran had killed three Domain Realm Kings, this was enough to show how much the Other Demons valued Lin Ran.

“Then, little friend, what do you think? As long as you take the lead, our four generals can simultaneously announce to the outside world that you, Lin Ran, will henceforth be a member of our Fey Demon Domain, and then you will truly be above all others!”

Daoist Sanyuan laughed.

Lin Ran also laughed at his words.

The Human King and Demon King at the side, however, looked on with furrowed brows and unconsciously clenched their fists, their hearts very worried.

If Lin Ran really agreed to the Sanyuan Daoist, then it would undoubtedly be a huge blow to the people of the Prison Mountain Desolate Swamp, and they would not be able to think about how to get out of here.

And just as the two were in a tense state of mind, suddenly Lin Ran was speaking and laughing.

“Haha! Daoist Sanyuan, don’t you think that your sincerity is a little insufficient?”

“Hm? Then I wonder what young friend Lin Ran thinks is lacking?”

Daoist Sanyuan asked with a frown.

Directly asking Lin Ran to be the king of the realm was already the highest treatment they could set, on top of that then the Other Demon would have to personally ask.

Unfortunately, the Other Demon hadn’t talked about this when he appeared earlier, so they had no right to be promising anything else.

Lin Ran looked at Sanyuan and said blandly.

“First of all, all four of your generals are here,? But yet you are the only one who came to see me, do you think that I, Lin Ran, am easy to talk to? Or do you think that the four of you are so high and mighty that you only need one person to see me?”

“Secondly! What makes you the king of the domain realm and you the four generals? Am I, Lin Ran, not as strong as you or not as strong as you?”

Lin Ran said with a cold look in his eyes, following which his palm waved and the Condensing Frost Sword instantly surfaced, actually preparing to make a move.

“Little friend Lin Ran, what are you doing? Even if you have doubts about our sincerity, you don’t have to do anything!”

Daoist Sanyuan looked at Lin Ran with tension in his eyes.

Lin Ran’s previous battles were too fierce, and at this moment, facing a furious Lin Ran, he was only one person, so it would be a ghost if he wasn’t afraid.

“You’re not sincere enough to pull me in? Do you think I, Lin Ran, am a three-year-old child? I suspect you’re insulting my intelligence!”

There was an icy coldness in Lin Ran’s eyes.

“Yu Chang! Go and teach them a lesson!”

Lin Ran said with a toss of his palm, directly throwing the Frost Condensation Sword to Yu Chang, following which he actually sat down himself.

“Alright!”

Yu Chang was itching to get his hands on the sword, and seeing this, he copied the Condensed Frost Sword and lunged at Daoist Sanyuan.

“Little friend Lin Ran, let’s talk properly! It’s not appropriate for you to make a move!”

Daoist Sanyuan was instantly anxious.

“What’s inappropriate, we’ll all be on the same side in the future anyway, so letting you see my strength now is a bit of advice to you, so you don’t treat me like a fool in the future!”

Lin Ran said indifferently.

“Yu Chang still doesn’t make a move!”

Lin Ran said in a cold voice.

“Haha! Give me over here old man!”

There was ecstasy in Yu Chang’s eyes, and with a swirl of his palm, a sword aura was already heading straight for Sanyuan Daoist.

“Lin Ran! Don’t go too far,? I’ve come to draw you in, and you actually dare to make a move against me!”

Daoist Sanyuan was furious.

Although it was only a Dharma body, this Dharma body had taken a lot of effort to coalesce, but now

“Actually? That’s a good word to use! Are you questioning my actions? Or are you saying that I’m disrespecting you by making a move on you?”

Lin Ran looked at the Sanyuan Daoist with an icy coldness in his eyes.

“I’m not”

“Not what? It’s too late, Yu Chang killed him!”

Lin Ran’s voice was bland.

“Good!”

Yu Chang smiled at his words, and immediately lunged towards Sanyuan Daoist with a sword in one hand and a slap in the other.

Killing and teaching a lesson were two different concepts, before Yu Chang had to hold back, lest he accidentally kill this Sanyuan Daoist,? But now he no longer had to worry about it at all.

“Lin Ran you!”

The Three-Eyed Daoist was so angry that his face turned blue with rage.

“What? Daoist Sanyuan, not so much! If I’m not mistaken this is a Dharma body, right, in the future we’ll be on the same side, do you want to fall out with me over a Dharma body?”

Lin Ran looked at Daoist Sanyuan and asked with a smile.

“Lin Ran, don’t bully people too much!”

Daoist Sanyuan said angrily.

“Deceiving people too much? You are the one who is obviously looking down on me, so how come you are the only one who can play the bully and not allow me to fight back?”

Lin Ran sneered.

“You!”

“You what you? It’s good to kill, trying to pull me in to bring some sincerity over, next time if one of your four generals is missing, I’ll just do it!”

Lin Ran said in a cold voice.

“Bastard! Bastard!”

Daoist Sanyuan roared in anger.

However it was all too late.

“Don’t be angry, it’s just a Dharma body anyway, don’t you think so Old Brother Sanyuan!”

Lin Ran laughed.

However, at this moment, Daoist Sanyuan was incomparably furious.

In the face of Yu Chang’s repeated strikes, there was nothing he could do at all.

In the end, he could only die of hatred under Yu Chang’s slap.

“Bastard!”

At this moment, it was within a hidden space outside of the Prison Mountain Desolate Swamp.

Daoist Sanyuan angrily smashed the table in front of him with a slap, the loss of a Dharma body made him extremely angry.

Most importantly, this was only his first contact with Lin Ran, and he hadn't even tried to find out if the other party was sincere in returning to him or not, but one of his Dharma bodies was gone just like that.

"What's going on with Sanyuan?"

"Sanyuan?"

Soon, the Ghost King and the others rushed over at the news, each looking at Daoist Sanyuan with doubts in their eyes.

"That brat Lin Ran destroyed my fleshly body!"

Daoist Sanyuan said in an angry voice.

"What? What does he mean by that?"

The Ghost King frowned slightly.

"What does it mean? It's obviously impossible to be drawn in, as I see it the four of us will just go and kill him once and for all!"

Next to him, Tiger Head said angrily.

"I also think it's impossible for him to be drawn in!"

The devil ape also said, only he was not as impulsive as the tiger's head.

"What did he say?"

The Demon King asked with a frown as he looked at Sanyuan.

"He said we weren't sincere enough and told the four of us to go see him together!"

Sanyuan said.

"What?"

Tiger Head was instantly furious at his words.

"Who the hell is he to dare ask us to go see him! And it has to be four of us, who does he think he is!"

"What else did he say?"

The Ghost King didn't pay any attention to Tiger Head and continued to ask with a frown.

"He also said that we were lower in status than us by virtue of being the king of the domain realm!"

Daoist Sanyuan said truthfully.

“Shit! What is he, we have gotten to where we are today because we have fought our way down little by little, he is a hairy boy who wants to sit on equal footing with us as soon as he comes up, is he worthy?”

Tiger Head said angrily.

The Ghost King did not say anything, his eyes narrowed slightly, not knowing what he was thinking.

“What are you going to arrange, Ghost King?”

The devil ape at the side asked with a frown.

Things had come to this point, they were indeed a bit passive, but the matter that Lord Alien Demon had explained down had to continue, they couldn't just stop halfway.

The Demon King Lord's eyes micronized, and after a moment he spoke.

“Three days! In three days we will all go up to the Prison Mountain Desolate Swamp together!”

“Go together? You're really prepared for us to go together to pay him homage!”

Tiger Head was furious at his words.

“Or what? Can't you grow a brain!”

The Ghost King turned his head to look at Tiger Head and said in a cold voice.

“Even if you want to kill him, the four of us have to go up the mountain together, or else you'll go by yourself?”

“Me!”

Tiger Head froze at once.

“What do you mean, Ghost King?”

At this moment, Daoist Sanyuan also stood up, with a fierce aura in his eyes.

“My meaning is simple, since we have to go up to the mountain whether we fall out with him or not, we might as well do it as a courtesy first!”

The Ghost King said.

“If he talks to us honestly, then we'll talk, and if he's just trying to lure us over, we still have three days to be able to prepare!”

“What do you plan to do?”

The devil ape spoke up and asked.

“In these three days, Sanyuan you prepare a set of formations, the formations of that Prison Mountain Desolate Swamp are useless to us, when we meet Lin Ran, as soon as he wants to make a move you immediately set up the formations! By then we will have four against one and the formation, even if the other side has a half-step God Creation realm puppet, we won't be passive!”

The Ghost King spoke.

“Good!”

Sanyuan nodded at his words.

The devil ape also felt that it would work.

Only Tiger Head was a little impatient and said.

“Waiting for another three days, it really pisses me off!”

“Come on, you’re just human for three days, but I’ve lost a full flesh body!”

Daoist Sanyuan said angrily.

.....

And at this time on the Prison Mountain Desolate Swamp only, Lin Ran looked back at the Human King and Demon King with a bashful face.

“Little friend Lin Ran is really good! We are convinced!”

The Human King arched his hand at Lin Ran and said.

The Demon King on the other side looked a little confused, but didn’t have enough to follow suit and arch his hand.

“We’ll leave first, I hope little friend Lin Ran succeeds soon!”

The Human King laughed, and immediately pulled the Demon King and left the place.

Lin Ran smiled blandly at this and didn’t say much, immediately turning his head to continue studying the formation.

Chapter 1413

“What are you pulling me for! Why did you just arch your hand? That kid still doesn’t know exactly what’s in his heart, what if he’s really ready to defect to the foreign devil?”

The Demon King asked, frowning.

By now, the two of them had already returned to before the heavenly rift, so they weren’t afraid that Lin Ran would overhear the conversation.

“What do you know!”

The Human King looked at the Demon King and said.

“Before Lin Ran was just deliberately picking a fight with Sanyuan can’t you see that?”

“Saw it! But what does that have to do with whether he was going to defect or not!”

The Demon King was puzzled.

“Are you stupid! If he really wants to defect, why would he come here to break this formation, we’re just grindstones for the foreign devils, we’re not even good enough in front of him, what does he want to come here for?”

The Human King said.

“This

The Demon King froze in his tracks, yes! Lin Ran had no need to come here at all!

Anyway, to the foreign demons, if they really wanted to eradicate their Prison Mountain Desolate Swamp was merely a matter of moving their hands, why would they need to let Lin Ran and the four generals put on such a show.

“So, I think he’s doing this, on the one hand, to stall for time and give himself the chance to break the formation and so on!”

“On the other hand, it’s also confusing his opponents so that they don’t know what he’s thinking either!”

The Human King said.

“Is it that mysterious?”

The Demon King, however, was not convinced.

“We’ll know if there is or not if we wait and see, the four generals will definitely come again, so let’s not go over there then, in order to prevent them from suddenly joining hands and sneaking in!”

The Human King said.

The Demon King nodded at his words, this point was still very clear in his mind.

.....

The Prison Mountain Desolate Swamp had returned to its usual calmness, except that everyone knew that underneath this calmness was a hidden raging wave.

Facing the formation, Lin Ran sat for another three days.

Adding the previous three days, it was a total of six days, just when Lin Ran thought that the pillow book would not move again.

Suddenly, a startled cry rang out in his mind.

“Finally! I’ve finally found it!”

“What did you find, yelling something nonsense!”

Qing Zi said discontentedly.

The Pillow Book, however, was too lazy to pay her any mind and was busy rushing at Lin Ran.

“Kid, you Master Book, I’ve found where this formation came from!”

“Speak up!”

Lin Ran was also very curious at this point and was busy urging.

“This formation is actually made from a combination of two formations, and both of them came from the Immortal Realm!”

The pillow book laughed.

“And then what?”

Lin Ran asked busily.

“There is no more then, although both formations are very mysterious, Master Shu is completely capable of breaking them, only that I need to waste some time, not even a day!”

Pillow Book laughed smugly.

“One day? Then what are you fooling around with, it takes a day to break a formation!”

Qing Zi said disdainfully.

“What do you know, you little girl? One of these two formations is the Heart God Master’s Heart Locking Formation, and the other is the All Creatures Master’s Heavenly Fusion Formation, you think breaking it is like drinking water!”

Pillow Book said helplessly.

“All right, hurry up! Grumble!”

Qing Zi said speechlessly.

“And! Little girl home, talking dirty every day, those who know is grinding, those who don’t know still think you want to touch someone”

“Roll!”

The pillow book words did not finish, Qing Zi instantly pretty face is red, rushed to the pillow book reprimanded.

Lin Ran looked speechless for a moment from the side, not expecting this guy Pillow Book to be quite a rogue.

“By the way, who are Master Mindfulness and Master Ten Thousand Things again!”

“Ao, they are both very famous formation masters in the Immortal World before, this Heart Locking Formation and Heavenly Fusion Formation are also their earliest previous formations, neither of them are really famous in the Immortal World, so it’s really not easy to find them!”

Qing Zi introduced.

It was only a few moments later that Lin Ran understood the origins of these two formations and how powerful they were.

The Master of Heart and Soul was considered a rather special person who was born with a disability that prevented him from cultivating like others.

But as the saying goes, if God closes a door for you, he will definitely open a window, and this Master of the Heart and Soul's window was his divine sense.

His divine sense was exceptionally strong, and his other single-mindedness in studying the formation process, and he later even stepped into great success in formation, becoming a veritable master of formations.

This Locked Heart Formation was one of the formations he had researched in his early years.

"This Locked Heart Formation can root out the different scents of each person, thus selecting the people the formation targets, so it can tell those people who are of the Other Demons and those who are not!"

"In layman's terms it's smarter, after all, this formation doesn't need someone to keep an eye on it, it can have an effect on its own!"

"And intelligent!"

Lin Ran wanted to laugh a little as he listened, ever since he had obtained the Xuan Yang Pill Canon, these two words of intelligence seemed very far away from him.

"What about this Master of All Things?"

Lin Ran asked.

"Master of All Things would be good to say, he was born with low cultivation qualifications, but his sense of all things in heaven and earth is very strong, so he can always find good things that others can't find!"

"He also used this convenience to cultivate all the way up, but at a later stage he found that he couldn't improve because of his qualifications, so he turned to studying puppets and formations, and in puppets he was even on par with Master Empty!"

"As for the formations, of course, they are not weak either. His Heavenly Fusion Formation can be set up according to the surroundings and can draw in the power of heaven and earth to replenish itself, and it can be used even if it is not in the Immortal World.

Qing Zi introduced.

Lin Ran listened, but he was stunned.

Before, there was only the Pillow Book, and he didn't know much about the Immortal Realm, he had mostly listened to what the Pillow Book told him.

But now with the addition of Qing Zi, he only began to feel like he was gradually coming into contact with more things about the Immortal World, whether it was people or things.

"The Immortal World is really wonderful!"

Lin Ran exclaimed in his heart.

“That’s for sure, not only is the Immortal World colourful, even its borders are way bigger than Earth! When you go there you’ll definitely love it!”

Qing Zi laughed.

“I’ll go? Forget it, I still like Earth!”

Fang Tang laughed.

He didn’t plan to go to the Immortal World, he still felt more comfortable on Earth than in the Immortal World.

“Let’s talk about it when we have the chance to go!”

Qing Zi laughed.

Lin Ran laughed and didn’t say anything, indeed! It was too early to talk about this.

It was questionable whether or not he would be able to get out of the Fey Demon Domain, let alone leave Earth and head to the Immortal Realm, that was something that he didn’t know when he would be able to do.

“Hm?”

Just when Lin Ran’s mind could finally relax for a while, suddenly his brow furrowed and followed by his entire being did so.

And at this moment, within the Prison Mountain Desolate Swamp, the Wolf King and the Human King also suddenly rushed out, the two of them looking ahead with icy gazes.

Only to see that at this moment, outside the formation, four figures had walked over side by side, and who were these four people if not the Ghost King and the others!

“Little friend Lin Ran! All four of us are here, can we come out and meet?”

The four Ghost Kings stood a few dozen metres away and shouted at Lin Ran within the formation.

Chapter 1414

“Go!”

Lin Ran greeted at this, and immediately rushed out towards the outside of the formation.

Seeing this, Yu Chang next to him also followed without saying a word.

“Go! Go check it out!”

Seeing this, the Human King and the Demon King also came to another hill only, which was also not very close to Lin Ran and not out of the formation, so it was a relatively safe place.

And at this time, outside the formation, Lin Ran has led Yu Chang out, distantly looking at the four people in front of him, can not help.

“It’s the four of them, they’re the ones in charge of the four satellite cities!”

There was excitement in Lin Ran’s heart, if he could do a golden escape at this point and head straight for their satellite cities, he might be able to leave!

But he knew very well that he could not leave in front of these four people, so he could only suppress the thoughts in his mind for the time being.

Moreover, the most important point was that he didn’t even know where exactly the four satellite cities’ teleportation arrays were until now, so he couldn’t make any rash moves yet and had to hold back.

“Little friend Lin Ran, according to what you said, all four of us have come, now you should be able to see our sincerity!”

The one who spoke first was naturally still Daoist Sanyuan.

The other three didn’t say anything, but Lin Ran could clearly feel that the tiger-headed fellow among them seemed to be upset with himself, only that he had been holding it in.

“Sincerity is seen, but what about the terms of this solicitation?”

Lin Ran looked at the Sanyuan Daoist and laughed.

“What conditions, you

Tiger Head was instantly enraged, however, just as the words were halfway through his sentence, he was stopped by the Ghost King.

“Little friend Lin Ran! I am the Ghost King General who sits under Lord Fey Demon, how about you hear a sentence about this matter!”

The Ghost King looked at Lin Ran and said.

“Speak!”

Lin Ran’s expression was bland.

The Ghost King didn’t say any nonsense and said directly.

“The treatment that Sanyuan said before is already the highest authority that I can give, but I, the Ghost King, can assure you that as long as you sincerely submit to Lord Bizarro Demon, when Lord Ghost King comes out in the future, I can recommend to him to let you also be one of the four generals, and I can even give up the position!”

“Ghost King!”

“You, Ghost King!”

The other three all stared at the Ghost King as they heard the words.

These four generals were not something anyone could easily do, but the Ghost King actually did it for this Lin Ran

The Ghost King waved his hand, gesturing for them to take it easy, while looking at Lin Ran and asking.

“Little friend Lin Ran, what do you think! Can you see our sincerity?”

Lin Ran smiled at his words but laughed.

“Haha! That’s really sincere, except don’t you guys think you’ve forgotten one thing?”

Lin Ran laughed.

“Forgotten one thing? What matter?”

The four Ghost Kings all frowned slightly and busily asked.

“Where’s my satellite city?”

Lin Ran asked with a smile.

“But I stopped to say that none of the four of you have a city, what about mine?”

“Isn’t little friend Lin Ran in too much of a hurry, this for Star City is naturally not less for you, but that will have to wait until Lord Alien Demon comes out of the gate, won’t it? Moreover, I have already said that even I can give up my position when the time comes, what else do you have to worry about?”

The Ghost King laughed.

“That won’t work, the Other Demon has been in seclusion for how many years now, who knows when he will come out, if he never comes out, am I going to be left hanging all the time?”

Lin Ran laughed, but there was a glint in his eyes as he was waiting for the Ghost King’s reply.

“Little friend Lin Ran, you’re worrying too much! To tell you the truth, Lord Fey Demon will be closed in a few days at most!”

The Ghost King laughed.

“In fact, a week ago, Lord Ghost King said that it would only take a week to come out of seclusion, only you know that nothing is set in stone in this seclusion, so it’s hard to say when exactly this will come out, but as I see it, Lord Ghost King’s exit from seclusion will be in these few days!”

Lin Ran’s heart tightened as he listened, but his face was still tacked on a smile.

He didn’t know exactly when the Ghost King would come out before, but now that he knew, it was just that this news was a little less friendly to him.

“Little friend Lin Ran, do you still have any worries now?”

The Ghost King looked at Lin Ran with a smile in his eyes.

And at this moment, the Human King and Demon King at the side couldn’t help but have their hearts tighten up as well.

“Will he be able to resist? Such tempting conditions, even I’m tempted!”

The Demon King on the side couldn’t help but say.

“It’s hard to say, I’m also a bit afraid to guarantee it now!”

The Human King said with both fists clenched.

“Ai!”

The Demon King couldn’t help but sigh, at this moment, the fate of the entire Prison Mountain Desolate Swamp was all pinched in Lin Ran’s hands.

“Little friend Lin Ran?”

Seeing Lin Ran not speak the Demon King couldn’t help but ask again.

“Yes! Very well!”

Lin Ran suddenly laughed.

“What?”

“It’s over!”

Hearing Lin Ran’s words, the Human King and Demon King’s hearts suddenly went cold.

“I knew this kid wouldn’t help us so easily! It’s really abominable!”

The Demon King couldn’t help but say.

“Don’t be in a hurry, let’s see first!”

The Human King’s face didn’t look good either, but at this moment he couldn’t say anything, he could only suppress the anger in his heart and watch quietly.

“Little friend Lin Ran is really a wise man, since this is the case then we”

The Ghost King laughed, however, before he could finish his words he was interrupted by Lin Ran.

“Wait!”

“Hm?”

The Ghost King, the Human King as well as the Demon King all had a twitch in their hearts, not understanding what Lin Ran meant by this.

“Since I’ve agreed to it? Then do you all have to give me the item first!”

Lin Ran spoke.

“Stuff? What stuff?”

The Ghost King asked busily.

“Of course the credentials of your Ghost King’s satellite city, otherwise in the future if the foreign devils refuse to give me a satellite city, who will I talk to!”

Lin Ran said.

The Ghost King smiled at his words.

“Good point!”

Said the Ghost King, and with a wave of his hand, a token immediately surfaced.

“Sanyuan you go!”

The Ghost King directly handed the item to Daoist Sanyuan.

Daoist Sanyuan didn’t think much of it and took the token and walked over towards Lin Ran.

“Little friend Lin Ran, this is the Ghost King’s token, it is yours from today!”

Daoist Sanyuan laughed, while handing the token over.

Lin Ran smiled in satisfaction and swiftly accepted it.

But just as the Ghost King and the others thought that Lin Ran was already one of their own, both the Human King and the Demon King were furious beyond measure.

Lin Ran’s eyes were fiercely cold, followed by a cold glint in his hand that instantly surfaced.

In the next moment, before the Sanyuan Daoist could react, the dagger had instantly pierced through the Sanyuan Daoist’s body, and because it was so fast, not even a bit of blood flowed out.

“Lin Ran you!”

The Sanyuan Daoist looked at Lin Ran with anger in his eyes, however at this moment it was too late to say anything.

“Bastard! I knew this guy wasn’t so kind! Let’s fight him!”

Tiger Head was instantly furious at the sight of this.

“I was afraid you guys would run!”

Lin Ran, however, laughed as well, following which he waved his hand next to Yu Chang and directly pounced over.

“Run!”

The Ghost King had ice cold in his eyes, and immediately roared followed by the first to turn around and run.

Originally four people could still fight,? But Lin Ran actually directly killed Sanyuan, they instantly not only had one less person, but even the formation was gone,? This is still such a fight!

Chapter 1415

“Run! Why run, how do you know if you can beat them without a fight!”

Tigerhead said angrily, his heart was too full of frustration.

“Stupid bastard! If you want to fight you can stay and fight yourself!”

The Ghost King said angrily, and then didn't even head? t even be returning.

“Coward! Coward!”

Tiger Head cursed angrily,? But at this moment the Ghost King had all run away, it was useless for him to stay alone, he was grumpy, but not so much of a fool.

“Stop cursing and hurry up!”

On the side, the devil ape was also busy saying.

At this moment, Yu Chang in the back had already killed over, and they could feel the terrifying aura from Yu Chang from a long distance away.

“I knew it! I knew little friend Lin Ran wasn't that kind of person, it's too strong! Simply too strong!”

On the side, the Demon King was excited.

The Human King, however, gave him a blank look and said without good grace.

“Is that so? Who was the one who called Lin Ran a bastard just now?”

“Shhh! Don't talk nonsense, I was blind, blind! You can never tell Lin Ran about this!”

The Demon King was busy making amends and laughing.

“That outburst of yours!”

The Human King couldn't help but laugh.

At this moment, outside the formation, Lin Ran had already turned into a stream of light and chased towards the Demon King and the others ahead.

“Lin Ran! You wait for me!”

Tiger Head saw that Lin Ran had an incomparable amount of anger in his eyes.

“Wait? On what grounds? You're here and you still want to leave?”

Lin Ran laughed.

“Humph! You're strong as a puppet, but you can still keep me if I want to leave? I pooh!”

Tiger Head said with a face full of disdain.

Lin Ran, however, smiled even wider.

“Since you guys are here, I naturally have to treat you well!”

“Formations aren't something only you guys can use!”

Lin Ran said, suddenly raising his hands violently, and instantly a large formation rose out of thin air, instantly enveloping the Demon King Tiger Head as well as the three Demon Apes.

“Bastard!”

The Ghost King’s face instantly changed when he saw this.

This was truly a testament to the saying that when you’re counting on others, how are they not counting on you?

It was clearly impossible that Lin Ran would really sit back and wait for death, being alone in the Fey Demon Domain, if he hadn’t even thought of this, then he wouldn’t have survived until today.

“Yu Chang! Kill it for me!”

Lin Ran laughed.

“Got it!”

Yu Chang had been waiting for these words for a long time, so without saying a word he lifted his palm and slapped it towards the demon ape, who had previously fallen at the end of the line in order to persuade Tiger Head at this point!

“Bastard!”

The tiger’s head was enraged at the sight of this, a cold flash in his hand a huge mountain-opening axe had been taken out and was heading straight for Yu Chang.

“Your opponent is me!”

Suddenly, Lin Ran’s voice was the one that came over, followed by a cold mane that had already reached Tiger Head.

“Scram!”

Tiger Head roared, and instantly the huge mountain-opening axe in his hand rushed to block the Condensing Frost Sword.

“Bang!”

The two collided, and the sky was immediately shaken.

However, in the next moment, Tiger Head’s miserable scream sounded out.

The tiger’s head flew backwards in an instant and hit the ground with a heavy thud.

“How can this be!”

The demon ape at the side was already frozen in shock.

Of the four generals, Tiger Head was the most powerful, but at this moment, with a single encounter with Lin Ran, Tiger Head had actually flown backwards.

Even Lin Ran himself hadn’t even arrived yet, it was only a sword!

“How can this guy be so strong!”

The devil ape’s heart trembled.

“How are you guys!”

The Ghost King’s voice suddenly came from afar, by now a thick fog had risen within the entire formation, so thick that no one could be seen at all, and the Ghost King was running at the front of the line, by now separated from the crowd by the thick fog.

“Run! He’s too strong! Even Tiger Head is

“Laozi let you speak?”

The devil ape had barely gotten halfway through his words when a large hand came right down and grabbed his entire body in its hands.

“You!”

The devil ape lost his voice at once as well.

This fellow was handed over to Yu Chang Lin Ran with great confidence, and immediately he charged towards the tiger head below with his sword.

These three, although the Ghost King hadn’t made a move, could act as their leader and was clearly the strongest, and Lin Ran was naturally able to kill Tiger Head first at this point, as for the Ghost King, he was definitely placed last.

In this kind of moment of fighting for time, it was natural to be able to kill one more.

“Die!”

Without saying a word, Lin Ran stabbed the Frost Condensation Sword in his hand directly towards the ground.

“Bang!”

A loud metal clash sounded, and instantly the Frost Condensation Sword actually stopped.

And almost instantly, a cloud of dust and a muffled grunt shook up below.

A moment later, the dust cleared, and only then did Lin Ran see clearly.

It turned out that below, ? Tiger Head had actually blocked his sword with his giant axe.

Only at this moment, he was also shaken by the tremendous force and fell to one knee on the ground, unable to even stand up.

“Get the hell out of here!”

Tiger Head’s eyes were bloodshot as he slowly actually lifted up Lin Ran’s Ning Shuang Sword.

“Hm?”

Lin Ran's heart not only twitched at the sight, the power of his own sword was already very strong, but it was still blocked by the tiger head at this moment.

"This guy's strength is really strong, but unfortunately the realm is too poor!"

Lin Ran thought to himself, out of these four generals, I'm afraid that he was the one with the worst realm.

"It's a pity, the realm is ultimately a hard wound!"

A cold glint flashed in Lin Ran's eyes, and the next moment, the Condensing Frost Sword was already slashing down towards the tiger's head once more.

"Come on!"

There was a fierce aura in the tiger head's eyes, following which an axe slashed towards Lin Ran's sword from the bottom up.

"Bang!"

There was a loud sound, and instantly the axe flew backwards, and Tiger Head's entire arm was shaken to the point where several wounds were opened and blood flowed.

"It's time to end this!"

Lin Ran had blandness in his eyes, followed by a wave of his palm, instantly the Frost Condensation Sword was put away, and the next moment the dagger's broken tip had already shot at the tiger head.

"Poof!"

Almost without any resistance, the dagger-breaking tip instantly penetrated the tiger head's body.

He didn't even react before his dantian was already pierced through by the dagger-breaking tip!

"I Not willing to"

Tiger Head let out a final roar, following which he collapsed to the ground with a loud bang, his breath instantly fading away.

"Tiger head!"

At this moment, the devil ape that was caught in Yu Chang's hand saw this, and there was complete despair in his eyes.

He and Tiger Head were demonic beasts from the Four Generals, and the two were considered close friends, but now

"Bastard! Bastard!"

The devil ape was also completely mad, he was firmly captured by Yu Chang at this moment, and was already seriously injured it was only a matter of time before he lived or died.

At this moment, his whole body glowed and a terrifying aura instantly filled the air.

He had actually chosen to explode himself at this moment.

“Ghost King! Go!”

The devil ape said angrily, and with a bang, the devil ape instantly turned into a dot of light and exploded in all directions.

“Something!”

Yu Chang’s eyes were cold as he grabbed the demon ape and blasted it deep into the ground.

“Bang!”

The entire Prison Mountain Desolate Swamp trembled for a moment, and the huge eruption seemed to shake the entire mountain peak to the ground.

“It’s all dead! All dead!”

The Ghost King was alone deep in the mist, and panic surfaced in his eyes at this moment, he was truly scared.

It had only been so long, even the tiger head and the devil ape had died, how long could he last alone?

“Run! We must escape! Must!”

There was madness in the Ghost King’s eyes as he recognized a direction and rushed forward with all his might.

Chapter 1416

In the mist, Lin Ran had taken all the tokens from the demon ape as well as the tiger head, and by now he had a full three tokens!

“Only that Sanyuan Daoist, in his true form, hasn’t come, but that’s enough! With three tokens, I can pick a random satellite city to try out!”

Lin Ran had excitement in his heart.

But he was clear that it wasn’t over yet, there was still a Ghost King that needed to be dealt with, once he was dealt with, Lin Ran could really go to Fey Demon City.

“Time is running out, I’m afraid that this incident will speed up the Fey Demon’s exit, I need to hurry!”

Lin Ran said secretly in his heart.

The Four Generals were the last barrier in the Fey Demon Realm apart from the Fey Demons, but now they had basically been nullified, if the Fey Demons didn’t come out of the gate, I’m afraid it would really be too late.

“Time! What is most lacking now is time!”

With a chill in his eyes, Lin Ran immediately charged towards the Ghost King who was frantically fleeing within the mists.

“Bastard!”

In his daze, the Ghost King’s entire heart lifted.

Now he was incomparably panicked, a group of four people had only been left alone until now.

This was a result that none of them had expected before they came.

Although the Sanyuan Daoist had only come with two Dharma bodies, this kind of battle power combination was an existence that could walk across the entire Fey Demon Realm.

But what happened? In front of Lin Ran, it was unbeatable.

“How can this kid be so strong! This can’t be!”

The Ghost King muttered to himself in his mind as he scurried about.

Little did he know that the Immortal Emperor’s pill was the key to turning the whole thing around.

As the saying goes, there must be a cycle of karma, and it was true that the Immortal Emperor was nowhere to be found, or even unknown whether he was alive or dead.

But this did not mean that he would not exude residual heat, whether it was the pillow book or these things left behind, who was to say that it was not the cause planted by the Immortal Emperor during his life that bore fruit in the present.

“Death!”

Within the mists, Lin Ran had already spotted the Ghost King’s trail, and with a shake of the Condensing Frost Sword in his hand, he had already rushed towards the latter and stabbed him violently.

On the other hand, Yu Chang was even following close behind, ready to strike at any moment.

“Roll!”

The strong wind behind him struck, and the Ghost King’s tense nerves were like the surface of a lake, instantly rippling as he returned and punched the Condensed Frost Sword.

“Bang!”

The Ghost King’s entire body flew straight backwards, while a muffled grunt couldn’t help but sweeten his throat.

“Demon, this kid is simply a demon!”

This was the impression the Ghost King had of Lin Ran in his mind at this moment, he was the leader of the Four Great Generals of the Fey Demon Domain, but in the hands of this youth who was not even twenty years old in front of him, he was unable to gain the slightest advantage at all.

He was even in a state of being crushed, which caused his face to burn hot and his heart to be incomparably stifled.

“Let me do it!”

At the back, Yu Chang had already rushed over by now.

Without saying a word, he raised his hand and grabbed directly towards the Ghost King with a slap.

“Bastard!”

The Ghost King’s face changed drastically.

Facing Lin Ran he could still fight with experience and ferocity.

But against Yu Chang he didn’t even have the heart to fight once he faced him.

A puppet was different from a human, and even though Yu Chang now had his own consciousness, he wasn’t going to be afraid or anything just because his opponent was powerful.

He had to know that he was a puppet body, and even if his body was destroyed, he could still be completely repaired if he found the materials.

But Lin Ran was a real person, so when it came to a real fight, a powerful puppet was far more terrifying than a person.

“Come here for me! You’re the only one who still wants to run!”

There was disdain in Yu Chang’s eyes as he instantly grabbed a large hand and headed straight for the Ghost King.

The Ghost King had a cold look in his eyes, and with a flip of his palm, a spear instantly flew out and headed straight for the big hand.

“A toothpick?”

Yu Chang saw this but laughed, his palm did not stop at all, and grabbed towards the spear directly.

“Bang!”

There was a muffled sound, and at once Yu Chang’s face froze.

His big hand was actually really held up by this sick spear of the Ghost King.

Although the spear itself had bent almost to ninety degrees at this point, it was really holding up.

The Ghost King also took the opportunity to escape directly from Yu Chang’s reach, but by now his forehead was already covered with beads of sweat.

Although he did not see how the demon ape died, he knew that once he was caught by this puppet, he was afraid that his life would be over.

“Even this toothpick wants to stop me?”

Yu Chang’s eyes were cold, and his palm suddenly lashed out, following the spear that was barely holding up instantly splitting.

“Bang!”

With a crisp sound, the spear directly snapped the next moment, and the sharp tip of the thatch cut through Yu Chang's large hand, spattering a burst of sparks, but in the end, not even a trace was left behind.

"Really strong!"

Lin Ran, who was watching from the side, couldn't help but be shocked in his heart.

There was no need to say how strong the Ghost King was, and this spear of his was extraordinary at first glance.

Yu Chang had broken it in such a savage way, yet there was not even a single scratch on his palm.

At this moment, Lin Ran couldn't help but marvel at Master Kongkong's orgasmic attainment in puppet making, although Yu Chang had made it from materials found on Earth.

But this degree of toughness was already not even close.

"Yu Chang! Don't delay, just kill him!"

Lin Ran had a cold aura in his eyes, not wanting to delay any longer.

Two of the four generals had already died, the true body of the Sanyuan Daoist must have already known everything, and the window of opportunity left for Lin Ran at this point was getting smaller and smaller, so he had to hurry up and settle the Ghost King, and then rush to the Other Demon City with all his might.

Otherwise, by the time the Other Demon came out of the gate, he was afraid that he would have arrived at the Unusual Demon City by then.

And whether he could get out or not would depend on who was faster, the Other Demon or Lin Ran, at this point.

"Good!"

Yu Chang responded, without any nonsense! Whirling his hands together, he headed straight for the Demon King.

"Scram! Get lost!"

The Ghost King was furious, but without his magic weapon, even if he was strong, he was still like a chicken in front of Yu Chang.

After a few rounds, his entire body had already been caught into Yu Chang's hands.

At this moment, the Ghost King finally felt despair.

It was a deep sense of powerlessness, in front of Yu Chang he didn't have a single ounce of power to resist.

"Lin Ran! You wait for me! I will not stop with you until you die!"

There was anger in the Ghost King's eyes.

“Immortal? Be a ghost and curse me?”

Lin Ran laughed, what was there to say to a man who was about to die.

“Do it!”

With a command, Yu Chang suddenly clenched his hands fiercely.

The tremendous force caused the Ghost King’s entire face to instantly turn red with suffocation.

“Die! You’ll have to die sooner or later! Against Lord Fey Demon, you will never leave this Fey Demon Domain!”

There was madness in the Ghost King’s eyes, and the next moment his entire body was filled with white light, he actually chose to explode himself as well!

“Huh?”

Yu Chang saw this but his eyes stared, followed by his hands smashing down towards the ground.

“Bang!”

Almost at the same time, the impact from the Ghost King’s self-destruction instantly cracked the entire ground.

However, Yu Chang did not care about it, his palm flung violently and instantly probed out, and on his palm at that moment, he was still holding a black bead, which was the Ghost King’s inner elixir.

Looking at the inner elixir Yu Chang smiled.

“You people of this foreign devil, you can’t beat them and then you blow yourselves up! Trying to run away after blowing yourself up! Can’t you do it differently, do you really think I’m an idiot?”

“Hmph! You think you can really leave me behind!”

The Ghost King laughed coldly, and then the entire black inner chamber trembled with a “weng”, and then disappeared into Yu Chang’s hands out of thin air.

Then a voice rang out in a ghostly voice.

“Lin Ran, you’ll have to wait! I, the Ghost King, am not finished with you! When Lord Fey Demon comes out of the gate, that’s when you, Lin Ran, will perish!”

Chapter 1417

The voice was hushed and carried throughout the entire formation.

“I’ll go and chase it back!”

Yu Chang said angrily, this was the first time someone could escape from him, and the other party was only an inner dan.

“There’s no need!”

Lin Ran suddenly spoke.

“Why?”

Yu Chang was a little angry, the Ghost King’s escape had upset him, clearly he had just needed to crush it in just one blow, but that Ghost King had simply disappeared out of thin air.

How on earth did he do that? Yu Chang’s heart was also puzzled and suffocated.

“You can’t catch up, he’s already left the formation and gone!”

Lin Ran said indifferently.

“Left the formation? How is that possible?”

Yu Chang was stunned, under Lin Ran’s guidance he could feel that the two were placed in the middle of the formation, even if this Ghost King was fast, there was no way he could have left directly from inside the formation!

“Don’t you understand, he didn’t rush out, he was teleported away!”

Lin Ran said.

“Teleported away?”

Yu Chang was stunned.

“There should be such a means of saving his life in his soul imprint, no it’s true that the Ghost King has more reserves than the other two!”

Lin Ran lamented, in the end, although he had severely injured the Ghost King, he still hadn’t been able to kill him.

“So what now?”

Yu Chang asked busily.

“Go back to the Prison Mountain Desolate Swamp!”

Lin Ran said, while directly ripping the formation down with a wave of his palm.

“Little friend Lin Ran! That’s really impressive!”

“I’m convinced!”

As soon as Lin Ran returned to the formation within the Prison Mountain Desolate Swamp, the Human King and Demon King hurriedly ran over and saluted respectfully.

“No need for all this uselessness, go and arrange your men, you’ll be able to leave soon!”

Lin Ran said indifferently.

“Yes! Good!”

The Human King and Demon King were both delighted at the words, and left the place at once.

“How’s it going?”

Lin Ran turned his head to look at the formation and asked in his mind.

“It should be soon, the rogue book said earlier that it had already started, it will take a few hours at most!”

Qing Zi said.

“Hm!”

Lin Ran smiled and stopped talking nonsense, and directly sat down on his knees and began to adjust his aura.

Although he had just gone through a great battle, he hadn't lost much of his strength.

However, Lin Ran knew that once the formation of the Prison Mountain Desolate Swamp was broken, he would have to start fighting and killing, racing against time and the foreign devils, and then he was afraid that he would not have time to stop and rest.

The sun was about to set in the sky.

The sun was about to set. At that moment, within the entire Prison Mountain Desolate Swamp, the Human King and the Demon King had already assembled their entire army.

They all looked at the distant mountainside without saying a word, all waiting, waiting for the good news that Lin Ran had worn back.

Lin Ran's eyes were quietly closed, and he didn't know what he was thinking.

The silence around them was terrifying, not a single person made a sound, everyone was waiting, waiting for the moment when the sound would ring out.

“Weng!”

Suddenly, the faces of the Human King and the Demon King changed, and even the faces of the others around them changed.

They felt the ground around them tremble, as if something was about to burst out of the ground, and the entire Prison Mountain Desolate Swamp was in turmoil within.

“The formation is about to open!”

“It must be the formation that's about to open!”

Everyone looked excitedly in the direction where Lin Ran was.

Seeing this, the Human King was busy speaking.

“Hold your horses for now, we've all been trapped here for so long, are we going to disrupt ourselves in the formation at this final moment?”

The crowd all fell silent at his words and looked at the Human King without saying more.

The Human King swept his gaze over the crowd and sighed with relief in his heart, before he and the Demon King exchanged a glance and whirled around to say.

“Gentlemen, once the formation is opened, everyone can leave, but before we leave, I hope everyone can remember that we all went out from the Prison Mountain Desolate Swamp and are enemies of the foreign devil, now that we have little friend Lin Ran holding the foreign devil at bay, he might not deal with us anytime soon! :”

“But in the future it’s not certain, so I’m going to decide to form my own city after discussing with the Demon King!”

“Form my own city?”

The crowd was all delighted at the words, indeed those of them who had gone out from the Prison Mountain Desolate Swamp were always different from the people outside.

When the foreign devils came out, those of them would also inevitably face heavier suppression, so they had to join forces.

“After you leave here, those who want to join us have three months of freedom to move about, go and avenge your grudges if you have them, but after three months you must contact us we will go and form a city together, only then will we be able to twist together and resist the foreign devil!”

The Human King said as he looked at the crowd.

“Good!”

These people nodded their heads, they also knew very well that leaving the Prison Mountain Desolate Swamp didn’t just mean freedom, it also meant that they would incur the wrath of the foreign devils.

And in this Fey Devil domain, if they wanted to survive, they could only unite and resist together.

And while the Human King and the others were arranging what to do after they left, at this time Lin Ran was already at the place where the pillow book was, and he was frowning at this time looking down with his heart trembling.

“You’ve seen it all, this formation can’t be withdrawn! Otherwise something is going to come out from below!”

Pillow Book said with the same frown.

And at this time in front of the two, was an endless river of red, as if a human blood, flowing through the face money.

The river was crumbling and unquenchable, as if a large hand was constantly slapping against the rock wall.

At this moment, Lin Ran could clearly feel that there was a terrifying thing buried beneath this Hell Mountain Desolate Swamp, and that thing was constantly roaring and shaking the entire Hell Mountain Desolate Swamp.

The tremor just now was caused by him.

“Well! You find a way to buy out ten minutes, just let them leave here and we’ll leave as well, this formation try not to destroy it!”

Lin Ran spoke after consideration.

This Prison Mountain Desolate Swamp really wasn't as easy as one might think, and at this moment, Lin Ran couldn't help but frown as he felt the terrifying presence below.

He could feel that his strength was completely inadequate in front of the other party, whose strength might even be on the same level as the foreign devils.

And it was also likely that this Prison Mountain Desolate Swamp's formation wasn't turned to deal with the Human King and the others here, but was specifically used to deal with the things underneath this ground.

"Scuff!"

Soon, Lin Ran's entire body had leapt into midair, and with this leap he instantly silenced the Human King and the others below.

They could feel that it was the formation that was about to open, this was the moment where they would finally see the sky again.

Lin Ran looked at the crowd below and then spoke.

"You only have ten minutes to leave, that's all I can do, if you haven't left after ten minutes, there's nothing I can do!"

With that said Lin Ran waved his hand and pointed at a white ripple that appeared at the edge of the side, and immediately spoke.

"That's it, go now! It's only ten minutes!"

"Go!"

"Hurry up!"

Both the Human King and the Demon King were already startled at the words, and immediately led the men to rush towards the exit.

Although the result was different from what they had thought, they were already satisfied to have ten minutes to leave.

At this moment, all of them rushed towards the exit regardless, fearing that they would not be able to make it out and that this was their last chance to leave.

Rushing out! Get out of there! If they don't get out! They would be trapped here for all eternity!

Chapter 1418

On the mountain, Lin Ran and Yu Chang watched the scene before them in silence, neither of them speaking.

Originally, it would have been a simple matter to take them away, as long as they were allowed to enter the small world of the pillow book.

But for some reason, this was a way that could not be achieved.

People's hearts were not ancient, let alone in the Fey Demon Realm.

It was not only Lin Ran who needed to be careful, but the Human King and the Demon King as well.

They were living in the illusionary realm of the Fey Demon Realm, but they had chosen to be enemies with the Fey Demons. In a way, they were also trying to survive in the cracks, so how could they not need such caution?

Be careful, this truth will not change no matter where you are.

"You stay here and make sure they all leave! This Prison Mountain Desolate Swamp is no longer fit to keep people!"

Lin Ran rushed over to Yu Chang.

"Mhmm!"

Yu Chang nodded, he also knew that this was no time for jokes.

Lin Ran nodded and whirled his body and disappeared from the spot.

Just as the Human King Demon King was quickly leaving the Prison Mountain Desolate Swamp with his people, there was a space right below this Prison Mountain Desolate Swamp that was four to five hundred metres deep.

Lin Ran, Pillow Book and Qing Zi appeared out of thin air.

"This is it!"

Pillow Book said.

"This formation is the connection point when you reach here, further down it's all filled with demonic qi and you can't go any deeper, otherwise your mind will gradually get lost!"

"Hm!"

Lin Ran nodded, here he could clearly feel the presence of demonic Qi, and in front of them, there was a fiery red river tide converging in front of the river below.

This place was like an underground cavern with countless underground dark rivers passing through, except that instead of underground dark rivers, what passed through here were underground rivers of blood.

Inside each river flowed red demonic blood, and Lin Ran did not know how many times he had seen these demonic blood before.

The Ten Thousand Treasures Spell Formation, he had seen it before! In the Skywolf Domain, he had seen it on those Heavenly City Guards of Long Mo.

He had even seen it when Elder Feng had given him the test task.

Yet none of them could compare to the devil's blood in front of him at this moment; the devil's blood here could no longer be described by dosage, it was a world of devil's blood altogether.

"How is it outside?"

The pillow suddenly turned ugly.

"It's already halfway there, there should be enough time!"

Lin Ran said.

"I'm afraid there's not enough time!"

Pillowbook said.

"What's wrong?"

Lin Ran asked busily.

"I can feel that the thing is struggling desperately to get out from under the suppression of the formation!"

Pillow Count said.

"How much longer can it hold out!"

Lin Ran asked, frowning.

"I don't know! I'm afraid it'll be three minutes at most!"

There was ice in Pillow Count's eyes.

"I'll go help him!"

Qing Zi spoke at the side, and immediately a strand of true qi instantly rushed towards Pillow Scribe and injected it.

"It's useless, this will last at most four more minutes!"

Pillow Book said.

"One minute less?"

Lin Ran frowned, there were tens of thousands of people from the Human King and Demon King, this minute would likely leave hundreds or thousands of people behind.

"Hang in there, leave the rest to me!"

Lin Ran said.

"You!"

The pillow was stunned.

"Leave it to you? What do you want? That thing is very strong, are you crazy?"

Pillow Book said busily.

"I'm not crazy, but if we give up now, there's a difference between being left behind and being killed by our own hands!"

Lin Ran said.

"But what's down here is simply not something we can fight against!"

Pillowbook said busily.

"Never mind that, we can only last a little longer now!"

Lin Ran said as he immediately sent a wisp of divine sense out, constantly observing the situation outside.

As soon as the people outside went out, he would immediately inform Pillow Book and Qing Zi.

Time passed by minute by minute, and in the blink of an eye, the two of them had already lasted a full three minutes.

Both of their faces were a bit pale and frightening at this point.

And at this time, outside, a large portion of the Human King and Demon King's people had already gone out, leaving only a very few people still waiting.

Three thousand, two thousand, one thousand.

When only the last thousand people were left, the time was already down to the last less than a minute.

"No more! We're resisting!"

The Pillow Book suddenly spoke loudly, at this moment his entire shadow began to become illusory, obviously his power had been overdrawn too much.

"What about Master!"

Qing Zi was also busy speaking, her situation was not much worse than Pillow Book's.

"Fang Kai let me do it!"

Lin Ran had a sharp look in his eyes, he knew that if he held on, the two of them would probably fall into a deep sleep again, something he definitely didn't want to see.

"Scuff."

A cold flash of condensed frost sword in his hand had floated out of thin air.

"Let go!"

Lin Ran shouted as Pillow Book and Qing Zi pulled their hands almost simultaneously.

In the next moment, the entire Prison Mountain Desolate Swamp trembled.

A crack filled out like a spider's web from the depths of the earth in a frenzy, and countless amounts of demonic blood churned up, as if something terrifying was about to come out from beneath the earth.

"It's almost done, it'll be done soon!"

Lin Ran watched the situation outside while being vigilant around.

At this moment there were only a few hundred people left outside, and at this rate it would only take a dozen seconds at most before they could all leave.

But at this moment, the ten seconds or so were as long as a century.

"Bang!"

Suddenly, there was a loud bang, followed by Lin Ran's astonished sight.

The mountain in front of him had violently split open into a huge crack.

Within the crack he could see that it was an ocean of red, simply a demonic sea made up of demonic blood.

And at this moment, within the demonic sea, a huge arm had poked out from within the demonic sea, and his arm was wrapped in many, many chains, as if he was a demon in captivity.

Suddenly, ? He poked out half of his head, which was already stained red with demon blood, but Lin Ran could clearly see that it was a person, definitely a person, and the face was actually somewhat familiar.

That face had at least a fifty percent resemblance to Elder Feng.

"Who is he?"

Flames of fire danced in Lin Ran's eyes, and his heart was somewhat bewildered.

Why did the other party look so much like Feng Lao, who was he and what exactly was his relationship with Feng Lao?

At this moment, Lin Ran felt that he was too small, not just in stature but also in knowledge of information, he was completely like a blind man, not knowing what was hidden behind all this.

"Go!"

A cold aura appeared in Lin Ran's eyes, followed by a wisp of seven-coloured sword mane heading straight for the other party, if he was allowed to come out, the people outside would really not be able to leave.

The sword mane ran and instantly hit the other party's arm with a bang.

However, this time, the unbeatable sword mane was like a mud bull entering the sea, hitting the other party's body without making a single ripple.

"Roar!"

The other party suddenly turned his head to look at Lin Ran, a pair of blood-red eyes without any emotion, only cold and killing intent, as if he was a machine that only knew how to kill.

“Go!”

At this moment outside, the people were finally all leaving.

Lin Ran didn't dare to stay for a moment as his body turned into a stream of light and shot straight up into the sky.

“Yu Chang go!”

As soon as he rushed out of the ground, Lin Ran instantly put Yu Chang into the small world, and his entire body had already left the Prison Mountain Desolate Swamp at the fastest speed possible.

Chapter 1419

“Rumble!”

The entire mountain of the Hell Mountain Desolate Swamp was trembling at this point.

Countless cracks spread out rapidly from the ground, causing the Hell Mountain Desolate Swamp, which originally showed a ring-shaped mountain, to instantly collapse around the mountain peaks all buried towards the middle.

A rumbling sound echoed around the entire mountain peak.

And with the collapse of the mountain peaks, the cracks were also re-buried.

At the same time, with Lin Ran's departure, the formation on top of the Prison Mountain Desolate Swamp was also restored, and soon the trembling on top of the entire mountain actually gradually diminished.

A few moments later, the entire Prison Mountain Desolate Swamp finally returned to its usual calm.

However, Lin Ran knew in his heart that this calmness was only superficial.

Who was really suppressing the Hell Mountain Desolate Swamp? He did not know.

What was the origin of the other party and why was it suppressed here? He didn't even know.

The only thing he knew was that the person down there was really, really similar to Elder Feng.

Lin Ran was standing alone at this moment on the plain not far from the Prison Mountain Desolate Swamp, looking at the mountain peak that had fallen completely silent, with bewilderment in his heart.

At this moment, he was thinking a lot, and sometimes even had an emotion of not knowing what the hell he was doing.

It was all because the shadow was too much like Elder Wind.

“Phew!”

Lin Ran suddenly let out a breath with his eyes tightly closed, and a moment later he opened his mouth and said to himself.

“I know that this person is definitely related to Feng Lao, but Lin Ran you must be clear, these doubts cannot be solved now, if you want to find out, you must go out from the Fey Demon alive and ask Feng Lao yourself!”

“If you can’t even get out of the Fey Demon domain, does it still mean anything to you who he really is and what his relationship with Elder Feng is?”

Lin Ran looked like himself, but in reality, he was also reminding himself that he couldn’t mess with his mind.

All the mysteries in his mind could be solved, but only if he could get out of the Fey Demon Domain alive.

“Go!”

A moment later, Lin Ran had already adjusted his emotions and his face once again regained its usual calmness.

Without delay, he called out both Yu Chang and Wolf Ba, with Wolf Ba leading the way, and the two of them led Wolf Ba straight to Fey Demon City.

.....

And just as Lin Ran was rushing to the Foreign Devil City.

The whole of the Foreign Devil Domain was already in a riot.

A chaos caused by Lin Ran and pushed by the Human King and Demon King had already begun to sweep through the entire Foreign Devil Domain.

No matter where one was, order had to be established on the basis of being powerful.

If everyone is equally powerful and no one is obeying anyone, how can order be established.

And that was exactly the situation in the Foreign Devil Domain at this time, even much worse than that.

Lin Ran had killed the two great generals and severely injured the Ghost King, and news swept through the entire Fey Demon Realm.

The news was getting more and more sinister, the Ghost King had been badly injured and was already hiding somewhere, and the Sanyuan Daoist was alone guarding the Foreign Demon City, even more fearful that Lin Ran would find him.

At this time, no one in the Fey Demon Realm came out to dispel the rumours and suppress them, so much so that the rumours eventually turned out to be that Lin Ran had alone killed the four generals and severely injured the Fey Demon Lord.

“The Fey Demon Realm is about to change, let’s all run away!”

“Run? We won’t survive anyway, so let’s all die together!”

This was the situation in the entire Fey Demon Realm.

The usual rivals of enemies were all fighting in a big way at this time.

With the addition of the secret disturbance of human kings and demon kings, the entire Fey Demon Realm had completely lost control.

The only ones who were left were the civilians who lived at the lowest level, and they were hiding one by one, hoping that this riot would pass as soon as possible.

To them, just having a mouthful of food to eat and a place to live is the greatest happiness.

At this moment, how could those cultivators who were dumbfounded by their greed and wantonness be at peace.

.....

“It’s up ahead!”

After a full day of rushing, Lin Ran finally arrived at the Fey Devil City ambush before dark.

Looking ahead at the Fey Devil City built on the plain only, Lin Ran’s entire heart tensed up.

Whether or not he could leave the Fey Demon Realm depended on what happened next.

“Go!”

Lin Ran greeted, and immediately swirled Wolf Ba into the Pillow Book Small World.

This was because Wolf Ba could no longer be of any help on the next path.

He could only rely on himself, on his own to find the teleportation formations hidden in the four satellite cities.

The situation in the Foreign Devil City at this time was a little better than the other places, after all, there were many generals stationed there, and there was still the true body of the Sanyuan Daoist sitting in the town, so it wasn’t too chaotic.

It was just that there were a lot of alien Ping Ming who wanted to enter the Other Demon City for refuge, but they were obstructed.

The city was so big that the more people came in, the more chaos there would be, and this was something that the Sanyuan Daoist did not want to see.

“My Lord! What should we do? The number of people who have come to take refuge outside has already reached over 100,000, if we don’t let them through I’m afraid the city gates will be completely crushed!”

The guards next to him on top of the city walls said busily.

Daoist Sanyuan looked at the crowd of people in front of his satellite city, and there was a grave look in his eyes.

After pondering for a moment, he spoke.

“Pass the order down, let the generals and soldiers’ families enter the city, all others are to be driven away, and anyone who disobeys is to be killed on the spot!”

“Yes!”

At the words of his men, they immediately went to make arrangements.

However, in the face of the black mass of people, how could they really allow only some of them to enter the city.

This solution was not destined to solve the problem overnight.

“What are you going to do?”

Yu Chang and Lin Ran asked as they stood at the back of the crowd outside the Foreign Demon City, looking at the black mass of people in front of them.

“You go and break down the gates of the other three satellite cities! Then go find me at the satellite city to the west!”

Lin Ran spoke.

“What about the Sanyuan Daoist?”

Yu Chang asked.

“If he resists, just kill him, if not, leave him alone and go to me immediately after breaking down the city gates!”

Lin Ran said.

“Good!”

Yu Chang nodded his head, and immediately his body leapt into a stream of light already heading straight for the nearest satellite city.

“It’s starting!”

Lin Ran also had madness in his eyes at this moment, only to see him wave his palm and instantly the Frost Condensation Sword had already surfaced.

“Arise!”

Lin Ran then let out a furious roar, and instantly his entire body rushed straight up into the mid-air of the Fey Demon City.

He looked distantly at the gates of the Fey Demon City below, with madness in his eyes.

“The gates of the Foreign Devil City are sealed, leaving us with nowhere to escape, today I will break through the gates and make a way for everyone to live!”

Lin Ran said angrily, followed by a wave of his longsword in his hand, and instantly three seven-coloured sword maces instantly came out and headed straight for the gates of the Foreign Devil City.

“Weng!”

However, in the next moment, an array appeared out of thin air to envelop the entire Other Demon City.

“A city protection formation?”

Lin Ran had a smile in his eyes when he saw this, he naturally knew full well that there would be a city protection formation here when he dared to come over.

It was just that at this moment, without the Four Generals’ Great City Protection Formation was it really still useful?

Obviously not!

Because the next moment, the first of the seven-coloured sword arrows collided with the formation.

With a “bang” sound, the seven-coloured sword mane instantly penetrated the formation and struck the city gate.

“Bang Bang!”

Then there were two more loud sounds.

“Rumble!”

The huge city gates instantly disintegrated, and countless ordinary people poured into the city like a torrent, leaving the surrounding area in chaos.

Chapter 1420

And at this time, within the main city of the Foreign Devil City, the general temporarily in charge of defending the city had anger in his eyes when he saw this scene.

“Quickly send someone to stop them, we can’t let these people enter the city, otherwise the situation will get completely out of control!”

“But what about so many people, my lord!”

The men next to him had a panicked look on their faces.

“What do we do! Kill! Catch all those who rush in Kill”

The general guarding the city did not finish a sentence, instantly a cold ray of light had penetrated his head, blood spilled the other side that henchman a face.

That henchman stood in place full of panic, and his feet were already wet.

“If you don’t want to die, get lost!”

Lin Ran’s voice boomed, resounding in his ears.

“Help!”

The other side turned and ran in fear, so how could they even bother to pass on the order at this point.

Without the orders of the great general defending the city, the other soldiers were at a loss as to what to do, and in almost the blink of an eye, these Ping Ming had taken over the whole of the Foreign Devil City.

The city was in chaos and it was no longer possible to clean up the situation.

“Western City!”

A cold aura flashed in Lin Ran’s eyes as he instantly rushed towards a satellite city next to it.

There were a total of four satellite cities around the Other Demon City, which were under the charge of the Ghost King, Tiger Head, Demon Ape and Sanyuan Daoist.

Only now that Tiger Head and Devil Ape were dead, and Ghost King had been badly injured and didn’t know where he was hiding, only Sanyuan’s satellite city was guarded.

So Lin Ran had chosen Tiger Head’s satellite city as his target at the beginning to save time, and had Yu Chang go and break down the gates of the other three satellite cities.

This would not only cause a riot, but also buy himself time.

And without the defending general, those generals would not dare to do anything in the face of so many ordinary people.

Otherwise, Lin Ran would not have done so, after all, he was not the type of person who liked to kill indiscriminately.

Even if he used the riots of these ordinary people to create opportunities for himself, he would still try to take care of the safety of these people, otherwise he wouldn’t have gone to the trouble of killing the generals guarding the city again.

The Western City, the very satellite city where Tiger’s Head was in charge of garrisoning, and at this moment the entrance to the city was equally crowded with people.

However, a young man with a black tiger’s head on a stocky body did not care at all about the situation in the city’s main residence.

At this moment, he was lying on a position where only the tiger’s head normally dared to lie, and beside him were even two sultry women sitting, one carefully waiting on him.

“Lord Black Tiger, you said that this is a riot outside, how come you are not nervous at all!”

One of the women twisted her waist and said with a flattering face.

“Come here for me!”

There was greed in Black Tiger’s eyes as he swept the woman into his arms, up and down, and couldn’t resist kissing her twice when he was excited.

“Your Excellency, I’m asking you a question! Why are you so anxious?”

The woman said shyly, that look simply tempted people to death.

“Cut the crap! I’ve been thinking about you two for a long time now! Now, Tiger Head is dead! Not only will Satellite City be mine, but you two of his women will be mine too!”

“Haha!”

Black Tiger laughed wildly, his eyes full of greed.

“As long as your lord likes it, both of our sisters will be yours from now on!”

The other woman was busy laughing.

“Can talk!”

Black Tiger laughed in triumph.

“But then again, this is a really fucking dangerous situation right now, that kid named Lin Ran doesn’t know what his origins are, he actually managed to kill Tiger Head, damn I hope he doesn’t come looking for himself!”

Black Tiger said with a frown.

“Don’t worry my lord, this is a foreign devil city, and with such heavy troops under your lord, that Lin Ran unless he doesn’t want to die, don’t you see so many ordinary people outside trying to come in for refuge!”

The demonic woman laughed, while twisting her waist from time to time, teasing Black Tiger to his heart’s content.

“Talkative! But neither of you two are sad that Tiger Head is dead?”

The black tiger suddenly asked with a smile.

“We’re sick of that stupid tiger, we’re sick of it, it’s obviously not good enough for us, but it has to take advantage of us. That stupid tiger is no match for you, Your Excellency!”

The woman laughed delicately.

“Hey, I like that!”

The black tiger had greed in his eyes and immediately swept the other woman into his arms as well.

“In order to let you see the majesty of this lord, we will go now!”

With that, Black Tiger directly picked both of them up by the waist and turned around, ready to go back to the bedroom.

“My lord hates it, it’s not even dark yet!”

The woman wriggled her waist and pretended to be shy, but the look made Black Tiger’s heart pound with desire.

“What’s dark or not, I don’t care! Haha!”

Black Tiger said, already picking up the two of them and turning around to leave.

However, just as he turned around, there was a cold flash in front of his eyes, and at once a long sword was already on his neck.

The sharp edge of the sword made him gag and stand still, not daring to move.

The other party had appeared in his room unnoticed, and if he could not see that the other party was too much stronger than himself, he would not be able to be where he was today.

“Ying Hero, spare your life!”

Black Tiger was busy speaking, while directly throwing the two women in his arms onto the ground.

“My lord spare my life! We just want to live!”

“My lord, please spare us two sisters, if you like, we can follow”

The two women immediately knelt on the ground and said.

“Get lost!”

Lin Ran indifferently glanced at the two, he had just seen the scene in his eyes, at this moment, he didn't even bother to look at these two people, he was afraid of dirtying his eyes.

“Yes Yes!”

The two men smiled at the words and turned and ran out of the room.

“Hero, you”

Black Tiger looked at Lin Ran with panic in his eyes, not knowing who the other party really wanted.

“Black Tiger is it!”

Lin Ran suddenly spoke.

“Yes Yes!”

Black Tiger busily replied.

“Tell me! Where is the teleportation array to the outside world that Tiger Head is in charge of!”

Lin Ran asked in a cold, bellowing voice.

“Huh?”

Black Tiger was stunned at his words.

“Speak!”

Lin Ran's eyes flashed coldly as his longsword had rubbed off a layer of skin from Black Tiger's neck, and blood seeped outwards.

“I say! I say!”

Black Tiger's face was as scared as dirt, Lin Ran's aura was so terrifying that he didn't even dare to have the slightest intention of resisting.

Black Tiger then trembled and stretched out his arm, pointing at the hillside behind the Western City and said.

"Hero, that teleportation formation is at right behind it on the hillside!"

"Hm?"

Lin Ran frowned slightly at his words and looked directly over, from such a distance he was able to see very clearly that there was simply nothing on top of the back mountain that was bare.

"Do you want to die?"

The icy coldness in Lin Ran's eyes intensified, scaring the black tiger into kneeling down with a "flutter".

"My lord, I dare not! I don't dare! The teleportation formation is really on the hillside behind us, but it's protected by a formation, so people who don't know about it can't even feel it if they're standing next to it!"

"If you dare to lie to me, you know the consequences!"

A cold aura flashed in Lin Ran's eyes as he picked up Black Tiger and whirled towards the hill behind the city.
