

Wonder Doctor

Chapter 1451

“Who is he?”

Seeing Huo Yan, both Long Yu and Yue Ru Long could not help but frown slightly.

They didn't know this person in front of them, but vaguely they were a little worried, especially Long Yu.

He knew the situation of the Long family very well, and he was also afraid that Lin Ran had really found any evidence about the family in the Foreign Devil Domain.

Only now he could only pray and pray that Lin Ran was playing a trick, otherwise he was really a little worried that things would become very difficult later on.

“Lin Ran! Who is he?”

Elder Fire and Elder Li were also looking at Huo Yan at this moment, their brows slightly frowning as they had thoughts in their hearts.

“His name is Huo Yan!”

Lin Ran spoke indifferently.

As soon as these words were spoken, Elder Fire's face instantly changed, and even the faces of the other members of the Fire family, such as Fire Yifeng, at the side also looked to one side.

The surname Fire was not common, almost the entire Mystic Alliance, but anyone with this surname was a member of the Fire family.

But at this moment, Lin Ran had made out a person named Fire Yan, which naturally had to raise suspicion in the hearts of the Fire Elder and the others.

“Tell us about your origins!”

Lin Ran looked at Huo Yan and smiled blandly.

Huo Yan nodded, before sweeping his gaze over the crowd and speaking.

“My name is Huo Yan, and I come from the Fire Family of the Fey Demon Realm!”

“Weng!”

The moment these words were spoken, everyone froze.

“The Fire Family of the Other Demon Realm? There's actually a Fire Family in the Other Demon Realm?”

“Is this really true, there's actually a Fire Family in the Other Demon Realm?”

“It can't be, this person is a liar, right!”

The crowd was chattering, this news was simply too shocking.

“Are you really a Fire Family member from the Other Demon Realm?”

Elder Fire looked at Huo Yan, his eyes slightly narrowed as he did not know what he was thinking.

“It’s true, this is my token!”

Saying this, Huo Yan took out his token.

“Give it to me!”

Fire Elder was busy speaking.

“No!”

Huo Yan refused outright.

“I told you to give it to me!”

Fire Elder’s face was ugly and he was about to hide at once.

“Fire Elder! What are you doing!”

Lin Ran suddenly blocked in front of Fire Yan, and Yu Chang, who was on the side, also stood over.

“If he’s from my Fire Family, what if I look at his token!”

Fire Elder’s face looked that way.

“Not much!”

Lin Ran, however, laughed.

“To you it’s just a fluttering token, but to him it’s a symbol of his family’s status and the only thing he’s brought out!”

“What does that mean!”

Fire Elder looked at Lin Ran with disbelief in his eyes.

“He’s the only one who came out with me in the entire Fey Devil Domain Fire Family!”

Lin Ran said in a cold voice, as he brought the token over, and then held it up high in the air, everyone could clearly see that on top of the token, there was an ancient and pale character “Fire” carved into it.

“This is really the Fire Family’s token, my goodness!”

“There’s actually a Fire Family in the Foreign Devil Domain!”

“This is simply”

The crowd was talking, and the Fire Elder Li and Wind Elder on the side were all looking at it without saying a word, not knowing what they were all thinking.

As for Long Yu and Yue Rulong, their faces were unusually ugly at this time.

“Continue down the line!”

Lin Ran swept his gaze across the crowd and said indifferently.

Huo Yan nodded before continuing.

“Our Fire Family of the Fey Demon Domain was the one that chased one of the ancestors of the Fire Family into the Fey Demon Domain to kill him, but later on, we encountered an incident that caused the entire Fire Family to suffer casualties, and we were not even able to leave the Fey Demon Domain in the end!”

“The family later settled in the Fey Demon Domain, secretly circling around with the original enemy until Lin Ran entered the Fey Demon Domain!”

“What happened to the Fire Family back then!”

Fire Elder looked at Huo Yan and asked directly, at this point he could no longer not believe that Huo Yan was a member of the Fire Family, just that one token of the Fire Family was not something that could be faked and created!

“Mutiny!”

Huo Yan said.

“Who mutinies!”

Fire Elder questioned.

“That you have to ask them!”

Fire Yan looked up at Long Yu and Yue Ru Shan!

“What do you mean!”

Long Yu’s face instantly changed.

“What do you mean?”

Fire Yan, however, laughed.

“Back then, the Fire Family, Yue Family were the ones who killed into the Fey Demon Domain together, and later ran into the people of the Dragon Family inside!”

“The ancestor made an alliance with the Dragon Family and the Yue Family to deal with the Fey Devil together!”

“But what happened afterwards? Our Fire Family’s hiding place was exposed by your two families, which eventually led to the foreign devils killing them, otherwise why would my Fire Family have been unable to come out for so many years!”

“What a load of nonsense!”

Long Yu snorted coldly.

“Right! A bunch of nonsense!”

Yue Rulong, who was at the side, was also busy echoing.

“Let’s not mention for the moment that our Dragon Family was in a state of seclusion back then, even the Yue Family you are full of loopholes, if it was the Yue Family and the Dragon Family who jointly framed your Fire Family back then why is the Yue Family so weak now!”

Long Yu chided.

“Weak? That’s because they didn’t go out either!”

Huo Yan said in a cold voice.

“There is also the Long Family and Yue Family in the Fey Demon Domain, and many people who have entered the Fey Demon Domain can testify to this matter!”

“And I can clearly speed you up, the Dragon Family and Yue Family in the Fey Demon Realm have already defected to the Fey Demons long ago!”

“Weng!”

The moment these words were spoken, they immediately caused many people around to shake.

Even the three Fire Elders turned their heads to look at Long Yu and Yue Ru Long.

“If you talk nonsense, I’ll kill you!”

There was violent anger in Long Yu’s eyes, and he instantly flashed his body and went straight to Fire Yan.

“Get lost!”

Yu Chang let out a roar, and instantly a strong Qi filled the air, directly shaking Long Yu and sending him flying out.

“Fire Elder! His words cannot be trusted!”

Long Yu climbed up from the ground and said busily.

“Why can’t you believe him?”

Fire Elder looked at Long Yu with an icy coldness in his eyes.

“Think about it, if our Long Family and Yue Family were really traitors, why did our Long Family have so many casualties even after these few months of great battles!”

“If we were still traitors, wouldn’t it be better for us to not participate in the war at all and sit back and reap the benefits? That doesn’t explain it at all!”

“And!”

Long Yu said as he got up and pointed at Huo Yan.

“Even if he’s from the Fire Family of the Other Demon Domain, so what? Is he really a traitor just because he says that the Dragon and Yue families of the Other Demon Domain are traitors, and what if he is deliberately reversing right and wrong?”

“Unbridled!”

Fire Elder’s face instantly turned a few shades more ugly at his words.

“Are you saying that our Fire Family is a traitor?”

Fire Elder questioned.

“No No dare not!”

Long Yu instantly turned white with fear.

“But Elder Fire, our Long Family is definitely not a traitor!”

Long Yu finally said.

“All right!”

Fire Elder chided coldly and then whirled to look at Lin Ran.

“Lin Ran do you have any other evidence! After all, you’re the only one who has been to the Other Demon Realm, so even if he’s from our Fire Family of the Other Demon Realm, it’s hard to convince the public based on his word alone!”

“Evidence?”

Lin Ran smiled at his words, and immediately waved his hand, and a short sword flew straight out.

“What is this?”

Elder Fire frowned as he looked at it.

“This short sword was obtained from the Yue family, and it is containing demon blood!”

Following this, Lin Ran waved his hand again, and at once Wolf Ba also emerged.

“This person’s name is Wolf Ba, he is from the Foreign Devil Domain, he can testify to everything that Fire Yan said before, I wonder if this evidence is enough?”

Lin Ran looked at Fire Elder with a sharp edge in his eyes.

Chapter 1452

“I still have proof!”

Suddenly, Song Nuan on the side followed suit and stood out.

“What evidence do you have?”

Elder Fire frowned slightly and asked in a cold voice.

“We have found out that the Dragon Family would send letters every three months three years ago, and there would be letters sent back after a month, and all of these letters were sent to the warring lands.”

“And at that time, the Dragon Family had not yet cooperated with the Mystic Alliance, even if they occasionally had people in the battlefields of the various warring lands, then there was no need for the correspondence to be so frequent!”

“Stop spouting blood where you are, there is also a problem with my Dragon Family’s people sending letters? Have we even sent them since we cooperated with the Mysterious Alliance?”

Long Yu retorted.

“It’s true that we haven’t sent any in the past three years, but that doesn’t mean that the correspondence you sent before was without problems!”

Song Nuan insisted.

“You”

Long Yu was just about to say something, but Lin Ran suddenly laughed and said.

“I know why the Long family hasn’t sent any correspondence for the past three years!”

“What do you mean!”

Long Yu and the others all turned their heads to look at Lin Ran, with doubts in their eyes.

Lin Ran, however, smiled blandly and said.

“Because three years ago, the Dragon Family and Yue Family in the Foreign Devil Domain had both been destroyed by me, so no one had sent them letters back!”

“What did you say!”

Long Yu’s face instantly turned a few shades more ugly when he heard that.

An icy killing intent even faintly appeared in his eyes, but he concealed it well and quickly stabilized Qin Xu and spoke.

“You killed our Dragon Family’s people, I, Long Yu, will naturally investigate this matter clearly, and if they have not defected, I, Long Yu, will definitely seek to get justice!”

“Hehe! Then you take your time investigating!”

Lin Ran smiled lazily and didn’t bother to say more.

Long Yu looked at Lin Ran, and his fists were also clenched, looking furious.

“Is this enough evidence now?”

Lin Ran looked at Elder Fire, with blandness in his eyes.

Fire Elder, however, did not say a word, pondering, and after a moment suddenly spoke.

“This matter must be considered in the long run, I need to take the Flaming Flame away!”

“Impossible!”

Lin Ran spoke up as soon as the Fire Elder's words had fallen.

"He is a member of our Fire Family!"

Fire Elder's face was icy cold with anger.

"So what, I brought him out, and even if he's a member of the Fire Family, you'll treat him well?"

"The Chao Heavenly Pavilion and your Mysterious Alliance have been working together for how many years, but what's the result?"

Lin Ran sneered.

"Lin Ran! Don't you force me, he is a descendant of my Fire Family, and with the heavy burden at stake at this time, there is no room for bargaining with you at all!"

Fire Elder scolded.

"You think I'm bargaining with you, why don't you ask him himself if he's willing to go with you!"

Lin Ran laughed.

"Huo Yan!"

Fire Elder looked towards Huo Yan.

"Would you like to come back to the Fire Family with me?"

There was thoughtfulness and hesitation on Huo Yan's face as he smiled, and after a moment he spoke.

"I don't want to go back to the Fire Family for the time being!"

"You! You are a descendant of our Fire Family!"

There was anger on Fire Elder's face.

Fire Yan, however, calmly said.

"I'm a descendant of the Fire Family, but I didn't expect the Fire Family outside to be like this, you should be the head of the family, you're a bit unaware of things! So I don't want to go back for now!"

"You!"

Fire Elder was furious.

"You can call me selfish or whatever, but I'm definitely not going with you, I'm the only one out of the entire Fire Family in the Fey Demon Domain, I have the mission of saving the entire Fey Demon Domain Fire Family on my shoulders, I don't want to waste my time discussing the issue of whether Lin Ran is still a traitor or not, because I know very well if he is! But you're not clear about it!"

Huo Yan said, before turning his head to look at Lin Ran.

"Send me back!"

Lin Ran nodded and didn't say anything more as he directly raised his hand and admitted both Fire Yan and Wolf Ba into the small world.

Throughout the entire process, Fire Elder did not speak, but Lin Ran could tell that there was anger in his eyes, and both of his fists were clenched together.

To him, Huo Yan didn't just mean that he was a descendant of the Fire Family, but also a gateway, someone who could give him a clearer understanding of the situation in the Fey Demon Realm, and could give the Mystic Alliance a clearer understanding of the situation in the Fey Demon Realm all together.

Yet at this moment, this person was not willing to follow him, and said that he was somewhat uninformed.

This made his heart very unhappy.

"Are there any other questions?"

Lin Ran looked at Elder Fire with a bland face.

The news that the Long Family and Yue Family were traitors was something he had sort of said by now, but as for whether the three of them, Fire Elder, believed it or not, that was not something Lin Ran could decide.

Anyway, what he knew should be said had already been said, as for the rest that was a matter for their mysterious alliance.

"This matter is of great importance,? We need to deliberate!"

Li Lao, who was on the side, suddenly spoke up.

"Be my guest!"

Lin Ran said indifferently, and then turned around and went back to his commander's residence.

"Humph!"

Fire Elder snorted coldly, before turning around and preparing to leave.

"Fire Elder!"

Long Yu was busy coming up at this moment, with worry in his eyes.

"We will find out everything ourselves!"

Fire Elder said indifferently, and then he directly left with Elder Li and Elder Feng.

Of course, they naturally didn't go far, they had come today to solve the problem, and now it was impossible to keep pushing it back just because of this evidence that Lin Ran had suddenly brought out.

The three of them arrived in a house and immediately began to discuss a solution to the problem of blindness.

At this time, Lin Ran, on the other hand, had already started making arrangements at the commander's residence.

"Aren't you being a little too careful, Pavilion Master, this Mysterious Alliance isn't so torn up!"

The Grand Elder said with some hesitation.

"I don't know exactly what the Mysterious Alliance wants, but I know that this person, Fire Elder, is afraid that he doesn't trust me anymore! The three of them, Elder Li is obviously more biased towards Elder Fire as well, and even if Elder Wind alone believes in me, it's useless! We have to be prepared for anything!"

Lin Ran said firmly.

"Good! In that case, I'll have everyone come over!"

The Grand Elder said, and promptly went to call in all the other Chao Heavenly Pavilion elders.

Lin Ran quickly admitted the four Song Nuan, Ling Sa and Long Ya and even a group of elders from the Chao Heavenly Pavilion into the small world.

As for Li Sheng, Fire One Sword and Li Mu Di, he did not admit them because these three had a special status, being from the Fire Elder and Li Elder's family, and had never been to the Fey Demon Realm.

And in the end, they were just friends and not followers like Leng Zhan, so Lin Ran didn't do it nicely but went and asked the three.

"Brother Fire and I have discussed this, we can't back down when the chaotic times are upon us! But we are also deeply sorry for what happened to you Lin Ran, so neither of us had the heart to go to you!"

Li Mu Di and Fire One Sword laughed awkwardly.

"Understood!"

Lin Ran smiled and nodded, it was reasonable for the two to decide to stay in the Skywolf Domain, Lin Ran wasn't surprised.

However, Li Sheng actually wanted to follow him and leave, this was a great surprise to Lin Ran.

"I've been away from Temperance City for too long, I want to go back and see my father, besides I'm not from the Li family's inner clan after all, honestly! The fact that Elder Li and Elder Fire don't believe that you are innocent makes it very difficult for me, and I want to go back for a break!"

Lin Ran smiled, it was true that brothers who had been born into death together were the most trustworthy.

With a smile, Lin Ran then took Li Sheng into the small world as well.

After doing so, Elder Fire's voice once again sounded outside the door.

"Lin Ran! We've already discussed this, come out!"

A few moments later, on the walls of the Southern City Commander's Palace, Lin Ran looked at the crowd in front of him indifferently.

He could tell that Elder Feng's face didn't seem to look too good, and I'm afraid that and outcome wasn't what he wanted to see.

"Where are the people from your Southern City?"

Seeing that there were actually only two people in front of him, Lin Ran and Yu Chang, Elder Fire couldn't help but frown slightly.

"What? Do you need many people to come and listen to a decision announced by Elder Fire?"

Lin Ran said indifferently.

These people had naturally been put away by themselves, and with this situation at hand, I was afraid that the results announced by Elder Feng wouldn't be too friendly to himself, Lin Ran even lamented that he was really becoming more and more perceptive, it was lucky that he had put the crowd away in advance, otherwise he wouldn't be able to care when the time came to really fight.

Fire Elder smiled hard at his words, but he didn't say anything more, and spoke a moment later.

"After the three of us discussed it, based on things like the witnesses you provided before, we can temporarily rule out the matter of you being a spy sent by the foreign devil!"

"In addition, for the Dragon Family, in view of the fact that they have suffered quite a lot of damage in the previous three months of the war, and there is no suspicion of collaborating with the enemy, so for the time being, we can leave it for later observation!"

"Hehe!"

Lin Ran laughed at his words, he knew this would be the outcome.

The Mysterious Alliance had even given up on dropping the Chao Heavenly Pavilion in order to draw the Dragon Family in the first place, and although they were back now, it was impossible for the Mysterious Alliance to go back to the past for a while.

Moreover, the Dragon Family was after all a force that could be used directly, unlike the Chao Heavenly Pavilion, which mainly treated the wounded, and it would definitely be better to replenish the staff of the Dragon Family in times of distress.

Therefore, he was not surprised at all by this decision of the Fire Elder.

"Do you have something to say about this result!"

Elder Fire looked at Lin Ran.

Lin Ran, however, smiled blandly and said.

"What does your Mysterious Alliance's decision have to do with me, but I am reminding you one last time that it is I, Lin Ran, who has been to the Otherworldly Demon Realm, and I have said everything I should have said this time around, whether you listen or not is your own business!"

“If you get bitten by a dog in the future, don’t blame me for not saying in advance that this dog is not a good dog!”

“Who are you calling a dog!”

Long Yu was instantly furious.

“Did I say you were? So anxious to admit it?”

Lin Ran laughed lightly.

“You!”

Long Yu was so furious that his face turned blue, but he didn’t dare to really go forward and make a move, there was no way his strength was a match for Lin Ran nowadays.

“That’s enough, is there any point in pulling this useless shit?”

Elder Fire opened his mouth to scold, and then looked towards Lin Ran.

“Lin Ran! Before deciding on a policy for you, you must first tell us where this half-step God Creation Realm puppet came from?”

Elder Fire opened his mouth and asked.

Lin Ran smiled at his words but laughed.

“Yu Chang you tell them!”

“Got it!”

Yu Chang smiled smugly before sweeping his gaze disdainfully over the crowd.

“Listen carefully, my name is Yu Chang, and I am the last puppet made by Daoist Empty before his death!”

Said Yu Chang as he looked towards Old Man Fire, with disdain in his eyes.

“And you Old Man Fire, right, don’t think that just because you are a half-step Extreme Realm that you are powerful, you think that just because you have suppressed me by a large level that you can crush me?”

“I’m telling you, you can’t hurt me at all!”

Fire Elder’s eyes micronized at his words, but he didn’t say anything.

He did not refute, not much Yu Chang was telling the truth.

Yu Chang’s origin was too high, it was a puppet refined by Daoist Empty, although the material taken was not from the Immortal Realm, in Daoist Empty’s hands, Yu Chang’s perfection was even better than what he had refined before.

In puppetry, the most important thing is not the material, but the spirit.

Puppets are initially made to be dead things to look after the house, but why was Yu Chang able to give birth to spiritual intelligence.

This is the importance of spirituality. Every time the Empty Master makes a puppet, his understanding of the puppet deepens, and slowly the puppet becomes more perfect.

The perfection of the materials was easy to achieve, but the perfection of the spirituality needed to be accumulated over time, and it was precisely this last puppet that Yu Chang was refined, which is why his spirituality was the highest.

Why the Empty Daoist had asked Lin Ran to help him when he arrived at the Immortal Realm to find his own previously refined puppet when it was broken and give it to Yu Chang to use, was because he wanted to make his material more close to perfection as well.

“I won’t deny it, what you said is indeed true!”

Elder Fire spoke up.

The crowd was all surprised at the words.

A puppet that even the Fire Elder couldn’t hurt, and was still at the half-step God Creation realm, how terrifying must that be, I’m afraid that even if it was placed in the entire Mysterious Alliance, only the three Elders would be able to suppress it.

“Now you can announce your decision!”

Lin Ran asked indifferently.

What Mysterious Alliance’s decision, he didn’t care at all, he only wanted to leave the Skywolf Domain in a hurry now.

He wasn’t alone yet, he was carrying too much on his back, Song Nuan and the others were all in the small world at the moment.

If he couldn’t get out of here safely, the consequences were not at all what he wanted to see.

Fire Elder turned his head to look at Lin Ran and spoke after a moment of contemplation.

“In that case, let’s announce it now!”

“Given that you’ve been to the Fey Demon Realm and brought back many people with you, and even those in the Skywolf Domain who are closer to you, so those who are willing to leave with you we won’t stop!”

“But for the sake of the greater good, and in exchange for those people being able to leave with you, I must seal your strength until the war with the Fey Demon Realm is completely over!”

“You’re dreaming!”

As soon as the Fire Elder’s words fell, Lin Ran immediately chided.

Sealing his strength, wouldn’t he be like a lamb waiting to be slaughtered, how could he agree to that?

“You have to agree even if you don’t!”

Elder Fire chided.

“Furthermore, Yu Chang must also stay, he is the wealth left to the entire Mystic Alliance by Daoist Empty, not you Lin Ran alone! He must stay behind to fight the foreign devils together!”

“I give a fuck! I’m my own, when did I become your fortune!”

Yu Chang was instantly enraged at his words.

“If I were a puppet without a spirit, I would have calculated it, but now I have my own consciousness, you still think I’m a fucking commodity!”

“Not to mention you, even if all three of you were together, I wouldn’t even put it in my eyes!”

Yu Chang said disdainfully.

Lin Ran even laughed out loud at this point.

“Haha! How shameless!”

“You say that I’ve been to the Fey Demon Domain, fearing that I’m a spy sent by the Fey Demons, and actually want to seal my strength!”

“On the other hand, you are salivating over the puppet I, Lin Ran, brought back, don’t you think you’re shameless?”

“Lin Ran! Watch your attitude!”

Elder Fire said angrily.

“Attitude? Attitude also depends on who, what’s the difference between your kind of behaviour and a bandit!”

“Where were you when I, Lin Ran, was fighting to the death in the Fey Demon Domain? Where were you when I, Lin Ran, was trapped in the Lost City Ruins and almost died?”

“I managed to bring Yu Chang out, and now you’re saying that he belongs to your Mysterious Alliance!”

“Do you still have a face?”

Lin Ran’s words were cold and harsh, without any mercy.

“I told you, you’re dreaming! Today, not to mention Yu Chang, you won’t even be able to seal a single ounce of my strength!”

Chapter 1454

“Lin Ran!”

Elder Fire scolded with an ugly look on his face.

“This is a decision of the Mysterious Alliance,? It’s hard to believe that you want to betray the Mysterious Alliance!”

“Don’t speak so absolutely, is the Mysterious Alliance your Fire Family’s Mysterious Alliance? Or his Li family’s?”

Lin Ran retorted.

“The Mysterious Alliance of all people, if your will can represent the Mysterious Alliance, then I, Lin Ran, would have rebelled!”

Lin Ran said disdainfully.

The Burning Heart divine Pattern within himself was already useless, so what fear did he have.

He just didn’t want to reveal it too early before, but if the Fire Elder continued to be aggressive, then he, Lin Ran, wouldn’t be polite.

“Do you want to die?”

Fire Elder looked at Lin Ran with an icy cold face.

“You can try! I’m also curious to see just how big the difference between the Half-step Extreme Realm and the Fey Demon is!”

Lin Ran’s face was icy cold.

“You!”

The three Fire Elders heard this but their faces turned pale.

“You actually know our strength!”

“Hehe! I’ve seen the foreign devils with my own eyes, do you think the strength of the three of you is some kind of secret?”

Lin Ran was full of disdain.

“Lin Ran! Obey the Fire Elder, don’t forget that? You may have the Burning Heart divine Pattern inside you!”

Elder Feng was busy reminding, he was truly afraid that Lin Ran would be too rigid enough to end up in a mess with Elder Fire.

“Absolutely not!”

Lin Ran looked at Elder Feng with determination in his eyes.

“Why are you suffering like this!”

Elder Feng sighed.

Lin Ran smiled at his words but said with a bland smile.

“Why am I suffering? I now seem to have some understanding of why Wind Dust is still in the Fey Demon Domain after all these years!”

“You!”

Feng Lao was stunned.

“You keep saying that I am a disciple, and there are masters who would help others to bully their own disciples?”

“You keep saying you’re worried about Feng Chen, but you haven’t even bothered to risk going to the Foreign Devil Domain to save him after all these years!”

“I, Lin Ran, you and are different, so it is impossible for me to become your disciple, you have treated me with kindness, but that is the extent of it!”

Lin Ran said indifferently.

“I Lin Ran will not compromise on today’s matter, if you want to seal my strength, then use your life!”

“You seek death!”

Fire Elder was instantly enraged,? whirled and lunged towards Lin Ran with a slap.

“Get lost!”

Without saying a word, Yu Chang directly blocked towards the Fire Elder.

Yu Chang was a puppet body, so even if Fire Elder didn’t explode himself, it would be impossible for him to be hurt.

If there was anyone in the world who could hurt Yu Chang, it was only the Other Demon.

Unless the Fire Elder and the others also crossed the Extreme Realm, it would be impossible for them to do so.

“Yu Chang! This is none of your business!”

On the other side, Elder Li also suddenly rushed over and met Yu Chang.

“Get lost!”

Yu Chang was furious and threw a punch at Elder Li.

However, Li Lao waved his hand and easily defused it.

“You think that a half-step God Creation Realm puppet will allow you to run wild in front of me?”

There was an icy coldness in Fire Elder’s eyes, and with a flip of his palm he instantly slapped his hand towards Lin Ran.

“I’ve never relied on puppets to be wild!”

Lin Ran’s eyes were icy cold as he followed and actually slapped his palm towards the Fire Elder as well.

“Seeking death!”

There was disdain in the Fire Elder’s eyes.

Feng Lao on the side also looked worried, and he had even made up his mind that if Lin Ran was defeated later, he would have to stop Fire Lao no matter what he said.

Feng Chen had already been suppressed in the Fey Devil Domain for so long,? He really didn't want to be seeing Lin Ran imprisoned as well.

And at this time, the crowd of generals below the southern city also look is to see each face change greatly.

The three Feng Lao were able to act as the three elders of the Mysterious Alliance, so naturally, they were each incredibly strong.

However, now, Lin Ran actually dared to fight with the Fire Elder, which simply refreshed their perception.

It had only been four years ago that Lin Ran was only their commander, an existence at the Qi Creation Realm, but now he actually dared to fight with the Fire Elder, regardless of whether he won or lost, this boldness alone made them admire him.

“Bang!”

The palms of the two instantly collided together, and terrifying power instantly swept away.

However, just when the crowd thought that Lin Ran would definitely be blown backwards, a scene that shocked the crowd appeared.

They saw that Lin Ran only took a few steps back, while the Fire Elder also took two steps back.

Not to mention the Fire Elder, who was a half-step Extreme Realm existence, but Lin Ran actually didn't even have a single injury.

“Your strength, how is that possible!”

Old Fire's eyes were filled with shock, and even Old Li and Old Feng at the side had shock in their eyes.

The two of them were well aware that Elder Fire was at the Half-step Extreme Realm, and this palm was simply impossible for an ordinary Dan-making Sutra to resist.

Even if Yu Chang took it, he would have to fly backwards.

But at this moment, Lin Ran was actually unhurt, and even more so, he only took two steps back.

“Surprised?”

Lin Ran looked at Fire Elder with a cold smile in his eyes.

“Do you think that half-step Extreme Realm is very powerful?”

Lin Ran chided, following which his entire body's aura suddenly soared, a terrifying mid-God Creation Realm aura pervading all directions.

It caused the crowd of generals below to tremble on their legs and want to kneel down.

“Middle God Creation Realm! How can you possibly!”

Old Fire was also furious now, and Old Li and Old Feng at the side were even more shocked as they looked on.

For so many years, there were indeed many strong Dan Creation Scripture practitioners in their Mysterious Alliance, but there were only a few at the God Creation Realm.

The most important thing was to break through the God Creation Realm to the Extreme Realm.

Otherwise, for so many years, there wouldn't have been only three of them at the half-step extreme realm level.

"Lin Ran! Your strength!"

Elder Feng was also full of shock when he saw it and was busy asking.

"Is there a problem with my strength?"

Lin Ran laughed lightly, then looked at Elder Fire and the others and said in a cold voice.

"Do you all think I've had a good time these four years in the Fey Devil Domain? You guys thought that being suppressed under the Sea of Blood and nearly having your souls scattered was also fun?"

"If you want to seal my strength, you'll also have to come up with something to trade with me!"

Lin Ran looked at the Fire Elder.

"You! Even if you're in the middle stage of the God Creation Realm, so what!"

There was an icy coldness in the Fire Elder's eyes, and in the next moment, his palm flipped and a ball of flame appeared in his hand.

"Fire Elder can't, this true fire will burn him to death!"

Seeing this, Elder Feng immediately rushed out and blocked Lin Ran.

"This brat doesn't obey the Mystic Alliance at all, what's the use of keeping him!"

Elder Fire chided.

"It's disobeying you, isn't it! Come on!"

Lin Ran looked at Elder Fire without the slightest retreat.

"You seek death!"

The Fire Elder's eyes were icy cold, and regardless of the three or twenty, he directly flung the flames in his hand towards Lin Ran.

"Fire Elder cannot!"

Elder Feng panicked at the sight of this,? However, the next moment, Lin Ran's action took him by surprise.

The saw that Lin Ran actually rushed up into mid-air in an instant, causing those true flames to run straight over as well.

Lin Ran stood in mid-air with madness in his eyes, not even dodging, the next moment he waved his hands directly and a violet-gold bottle appeared in his hands, it was the Qiankun Violet Qi Bottle.

“Collect it for me!”

Lin Ran roared, and instantly a terrifying suction force engulfed towards the True Flame.

In the next moment, everyone was surprised to see that the violet-gold bottle in Lin Ran’s hand had actually sucked the True Flame in.

Chapter 1455

This True Fire was a divine ability that only the Fire Elder could perform.

The three of them, Fire Elder, had stayed at the Half-step Extreme Realm for many years, although they had not crossed into the Extreme Realm.

But they also had some sense of the Extreme Realm.

For example, this True Fire was technically a means that was enlightened after sensing the Extreme Realm.

Before it was enlightened, he wouldn’t have been able to do it either.

That was why the attacking power of this True Fire was very strong, just like the reaction of Pure Yang True Blood when it encountered Demon Blood.

This true fire even for Lin Ran at this moment, if he didn’t use the Qiankun Violet Qi Vase, he would be burnt to ashes if he was scorched for ten minutes.

This was also the reason why Elder Feng was worried about him.

Only at this moment, when he saw this Qin Kun Violet Qi Vial, Elder Feng couldn’t help but breathe a sigh of relief.

“It seems that this kid has had many strange encounters in so many years recently!”

Elder Feng said with emotion in his heart.

However, the Fire Elder on the side had that look on his face, and suddenly he could only see his palm squeeze, and instantly the true fire that was being swallowed into the Qiankun Violet Qi Vase exploded away violently.

“Bang!”

With a loud sound, Lin Ran, along with the entire Vase of Violet Qi, flew backwards.

Lin Ran also instantly spurted out a mouthful of fresh blood.

The power of this true fire was too strong, and even though only a small portion of it had exploded at this point, the power had caused Lin Ran to suffer injuries.

“Humph! Taste the power of your own!”

Lin Ran roared in anger, following which the True Flame in the Qiankun Violet Qi Vase actually emerged once more, only this time it was blasted towards the Fire Elder.

“Hm?”

The Fire Elder’s face sank at the sight, and he just wanted to dodge.

However, the next moment, he saw a cold smile on the corner of Lin Ran’s mouth.

Then, he heard a loud bang, and the true fire that was sweeping towards him exploded instantly.

Even the Fire Elder was a little tired of dealing with the explosion at close range, although he managed to dodge it at the last moment.

But the force from the explosion had blackened his face, and his hair stood on end, making him look very distressed.

“Lin Ran!”

Elder Fire was instantly furious,? It was the first time he had suffered such a loss in all these years, so he couldn’t take it, and immediately lunged towards Lin Ran to kill him.

Lin Ran had fierceness in his eyes and was not afraid at all.

“Stop!”

Elder Feng shouted from the side, but at that moment it was already too late.

The Fire Elder and Lin Ran were almost instantly locked in a struggle.

The speed of the two was so fast that no one else below, apart from Elder Feng and Elder Li, could see the exchange of blows clearly.

However, the crowd could tell that the two people who were struggling together at this moment were clearly taking the initiative, with Elder Fire taking the lead over Lin Ran.

However, seeing this result, the crowd was already very shocked.

Lin Ran, who was just a small commander four years ago, was now able to fight with Fire Elder like this, a speed of progress that shocked them all.

“Get the hell out of here!”

The Fire Elder was chagrined, and his strikes were killing moves, causing Lin Ran to be exhausted.

The Half-step Extreme Realm was ultimately stronger than him, and Lin Ran couldn’t admit it even if he didn’t.

In just a few minutes, Lin Ran’s body had already been wounded in many places.

On the other hand, Fire Elder was not much better at this point. Lin Ran’s hand was also very black, leaving many wounds on Fire Elder’s body as well.

One of them was still on Fire Elder’s face, which Lin Ran had used his own injuries for.

“Stop it, you guys!”

Elder Feng had already rushed to the two by now, blocking between them.

“Get out of the way!”

There was killing intent in Elder Fire’s eyes.

Lin Ran, however, was not the least bit afraid.

“Who’s afraid of who! Come on!”

“You really think I don’t dare to kill you!”

There was a cold aura in Elder Fire’s eyes.

“That’s enough!”

Elder Feng couldn’t bear to look at this and scolded.

“What are you doing? Old Man Fire, you too, Lin Ran is after all a meritorious member of our Mystic Alliance, go and look at the Battle List Order, how many merits he has made all by himself! If he had become a Fey Devil in the Fey Devil domain, would his merits have been this high?”

“So what, who knows if he colluded with the Fey Devils!”

Elder Fire chided.

“Right! I am the one who is in good tradition with the foreign devil, why are you looking for so many reasons to kill me, even if I, Lin Ran, die in battle today, you are still better off than you think!”

Lin Ran said coldly at this point he was also red with fighting.

“Come on, is it fun for you guys to do this? Will it solve the problem?”

Feng Lao had helplessness in his eyes.

“Take a step back each!”

Elder Feng said, looking at Lin Ran as he said that.

Lin Ran knew clearly in his heart that Elder Feng was looking for a way back for himself, after all, if he really tore his face off completely with Elder Fire, the one who would die in the end might really be himself.

He was a half-step extreme realm, and Lin Ran could not deny his strength.

Even if he could kill Lin Ran in the end, I was afraid that he would still end up seriously injured.

“How about a step back each!”

Elder Fire asked in a cold voice as he looked towards Elder Wind.

“Let Lin Ran himself promise to stay out of the war until the great war with the foreign devils is over, so that it won’t matter if he’s from the foreign devils or not!”

“You should also not be mentioning the matter of sealing your strength!”

Elder Feng spoke up.

Hearing this, Elder Fire was silent for a moment and spoke.

“This matter can be promised, but Yu Chang must return to the Mysterious Alliance!”

“You’re dreaming!”

Lin Ran’s face, which had improved somewhat, suddenly turned ugly again.

“I don’t approve of this matter of Yu Chang!”

Elder Feng spoke up.

“Yu Chang was brought out by Lin Ran after all, and he already has his own spiritual intelligence, we can’t restrict him from going wherever he wishes, otherwise there’s a difference between him and a foreign devil!”

Fire Elder was stunned at his words, and his face was a little embarrassed.

But what Wind Elder said was also correct, before he saw Yu Chang’s strength was extraordinary, and as a puppet was very resistant to beatings, so he started this idea, at this time when he thought about it carefully, he was indeed a bit too much.

“Surprisingly, there is no objection, then the matter is settled!”

Elder Feng said.

“Wait!”

Lin Ran, however, suddenly spoke.

“What else do you want!”

Elder Fire’s face turned ugly again.

Lin Ran gave him a bland look before saying.

“I can stay out of the next war, I didn’t want to participate in the first place, and Yu Chang must come with me! One last thing, I will not be guilty of any of the people who premeditatedly forced me into the Fey Demon Realm in the first place, and you Mystic Alliance must not interfere! Or else there will be no negotiation!”

“Including whatever bullshit Third Elder and those disciples you trained yourselves, I won’t spare a single one of them! My Chao Heavenly Pavilion’s stuff will never be allowed to be passed on outside!”

“Bullshit! The things of the Chao Heavenly Pavilion are reserved for the entire Mystic Alliance by the Nine Spectral Maidens!”

Fire Elder He Chi said.

Lin Ran laughed at his words, however.

“When did my senior sister say that it was left to the Mysterious Alliance, I’m afraid you were still wearing crotchless trousers at the time! And the Mysterious Alliance!”

“Your senior sister?”

Fire Elder’s face turned a few shades more ugly at his words.

Lin Ran, on the other hand, sneered.

“That’s right, the Nine Mysterious Maidens are my senior sister! Now do you still think that something of hers was left for your Mysterious Alliance?”

“What mysterious alliance, in my opinion! You’re just a bandit!”

Lin Ran said disdainfully.

“You!”

Fire Elder was furious, but Wind Elder was busy speaking to.

“It’s settled, the Mysterious Alliance won’t interfere!”

Fire Elder smiled and wanted to say something else, but after thinking about it carefully, he gave up, if the fight really went on, even if he killed Lin Ran, he would have to be seriously injured.

And compared to these backup forces of the Third Elder, the preservation of his own strength was the most important thing.

“I can agree, but Long Yu! You can’t move! Otherwise there’s no deal!”

“Long Yu? Haha! That’s left to you, so when the time comes for him to lead the Long Family into rebellion, you won’t come begging me!”

Lin Ran snorted coldly, and then greeted him with a wave of his hand.

“Yu Chang! Let’s go!”

With that said, the two rushed towards the leaving teleportation array without a trace of lingering!

Chapter 1456

Lin Ran was carrying Yu Chang, a half-step God Creation realm and a middle God Creation realm, this strength naturally rushed as fast as it could.

Soon the two disappeared from the sight of the crowd and left the Skywolf Domain.

Watching the two leave, Elder Fire’s face then looked a little better.

“I hope this Lin Ran won’t really be a spy of the Fey Demons in the future, otherwise we’ll have to face enemies on our backs!”

Elder Fire spoke.

Wind Elder smiled but said indifferently.

“Expect to worry about Lin Ran, I think it’s better for you to worry about but the Dragon Family and Yue Family, Lin Ran is one even if he is strong, but these two are two forces!”

After saying that, Elder Feng turned around and left.

Fire Elder turned his head to look at Long Yu at the side, with helplessness in his eyes, then Li Elder also left the place.

Long Yu had wanted to say something, but when the words reached his mouth, he eventually swallowed them back, he knew that when things had developed to this point, it was already the bottom line of Fire Elder.

Of course, it was also Lin Ran’s bottom line.

It was hard to find the bottom line of the two, if he opened his mouth, I’m afraid he would become a target.

.....

The actual fact is that you can find a lot of people who are not able to get a good deal on a lot of things.

The two of them were able to rush back to Tamagawa City in just one day with the help of their best efforts.

During that time, Yu Chang was also attracted by the various fun things in the busy city, but in the end, he did not delay his journey.

“Finally, we’re back!”

Looking at the familiar place in front of him, Lin Ran couldn’t help but feel a sense of regret in his heart.

In the past, every time he went out, it didn’t take long to come back, but this time he had been gone for four years, and it really felt like a lifetime ago when he came back again.

“Let’s go back!”

Song Nuan laughed, and several other people also stood next to him with smiles on their faces.

At this moment, there was nothing that made them happier than Lin Ran’s return.

The crowd drove and went straight back to the Coiling Dragon Mountain Manor, which was also considered Lin Ran’s home, during his absence for a long time, the four women had lived here, only later did they move to Wuzhen after hearing that he had gone to the Foreign Demon Domain.

Back at Panglong Mountain Manor, Lin Ran did not relax in the slightest, thinking he knew he still had a lot of things to do to get things done.

The people who had designed the trap that had allowed Wang Yifeng and Long Ya to be captured by the Wolf King and forced himself to enter the Fey Demon Realm, as well as the Third Elder and those disciples he had trained, all needed to be dealt with by him.

But there was no rush at the moment, the current him had plenty of time.

“I just don’t know how the Fey Demon will actually be!”

Lin Ran suddenly remembered the foreign devil, thinking carefully it seemed he didn’t have much time, the foreign devil had now crossed into silence, before that it had even launched a full three months of great war, it seemed to be plotting something, he also had to improve his strength as soon as possible to deal with it carefully.

“Why are you still frowning when you’re back, can’t it be that you still want to leave!”

Lin Ran was thinking, but the four women walked over.

“There’s no time to finish things, and the situation is not peaceful now, so I need to plan carefully!”

Lin Ran said.

“What else is not peaceful, there is no difference between you and quitting the Mysterious Alliance now, anyway, even if that what’s-it-all demon world attacks, there is still the Mysterious Alliance’s to carry the load, it won’t be your business!”

Luo Qiqi was busy saying.

“That’s right, that Mysterious Alliance even treated you so badly before, why do you still care about them!”

Qin Bing also said.

“That’s not how things are said, there’s a saying you should all have heard before, who will fight when the sky falls?”

Lin Ran looked at the four women.

“A tall one!”

Su Rou said.

“Right! I’m the one who’s not too small!”

Lin Ran sighed.

“Alright, go to the courtyard, it’s time for some things to be done!”

Said Lin Ran as he got up and walked straight out towards the courtyard.

Seeing this, the four women knew what Li Ran was up to, and immediately followed him out as well.

Outside the courtyard, Lin Ran quickly arrived in a garden, and with a wave of his palm all of them appeared in front of him.

Looking and these people, Lin Ran’s heart also sighed for a while.

Many of them were the ones who had followed Lin Ran when he was in the Fey Demon Domain, and others who had followed him out of the Sky Wolf Domain, and it was time to part ways.

“Yuwan! You come out!”

Lin Ran looked at Yuwan and spoke.

“Duke!”

Fishing Wan walked out from the crowd, her face clearly marked with reluctance.

“I’ve fulfilled Fishwan’s promise and brought you out of the Fey Demon Domain, so pack up and I’ll arrange for someone to send you to meet with Fishwan tomorrow!”

Lin Ran said.

“Yes Duke!”

Fishing Wan bowed respectfully, although she wanted to stay by Lin Ran’s side, she knew that Lin Ran was not short of someone like herself.

Moreover, as Fisherman’s Song was still waiting for herself, she could only leave.

“The domain boundary that Elder Feng has opened up for you should be very safe, so you can live in it without worry when the time comes, no one will bother you!”

Lin Ran said.

“Mhmm!”

Yuwan nodded before walking to the side.

Lin Ran only then turned his gaze back to the little girl that Zhao Yu and Xu Yuan had left behind at the side.

Seeing this, Zhao Yu couldn’t help but tighten her grip on the little girl’s hand a few notches.

“You said that you would let her follow me!”

Zhao Yu looked at Lin Ran, very nervous.

“I will naturally do what I said!”

Lin Ran said indifferently, while taking a bank card from the Grand Elder’s hand at the side and handing it to Zhao Yu.

“There’s fifty million dollars on it! Go back and live well!”

“You’re giving me a handout?”

Zhao Yu was stunned, and then asked.

“You think too much, you’ve been away for four years, now you don’t even have a job, you need money to raise your child, and you also need to solve her account problem, all these need money!”

“Besides you don’t catch to go to the foreign devil domain in the end and I also have a thousand and one relations, it is considered compensation! Even if you for the sake of the child, do not refuse!”

Lin Jeanne said and put the card into Zhao Yu’s pocket.

“I will send someone to send you back!”

“I know!”

There was mist in Zhao Yu’s eyes, but soon she took a long breath and turned around to leave with the little girl.

She knew that she and Lin Ran could no longer go back to the past, they could never go back!

“Send someone to secretly protect them!”

Lin Ran said as he rushed to the Grand Elder at the side.

“Yes, Pavilion Master!”

The Grand Elder nodded his head.

Although the Mysterious Alliance did not seem to be tangling with Lin Ran about anything, Lin Ran had too many enemies in secret, the Dragon Family Yue Family were and likely to strike at Lin Ran.

Moreover, I am afraid that the foreign devils will not let themselves go, so sending someone to protect Zhao Yu for a while recently is also a must.

Zhao Yu soon left with the little girl.

Only then did Lin Ran turn his head and continue to look at the remaining people.

“What about you guys? Want to stay or go back?”

Lin Ran looked at Ling Sa and Long Ya.

“I’m going to meet home for a look!”

Long Ya opened her mouth, but Ling Sa did not speak with some hesitation.

At this moment, the Grand Elder on the side was suddenly speaking.

“Pavilion master! Miss Long Ya to go home this thing I’m afraid I have to remind a word!”

“What is it?”

Lin Ran turned his head to look at the Grand Elder.

The Grand Elder said with a sigh.

“Ai! There have been some changes in the Long Family, and it seems that the Long Xu faction has left the Long Family!”

Chapter 1457

“Where did my father go?”

Hearing this news, Long Ya’s heart couldn’t help but tense up.

Lin Ran was also frowning slightly.

“Miss Long Ya, don’t be anxious, listen to what I have to say slowly!”

The Grand Elder said.

“When Long Yu was ready to work with the Third Elder, Long Xu was against it, but unfortunately, Long Yu is the head of the Long Family, so this matter was not stopped in the end!”

“Then I heard that Long Xu had left the Dragon Family in hiding with part of his people! Originally I thought they would never come out!”

“But just now some of them contacted the Chao Heavenly Pavilion, hoping to pick up Miss Long Ya and return!”

“Where are they?”

Long Ya asked busily.

“In the Chao Heavenly Pavilion, so hand Miss Long Ya if she wants to go back, she can only go with them and never return to the Nanyang Dragon Family!”

“I know!”

Long Ya nodded her head, then looked at Lin Ran.

“I miss my father, I’ll come back to you after I’ve been gone for a while!”

“Mhmm!”

Lin Ran nodded without saying much, in fact he was also a little unsure of what to do.

Song Nuan and the four daughters were fine, after all they were girlfriends and friends they knew each other’s thoughts, but Ling Sa and Long Ya he was at a loss as to how to explain to the four daughters.

“I’ll go first!”

Long Ya greeted, and left under the arrangement of the Grand Elder.

Having not returned for over four years, Lin Ran also understood her desperate desire to return and see her father.

So he didn’t stay either.

“What about you?”

Lin Ran looked at Ling Sa.

“I want to go back too!”

Lindsay spoke after pondering.

“But I should be back soon, after all, you know my relationship with the division!”

“Hm!”

Lin Ran nodded his head.

When Lin Ran and Ling Sa were going to participate in the war of the Mysterious Alliance, back then Granny Mei Hua did not want to let anyone go, it was just that so many years had passed and Ling Sa had been in the Skywolf Domain for a full four years, at this moment, seeing Lin Ran return safely, she also wanted to make a trip back to the Mei Hua Sect.

“Have a safe journey!”

Li Ran still did not stay, and Ling Sa soon left as well.

And by this point, the only people left in front of them were those few.

“Brother Lin Ran! You don’t have to worry about me, my car is already waiting at the entrance!”

Li Sheng took the initiative to stand out and smiled.

“Mmm! See you later!”

Lin Ran laughed.

“I’ll come to you tonight, I’ve made a deal with Fatty to get drunk tonight!”

Li Sheng laughed.

“That’s fine!”

Lin Ran laughed, he hadn’t seen him for so many years and he missed what it was like to get drunk.

“Hey, I’ll say this first, I’m not staying at your Panglong Mountain for the next four years, let’s have a good drink tonight, I’ll go find my Xiao Cui first thing in the morning!”

Wang Yifeng laughed.

“Damn fatty, you’re in such a hurry!”

Song Nuan on the side couldn’t help but laugh at his words.

“What do you know, after four years of separation, I almost died in the foreign devil domain, I have already thought about it, this time when I find Xiao Cui, as long as she is not married, Master Fatty I must marry her!”

Wang Yifeng said.

“Then I wish you a speedy success!”

Luo Qiqi laughed.

“What do you mean by early success, look at your uneducated look! And a rich girl!”

Wang Yifeng said with contempt.

Luo Qiqi smiled and didn’t say anything, there was a mist in everyone’s eyes, they hadn’t done this kind of joking and fighting for many years.

And now they were finally relieved, Lin Ran was back, Wang Yifeng was back, the people they cared about were finally back.

“What about you guys?”

Lin Ran looked at the three of them, Leng Zhan and the others had been waiting in the Sky Wolf Domain for so many years, just like Ling Sa, and now that he had returned, they had followed suit.

“Boss! We don’t have anywhere else to go, we just want to go see Master Yu!”

Leng Zhan smiled.

“Mm! Then you guys go! We’ll go to see Master Yu tonight too! Have a drink together!”

Lin Ran laughed.

“Yes!”

The three Leng Zhan smiled, and immediately ran out.

“Boss I’m going too!”

Li Ba was busy saying and followed, also chasing towards Leng Zhan’s trio.

And by this point, the only one left was Wolf Ba.

“I

Wolf Ba was a little embarrassed, he was from the Other Demon Domain and had thought of making a name for himself in the Other Demon Domain with Lin Ran, but who knew that he would be brought directly out with Lin Ran.

His status was rather special, and he would probably be hunted by the Mysterious Alliance people outside, and at this point there was no way he could be returning to the Other Demon Realm, which would be difficult.

“You can stay here on Coiling Dragon Mountain for the time being!”

Lin Ran was also helpless and spoke.

“Alright!”

Wolf Ba nodded, he didn’t have a choice, where else could he go without bringing it here?

Although he had arranged for Wolf Ba to stay at Panglong Mountain, Lin Ran was not worried at all, not only did he have himself at Panglong Mountain, but he also had Yu Chang, even if Wolf Ba wanted to do some damage, he would have to weigh it up.

After arranging for everyone, Lin Ran went back to the villa again.

Sitting alone on the third floor balcony, Lin Ran’s mood was not the least bit relaxed.

It was true that he had been happy for a while when his strength had reached the middle stage of the God Creation Realm, but it was only after he had fought with the Fire Elder that he realised that his current strength was still somewhat inadequate in front of them.

“The foreign devil breaking through the Extreme Realm is so much stronger than Fire Elder and the others, while the half-step Extreme Realm Fire Elder is so much stronger than me! Ai! The God Creation Realm is still weak after all!”

Lin Ran lamented, this time if he didn't have Yu Chang, and Qing Zi's sake I'm afraid it wouldn't have been easy to deter the Fire Elder.

Although the pillow side book was very powerful, as long as he made a move even if he faced the three Fire Elders he wouldn't be afraid.

But after all, the Pillow Book could not help him all the time, and if he fell into a deep sleep again due to his excessive power consumption, then everything would be over then.

This was also the reason why Lin Ran had kept the Pillow Book out of the way as much as possible.

Throughout the afternoon, Lin Ran spent his time on the balcony by himself, thinking about his thoughts, and just talking to the four girls about something else.

After all the fighting and wrestling that had been going on for so long, this sudden silence actually made him a little uncomfortable.

The time soon arrived in the evening.

Lin Ran had not yet gone out, but the three of them, Leng Zhan, had already come running back with Master Yu.

Wang Yifeng had already prepared wine and food, and Lin Ran no longer thought much about it when he saw this, his strength naturally had to be improved, and this revenge naturally had to be avenged, but right now he also needed to relax and unwind.

“Master!”

Seeing Lin Ran again after so many years, Master Yu was very excited and even wanted to kowtow at one point.

Luckily, he was stopped by Lin Ran.

“How is it? How have you been these past few years?”

Lin Ran asked with a smile.

“Not too bad, I no longer care about the shop side, I have completely handed it over to the two Lin Hong siblings!”

Master Yu laughed.

“How are they both doing now?”

Lin Ran asked with a smile.

“Doing very well, they've been living in the pavilion since they graduated! As you know, I have no children here, so they are like my children and daughters!”

Master Yu laughed, there were even tears in his eyes.

Lin Ran smiled at this and patted Grandmaster Yu's shoulder before saying.

"Alright,? Let's not talk about that, come tonight is to drink!"

Chapter 1458

The meal lasted until midnight, and only when even Wang Yifeng was completely unable to resist his drunkenness did the party break up.

Lin Ran had also not drunk so much for a long time, and went to the roof alone, blowing in the cold wind of the night.

"Extreme realm! Half-step Extreme Realm! What exactly is the Extreme Realm?"

Lin Ran looked into the mid-air and laughed.

In cultivating a path, the level of enlightenment determined the level of one's strength.

Lin Ran's realm was within the Lost City Ruins, and his perception of the Dao was at the God Creation Realm.

And now his strength had even reached the middle level of the God Creation Realm.

If he wanted to move up, he had to continue to comprehend what the Extreme Realm was!

"The so-called Extreme Realm requires some kind of power in oneself to reach the extreme!"

Suddenly, the pillow's voice rang out in his mind.

"You know?"

Lin Ran asked with a smile.

"Nonsense! Master Book I don't know anything, it's just that I can only help you analyse this extreme realm, no one knows what path you will eventually walk out of!"

The Pillow Book laughed.

"Why do you say that!"

Lin Ran did not understand.

"The so-called extreme realm is actually more like a crossroads where you must understand which path you want to take and ultimately walk to the end before you can cross into the positive realm!"

The Pillow Book said.

"I looked up a lot of information during the three years you were in a coma in the Fey Demon Realm, and this Extreme Realm is kind of like something that makes you make a choice!"

"For example, Fire Elder, he's very good with fire, that true fire he had last time we fought was a product of the half-step Extreme Realm!"

“And Wind Elder, if I’m right, his best skill should be the Dao of Wind!”

“You can understand it like this, it’s like an attribute on your way to cultivation, whether it’s wind, fire, lightning or whatever! You always have a bias!”

“And this extreme realm is to allow you to bring out the ultimate in what you are good at!”

With that, this pillow book flipped his palm and suddenly the Condensing Frost Sword emerged.

“Sword dao is also a dao, daggers are also a dao, it all depends on which dao you are best at!”

“Which dao is the best at?”

Lin Ran was a little bewildered at his words, what dao was he best at?

To be honest he didn’t even know himself.

The Dao of the Sword? No, he still consumed swords from the time he was training at the Mystic Alliance, to say that he had a very body paranoia about swords, like a sword nerd, he didn’t count at all.

Daggers? That was even less so, the dagger was just a weapon to Lin Ran, a magic weapon.

His dao was not here.

“Then what exactly is the Dao I am pursuing?”

Lin Ran asked himself, but he didn’t know himself.

“Right! That’s the biggest problem you have right now, to cross into the Extreme Realm, first aid must figure out exactly what Dao you want.”

“Only when you have found your dao can you move on, otherwise you will have no direction at all!”

The pillow said.

Lin Ran nodded, pondering, just what dao did he really want? Even he himself didn’t know right now.

“There’s no rush, my current strength is only in the middle of the God Creation Realm, it’s not too late to consider the Dao when I reach the peak of the God Creation Realm!”

Lin Ran consoled himself in his heart, finding his own Dao was very difficult, let alone enlightening himself.

Wind Elder, Fire Elder and Li Elder, had crossed into the half-step Extreme Realm for how many years, and they hadn’t still not enlightened themselves about their Dao.

This alone would show that even if Lin Ran found his dao, it would be impossible for him to comprehend it in a short period of time.

Unless he could experience killing every day, like he did in the Fey Demon Realm!

This was because the only way to improve one’s strength was to keep killing and sharpening with enemies in battle.

Lin Ran sat cross-legged in front of the windowsill and fell into cultivation.

Throughout the night, he cultivated and at the same time pondered over his own path, what path did he want to follow, and which one was the most suitable for him?

As the night passed, Lin Ran was not tired because he hadn't rested well, but rather because his cultivation had left him refreshed.

At his level, sleep was no longer of much use to him.

After washing up and leaving his room, he was greeted by the sight of the Grand Elder.

"Pavilion Master, Grandma has borrowed it!"

The Grand Elder said respectfully.

Lin Ran was stunned at the words, and there was excitement in his eyes.

"Take me there!"

"Yes!"

The Grand Elder busily led Lin Ran to the garden.

From a great distance, Lin Ran could see the four Song Nuan daughters accompanying his grandmother around inside the garden.

The moment he saw his grandmother, Lin Ran's eyes reddened.

He hadn't thought about it that much when he was deep in the Otherworldly Demon Realm, but only when he really came out at this moment did he feel scared.

If he hadn't been able to get out of the Otherworldly Demon Realm, wouldn't his grandmother have no family in the world!

Thinking of this, Lin Ran felt a pang of guilt.

"Grandma!"

Lin Ran busily opened his mouth and shouted.

The grandmother was stunned and turned around. When she saw Lin Ran, there were clearly tears rolling in her eyes.

There had been no news of Lin Ran for four years in a row, which was undoubtedly cruel to her.

There were even times when she wondered if Lin Ran had.

Fortunately! Fortunately, she saw Lin Ran again today, and her heart could finally settle down.

"You brat, where have you been! Trying to scare grandma to death!"

Grandma hugged Lin Ran and complained, but the tears in her eyes couldn't help but flow down.

"I'm sorry grandma, I haven't contacted you for four whole years!"

Lin Ran's heart was filled with guilt.

“It’s okay, it’s okay! I’m relieved to see that you’re alright!”

Grandma laughed, although there were tears on her face, they were also tears of happiness and joy.

“Grandma, let me take you around the garden!”

Lin Ran was in a good mood and immediately acted as a tour guide, accompanied by the four daughters as they walked around the garden together.

Grandma was also in a good mood, especially when she saw Song Nuan and the four girls, she was smiling incomparably brightly.

But in her heart she was a little helpless, this boy Lin Ran had many beautiful women around him, but he had not married until now, and he had not even left himself a big fat grandson.

But she gradually looked away, Lin Ran was old enough to have his own ideas, and she also believed that Lin Ran was not the kind of person who only knew how to have fun.

For the next whole week, Lin Ran spent every day, apart from accompanying his grandmother around the garden, just taking her around the major scenic spots in Tanjiang City.

These were also the happiest days in Lin Ran’s life, and certainly the happiest days for Song Nuan and the others.

There were no worries, let alone fights, and everything seemed like a return to a normal life.

But Lin Ran knew that things were far from over, and that the dark surges were hidden behind the calm.

A week later, Grandma left, and before she left she said.

“I’m relieved to see you safe! Take care of yourself, grandma is fine in the countryside, the village is also developed now, Yingzi will visit grandma when she has nothing to do, you have a good time out there!”

“Grandma, don’t worry, I’ll finish everything as soon as possible and go back to be with you!”

Lin Ran said solemnly.

He could well understand the saying that children want to raise their parents but not their parents, he himself had not had parents since he was a child, so the matter of doing his filial duty could only come from Rinran.

Now his grandmother was still in good health, if he waited a few years, by the time his milk was getting older, Lin Ran wouldn’t have the chance to go and do his own business if he wanted to.

“The foreign devil! Wang Kun, I will definitely settle you all as soon as possible!”

There was determination in Lin Ran’s eyes.

Chapter 1459

After Grandma left, that evening.

“Pavilion Master, Miss Ling Sa has returned!”

Lin Ran was reading a book in his study when suddenly the Grand Elder walked in and said.

“Mm!”

Lin Ran nodded his head, then he got up and walked out.

Ling Sa had already changed into her fiery red clothes, and her entire body looked very spirited, but when Lin Ran saw her face, it was obvious that something was not right.

He saw that at this moment, Ling Sa’s face was pale, there was anger in her eyes, and her two eyes were even redder, as if she had cried.

“What’s wrong?”

Lin Ran busily asked.

“The Plum Blossom Faction The Plum Blossom School is gone!”

Lin Ran said and her eyes turned red.

“No more?”

Lin Ran was stunned at his words, as if he had already guessed something.

“It’s the Dragon Family’s people! They were the ones who destroyed the Plum Blossom Sect!”

There was anger and killing intent in Lin Ran’s eyes, while her palm reached out and all she could see was a torn piece of cloth appearing in her hand.

The piece of cloth was embroidered with a fine thread with the word ‘dragon’.

“This is what Master is holding tightly!”

Ling Sa said, already sobbing a little.

“It’s alright! I’m here!”

Lin Ran gently swept Ling Sa into his arms and comforted.

Seeing this, the Grand Elder on the side knew that the time had come, and immediately found Song Nuan and retrieved all the information they had investigated earlier.

“Get your emotions together, if your master is still alive he definitely doesn’t want to see you like this, what they have done, we will definitely return it a thousand times over!”

Lin Ran said, while pulling this Ling Sa back inside the villa.

In a secret room, Lin Ran, Ling Sa, Song Nuan and the four women, as well as the Grand Elder, were all gathered in front of a table.

On the table was a thick pile of information.

“Pavilion Master, for so many years we have already mapped out the trajectory of everyone in the Long family, including the Third Elder, very thoroughly, it’s just that Miss Song Nuan has said that she wants to wait for you to return to take action personally, so we have not taken action!”

The First Elder said respectfully.

“You guys have done a good job!”

Lin Ran nodded, while pulling out a random piece of information from these and placing it in front of him.

“Xu Mao! Male, twenty-four years old, one of the disciples taken in by the Third Elder, home for rest every Friday of the month!”

Looking at the information and photo on the profile, Lin Ran had an icy coldness in his eyes.

“After resting for so long, it’s time to start!”

With that said Lin Ran directly picked up all the thick pile of information, and then walked out towards the outside of the secret room.

At this moment, outside the secret room, Coldcut Old Cat and Ah Zhan had all come, and even Li Ba and Wolf Ba had also come.

“There are a hundred copies of information here in total, I don’t care what method you use, you must finish unprocessing them all tonight!”

Lin Ran said with a flip of his palm, and instantly five bottles of pills appeared in his hand.

“These five bottles of elixirs are specially refined by me, as long as these people are allowed to take them, any memories about the Chao Heavenly Pavilion they will forget and parcel out the medical skills they have learnt!”

“All you have to do is to take one each, no one can be left out!”

“Understood!”

Leng Zhan and the others nodded respectfully, and immediately Leng Zhan, Ah Zhan, Old Cat and Li Ba left with the list of one hundred people.

“What about me?”

On the side, Yu Chang also came over and asked.

“How can I be left out of something so fun!”

“You stay behind and watch Wolf Buster!”

Lin Ran said indifferently.

“Shit! No way!”

Yu Chang was a little speechless, what was there to see about Wolf Buster, he still wanted to go out, for him running out to see this bustling urban world was more interesting than watching Wolf Buster at home.

“Boss, I”

The wolf bully on the side seemed to have something to say.

“Speak!”

Lin Ran asked, looking at him with a frown.

“I want to follow you too!”

Wolf Ba said anyway with a clench of his teeth.

“Follow me?”

Lin Ran was stunned at his words, these words had been spoken by Wolf Ba before in the Fey Demon Domain, only at that time, Lin Ran thought Wolf Ba was joking, so he didn't care.

But at this moment, Wolf Ba actually brought it up again, rather it looked like it was even very solemn.

“Are you from the Other Demon Realm, following me?”

Lin Ran asked with a frown.

“Boss I know you have concerns, but being born in the Other Demon Realm isn't something I can choose! And I can make a blood oath that if I betray you, I, Wolf Ba, will be directly struck dead by lightning!”

Wolf Ba said busily, having followed Lin Ran for so long, he was really somewhat moved to follow him, and looking at so many people following Lin Ran, he was moved to do the same.

“Think about it! Once you follow me, you will definitely have to make enemies with the entire Fey Demon Realm in the future!”

Lin Ran looked at Wolf Ba.

The two belonged to different camps, so if a great war broke out in the future, then Lin Ran would inevitably be fighting against the entire Fey Demon Realm, and at that time, Wolf Ba would only be able to choose to be on Lin Ran's side.

“I've thought it over, I no longer have any family in the Fey Demon Realm, even the Fey Demon Realm is the world of those who are close to the Fey Demons, there is no possibility for those of us to come out on top! I want to follow you!”

Wolf Ba said seriously.

“Good! Since that's the case, then you will make a blood oath and be my Lin Ran's from now on!”

Lin Ran nodded his head and said.

He didn't care about Wolf Ba's origin, as long as he was of good character everything was negotiable, he didn't care if he was from the Other Demon Realm or not.

Moreover, Wolf Ba had already said that he had no family in the Other Demon Realm, so Lin Ran naturally had nothing else to worry about.

Although Wolf Ba was arrogant before, Lin Ran could tell that he had no ulterior motives and was open about everything, which was why he was willing to accept Wolf Ba.

Otherwise, if it was anyone else, it would have been out of the question.

“Good!”

Wolf Ba nodded excitedly and then hurriedly made a blood oath.

Only then did Lin Ran nod and smile in satisfaction at this state.

“In that case, you two will act together tonight, here are fifty copies! Do them all!”

Lin Ran said.

“Yes!”

Wolf Ba and Yu Chang were excited, and immediately the two of them collected their stuff and left.

“What do we do?”

Song Nuan and the others also walked out of the room at this moment.

“You four stay behind! Eldest Elder, you are responsible for protecting them! Ling Sa and I will go find this Xu Mao!”

Lin Ran said.

“Then you guys take care of yourselves!”

Song Nuan’s four daughters nodded at his words, they knew very well that this wasn’t going to be fun, and since the four of them hadn’t cultivated before, staying at home was naturally the safest thing to do at this point.

“Let’s go!”

A cold aura flashed in Lin Ran’s eyes, and with a whirl, he took Ling Sa and left the Coiling Dragon Mountain.

And it was tonight that the doomed calm was to end, and a new storm was about to come.

Lin Ran had returned, and he had rested enough. He would not spare any of those who had persecuted him and plotted against him in the first place.

And the medical skills that had been leaked out of Chao Tiange, he would get them all back.

This was left to the Chao Heavenly Pavilion by the Nine Spectral Maidens, not to him, the Third Elder.

There was an icy coldness in Lin Ran’s eyes as he and Ling Sa’s figures quickly disappeared into the vast night outside of Mount Pan Long.

.....

At this time in Tanjiang City, inside a bar, a young man was shaking his head and having a good time, but his gaze fell from time to time on a young woman not far away.

The woman was dressed very innocently, and at a glance she should be a college student in school, coming to a place like a bar for the first time.

Chapter 1460

“A drink, pretty girl?”

After a few moments, the young man smiled as he saw the other two girls beside the woman go to the dance floor.

“Sorry, I don’t know you!”

The woman looked a little formal and waved her hand in refusal.

“Don’t bother, my name is Xu Mao we don’t even know each other now!”

Xu Mao laughed, while his palms shook slightly not knowing what he was doing.

“But I can’t drink your wine!”

The female student has a guard, she is a freshman in this neighborhood, originally she did not want to come to this kind of, but can not stand two housemates said to come to relax, so they were racked over.

“It’s okay Hey be careful there are bugs!”

Xu Mao said as he suddenly poked his palm out and slapped the woman on the shoulder.

At once a faint white mist flew up.

“Ahem! Where are the bugs, what are you doing!”

The woman asked at the same time with two dry coughs.

“This is something good, I can’t tell you about it!”

Xu Mao laughed at the situation.

The woman wanted to ask something more, but suddenly her entire eyes changed.

Before there was caution in the woman’s eyes, but at this moment the trend had turned into bewilderment, her whole person froze in place, her two eyes darkened looking very wooden.

“Come and have a drink!”

Xu Mao smiled and handed over the glass of wine.

The woman was like a different person, and immediately picked it up, and then finished it with a gulp.

“So obedient! Go with brother to go out and play!”

Xu Mao had smugness in his eyes, and then he got up and left the place.

Behind him, the woman seemed to be walking as if she was a corpse, but she got up and followed him step by step.

A few moments later, in an alleyway near the bar, there was greed in Xu Mao's eyes in the darkness.

Looking at the female college student standing in front of him at the moment, leaning against the wall, he could not restrain the impulse in his heart somewhat.

"Damn, this Chao Tiange's medical skills are really awesome! A simple bit of powder can control a person like this, if this is when I learn all of the Third Elder's skills ah, then won't I have money and women at my disposal!"

Xu Mao's eyes lit up as he thought.

"Damn it, let me have a good time first!"

Finally Xu Mao couldn't resist the impulse in his heart and pounced on the college girl, and started to get his hands on her.

But at that moment, suddenly a "whoosh" sound suddenly sounded in the darkness.

"Huh?"

Xu Mao was stunned and was just about to turn his head to look when a huge force blasted directly at his body, sending him flying out of the room.

"Bang!"

Xu Mao fell heavily to the ground, his whole body in pain.

"Who the fuck, looking for death!"

Xu Mao took an angry step and immediately got up from the ground with anger in his eyes.

The Xuan Yin Pill Canon of the Chao Heavenly Pavilion was very special, unlike ordinary pill codices that not just anyone could learn.

If you wanted to cultivate the Xuan Yin Pill Canon, you had to improve your own physique, like Qin Bing, who had been helped by Lin Ran to improve her physique in the first place.

Otherwise, an ordinary person's physique would not be able to cultivate the Xuan Yin Pill Canon.

The reason why this Xu Mao in front of him was able to cultivate the Xuan Yin Pill Canon was naturally because the Mysterious Alliance had helped them improve their physique.

Because of the withdrawal of the Chao Heavenly Pavilion, the original Mysterious Alliance was in dire need of the Third Elder to bring in people to take over the logistical work of healing the sick.

So they trained a group of ordinary people with medical talent and let them study the Xuan Yin Pill Canon under the Third Elder, and this Xu Mao was one of them.

So although he had just been struck by something, the damage to him was very minimal.

Xu Mao's current physical quality was much stronger than the average person's.

"Who is it! Come out!"

Xu Mao was not easily angered, but when he looked at the darkness at the end of the alley, there was no one at all, so he couldn't help but wonder.

Did he just see a ghost?

Suddenly, just when Xu Mao was a bit confused, he saw that two figures had appeared next to the female student leaning against the wall.

They were looking at the female university student and were not paying any attention to themselves.

"Who are you guys!"

Xu Mao asked very nervously.

He was confident in himself, ever since he started following the Third Elder to learn the art of healing, he was much stronger than before in terms of both his physical acuity and hearing, but just now he clearly did not hear the sound of footsteps, but these two people who came had already appeared near him.

"How is she?"

Looking at the female university student in front of him, Ling Sa asked worriedly.

"It's no harm, she's just under the spell, you go deal with him, I'll be fine soon!"

Lin Ran said indifferently.

The two people standing next to the female university student at this moment were who else but Lin Ran and Ling Sa.

"Hm!"

Ling Sa nodded, and then turned around and walked towards Xu Mao.

"Looking for death! How dare you even meddle in old me's affairs!"

Xu Mao's eyes were cold, and he immediately slapped his palm towards Ling Sa, and at this moment, a packet of powder had appeared in his hand at some point, which was exactly the ecstasy he had just used to stun the female university student.

"Bang!"

What kind of strength is Ling Sa, how can she fight against this Xu Mao, in just one glance, Xu Mao instantly flew out backwards.

At the same time, the medicinal powder in his hand also directly spilled onto the ground.

Seeing this powder, Ling Sa's face became even more ugly. A hand grabbed Xu Mao's entire body and lifted him towards Lin Ran.

However, at this moment, Lin Ran, a strand of his true qi was sent into the female university student's body, and soon the effects of the medicine were dissolved away.

"Bastard!"

The female university student had just come to her senses,? This kick was full of the female university student's anger, and it was actually on Xu Mao's lifeblood.

The kick was so painful that Xu Mao's face instantly changed.

"Fuck me!"

Xu Mao looked at the female university student and said angrily.

"You think I don't know anything just because I'm under ecstasy, I know everything! You rascal you wait!"

The female college student said and turned around and left, only for a voice to soon come through.

"Hey! Police station? I want to call the police!"

"Bastard let go of me!"

Hearing that the other party was going to call the police, Xu Mao was instantly anxious.

"Dream on!"

Ling Sa gave him a bland look and said in a cold voice.

"You! You're forcing me to do this!"

Seeing this, Xu Mao's other hand actually fished out another packet of medicinal powder, and immediately threw it towards his mouth.

The next moment, when the powder entered his mouth, Xu Mao's eyes turned red and he instantly broke away from Ling Sa and lunged towards the two of them.

"Roll!"

Lin Ran took a step forward and instantly kicked Xu Mai in the stomach, and the latter instantly opened his mouth wide.

"Whoosh!"

Lin Ran flicked his finger and instantly a pill flew into Xu Mao's mouth, following which his entire body blacked out and directly passed out.

"Let's go, he won't remember anything first thing in the morning!"

Lin Ran said indifferently, Ling Sa nodded and immediately followed Lin Ran and left.

Xu Mao was only one of the people the Third Elder had trained, and the Third Elder had trained people down through the years, and it was close to ten thousand.

It wasn't that Lin Ran was too petty to let the Xuan Yin Pill Canon get out, but once ordinary people like this learned it, no one could guarantee what they would do and use it for anything bad.

For example, Xu Mao tonight.

This is why the Nine Specters Lady made it a rule that no disciple of the Chao Heavenly Pavilion could learn it.

The Chao Heavenly Pavilion was so strict in screening its disciples that there had been a mutiny by three elders, not to mention that the three elders all screened it and passed it on easily.

With so many people learning the Xuan Yin Pill Canon, and no one to control it, society would be in chaos!
