

Wonder Doctor

Chapter 1441

Song Nuan all froze at the sound of his words, and each one of them was busy looking at Elder Feng, and even the Southern City generals at the side were all excited at this point.

Lin Ran was coming back? That was the eternal pride of their Southern City.

“What do you mean? What do you mean the Blood Road is open and Lin Ran is coming back?”

At the back of the crowd, Long Yu’s brow furrowed slightly as he listened, and he was busy asking.
(Correction the head of the Long family is Long Yu, please forgive me for the mistake earlier)

“You’ll find out later!”

Fire Elder said with a frown.

Long Yu frowned and did not say a word, but his eyes burned ahead.

At this moment, the gazes of the people within the entire Heavenly City were locked on the sky above not far outside of Tiancheng.

At this time in that cracked crack, there was really this countless red light flickering, but the strange thing was that not a single trace could float out, as if it was blocked by something.

Wolf City, at this time, Yue Bei Shan was standing on top of the city walls, with a cold aura in his eyes.

“City Lord, the lord has sent a message to stay put and wait for orders!”

Suddenly a general at the back busily ran over and said respectfully.

“Understood!”

Yue Bei Shan said in a cold voice, at this moment his fists were clenched with ice cold in his eyes.

He had already gotten word of the foreign devil and knew that this was Lin Ran coming out, but at this moment he was unable to make a move.

“Three years! I’ve been cultivating in the Endless Blood Sea for three years, Lin Ran! Let you fool around for a while, when the Great War opens, I, Yue Beishan, will definitely kill you with my bare hands!”

The sharpness danced in Yue Bei Shan’s eyes, and his entire body’s aura was bitterly cold.

.....

In Tiancheng, Song Nuan looked at the crack in the sky,? s heart was very worried.

That crack was not an ordinary existence at first glance, it might be dangerous, and she was busy turning her head to look at Elder Feng.

“Elder Feng, what is the Blood Road?”

Elder Feng was stunned for a moment, and then said.

“This crack is the Blood Road!”

“I’ve never heard of a blood path before!”

Lingsha, who was on the side, asked with a frown.

Wind Elder smiled at this but laughed.

“It’s normal that none of you here except the three of us have ever heard of it, there’s a reason why we didn’t tell you before! Now I can tell you all!”

Elder Feng said and then looked at the crack in the sky ahead before saying.

“The so-called Blood Road is actually a path that the ancestors broke out a long time ago, a path that leads precisely to the Fey Demon Domain!”

“Back then, the ancestors used their lives to break out this blood road so that our Mystic Alliance could kill into the Fey Devil Domain and fight the Fey Devils hiding inside!”

“It’s a pity that both sides suffered heavy losses in the end of the battle and had no choice but to seal the foreign devil in the foreign devil domain.

“And this blood road, later also by the ancestors to block up, whether from our side, or the other side of the foreign devil domain are sealed, want to break through this blood road is very difficult!”

“Elder Feng!”

Song Nuan on the side heard his heart worryingly busy asking.

“How sure can Lin Ran be of breaking out of the Blood Road?”

“I don’t know!”

Elder Feng shook his head.

“This Blood Road has a total of two layers of barriers, and now that the Blood Road has opened, it means that the layer close to the Fey Demon Domain has been opened!”

“Now only the layer close to our side remains!”

“But that’s not the most important thing, the most important thing is that in the middle of these two layers of barriers, this section of the path is the most difficult!”

Elder Feng said with a wave of his palm, and immediately a green grieving spirit, and a skeleton emerged in front of him.

“What’s this?”

Seeing these two things, Ling Sa and Song Nuan’s crowd were stunned, with this worry in their eyes.

“Ai!”

Elder Feng sighed, and then said.

“These two things were created by the ancestors back then when they were treading the Blood Road and too many people died fighting with their enemies.”

“The strength of such things is not strong, but!”

“But what?”

Ling Sa sniffed and asked busily, and Song Nuan and the others’ hearts couldn’t help but seize up.

“But there are too many of these things, and they were all sealed in two barriers back then, sort of to separate this blood path! No matter which side it is, if it wants to attack the other side from the Blood Road, it has to clear these things out, otherwise it will be hard to get out!”

Elder Feng said.

“Then wouldn’t Lin Ran have to be alone!”

Ling Sa didn’t say anything further, but her eyes were already red.

A bloody path that would make both the Mystic Alliance and the Fey Demons not want to break through it hard, but now Lin Ran was actually inside.

Whether he could come out of it alive under such circumstances was indeed a question.

The crowd outside was worried, while at this moment, in the middle of the Blood Road, Lin Ran’s entire body was frozen in place.

He had just entered within the ripples and was stunned by the scene he saw before him.

All he could see ahead of him were countless thunder clouds, with lightning tumbling within them.

In the midst of these thunder clouds and lightning, there were countless skeletons stacked on top of each other, and countless spirits floating in mid-air.

The originally spacious thunderclouds were so densely packed with these two types of things that it was impossible to even make a detour.

In the midst of the thunderclouds, a red? s bloody path was leading straight ahead.

Lin Ran could even clearly see that in front of this blood path, there was even this layer of barrier faintly.

“I don’t care anymore, I’ve come this far, I must break out!”

Lin Ran gritted his teeth, a sharp look in his eyes, followed by his entire body fiercely, his hand trembling with the Frost Condensing Sword, holding it directly towards the blood path and rushing in.

“Rumble!”

Almost at the moment Lin Ran rushed forward.

The skeletons and countless flying spirits that were stacked on top of each other all seemed to be activated and all surged towards Lin Ran.

The countless white skeletons and countless grievous spirits seemed to form a white torrent and a green torrent sweeping straight towards Lin Ran.

“Roll!”

Lin Ran fiercely waved his Condensing Frost Sword in his hand, and at once, several to seven-coloured sword rays opened up, heading straight for the white torrent in front of him.

“Bang, bang, bang!”

Explosions rang out one after another, and the white torrent of skeletons was instantly split into several cracks.

But what shocked Lin Ran was that his own sword hadn't even managed to completely split the torrent.

As he looked at it, there must have been at least tens of millions of skeletons shattered by this sword.

But in front of such a huge white torrent, this sword was like a mud bull entering the sea, not turning up much of a storm at all.

“Roll!”

Lin Ran roared, and his terrifying divine sense instantly spread out, charging straight at the torrent of grievous spirits in front of him.

However, the effect was actually not much different from the previous sword.

The green torrent only gave a lurch before it surged towards Lin Ran once more.

“How many of them must there be!”

Lin Ran couldn't help but feel a chill in his heart at this moment.

He was strong enough to be in the middle stage of the God Creation Realm, but when faced with an enemy that was simply endless, he was also a little panicked.

The way out was right in front of him, and it was up to him whether he could get out or not.

But at this moment, Lin Ran could not see any hope at all.

This was the way out, but it was also a path of life and death. If he didn't, he would die!

“I want to live! Live!”

Lin Ran's eyes flushed red, and at this moment his whole body's aura soared, as if he were a meteor, he charged straight ahead towards the two torrents.

The next moment his figure was submerged in the two torrents.

Chapter 1442

Outside, the crowd was worried, but at this moment, for Lin Ran, there was only one choice in front of him: to rush out was to live, and if he didn't, he would become one of them.

“Bang, bang, bang!”

The Frost Condensation Sword in Lin Ran's hand kept swinging, shaking and pushing those skeletons that were trying to surround him from all directions in the west.

At the same time, his divine sense swept around incessantly, shattering the grieving spirits.

However, in the face of two enemies that were like a tidal wave, this was undoubtedly a drop in the bucket.

In fact, at this moment, Lin Ran was already surrounded.

It was as if he was in a prison, surrounded by skeletons and grievances. He couldn't see outside at all, either white skeletons or those green grieving spirits were in his eyes.

"Condense!"

The Condensing Frost Sword in Lin Ran's hand suddenly shook, and instantly the large area of skeletons and grievances behind himself was frozen directly.

The frozen grievances and skeletons seemed like a wall that completely blocked off the back.

At this moment, Lin Ran did not dare to delay, and hurriedly rushed towards the front to kill them.

But just as he rushed out a short distance, the ice behind him instantly shattered, and more skeletons and causes caught up with him once more.

"Condense it for me again!"

Lin Ran lashed out with his sword, splitting back the skeletons in front of him, and then busily turned around to freeze the ones behind and around him once more.

Following this, he continued to charge forward.

As he kept going back and forth like this, Lin Ran didn't even know how long he had lasted, he only knew that the true qi in his body was decreasing sharply.

In this blood path, true qi was pitifully low, and even though Lin Ran was very strong now, this true qi was a drop in the bucket for him.

For a time, Lin Ran even suspected that the true qi in this blood path should have drifted in when he had broken the seal earlier!

And within this blood path? It was likely that there was no true qi before.

"Bang bang bang!"

The struggle continued, and Lin Ran could no longer remember exactly how long he had lasted.

His body had all started to go a little numb.

Constantly attacking, constantly rushing, knowing that the true qi in his body had now gone down by a large margin, he could only judge how long he had actually lasted by the consumption of true qi in his body.

One day, three days, five days, half a month!

Outside, Ling Sa and the others stood on the city wall with despair in their eyes.

They knew very well that there were many dangers within this Blood Road, and the more time they consumed, the slimmer the hope that Lin Ran would come out alive.

To this day, Lin Ran had been fighting and killing on the Blood Road for a whole month since it had opened.

It had been a difficult month.

There were even several times when Lin Ran and Song Nuan and the others couldn't help but want to rush over.

Even if they just took a look from afar, their hearts would feel better.

After being apart for what would be as soon as four years, their miss for Lin Ran had never been as strong as it was today.

After a month of fighting and killing, at this time within the Blood Road, Lin Ran's entire body was already close to running out of oil.

There was no more true qi within the Blood Road for him to absorb, and his own true qi had almost reached its limit.

Looking ahead at the still endless torrent of white, Lin Ran's entire heart was almost cold at this point.

"I never thought that I, Lin Ran, would end up dying here!"

Lin Ran laughed bitterly.

Looking at the white torrent that was once again surging ahead, there was despair in Lin Ran's eyes.

"Even if I'm going to die, I'm going to drag a few people with me!"

Lin Ran's eyes chilled as the Condensing Frost Sword in his hand slashed out once more.

"Bang, bang, bang!"

As the seven-coloured sword aura passed by, countless skeletons popped into pieces and were cut into pieces.

But at the same time, the power of the seven-coloured sword mane itself was also being rapidly weakened.

I'm afraid that in a few seconds, the seven-coloured sword mane would disappear completely as its power was depleted.

By that time, Lin Ran would no longer have the strength to continue on.

"Bang!"

Suddenly, just as Lin Ran was getting a little desperate.

The seven-coloured sword mane, which had little power left, suddenly popped and shattered.

Seeing this scene, Lin Ran's heart couldn't help but sink a few more points.

Even if the last sword mane could have killed a few more skeletons, it would have been better.

Seeing that at this moment, the seven-coloured sword mane was popping up out of thin air.

"It's over!"

Lin Ran had a frankness in his eyes, as things had come to the bottom of the road, he had a sense of frustration instead.

It was as if the heavy burden he was carrying could finally be lifted.

"Hm?"

Suddenly, Lin Ran's entire body shook as he realised that there was actually no longer a white torrent ahead.

There wasn't even a green torrent of grievances anymore.

Instead, what appeared in front of him at this moment was a layer of white ripples.

He knew this ripple all too well, it was the very same barrier that had been at the very beginning of the Blood Road.

But at this moment, this barrier had actually appeared in front of his own eyes again.

"Could it be that he had raced around a corner and returned to the place where he started?"

"Impossible!"

Lin Ran quickly dismissed his thoughts.

Although he was surrounded by white skeletons and grievous spirits, he wasn't so bad as to even get his direction confused.

He was definitely rushing all the way towards the front himself, and it was impossible for Jue Thou to take a detour.

However, at that moment, the barrier really appeared in front of him.

"Could it be that I've reached the end?"

This one Lin Ran had excitement in his heart.

He was busy rushing forward to check it out.

At this glance at once his entire being became excited.

Although the two sealing ripples were very similar, they were absolutely different, and he could tell that this layer was not at all the one he had encountered when he had entered.

"This is the exit! This must be the exit!"

Lin Ran was so excited that he quickly drew out his Frost Condensation Sword and slashed towards the ripples.

However, the next moment, there was a “bang” sound, and immediately Lin Ran’s entire body and the Frost Condensation Sword flew backwards towards the back.

“This!”

Lin Ran was frozen in his tracks.

“I knew it!”

In the next moment, Lin Ran was suddenly dumbfounded.

How had he split the ripples so easily in the endless sea of blood before.

At this moment, however, when faced with this seal at the exit, it was unable to leave even a single trace.

At this moment, Lin Ran finally understood.

“Fey devil! Good calculation!”

Lin Ran turned his head to look behind him, with an icy coldness in his eyes.

If the foreign devil hadn’t secretly helped him in the Sea of Blood space earlier, how could he have split the seal so easily?

At this moment, being here alone, Lin Ran was unable to break the seal with his own strength, and all that awaited him was death.

Lin Ran turned around and looked behind him.

The white wave of skeletons and the green wave of grievances behind him had swept over again.

But now he didn’t even have the strength to fight back.

He had never expected that the end of this bloody path would be the path of death, of despair!

“Come on!”

Suddenly, Lin Ran’s eyes chilled as he turned his head towards his Frost Condensation Sword and slashed directly at the skeleton that had already flung itself at him.

“Bang!”

The skeletons instantly shattered, although he didn’t have true qi but with the strength of his own flesh, Lin Ran was still able to kill these skeletons easily.

But there were too many skeletons.

Soon his entire front was completely filled with skeletons.

His divine sense was not too bad, he could shatter the spirits, but there were too many skeletons.

Soon wounds began to appear on Lin Ran's body, and blood stained the seals behind him.

Chapter 1443

Outside, Song Nuan and the others were still staring nervously at the rift in the sky above.

A full three days had passed.

Suddenly.

"Look, you guys!"

I don't know who shouted, following which the crowd all hurriedly turned their heads to look.

The next moment the crowd froze.

They only saw that the Destiny Lamp that had been placed on top of the high platform, Lin Ran's, actually shook violently at this moment.

The flames of fire above the Destiny Lamp were even swinging back and forth, and although the fire hadn't weakened much, it was unusually unstable at this moment.

"Look at the seal!"

Followed by another shout from no one.

The next moment everyone could clearly see.

On top of the seal, a large blood stain had actually appeared.

The blood was clearly inside, staining a large portion of the seal red, and the crowd below was shocked to see it.

"Lin Ran it's Lin Ran it must be him in there!"

Song Nuan said busily.

"Rub it in!"

Lin Ran had already drawn the longsword and was about to dash towards the sky.

"Don't go!"

Elder Feng saw this and was busy stopping Ling Sa.

"Why!"

Ling Sa turned her head to look at Elder Feng.

"It's useless, the seal is simply not something we can shake!"

"Then who can shake it!"

Song Nuan also stepped forward at this point, looking like Elder Feng.

"At least the three of us will have to do something!"

Elder Feng turned his head and looked at Elder Fire and Elder Li.

However, Elder Fire and Elder Li were frowning, not having the slightest intention to make a move.

“Why don’t you make a move!”

Ling Sa questioned.

“It’s not that they don’t make a move! Rather, it’s that they can’t make a move!”

Elder Fire said with a tight frown.

“Can’t make a move? How much credit has Lin Ran done for your Mystic Alliance!”

Ling Sa questioned, following which she took out a token, which was none other than the Battle Ranking token!

“Weng!”

A strand of true qi was poured in, and instantly a curtain of light appeared in front of the crowd.

“Take a look for yourself! Who is the first place Breaking Heaven! And look at the second place!”

Ling Sa said angrily.

Elder Fire was also silent at this point.

In the past few years, Lin Ran had fought and killed like crazy in the Fey Demon Domain, and his Battle Ranking Order ranking had long since surged to first place, even pulling in several million points from the second place!

This one incident had once caused quite a stir.

But then, with the news of Lin Ran’s death, it gradually faded into oblivion.

Only then did the crowd remember this incident when Lin Ran brought it up again.

“I know Lin Ran contributed the most! But we don’t have a reason why we can’t open it!

Li Lao suddenly stood out and said.

“The three of us are simply not strong enough to fully control the seal, and if we insist on striking out on him, then we will have to break it open!”

“But do you know what the consequences of that are?”

“The consequence is that the skeletons and grievances within the seal will all rush out and storm into the Skywolf Domain, and then the whole Skywolf Domain will become their territory! It will even threaten the world of ordinary people!”

Fire Elder said in a cold voice.

“So, it’s not that we don’t want to make a move, but that we can’t!”

“Did Lin Ran just die for nothing!”

Ling Sa looked at the crowd with despair in her eyes.

“How much did he give for the Mysterious Alliance?”

“Ask the generals of South City, or even the entire Skywolf Domain, can they endure it?”

Ling Sa looked down to the crowd below and questioned.

“Save Commander Lin!”

“Save Commander Lin!”

The crowd below shouted in unison.

Many of them had followed Lin Ran in the past, and those who had come later had heard of his deeds and admired him without fail.

But at this moment, they could only watch as their commander was trapped within the seal, even as blood stained the seal, but there was nothing they could do about it.

“Stop it!”

Suddenly, a scolding voice came over.

The crowd looked and it was surprisingly Long Yu.

“The Mysterious Alliance belongs to the entire alliance, not to him, Lin Ran alone!”

Long Yu looked at Ling Sa and the crowd below him and chided.

“What do you mean!”

Ling Sa looked at Long Yu with anger in her eyes.

“What do you mean? My meaning is simple, Lin Ran cannot be saved!”

Long Yu said icily.

“You seek death!”

Ling Sa was instantly enraged.

However, Wind Elder was busy stopping her and said.

“You must not kill each other!”

“Hmph! Getting angry?”

Long Yu laughed at this, following which he looked to the crowd and spoke.

“She is angry! I’m still angry! Aren’t you all angry?”

“Think about it yourselves, Lin Ran has been in the Other Demon Domain for almost four years, what is that place? That’s the Fey Demon Domain! It’s not the Skywolf Domain!”

“How could Lin Ran break out of the hands of the Fey Demons? Just ask the three elders can you?”

Long Yu looked at the three elders, and at once all three for elders fell silent.

“See, even the elders don’t have the confidence, what makes him a Lin Ran? Who can tell me on what basis?”

Long Yu swept his gaze over the silent crowd, secretly having a cold smile.

“I now even suspect that whether or not his Lin Ran coming out this time was deliberately arranged by the Other Demon, he Lin Ran is probably already a member of the Other Demon!”

“You’re nonsense!”

Lin Ran’s eyes were red.

Song Nuan even gritted her teeth as she listened.

“Long Yu! Don’t bullshit where you are, Lin Ran rebelling? Even if all of your Long family defected, he wouldn’t be able to do so!”

“Long Yu! Do you really think we have no one in the Chao Heavenly Pavilion!”

The Grand Elder and the other elders all stood out at once, their faces all icy cold.

“Hehe! You guys aren’t happy when I say that about Lin Ran? Fine! Show that he has no reason to mutiny!”

Long Yu sneered.

“What? You can’t take it out!”

“Long Yu I’ll kill you!”

Ling Sa stormed out in anger, yet at that moment, Wind Elder spoke up.

“That’s enough! Whether Lin Ran is a traitor or not will naturally be investigated when he comes out, there’s no need for you to spout off here!”

“That’s right!”

Long Yu laughed.

“Who doesn’t know that you, Elder Feng, are on good terms with Lin Ran, but who made you an elder, since you’ve spoken, I won’t say anything!”

“However, I believe the other two elders should know very well whether they should make a move or not!”

With that, Long Yu retreated back, a cold smile in his eyes .

“Surnamed Long! You wait for me!”

There was ice coldness in Ling Sa’s eyes, her hands clenched into fists, her nails were embedded deep into her flesh.

“I’ll wait!”

Long Yu sneered, ? There was smugness in his eyes.

In his opinion, Elder Fire and Elder Li would definitely not make a move, and even if Elder Feng was in how, without the help of these two, it would be difficult for him to become a success on his own.

Moreover, now that the Mysterious Alliance was cooperating with their Long Family, this matter was really considering their Long Family's intention.

"Good! Good! I, Ling Sa, have really seen clearly!"

There was despair in Ling Sa's eyes, and tears flowed down her cheeks.

"The so-called alliance, it turns out, is just an alliance of the three of you, an alliance of the Dragon Family! It can be!"

"I, Ling Sa, from today onwards, am no longer the commander of this Southern City, whoever likes to do it, I'm not fucking around!"

Ling Sa said and turned around and jumped off the city wall, her entire body's aura skyrocketed towards the crack in the sky and she rushed over.

"Chase him back!"

Long Yu saw this and chided.

However, just as his words came to mind, an icy voice suddenly followed.

"I'll see who the fuck dares to move!"

As the words fell, Leng Zhan carried a large sword in his hand and stood directly in front of Long Yu, while Old Cat Li Sheng and the others even surrounded Long Yu and the dozen people he had brought with him.

Each had coldness in their eyes.

Chapter 1444

Long Yu had come with Elder Fire and the others, and had only brought a dozen people with him.

But at this time, it was in the Skywolf Domain, and there were still nearly 10,000 troops stationed in just one Southern City, so provoking the people of the Southern City here was obviously impossible.

"Long Yu! Do you really think this is your Dragon Family? This is fucking South City!"

"Who are you scaring?"

Leng Xuan looked at Long Yu with a moroseness in his eyes.

"Try it if you don't believe me, I won't be fucking Leng Zhan if I don't kill all your people later!"

"And us!"

Old Cat and Ah Zhan also spoke up.

"And me!"

Li Sheng also spoke up.

“And us!”

Fire One Sword Li Mu Di and a group of generals from South City all spoke up.

“You can organise the two elders to save the people, we can’t care! Nor do we want to care! But in South City, try touching Ling Sa!”

Leng Xuan’s face twitched with an unusually fierce look.

“You!”

Long Yu was so angry that his face turned blue.

“Fire Elder, you just don’t turn off!”

Long Yu turned his head to look at Fire Elder.

“He is your Fire Elder, but he is still my grandfather!”

Fire Yijian spoke up and chided.

“Do you think you are close to him or me!”

Fire One Sword questioned.

“You!”

Long Yu was instantly left speechless by the top.

“Fine! Good! I want to see how you can save him! Don’t save a corpse by then!”

Long Yu sneered.

“Don’t worry! If Lin Ran dies, I, Leng Zhan, will play with you for the rest of my life!”

There was a cold aura in Leng Zhan’s eyes.

“I’m not a commander, I’m not a hero, I’m a poisonous snake, and there are many, many people in your Dragon Family! I will bite them all to death one by one!”

“You seek death!”

Long Yu was also enraged at once.

“That’s enough!”

Fire Elder finally couldn’t look at this anymore and opened his mouth to scold.

“This is South City, it’s not your turn to dictate!”

Fire Elder scolded at Long Yu, hearing Long Yu’s face look unusually gloomy.

“Besides! In order to keep the overall situation in mind, we won’t make a move either! Whether Lin Ran lives or dies, it’s all up to him!”

Elder Fire said in a cold voice.

Leng Zhan and the others gave Fire Elder an icy glance at his words, and none of them spoke.

There was only so much they could do at this point, forcing Fire Elder to make a move was something they simply couldn't do.

"Humph!"

Leng Zhan coldly snorted, not speaking as he turned his head and also jumped down the city wall after him.

"Go!"

Old Cat and Ah Zhan also followed.

The rest of the generals also followed.

Li Sheng Huo Yi Jian and Li Mu Di, after looking at the three elders at the back, finally gritted their teeth and followed too.

"We'll go too!"

Song Nuan spoke up.

"Good!"

Without hesitation, the Eldest Elder led the four women to jump off the city wall as well.

Although Song Nuan and the girls were not cultivators, they had the Chao Heavenly Pavilion behind them, so no one dared to do anything to them.

Although the Chao Heavenly Pavilion no longer cared about the affairs of the Mysterious Alliance, no one would doubt the strength of the Chao Heavenly Pavilion, which was after all the strength that had been passed down with the Mysterious Alliance until today.

Many people had come under the rift.

But many more could not get up there at all.

Ling Sa was alone as she rushed up into the mid-air and charged straight in towards the crack.

Song Nuan and the others below looked very worried, as there was lightning within the crack, so it was clear that it was not a good place to be.

They were eager to go up, but they knew they could not be so selfish as to let the Grand Elder and the others accompany them to take the risk.

As for Leng Zhan and the others, they could not go up there at all because of their strength.

Fire One Sword and Li Mu Di would naturally not go up at this time, one Ling Sa was enough.

However, ? Ling Sa had just rushed inside the rift not long before she was blocked by the layer of seal.

She looked at the bright red blood stains on the seal, and her entire body went straight down to the ground.

“Lin Ran!”

She hissed to, but her voice was simply getting through.

There was absolute in her eyes.

.....

Within the seal, the Frost Condensation Sword in Lin Ran’s hand had already been put away by him.

He didn’t even have a bit of strength left from the battle so far.

The entire person was even sitting paralyzed on the ground, leaning his back against the sealing ban behind him, allowing those skeletons to keep squeezing him, as if they wanted to burst him all to pieces.

“Bang!”

“Bang!”

“Bang!”

Suddenly, in despair, Lin Ran heard a series of knocking sounds.

He used all his strength to prop himself up and rolled over with his face firmly pressed against the seal.

It wasn’t that he wanted to stick, but the countless skeletons behind him were all pressing down on him, making it impossible for him to move at all.

“Bang Bang!”

The knocking sound rang out again.

Lin Ran struggled to open his eyelids, and he could no longer feel the pain from the wound on his face.

He opened his eyes a crack and instantly he saw it.

The seal that had been stained red with blood was actually revealing images of the outside world.

He saw it!

He saw that Ling Sa was sitting paralyzed outside, smashing her hand against the seal in despair.

He could see the despair in Ling Sa’s eyes, and the tears of despair.

Nearly four years! Was that how Ling Sa had survived?

Looking at the armour on Ling Sa’s body, and the body that had lost a full circle of weight, Lin Ran’s eyes were filled with tears and self-blame.

“I’m sorry!”

Lin Ran said softly.

Tears flowed down his cheeks.

“I can’t get out! I’m sorry!”

Lin Ran whispered softly, yet it was the maximum strength he had.

Lin Ran’s eyes were on the verge of just not being able to hold on.

Suddenly, with a “poof”, a skeleton turned Lin Ran’s entire arm into a gaping hole.

His clothes were torn and blood instantly gushed out, staining his entire arm.

Just at the moment when Lin Ran was about to run out of oil.

Suddenly.

“Weng!”

A tremor rang out violently, and the next moment Lin Ran saw a flash of white light before his eyes.

A ball of white light appeared out of thin air, and at this moment, within the white ball of light, there was a triangular snake writhing its body.

It looked at Lin Ran blankly, as if it didn’t know how its master had gotten itself into such a state.

As Lin Ran looked at it at this moment, a hint of desire to live suddenly rose in his eyes.

He looked at the triangular electric snake and slowly spoke.

“Help Help me!”

He then moved his eyes and looked at the seal.

The triangular electric snake seemed to have read Lin Ran’s meaning and actually nodded as well.

In the next moment, Lin Ran only felt a flash of white light before his eyes.

The entire person felt a lightness in his body, as if he had lost his weight, and the next moment Lin Ran’s entire person directly passed out.

“Weng!”

The coma was only for a moment, followed by a buzzing sound that directly woke Lin Ran up from his coma.

He felt that something was frantically drilling into his body.

He was busy opening his eyes to see.

It was the dantian!

At this moment, the little golden man within his dantian was sitting on his knees, frantically devouring all the true qi coming from his surroundings.

He was recovering rapidly, and the speed of his recovery was simply staggering.

“True Qi! True Qi! I’m coming out!”

With excitement in his eyes, Lin Ran snapped open his eyes, and instantly he saw that a figure was rushing towards him in the distance, if it wasn’t Ling Sa or someone else.

“Ling Sa!”

There were tears in Lin Ran’s eyes, and he busily stood up and ran towards Ling Sa.

The two of them hugged each other tightly.

Ling Sa’s tears couldn’t stop flowing out.

“Fool! Don’t cry, my heart hurts!”

Lin Ran hugged Ling Sa tightly, and only at this moment did he realise how blissful it was to be with the person he loved.

Chapter 1445

The two wrapped up for a long time, as if they were trying to make up for all those years.

“All right! I can’t be too selfish, Song Nuan and the girls are down there too!”

Lindsay said.

“They’re here so too?”

Lin Ran frowned slightly at his words.

This Skywolf Domain was so dangerous, so how come they had come too.

“It’s a long story, a lot of things have happened out there in the past few years, I’ll tell you about it slowly later, let’s go down first!”

Ling Sa said.

“Mhmm!”

Lin Ran nodded, and then he and Ling Sa rushed down the thunder cloud rift together.

The golden little man inside his body was constantly absorbing the true qi from the outside world, and Lin Ran’s strength had now recovered somewhat, but it was still less than a tenth of what it had been at its full strength.

“Look!”

Someone from below suddenly looked and shouted.

Almost at the same time, the crowd saw Lin Lin rushing out, and beside him and followed by someone else, who else but Lin Ran.

“Lin Ran!”

When they saw Lin Ran, all four of Song Nuan's women cried with joy, each covering their mouths with tears that couldn't be stopped.

"Don't cry!"

Soon, Lin Ran landed in front of them, and the four swarmed over him, wrapping him in three layers.

"Ahem! All of you, turn around!"

Leng Zhan suddenly spoke up and shouted.

"Yes!"

The group of people were very cooperative and all turned around.

"Alright, so many people you!"

This caused Lin Ran to be a little embarrassed.

"What are you afraid of, we're not even afraid!"

Song Nuan said without good humour.

"That's right! You're going away for four years at a time, you're going to die!"

Qin Bing couldn't help but give Lin Ran a squeeze on his waist.

"Alright, alright! Look who he is, you guys!"

Lin Ran was busy laughing, while waving his palm, and instantly another large group of people appeared beside him.

It was none other than Wang Yifei, Zhao Yu Yu Wan and the others.

"Long Ya?"

Following that, Lin Ran also saw Long Ya.

"Are you alright!"

Long Ya also had worry in her eyes when she saw Lin Ran.

"I'm fine, when did you wake up?"

Previously, when Lin Ran was in the Prison Mountain Desolate Swamp, Long Ya hadn't awakened yet, but she didn't want to think that she had actually woken up now.

"I woke up when you were unconscious in the Sea of Blood!"

Long Ya said.

"Mm!"

Lin Ran nodded, seeing that Long Ya was fine he was relieved.

"Sisters-in-law! I, Wang Yifeng, have missed you all! I want a hug too!"

When he saw Song Nuan and the others, Wang Yifeng immediately pounced on them with a cheeky smile.

“Get out of the way!”

Before the four women could say anything, a voice suddenly rang out directly, followed by Wang Yifei’s entire body being instantly kicked away.

“Shit! Rangzi, where the fuck did you find this iron guy, how can’t you beat it!”

Wang Yifeng said, who else could he be but Yu Chang.

After more than four years, they were finally reunited again, and all of them were in a very good mood.

Lin Ran then even saw Old Cat Leng Xuan and Ah Zhan, as well as Li Sheng Li Mu Di and Fire One Sword and others.

“Thank you all for coming to pick me up, we’ll take our time to reunite in the future!”

Lin Ran laughed, and the crowd nodded their heads.

They all knew very well in their hearts that although Lin Ran had returned safely, there was still a hurdle before him, and that was the three elders who were still in Heavenly City and Long Yu who was eyeing the tiger.

“Go! Back to Heavenly City!”

Lin Ran glanced at the distant Heavenly City and shouted after him.

The group of people marched towards the Heavenly City in great numbers.

“You have to be careful of Long Yue and Old Fire and Old Li later, the Mysterious Alliance isn’t the same as it was before these past few years when you weren’t around!”

Ling Sa kept reminding Lin Ran on the way.

Listening to Lin Ran, however, he frowned slightly.

“Don’t worry, I will understand clearly before making a decision!”

Lin Ran said.

Indeed he had been away for too long, there were many things he didn’t know, so it was imperative that he first find a place to properly understand what had happened outside for so many years.

A few moments later, Lin Ran and the others had arrived outside of Heavenly City.

And at that moment a figure also jumped straight down from the city wall, and it was clearly Elder Feng.

“Lin Ran! You!”

Seeing Lin Ran, there was excitement in Elder Feng’s eyes.

“Elder Feng! Don’t come back unharmed!”

Lin Ran said with an arching hand and a smile.

“Haha! It’s good that you’re back alive, let’s go! Back to the Heavenly City!”

Elder Feng was very happy and smiled as he welcomed Lin Ran into the Heavenly City.

However,? Just as the crowd entered the city, a voice rang out.

“Lin Ran stand still!”

Lin Ran and the others turned their heads to look, and the one who spoke was clearly none other than Long Yu.

“Hm?”

Seeing Long Yu, Lin Ran couldn’t help but frown slightly as well.

On the way, he had already heard from Ling Sa that the current Mysterious Alliance was allied with the Dragon Family, and instead, the Chao Heavenly Pavilion had been kicked out.

This had already made him suspicious in his mind, and he didn’t expect to see Long Yu as soon as he entered the city now.

“Lin Ran! You say! Are you a spy sent by the foreign devil!”

Long Yu was not polite and opened the door directly.

“How dare you!”

Elder Feng’s face was icy cold at his words.

“Lin Ran just broke out from the Blood Road, this is not the time to discuss this, let him go back and rest first!”

Lin Ran frowned slightly at his words, Long Yu suspected that he had calculated as well, and this comment from Elder Feng was obviously somewhat suspicious as well, which made his heart chill a little.

“That won’t do! In case he is really a spy of the foreign devil, won’t we be in trouble!”

Long Yu said in a cold voice.

“Hmph!”

Yu Chang, who was sitting on the side, smiled and was about to make a move, but was indeed stopped by Lin Ran.

“Is this what you guys mean?”

Lin Ran turned his head to look at Elder Fire and Elder Li on the city wall and asked indifferently.

Both of them did not speak.

“Hehe!”

Lin Ran laughed.

“An Elder of the Mysterious Alliance, and you have so little confidence in yourself? Is it? Are you guys so anxious to know if I, Lin Ran, am a spy of the foreign devil? Is it possible that you don’t even give time to rest?”

“You go back and rest first!”

Old Fire frowned slightly and spoke a moment later.

Elder Li didn’t say anything either.

“Rest! It’s natural to rest!”

Lin Ran suddenly laughed while raising his head to look at Long Yu.

“But I, Lin Ran, am not just some kind of hairy dog that can come and slander!”

Said Lin Ran as he patted Yu Chang on the shoulder and said blandly.

“Ruin an arm!”

“Yes!”

Yu Chang was instantly delighted at his words, and immediately charged straight at Long Yu.

As soon as he did so, the aura around his body filled the air, and the aura of a half-step God Creation Realm directly scared the heavy people around him to the point of pale.

Even Elder Fire, Elder Wind, and Elder Li’s faces changed.

“Half-step God Creation Realm!”

The three people’s faces changed greatly, and Elder Fire even took an arrow step towards Yu Chang to meet him.

However, Yu Chang was one step ahead of them and had already reached Long Yu’s side, and immediately roared, “Get lost.

The men beside Long Yu didn’t even react and flew out directly.

Yu Chang then raised his palm and threw a punch directly at Long Yu’s arm.

“Ka-chow.”

With a crunching sound, Long Yu’s entire body was like a kite with a broken string, flying backwards towards the back, spilling blood all over the ground.

“How dare you!”

Fire Elder also arrived at this moment, but was one step behind and punched towards Yu Chang.

Yu Chang’s face sank, and he also met it with a punch.

“Bang!”

The two fists collided, and at once Yu Chang directly fell back dozens of steps, while Fire Elder also fell back two steps.

He looked at Yu Chang, his eyes filled with shock.

“A half-step God Creation Realm puppet! Who are you!”

“Who am I? You deserve to know?”

Yu Chang snorted coldly, not trying to be brave, he knew very well that his opponent was stronger than himself, and instantly returned to Lin Ran’s side.

“Lin Ran!”

Fire Elder turned his head to look at Lin Ran, his face was ugly ah.

Lin Ran, however, smiled blandly and said.

“I’ll tell you who he is, but for now, no one should bother me for a rest, or I won’t be polite!”

After saying that, Lin Ran led the crowd straight back to the Southern City.

Chapter 1446

“Hmph!”

Long Yu climbed up from the ground to wipe the blood from the corner of his mouth, and there was ice coldness in his eyes.

Fire Elder Li Elder and also Wind Elder all frowned at Lin Ran and the others without speaking.

“I’ll go and talk to him!”

After a few moments, Elder Feng spoke up and then walked towards South City.

This puppet that had suddenly appeared beside Lin Ran was too strong.

Not only were the three elders a little scandalized, but Long Yu at the side was even more excessively scandalized in his heart.

Are you kidding me? A half-step God Creation realm puppet was simply impossible for their Long Family to deal with even if they all went out.

And it was only at this moment that Long Yu truly felt the somewhat large amount of trouble that Lin Ran’s return this time had brought to their Long Family.

“No matter what! We can’t let this brat go, or else where will my Long Family ever come out!”

Long Yu mulled over in his mind.

And a few moments later, in the southern city of the Skywolf Domain.

Lin Ran was sitting cross-legged on a futon, next to Song Nuan and Ling Sa, and a group of elders from the Chao Heavenly Pavilion were standing by.

At this moment, Ling Sa and Song Nuan were talking to Lin Ran about the changes in the outside world over the past few years.

This was a full two hours of narration.

As he listened, Lin Ran's fists were clenched and his heart was both moved and angry.

What moved him was naturally the unfailing love of the four women and others for so many years, and the affection of Linza for waiting for him in this Heavenly Wolf Domain.

And what was angry was what the Mysterious Alliance had done.

"That's about how things will be, what are you going to do next?"

Song Nuan asked, looking at Lin Ran.

The people who had plotted to force Lin Ran into the Fey Demon Realm back then, they had already investigated very clearly, and apart from Long Yu, the family head, the most prominent one was the Third Elder.

As for Long Mo, Long Ji Tian and the others,? Yet they were already dead there was nothing left to pursue.

"There's no rush!"

Lin Ran slowly raised his head and looked ahead.

"Since I've come out safely now, those accounts that should be settled will naturally be cleared one by one, and those who have secretly dealt with me will naturally be cleared one by one!"

Lin Ran said indifferently.

"Pavilion Master, if you want a word from you, our Chao Heavenly Pavilion can make a strong comeback at any time!"

The Grand Elder on the side was also busy saying.

The people of the Chao Heavenly Pavilion had been suffocating for so many years, and now that they had finally waited for Lin Ran to come out, they were all holding their breath and wanted to vent their anger.

"There is no rush in this matter for now, revenge has to wait until we leave the Skywolf Domain, and the most important thing right now is how we can leave the Skywolf Domain!"

Lin Ran spoke.

"What do you mean? This Skywolf Domain still won't let us go!"

On the side, Wang Yifeng's face turned blue with anger as he listened.

"It's hard to say, the Dragon Family is now working with the Mysterious Alliance, which naturally isn't good for our situation, but exactly which step it will evolve into will depend on what the Mysterious Alliance chooses to do!"

Lin Ran said.

“Fuck him, how long did we fight for the Skywolf Domain in the first place, and now we’re the ones being suspected, this bullshit Mysterious Alliance, I’m not coming back even after the fat master goes out in the motherfucker!”

Wang Yifeng said angrily.

Lin Ran smiled helplessly at his words and turned his head to look at Long Ya at the side.

“Do you want to avoid it later?”

“No need!”

Long Ya smiled and refused outright, shaking her head.

“Long Yu is Long Yu, I am me! And I trust my father!”

Long Ya said.

She basically knew all the things within the Fey Demon Domain, the Dragon Family had branches in the Fey Demon Domain and were already defected to the Fey Demon, which she also knew, so at this moment she was in a complicated situation facing Long Yu.

“Hm!”

Seeing Long Ya’s insistence, Lin Ran said no more, and whirled around and said.

“You guys go and rest first, Elder Feng and I have something to say!”

The crowd nodded at his words, and immediately got up to leave.

It was just clear in the hearts of the crowd how they were calculating, and exactly how far things would go would still depend on the Mysterious Alliance’s choice.

“You’ve changed a lot in these few years!”

Elder Feng said as he sat down in front of Lin Ran.

“Have I? It’s just a matter of wanting to survive!”

Lin Ran shook his head with a bitter smile.

Every day in the Fey Demon Domain all he thought about was how he could survive and lead the people away.

But at this moment when he really came back he realised that there seemed to be many people who were not welcome in this return of his.

“Have you ever seen a person in the Foreign Devil Domain?”

Elder Feng suddenly spoke up and asked.

Lin Ran was stunned at his words, the first thing Elder Feng asked was actually not about the devilish aura on his body and whether he was a spy sent back by the foreign devil, but this question instead.

However, Lin Ran soon remembered the figure that had been suppressed in the endless sea of blood, which was so similar to Elder Feng.

Lin Ran's heart was puzzled, he was going to ask Wind Elder as soon as he came out, but it was just that the current situation

"I've seen it!"

After a moment of contemplation, Lin Ran finally nodded his head and said.

"Then you should already have some suspicions as to why he looks so much like me!"

Elder Feng laughed bitterly, with self-reproach in his eyes.

"Yes!"

Lin Ran nodded directly without hiding it.

"He is my son!"

Elder Feng said.

"Your son?"

Lin Ran was stunned at his words, even though he had some suspicions before, Lin Ran still felt a little surprised to hear Elder Feng say that at this moment.

Previously, Lin Ran had only thought that that person might have some relationship or origin with Elder Feng, but at this moment, he heard what he said and realized that that was actually Elder Feng's son.

"How could your son be in the Fey Demon Domain!"

Lin Ran asked in surprise.

"That was a long time ago, let's not mention it!"

Elder Feng sighed.

"You didn't think about saving him?"

Lin Ran asked with a frown.

"Rescued?"

Elder Feng smiled at his words, but it was only a bitter smile.

"But if there was the slightest way, I wouldn't have let him suffer in the Other Demon Domain for so many years, but unfortunately there was no way!"

"Even if I entered the Other Demon Domain, I wouldn't necessarily be able to return alive, and for so many years the Other Demon has sat in the Other Demon Domain, although we have never stopped fighting!"

“But the real core, is that we never dare to fight hard, both of us actually know very well that once a big war really breaks out, the scales of victory and defeat will soon appear, and there is not the slightest room for reversal.”

“Whether it’s the Mystic Alliance or the Alien Demons, as long as one side reveals defeat, then all that awaits is the complete extermination of the other side!”

“That’s why you left him alone all these years!”

Lin Ran said, some sympathy in his eyes for the figure imprisoned in the endless sea of blood.

“I’m relieved you’ve seen him this time, at least it means he’s not dead!”

Elder Feng said comfortingly as he pressed me.

Lin Ran couldn’t help but tighten his grip on the Linglong Ball a few notches when he heard this, he wanted to hand this Linglong Ball to Elder Feng and tell him that your son’s soul should be inside.

But he couldn’t do that, the situation at the moment was still unclear.

Moreover, the Yue and Long families were likely to be traitors, if he handed over this Linglong Orb right at this moment, once the people of the Long and Yue families found out about it.

I was afraid that they would hit this Linglong Orb again.

After thinking again and again, Lin Ran decided to suppress the matter of the Linglong Orb first and hand it over to Elder Feng later when the time was ripe.

“Alright, I’ve asked all the things I wanted to ask, so you can ask next!”

Elder Feng sighed and looked towards Lin Ran as he spoke.

Chapter 1447

Lin Ran was stunned, followed by a direct question without any nonsense.

“How far has the Mysterious Alliance and the Dragon Family developed?”

“It’s sort of an alliance!”

Elder Feng said.

“And does the Mysterious Alliance know the details of the Dragon Family?”

Lin Ran continued to ask.

The Dragon Family of the Other Demon Domain had apparently defected, so at this moment, Lin Ran was concerned about just how deep this outside Dragon Family had infiltrated the Mysterious Alliance.

If it had completely controlled the secrets of the Mysterious Alliance, then there would be no need to fight this great battle, the Other Demon itself had already broken through to the Extreme Realm, the three Elders were already somewhat behind the building, in addition to the secret Dragon Family and Yue Family, I’m afraid that there would be little chance of winning this great battle.

“It’s just the Alliance, the Dragon Family chose to stay hidden back then, although this time they are acting very aggressively, but the Mysterious Alliance is still on guard!”

Elder Feng didn’t hide it and said directly.

Lin Ran nodded at his words, if this was the case the situation was still a little better.

“Lin Ran, why are you so wary of the Dragon Family?”

He always felt that Lin Ran seemed to be hiding something from himself.

Lin Ran smiled at his words but smiled.

“If I tell you, can you believe me?”

Elder Feng was stunned, with helplessness in his eyes.

“I know that this time the Mysterious Alliance matter has embarrassed the Chao Heavenly Pavilion, so it’s only right that you are angry with me!”

“But you should know that the Mysterious Alliance is not my Mysterious Alliance alone, and there are some things that I can’t decide alone!”

“I know, that’s why I’m asking you can you believe me?”

Lin Ran said indifferently.

“You didn’t ask about the matter of the demonic Qi in my body, perhaps because of Feng Chen, you knew that he also had demonic Qi in his body, so you didn’t ask about this matter, but what I saw within the Fey Demon Domain was far more unbelievable than this, even if I told you, but if you didn’t believe me, in my opinion, there would be no need to say it!”

Elder Feng looked at Lin Ran and spoke after a moment.

“I’ve always treated you like a disciple!”

Lin Ran was stunned at his words,? looked at Elder Feng for a long time without speaking.

“There is a Dragon Family in the Fey Demon Domain! And have defected to the Fey Demons! And of course there’s the Yue family!”

In the end, Lin Ran still spilled the beans.

“What?”

Elder Feng froze at his words.

But soon he was relieved.

“This matter shouldn’t have anything to do with the outside! After all, back then in the Great War, the people who ended up trapped in the Fey Devil Domain were very much all, and it was said that someone from the Fire Family was trapped in there as well!”

Elder Feng said.

Lin Ran smiled but did not deny it.

“It’s true that there was a Fire Family in the Fey Demon Domain, but it’s definitely true that the Dragon Family and Yue Family rebelled!”

With that, Lin Ran stood up.

“I’m not asking you to necessarily believe this matter, but this is the truth!”

Elder Feng did not continue to dwell on this topic at his words, and a moment later he also stood up and spoke.

“Whether this matter is true or not, it is a matter of great importance, and the situation seems to be somewhat unfavourable to you at the moment, so you can have to prepare well in advance!”

“You mean the Dragon Family?”

Lin Ran smiled and asked rhetorically

“Mm! Old Fire and Old Li are bent on bringing in the Dragon Family, they might turn a blind eye this time, it’s up to you to deal with the Dragon Family’s difficulties!”

Lin Ran smiled at his words but smiled.

“I’ll just ask, is the Mysterious Alliance going to cover the Dragon Family?”

“No!”

Elder Feng said.

“Although Elder Fire and Elder Li are close to the Dragon Family, they know very well that the Mysterious Alliance is always an alliance, it’s not the Dragon Family’s alliance!”

“If the Dragon Family does end up rebelling, the Mysterious Alliance will also have no problem drawing a line in the sand with them!”

“So what if I throw the Dragon Family a punch?”

Lin Ran asked once again.

“Don’t kill Long Yu, and everything will be fine!”

Elder Feng said.

Lin Ran nodded at his words, he was clear that Long Yu was the head of the Long Family after all, and now that the Mysterious Alliance was working with the Long Family, in a sense it was actually working with Long Yu.

If Long Yu died, then I’m afraid that this cooperation would become meaningless.

“I’ll leave now, you get some rest! I am afraid that they will be looking for you in the next two days!”

Elder Feng said.

“I understand!”

Lin Ran nodded and didn't say anything more.

Back when he was in the Fey Demon Domain, the Fey Demon had said that even if you left the Fey Demon Domain, would you really still be able to blend into the outside world?

At that time, Lin Ran thought that things weren't that complicated, but at this moment, it seemed that what the foreign devil had said was not wrong after all.

The hearts of the people were not ancient, and he had caused a lot of unrest in the Other Demon Domain, but in the end, when he really came out, he had to be guarded by the Mysterious Alliance and slandered by the real traitors.

This thing is really helpless when you think about it. No wonder it is said that the enemy is not scary even if it is strong, what is really scary is always the hearts of people.

.....

The wind elder just left, Wang Yifeng and others walked back again.

Only this time, even Zhao Yu Yu Wan and the others had come.

Lin Ran looked at these people and was vaguely a little worried.

If it was just the Dragon Family he naturally wasn't afraid, but if Elder Li and Elder Fire were to intervene as well, then things would be different!

The foreign devil had once said that Old Feng and the others were all half-step Extreme Realm strengths, and although he himself was now at the middle stage of the God Creation Realm, he was still a little less powerful than the three of them.

At this moment, there were so many people in the Heavenly City, if they really made a move, I'm afraid I wouldn't be able to protect these people at all.

"Where have all those people from Wolf City gone now?"

Lin Ran suddenly turned his head to look at Ling Sa.

"They've all been placed outside of Wu Zhen, where the Mysterious Alliance has reopened a territory, which was made by Elder Feng, and he sent all the ordinary people from the original Lang City into it, to sort of give them a place to live!"

Lin Lan said.

Lin Ran nodded at his words, and then looked at Yu Wan.

"When things are over here? I will send you to be reunited with your brother!"

Yuwan bit her lip at her words, and eventually nodded.

She wanted to follow Lin Ran very much, but she knew in her heart that she would only be a drag by Lin Ran's side, and that she and Lin Ran were not from the same world after all.

"As for you, stay at Tiancheng for now, I'll take you with me when I'm ready to leave!"

Lin Ran looked at Zhao Yu.

Zhao Yu nodded and didn't say much, she could naturally see that at the moment Lin Ran himself wasn't even in a good position and trying to send them out was a bit risky, so she didn't say anything.

For the next two days, no one came to disturb Lin Ran, and he rested well for two days in this southern city, his strength fully recovered to its peak.

There had been no movement on the other side of Wolf City, I don't know if it was because they were afraid of Lin Ran or what was going on, but none of the people inside Wolf City had come out, let alone engaged in battle.

The other battlefields were basically the same, after three months of war organised by the foreign devils, it was surprising that all the battlefields had gone quiet for a while.

But everyone in the southern city knew that this was just the calm before the storm.

For in these two days, although no one came to Lin Ran.

But within the Heavenly City were dark clouds, both Elder Fire and Elder Li had not left, and even Yue Rulong, the inner clan leader of the Yue family, had come to the Fey Demon Domain.

And it was all too obvious who this was for.

Chapter 1448

Two days passed in a hurry, and the tranquility was finally broken in Heavenly City.

"Lin Ran come out!"

An angry roar resounded throughout the entire southern city.

At the same time a large group of people had poured in, all of them wearing armour, obviously all generals, except that these people had very rusty faces, not knowing where they had been transferred from.

At this time, Long Yu, Elder Li and the three others also appeared on top of the walls of the South City at the same time, and next to them was an old man who also walked up slowly and leisurely.

"What kind of person dares to trespass on the South City!"

The voice rang out, followed by the sound of sharp blades being sheathed, and the next moment Ling Sa had already rushed over with her red longsword.

In an instant the entire South City's generals followed suit and rushed out one by one.

Without the slightest fear, they all looked at the crowd in front of them, with battle intent in their eyes.

"What do the two elders mean by this?"

"Bang!"

The door of the Commander's Residence suddenly opened, followed by a figure rushing out first, and it was none other than Yu Chang, followed by Lin Ran only afterwards, who walked out from the Commander's Residence.

"What a mighty sight! If I remember correctly, certain people had already quit yesterday on their own, right, so what? Today they are running to command the generals of the Southern City again?"

Long Yu's gaze swept icily over the crowd and finally landed on Ling Sa.

"Did I take command?"

Ling Sa, however, smiled.

"On the contrary, I am afraid that certain people are not happy to listen even if they command others!"

"Hmph! Sharp-tongued!"

Long Yu's face was ugly, knowing that Ling Sa was talking about himself.

Although their Dragon Family cooperated with the Mysterious Alliance, none of the people in the Dragon Family had ever participated in a real war before after all.

Therefore, there were only a few people within the Dragon Family who could hold the position of commander-in-chief or above, and the men Long Yu had transferred here this time were also assigned to him by the Mysterious Alliance.

It was just that these people did not listen to him much on a regular basis, and this was something that many people knew.

"Lin Ran! You should have rested almost enough in two days!"

Elder Fire looked at Lin Ran in a bland voice.

"Naturally, I've almost rested, but what is the meaning of these people trespassing in my Southern City? Could this also be your intention, Elder Fire?"

Lin Ran looked at Fire Elder with a bland voice.

"Naturally not, but there is nothing wrong with Long Yu doing so, after all, you brought back so many people from the Fey Demon Domain this time, whether there are any spies inside or not, we have to investigate clearly too don't we!"

Fire Elder said.

"Haha!"

Lin Ran smiled at his words but laughed.

"Spies? May I ask what the foreign devils sent spies for? To steal your attacks? Or to learn about the distribution of your forces?"

"Don't be so arrogant, you know exactly what the foreign devil sent you here for!"

Long Yu sneered.

Lin Ran smiled but his face sank as he turned to look at Long Yu.

“I’m talking to Fire Elder, is it your turn to interfere? Is it possible that you don’t want the remaining arm either!”

“You!”

Long Yu was so angry that his face turned blue, yesterday he had his arm ruined by a move from Yu Chang, which was still fresh in his mind, and not only did he hear that he was busy moving two steps towards the side of Fire Elder.

“Lin Ran! We are here to talk about business!”

Fire Elder looked at Lin Ran and said indifferently.

“Talk! I don’t know how Elder Fire wants to talk!”

Lin Ran looked at Fire Elder with a bland face, this Fire Elder was obviously here to back up Long Yu, of course there was no excuse for this, after all, from his point of view, he naturally wanted to find out if Lin Ran was a spy or not.

“Let me ask you, are you or are you not deliberately released by the foreign devil?”

Elder Fire looked at Lin Ran.

“What evidence do you have to prove that I was deliberately released by him!”

Lin Ran retorted directly, without the slightest bit of nonsense.

“The Blood Road seal was only barely broken even by the three of us joining forces, and the fact that you were besieged by beaten skeletons and grievous spirits in the middle of the Blood Road is enough to show that the Blood Seal of the Other Demon Realm was not broken!”

“If it wasn’t the Fey Demon that helped you open the seal, how do you explain that!”

Elder Fire asked once again.

Lin Ran smiled at his words but laughed.

“Haha! Is there any need to explain that? Isn’t what the foreign devil wants to see what you guys are doing right now, Fire Elder?”

“Isn’t killing each other and being suspicious of each other exactly what he wants? It’s obvious that you’ve all fallen for his wish!”

“You!”

Fire Elder’s face sank at his words, and just as he wanted to speak Lin Ran interrupted him directly.

“Besides! When I, Lin Ran, broke through the Blood Road and came to your side of the seal, did you all make a move?”

“It doesn’t seem like you all stepped in to save me either, does it?”

“But what happened? Did I, Lin Ran, come out alive? Could it be that the foreign devil was still able to control the seal on your side?”

Lin Ran’s voice boomed, resonating throughout South City.

“Yes!”

“Yes, Commander Lin said it was good, the last sealing Fire Elder didn’t do anything either, but he still came out!”

“People must have their own means, this simply doesn’t rule out the matter of Commander Lin’s defection to the foreign devil!”

The crowd of generals below murmured and listened as Fire Elder frowned slightly.

“Who knows if the foreign devil has been able to control this sealing!”

Long Yu suddenly spoke up.

“Lin Ran! Since you have the ability to penetrate the seal, why don’t you cast it out for us to see, or to prove your innocence?”

“How?”

Fire Elder Fire Elder looked at Lin Ran at his words.

Lin Ran’s eyes, however, were completely ice-cold.

“Want to see my methods? That’s fine!”

Lin Ran said as he looked towards Long Yu.

“You take out your Dragon Clan’s Dragon Qi Pool for me two years later, and I’ll show you!”

“Or should Elder Fire also perform two master strokes for me, Lin Ran, to see?”

“Unbridled!”

Fire Elder’s face instantly turned ugly when he heard that.

“Unbridled? What a joke!”

There was disdain in Lin Ran’s eyes.

“Who is my Lin Ran’s means for you to see? Have you ever brought out your own methods for me to see?”

The voice boomed and resounded through the sky.

Even Elder Fire’s face turned ugly for a moment, and the eyes of Long Yu at the side were even filled with killing intent.

“Then how do you prove your innocence!”

Elder Fire suddenly opened his mouth and questioned.

Lin Ran smiled at his words, however.

“Do I need to? I see that you seem quite like you want me to completely defect!”

“Lin Ran! Don’t talk to Fire Elder like that, he’s also doing it for the safety of the Mysterious Alliance!”

On the side, Elder Li suddenly spoke up.

“How about this, according to the planification of only seeing, our Mysterious Alliance has three ways that can detect whether you are a mutineer or not, do you dare to try them all?”

Elder Li spoke to.

Lin Ran smiled at his words.

“Yes you can! I’d like to see how you come to conclude that I, Lin Ran, am a traitor!”

“Humph! I hope that when it’s really determined, you won’t be able to slyly argue!”

Long Yu said in a cold voice, while already feeling his hand deep into his arms and pulling out three wooden boxes.

Lin Ran looked at Long Yu indifferently before laughing.

“What haven’t I, Lin Ran, seen in the Fey Demon Realm, and you’re scaring me?”

“Later if I tell you what I saw in the Other Demon Realm, I hope certain don’t get scared out of their wits!”

“Hmph sharp teeth!”

Long Yu’s face looked ugly, then shouted.

“Clan Master Yue, don’t bring the testing stuff over yet!”

“It’s been prepared for a long time!”

As Long Yu’s voice fell, immediately Yue Rulong, who was next to him, walked out, with a cold smile tacked on his eyes.

“Yue Rulong?”

Lin Ran’s heart twitched and he instantly laughed.

“There’s really a bunch of flies gathering!”

Chapter 1449

“Little friend Lin Ran, that’s not the right thing to say!”

Yue Rulong said with a cold smile on his face.

“Our Yue family has no enmity with you, I came here today because the Long family master invited me, and I am adhering to the principle of fairness and impartiality!”

“Fair and just?”

Lin Ran laughed.

“Yue Rulong, you know very well in your heart what my grudge against your Yue family is, so why are you spouting these empty farts!”

“Ai! Little friend Lin Ran, you’ve really misunderstood me!”

Yue Rulong had helplessness on his face.

“Alright, hurry up!”

Elder Fire spoke up and urged, the way Lin Ran had treated him earlier had made him very upset in his heart, and he simply did not want to waste time at this point.

“Yes!”

Yue Rulong did not dare to be slow, and immediately brought all three wooden boxes in Long Yu’s hands, before unfolding them in front of Lin Ran in a single line.

At once, as the three wooden boxes were opened, three items appeared inside.

The first wooden box contained a life lamp, only at this moment the life lamp had not been lit, so it was extinguished.

In the second wooden box, there was a small bottle of white liquid, I didn’t know what it was.

As for the third box, what was placed in it was even simpler, and Lin Ran also knew this thing, and it was none other than Pure Yang True Blood.

Back when Lin Ran was still in the Skywolf Domain, he had seen this item when he was in the North City dungeon with General Liu Feng dealing with the Sky City Guards sent by Long Mo, so he was familiar with this item.

“Lin Ran, you should know all three of these things, so in order for the crowd to be clear about what is going on, I will introduce them here once more!”

Yue Rulong spoke up and said.

“The first item is the Fate Lamp, our Mystic Alliance’s Fate Lamp, as long as it’s a normal colour it’s the colour of a normal fire flame, while if it’s someone from a different demon, the colour of the Fate Lamp will turn red!”

“The second item, is the Heavenly Mountain Water! Many people should know about this item, this Heavenly Mountain Water is extremely sensitive to demonic Qi, as long as the other person has demonic Qi in their body, it can make the colour of this water turn red!”

“As for this third item, fewer people should know about it, this item is pure Yang true blood, as long as the person has been infested with demonic blood, they will be very afraid of this item, this item is like acid when sprinkled on the body!”

“Lin Ran, do you understand?”

Long Yu opened his mouth at just the right time and sneered.

“It’s not too late to admit that you’re one of the foreign devils, lest you suffer flesh and blood later!”

“That’s it?”

Lin Ran saw this but laughed.

Of the three items in front of him, he couldn’t say anything about the first life lamp, but this second one would inevitably appear red, because in the Fey Demon domain demon blood and demon Qi were everywhere, one simply couldn’t avoid it, and there was indeed the presence of demon Qi in one’s body.

These three pieces, on the other hand, Lin Ran was not afraid at all, the true blood of the healing dao in his body was not inferior to the pure Yang true blood at all.

“Lin Ran! Do you have an opinion?”

Elder Fire looked at Lin Ran and questioned.

“No!”

Lin Ran blandly looked unconcerned.

“Good! Then let the testing begin!”

As Elder Fire’s voice fell, all of a sudden Yue Rulong squared all three items in front of Lin Ran, before retreating back on his own.

“Let’s begin!”

Fire Elder urged, his brow slightly furrowed at this moment, his hands hidden under his robe, as if he was on guard against Lin Ran suddenly flipping out.

As for Long Yu at the side, his face was even tacked with a cold smile, not glancing at him.

On the side, Lin Ran and the others were all looking at Lin Ran nervously, they had no idea whether these things could be detected or not, and each of them were very nervous in their hearts.

“Let’s begin little friend Lin Ran!”

Yue Rulong looked at Lin Ran and said with a smile.

At this time, Wang Yifeng Long Ya and the others at the side were watching very nervously.

They had come out of the Fey Demon Realm with Lin Ran and knew very well what was going on inside, and this second of three tests was completely detectable!

Lin Ran was obviously aware of this as well, but now how could he still

“Lin Ran!”

Long Ya saw that it was very nervous, while Wang Yifeng, who was on the side, was laughing like a person who was fine.

“All right, you just don’t worry, that kid Lin Ran must not be holding back any good farts again, knowing full well that it will be detected and still on, this kid must have a plan in mind!”

Long Ya didn’t say anything as she sniffed, just biting her lip in worry.

“It’s starting it’s starting!”

A commotion suddenly rang out from the crowd, following which the crowd saw.

Lin Ran had already arrived in front of the Destiny Lamp by now, following which a drop of essence blood fell directly onto it with a wave of his palm.

He then went straight to the Heavenly Mountain Water and also with a wave of his palm a drop of essence blood fell on it.

Finally, he came to the bottle of Pure Yang True Blood, and then directly picked up the whole bottle.

All he heard was a “bang” sound.

The entire bottle was instantly crushed and the blood inside the bottle instantly spilled onto his hand.

Seeing this scene, Fire Elder Li and Wind Elder could not help but get nervous.

At the side, Long Yu and Yue Ru Shan were even more nervous as they stared at Lin Ran, not even bothering to turn their eyes for a moment.

As for Song Nuan and the others at the side, their hearts were in their throats at this point, as they were all very afraid that Lin Ran would detect the presence of demonic Qi in his body.

This was because it was likely to be a matter of not only Lin Ran’s innocence, but also his life.

“Hey hey look! The colour of the life-light!”

“The colour has changed!”

Suddenly someone in the crowd shouted out, and at once everyone could clearly see it.

The Fate Lamp, which was originally burning in a normal colour, suddenly began to change colour to red, and soon turned into a fiery red.

“This!”

“This can’t be!”

“This isn’t real!”

Song Nuan Ling Sa and the others all froze at once.

Even Fire One Sword Li Mu Di Li Sheng and the others at the side froze.

“Haha! Everyone has seen it, this Lin Ran’s Fate Lamp has changed!”

Long Yu burst out laughing.

While the Fire Elder, Wind Elder, and Li Elder at the side did not say a word, Wind Elder's face thankfully did not change much, but Fire Elder and Li Elder's faces turned very ugly.

"Look guys, the Heavenly Mountain Water has changed too!"

"Yes! The Heavenly Mountain Water has turned red too!"

Soon the crowd resounded with shrieks again.

At the same time the crowd could clearly see that the originally white Heavenly Mountain Water had also rapidly turned fiery red, that was not the colour of blood, that was after the reaction? colour.

"Lin Ran! What else do you have to say now! Take him down!"

Long Yu couldn't wait and directly spoke up and chided.

"I'll see who dares to move!"

Ling Sa took her sword and directly blocked in front of Lin Ran, while Yu Chang at the side even looked at Fire Elder warily to prevent him from suddenly striking.

"Lin Ran now what else do you have to say!"

Fire Elder looked at Lin Ran and scolded in an icy cold voice.

Lin Ran smiled at his words but laughed.

"This is proof that I am a traitor?"

"It's come to this point, do you still want to be sophomoric?"

Long Yu sneered and immediately turned his head to look at Elder Fire.

"Elder Fire, in my opinion, just kill him forever!"

"This matter"

Fire Elder was just about to speak, but Lin Ran suddenly spoke up.

"The test seems to have to have three channels, right, if I am from a different devil, why is this last one useless to me?"

The crowd all froze at the words, and immediately looked at Lin Ran's palm, and sure enough at this moment, Lin Ran's arm, which was covered in pure Yang true blood, was not doing anything at all.

Chapter 1450

"This What's going on here? Why is the Pure Yang True Blood useless to him!"

"Yes! That's very strange!"

"What the hell is going on!"

There was a lot of chatter from the crowd, all of them very confused.

“What’s so strange about it, everyone’s physique is different, maybe he used some tactic this time to make the Pure Yang True Blood useless to him!”

Long Yu said in a cold voice.

“Elder Fire, this matter can’t be delayed any longer in my opinion, he is obviously one of the foreign devils, we must kill him as soon as possible!”

Long Yu urged.

But Elder Fire did not say a word, his face was terribly gloomy.

“The stakes are high at this point,? We cannot make a hasty decision!”

On the side, however, Elder Feng suddenly spoke up.

“What’s there that can’t be decided, three testing procedures, both of which prove that Lin Ran is a person of the Other Demon, is there any doubt about that?”

Long Yu’s face was ugly as he said in a cold voice.

Elder Fire turned his head to look at Elder Wind and spoke after a moment of thought.

“Since it’s a suspicion and you can’t be sure yet, then don’t rush yet, besides our Mysterious Alliance has always been fair and impartial, Lin Ran! Do you have a way to prove your innocence!”

Elder Fire looked towards Lin Ran.

Although he was biased towards Long Yu, he had to give face to Elder Feng after all, and if the three Elders were less than Elder Feng, they would not be able to be a match for the Fey Demon even if they pulled together ten Dragon Families.

So at times like this, even Elder Fire did not dare to be too obviously biased.

“Self-incriminating? Is that hard?” |

Lin Ran laughed lightly before turning to look at Yue Rulong.

“Clan Master Yue, you should still have these things for testing!”

“I

Yue Rulong was a little hesitant, not knowing whether to say yes or no.

“Yes means yes, no means no, what are you dilly-dallying about!”

Long Yu saw this and said angrily.

“Yes! There is! There are more than fifty copies of each!”

Yue Ru Long said.

“Good! Then you can casually distribute one set to each of the generals below who have participated in the war, so that they can test them as well!”

Lin Ran said.

“This”

“Do as you are told!”

Yue Rulong was a little hesitant, but Fire Elder spoke up.

“Elder Fire, is this necessary? The facts are all clearly laid out in front of us, as I see it this is a waste of time!”

Long Yu said disdainfully.

Fire Elder, however, did not say a word and waited quietly.

The generals who had been assigned to test things quickly followed Lin Ran’s steps and started testing.

However, only a few minutes had passed this time before the crowd exploded.

“I’m not! I’m not one of the foreign devils!”

“Neither am I. I’ve been in the Skywolf Domain for ten years, how could I possibly be from the Fey Devils!”

There were actually many generals in the crowd who had undergone the test, and the Heavenly Mountain Water had all turned red, and some of the human life lights had also turned a faint red.

“What’s going on here?”

“I don’t know, what if this is all the people of the foreign devil, then wouldn’t we also”

“This is definitely not right!”

The people were talking, each in their own danger.

“Fire Elder, are you going to capture them all as well?”

Lin Ran looked at Fire Elder and laughed.

“Of course, if so I advise you not to bother, just kill all the generals who have taken part in the war, that would be the end of it!”

“What exactly are you trying to say?”

Fire Elder looked at Lin Ran, his eyes as deep as water.

“Don’t you know what I’m trying to say? I’m proving my innocence!”

Lin Ran laughed indifferently.

“Lin Ran you cut the crap, tell me exactly what devil you have made and why the General’s test has become a problem too!”

Long Yu looked at Lin Ran with an icy cold face.

“I made a ghost? Why don’t you ask if it was the Yue family head who made the ghost, after all, it wasn’t mine, and it was also the Yue family head who was doing it when it was distributed to the crowd just now, right!”

Lin Ran laughed.

“It’s not me! It definitely wasn’t me, it’s all in good condition, I promise I definitely didn’t do anything to it!”

Yue Rulong busily said, at this moment the three elders were all looking at him, making him very nervous.

“I believe he’s not lying!”

Lin Ran suddenly spoke and laughed.

“Lin Ran, don’t sell yourself short, what the hell is going on here!”

Li Lao at the side was busy urging, he was all a bit confused by what he was seeing.

Lin Ran smiled lightly at his words, and then said.

“What’s going on? It’s simple! That is, anyone present who has been on the battlefield has more or less demonic Qi in their bodies, even if you’ve never been to the Fey Demon Realm!”

“How is that possible!”

“Right! We haven’t even been to the Otherworldly Demon Realm, so why would there be demonic Qi in our bodies too!”

“This is absolutely impossible!”

There was a lot of chatter among the crowd.

“What’s going on with Lin Ran?”

Elder Li looked at Lin Ran and busily asked after him.

Lin Ran smiled blandly at his words and said.

“Because demonic Qi is everywhere!”

Said Lin Ran as he looked into the distance outside the city, that was exactly the direction of Wolf City.

“Apart from a few of us here, no one has even been to the Other Demon Realm, but why do they also have demonic Qi in their bodies, the reason is simple, those demonic Qi are left behind by the enemies they killed!”

“In the Other Demon Realm, demonic Qi is everywhere, and demonic blood is also very common, so everyone, whether they have been to the Other Demon Realm or not, as long as they deal with people who have come out of the Other Demon Realm, they will be tainted with demonic Qi, and the more time they have, the more demonic Qi they will have!”

Said Lin Ran as he turned his head to look at Elder Fire and Long Yu.

“I’ve been in the Other Demon Realm for four whole years, isn’t it normal for me to have devilish Qi in my body?”

“You!”

Long Yu was so angry that his face turned blue, and the Fire Elder at the side this was frowning slightly, not knowing what he was thinking.

“Even if what you say is true, that doesn’t prove your innocence, the other generals haven’t been to the Other Demon Realm after all, so they can still understand! But you, Lin Ran, have actually been there!”

Long Yu did not relent.

Lin Ran seemed to have expected him to be like this, and instead, his entire body was not nervous at all.

“Lin Ran! Do you have any other way to prove your innocence?”

Elder Fire looked at Lin Ran and questioned.

“Yes! But if I take it out, you had better prepare yourselves beforehand, because once I take this out, it will not only prove my innocence, it will also reveal certain people!”

Lin Ran sneered.

“Humph! Who are you trying to frighten! Bring it out if you have the guts!”

Long Yu’s face was blue, he really didn’t believe that Lin Ran could produce any evidence!

“Lin Ran as long as you can produce evidence, our Mysterious Alliance will definitely not do anything to you!”

Elder Li also spoke up at this moment.

Lin Ran smiled lightly at that, the Mysterious Alliance, he, Lin Ran, hadn’t been counting on the Mysterious Alliance since Elder Fire and Elder Li had chosen the Dragon Family.

“Before I produce the evidence, I have an announcement to make!”

Lin Ran said, his gaze swirling to land on Long Yu and Yue Rulong in the distance.

“This matter is that it is not me, Lin Ran, who has truly rebelled against the Mysterious Alliance!”

“Rather, it was their Long and Yue families!”

“Weng!”

The moment these words were spoken, an uproar was caused.

Long Yu and Yue Rulong’s faces even changed instantly.

“You’re spouting blood!”

Long Yue said with an ugly look on his face.

“Right! You spit on people!”

Yue Rulong, who was at the side, also spoke up and agreed.

“Don’t be anxious!”

Lin Ran, however, did not panic in the slightest and laughed blandly.

“The next piece of evidence I have will prove it all!”

With that, Lin Ran waved his palm, and a figure had already appeared next to him.

He was no one else, it was none other than Fire Yan of the Fire Family!
